

NOTICE OF THE BOARD OF DIRECTORS' REGULAR BI-MONTHLY MEETING

Tuesday, July 15, 2025 at 5:30 PM

AGENDA

LOCATIONS:

Open Session to start at or after 6:30 p.m.

Marin Water Board Room – 220 Nellen Avenue, Corte Madera, CA 94925 Outside location for Director Jed Smith - 105 Herring Pond Road, Plymouth, MA 02360

Closed Session begins at 5:30 p.m.

Marin Water Mt. Tam Conference Room, 220 Nellen Avenue, Corte Madera, CA 94925

Public Participation:

The public may attend this meeting in-person or remotely using one of the following methods:

On a computer or smart device, go to: https://marinwater.zoom.us/j/88134852296

By phone, dial: 1-669-444-9171 and use Webinar ID: 881 3485 2296

HOW TO PROVIDE PUBLIC COMMENT:

During the Meeting: Typically, you will have 3 minutes to make your public comment, however, the board president may shorten the amount of time for public comment due to a large number of attendees. Furthermore, pursuant to Government Code, section 54954.2 (the Brown Act), the Board may not take action or discuss any item that does not appear on the agenda.

- -- In-Person Attendee: Fill out a speaker card and provide to the board secretary. List the number/letter (ex: 6a) of the agenda item(s), for which you would like to provide a comment. Once you're called, proceed to the lectern to make your comment.
- -- **Remote Attendee:** Use the "raise hand" button on the bottom of the Zoom screen. If you are joining by phone and would like to comment, press *9. The board secretary will use the last four digits of your phone number to call on you (dial *6 to mute/unmute).

In Advance of the Meeting: Submit your comments by email in advance of the meeting to boardcomment@marinwater.org. To ensure that your comment is provided to the Board of Directors prior to the meeting, please email your comment 24 hours in advance of the meeting start time. Comments received after this cut off time will be sent to the Board after the meeting. Please do not

include personal information in your comment such as phone numbers and home addresses.

AGENDA ITEMS:

- 1. Call to Order and Roll Call
- 2. Adoption of Agenda
- 3. Announcement of Closed Session Item(s); Public Comments on Closed Session Item(s)

Following announcement of Closed Session items and prior to recess into Closed Session, the public may speak up to three minutes on items to be addressed in Closed Session. The Board will convene to Closed Session in the Mt. Tam Conference Room after public comment.

a. Conference with Legal Counsel - Anticipated Litigation

(Significant exposure to litigation pursuant to paragraph (2) or (3) of subdivision (d) of Section 54956.9)

Number of Potential Cases: Unknown

Adjourn closed session and reconvene to open session in the Board Room and via Zoom.

- 4. Reconvene to Open Session; Closed Session Report Out (6:30 p.m. Time Approximate)
- 5. Public Comment on Non-Agenda Matters

This is the time when any person may address the Board of Directors on matters not listed on this agenda, but which are within the subject matter jurisdiction of the Board.

- **6. Directors' and General Manager's Announcements** (6:35 p.m. Time Approximate)
- 7. Board Committee Reports

Each Committee Chair or Vice Chair will provide a report on recent committee meetings. Directors may ask questions or provide brief comments or requests for additional information on an item.

8. Consent Items (6:40 p.m. – Time Approximate)

All Consent Items will be enacted by a single action of the Board, unless specific items are pulled from Consent by the Board during adoption of the agenda for separate discussion and action.

a. July 1, 2025 Board Meeting Minutes

RECOMMENDATION: Approve the minutes of the Board of Directors' Regular Bi-Monthly Meeting on July 1, 2025

b. General Manager's Report June 2025

RECOMMENDATION: Approve Report

C. Purchase of 18-Inch Actuated Butterfly Valves to Replace Valves at the San Geronimo Treatment Plant

RECOMMENDATION: Authorize the General Manger to execute a purchase order for replacement valves from Southwest Vales & Equipment, LLC to replace leaking filter rate control valves at the San Geronimo Treatment Plant in the amount of \$135,442.43

d. FY 2026 Pay Schedule for District Employees

RECOMMENDATION: Adopt a resolution approving the updated pay schedule effective the first full pay period following July 1, 2025 for District Employees to reflect the CPI increase and cost of living adjustments approved by the Board in November 2023

e. Request to Fill Natural Resources Technician II (Vegetation Management)

RECOMMENDATION: Approve adding a Natural Resources Technician (Vegetation Management) II position as an additional Full Time Equivalent (FTE) position to be filled on an as need bases as a 2 –year limited duration assignment in the Watershed Division

- **9. Regular Items** (6:45 p.m. Time Approximate)
 - a. Watershed Prescribed Burn

RECOMMENDATION: Receive staff presentation on Mt. Tamalpais Knob II Prescribed Burn Project

b. FY26 Engineering Capital Projects Update

RECOMMENDATION: Receive staff update on Fiscal Year 2026 Capital Projects

10. Future Board and Committee Meetings and Upcoming Agenda Items

This schedule lists upcoming board and committee meetings as well as upcoming agenda items for the next month, which may include Board interest in adding future meeting items. The schedule is tentative and subject to change pending final publication and posting of the meeting agendas.

