## 5. OLD BUSINESS

### A. "Draft" Personnel Policy Manual

#### I. EMPLOYMENT (Page I-1 of "Draft" Personnel Policy Manual)

##### A. Non-Temporary (Regular) Employment

1. In the interest of hiring "best qualified and available" people to meet City employment requirements, and to avoid favoritism in hiring practices, the Human Resources Department is responsible for ensuring that all interested applicants have an equal opportunity to apply for City employment.
2. Notices of open positions will be published interdepartmentally and/or publicly according to the department's request and concurrence of the Human Resources Department. Notwithstanding the foregoing, where a department director or other official with hiring authority determines that a particular candidate is fully qualified for a position (for instance, where an intern or employee in acting status has been working successfully in the position for some time), the Human Resources Staff may authorize that candidate to be offered the position without the need to post the position. However, to prevent undue favoritism or nepotism and ensure a diverse, well qualified work force, this exception should not be regularly used in place of posting opportunities and allowing candidates to apply.

Paragraph 1 & 2 discussed at the September 13, 2023 Civil Service Commission Meeting.

3. Applicants for City employment apply to the Human Resources Department in the form and manner, including electronic application submission, as the Department designates. Applicants who make initial contact with an individual City department and/or applications/resumes received by other City departments shall immediately be directed to the Human Resources Department. ~~The Human Resources Staff or designee may grant exceptions for certain special programs.~~

Commissioner Cantrell said it does not mention the "certain special programs." That is the only reference to special programs in the entire document. It is for non-temporary employment, so it might not qualify in that section. Attorney Eschenfelder said they could remove that sentence. The Commission consented to removing the sentence.

4. Applications are accepted for announced openings during the published advertising

period.

5. Once a position has been filled, the position is closed. Should one or more of the same positions come open again within ninety days after first being filled, a department may make an offer to the next most qualified candidate from among the original applications. Alternatively, or if the vacancy arises more than sixty days later, the position will, absent an exception approved by the Human Resources Staff, be re-advertised and new applications sought.

Commissioner Cantrell said the 90 days makes sense but not sure about the 60 days. Vice Chair Ponte said the sentence could be revised for clarity. Attorney Eschenfelder said the intent is to pull from the original pool of applicants to prevent staff from wanting to re-advertise because their desired person did not apply. They have to wait 60 days. It would not be fair to those who submitted their application by the advertised deadline. He will try rewording it.

The City Manager said they must wait 90 days, although it does not make sense. Companies would want to re-advertise ASAP to fill the position.

Vice Chair Ponte said she was currently doing a lot of recruiting, which was not easy. The idea of delaying it by 60 days troubles her. She is not comfortable with Paragraph 5 as it stands. It is prohibitive to operations.

Attorney Eschenfelder said they could revisit that when he comes back with a reword.

6. Employees chosen for interviews for other City jobs will be allowed to interview during work hours if necessary. Departments shall work with the employee to make reasonable adjustments to the employee's schedule to permit the interview. ~~If the interview takes place during the employee's scheduled work hours, the time will not be paid, and employees should use available vacation leave for such purposes.~~ Employees who interview during work hours shall receive their normal pay. All other interviews are unpaid.

Commissioner Cantrell said he disagreed with it. If they are trying to fill a position within the City to promote people to move forward, they should be paid for their time during their work hours to do an interview and not be required to take vacation time. The Commission agreed and asked if they needed to remove the last sentence in the paragraph.

Attorney Eschenfelder said the last sentence has nothing to do with non-employee applicants but when the interview occurs. They have to think about what compensable work is. It is not compensable work to be interviewing for a job that is not the job they currently have. The argument is that the taxpayers are paying those people to do their current job. They want employees to advance but paying them their time for an interview would be generous.

Commissioner McLauchlan asked if it mattered if they were hourly employees on the clock versus salaried employees. The Attorney said salaried employees are exempt under FLSA. Salaried employees must receive their entire salary if they work only one hour during the pay period. The

paragraph deals with hourly employees. Hourly employees must work the whole pay period and can use their vacation time to do the interview. Commissioner Cantrell said if they are trying to promote people within, employees deserve to be paid for that time if it is during their working hours. Salaried employees get paid regardless.

Attorney Eschenfelder suggested rewording the sentence to say, "Employees who interview during work hours shall receive their normal pay." The Commission and the City Manager said it was reasonable.

7. The Human Resources Staff may establish eligibility registers for positions as required by turnover frequency or other recruitment issues. Positions that are identified by departments or the Human Resources Department as being vacant on a regular basis or having certain recruitment needs, may have an eligibility register of qualified applicants established. The Human Resources Staff is responsible for establishing the registers in accordance with the City's policy of non-discrimination.

Commissioner Cantrell said it is the right idea, but he does not understand an eligibility register. The Attorney said it was for positions that constantly turnover, such as in the solid waste division. They want to put a list together. They are eligible to be on the list regardless of their application date. They could reach out and offer the position.

8. No employee may begin activities associated with working for the City, including engaging in post-offer screening activities, until the candidate signs, electronically or otherwise, a conditional offer of employment. No term or condition of employment, including matters of pay, bonuses, expense reimbursement, or other similar matters, shall be effective unless included within a conditional offer of employment.

The City Manager said the offer of employment would be automated in the payroll system.

