**ORDINANCE NO. 2024-
AMENDING CHAPTER 8 ANIMALS
ARTICLE I Sec. 8-2. Prohibited animals.**

- (a) *Prohibited.* No farm or exotic animals shall be housed, quartered, stabled, pastured, kept, or in any manner maintained within the city limits except temporarily during special events or as otherwise specifically approved by the city council.
- (b) *Applicability.* The animals prohibited by this section include but are not limited to, horses, ponies, mules, cows, sheep, goats, llamas, pigs (including potbellied pigs), geese, ducks, peacocks, ostriches, also any carnivorous or omnivorous animals, and any other farm or exotic animals. The animals prohibited by this section also include any animal, other than domestic dogs and cats, that in the wild state are carnivorous or that, because of their nature or physical makeup, are capable of inflicting physical harm on human beings or property, including, but not limited to, animals that belong to the cat family, snakes (either poisonous or that otherwise present a risk of physical harm to human beings as a result of their nature or physical makeup, including constrictors), bears, wolves, wolverines, badgers, lions, tigers and any hybrids of the same.
- (c) The prohibitions of subsection (a) of this section shall not apply: where husbandry is a permitted use in the zoning district; chickens kept in compliance with subsection (d) below; or where the creatures are in the care, custody or control of a veterinarian for treatment; agricultural fairs; 4-H club shows or events; a display for judging purposes; an itinerant or transient carnival, circus or other show; licensed pet shops; licensed nature preserve; or zoological gardens; provided:
 - (1) This location conforms to the provisions of chapter 114.
 - (2) All animals and animal quarters are kept in a clean and sanitary condition and so maintained as to eliminate objectionable odors and disease.
 - (3) Animals are maintained in quarters so constructed as to prevent escape.
 - (4) No person lives or resides within 100 feet of the quarters in which the animals are kept.
- (d) A maximum of six chickens may be kept at a single-family detached residence in any residential zoning district provided that all standards outlined below are met:
 - (1) Chicken coop is defined as a "minor accessory structure" as detailed in chapter 114, article IV, section 114-128(b).
 - (2) The owner of the chickens resides on the property where the chickens are kept.
 - (3) The owner of the chickens provides a copy of the current valid registration with the Wisconsin DATCP Livestock Premises Registration Program.
 - (4) The owner of the chickens submits an application for an annual license and pays the annual fee as established by the council. At a minimum, the application must include the following:
 - a. *Site plan.* The applicant shall provide a site plan showing the location and dimensions of the proposed chicken coop and pen, and the distance of the coop and pen from all lot lines and principal structures located on adjacent lots.
 - b. *Inspection consent.* Application and issuance of a license under this section constitutes consent by the applicant to the city zoning administrator and/or his designee/s to enter upon the applicant's property to ascertain compliance with this section and with the terms of the license, [for as] long as the license is valid.
 - (5) No roosters may be kept.
 - (6) A chicken coop or other similar structure must provide safe and healthy living conditions for the chickens and direct access to a fenced chicken pen/run.

- a. *Soundness of construction.* Be structurally sound, moisture-proof, kept in good repair, and constructed of material described in the application and approved by the zoning administrator.
- b. *Security.* The structure shall have a roof and sides, be enclosed on all sides, and be of a design that is secure from predators. The pen/run shall be covered with screening, or similar material, to prevent escape of chickens and/or entry of predators.
- c. *Ventilation.* The structure shall have adequate windows and vents to provide proper light and ventilation to maintain a healthy environment for the chickens.