- a. Upcoming Meetings
- 11. Announcement of Closed Session Item(s); Public Comments on Closed Session Item(s) None.
- 12. Reconvene to Open Session; Closed Session Report Out Not applicable.
- **13.** Adjournment (8:00 p.m. Time Approximate)

ADA NOTICE AND HEARING-IMPAIRED PROVISIONS

In accordance with the Americans with Disabilities Act (ADA) and California Law, it is Marin Water's policy to offer its public programs, services, and meetings in a manner that is readily accessible to everyone, including those with disabilities. If you are an individual with a disability and require a copy of a public hearing notice, an agenda, and/or agenda packet in an appropriate alternative format, or if you require other accommodations, please contact the Board Secretary/ADA Coordinator at 415.945.1448, at least two business days in advance of the meeting. Advance notification will enable Marin Water to make reasonable arrangements to ensure accessibility.

Information agendas are available for review at the Civic Center Library, Corte Madera Library, Fairfax Library, Mill Valley Library, Marin Water Administration Building, and <u>marinwater.orq</u>.

STAFF REPORT

Meeting Type: Board of Directors

Title: July 1, 2025 Board Meeting Minutes

From: Terrie Gillen, Board Secretary

Through: Ben Horenstein, General Manager

Meeting Date: July 15, 2025

TYPE OF ITEM: X Action Information

RECOMMENDATION: Approve the minutes of the Board of Directors' Regular Bi-Monthly Meeting

on July 1, 2025

SUMMARY: The Board of Directors held their regular bi-monthly meeting on July 1, 2025. The

minutes of that meeting are attached for your approval.

DISCUSSION: None.

ENVIRONMENTAL REVIEW: Not applicable.

FISCAL IMPACT: None.

ATTACHMENT(S):

NOTICE OF THE BOARD OF DIRECTORS' REGULAR BI-MONTHLY MEETING

Tuesday, July 01, 2025 at 6:30 PM

MINUTES

LOCATIONS:

Open Session to start at or after 6:30 p.m.

Marin Water Board Room – 220 Nellen Avenue, Corte Madera, CA 94925 Outside location for Director Jed Smith - 105 Herring Pond Road, Plymouth, MA 02360 Outside location for Director Larry Russell – 200 Martinique Ave., Tiburon, CA 94920

Public Participation:

The public attended this meeting in-person or remotely using one of the following methods: on a computer or smart device, https://marinwater.zoom.us/i/88134852296, or by phone, 1-669-444-9171 using Webinar ID No.: 881 3485 2296.

AGENDA ITEMS:

1. Call to Order and Roll Call

President Matt Samson called the meeting to order at 6:30 p.m.

DIRECTORS PRESENT

Ranjiv Khush

Diana Maier

Larry Russell

Jed Smith

Matt Samson

2. Adoption of Agenda

Vice President Smith made the motion to adopt the agenda. Director Khush seconded the motion.

There were no public comments.

Voting Yea: Directors Khush, Maier, Russell, Smith, and Samson

- 3. Announcement of Closed Session Item(s); Public Comments on Closed Session Item(s) None.
- Reconvene to Open Session; Closed Session Report Out Not applicable.

5. Public Comment on Non-Agenda Matters

There were two (2) public comments.

6. Directors' and General Manager's Announcements

- General Manager Ben Horenstein reported on the prescribed burn conducted in coordination with the Marin County Fire Department, which took place earlier in the day on the north side of Bon Tempe Lake.
- Both Director Khush and President Samson reported that they participated at a community meeting with staff and Nicasio Landowners Association to discuss the proposed Nicasio Spillway Project. They thanked those in attendance and the principal/superintendent of Nicasio School for organizing the meeting.
- President Samson also thanked Water Efficiency and Communications staff for their partnership with Marin Wildfire Prevention Authority and Fire Safe Marin's presentation, as well as acknowledge the Finance staff for their update. He also reported that he traveled to Washington D.C. to discuss grant opportunities to benefit the District. He thanked congressional staff and the District lobbyist for coordinating these efforts. President Samson also acknowledged the prescribed fire burn and thanked staff for their excellent communications ahead of this event.

7. Board Committee Reports

Finance & Administration Committee Chair Smith and Planning Committee Chair Russell summarized agenda items that were discussed at their committee meetings last month.

8. Consent Items

a. June 17, 2025 Board Meeting Minutes

RECOMMENDATION: Approve the minutes of the Board of Directors' Regular Bi-Monthly Meeting on June 17, 2025

b. Award of Contract No. 2053 for Furnishing and Delivery of Welded Steel Pipe to West Coast Pipe

RECOMMENDATION: Approve a resolution to purchase welded steel pipe from West Coast Pipe for capital and fire flow projects in the amount of \$2,489,890 (*Resolution No. 8812*)

c. Contract with Acclamation Insurance Management Services (AIMS) for Third-Party Liability Claims Administration Services

RECOMMENDATION: Authorize the General Manager to negotiate and execute a three (3) year contract with Acclamation Insurance Management Services (AIMS) for Third-Party Liability Claims Administration Services in an amount not to exceed \$200,000

d. Legal Services Agreement Amendment with Best, Best & Krieger for Employment and Labor Law Services

RECOMMENDATION: Approve an amendment in an amount not to exceed \$200,000 to the Legal Services Agreement with Best, Best & Krieger for the continuation of Employment and Labor Law Services

e. Legal Services Agreement with Wood, Smith, Henning & Berman LLP for Legal Defense Representation Services

RECOMMENDATION: Approve a Legal Services Agreement with Wood, Smith, Henning & Berman LLP in an amount not to exceed \$150,000 for Legal Defense Representation Services

Director Khush made the motion to approve the Consent Calendar. Director Maier seconded the motion.

