REMARKS

Remarks or inquiries by the audience not pertaining to any item on the agenda.

Reggie Reynolds asked when a city manager will be appointed. The Board replied as soon as possible.

Grace Leamon asked about the funds for the power plant fee. She asked where is it and was given the answer that it is still in the account. Last heard it was given to the theatre and have not heard anything since. Grace complained about all the meter fees. She wants to see the town grow. She does not want to see the town die. She stated the town needs things for the kids and business. Grace stated that the kids are running the streets and are out late. They are always out and about. She believes a curfew needs to be enforced. Kids stole Grace's Mountain Dew out of her truck.

STAFF AND BOARD REMARKS

Remarks or inquiries by the governing body members, City Manager, City Attorney or City Employees

Dirk Hamon gave a community update regarding Nuclear Energy Development in our area. Discussed response from BWXT conference. Staffed issues addressed during the meetings. Water usage may be a problem at 50,000 per day. Discussed correspondence from Trump Administration on nuclear development. We are contacting local government leaders about our continued interest. Will not be making a decision to move forward but will have community engagement before final decision is made. We are planning future Town Hall meetings to address if it becomes a more concrete possibility.
