

**BOARD OF COMMISSIONERS
SPECIAL MEETING - ADOPTING FY
2026 TENTATIVE MILLAGE RATE &
BUDGET ORDINANCES AGENDA
Wednesday, September 10, 2025 at 5:45 PM
Commission Chambers, 300 Municipal Drive,
Madeira Beach, FL 33708**

This Meeting will be televised on Spectrum Channel 640 and YouTube Streamed on the City's Website.

- 1. CALL TO ORDER**
- 2. ROLL CALL**
- 3. PUBLIC COMMENT**

Public participation is encouraged. If you are addressing the Commission, step to the podium and state your name and address for the record, and the organization or group you represent. Please limit your comments to five (5) minutes and do not include any topic on the agenda. Public comment on agenda items will be allowed when they come up.

If you would like someone at the City to follow up on a comment or question made at the meeting, you may fill out a comment card with the contact information and give it to the City Manager. Comment cards are available at the back table in the Commission Chambers. Completing a comment card is not mandatory.

For any quasi-judicial public hearings that might be on the agenda, an affected person may become a party to a quasi-judicial proceeding and can be entitled to present evidence at the hearing, including the sworn testimony of witnesses and relevant exhibits and other documentary evidence and to cross-examine all witnesses by filing a notice of intent to be a party with the Community Development Director not less than five days prior to the hearing.

- 4. PUBLIC HEARINGS**

[A.](#) Ordinance 2025-15, Adopt Tentative Millage Rate FY 2026 - 1st Reading & Public Hearing

[B.](#) Ordinance 2025-16, Adopt FY 2026 Tentative Budget - 1st Reading & Public Hearing

- 5. ADJOURNMENT**

One or more Elected or Appointed Officials may be in attendance.

Any person who decides to appeal any decision of the Board of Commissioners with respect to any matter considered at this meeting will need a record of the proceedings and for such purposes may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. The law does not require the minutes to be transcribed verbatim; therefore, the applicant must make the necessary arrangements with a private reporter or private reporting firm and bear the resulting expense. In accordance with the Americans with Disability Act and F.S. 286.26; any person with a disability requiring reasonable accommodation to participate in this meeting should call the City Clerk at 727-391-9951, ext. 231 or 232 or email a written request to cvanblargan@madeirabeachfl.gov.

Memorandum

Meeting Details: September 10, 2025

Prepared For: Hon. Mayor Brooks & Board of Commissioners

Staff Contact: Andrew Laflin, Finance Director

Subject: Ordinance 2025-15 Adopt Tentative Millage Rate FY 2026

Background

Florida Statute 200.065 requires the adoption of the Millage Rate by separate vote and prior to the adoption of the budget. Further, this same statute requires that the name of the taxing authority, the rolled-back Millage Rate which for fiscal year 2026 is 2.8581 per \$1,000, the percentage increase over the rolled-back Millage Rate, and Millage Rate to be levied be publicly announced prior to adoption of the millage-levy ordinance.

Fiscal Impact

The Millage Rate to be levied for fiscal year 2026 shall be 2.7500 mills per \$1,000. This is the same as the previous year's millage rate and is anticipated to result in a reduction of \$214,774 of ad valorem revenues compared to the rolled-back rate of 2.8581. Budgeted ad valorem tax revenue in the General Fund is \$5,460,000 for FY 2026, compared to \$5,782,000 budgeted in FY 2025.

Recommendation(s)

Staff recommends approval of Ordinance 2025-15 on First and Second Reading.

- Millage Ordinance 2025-15

ORDINANCE 2025-15

AN ORDINANCE OF THE CITY OF MADEIRA BEACH, FLORIDA, ESTABLISHING THE TENTATIVE MILLAGE RATE FOR FISCAL YEAR 2026, PROVIDING AND ANNOUNCING THE NAME OF THE TAXING AUTHORITY, THE ROLLED BACK MILLAGE RATE, THE PERCENTAGE DECREASE BELOW THE ROLLED BACK MILLAGE RATE, AND THE MILLAGE RATE TO BE LEVIED AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Florida Statutes s. 200.065 requires the adoption of the millage rate by separate vote and prior to the adoption of the budget; and

WHEREAS, Florida Statutes s. 200.065 requires that prior to adoption of the millage-levy ordinance, the following be publicly announced: the name of the taxing authority, the rolled-back millage rate, the percentage decrease below the rolled-back millage rate, and the millage rate to be levied; and

WHEREAS, in no event may the millage rate adopted exceed the millage rate tentatively adopted.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF MADEIRA BEACH, FLORIDA, THAT:

SECTION 1. The name of the taxing authority is the City of Madeira Beach.

SECTION 2. The rolled back millage rate for fiscal year 2026 is 2.8581 per \$1,000.

SECTION 3. The fiscal year 2026 proposed millage rate is 3.78% lower than the rolled back rate.

SECTION 4. The millage rate to be levied for fiscal year 2026 shall be 2.7500 per \$1,000.

SECTION 5. This ordinance shall become effective immediately upon its adoption.

**PASSED AND ADOPTED BY THE BOARD OF COMMISSIONERS OF THE CITY
OF MADEIRA BEACH, FLORIDA, THIS ____ day of _____, 2025.**

Anne-Marie Brooks, Mayor

Business Impact Estimate

Proposed ordinance's title/reference:

AN ORDINANCE OF THE CITY OF MADEIRA BEACH, FLORIDA, ESTABLISHING THE TENTATIVE MILLAGE RATE FOR FISCAL YEAR 2026, PROVIDING AND ANNOUNCING THE NAME OF THE TAXING AUTHORITY, THE ROLLED BACK MILLAGE RATE, THE PERCENTAGE INCREASE OVER THE ROLLED BACK MILLAGE RATE, AND THE MILLAGE RATE TO BE LEVIED AND PROVIDING FOR AN EFFECTIVE DATE.

This Business Impact Estimate is provided in accordance with section 166.041(4), Florida Statutes. If one or more boxes are checked below, this means the City of Madeira Beach is of the view that a business impact estimate is not required by state law¹ for the proposed Madeira Beach ordinance, but the City of Madeira Beach is, nevertheless, providing this Business Impact Estimate as a courtesy and to avoid any procedural issues that could impact the enactment of the proposed ordinance. This Business Impact Estimate may be revised following its initial posting.

- ☐ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☒ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant or other financial assistance accepted by the municipal government;
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
 - a. Part II of Chapter 163, Florida Statutes, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements and development permits;
 - b. Sections 190.005 and 190.046, Florida Statutes, regarding community development districts;
 - c. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
 - d. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

¹ See Section 166.041(4)(c), Florida Statutes.

In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City Madeira Beach hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

The ordinance satisfies a legal requirement to for the City to adopt an annual millage rate, that is proposed to be 2.7500 mills per \$1,000 of taxable value. In order for a municipality to levy ad valorem taxes, it must adhere to Florida Statutes section 200.065 and the Truth In Millage (TRIM) requirements, including conducting two public hearings to adopt the millage rate and annual budget, in said order.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of Madeira Beach, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur;
- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
- (c) An estimate of the City of Madeira Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

By maintaining the 2.7500 millage rate, the City is anticipated to generate \$5,460,000 in ad valorem tax revenue compared to \$5,782,000 in the prior year, based on a total estimated taxable property value of \$ 2,091,377,138.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

All commercial and residential property owners will be impacted by this proposed ordinance through the requirement to remit property tax payments to the Pinellas County Tax Collector.

4. Additional information the governing body deems useful (if any):

None.

Memorandum

Meeting Details: September 10, 2025

Prepared For: Hon. Mayor Brooks & Board of Commissioners

Staff Contact: Andrew Laflin, Finance Director

Subject: Ordinance 2025-16 Adopt Tentative Budget FY 2026

Background

Each year the Board of Commissioners is presented with three versions of the upcoming fiscal year's budget: a proposed version, a tentative version, and a final adopted version. This is a best practice process followed by municipal Finance Departments across the country that allows for staff and the Board to fully review and make changes to the document. Budget workshops were held with the Board of Commissioners on March 26th, April 23th, May 28th, June 25th, July 23rd, and August 27th in order to review and discuss the budgeted information prepared by fund and by department. The latest proposed version of the FY 2026 Annual Operating and Capital Budget was submitted and reviewed during the August 27 budget workshop. No changes to the budgeted balances have been made since the August 27 budget workshop.

Budgetary highlights:

- Total budgeted deficiency (excess of expenditures and other outflows over revenues and other inflows) totals \$11,678,113. This budgeted shortfall will be absorbed by existing reserves, also referred to as available fund balance within the applicable governmental funds and available net position within the enterprise funds. This deficiency is largely due to the City's capital improvement plan for FY 2026, which is projected to total \$13,740,000.
- Within budgeted personnel costs, the proposed employee Cost of Living Adjustment (COLA) increase and maximum merit increase are not to exceed 3% and 3%, respectively. These proposed limits were presented at the May 28 workshop and are reflected in this tentative budget for FY 2026.
- Excluding capital outlay and non-recurring operating expenditures and related grant and contribution revenues, total City-wide revenues and other inflows exceed expenditures and other outflows by \$674,937 for the fiscal year 2026 budget.