There were no public comments.

Voting Yea: Directos Khush, Maier, Russell, Smith, and Samson

9. Regular Items

a. Update on Cross-Connection Control Program

RECOMMENDATION: Receive an update on the District's cross-connection control program

Water Resources Manager Lucy Croy and Backflow & Reclamation Manager Nole Studley presented this item.

Discussion occurred between staff and the directors throughout the presentation.

There were no public comments.

This was an information item. No formal action was taken.

10. Future Board and Committee Meetings and Upcoming Agenda Items

a. Upcoming Meetings

The Board Secretary reported on upcoming internal and external meetings scheduled in July.

Section 8. Item #a.

There were no public comments.

- 11. Announcement of Closed Session Item(s); Public Comments on Closed Session Item(s) None.
- 12. Reconvene to Open Session; Closed Session Report Out Not applicable.

Section 8. Item #b.

STAFF REPORT

Meeting Type: Board of Directors

Title: General Manager's Report June 2025

From: Ben Horenstein, General Manager

Meeting Date: July 15, 2025

TYPE OF ITEM: X Action Information

RECOMMENDATION: Approve Report

SUMMARY:

A. HIGHLIGHTS:

- The daily average net production for the month of June 2025 was 24.8 MGD compared to 22.9 MGD for the month of June 2024. Typical usage for June is 30.0 MGD
- Staff presented at the 2025 Annual Conference and Exposition AWWA in Denver on the Districts evaluation of energy recapture and discussed the findings of the evaluation.
- Staff conducted two meetings with the public regarding the Nicasio Spillway Modification Project, which will feed into the environmental process and are the preliminary steps in the development of the project environmental documentation.
- Staff received Northern Spotted Owl clearance from the Districts consultant for the Pine Mountain Tanks Project. This will allow the contractor to start construction ahead of the August 1 start date and make progress on the project prior to the rainy season with the intent to complete the project ahead of schedule.
- Staff responded to 1, 031 underground service alert tickets and marked out approximately 32,417 feet of pipe in June, helping ensure the Districts underground infrastructure is not damaged by contractors or homeowners during excavation work.
- The District's Pipe Tapping Team "North Bay Tappers" traveled to Denver Colorado and competed at the National Pipe Tapping Competition. The competition was held at the American Water Works Association (AWWA) 2025 Annual Conference and Exposition. The team placed sixth out of a total of thirty teams.
- Staff installed eco-counters at sites throughout the Watershed to support the E-Bike Pilot.
- Staff completed monthly dam and spillway inspections and has begun designing sprinkler system project to protect this critical asset during a wildfire, with a mist curtain.
- The District wrapped up with Year 6 of the BFFIP plan in June 2025. Routine June vegetation work focused on Fine Fuel Reduction at Keys Creek and summer weed work across multiple

Section 8. Item #b.

locations on the Watershed. In June contracted workers cleared vegetation downstream from the Seeger Dam Spillway to support survey work on the plunge pool. Veg contractors also worked to prep the Knob II Rx Burn site.

- The Volunteer Program conducted another well-attended successful National Trails Day event along the upper Cataract Trail on June 7th.
- On June 11th, the Natural Resources Staff hosted a California Native Plant Society field training day at Sky Oaks HQ, where Staff highlighted BFFIP vegetation management actions and mapping applications used to plan and monitor vegetation work.
- Staff assisted Stillwater Sciences staff with selecting eight sites for the bat acoustic monitoring efforts required in the E-Bike Pilot. The first round of acoustic monitoring started on 6/23/25.
- The District finalized a grant amendment with DWR to secure an additional \$1.4M for Lagunitas Creek restoration work.

	Average to date = 52.25 ir	nches	

3. Water Quality:

<u>Laboratory</u>	FY 2024/25	FY 2023/24
Water Quality Complaints: Month of Record Fiscal Year to Date	8 198	19 120
Water Quality Informational Inquiries:		
Month of Record	6	8
Fiscal Year to Date	127	80

The WQ Lab ensured that the water supplied met or surpassed water quality regulations by collecting and analyzing 1,390 analyses on treatment plants and distribution system samples.

Mild steel corrosion rates averaged 1.51 (1.14 - 2.06) MPY. The AWWA has recommended an operating level of <5 MPY with a goal of <1 MPY.

<u>Complaint Flushing</u>: One flushing event occurred at 180 Merrydale Rd in San Rafael (HY#06232) to ensure water quality for this month on record.

<u>Disinfection Program</u>: No new pipelines were disinfected during the month of June. Performed chlorination on 17 water storage tanks to ensure compliance with bacteriological water quality regulations.

<u>Tank Water Quality Monitoring Program</u>: Performed 47 water quality-monitoring events on storage tanks for various water quality parameters this month to help ensure compliance with bacteriological water quality regulations.

Summary:

The Lab analyzed 1,390 treatment plant and distribution water samples, and the water quality department treated 17 tanks for low chlorine and checked an additional 47 tanks for low chlorine residual in June 2025.