9. The City Manager and Human Resources Staff are authorized to adopt such forms and procedures as are deemed necessary to effectively implement these employment policies and to conduct such pre-employment screening as may be either legally or administratively required, including background and reference checks and physical or psychological examinations related to job functions. For any position requiring a pre-employment, post-offer examination, it shall be job-related, and given uniformly to all candidates conditionally offered the position. Candidates must meet/satisfy any established screening requirements and any candidate who fails to do so may be denied employment. In addition to the foregoing, for any City position requiring interaction with law enforcement personnel, records or other matters, access to secure facilities, or otherwise required to pass background standards promulgated by a regulating agency with jurisdiction over such records, personnel or facilities, employees holding such positions must be able to pass the relevant standards and their inability to do so will disqualify them from continued employment.

Commissioner Cantrell asked if the paragraph dwelt with certain certifications or licenses that certain positions require before starting the position. Attorney Eschenfelder explained that the

logistical things allow the manager to adopt whatever forms and procedures are needed. There are other governmental regulations in addition to the City's requirements. For positions requiring specific certifications and licenses before working, they must already have that before being offered the job.

Commissioner Cantrell said the requirements must be stated in the offer letter, so it does not come back as a potential appeal. He would like to review the forms to see what they look like before implementation, ensure they have document control, and ensure the revisions are standardized. The Attorney said, as previously discussed, they would look at all the administrative procedures and forms after completing the personnel policy project. The City Manager said it is not a form but an offer letter stating the required requirements and certifications.

Commissioner Cantrell said that any position requiring a pre-employment, post-offer examination shall be job-related and given uniformly to all candidates conditionally offered the position. There are things in there that should be consistent in every single form for that specific job. If it is an offer letter, it should be a standard offer letter. Attorney Eschenfelder said they would not hear an appeal for not getting a job. The City Manager said he would email them copies of the issued offer letters.

Vice Chair Ponte asked the City Clerk to add the review of the offer letter and document control as two separate items to their rolling list. They can revisit the item when they review the policy after it is completed and updated.

10. For purposes of this Policy, the term "at-will" or "serving at-will" shall mean that employees holding positions designated by the Board of Commissioners as such serve at the will and pleasure of the City Manager, and includes, but is not limited to, all deputy or assistant city managers, directors, deputy or assistant directors, division managers, division chiefs, section managers, or trusted aides or assistants, regardless of specific position title, which positions exist or may in the future be created. All employees directly reporting to the City Manager shall be deemed as "director" for purposes of this Policy notwithstanding their actual title. All employees directly reporting to a director shall be deemed as "division manager" notwithstanding their actual title. A trusted aide is any employee working as an administrative assistant to the City Manager or to one or more members of the Board of Commissioners. Absent City Charter or contract terms to the contrary, the City Manager, City Clerk, City Treasurer, and City Attorney serve at the will and pleasure of the Board of Commissioners subject only to the terms of any employment contract to the contrary.

Attorney Eschenfelder suggested they skip #10 because it ties in with the discussion they will have with the Board of Commissioners at the joint meeting. The City Clerk said the City Charter says the City Treasurer also serves at the will and pleasure of the Board.

Commissioner Cantrell said they are trying to identify what "at will" and "serving at will" and what positions they are. Every person has to go through a dismissal for cause or if the City Manager can dismiss "at will" people for any cause, no cause or for cause. They discussed it at the last meeting; they would like to identify what they would like to happen going forward. It will be

discussed at the joint meeting with the Board of Commissioners on October 25.

Attorney Eschenfelder said there are two issues. Would the Civil Service Commission become an adjudicatory body that can overturn a dismissal, and at what level below the manager, if any, will "at will" occur?

Vice Chair Ponte said they will revisit #10.

11. All volunteers are not City employees for any purpose. However, ~~pursuant to~~ Florida Statutes § 440.02 provides eligibility for certain worker compensation benefits for municipal volunteers. Therefore, City volunteers must comply with all related City accident or injury reporting procedures.

Attorney Eschenfelder said he would take out "pursuant to" for grammar purposes.

12. Employment of persons under 18 years of age in either regular or temporary positions shall be subject to and in accordance with applicable child labor laws.
13. To ensure compliance with the Affordable Care Act, when an employee formerly eligible for health benefits leaves the City's employ for any reason, he/she shall be ineligible for rehire until the former employee has been separated from the City for a minimum of thirteen (13) weeks.

Attorney Eschenfelder said that is what everybody calls Obamacare.

## **B. Temporary Employment**

1. Temporary employment, for purposes of this Policy, shall include:
  - a. O.P.S. regular (Other Personal Services) positions (including non-student interns) which ~~cannot~~ usually does not extend beyond six (6) consecutive calendar months.

Commissioner McLauchlan asked if the six months could be extended if needed. The Attorney said the legal answer is no. The practical administrative answer would be to try having some separation points. For example, you do not want the employees to argue they have been with the City for 17 years and ask why they are not at least part-time employees instead of still being down as O.P.S.

Commissioner McLauchlan said she hired O.P.S. people when there were insecure budget projections and maybe not able to hire a permanent person but had a need they could fill with O.P.S. Vice Chair Ponte asked why they could not do part-time. Commissioner McLauchlan said once they are part-time, they are like a permanent employee. O.P.S. allows for filling a need without a long-term commitment or budget projection. Operating the organization on temporary employees is not ideal, but she has had to do that for an extended time. Commissioner Cantrell said O.P.S. is not intended to be operational needs.

Commissioner McLaughlan said she is uncomfortable with "cannot extend" because there could be a circumstance when the City Manager might need to extend. The Attorney said they could change cannot extend to "usually does not" extend. The Commission agreed with the change.

- b. O.P.S. on-call positions where employees are called unexpectedly, on an as-needed basis, to complete a specific task or assignment.
- c. O.P.S. Seasonal positions where employees work a seasonal assignment (such as summer camp or pool guard).
- d. O.P.S. Intern positions follow guidelines provided in Section I. B. 3. of this Policy.