Fiscal Impact

Budgets have been prepared for all governmental and proprietary funds of the City, 11 in total. All funds are in balance and the total expenditures and other uses within the FY 2026 budget for all funds is approximately \$47.2 million.

Recommendation(s)

Staff recommends approval of Ordinance 2025-16 on First and Second Reading.

ORDINANCE 2025-16**AN ORDINANCE OF THE CITY OF MADEIRA BEACH, FLORIDA, ADOPTING THE TENTATIVE BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2025 AND ENDING SEPTEMBER 30, 2026, AND PROVIDING FOR AN EFFECTIVE DATE.**

WHEREAS, Florida Statutes s. 166.241 requires the adoption of a budget each fiscal year; and

WHEREAS, the amount available from taxation and other sources, including balances brought forward from prior years, must equal the total appropriations for expenditures and reserves; and

WHEREAS, at a minimum, the adopted budget must show for each fund, as required by law and sound financial practices, budgeted revenues and expenditures by organizational unit which are at least at the level of detail required for the annual financial report required under s. 218.32(1).

WHEREAS, the adopted budget must regulate expenditures of the municipality, and an officer of a municipal government may not expend or contract for expenditures in any fiscal year except as pursuant to the adopted budget; and

WHEREAS, the City of Madeira Beach Tentative Fiscal Year 2026 Budget is balanced; is presented at the level of detail required to file the annual financial report; and shall regulate expenditures of the City for the period beginning October 1, 2025 and ending September 30, 2026.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF MADEIRA BEACH, FLORIDA, THAT:

SECTION 1. The tentative budget for the fiscal year beginning October 1, 2025 and ending September 30, 2026 attached hereto as Exhibit A is hereby adopted.

SECTION 2. This ordinance shall become effective immediately upon its adoption.

City of Madeira Beach Background

Date Incorporated	1947
Form Of Government	Commission / Manager
Area	445 Acres
Governing Body	Board of Commissioners
	4 Commissioners run by single districts, elected at-large to 2 year overlapping terms and Mayor-Commissioner in at- large election for a three-year term
Administration	City Manager, City Clerk, City Treasurer and City Attorney appointed by the Board of Commissioners
Services	A full-service city, including police, fire, sanitation, and recreation services. Police protection is contracted through the Pinellas County Sheriff's Department. Water and sewer services are provided by Pinellas County Utilities.
Location	On the West coast of Florida, the City of Madeira Beach is located on the island of Sand Key and is surrounded on the east by the Boca Ciega Bay and the west by the Gulf of Mexico.

Executive Overview

Budget Introduction

This budget book is intended to be useful to readers with varying interests. This budget book conveys the City's priorities and allocations of resources among those priorities. In developing the budget, the City's focus is to be fiscally responsible, conservative, transparent and to take advantage of technological enhancements to better improve the operation of the City of Madeira Beach.

About the City

The City of Madeira Beach is one of the most beautiful locations to live, visit, work, and play on the Gulf Coast of Florida. Like all other destination communities, Madeira Beach is a tourism-based economy. Measuring approximately one-square-mile in size, Madeira Beach is home to more than 4,000 residents but draws hundreds of thousands of tourists each year.

Budget and Finance Policies

Since September 2015, the City of Madeira Beach Board of Commissioners has adopted or considered the following policies intended to guide the City's financial management functions:

- > Fund Balance Policy: Adopted September 2015
- > Investment Policy Adopted September 2015
- > Revenue Policy Proposed April 2016
- > Debt Management Policy Proposed April 2016
- > Procurement Policy Updated February 2023

Managing the annual budget process within the framework of stated policies encourages the City to consider the context and implications of budget actions, as opposed to focusing solely on annual appropriations. The fiscal year (FY) 2026 budget is proposed in compliance with each of the applicable budget and finance policies. These policies are included within the Supplemental section of this budget book.

Fund Overview

The City reports a general fund, five special revenue funds (Local Option Sales Tax Fund, Archibald Fund, Building Fund, Impact Fee Fund, and Gas Tax Fund), a debt service fund, and four enterprise funds (Sanitation Fund, Stormwater Fund, Marina Fund, and Parking Fund). A general description and brief overview of each fund is described below:

General Fund:

The City's primary operating fund, the General Fund is used to account for all financial resources except those required to be accounted for in another fund. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. The majority of current operating expenditures of the City other than proprietary fund activities are financed through revenues received by the General Fund.

The Board of Commissioners set the proposed millage rate at 2.7500 for FY 2026. This is the same as the previous year's millage rate and is anticipated to result in a reduction of \$214,775 of ad valorem revenues compared to the rolled-back rate of 2.8581. Budgeted ad valorem tax revenue in the General Fund is \$5,460,000 for FY 2026, compared to \$5,782,000 budgeted in FY 2025. Tax revenues are necessary to help offset the

cost of the \$1.8m annual debt service requirement. The General Fund has budgeted to transfer \$299,125 and \$1,496,150 to the Debt Service Fund and Stormwater Fund, respectively, in FY 2026 in order to assist with its debt service obligation.

Local Option Sales Tax (LOST) Fund:

The primary revenue source of the LOST Fund is discretionary infrastructure surtax, or Penny for Pinellas. This revenue is projected to be \$663,000 in FY 2026. This revenue is restricted under Section 212.055, Florida Statutes. Proceeds from this tax must be used for long-term capital infrastructure projects that support the local community. Based on statute, the term “infrastructure” means any fixed capital expenditure or fixed capital outlay associated with the construction, reconstruction, or improvement of public facilities that have a life expectancy of 5 or more years. It also includes a fire department vehicle, an emergency medical service vehicle, a sheriff’s office vehicle, a police department vehicle, or any other vehicle, and the equipment necessary to outfit the vehicle for its official use or equipment that has a life expectancy of at least 5 years.

The budgeted capital expenditures in FY 2026 to be expended by the LOST Fund total \$1,650,000. The more significant outlays include \$500,000 for a basketball court enclosure, and \$500,000 to replace the concession stand within the recreation fields and upgrade the restroom facilities, concession kitchen, storage, and office space.

Archibald Fund:

The Archibald Fund accounts for revenue earned at Archibald Memorial Beach Park. Proceeds generated from parking revenue and a retail operator lease on the property are to be used for parks and recreation purposes, in accordance with National Park Service precedent and Resolution 03.13 adopted by the City in June 2003. The Archibald Fund is slated to undergo improvements to Tom & Kitty Stuart Park, which is budgeted to cost \$750,000 in FY 2026.

Building Fund:

Available fund balance of the Building Fund has been increasing in previous years based on recent annual operating results. As of the fiscal year ended September 30, 2024, ending fund balance was \$1,027,964. Pursuant to Ordinance 2024-22, building permit fees associated with Hurricane Helene and Hurricane Milton were waived throughout most of the fiscal year. As a consequence, this significant decline in permitting revenues will result in a reduction of fund balance that could range between \$900,000 and \$1m. Thus, available fund balance available at the end of fiscal year 2026 is anticipated to remain in line with the maximum allowed by Florida Statute, which states: “A local government may not carry forward an amount exceeding the average of its operating budget for enforcing the Florida Building Code for the previous 4 fiscal years.”

Impact Fee Fund:

The Impact Fee Fund is used to report the collection of transportation, public safety, and recreation impact fees and expend amounts collected in accordance with legal and statutory requirements. The City began assessing and collecting impact fees in fiscal year 2022 upon passage of its impact fee ordinance, and the City established a dedicated special revenue fund, the Impact Fee Fund, in fiscal year 2023. For fiscal year 2026, the City is budgeting \$306,000 of impact fee revenues with no planned capital expenditures with the adoption of the fiscal year 2026 budget. The City intends to build available reserves in the Impact Fee Funds and allocate those funds to allowable expansion projects in future fiscal year budget cycles.

Gas Tax Fund:

Revenue reported in the Gas Tax Fund includes local option gas tax and the motor fuel portion of State Revenue Sharing, both of which are to be used for transportation-related expenditures. The City has allocated these funds to traffic light leases and corresponding utility expenditures.

Debt Service Fund:

The debt obligation in the debt service fund consists of the following:

- > Capital Improvement Revenue Bonds, Series 2013, issued in October 2013 in the amount of \$4,760,000 to finance the construction of the City Centre project, including reconstruction of the City Hall, Recreation Center, Fire Station, and park amenities located at or near 300 Municipal Drive. Debt service requirements in fiscal year 2026 relating to this outstanding debt include a principal payment of \$130,000 and interest payments totaling \$169,125.