4. Water Treatment:

	San Geronimo	<u>Bon Tempe</u>	<u>Ignacio</u>

^{*} Set monthly by Water Quality Lab

^{**} pH to Ignacio is controlled by SCWA

5. Capital Improvement:

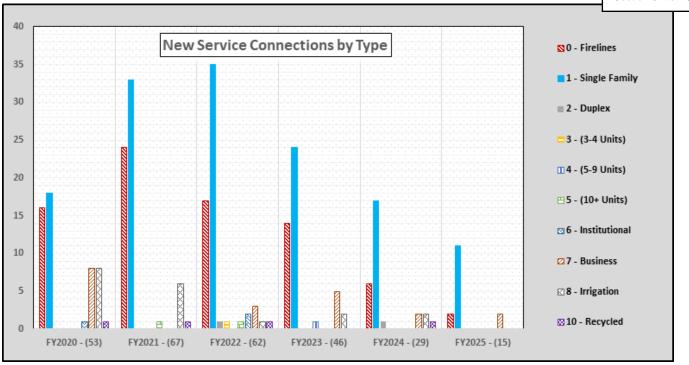

- a. Pine Mountain Tank Phase 2 New Water Tanks Project (D21043): The Pine Mountain Tunnel Tanks Replacement Project is a multi-year two-phased project that will replace the existing Pine Mountain Tunnel. The current project (Phase 2) will construct two 90-foot inside diameter pre-stressed concrete potable water storage tanks, will install yard piping and control systems, and will then complete final site grading.
 - Project Budget: \$19,142,500
 - Monthly Activities: The District's team is continuing to review submittals. The
 contractor mobilized this week and have been setting up BMP's in advance of start of
 construction.
- b. <u>Wolfback Ridge Tanks Rehabilitation Project (D20009)</u>: This project will replace the roof and recoat both the interior and exterior of each tank at Wolfback Ridge in Sausalito.
 - <u>Project Budget</u>: \$950,000
 - Monthly Activities: The Contractor has begun painting the exterior of the second tank (Tank #1) and will perform touchups on the interior coating application soon. The project completion is estimated as 3rd of July.
- c. <u>Granada Drive Pipeline Replacement Project (D23020)</u>: This project will install approximately 10,230 linear feet of welded steel pipe to replace old, leak-prone, and seismic-deficient piping in the Town of Corte Madera. The District coordinated with the Town to incorporate the Town's road reconstruction work into the District's project to minimize construction impacts to the community.
 - Project Budget: \$5,564,384
 - <u>Monthly Activities</u>: The project has been fully completed, the District is finalizing invoicing for paving reimbursement with Town.
- d. Rock Ridge Pipeline Replacement Project (F22001): The Rock Ridge Pipeline Replacement Project (Project) is a component of the Fire Flow Improvement Program. This Project will install approximately 7,590 feet of new 8" and 6" welded steel and polyvinyl chlorine (PVC) pipe to replace the old, leak prone fire flow deficient piping installed as early as 1934.
 - Project Budget: \$3,928,105
 - Monthly Activities: The project has been fully completed in the field, semi-final payment has been made, waiting on maintenance bond from Contractor to complete closeout.
- e. <u>Marin City Phase I Pipeline Replacement Project (GC25005)</u>: The Marin City Phase I Pipeline Replacement Project is a component of the District's Capital Improvement Program. This Project will install approximately 9,200 linear feet of 8, 6 and 4-inch welded steel pipe to replace the old, leak prone, seismic deficient pipe installed as early as 1959.
 - Project Budget: \$4,069,592.20
 - Monthly Activities: The project has been fully completed, the District is now completing project closeout internally.
- f. San Geronimo Treatment Plant Roof Replacement Project (D21034): The San Geronimo Treatment Plant Roof Replacement Project is a component of the District's Capital Improvement Program. This project will remove and replace the existing leaky roof membrane

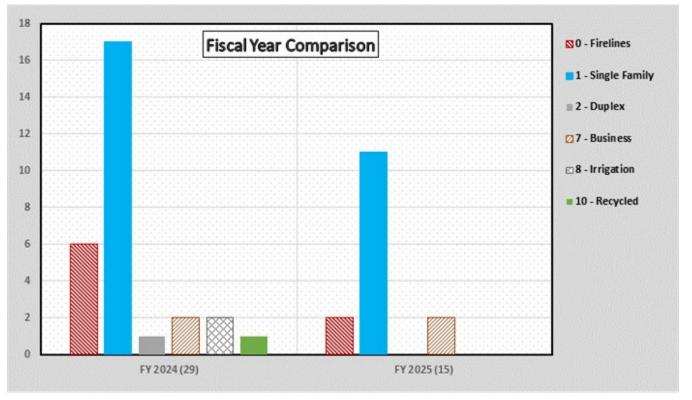

with a new Class A Fire Rated Thermoplastic Polyolefin (TPO) and add fall protection to the San Geronimo Treatment Plant and North Marin Line Pump Station.