Commissioner Cantrell asked if it meant that interns were O.P.S. employees or some other form of temporary employment. The Attorney said correct. In the past ten years, the labor department cracked down on what people call interns. There were employers brought them in and used them like slave labor. The labor department adopted the standards employers must follow and show that they are abiding by them. It talks about it in #3.

- e. Other temporary employment programs, not specifically defined herein, shall be considered at the option of the Human Resources Staff in compliance with any federal, State or local laws, rules or regulations governing such programs.
2. Unless waived by the Human Resources Staff, employment procedures described in Section I. A of this policy shall apply to employees hired in temporary positions with the exception of temporary employees defined in Section I.B.1.d.e. of this Policy unless waived.

Commissioner Cantrell asked why human resources waived it. The Attorney said they would waive "d" if somebody, for instance, from USF (University of South Florida) knocked on the door, saying they were interested in a future career in government work and would like to be an intern. They would not fill out an application but submit a resume. Commissioner Cantrell said he did not understand why they would not be filling out an application.

Vice Chair Ponte said it is saying that all except for "d & e" have to do the regular stuff. The Attorney said unless waived by human resources. Vice Chair Ponte suggested adding "unless waived" at the end for clarity. The Commission agreed to the change.

### 3. Interns

- a. The City provides internship opportunities for students to experience work in City government that is relevant to their educational goals and objectives or personal career interests, and to non-students seeking to experience working in a City position.
- ~~b. Recruitment of interns shall be conducted through the City's regular recruiting procedures, outlined in this section, unless otherwise approved by the Human~~

~~Resources-Staff.~~

Vice Chair Ponte said it was confusing because it was said they are not doing regular stuff. The Attorney said they will drop "b." The Commission agreed to drop "b."

- c. Interns shall not be recruited to fill regularly authorized position vacancies or displace regular employees. Interns are considered temporary employees and are not eligible for benefits provided to regular employees. Intern appointments shall not exceed 12 months.
- d. In order for a student to be eligible for employment as an intern, an individual must be a student in good standing, enrolled in or on school-approved break from an accredited secondary or post-secondary school, junior college, college or university, or a vocational-technical school.
- e. Student Interns are required to notify the employing department of any change in their academic or disciplinary standing at the institution.
- f. Interns will be paid at the minimum pay rate of assigned pay grades. A departure from the minimum pay rate may be approved by the Human Resources Staff upon request and proper justification from the relevant director.

Commissioner Cantrell said he is sure the limits must be within whatever that position is, but why would they be paid more than the minimum pay rate if they are interns? The Attorney said there are various reasons, and they really want the person to work there when they graduate.

- g. Persons who may be students but who wish to volunteer with the City outside of any academic program must complete a Volunteer Service Agreement to be developed by Human Resources with assistance from the City Attorney as needed.
- h. Students who are present in the workplace and who are not performing any services for the City, nor participating in any related academic program, are considered to be "job shadowing" and are not considered to be volunteers, or employees, of the City. Any persons who are "job shadowing" must be approved by the relevant department director in advance, must not perform any work for the City, and must be under the supervision of an employee-mentor.
- i. Students who are present in the workplace and who may perform work for the City but who are not compensated shall meet the requirements of the federal Department of Labor concerning the acceptance of work by student interns. Interns who are not students must be compensated at least the prevailing minimum wage for work performed for the City.
- j. The Human Resources Department is responsible for the development, coordination and promotion of intern recruitment activities and is responsible for ensuring that all interested persons have an equal opportunity to apply and be considered for

internship opportunities.

- k. Notwithstanding the foregoing, Madeira Beach may, from time to time, enter into agreements with educational institutions whereby student interns will be identified, assigned and compensated pursuant to the terms of such agreements. In such cases, Human Resources shall assist hiring departments as needed to implement the terms of the agreements, even where same may vary from the provisions of this Policy.
4. Employment of temporary personnel shall be subject to the equal employment opportunity provisions of this Policy.
5. To ensure compliance with the federal Affordable Care Act, except for Seasonal O.P.S. staff, all persons employed in temporary/O.P.S. positions who are not offered health care coverage shall not be scheduled or permitted to work more than 27 hours per week.

Attorney Eschenfelder says that if someone works longer than that, they must be offered healthcare. Management cannot schedule them for more than 27 hours. Commissioner Cantrell asked if that was 27 hours of overtime or 27 period. The Attorney said it is 27 hours period.

Vice Chair Ponte asked why seasonal workers are allowed to except for O.P.S. staff. The Attorney said that Obamacare only deals with full-time and part-time employees. The Affordable Care Act makes an exception for seasonal employees, no matter how many hours they work.

Commissioner Cantrell said there was a question if the 27 hours was a typo. He asked that the 27 hours be verified and if it was not 29 hours. Commissioner McLauchlan said they are considered full-time if they work at least 30 hours. The Attorney said employees do that as a trigger for full-time and part-time employees. He is fairly certain that 27 hours is the trigger, but he will look it up to make sure.

6. Unless otherwise required by law, individuals performing work for the City through temporary employment agencies shall not be considered "employees" for the purposes of this Policy.

At the next meeting, they start with I. Employment, Joint Employment

### **Joint Workshop Meeting with Board of Commissioners**

Commissioner Cantrell said he would like to prepare for the October 25<sup>th</sup> joint workshop meeting with the Board of Commissioners. There are two items:

- a. What is their ability to overturn a decision to dismiss an employee, and when and what conditions? He had provided information to the City Clerk to send to them. He found some wording. If they have an appeal and find that the person was dismissed for an inadequate reason and say the person must be rehired, and if the Board of Commissioners agrees with it, the Civil Service Commission has no other authority other than to reinstate the person. Then, the City Manager has to do that within five or ten days, whatever the case is. They

cannot give backpay, force him to do a different punishment, or prevent him from doing a different punishment, but only to say the employee should be reinstated because it was an incorrect dismissal. That would be the only opportunity they would have.

