10. Discussion and possible action with regard to reviewing the Interlocal Agreement for the Operation of Emergency Medical Services between the City of Mangum, the Mangum Utility Authority, and the Greer County Special Ambulance District. The Agreement provides that the Ambulance District must (1) provide a financial audit within 90 days of the conclusion of its financial year indicating no material weaknesses or substantial deficiencies; and (2) provide proof that it has raised sufficient and proportional revenues from Greer County and

additional communities to properly fund the Ambulance District. Failure to satisfy either point allows for termination of this Agreement effective February 1, 2023.

David Fite and Landon Brooks speak on the contract with EMS and The City of Mangum. Phil Paxton is requesting to see the audit first before any decision is made. Brandon says that he has contacted the State Auditor to see when it will be done. He said that they are almost done with it and it is just the matter of wrapping it all up. He informs the board that he doesn't want to pay \$1400.00 for someone else to do an audit when one is already being completed. Regarding raising sufficient funds, he says "if we hadn't raised sufficient funds, we wouldn't be here". He says everything is good and they are in good shape. He states they have currently about \$88,000 in their account as well and about \$30,000 out in accounts receivable. They also are in the process of changing their billing and will not be using in-house billing anymore, they will use a 3rd party billing system. Phil Paxton, City Manager says that we are billing the \$12.00 fee on primary residences and says there is a lot of primary residences that already have coverage for ambulance service. He has Medicare and so do a lot of other residences but wants his point out that, a lot of residences feel they are paying twice. Mayor Mary Jane expresses her concern on reviewing all the details before a decision is made. She says we need our ambulance service and that is our main priority.

11. Discussion and possible action with regard to renewing the Interlocal Agreement for the Operation of Emergency Medical Services. The Interlocal Agreement must be renewed by February 1, 2023. If not, it expires on June 30, 2023. The Interlocal Agreement allows the City of Mangum to collect a \$12.00 fee on residential meters within the corporate city limits to the City of Mangum for the operation of the Ambulance District.