Sanitation Fund:

This fund accounts for the City's solid waste collection and disposal services provided to residential and commercial customers in the City. Collection and disposal of recyclable items is performed by a vendor under contract. For the fiscal year 2026 budget; the City budgeted for replacing two chassis-mounted 6 yard dumpsters with cart tipper mounted for park and beach refuse removal, totaling \$75,000. For fiscal year 2027, the Sanitation Fund is estimating the replacement of a dump truck and claw truck totaling \$775,000.

Stormwater Fund:

This fund accounts for stormwater utility fee revenues and expenses for drainage and stormwater related projects. The City borrowed \$6.2 million in FY 2015 for stormwater drainage and roadway improvements. Then, in FY 2019 the City issued a \$15 million bank note for rebuilding roadways and stormwater systems along three areas: Crystal Island, Marguerite Drive, and John's Pass Village area. For fiscal year 2026, budgeted capital improvement projects total \$9,750,000, and \$3.5m of this total consists of roadway and stormwater improvements at Area 3 (Parsley Dr/ Marguerite Dr) and \$3.8m of the total dedicated to Area 5 (129th Ave, Pelican and 131st Ave).

Marina Fund:

This fund accounts for the operations of the Madeira Beach Municipal Marina. Its primary sources of revenue are fuel sales, which are budgeted at \$3,700,000 and store sales budgeted at \$352,500 in fiscal year 2026. Related cost of sales for fuel and store sales are budgeted to be \$2,752,500 in FY 2026, yielding a projected gross profit of \$1,300,000.

Parking Fund:

This fund accounts for activities within the fourteen (14) city-owned parking lots that comprise 554 parking spaces daily. There are twenty-nine pay stations throughout the City that do not accept cash, and the City's Parking Management Department is responsible for enforcing all parking regulations. The Parking Fund anticipates approximately \$4.3 million in revenues in FY 2026 and is budgeted to have an excess of revenues over expenditures totaling \$2,690,510. This buildup of reserves can be utilized in the future to eventually finance the capital outlays associated with building a new parking garage and/or acquire property to renovate or build a public works facility, should either or both projects be approved to move forward.

Through FY 2022, all parking-related revenues and expenditures have been recorded in the General Fund. Beginning in FY 2023, the Parking Fund was created in order to account for this activity in a separate enterprise fund.

Budgetary Highlights

The following are financial highlights of the FY 2026 budget, broken out by account type:

Revenues:

- > The millage rate has remained unchanged from fiscal year 2025 (2.75 mills). Budgeted ad valorem tax revenue in the General Fund is \$5,460,000 for FY 2026, compared to \$5,782,000 budgeted in FY 2025. Gross taxable value is \$2.091 billion and \$2.213 billion for fiscal year 2026 and 2025, respectively, a decrease of 5.5% compared to the previous fiscal year.
- > Parking revenues are the City's second largest revenue source, totaling \$4.3 million for the FY 2026 budget. This represents an increase of approximately \$611,000 from FY 2025 budgeted parking revenues, as parking activity is anticipated to increase .
- > The Stormwater Fund has budgeted \$600,000 of state grant revenue from Florida Department of Environmental Protection for purchases of stormwater pipe check valves (\$100,000) and from Florida Department of Transportation for the Area 6 roadway project (\$500,000). In addition, the Stormwater Fund is budgeting \$2,735,000 of revenue from Pinellas County, Florida as a Joint Participation Agreement (IPA) to partially fund the Area 3 and Area 5 roadway and drainage improvement projects.

Operating Expenditures:

- > Budgeted personnel costs (total wages and benefits for all full-time and part-time employees of the City) are \$9,961,200 for FY 2026, an increase of \$373,000 over the FY 2025 budget. The most significant contributing factor is a 6% City-wide COLA and merit increase offered to all employees, in combination with the Fire Department adding positions in order to provide staffing for a new fire station that will open in Redington Beach in fiscal year 2026. In addition, during fiscal year 2025, a consulting firm completed a pay study which will result in higher pay adjustments beginning in fiscal year 2026 for certain existing employees that met specific criteria within the study.
- > Two maintenance projects, Redington Fire Station build out for \$4,440,000 and John's Pass dredging for \$1,375,000, are budgeted in the Fire/EMS Department and John's Pass Village Department, respectively, in FY 2026. The fire station construction costs are to be 100% reimbursed by Pinellas County; the John's Pass dredging costs are to be fully funded by a State of Florida appropriation.

Capital Outlay:

- > Capital outlay for all funds in the FY 2026 budget totals \$13,740,000. All capital equipment, vehicles, and projects and related estimated costs over a 5 year period are listed in the Capital Improvement Plan – 5 Years schedule later in this budget document. Some of the more significant projects include renovations and improvements at Tom & Kitty Stuart Park in the Archibald Park Fund (\$750,000 budgeted in FY 2026), the design and preliminary construction of a Public Works Building in the General Fund (\$250,000 budgeted in the Local Option Sales Tax Fund in FY 2026), construction of a basketball enclosure and concession stand (\$1m budgeted in the Local Option Sales Tax Fund in fiscal year 2026) and \$9.75 million of drainage and roadway improvement projects in fiscal year 2026 in the Stormwater Fund.

Budget Process

The City's budget is considered to be a policy document that is subject to statutory requirements and is used as a mechanism to determine appropriate levels of services that are provided to residents. The Budget Process consists of four main stages: preparation, review, adoption, and implementation. Each of these four steps and the persons involved are briefly discussed below.

- > **Preparation:** During this stage, individual departments develop their own budgets to perform daily operations as well as attain their established departmental goals.

- > **Review:** The City Manager collaborates with Department Heads to review departmental budgets. The Finance Director carefully examines each department's budget for accuracy and begins combining them into one unified budget document. Public meetings, as required by State Law (F.S. 200.65), are held during the review and adoption stages. Public participation is encouraged during this phase.
- > **Adoption:** This phase of the budget process is driven by timing requirements set forth by state law.
- > **Implementation:** In the implementation phase, the adopted budget, as approved by the Board of Commissioners, is put into action for the fiscal year. Once the budget is implemented, control and revision measures are the responsibility of each department. Departments are held accountable for monitoring their budget spending over time in order to avoid shortfalls at the end of the fiscal year.

Amendments to the budget can be made after adoption. Transfer requests (shifting budgeted outflow amounts among accounts within a department) and amendment requests (increasing the operating budget of a department) can be initiated by any staff member and submitted to the Finance Director via workflow in the City's budgeting system. Budget amendments must be considered and decided upon by the Board of Commissioners. Amendments may take place in the case that doing so would be necessary for the proper and economical operation of the City. Additionally, appropriated funds may go through re-appropriation if they are no longer needed for their original purpose. In this case, the Board of Commissioners must approve that the funds be used for another municipal purpose. The City Manager is given the authority to transfer budgeted amounts between line items within a department without the Board of Commissioners' approval.

Basis of Accounting

Governmental funds are budgeted using the modified accrual basis of accounting, whereby expenditures are recognized in the accounting period when the liability is incurred, if measurable, and revenues and other resources are recognized in the accounting period when they become available and measurable. Revenues are considered to meet the availability test if they are collectible within the current period or soon thereafter for use in payment of liabilities of the current period. This general purpose framework is based on accounting principles generally accepted in the United States of America (i.e., U.S. GAAP). Proprietary funds are also budgeted using the modified accrual basis of accounting. This is a special purpose framework that is not in accordance with U.S. GAAP. Under U.S. GAAP, proprietary funds are reported under the accrual basis of accounting, in which revenues are recognized in the period when earned and expenses are recognized when they are earned.

Encumbrance Amendment and Reserve for Contingencies

A budget amendment is anticipated in early FY 2026 to increase the FY 2026 budget for the rollforward of encumbrances. The purpose of this anticipated amendment is to account for unspent purchase orders for goods and services of a non-recurring nature at the end of fiscal year 2025 that will carry forward into fiscal year 2026 and were not contemplated during the FY 2026 budget process (as these expenditures were planned to occur and be completed in FY 2025). Also, a budgeted contingency reserve has been established within the applicable departments in the General Fund, Archibald Park Fund, Building Fund, Sanitation Fund, Marina Fund, Stormwater Fund, and Parking Fund in the FY 2026 budget to account for unplanned events or other scenarios requiring outflows within a particular fund and department. Examples include expenditures for storm-related incidents or the need for professional services on a short-term basis resulting from unexpected staff turnover. These contingency amounts are available in each department and fund as reported in this budget document (see budget details by fund and department later in this document). Use of these reserves will not require a formal budget amendment.

Disclaimer

The accompanying budgetary schedules and other budget-related information reported herein for the 2025-2026 fiscal year were not subjected to an audit, review, or compilation, and no opinion, conclusion, or assurance is provided on them. The budgeted results may not be achieved, as there will usually be differences between the budgeted and actual results because events and circumstances frequently do not occur as expected, and these differences may be material. We assume no responsibility to update this report for events and circumstances occurring after October 1, 2025.