Commissioner Tilka said they ran into a situation in the past where the Civil Service Commission requested the presence of the city manager, who is now the former city manager, to appear before them during an appeal, and he did not come. The city manager was told by either the city attorney or the City's employment attorney at that time not to appear.

Vice Chair Ponte asked if that would be rectified if the city manager did not attend. The Attorney said he could not do anything about the past. If the Civil Service Commission should need to subpoena the manager, they would vote to ask him to issue a subpoena and it be served to the city manager by law enforcement. He would be their legal advisor for any quasi-judicial hearing if they should ever get judicial power. A different Attorney, who could be his colleague from the same law firm, would assist the administration in processing the case.

Commissioner Tilka said he hoped they could achieve that ability when they hear the cases as they arise, and, hopefully, they would be rare or never. He does not know how they would present it to the Commission and get them to see their side.

Commissioner Cantrell said the wording he found was legally written and minimizes what they can do. They should never interfere with the City Manager doing day-to-day operations, but from the things he looked at and what has been said in the past Board of Commissioner meetings, they should have the ability only to overturn a decision to dismiss an employee if it had been an incorrect process of dismissing an employee. They also need to discuss if somebody was disciplined and suspended for more than ten days without pay and they felt suspension was ineffective. They must decide what they would like the Board of Commissioners to consider.

Commissioner McLauchlan asked Commissioner Cantrell if he was talking about the suggestion for modifying the ordinance related to the scope of their activities. Commissioner Cantrell said the information concerned City Charter, Article V, Section 5.7, Personnel Systems; Civil Service Commission. One of the listed things is that they serve as an advisory role and would like it to become a decision-making role.

Attorney Eschenfelder recommended they go first in the meeting because they asked for the meeting. They need to set forth the two issues to discuss with the Board of Commissioners. The first issue is the scope of their authority. Under the code, they are advisory only in terms of discipline appeals. A majority believe and have voted that they should have the authority to review employee discipline. Talk about that without getting into the wording of what the ordinance says. The Board of Commissioners will ask questions about the pros and cons, and the Civil Service Commission will need to figure out what it is. If the Board wants the Civil Service Commission to have that authority, they will ask the City Attorney to draft an ordinance. The Civil Service Commission could give him what the language should read. That language would come back to them first to review, and if good with it, he would forward it back to the Board of Commissioners for consideration and adoption.

Vice Chair Ponte said they only want to focus on what they are trying to accomplish. Commissioner Cantrell said they are trying to accomplish that if a person has been dismissed from employment on things they find do not comply with the personnel policy and rules; they should be able to reinstate that employee. The Attorney said they have to be precise. It would be addressed in the ordinance.

Commissioner Cantrell said that Happy Price, John Hendricks, and Doug Andrews all asked for it in several Board of Commissioners meetings that the Civil Service Commission have the authority to make those decisions, and they need to ask the Board of Commissioners if they can have that authority. There is also a thing in there if a person is suspended for more than ten days, they have to decide if that is something they want to ask about because if you get to the point where you have excessive punishments rather than firing somebody, there are just going to quit, and that is not fair. Then, they have a different appeal on top of that. So, at what point is a suspension without pay excessive? Is that something they want to ask about?

Vice Chair Ponte said they discussed for employees to have due process and what due process steps they want in place. Do they want to create a Civil Service Commission empowered to order a reinstatement instead of the current advisory status? The second one is, what level do they want to cut off civil service protected employees versus people who serve "at will." Do they want directors to be able to appeal? Those are the two primary items they want to discuss.

Commissioner Cantrell said their vote on the last one was that they determined as a Civil Service Commission, they feel all employees should have the same protections through the appeal process through the Civil Service Commission. So, if they are going to be removed from their position, it must be for just cause. They must be let go for a reason and not just terminated.

Commissioner McLauchlan asked who are the "at will" employees. Commissioner Cantrell said the Board of Commissioners appointed positions, the four Charter Officers. The Board of Commissioners supervises them, and the Civil Service Commission has no say.

Vice Chair Ponte asked Commissioner Cantrell to take the lead at the joint meeting and explain the two points. They want to be more than just an advisory board. Commissioner Cantrell said they would only overturn employee dismissal decisions and for management to show just cause for dismissal. The Attorney said it is any level of discipline and not just termination and suspension. They will need to be clear when talking to the Board of Commissioners. If they want the Civil Service Commission to have authority power, would that be for terminations only, and how far down the food chain do they go? It being a small organization, there are probably not a lot of suspensions issued. If they do that, it becomes due process that the employee is entitled to, and due process cannot be indefinitely delayed.

Vice Chair Ponte said Commissioner Cantrell could start by summarizing all the points and then have everybody speak, which would be good. She asked the City Clerk to provide guidance at the meeting. The City Clerk said she would also include the meeting minutes in the agenda packet for the Board to read their discussions before the meeting. She also included the Saint Petersburg city charter regarding their Civil Service Commission that Attorney Eschenfelder mentioned about. She will be prepared to speak and answer any questions and invite former Civil Service Commission

members to attend and talk about the things that happened in the past while serving on the Civil Service Commission that Commissioner Tilka spoke about.