- Project Budget: \$1,495,747.00
- <u>Monthly Activities</u>: Continuing to work with Contractor on submittals in advance of the Contractor mobilizing soon. Project completion estimated in October 12, 2025.
- g. Park Road Pipeline Replacement Project (D25019): The Park Road Pipeline Replacement Project is a component of the District's Capital Improvement Program. This project will install approximately 1,670 feet of 8-inch, 6-inch, and 4-inch welded steel pipe to replace old, leak-prone cast iron and asbestos cement pipe installed as early as 1954. This Project will be constructed in coordination with the Town of Fairfax's upcoming storm drain installation and road restoration project to minimize inconvenience to the public.
 - Project Budget: \$1,152,000
 - Monthly Activities: The Contractor began installing pipe on 6/23/25 and to date have installed 557 feet of 8" welded steel pipe and 44 feet of 6" welded steel pipe. Project completion estimated in October 2025.
- h. <u>Glenwood Transmission Pipeline Replacement/Fire Flow Improvement Project</u>: The Glenwood Transmission Pipeline Replacement Project is a component of the District's Fire Flow Improvement Program. This Project will install approximately 6,470 feet of new 18", 16", 12", 8", 6", and 4" welded steel pipe to replace the old, leak-prone, fire flow deficient piping installed as early as 1928.
 - Project Budget: \$4,962,000
 - Monthly Activities: The Contractor began installing pipe on 6/12/25 and have been averaging installation of 185 per day of mostly 12" welded steel pipe so far. Project completion is estimated in January 2026.
- i. <u>Bridgeway Pipeline Replacement Project (D24027)</u>: The Bridgeway Pipeline Replacement Project is a component of the District's Capital Improvement Program. The Project will install approximately 870 feet of 12, 8 and 6-inch welded steel pipe to replace old, leak-prone cast iron, and asbestos cement pipe installed as early as 1943.
 - Project Budget: \$677,000
 - Monthly Activities: The Board awarded the project on 6/17/25, now awaiting signed contracts and insurance from Contractor. Project completion is estimated in September 2025.

7. Recruitments and Hires

The District recruited for the following positions (June)

- 1. Mechanical & Electrical Maintenance Worker III/IV
- 2. Associate Engineer (2 Positions)
- 3. Business Systems Analyst III
- 4. Watershed Aide Maintenance (2 positions)
- 5. Watershed Aide Fisheries (2 positions)

The District hired new employees for the following positions (June)

- 1. Customer Service Representative III
- 2. Environmental Planner
- 3. Summer Helper Meter Box Maintenance (2 positions)
- 4. Summer Intern Finance (1 of 2 positions)

Employees promoted through competitive process:

- 1. Water Quality Technician
- 2. Business Systems Analyst III

9. Watershed Protection:

The E-bike Pilot Project

During June, the Rangers got prepared for the start of the E-bike Pilot Project by installing signage about the project. The Rangers have reminded ebike riders that only Class 1 e-bikes will be permitted on the watershed. The use of Class 2 and 3 e-bikers will remain prohibited. Over the past few months, the Rangers have been increasing their use of LIDAR for enforcing the watershed-wide 15 MPH speed limit. The Rangers have focused the speed enforcement on locations with a history of conflict between user groups, such as Old Railroad Grade, Phoenix Lake, Shaver Grade, Lake Lagunitas, and the Deer Park area. The Rangers are focusing on an educational approach to inform visitors of the speed limit and the importance of "go slow and say hello," but will increase enforcement methods as needed. The Rangers have increased their bike and ATV patrols of the fire roads to be more visible and accessible to the public.

STAFF REPORT

Meeting Type: Board of Directors

Title: Purchase of 18-Inch Actuated Butterfly Valves to Replace Valves at the San

Geronimo Treatment Plant

From: Alex Anaya, Director of Engineering

Through: Ben Horenstein, General Manager

Meeting Date: July 15, 2025

TYPE OF ITEM: X Action Information

RECOMMENDATION: Authorize the General Manger to execute a purchase order for replacement valves from Southwest Vales & Equipment, LLC to replace leaking filter rate control valves at the San Geronimo Treatment Plant in the amount of \$135,442.43

SUMMARY: On June 12, 2025, the District issued a Notice Inviting Bids under Contract No. 2055 for the furnishing and delivery of six 18-inch actuated butterfly valves for the San Geronimo Treatment Plant Filter Rate Control Valve Replacement Project (D25006). On June 26, 2025, the District received and opened one (1) bid for the contract. The responsive bid was submitted by Southwest Valve & Equipment, LLC, in the amount of \$135,442.43.

DISCUSSION: The six 18-inch filter rate control valves are critical to the operation of the San Geronimo Treatment Plant. The primary function of the valves is to maintain a constant water level within the plant's six filters located upstream in the water treatment process. The existing valves were installed as early as 1962, and no longer hold a positive seal allowing water to flow through. The valves must be replaced to ensure the San Geronimo Treatment Plant continues to operate its filter rate flow process as intended. The valves are scheduled to be replaced during the winter months when demand is low and the filters can be taken offline systematically for replacement.

Staff is recommending that the Board authorize the General Manager to purchase the replacement valves in support of the San Geronimo Treatment Plant Filter Rate Control Valve Replacement Project from Southwest Valve & Equipment, LLC in the amount of \$135,442.43.

Budget:

Budgeted Amount: \$135,442.43 Budget Category: A1A04 Project Implementation:

Project Advertisement: June 12, 2025
Bid Opening: June 26, 2025
Project Award: July 15, 2025
Estimated Delivery Date: January 30, 2026

ENVIRONMENTAL REVIEW: Not applicable.

FISCAL IMPACT: The total cost of the 18-inch butterfly valves is \$135,442.43, inclusive of assembly, testing and shipping. Funding for this purchase is included in the Adopted Two Year Capital Improvement Budget for Fiscal Year 2026.

