Madison Twp. has led the cases this month, outside of the City and County areas. He reported that there had been an accident with the Charger Police car that may result in it being totaled. OLD BUSINESS/UNFINISHED BUSINESS: Motion by Rank, supported by Rodgers, to table the topic of Water and Sewer Connection fees until next month. Accepted 6-0

NEW BUSINESS:

Township Credit Card Policy:

Supervisor Rank presented the board members with a written policy for the use of Township Credit Cards that was encouraged by our Auditors. A motion by Rodgers, supported by Benschoter to approve the printed policy for Township use. Motion passed 6-0.

Airport Section Residents not on Water:

There are Airport Section residents that never hooked up to the water system at the time it was installed, but they did pay the original \$3500.00 assessment fee. Now these residents want to hook up to the water system and the tap fee is currently \$5700.00. The township made a resolution in 2/2023 to charge the full amount of the current tap fee. But having researched it further, the resolution did not take into account that the resident had already paid the \$3500.00 and should be given a credit toward the current fee of \$5700.00 at the time of hook up. That would then reduce the fee to \$2200.00.

Motion by Rank, supported by Shutte, that the 2/2023 resolution be rescinded and a new resolution be presented at the next board meeting in March. Roll call vote: Benschoter, Yes; Gregg, Yes; Moden, Yes; Rank, Yes; Rodgers, Yes; and Schutte, Yes. Motion carried 6-0.

CHARTER TOWNSHIP OF MADISON

ID Printer:

Supervisor Rank presented a quote from a company that provides ID tags, that could be used by all departments in the Township. They are required especially for the Fire Dept for entrance into the Prison for Medical/Fire runs. The ID tags are also needed for Election duties and security. They can also be used by our Inspectors and Assessors as they operate in the township. The cost of the Printer and Camera will be shared by Elections, from grant funds, Water and Sewer, and Fire Dept. The amount will be \$3933.93 for everything. Motion by Rodgers, supported Shutte that the Township purchase the ID Tag system for \$3933.93 and that the cost be supported by Election, Water and Sewer and Fire. Roll call vote: Benschoter, Yes; Gregg, Yes; Moden, Yes; Rank, Yes; Rodgers, Yes; and Schutte, Yes. Motion carried 6-0.

Road Maintenance 2025

At the beginning of the year, we had a fund balance of \$572,930.00 in the Road Construction Code. After the meeting with the Road Commission on March 3, 2025 I gave them a proposed budget amount for the next 3 years for the townships portion as follows.

2025 \$450,000.00

2026 \$350,000.00

2027 \$350,000.00

While 2026 and 2027 are not set in stone it allows up to plan for the next few years and have estimated numbers for budgeting purposes. With these figures we would take \$257,156 out of the fund balance leaving us with a fund balance of \$315,774.00 at the end of 2027.

I would like the board to amend the budget as follows:

Appropriation of Fund Balance on the revenue side 204-000-697.000 to \$168,000.00

Maintenance & Repair on the expenditure side 204-446-930.000 to \$450,000.00

I would like to recommend the board approve the 2025 Road Maintenance expenditures resolution as attached and approve the Supervisor to sign the contracts with the Lenawee County Road Commission for the 2025 Road Maintenance.