Commissioner McLauchlan said they might want to take the second step regarding who is "civil service protected" and who is "at will." They go in on a united front that they no longer want to be advisory and would like to have some purpose for being there, a meaningful thing they can accomplish, which could do a review on those that are dismissed, and they do believe there is a level of civil service protected that people can only be fired for just cause.

#### 4. DISCUSSION ITEMS

Chair Embler said the purpose of the meeting is to discuss two issues that the Civil Service Commission voted on. They've had numerous discussions and are not unanimous about how they feel. One is whether they change the authority of the Civil Service Commission to give them more teeth. In the past, they have always been an advisory board; now, some feel they should have more authority regarding running the City. The other issue is who the Civil Service Commission should be able to work with. In the past, it has always been the people beneath the directors, and they are asking if it should include directors. They thought bringing it to the Board of Commissioners would be beneficial to find out their thoughts on the two issues.

**A. At the September 13, 2023 Civil Service Commission Meeting, they voted to approach the Board of Commissioners for the Civil Service Commission to be able to have the ability to reinstate an employee wrongfully terminated. The motion carried 2/1.**

Commissioner Cantrell gave a PowerPoint presentation on the two issues on the agenda. He explained that in a 2018 employee grievance hearing, the Civil Service Commission determined the employee had been wrongfully terminated. They gave the city manager a written recommendation to reinstate the employee. He did not respond or act, and when asked to attend the employee hearing, he did not. The Board of Commissioners should have been made aware of it but was not. The city manager is one of the four charter officers who work directly for the Board of Commissioners. Former commissioner Doug Andrews and former mayor John Hendricks said the Civil Service Commission should have more teeth and not just advisory, so the issue does not happen again.

Commissioner Cantrell said Attorney Eschenfelder informed the Civil Service Commission that there is no current method for the Board of Commissioners or the Civil Service Commission to require the city manager to reinstate wrongfully terminated employees. He recommended that the authority be given to the Civil Service Commission. If, in a quasi-judicial hearing, they determine an employee was wrongfully terminated in a method that did not comply with their written policies and procedures, they want the ability to reinstate them.

Commissioner Tilka thanked Commissioner Cantrell for the presentation and said he was glad they were discussing the issue and pleased it was going in some direction. How it works out or is structured would be up to the legal counsel.

Commissioner McLauchlan thanked Commissioner Cantrell for putting together a thorough presentation bringing to light the issues and thanked the Board of Commissioners for meeting with them on the unresolved issues that needed addressing.

Chair Embler said what happened in the past was tragic. They had so much turmoil going on at that time. There was a new city manager, many personnel changes, and they had no personnel policy handbook on handling grievances that was effective. Their team has been working for years to get the personnel policy right, and various reasons prevented them from doing that. They have a good draft policy that is much clearer going forward and gives the proper escalation steps. She

does not see them getting into the situation again. Their leaders are responsible for hiring leaders with the right credentials and certifications and who make the right decisions. She would rather trust the city manager and the Board of Commissioners over a committee.

Attorney Eschenfelder said different municipalities cover it in different ways. The City of Saint Petersburg has a Civil Service Commission with the authority to reinstate someone they felt wrongfully terminated when there is no "just cause" for doing so. The City of Clearwater has a Civil Service Board that contracts with a hearing officer who conducts the quasi-judicial hearing, hears all the witnesses, and makes written findings of fact and conclusions of law. The transcript goes back to the Civil Service Board to read and determine if there "was or was not just cause" to terminate the person. If wrongfully terminated, they can reverse the termination. It is a policy decision the Board of Commissioners will have to decide. A charter amendment would need voter approval.

Helen Price, former commissioner, asked why the Civil Service Commission determined that the employee had been wrongfully terminated. It must be for legal reasons and if the policy handbook was followed. Commissioner Tilka explained that the employee had been accused of making a derogatory comment about the city manager outside of work at a local bar. Commissioner Cantrell said the hearing transcript states a wrongful termination and that the personnel policy was not followed. Attorney Eschenfelder said a person could be terminated if the city manager determines a person's behavior is disruptive to the workplace.

Attorney Eschenfelder said he would like the Board of Commissioners to decide what it would like going forward regarding employees being able to overturn their termination.

Mayor Rostek said in a past commission meeting that former commissioner John Hendricks agreed with former vice mayor Doug Andrews that he supported a change giving the Civil Service Commission more teeth to overturn a termination. He asked Mr. Hendricks if he still agreed with it. Mr. Hendricks said yes. The employee had an exemplary work record and had no problems on the job. The comment she made was hearsay. It was not about the city manager but about the executive assistant to the city manager at a noisy bar and got back to the city manager. He was on the Civil Service Commission then, and they tried numerous times to get the city manager to come to their meeting to answer questions, but he refused. He was told that the city manager had thrown the written recommendation given to him by the Civil Service Commission in the garbage can. If he were a manager and fired every employee who said something negative about him off-premises, he would not have any employees working for him. The bottom line is, are the employees doing their job at work? Although the Civil Service Commission heard the case, they were completely shut down.

Chair Emblar asked Mr. Hendricks if the employee reported directly to the city manager. He said she reported directly to Jay Hatch, and Jay had no problems with her on anything.

Chair Emblar said the Civil Service Commission has been working hard to structure the disciplinary steps and improve the processes. In the past, everyone appeared to go directly to the city manager. In the new version, they identified the steps more clearly. There are multiple steps before employees can be terminated.

Commissioner Tagliarini asked Chair Embler what would have happened in that case if the current process was in place and what would have happened next. Chair Embler said there would be a meeting with the employee and the direct supervisor. The proper steps should be taken before it gets to the city manager. Mr. Hendricks said it would have only been the director and the city manager's office involved back then. They felt the city manager wanted to do away with the Civil Service Commission.