STAFF REPORT

Meeting Type: Board of Directors

Title: FY 2026 Pay Schedule for District Employees

From: Bret Uppendahl, Finance Director

Through: Ben Horenstein, General Manager

Meeting Date: July 15, 2025

TYPE OF ITEM: X Action Information

RECOMMENDATION: Adopt a resolution approving the updated pay schedule effective the first full pay period following July 1, 2025 for District Employees to reflect the CPI increase and cost of living adjustments approved by the Board in November 2023

SUMMARY: CalPERS requires that the District adopt a current pay schedule for all District employees. On November 7, 2023, the Board approved a Memorandum of Understanding, Resolution, and Employment Contract amendments providing salary increases for District employees, as explained below.

DISCUSSION: In order to document the cost of living adjustments for FY 2026 as approved by the Board in November 2023, CalPERS requires the adoption of a current pay schedule for all District employees. Cost of Living Adjustments for District staff are in part based on the change in Consumer Price Index U (CPI-U) as reported by the United States Department of Labor Bureau of Labor Statistics for the annual calendar period (December to December) for each calendar year preceding the adjustment, for the San Francisco-Oakland-Hayward metropolitan area.

On November 7, 2023, the Board adopted the Memorandum of Understanding (MOU) between Marin Municipal Water District and Service Employees International Union (SEIU) Local 1021, establishing the salaries and other terms and conditions of employment for District employees represented by SEIU 1021. The approved salary adjustment for employees represented by SEIU 1021 is based on the following MOU language:

Effective the first full pay period following July 1, 2025, the District shall provide all classes an increase equivalent to the change in the Consumer Price Index U (CPI-U) as reported by the United States Department of Labor Bureau of Labor Statistics for the annual calendar period (December to December) for each calendar year preceding the adjustment, for the San Francisco-Oakland-Hayward metropolitan area, plus three-quarters of one percent (0.75%).

Section 8. Item #d.

The general wage increase on July 1, 2025, shall not be less than two percent (2.0%) nor greater than five percent (5.0%).

On November 7, 2023, the Board also adopted Resolution 8760 (Resolution) establishing the terms and conditions of the employment for Unrepresented Employees, which includes Division Directors, Mid-Managers and Confidential Employees. The approved salary adjustment for Unrepresented Employees in the Resolution is based on the following language:

Effective the first full pay period following July 1, 2025, the District shall provide all Unrepresented Classes an increase equivalent to the change in the Consumer Price Index U (CPI-U) as reported by the United States Department of Labor Bureau of Labor Statistics for the annual calendar period (December to December) for each calendar year preceding the adjustment, for the San Francisco-Oakland-Hayward metropolitan area, plus three-quarters of one percent (0.75%). The general wage increase on July 1, 2025, shall not be less than two percent (2.0%) nor greater than five percent (5.0%).

Additionally, the Resolution approved a salary increase equivalent to the reduction in the Employer Paid Member Contribution for Division Directors as stated below.

Division Directors shall receive a 1.25% salary increase to offset the reductions to the Employer Paid Member Contributions. Such salary adjustments shall occur on each of the following dates: (1) November 20, 2023 (2) July 1, 2024, (3) July 1, 2025, and (4) July 1, 2026.

The employment contracts for the General Manager and the General Counsel specify that the base salary, effective the first full pay period following July 1, 2025, shall increase an increase equivalent to the change in the Consumer Price Index U (CPI-U) as reported by the United States Department of Labor Bureau of Labor Statistics for the annual calendar period (December to December) for each calendar year preceding the adjustment, for the San Francisco-Oakland-Hayward metropolitan area. The General Counsel shall also receive a 1.25% salary increase to offset the reductions to the Employer Paid Member Contributions. Such salary adjustments shall occur on each of the following dates: (1) November 20, 2023 (2) July 1, 2024, (3) July 1, 2025, and (4) July 1, 2026.

The change in the Consumer Price Index U (CPI-U) as reported by the United States Department of Labor Bureau of Labor Statistics for the annual calendar period (December to December) for the San Francisco-Oakland-Hayward metropolitan area was an increase of 2.4%. Per the approved Memorandum of Understanding, Resolution and Employment Contracts, District employees represented by SEIU 1021 will receive a wage increase of 3.15%, the Unrepresented Employees excluding Division Directors will receive a wage increase of 3.15%, Division Directors will receive a wage increase of 4.40%, the General Manager will receive a wage increase of 2.40% and the General Counsel will receive a wage increase of 3.65% effective the first full pay period following July 1, 2025. The FY 2026 Pay Schedule for All District Employees reflecting the wage increase is included.

ENVIRONMENTAL REVIEW: Not applicable.

FISCAL IMPACT: The projected costs for the COLA for all District employees, including benefits, is approximately \$1,289,000 and is included in the FY 2025-26 Budget.

MARIN MUNICIPAL WATER DISTRICT

RESOLUTION NO.

