Kelly states currently if a speech therapist recommends a swallow study Mangum Regional is having to send or transport patients to Elk City or Jackson County because they have to have a radiologist on site to read it. This agreement does away with transport making it easier for the patient as well as it is more cost effective for the hospital as this service is bedside available. It is not a cost unless used and something we can offer our patients.

Motion made by Trustee Webb, Seconded by Trustee Hopper.

Voting Yea: Trustee Lively, Trustee Ford, Chairman Vanzant, Trustee Hopper, Trustee Webb

Kelly asks the Board how they would like the Hospital to handle patient debt, options being after a year write them off or send a final letter as an attempt to collect. Kelly explains typically the procedure is to mail the patient a bill for three consecutive months and if no response the Hospital is to write them off. This procedure hasn't been done. Cohesive has started using a collection agency for the clinic but asking for those that have passed the one year mark.

Motion made by Trustee Webb on sending one more final bill. Second by Trustee Hopper.
Voting Yea: Trustee Lively, Trustee Ford, Trustee Hopper, Trustee Webb
Voting Abstaining: Chairman Vanzant

- 36. Discussion and possible to Approve moving forward with a Debit Card linked to the Hospital account instead of a Credit Card

Cohesive has requested a credit card for emergency purchases only however after several attempts many agencies require a guarantor. Cohesive is suggesting to go through their local bank to get a card that is directly linked to the bank account with a limit of \$5K in a Trustees name of their choosing with strict instruction of approval prior to making purchases.

- 37. Discussion and action to establish a contract for the professional services of a Certified Public Accountant (the "auditor") for financial and compliance audits for fiscal years 2018, 2019, 2020, 2021, and 2022 for Mangum Regional Hospital and Mangum Regional Medical Center managed by, Cohesive Healthcare Management & Consulting LLC. The last update the board received was November 2022 wherein, the board was advised the audit would soon be done. These audits are to be performed in accordance with generally accepted auditing standards as set forth by the American Institute of Certified Public Accountants, the standards for financial audits set forth in Government Auditing Standards issued by the comptroller General of the United States, and the audit requirements of Title 2 US Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance), including any future changes or replacement of these requirements applicable to the audit period in question. The completion/status is required for the City of Mangum's annual audit to be complete.

Cohesive states a proposal has been given to the City Attorney for review, they received it too late to attached in the agenda. This proposal is believed to meet the requirements requested by the City and waiting on the City Attorney to be sure it meets the state requirements as well.

Interim City Manager Erma Mora states our audit is coming up in December and we need to present something to our auditor/consultant. City Attorney has not notified anyone about a proposal so this is the first we've heard. Godwin emailed the proposal to Corry late but stated it meets the requirements requested by the State Statutes. Erma says we will need to have an emergency meeting regarding an audit if necessary and possibly find the hospital one if this proposal doesn't meet our auditors' standards but we cannot afford to get dinged every year for this. Cohesive presented a copy of the proposal to Erma and the board to review.

Motion to approve tentatively, pending the proposal meets the appropriate guidelines with the City and the State.