City Manager Robin Gomez said he understood that it did not go through the progressive discipline they currently have in place and utilize. They constantly remind supervisors if they have an employee who is not performing, they must document it. Start with counseling, then a verbal, and then a written warning. There are instances where it escalates to immediate termination, such as theft.

Recreation Director Jay Hatch said he was the supervisor and was pulled into the city manager's office and informed the decision had been made. He stressed disagreement with it and returned to the office and discussed it with the employee. He was removed from the decision-making process and never had an issue with the employee. He took it upon himself to discuss it with her because she deserved it. He does not know why it was handled that way. Chair Embler said he should have been involved in the process.

Attorney Eschenfelder said that under the Charter, the manager is given the authority to hire and fire everyone except Charter Commission direct appointees. The Charter also gives the manager the authority to delegate their authority to the department heads. The department heads can delegate their authority to folks below them. The manager or the administrator cannot possibly be aware of everything that goes on in every department. So, they are a poorer judge in whether someone should be fired versus suspended for five days versus just counseling them. From what he heard, what happened was horrifying management at its worst and should never have happened. The Board can choose an option, keep it as is, or amend the Charter to have the Civil Service Commission be able to overturn a termination to move forward.

Commissioner Tagliarini asked what would happen if the exact thing happened, and an employee of Mr. Hatch said something off the record about Mr. Gomez, and Mr. Gomez made sure that person was fired. Attorney Eschenfelder said that could happen right now. The Charter provides that the manager has the complete authority to terminate any non-charter employee. Commissioner Tagliarini said by implementing an intervention that the Civil Service Commission hears the case, the Board of Commissioners could have a buffer of at least one place for that employee to go before a final decision. Attorney Eschenfelder said the only recourse is for the employee to request a Civil Service Commission hearing. Under the Charter, the Civil Service Commission is only advisory. It would need the authority to overturn a termination decision. Commissioner Tagliarini asked who they advised, the person who fired them. Attorney Eschenfelder said yes.

Commissioner Tagliarini said he was trying to determine why they are trying to make a change. Although he did not perceive it happening again under the current manager and staff, it sounds like it could happen again with the wrong people in place. Attorney Eschenfelder said one of the weaknesses was that it was only a recommendation to the manager, not the Board of

Commissioners who hired the manager. It seems odd, at least in a sense where the manager is the decision maker, that the recommendation goes to the manager. The manager will have a strong bias towards upholding his own decision.

Commissioner Tagliarini asked if the Civil Service Commission could advise the city manager and the Board of Commissioners.

Attorney Eschenfelder said the Board of Commissioners has options as a governing board. The majority of the Civil Service Commission voted to ask that the Charter be changed to allow the Civil Service Commission the authority to overturn a termination decision. They discussed making their recommendation to the city manager and the Board of Commissioners, but no vote was taken. That is an option to do that through the Code. He does not want the Board of Commissioners as a governing board involved in individual personnel decisions. If they are going to have a body that reviews a disciplinary, that either needs to be the Civil Service Commission or a hearing officer. It would be a due process hearing for the employees. It gets down to whether there was "just cause."

Mayor Rostek said their firefighters are unionized. If one gets into trouble, what is their due process to grievance? Is it similar to their non-unionized employees? Attorney Eschenfelder said most unions will have arbitration built into their process. The Mayor said firefighters have their own independent board of people that can make recommendations, whereas the other employees have the Civil Service Commission with no teeth. The City Manager said their recommendations go back to the fire management and the city manager, so it is typically the same.

Commissioner McGeehen asked if Florida was a right-to-work state. Attorney Eschenfelder said yes, they could be hired or fired, quit, or be fired for a good reason, a bad reason, or no reason at all as long as the reason is not illegal.

Commissioner Brooks said Chair Emblar stated that once the policy handbook they are working on is in place, the situation should not happen again. Would it be possible to allow the Civil Service Commission some leeway without changing the Charter? She remembers when that situation occurred, so what she heard today is not the whole story. It was a different city manager at the time and a different style of managing. Would they be able to implement the new policy, giving the Civil Service Commission a little more oversight without changing the City Charter? Attorney Eschenfelder said it would depend on if anyone had legal standing to challenge doing it that way. The Charter states the Civil Service Commission shall prepare personnel rules. When concurred in by the City Manager, the rules shall be proposed to the Board of Commissioners. It also states grievance procedures, including procedures for the hearing of grievances by the Civil Service Commission, which may render advisory opinions based on its findings to the City Manager with a copy to the aggrieved employee. Legally, what would be argued by someone who had standing to make the argument that the voters said what it wanted its Civil Service Commission to be, and that was advisory. That dovetails with the section of the Charter it says the manager has the authority to hire and fire those beneath him. However, the Charter also says that all duties, powers, reservations of power, and funding for the Civil Service Commission may be provided for by ordinance duly passed by the Board of Commissioners of the City of Madeira Beach. The Board could do an ordinance to say the Civil Service Commission has the power to override the city

manager, and they are no longer advisory with respect to termination decisions. They can do it by ordinance and see if anybody challenges it.

Mr. Hendricks said he likes the idea of a hearing officer because it gets it out of the Civil Service Commission's hands and is impartial. Attorney Eschenfelder said because a hearing officer is not addressed in the Charter, they can do it by ordinance. The Civil Service Commission can review that, and then they would be advising. They would have a written quasi-judicial order to advise on. Mr. Hendricks said he did not foresee it happening with the current city manager, but it could happen under another city manager. The Civil Service Commission was walked on, and he did not want that happening again and did not want to see it happen again to the employees. They have progressive discipline that was not followed.