A RESOLUTION OF THE BOARD OF DIRECTORS APPROVING FY 2026 ADJUSTED SALARY SCHEDULE IMPLEMENTING APPROVED COST OF LIVING INCREASES FOR DISTRICT EMPLOYEES

WHEREAS, on November 7, 2023, the Board of Directors approved a Memorandum of Understanding (MOU) between the Marin Municipal Water District and Service Employees International Union Local 1021 (SEIU 1021), establishing the salaries and other terms and conditions of employment for District employees represented by SEIU 1021 through June 30, 2027; and

WHEREAS, on November 7, 2023, the Board of Directors also adopted Resolution No. 8760 (Resolution) establishing the salaries and other terms and conditions of employment for Unrepresented Employees, including division directors, mid-managers and confidential personnel, through June 30, 2027; and

WHEREAS, the MOU and the Resolution authorize an annual salary increase for the respective employees equivalent to the change in Consumer Price Index U (CPI-U) as reported by the United States Department of Labor Bureau of Labor Statistics for the annual calendar period (December to December) for each calendar year preceding the adjustment, for the San Francisco-Oakland-Hayward metropolitan area, plus three-quarters of one percent (0.75%) effective the first full pay period following July 1, 2025; and

WHEREAS, the District General Manager and General Counsel are employed pursuant to at-will employment agreements with the District that, upon receiving a satisfactory evaluation by the Board of Directors, authorize the base salary to increase in an amount equivalent to the change in the Consumer Price Index U (CPI-U) as reported by the United States Department of Labor Bureau of Labor Statistics for the annual calendar period (December to December) for each calendar year preceding the adjustment, for the San Francisco-Oakland-Hayward metropolitan area, effective the first full pay period following July 1, 2025; and

WHEREAS, the Resolution and employment agreements authorize Division Directors and the General Counsel to receive 1.25% salary increases to offset the reductions to the District's Employer Paid Member Contributions effective the first full pay period following July 1, 2025; and

WHEREAS, the change in the Consumer Price Index U (CPI-U) as reported by the United States Department of Labor Bureau of Labor Statistics for the annual calendar period (December to December) for the calendar year preceding the adjustment, for the San Francisco-Oakland-Hayward metropolitan area was an increase of 2.4%; and

WHEREAS, California Code of Regulations Title 2, Section 570.5 requires the annual adoption of a pay schedule for District employees.

Resolution No. Page | 1

NOW THEREFORE, BE IT RESOLVED, that the Board of Directors does hereby approve implementation of a salary increase of 3.15% for District employees represented by SEIU 1021 and Unrepresented Employees, excluding Division Directors, effective July 1, 2025, based on the previous calendar year change in the Consumer Price Index-U as set forth in the revised pay schedule attached hereto as "Exhibit A" and incorporated herein by this reference.

BE IT RESOLVED, that the Board of Directors does hereby approve implementation of a salary increase of 4.40% for Division Directors, effective July 1, 2025, based on the previous calendar year change in the Consumer Price Index-U as set forth in the revised pay schedule attached hereto as "Exhibit A" and incorporated herein by this reference.

BE IT RESOLVED, that the Board of Directors does hereby approve implementation of a salary increase of 2.40% for the General Manager, effective July 1, 2025, based on the previous calendar year change in the Consumer Price Index-U as set forth in the revised pay schedule attached hereto as "Exhibit A" and incorporated herein by this reference.

BE IT RESOLVED, that the Board of Directors does hereby approve implementation of a salary increase of 3.65% for General Counsel, effective July 1, 2025, based on the previous calendar year change in the Consumer Price Index-U as set forth in the revised pay schedule attached hereto as "Exhibit A" and incorporated herein by this reference.

PASSED AND ADOPTED this 15th day of July, 2025, by the following vote of the Board of Directors.

STAFF REPORT

Meeting Type: Board of Directors

Title: Request to Fill Natural Resources Technician II (Vegetation Management)

From: Shaun Horne, Director of Watershed Resources

Through: Ben Horenstein, General Manager

Meeting Date: July 15, 2025

TYPE OF ITEM: X Action Information

RECOMMENDATION: Approve adding a Natural Resources Technician (Vegetation Management) II position as an additional Full Time Equivalent (FTE) position to be filled on an as need bases as a 2 – year limited duration assignment in the Watershed Division

SUMMARY: In 2023, the District hired a limited-term Natural Resources Technician (Tech) in the Watershed Division. Since January 2023, the Tech has tracked, coordinated and implemented important parts of the invasive plant control and rare plant protection measures identified in the District's Biodiversity, Fire, and Fuels Integrated Plan (BFFIP).

DISCUSSION: In October 2019, the District adopted the BFFIP, and associated Programmatic Environmental Impact Report (PEIR), which describes the actions the District will implement to reduce wildfire hazards and to maintain and enhance ecosystem function. Vegetation management under the BFFIP aims to reduce fuel loads, maintain fuelbreak infrastructure, preserve defensible space, and reduce invasive weed species. Vegetation management is conducted continuously throughout the year with the chief goal of reducing fuel loads and maintaining the watershed's biological diversity. Prior to 2023, the District utilized a specialized contractor to support invasive plant management occurring under the Early Detection Rapid Response Program (EDRR) and BFFFIP on the District's Watershed lands. To fund the Tech position the District re-allocated funds from the BFFIP contractor budget.

The Tech position is critical to supporting the District's ongoing invasive plant mapping, monitoring, and management. Staff is requesting that the Board approve adding this FTE position to be filled as a two-year limited term position into the Watershed Division. This position requires skills in native and invasive plant identification, GIS mapping, and knowledge of invasive plant management treatment methods carried out under the BFFIP.

ENVIRONMENTAL REVIEW: Not Applicable.

Section 8. Item #e.

FISCAL IMPACT: The Natural Resources Technician II pay with benefits ranges from \$79,720 to \$106,304. Funds for this position are budgeted in the District Operations (2504) and Capital funding for the BFFIP in the Watershed Division. Funds to support the BFFIP are currently budget and include the costs for the Tech position.