Board of Commissioners

Overview: The City of Madeira Beach is a commission-manager form of government. The Board of Commissioners has all legislative powers of the City of Madeira Beach.

The Board of Commissioners consists of five (5) members who shall be electors of said City and shall be elected at large by the qualified voters of the City of Madeira Beach. Commission members occupy districts numbered one (1) through (4), and a Mayor. The Commission members shall have been qualified electors and residents of the City of Madeira Beach, Florida, for one (1) year immediately prior to their qualifying for election, and in addition, each District-Commissioner shall be a resident of said district in which the candidate seeks to be a candidate for a period of six (6) months prior to the date of said application. The term of office for all District Commissioners shall be for a period of two (2) years. The Mayor may reside at the time of the election anywhere within the City of Madeira Beach, Florida; and the term of office for the Mayor shall be for a period of three (3) years. The terms of all members of the Commission, including the Mayor, will begin upon induction into office at the Board of Commissioners first meeting following the election, and shall continue until their successor has been duly elected and installed under this Charter.

The Mayor shall preside at meetings of the Board of Commissioners, shall have voice and vote in the proceedings of the Commission, shall be recognized as the official head of the City of Madeira Beach, Florida, government for all ceremonial purposes, for service of process, and as the City of Madeira Beach, Florida, official designated to represent the City of Madeira Beach, Florida, in all agreements with other entities or certifications to other government entities, but shall have no administrative duties except as required to carry out the responsibilities herein.

The Board of Commissioners shall appoint a Vice-Mayor at its first regular meeting following the election. The term of Vice-Mayor shall be for one (1) year. The Vice-Mayor shall act as Mayor during the absence or disability of the Mayor. Should the Vice-Mayor be required to act as Mayor for a period in excess of thirty (30) days, he/she shall receive the compensation of the Mayor retroactive to the date upon which he/she assumed the Mayoral duties.

Current Board of Commissioners as of March 2024

Anne-Marie Brooks, Mayor	(June 2024 – March 2028)
David Tagliarini, District 1 Commissioner	(March 2024 – March 2026)
Ray Kerr, District 2 Commissioner / Vice Mayor	(March 2024 – March 2026)
Eddie McGeehen, District 3 Commissioner	(March 2023 – March 2027)
Housh Ghovae, District 4 Commissioner	(July 2024 – March 2027)

Annual Salary

Mayor	\$10,000
District Commissioners	\$7,500

City Clerk, City Attorney, City Manager and City Treasurer; Charter Officers

The Board of Commissioners appoints the City Clerk, City Manager, and City Attorney. The City Manager, subject to the Board of Commissioner's approval, appoints a Director of Finance who in turn shall also be the City Treasurer. All charter officers serve at the pleasure of the Board of Commissioners.

City Clerk

The City Clerk is one of four charter officers that are appointed by the Board of Commissioners and serves at its pleasure. The City Clerk provides an array of services to the public, Board of Commissioners, and City staff. The primary duties include:

- > Supervisor of Elections, constitutional officer for the City of Madeira Beach and the qualifying officer for candidates who wish to run for office of Mayor and District Commissioner.
- > Secretary ex-officio to the Civil Service Commission.
- > Custodian of the City Seal with the authority to execute and emboss documents to authenticate the validity of City records.
- > Financial Disclosure Coordinator with the State of Florida Commission on Ethics.
- > Records Management Liaison Officer with the Florida Department of State.
- > Custodian of all public records and responsible for their safety.
- > Records Manager and oversees the City's records management program, and coordinates record management efforts and training for City departments.
- > Processes public records requests and complies with records retention in compliance with the Florida Public
- > Records Law (F.S. Chapter 119).
- > Posts Board of Commissioners Meeting Notices.
- > Assists in the preparation and publishing Board of Commissioners meeting agendas and packets.
- > Publishes Civil Service Commission meeting agendas and packets.
- > Attends, records, transcribes, and indexes minutes of the Board of Commissioners and Civil Service Commission.
- > Keeps a journal of Board of Commissioners proceedings and keeps a record indexing system to include action taken by the Board of Commissioners.
- > Records and indexes Ordinances and Resolutions.
- > Administers oaths to Board of Commissioners and Civil Service Commission members.
- > Coordinates the codification of the City Charter, Code of Ordinances, and Land Development Code.
- > Assists in the preparation and advertising legal notices for the adoption of Ordinances.

FY ' 25 Accomplishments:

- > Continued to streamline costs in the City Clerk's office.
- > Continued City Clerk education & training in accordance with City Charter, Section 5.2 to keep Municipal Clerk Certification in good standing.
- > Continued educational and training opportunities for City Clerk's Office staff.
- > Continue to keep abreast of changes in legislation and office technology.
- > Completed the buildout of Laserfiche records management software and continuously upload documents for public access through the Laserfiche public portal on the City's website.
- > Created electronic commission candidate packets template and posted the candidate packets on the City's website.

- > Purchased and implemented Easy Campaign Finance software for commission candidates to file their Campaign Treasurer's Reports.
- > Continued hosting educational training events.
- > Continued serving the public with honesty, integrity, and professionalism at all times.
- > Trained City Clerk's staff to utilize Campaign Finance Management Software for Commission Candidates to file Campaign Treasurer's Report Summaries.

FY2026 Goal and Objectives

- > Continue streamlining costs in the City Clerk's office.
- > Continue to keep abreast of changes in legislation and office technology.
- > Continue City Clerk education & training in accordance with City Charter, Section 5.2 to keep Municipal Clerk Certification in good standing.
- > Continue education and training opportunities for the City Clerk's Office staff.
- > Continue loading documents into Laserfiche for public access through the Laserfiche public portal.
- > Continue searching for software to purchase for improving time management in the City Clerk's Office tasks.
- > Complete and Obtain Florida Certified Professional Clerk Certification in October 2025.
- > Continue serving the public with honesty, integrity, and professionalism at all times.

City Manager

Overview: The City of Madeira Beach has a commission-manager form of government, whereby elected officials entrust the day-to-day responsibilities of managing government operations to a professionally trained municipal administrator. The City Manager is considered a charter officer. The charter stipulates the manager's roles and responsibilities as they relate to the municipal corporation's management and operations. The charter requires the elected officials referred to as the "Board of Commissioners" to serve as policymakers and to provide policy guidance and direction to the City Manager, who then maintains the responsibility of executing the policy edicts. This relationship between the Board and the City Manager represents one of the most common government structures in the state of Florida, and in the nation as a whole. The City Manager serves as the Chief Administrative Officer, or CAO, similar to a CEO in a for-profit entity. However, a municipal manager's duties and responsibilities focus on government operations and quality-of-life elements that are intended to improve the lives of those who call this community home or who choose to visit or invest in the city.

FY ' 25 Accomplishments:

- > Continued leading and coordinating hurricane/storm response, recovery, and rebuilding efforts to ensure our City's restoration particularly repopulating residents back into their homes, reopening businesses, and welcoming visitors/tourists.
- > Completion of various capital and operational/maintenance projects including City beautification of numerous rights-of-ways, Archibald Park Restroom building, Boca Ciega neighborhood street-end improvements, beach groin restoration completion, cameras installation/monitoring at John's Pass Village (blvd and surface lot) and Archibald Park; Repurpose of JP Village information building to City usage (Parking, Community Development, Public Works).
- > Continued Financial accountability/transparency on the City's website through a payment listing web portal that allows for the public to view City payments.
- > Promoted our City to residents, businesses, and visitors through our City store providing a variety of Madeira Beach apparel to showcase and promote our wonderful city along with existing partners (chambers of commerce, Visit St Pete/CLW, Pinellas County) to similarly market/advertise our destination.
- > Increased resident/business/visitor engagement via additional public meetings/opportunities including, post-storm building/community development open in-person hours and various public meetings, listing employee cell phone numbers, enhanced social media postings including an emergency texting messaging option, and numerous special events.

FY2026 Goal and Objectives

- > Continue ensuring City-wide financial transparency, accountability, and responsibility through our developing public portal, budget preparation/adoption/amendment processes, and monthly reporting.
- > Ensure adequate/sufficient resources including, but not limited to, law enforcement, fire/rescue, code & buildings enforcement, marina/boating safety dedicated to ensure we maintain a very safe and secure City.
- > Enhance employee appreciation programs for wellness, retention, and over-all workplace morale including a health fair, appreciation events/activities, and recognition.
- > Enhance resident participation/interaction through our social media, broadcast, events/activities, and regular/special meetings to better engage and survey the quality of our City services.
- > Research, apply, and obtain Federal, State, and local grants to enhance & improve city operations and capital projects particularly fire, infrastructure, sustainability, streets, stormwater, etc.
- > Enhance development/redevelopment strategies to best manage the balance between preserving existing residential neighborhoods/areas and commercial investment centered around our tourism economy.
- > Ensure the over-all economic well-being of our environmental, coastal, residential, and tourism industries.
- > Continue promoting our City as a wonderful tourist/visitor destination working with our numerous partners to also incorporate additional tourism infrastructure opportunities: Visit St. Pete/Clearwater, Tampa Bay Beaches Chamber of Commerce, Treasure Island/Madeira Beach Chamber of Commerce, John's Pass Business Association, and other similar organizations.
- > Continue sustainability/green initiatives to enhance environmental conditions through renewable and/or less invasive energy sources such as solar, electric vehicles, reduced single-stream plastics, recycling, and more.