Vice Mayor Kerr agreed with the attorney and Mr. Hendricks about the hearing officer. He asked if the grievance would be brought to the Civil Service Commission for review and to investigate and then go to the hearing officer. They would stop there if they saw justification and automatically say to the city manager, director, or whatever was well within their rights for termination. They could make a recommendation if there is a gray area because expense and time are involved. If taken to a hearing officer and he agrees with the employee, it was a wrongful termination, where does it go from there? Attorney Eschenfelder said he would write in the ordinance that the hearing officer would render their findings of fact and conclusions of law and on whether the employee should be reinstated or not. The Civil Service Commission would review that, and if it did not recommend overturning it, it would become final. That still keeps the Civil Service Commission as advising because they are not making a decision but also allows the outcome of the order to take effect and to get that person reinstated if the hearing officer ruled that way, and the Civil Service Commission agreed with it. If the Civil Service Commission disagrees, they could not overrule it because they are advisory. He could also say in the ordinance that if the Civil Service Commission disagreed with the order, it would then be escalated to the Board of Commissioners to get involved. Regarding expenses, they do not fire that many people. From an employee perspective, it would be more if they had to hire legal counsel to represent them. With a hearing officer, they would not have to worry about a quorum, and the hearing officer would be a working attorney and fit the schedule.

Vice Mayor Kerr asked what would happen if the employee did not want reinstated and wanted to sue for wrongful termination. Attorney Eschenfelder said Florida does not recognize the tort of wrongful termination. If they give due process to their employees, the issue would be whether there is a "just cause." He would write in the ordinance that the Civil Service Commission or the hearing officer does not have the authority to rule on matters such as Title VII Discrimination and The Americans with Disabilities Act because that is for the judges to do. The question would be if there "was or was not" just cause. Regarding expenses, he would not take the fear of hurting the City in a lawsuit to make a decision on whether to do it or not. If management does what it should be doing in terms of progressive discipline, documenting, and consistently applying the rules, there should not be a problem.

Commissioner Tagliarini said it sounds like a viable alternative to changing the Charter would be to create an ordinance that required a hearing official so the Civil Service Commission could give informed advice that could stand up. Attorney Eschenfelder said they could say in the ordinance

that it would become final and binding if the Civil Service Commission concurred with the recommended order.

Commissioner Brooks said she liked the idea of a hearing officer because it is someone totally removed to make an informed decision based on the facts outside of passing a revision to the Charter. Taking the road of going with the hearing officer gives empowered information to the Civil Service Commission. At the same time, she would hope that the Board of Commissioners would be paying attention. In the case of when the city manager did not do his job, the Commission at that time should have called him to the floor for it.

Mayor Rostek said he would like to hear from each Civil Service Commissioner if they are okay with the hearing officer concept.

Commissioner McLauchlan said although they are changing the personnel policy, the procedures were not followed back then. They do need something new, so there are some teeth. She agrees with Attorney Eschenfelder creating an ordinance allowing for an impartial, professional hearing officer. Issues or decisions that would come to the Civil Service Commission who would then review it and potentially implement it. They would not have to worry about changing the Charter. They will have that important buffer for the employees.

Commissioner Tilka said he likes the idea of a hearing officer. They are more qualified than the Civil Service Commission. When it comes back to them, they will do what they need to do with the decision. It would be better to do an ordinance than a referendum. If there is a problem at a certain point, they could live with that.

Chair Emblar said she supported the idea of having a separate hearing officer. It is a great way to go and it takes away any potential bias of a committee that is not elected.

Commissioner Cantrell said he agrees with a hearing officer. It is an excellent way to go. Another thing he would like to add to the ordinance is that the Charter states that they are an advisory body and provide their findings in a grievance, now called an appeal, to the city manager and the grieved employee. In their rules, they are adding that it will also come to the Board of Commissioners. They will do what the Charter says but add the additional step so the Board is not overlooked.

Commissioner McGeehen said he agreed with having the hearing officer.

Chair Emblar said they recently added HR Report to their agenda so they will have an update of what is going on and to be more proactive and transparent.

Vice Mayor Kerr said they keep referring to the human resources people. That is currently the city manager. Part of the second escalation process was to human resources, which is the city manager. The City Manager said the HR function is Megan Powers, who reports directly to him. If there was an HR Director, they would report directly to the city manager.

Vice Mayor Kerr asked about enforcement. Where does it go after the grievance officer has made a decision? Attorney Eschenfelder said he would write in the ordinance that it goes to the Civil

Service Commission. If the Civil Service Commission concurs, it becomes final. It would be an enforceable order against the manager.

Commissioner Cantrell asked if it would only be to reinstate. Attorney Eschenfelder said that legally speaking, they are to get their backpay if they are reinstated and lost backpay. That would be included in the hearing officers award. The manager would be bound by the hearing officer's ruling, whatever that might be. They could also find that there is "just cause" to discipline but also find that termination is not supported because they have shown three other cases in the past two years where the same conduct only resulted in a two-day suspension. If warranted, the two-day suspension would be imposed.

Vice Mayor Kerr asked if there would be a possibility that an employee who is terminated would not go through the process automatically. Attorney Eschenfelder said the only downside is there could be a claim they were denied due process and terminated without "just cause" would be waived because if the employer provides a procedure to use and the employee does not use it, they could not make that legal argument in court.

