REPORTS

10. Financial Report for December 2025

The average daily census for the month was 8.65. This is up one day from November and down one day from the year-to-date monthly average. The acute payer mix for December was 85% for Medicare and Medicare Managed Care with the prior month being 85% as well. The swing bed payer mix for December was 98% for Medicare and 2% for Medicare Managed care. The year-to-date for Medicare is 80% and Medicare Managed Care is 20%. The operating loss for December was \$111,000, which is up \$53,000 from November. The year-to-date operating margin was a loss of \$435,000. A lot of that is from the 2% Medicare pay mix from this month. Net patient revenue was \$1.37 million for the month, an increase of \$165,000 from last month and a decrease of \$61,000 from the year-to-date monthly average. 340B revenue was \$24,000 for December and expenses were \$14,000. Operating expenses were at \$1.52 million for December, which is up \$138,000 from the prior month and \$25,000 from the year-to-date monthly average. Patient days for December were at 268. That's up 37 days from November. Cash receipts for the month were \$1.41 million. That's a decrease of \$184,000 from the year-to-date monthly average and a decrease of \$638,000 from November. Cash disbursements were at \$2.48 million. Cash balance at the

December month end was \$1.1 million giving us about 24 days of cash on hand. The clinic average daily visits were 13, which is the highest they were all year. The year-to-date revenue for the clinic is \$597,000. Operating expenses were \$910,000, ending the year at a loss of \$313,000.

Trustee Ford asked what the Operating loss from the prior year was. It was answered that the net loss from last year was \$453,000.

18. Discussion regarding the Big Beautiful Bill (Information Only)

It was stated that the projection is that Medicaid cuts to rural Oklahoma are going to be over \$5 million. It's projected that the cuts won't begin until 2029. In order to help mitigate part of that about 20%, beginning this year they put into effect the Rural Health Transformation Program (RHTP), which is \$50 billion from the federal government over the next 5 years. Oklahoma is getting \$223 million this year and is projected to get about \$1.1 million over the next 5 years. Currently there are no specific action for our hospital to take.