Community Development

Overview: The Community Development Department's mission is to foster an attractive, economically, and environmentally healthy city that is safe, diverse, and livable for all. The department includes planning and zoning, business licensing, floodplain management, and shared responsibility for the management of code compliance. The department is directed by the Community Development Director who answers directly to the City Manager.

Planning and zoning goals are accomplished through the development review processes, and the update and implementation of the Madeira Beach Comprehensive Plan and Land Development Regulations. Planning and zoning and building staff implement a consolidated plan review process, which incorporates the input of a wide range of consultants, outside agencies, and other city departments. Code compliance functions involve coordination with the Code Enforcement Officers to interpret and implement the use of the city's Land Development Regulations. The department also updates and manages the Community Rating System, associated floodplain management, and the business tax program.

Community Development staff supports city-wide programs sponsored by other departments and represents City planning interests by participation in County and Regional planning and development programs. Community Development staff provides staff support to the Board of Commissioners, the Planning Commission, and Special Magistrate in review of special exceptions, variance requests and zoning code violation hearings.

FY ' 25 Accomplishments:

The new Madeira Beach Master Plan to be completed in early summer of 2025 and adopted shortly thereafter. Implementation of the new John's Pass Village Activity Center Zoning District (C-1). Amending the entire Planned Development Division of the Land Development Regulations that fixed inconsistencies and updated standards to meet current practices. Created and implemented the new business tax interface through MGO. Cross training employees. Post-disaster recovery efforts - evaluating properties to be substantially damaged and sending notices to property owners of substantially damage or not substantially damaged initial determinations. Creation of a new open permit hours operation for storm recovery. Integrated the building department and code enforcement into Community Development and cross-train and support all employees.

FY2026 Goal and Objectives

Implementation of the Master Plan and updating the Land Development Regulations and Comprehensive Plan to reflect standards and recommendations in the Master Plan. Begin review of the Madeira Beach Town Center Special Area Plan and discuss a plan to update the Special Area Plan. Evaluate local Impact Fees and implement the new Pinellas County Transportation Impact Fee. Revamp rental inspection process and sea turtle conservation review and compliance. Implement the new software Forerunner for floodplain management including post-disaster recovery support.

Goal 1: Promote Safe, Resilient, and Code-Compliant Development

- > **Objective 1.1:** Enforce the Florida Building Code, floodplain requirements, and land development regulations through efficient plan review, permitting, and inspection processes.
- > **Objective 1.2:** Maintain staff certifications and cross-training to ensure technical competency in building safety and regulatory enforcement.

Goal 2: Preserve the Community Character through Responsible Planning

- > **Objective 2.1:** Administer and enforce the Land Development Regulations to guide compatible land use, manage density, and protect natural resources.
- > **Objective 2.2:** Evaluate and update land development regulations and Comprehensive Plan as needed to respond to the Master Plan, Watershed Master Plan, Rebuilding Madeira Beach evaluation, evolving community needs, state mandates, Forward Pinellas consistency, and environmental conditions.
- > **Objective 2.3:** Revise site plan review section of the land development regulations to allow for the Planning Commission (LPA) and residents to have more input into the plan review process for major site plans.
- > **Objective 2.4:** Preserve and promote residential neighborhood character by updating the land development regulations to support missing middle housing.
- > **Objective 2.5:** Study the challenges for existing commercial property owners located along Gulf Boulevard. Begin process to amend the

FY2026 Goal and Objectives

land development regulations and comprehensive plan to support high quality mixed-use development along Gulf Boulevard.

Goal 3: Strengthen Flood Resilience and Maintain NFIP Compliance

- > **Objective 3.1:** Enforce local floodplain management regulations and review all development for consistency with FEMA and state floodplain standards. Adopt the updated 2025 Local Mitigation Strategy.
- > **Objective 3.2:** Maintain or improve the community's Community Rating System (CRS) score through public outreach, program compliance, and documentation. Integrate Forerunner (new floodplain management software) into the daily routine to assist with plan review and NFIP compliance.
- > **Objective 3.3:** Educate residents and contractors about flood risks, mitigation practices, and elevation requirements.

Goal 4: Ensure Compliance and Property Maintenance Through Fair, Effective Enforcement

- > **Objective 4.1:** Respond to code enforcement complaints promptly and enforce property maintenance, unpermitted work, and land use violations consistently.
- > **Objective 4.2:** Increase voluntary compliance through education, outreach, and direct engagement with property owners.
- > **Objective 4.3:** Take a proactive approach to code enforcement and visit demolished and under construction sites regularly to assure compliance with debris and runoff.
- > **Objective 4.4:** Support public safety by prioritizing enforcement of life safety, nuisance, and environmental protection codes.

Goal 5: Plan for a Resilient Future and prepare for disasters

FY2026 Goal and Objectives

- > **Objective 5.1:** Update the Comprehensive Plan and Land Development Regulations to reflect community values, future growth projections, infrastructure needs, and resiliency. The Watershed Management Plan and Rebuilding Madeira Beach plans to be completed and will help guide the community on these efforts
- > **Objective 5.2:** Plan for natural disasters through training and new software. The integration and implementation of Forerunner as a new software will help streamline post-disaster recovery and support NFIP and CRS floodplain compliance.

Goal 6: Deliver Transparent, High-Quality Public Service

- > **Objective 6.1:** Improve access to permitting, zoning, and planning information through digital platforms such as MGO and Laserfiche.
- > **Objective 6.2:** Integrate all previous permits into one system that is easily searchable.

Community Development

Finance

Overview: The City of Madeira Beach Finance Department provides oversight of all financial transactions within the City, including accounting, auditing, and financial reporting, operating and capital budgeting, debt management, fixed asset management, parking enforcement, information technology (IT), treasury and investment management, payroll, and procurement. The services provided by the Finance Department are as follows:

Financial Management - Assist in coordination and development of the annual budget, and Capital Improvement Program (CIP), annual audit, and long-term financial projections.

Treasury Management - Management of operating cash, investment balances, and debt financing.

Financial Reporting - Management revenue, expenditure, and cash reports; Annual Comprehensive Financial Report (ACFR).

Compliance - Revenue, expenditure, and encumbrance monitoring; monthly BOC reporting; annual financial audit reporting.

FY ' 25 Accomplishments:

Established an API integration with My Government Online (MGO) permitting and licensing in order to better automate and simplify the posting of cash receipts for BTR and building permit transactions into the general ledger. Completed the FY 2024 audit timely with an issuance date prior to March 31st. Managed the FEMA grant and reimbursements process resulting from Hurricane Helene and Milton, including active collaboration with FEMA project representatives and presentation of post-hurricane financial information to the Board of Commissioners.

FY2026 Goal and Objectives

- > Create a policies and procedures centralized web portal to retain all policy and procedure documentation pertaining to Finance (and possibly other departments). Review sanitation and stormwater utility billing of all properties within Madeira Beach and identify any billing discrepancies and facilitate needed corrections with Pinellas County Utilities. Continue to identify and implement process improvement initiatives and cost reduction strategies, where possible.

Fire / EMS

Overview: The Madeira Beach Fire Department is committed to providing high-quality, responsive services that promote the health, welfare, and safety of all who reside, work in, or visit our area of service. Our members, using safe and effective methods, strive to reduce the loss of life and property, through emergency medical services, education, fire prevention, marine operations, and suppression.

The Fire Department is responsible for protecting and safeguarding our citizens and visitors from all the hazardous related incidents, including hostile fire, hazardous materials, tropical storms, water related emergencies and medical emergencies. These services will be provided thru fire suppression, prevention practices, water rescue operations and advanced life support care, treatment, and transportation.

FY ' 25 Accomplishments:

- > Successfully obtained and outfitted the two administrative vehicles. Applied for the FEMA AFG Grant for new SCBA packs and removed \$310k from our capital budget. Redington EMS Station project is still ongoing. Successfully implemented the Deputy Chief position with Pinellas County EMS fund 50% and the other 50% will be paid through the Redington EMS budget (once received in FY26).

FY2026 Goal and Objectives

- > To remain within our budgetary constraints while being able to maintain, if not increase our level of service to the citizens of Madeira Beach while being fiscally responsible. Expand the footprint of the fire station to build a conference room and additional office. Acquire additional medic unit for the Redington EMS station through funding provided by PCEMS. Complete the hiring process for the Redington Station funded by ALSFR Agreement.

