Good Morning Danielle,

It is that time of year again that Mission Point would like to ask for approval to host the annual BYC, CYC, and Mackinac Island Swim events on Mission Point's Great Lawn. I have spoken to our Conference Services team and the diagrams are extremely close to last year's diagrams. There is nothing new or special this year that is different from previous years.

I have attached the diagrams for these three events. This year CYC is on July 14th (estimated at 3,000 people), BYC is on July 21st (estimated at 3,000 people), and the Mackinac Island Swim is on August 9th (estimated: 325-350 people).

Could you please put this on the agenda for the June 10th City Council meeting? If there is anything else that you need, please let me know.

Thank you,

REBECCA JOHNSON
