CITY OF MACKINAC ISLAND

CITY COUNCIL & M.I. TRANSPORTATION AUTHORITY JOINT MEETING MINUTES

Section V, Itemb.

Wednesday, April 30, 2025 at 1:00 PM

City Hall – Council Chambers, 7358 Market St., Mackinac Island, Michigan

I. Call to Order

Mayor Doud called the meeting to order at 1:00 pm

II. Roll Call

PRESENT

- Richard Chambers
- Tom Corrigan
- Steven Moskwa
- Anneke Myers
- Alan Sehoan
- Jason St. Onge
- Erin Evashevski, Attorney

MITA

- Sam Barnwell
- Brian Bailey
- Andy McGreevy
- Brad Chambers
- Steven Moskwa
- John Drury, Attorney

VII. New Business

- Introductions:
  - o Mark Koener, Attorney
  - o John Drury, Consultant (previously worked for Michigan Department of Transportation)
- Financials
  - o Use of Capital Grants
    - Capital Grants – MDOT
      - \$100,000 for a survey
      - Electrical upgrades on the Coal Dock
      - Some set aside for winter boat design (have some bids in currently)
      - Other money available, but all dependent on if they haul passengers in to the Coal Dock - currently working on a feasibility study for passenger service
        - o Working on community outreach now
        - o Feasibility study should be done by fall 2025
          - Cost has been grant funded
        - o Looking at engineering of the dock and what it will cost to fix
        - o Cost of study is covered via grant.
        - o Have used roughly \$2 million in grants for completed projects at the Coal Dock
- Ongoing projects:
  - o Ice House/Hardware rehab
    - Adding on to the Hardware Store and fixing up the old ice house for storage
    - Will eventually be using the old ice house area for UPS - have built a ramp so that a forklift can run pallets in and out
  - o Electrical upgrade
    - Started last fall - still have quite a bit to do
    - Hoping to have completed by June 2025
    - Plan to install generator and manual transfer switch - each building will have its own
      - Can maintain control of pumping gas and moving ramps during power outages
      - Cost was grant funded
  - o Ice breaking ferry conceptual design
    - In the process of picking a bidder for the conceptual design
      - Will provide the length of the boat, what kind of ice it can break, passenger capacity, freight capacity, what the boat will look like
        - o Paid for by MDOT
        - o Timeline for design - should have by January 1, 2026
          - With design comes the estimate to build the boat
      - Criteria - committee will be put together to help guide the design to what they are looking for (bathrooms, heated area, separate freight area)
      - Boat will be owned by the Transportation Authority, but will be leased out to a provider for service

- Dock lateral supports
  - These need work to keep the dock from moving side to side
  - Still working on the design phase and need to do some boring to determine how many are needed and where the placements will be
- Fuel storage tank upgrade
  - The Hardware Store currently has a truck come over to fill up the wagon tanks, which is then pumped in to the main tank - would like to upgrade so that the truck and pump directly in to the main tank
- Waiting room / restrooms
  - Will be located in the old Hardware Store that was torn down
  - Do not currently have plans for this - need to get complete conception for the docks first
- Use of the Coal Dock for winter boat service
  - Important for funding
  - Would need to add another ramp to be used only for passenger service
    - Keeps the passengers out of the freight operation area
    - Plan is to have passengers and luggage disembark in to the warehouse
- Coal Dock lease extension – 40 years
  - MDOT would like to see a 40-year lease in place (standard)
    - If they will be investing money in these types or projects, they like to see that the party has a longer interest than the currently proposed five (5) years
- Goals for the Transportation Authority and City
  - To have a boat capable of winter service
  - Obtaining a dock in St. Ignace
  - The more that the Transportation Authority can provide for passenger service at the Coal Dock, the better for funding

**IX. Adjournment**

Motion made by Myers, seconded by St. Onge, to adjourn the meeting at 1:48 pm.

Voting Yea: Chambers, Corrigan, Moskwa, Myers, Sehoyan, St. Onge

\_\_\_\_\_

Ms. Danielle Leach  
City Clerk  
City of Mackinac Island  
Mackinac Island, Michigan 49757

Dear Danielle;

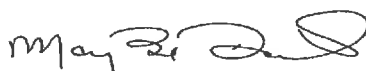

Thank you for assisting me with a permit for the vehicle coming with the art from the Manoogian's later in May.