John's Pass Village

Overview: The John's Pass Village district includes the commercial fishing and entertainment center located immediately north and adjacent to the John's Pass Bridge. The City's mission at this location is to help facilitate tourism by providing the infrastructure and services necessary to support local businesses. The John's Pass Village division was previously operated as an Enterprise Fund prior to FY 2014. Budget information on the retired fund can be found in the Finance Department. The public works staff supports John's Pass Village Fund with sanitation, ground and parks maintenance, and stormwater. The John's Pass Fund also supports the contractual services of the restrooms located in the village and John's Pass Park.

FY ' 25 Accomplishments:

- > Johns Pass Village Flexi Pave restored from Hurricane Helene damage.
- > Johns Pass Information Booth Restore from Hurricane Helene.
- > The stairs on the West Side of the boardwalk were rebuilt after severe Hurricane Helene damage
- > Trash cans in Johns Pass Village Area have been switched to 96 Gallon toters to be able to better accommodate the high demand.

FY2026 Goal and Objectives

- > Prioritize repairs and improvements to boardwalks, lighting, sidewalks, and public restrooms.
- > Fund routine pressure washing and landscaping upgrades to maintain cleanliness.
- > Pursue matching grants, state/federal funding, or public-private partnerships to support larger initiatives and the upgrade of the Bell tower for future improvements.

John's Pass Village

Public Works Administration

Overview: The Public Works Department is responsible for the development, operation, maintenance and engineering of streets, beaches, parks, drainage systems and refuse pickup and disposal. Public Works personnel are assigned to the construction, maintenance, and repair of City infrastructure. Public Works activities are intended to ensure the health, safety, and welfare of the community. The services provided by the Public Works Department are as follows: The Streets Division provides well maintained streets to ensure safety and efficiency for all City owned streets and parking lots. The Sanitation Division helps ensure the health and safety of the community by keeping the environment free from hazard and unsightliness. The Stormwater Division develops and maintains the infrastructure system that enhances water quality and preserves the environment for the health and safety of the general public. The Parks and Recreation Department enhances the quality of life for citizens and visitors of each park and City owned property.

FY ' 25 Accomplishments:

- > Military Court of Honor invitation to bid (ITB) placed out for public bid, contract set to be approved June 2025.
- > Public Works/ Satellite Building department Facility Scope approved by BOC.

FY2026 Goal and Objectives

- > Perform proactive maintenance on City assets, including roads, and public facilities.
- > Implement digital work order and asset tracking systems to streamline workflow and accountability.
- > Increase cross-training opportunities to build a more flexible workforce.

Recreation

Overview: The City of Madeira Beach Recreation Department provides programs to enrich the lives of the residents and visitors in the community. The leisure services offered by the Recreation Department include providing safe, healthy, and diverse opportunities for the residents of and visitors to Madeira Beach while maintaining quality facilities and events that meet the growing needs of the community.

The services provided by the Recreation Department are as follows: athletics, after-school care, summer camp, fitness classes and programing, senior programing, facility rentals, community events, special event permitting, and day-to-day park and facility maintenance.

FY ' 25 Accomplishments:

- > **Marketing and Advertising Growth** - Utilized direct and more efficient marketing and advertising tools. Streaming television, digital, and more direct print advertising for better ROI.
- > **Return on Investment** – Research and identify cost recovery strengths and weaknesses within the Recreation Program offerings. Identify consistent areas of expenditures as well as most common unplanned purchase categories
- > **Storm Recovery and Hardening** - Rebuilt and repaired necessary areas of the Recreation Complex following the multiple hurricanes. Identified areas for hardening and invested in better materials to deal with future challenges.
- > **Facility Rentals** - Partnered with 3rd party organization via facility use agreement to increase facility usage as well as improved marketing and advertising efforts.

FY2026 Goal and Objectives

- > **Transparency:** Website and Software improvements which focus on better access to Recreation Amenities for the Residents and Visitors to Madeira Beach.
- > **Fiscal Responsibility:** Review programming and software to ensure funds are being allocated properly and efficiently.
- > **Return on Investment –** Research and identify cost recovery strengths and weaknesses within the Recreation Program offerings. Identify consistent areas of expenditures as well as most common unplanned purchase categories
- > **Online Recreation Information Growth -** Identify more areas of opportunity to spread information regarding the Recreation Department and available programming.

An aerial photograph of a coastal city, likely San Diego, showing a large bridge crossing a body of water, a sandy beach with many people and umbrellas, and various buildings and parking lots. The image is framed within a circular border.

GOVERNMENTAL & PROPRIETARY FUNDS INFLOWS & OUTFLOWS DEPARTMENT DETAIL

Archibald Park Fund

Overview: The Archibald Fund is a special revenue fund that was established in 2014. It is intended to illustrate the extent to which revenues collected at Archibald Memorial Beach park are expended for Parks and Recreation services, in accordance with National Park Service precedent and Resolution 03.13 adopted by the City in June 2003. The Archibald Fund is used for the maintenance for every park in the city along with the maintenance of the beach.

FY ' 25 Accomplishments:

- > Archibald Restroom project completed.
- > Archibald Park parking lot has been milled and resurfaced.
- > 142nd Beach access restored with new concrete and planter from Hurricane Helene.
- > Johns Pass Park Pavilion fortified, and new picnic tables purchased and installed.
- > Dune restoration at Archibald and Johns Pass Park in progress with Keep Pinellas Beautiful.
- > Johns Pass Park Restroom floor refinished due to Hurricane Helene.
- > Invitation to Bid placed out for submittals for the Boca Ciega Street End Beautification project and set for BOC discussion May workshop and June regular BOC.

FY2026 Goal and Objectives

- > Enhance public spaces and rights-of-way with routine landscaping, street sweeping, and signage upkeep.
- > Maintain 100% compliance with safety standards for walkways and public facilities.
- > Enhance landscaping in at least two parks per year with new plantings or aesthetic improvements.
- > Partner with nonprofits and local organizations on at least three community service or volunteer events per year.
- > Pursue grant funding and sponsorships to support park enhancements.

Building Fund

Overview: The Building Department's mission is to administer and enforce the current Florida Building Codes and the International Property Maintenance Codes for new and existing building construction, renovation, remodeling and also fire, zoning and neighborhood integrity codes in an effort to ensure a safe, well maintained community.

The Building goals are accomplished by various inspections all through the construction phase to ensure the facility meets the code; conducting a final inspection before the structure is occupied; coordinating with Community Development for plans review; assisting in FEMA – National Flood Insurance Program compliance and review; adherence to the NPDES Standard Operating Procedures for storm-water management and the Building Department Standard Operating Procedure.

The Building Department also implements review for city codes relating to building; issues business tax receipts, provides rental property inspections; monitors the city for neighborhood integrity, safety and aesthetics; processes violations for code compliance; coordinates with Sheriff's Office for code compliance; and staffs the Special Magistrate Meeting for code compliance.

FY ' 25 Accomplishments:

- > All permitting staff are now certified by the I.C.C.
- > Cross trained staff to assist in permitting and code compliance duties.
- > Integrated building and planning departments under the Community Development umbrella.
- > Redefined the duties of current staff to support staff development and increase efficiency.
- > Increased "open hours" to facilitate hurricane permitting support and public resources.
- > Updated applications and permit intake processes to reflect new legislation and NFIP and FBC standards.
- > Planning and Zoning applications (i.e. variance, development plans, etc) integrated into permit software MGO.
- > Code compliance and BTR are now integrated with MGO. Public search portal opened.

FY2026 Goal and Objectives

Goal 1: Ensure Life Safety and Code Compliance

- > **Objective 1.1:** Maintain adequate staffing levels and cross-training programs to perform timely and thorough plan reviews and inspections in accordance with the Florida Building Code, NPDES and NFIP requirements.
- > **Objective 1.2:** Provide consistent and proactive code enforcement to address unsafe structures, property maintenance violations, and unpermitted work.
- > **Objective 1.3:** Integrate FEMA floodplain regulations into all permitting and inspection workflows.

Goal 2: Support Resilient and Sustainable Development

- > **Objective 2.1:** Promote building practices that enhance hurricane resistance, flood mitigation, and long-term durability of structures.
- > **Objective 2.2:** Use fund revenues to invest in technologies and equipment that improve disaster preparedness and recovery.
- > **Objective 2.3:** Work with property owners, contractors, and other agencies to encourage best practices in coastal construction.

Goal 3: Enhance Public Service and Communication

- > **Objective 3.1:** Continue to streamline permitting processes through MGO and customer-friendly procedures.
- > **Objective 3.2:** Provide clear, accessible guidance to residents and contractors on permitting, inspections, and code requirements.
- > **Objective 3.3:** Monitor customer service metrics and implement improvements based on community feedback.
- > **Objective 3.4:** Integrate all permits into MGO and Laserfiche for better transparency and reduce costs on permit software.

Debt Service Fund

Overview: The Debt Service Fund is a special revenue fund that was established in FY 2016. Governmental fund debt service obligations are expended through this fund via interfund transfers. Fund balance includes any reserves that have been committed by the Board of Commissioners for the purpose of retiring outstanding debt (i.e., exercising future redemption options).