STAFF REPORT

Meeting Type: Board of Directors

Title: Watershed Prescribed Burn

From: Shaun Horne, Director of Watershed Resources

Through: Ben Horenstein, General Manager

Meeting Date: July 15, 2025

TYPE OF ITEM: Action X Information

RECOMMENDATION: Receive staff presentation on Mt. Tamalpais Knob II Prescribed Burn Project

SUMMARY: In October of 2019, the District adopted the Biodiversity, Fire, and Fuels Integrated Plan (BFFIP), which describes the actions the District will implement to reduce wildfire hazards and to maintain and enhance ecosystem function. The Board will receive a presentation on the recently completed prescribed burn that was carried out on the watershed in coordination with Marin County Fire (MCF) as an action identified in the BFFIP.

DISCUSSION: California is facing an unprecedented wildfire crisis as a result of decades of fire exclusion and increasing impacts associated with climate change. In many California ecosystems, biodiversity, carbon stability and overall ecological resilience are dependent on the regular occurrence of fire. In addition, the wildfire seasons over the past few years have brought record impacts to communities, critical infrastructure and ecosystems. In 2019, Marin Water adopted the BFFIP to guide land management decisions and address wildfire risk while protecting biodiversity on District watershed lands. Additionally, One Tam partner agencies completed the Marin Regional Forest Health Strategy in 2023, which furnishes a science-based framework for identifying how and where agencies can work both independently and together across jurisdictional boundaries to protect forest resiliency while helping to address wildfire hazards. The District has been increasing the pace and scale of forest resiliency work on the Mt. Tamalpais Watershed and recently completed a fire pathway analysis to evaluate the efficacy of BFFIP treatments and help refine future treatment area.

A recent study published by the Stanford Woods Institute for the Environment found that "controlled burns can reduce the severity of subsequent wildfires by an average of 16%". Under the BFFIP the District is working to conduct vegetation management in areas where future prescribed burns can be implemented periodically to reduce hazardous fuel conditions and to enhance habitat for native flora and fauna. On July 1, 2025, the District implemented the Knob II prescribed burn with Marin County Fire (MCF). The area was last burned by the District in 2007. To prepare the area for a prescribed burn the District started thinning and pile burn treatment in Knob II in February 2021. This treatment was

Section 9. Item #a.

followed up by a mastication treatment in July of 2021. Since then, the District has returned every two years to survey and pull broom. The District worked with a consulting Burn Boss to develop the Burn Plan for Knob II, and coordinates annually with MCF to identify seasonal burn windows and sites. Preparation for the burn started on June 26 with crews from MCF Tam Crew and Fire Foundry constructing fire lines, removing hazardous vegetation, and doing hose lays around the perimeter.

The Knob II project was adjacent to a portion of Sky Oaks Road and Sunnyside Trail. Crews successfully completely the 40 acres burn and achieved all resource objectives including reducing fuel loads from dead and down materials, reducing the grass thatch layer, and reducing encroachment of trees into sensitive grassland meadows. Measures were put into place to protect areas with rare plants, nesting birds, power poles and to establish control lines around the burn unit. Natural resources staff were stationed along the trails to answer visitor questions and keep people out of the burn area. Visitor interpretation signs have been placed around the burn area to help raise community awareness around the work that is being completed under the BFFIP. The project was partially funded by a Cal Fire Forest Health Grant for the One Tam Regional Forest Health Project – Phase II, from which the District has received \$3,520,000 for BFFIP vegetation management treatments.

ENVIRONMENTAL REVIEW: The District as the Lead Agency, prepared a Programmatic Environmental Impact Report (PEIR) pursuant to the provisions of CEQA for the Biodiversity, Fire and Fuels Integrated Plan (BFFIP), which was adopted in 2019 and covers the Knob II Project.

FISCAL IMPACT: None.

STAFF REPORT

Meeting Type: Board of Directors

Title: FY26 Engineering Capital Projects Update

From: Alex Anaya, Director of Engineering

Through: Ben Horenstein, General Manager

Meeting Date: July 15, 2025

TYPE OF ITEM: Action X Information

RECOMMENDATION: Receive staff update on Fiscal Year 2026 Capital Projects

SUMMARY: Staff will provide a status update on projects in Engineering and budgeted in Fiscal Year

2026.

DISCUSSION: Marin Water's Capital Projects focus on rehabilitation or reconstruction of critical infrastructure throughout the District to improve water treatment, storage, pumping, and water distribution. These projects are designed to enhance system wide reliability, seismic resiliency, and operational efficiency, and to ensure continued delivery of safe, reliable and high-quality drinking water to customers.

Staff will provide an engineering project update for Fiscal Year 2026, highlighting key planned projects at our treatment plants, water storage tanks, pump stations, and pipeline network. This update will also outline anticipated construction timelines, major milestones, and how projects align with the District's Five-Year Strategic Plan – Goal 2 – Resilient Water System.

ENVIRONMENTAL REVIEW: Not Applicable.

FISCAL IMPACT: None.

ATTACHMENT(S): None.

UPCOMING MEETINGS

This schedule lists upcoming board and committee meetings as well as upcoming agenda items for the next month, which may include Board interest in adding future meeting items. The schedule is tentative and subject to change pending final publication and posting of each meeting agenda.