The vehicle will be coming over on Arnold Freight the afternoon of Friday, May 23, 2025. They will be at British Landing around 6pm and will wait there until the police can escort them to behind the hotel.

The vehicle will be departing from the hotel at 7am on Sunday, May 25, 2025, back to British Landing for Arnold Freight to pick them back up to take them to St. Ignace. I know there were questions about a Sunday morning departure last year so please let me know if this isn't possible and we'll move the truck departing to late on Saturday night.

Please let me know if you have any questions and thank you again for your assistance.

Sincerely,

Mary Beth Daniels,

**Mayor Doud and Members of the City Council**

City of Mackinac Island  
Mackinac Island, MI 49757

**RE: Request for Temporary Motor Vehicle Permit – Bonzheim Residence (Stonebrook North Lot 17)**

Dear Mayor Doud and City Council,

On behalf of Scott and Kim Bonzheim, owners of Stonebrook North Lot 17, I respectfully submit this request for a temporary motor vehicle permit pursuant to Section 66.98 of the Mackinac Island City Code. GC North, LLC is serving as the General Contractor for the Bonzheim project, in partnership with Dickinson Homes.

We are requesting a motor vehicle permit for a duration of **10 days in May 2025**, prior to Memorial Day weekend, to allow **Belonga Excavating** access to the property for tree clearing and site excavation in preparation for foundation installation. The basis for this request is outlined below:

1. **Planning Commission Approval:** We anticipate formal Planning Commission approval on **May 13, 2025**. This project had been previously approved by the Planning Commission in an earlier iteration. The current design is a significantly scaled-down version of that original plan.
2. **Association Approval:** The **Stonebrook Homeowners Association** has already reviewed and approved the revised home plans.
3. **Unforeseen Delays:** Due to the recent historic ice storms and resulting damage, the Bonzheims were unable to proceed with tree removal or secure PC approval prior to May 13, despite best efforts. This has created a schedule hardship.
4. **Zoning Clarification:** The zoning map provided by the City to Dickinson Homes in August 2024 identifies the Bonzheim parcel as located within **Zone 2**, while the text of the Code suggests it may fall under **Zone 1**. We seek clarification, but proceed under the assumption of Zone 2 for this request.
5. **Foundation Requirement for Fall Set:** Dickinson Homes is scheduled to set the modular home in **November 2025**, in accordance with the City Code. Completing the foundation work during summer 2025 is essential to meet this deadline.
6. **Vehicle Use and Route:** Only **one motor vehicle** will be used, limited strictly to a 10-day window. The travel route will **avoid downtown** entirely, utilizing **M-185 from the State Dock to the project site**.

GC North LLC  
6859 Main Street, Mackinac Island, MI  
Phone: 906-282-0904 | Email: spencerwryan21@gmail.com

7. **Site Complexity:** The property presents site-specific challenges that necessitate early excavation and proper backfill ahead of the house set. A fall foundation installation is not viable due to time and weather constraints.
8. **Project Impact and Hardship:** Without this 10-day permit, the home cannot be set until **fall 2026**, delaying the entire project by one year. This would create undue hardship for the Bonzheims, their contractors, suppliers, and would leave the lot cleared but undeveloped for an extended period—an outcome we believe is not in the City's best interest.

We appreciate your consideration of this request and welcome the opportunity to discuss the details further if needed.

Sincerely,

**Ryan Spencer**

Project Manager, GC North LLC

Hey Ryan,

I'll get this added to the May 14th agenda.

To answer your question regarding clarification - the house is located in vehicle zone 1 with the cut off date of May 1st as it is "assessable by M-185" as stated in the Motor Vehicle Ordinance.

I am in the process of redoing the map after having a conversation with Jim Murray about this. Someone else created the map, and it's unfortunately incorrect. The map is also not included in the ordinance, so the written explanation is superior to the hand drawn map.

Have a great weekend!