Gas Tax Fund

The Gas Tax Fund is a special revenue fund that was established in FY 2016. It reports the municipal fuel tax portion of State Revenue Sharing, as well as the City's share of Pinellas County's local option gas tax. Proceeds are to be spent on transportation-related services, such as the maintenance, operation, and safety of public roadways.

Marina

Overview: The marina includes the operation of the City's marina and ship store on 150th Avenue. The marina is located on Boca Ciega Bay, providing quick access to the Gulf of Mexico through world famous John's Pass. The marina features wet and dry slips available for lease to the public on a first come first serve basis. The Ship store sells live and frozen bait, tackle, snack food, beverages, propane fuel refill or bottles, recreational 90 fuel and diesel fuel and various items for the convenience of boaters. Marina operation support the citizens and visitors to Madeira Beach and provide a safe and convenient access to the community's waterways.

FY ' 25 Accomplishments:

Infrastructure

- > Began construction to replace 360 feet of sea wall from the fuel dock to the current boat ramp. Project was subsidized by Federal Grant money. Project will be completed prior to September 30th, 2025.
- > The Marina and the surrounding community were devastated by Hurricane Helene. Although the Marina sustained significant damage, we were up and running within weeks after the storm. Through what seemed to be an insurmountable task our staff responded quickly to have the Marina ready to serve the public and emergency responders as one of the only resources for waterfront fuel in Pinellas County.
- > Replaced damaged equipment from the storms, (fuel pumps, ice machines, power panels, pump outs, security gate, ext..).

Public Safety and Health

- > Maintained compliance with the Florida Clean Marina program completing our five-year onsite evaluation this year.
- > Maintained compliance with the Florida Clean Vessel Act grant program.
- > Held a very successful and well attended 14th Annual Great American Grunt Hunt fishing tournament.
- > Added a "Derelict Trap Removal" program to our Annual Amphibious Trash Roundup. This is extremely helpful to protect our wildlife and keep our waters looking clean and safe.
- > Increased Transient boaters by advertising and being operational post storm.
- > Upgraded Marina's point of sale system.
- > Added additional outdoor seating around the fish cleaning stations.

FY2026 Goal and Objectives

New income opportunities utilizing current staff and infrastructure.

- > Expand store inventory and appeal.
- > Improve live bait area and selection.
- > Expand fishing tackle and gear selection.
- > Expand sundries and food options within the Florida Health Code regulations.
- > Schedule a customer appreciation day.
- > Add waterfront signage and advertising.

Enhance the public safety and overall image of the Marina

- > Complete the sea wall project and new washdown area.
- > Improve the appeal and image of the Marina from the roadside view.
- > Complete the installation of new storm resistant power pedestals.

Parking Fund

The function of the Parking Enforcement Department for the City include manual patrolling of fourteen city-owned parking lots that comprise 554 parking spaces daily. Ensuring proper maintenance and functionality of the twenty-nine pay stations throughout the City is a significant responsibility for the Department and requires a highly trained and efficient staff. Parking staff are highly trained and qualified to assist visitors who violate parking restrictions, and city ordinances are issued for parking violations by Parking Enforcement staff or police officers.

FY ' 25 Accomplishments:

In FY 2025, I have worked on improving permit management and overall sign placement throughout the city. The number of signs in our parking lots has increased by 50%, enhancing visibility and compliance. I have successfully completed the transition from kiosk-based paid parking to a fully mobile payment system, streamlining operations and improving convenience for users. Additionally, I have revised parking rules and regulations to better suit the department's needs while maintaining a fully staffed team. The department has also played a key role in pre- and post-storm activities, ensuring a smooth transition into FY 2025. Lastly, we have acquired one additional parking vehicle to enhance efficiency and support daily operations.

FY2026 Goal and Objectives

- > In FY 2026, the Parking Department will focus on revamping the city's Parking Map to improve clarity and accessibility for patrons.
- > Efforts will also be directed toward maintaining and increasing parking revenue by enhancing staff responsiveness and ensuring positive customer experience when assisting patrons. To support seamless operations, all payment methods will be regularly tested for efficiency, with a priority on implementing a reliable call-to-pay option to accommodate out-of-state visitors and vacationers.
- > Additionally, the department will work on improving signage across parking lots, incorporating staff checklists and safety protocols to enhance organization and compliance.
- > A key initiative will also include creating a simpler, more user-friendly webpage dedicated to parking information, making it easier for patrons to access payment instructions, lot locations, and regulations.
- > The department will strengthen partnerships with ParkMobile LLC and T2 Systems by actively participating in beta testing opportunities to stay ahead of technological advancements. By fostering collaboration with these industry leaders, we aim to optimize system functionality and improve the overall parking experience. Through these initiatives, we will ensure a more efficient, user-friendly, and revenue-sustaining parking system that aligns with the needs of our city's visitors and residents alike.

Sanitation Fund

Overview: The Sanitation Department is in charge of the removal, disposal, and recycling of solid waste. Sanitation services are intended to help ensure the health and safety of the community by keeping the environment free from possible health hazards and unsightly debris.

FY ' 25 Accomplishments:

- > Continued lease on Automated Side loader truck approved by BOC and placed in service.
- > Rubicon/ Route Ware software implemented.

FY2026 Goal and Objectives

- > Provide opportunities for certification and professional development (e.g., CDL, stormwater, safety).
- > Reduce missed pickups through route optimization on Rubicon software and staff training.
- > Educate residents on solid waste and recycling disposal and scheduled pickup days through outreach.
- > Stay within budget while improving service quality through operational improvements.

Stormwater Fund

Overview: The Stormwater Department includes all activities pertaining to the construction, maintenance, and repair of the City's Stormwater management system. The Stormwater Department manages the National Pollutant Discharge Elimination System (NPDES) permit which is authorized by the Clean Water Act (1972) and controls the water pollution by regulating point sources that discharge pollutants into the waters.

FY ' 25 Accomplishments:

- > Area 3 Roadway and Drainage Project Bid complete, and Contract Awarded to Harbor Contracting LLC.
- > Stormwater Station pumps restored and replaced due to Hurricane Helene.
- > Purchase of new compact excavator.
- > Gulf lane & Beach Access Roadway and stormwater improvement project completed.

FY2026 Goal and Objectives

- > Maintain full compliance with NPDES (National Pollutant Discharge Elimination System) permit requirements.
- > Seek funding through grants, stormwater utility fees, or state/federal programs to support capital needs.
- > Conduct regular illicit discharge detection and elimination (IDDE) monitoring.
- > Update and distribute educational materials on stormwater pollution prevention (brochures, website, social media).
- > Ensure all field staff receive training in stormwater inspection and erosion control annually.

An aerial photograph of a coastal city, likely San Diego, showing a large bridge crossing a body of water, a sandy beach with many people and umbrellas, and various buildings and parking lots. The image is framed by a large blue hexagon that contains the title.

GLOSSARY OF TERMS

ACCOUNTING SYSTEM. A system of financial recordkeeping which records, classifies, and reports information on the financial status and operation of an organization.

ACCRUAL BASIS. The basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash flows.

AD VALOREM TAX. A direct tax calculated “according to value” of property. Ad valorem tax is based on an assigned (market or assessed) of real property and, in certain cases, on valuation of tangible or intangible personal property. An Ad valorem tax is normally the one substantial tax that may be raised or lowered by a local governing body without the sanction of superior levels of government.

ADOPTED BUDGET. The resulting budget approved by the City Commission.

ALLOCATION. The distribution of available funds, personnel, buildings, and equipment among various City departments, divisions, or cost centers.

AMORTIZATION. The gradual elimination of liability in regular payments over a specified period of time. Such payments must be sufficient to cover both principal and interest. Also includes the writing off of an intangible asset over its projected life.

APPROPRIATION. An authorization by the City commission for the City to make obligations and payment for a specific purpose.

ASSESSED VALUE. A valuation set on real or personal property by Pinellas County Property Appraiser’s Office as a basis for levying taxes.

AUDIT. A study of the City’s accounting system to ensure that financial records are accurate and compliance with all legal requirements for handling of public funds, including state law and city charter.

BALANCED BUDGET. A budget in which receipts are greater than (or equal to) expenditures. A budget is basic budgetary constraint intended to ensure that a government does not spend beyond its means and its use of resources for operation purposes over a defined budget period.

BASIS OF ACCOUNTING. Timing of when revenues and expenditures will be recorded for financial reporting purposes, when the transaction is recognized in the financial statements.

BOND. A written promise to pay a specified sum of money, called the face value (par value) or principal amount, at a specified date or dates in the future, called maturity date (s), together with periodic interest at a specified rate. The difference between a note and a bond is that a bond is for a longer period of time.

BOND PROCEEDS. The money paid to the issuer by the purchaser or underwriter of a new issue of municipal securities.

BUDGET (OPERATING). A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them.

BUDGET CALENDAR. The schedule of key dates or milestones which a government follows in the preparation and adoption of the budget.

CAPITAL ASSETS. Land, improvements to land, easement, buildings, building improvements, vehicles, machinery, equipment, infrastructure, and all other tangible or intangible assets that are used in operations and that have initial useful lives extending beyond a single reporting period.

CAPITAL BUDGET. A plan of proposed outlays for acquiring long-term assets and the means of financing those acquisitions during the current fiscal period.

CAPITAL EXPENDITURES. Expenditures which result in the acquisition of, or addition to, fixed assets.

CAPITAL IMPROVEMENT PLAN. A comprehensive schedule for planning the City’s capital expenditures. The capital improvement plan coordinates planning, development, and fiscal capacity. A capital program is a plan for capital expenditures that extends beyond the capital budget and is reviewed and updated annually during the budget process.

COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR). A report issued by the City that includes the City’s audited financial statements and other information about the City. The report must meet specific standards by the Governmental Accounting Standards Board (GASB). In order to be consider a comprehensive annual financial report which must contain a minimum of three sections which are: 1) introductory, 2) financial, 3) statistical, and whose

financial section provides information on each individual fund and component unit.

DEBT SERVICE. The amount of money necessary to pay principal and interest to holders of a government's debt instruments. Annual debt service refers to the total principal and interest required to be paid in a fiscal year.

DEFICIT. The excess of budget expenditures over receipts.

DEPRECIATION. A method of allocating the cost of a tangible asset over its useful life. This is done for accounting purposes.

ENCUMBRANCE. Obligations in the form of purchase orders and contracts which are chargeable to an appropriation and are reserved.

ENTERPRISE FUND. A proprietary fund type used to report an activity for which a fee is charged to external users for goods and services.

EXPENDITURES. The amount of money, cash, or checks actually paid or obligated for payment by the City. Expenditures are categorized in accordance with the State of Florida Uniform Accounting System (UAS). Categories are: personnel services, operating, capital outlay, debt service, grants and aids, and other uses.

FINES & FORFEITURES. Fines and any associated penalties levied for violations of the municipal code.

FISCAL YEAR. The twelve-month financial period used by all Florida municipalities, which begins October 1st and ends September 30th of the following calendar year. At the end of the fiscal year, the City's financial position and results of operation are determined.

FUND. A set of interrelated accounts which record assets and liabilities related to a specific purpose.

FUND ACCOUNTING. Governmental accounting systems should be organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

FUND BALANCE. The excess of assets of a fund over its liabilities and reserves. Fund balance is classified as non-spendable, restricted, committed, assigned, and unassigned based on the relative strength of constraints that control how specific amounts can be spent.

GASB 54. A major pronouncement of the Governmental Accounting Standards Board that requires the classification of fund balances based primarily on the extent to which the government is bound to follow constraints on the use of governmental fund resources.

GENERAL FUND. The fund serves as the chief operating fund of a government. The general fund is used to account for all financial resources except those required to be accounted for in another fund.

GENERALLY ACCEPTED ACCOUNTING PRINCIPALS (GAAP). Conventions, rules, and procedures that serve as the norm for the fair presentation of financial statements.

GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB). A standard-setting body. Associated with the Financial Accounting Foundation. **GASB** established standard of financial accounting and reporting practices for state and local governmental units.

GOVERNMENTAL FUNDS. Funds generally used to account for tax-supported activities. There are five different types of governmental funds: the general fund, special revenue funds, debt service, funds, capital projects funds, and permanent funds.

GRANT. A contribution of assets by one governmental unit or other organization to another. Typically, these contributions are made to local governments from the state and federal government. Grants are usually made for specific purposes.

INTEREST. The amount paid by a borrower as compensation paid or to be paid for the use of money, including interest payable at periodic intervals or as a discount at the time a loan is made. This amount is generally calculated as an annual percentage of the principal amount.

INTERGOVERNMENTAL REVENUE. Includes federal and state grants, other governmental revenue, and state revenue sharing.

INTERNAL CONTROLS. A process designed to provide reasonable assurance regarding the achievement of objectives through the effectiveness and efficiency of operations, reliability of financial reporting, and compliance with applicable laws and regulations.

LICENSE AND PERMIT FEES. The charges related to regulatory activities and privileges granted by government in connection with regulations.

LOST FUND. This is the abbreviation for the Local Option Sales Tax Fund. The local Option Sales Tax Fund generates revenue through Pinellas County's 1% sales surtax program (Penny for Pinellas), originally approved by voters in 1990.

MAJOR FUND. A fund whose revenues, expenditures, assets, or liabilities (excluding extraordinary items) are at least 10% of corresponding totals for all governmental or enterprise funds and at least 5% of the aggregate amount for all governmental and enterprise funds.

MILLAGE RATE. Property tax rates are set by the City Commission each year and applied to local property tax bases to generate funding for local government uses. The amount of tax levied is based on the taxable value or real and tangible personal property as of January 1st of each year and the millage rate applied to such value. The amount of tax levy stated per \$1,000 in value of the tax base.

NET POSITION. The difference between the assets, and deferred out flows and liabilities, and deferred inflows of proprietary funds. Classifications include unrestricted, net investment in capital assets.

ORDINANCE. An official action of the governing body of an issuer, typically enacted by a vote of the members of the governing body at a public meeting. The procedures for enacting an ordinance are often more formal than those for adopting a resolution. For example, in many jurisdictions, an ordinance cannot be finally enacted at the same meeting at which it is introduced, whereas a resolution may often be adopted at the same meeting.

POLICY. A defined course of action adopted after a review of information and directed at the realization of goals.

PURCHASE ORDER. A document issued to authorize a vendor to deliver specified products or render a specified service for a stated or estimated price. Outstanding purchase orders are called encumbrances.

RATING AGENCIES. This term usually refers to Moody's Investors Service, Standard and Poor's Corporation, and Fitch Ratings. The City uses Moody's to issue credit ratings on the City's bonds.

RESERVED FUND BALANCE. Portion of governmental fund's net assets that is not available for appropriation.

RESTRICTED FUND BALANCE. Fund balance which is subject to constraints that are either external imposed by creditors, grantors, or contributors; or imposed by law.

SPECIAL REVENUE FUND. Governmental fund type used to account for the proceeds of specific revenue sources that are legally restricted or committed to expenditures for specific purposes other than debt service or capital projects.

TAX BASE. The total property and resources available to a governmental entity for taxation.

TAX ROLL. The official list showing the amount of taxes levied against each taxpayer or parcel of property, prepared, and authenticated in proper form to warrant a collecting officer to proceed with administering the tax.

TRUTH IN MILLAGE (TRIM). In 1980, the State of Florida passed the "Truth in Millage" (**TRIM**) act. The law is designed to inform taxpayers which governmental entity is responsible for the taxes levied and the amount of tax liability owed to each taxing entity. **TRIM** establishes the statutory requirements that all taxing authorities levying a millage must follow, including all notices and budget hearing requirements.

UNASSIGNED FUND BALANCE. The residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications, which normally are restricted or committed.

Business Impact Estimate

Proposed ordinance's title/reference:

AN ORDINANCE OF THE CITY OF MADEIRA BEACH, FLORIDA, ADOPTING THE TENTATIVE BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2025 AND ENDING SEPTEMBER 30, 2026, AND PROVIDING FOR AN EFFECTIVE DATE.

This Business Impact Estimate is provided in accordance with section 166.041(4), Florida Statutes. If one or more boxes are checked below, this means the City of Madeira Beach is of the view that a business impact estimate is not required by state law¹ for the proposed Madeira Beach ordinance, but the City of Madeira Beach is, nevertheless, providing this Business Impact Estimate as a courtesy and to avoid any procedural issues that could impact the enactment of the proposed ordinance. This Business Impact Estimate may be revised following its initial posting.

- ☐ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☒ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant or other financial assistance accepted by the municipal government;
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
 - a. Part II of Chapter 163, Florida Statutes, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements and development permits;
 - b. Sections 190.005 and 190.046, Florida Statutes, regarding community development districts;
 - c. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
 - d. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City Madeira Beach hereby publishes the following information:

¹ See Section 166.041(4)(c), Florida Statutes.

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

The ordinance satisfies a legal requirement to adopt an annual budget.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City of Madeira Beach, if any:

- (a) An estimate of direct compliance costs that businesses may reasonably incur;
- (b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
- (c) An estimate of the City of Madeira Beach's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

The fiscal year 2026 budget as presented provides for funding sources, including revenues and transfers in, totaling \$35,529,747 and funding uses, including expenditures and transfers out, totaling \$47,207,860. The difference of \$11,678,113 represents existing fund balance and net position available for use to balance the budget (total sources equal total uses, inclusive of available budgeted reserve).

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

The ordinance to adopt the annual budget for fiscal year 2026 has no direct financial impact to businesses within the City.

4. Additional information the governing body deems useful (if any):

None.