**B. At the September 13, 2023 Civil Service Commission Meeting, they voted that they vote on whether directors are civil service protected. The motion carried 2/1.**

Commissioner Cantrell continued his PowerPoint presentation. He said in the August 2018 Joint Meeting with the Civil Service Commission and the Charter Review Committee they agreed that arbitration steps needed to be in place so all employees would have due process, including directors or front-line managers, if terminated. They would like the Board of Commissioners' thoughts on whether directors can file an appeal if wrongfully terminated. He does not like the idea of a director being terminated without "just cause." Suppose that City Manager Gomez does what he is supposed to, and there are no problems, but if he should leave, a new city manager comes in and decides to terminate someone just because he does not like them. That would be a problem. A lot of the directors that report to the city manager have been there a long time and worked their way up through the ranks. They understand the historical perspective of the City and can communicate effectively with the city manager and their employees if something goes wrong. If they get rid of that leadership, there will be chaos. There should be "just cause" for termination and not for any reason.

Commissioner Tagliarini asked if a new city manager was hired, and they did not like the directors could they fire them for no reason? Attorney Eschenfelder said it has happened. A new manager could come in, and a director might not like them for some reason, or the new manager might feel they should be able to pick their own management team. There could be tension between the two.

Commissioner Tagliarini asked if perhaps they created an ordinance or a rule that a new city manager had to work with the current set of directors for an "x" number of months before they could change or terminate a director to allow them the opportunity to see that the person does know the job very well although they might not seem to be qualified to do the job. He asked if it was possible to have something like that where there would be no firing for the first six months. Attorney Eschenfelder said it was possible. He could put in the ordinance that they could not be fired without cause.

Mayor Rostek asked if that could be put in the city manager's employment contract. Attorney Eschenfelder said his advice would be they only have contracts with two people, the city manager and the city attorney. Everyone else is an employee who follows the personnel policy and who gets a conditional offer of employment stating the starting wage, benefits, etc., and the terms and conditions are set forth in the personnel policy.

Mr. Hendricks said he hoped they do not go down a path of micromanaging the city manager. He would need the ability to take care of his directors, and if they are not directing, he needs the ability to let them go.

Commissioner Brooks said they have been through city managers that were not good for the City. They came in and got rid of people for whatever reason. However, it was a different Commission, and this Commission is going to change over time. If Robin ever decides to leave there will be another city manager, but regardless, they have to allow the city manager to choose his team. When a government body changes over, the staff that reports directly to them often changes completely. When you have good employees and hire the right city manager, you will have employees who will want to work with the city manager for the betterment of the City. She would not want to tie the city manager's hands. If the city manager is firing people left and right the Commission should be paying attention and asking questions.

Commissioner Tagliarini asked Commissioner Brooks if she was suggesting that if the new city manager came in and fired everybody and started over then they would have to go through the process of deciding whether or not they approved. They could change their city manager but that would be a whole other process. Commissioner Brooks said hiring a city manager is not easy. There was a time when the City was extremely divided. They got a new Commission and when that Commission came in a lot of people that worked for the City for years were let go. Regardless of what the politics were for the people sitting on the Commission, getting rid of all the people was wrong. The City is in a good place. They have a good city manager and a good staff. They would be looking to fill that position with someone who would continue to move the City forward in a positive way.

Commissioner Tagliarini said city managers change and boards change. If they have an ordinance with a six-month "just cause" buffer to allow the new employee and the new city manager to see if they really hate each other before that time comes. At the end of six months, if the director or the city manager has caused nothing but pain, they get rid of them. He is suggesting that there be no changes for six months.

Chair Emblar said there is a saying that the best predictor of future behavior is taking a look at past behavior. She has not observed how the interview process goes but would think it is incumbent on the Commission to ask good questions to determine their leadership style and whether it will complement what they want and fit the vision of what they want in the community. The Commission has a hard job, but there is a concept called behavioral interviewing that will help get to the point of knowing a person's leadership style. She does like the six-month rule.

Ms. Price said six months is too long. They should know in about three months.

Commissioner Tagliarini said he would be heartbroken if they hired a new city manager and some of their current staff were let go. They have a wonderful staff, and he would hate to see that happen just because the new guy whom they disagreed on but had to have somebody just wanted to clean house.

Commissioner McGeehen said he would like to get some comments from the residents on their thoughts.

Commissioner Cantrell asked the City Manager if they had to take on a new city manager, would he feel there was a period of time it would be realistic for the new city manager to wait and observe before they make hard decisions to release people without cause. The City Manager said his process is not to come in and make staff changes. They must wait at least six months to a year or more other than somebody who is a pain and not part of the mission or vision. However, it is the Commission's role to hire the right person. They should ask their plans for the staff, which is part of the hiring process. They do not want someone to come in and fire two or three people and bring in two or three people from the outside. That causes significant disruption. He has been in an organization where that happened a couple of times, and it created chaos and anxiety. The last thing he would want as a manager is to have the people he relies on every day to feel he is going to remove them. Time has to go by to evaluate their level of knowledge, expertise, experience, and how they will react. It could be six months to a year. He has no idea how they will present at a commission meeting, even if they presented once or twice. They could be nervous, and everyone makes mistakes. But, he will go back to the due diligence of who is hired, whether himself or whomever. That is part of the interview process. He is not in favor of getting rid of people. They are all human and must give people a chance to show and prove what they can do. He could not be happier with the staff he has. They are wonderful and do a great job. Hopefully, none of it ever happens, and they have the process to go through. They have had one instance of disciplining an employee because it was a very high offense that led to a discipline that led to a suspension. That is the only one they have been involved in. Other personnel issues have been during the probationary period, where they can make staff changes that may not be working out. Whatever the personnel rules stipulate, that is what they follow.

Mayor Rostek said it should be six months minimum.

Commissioner Tagliarini suggested an ordinance to say for the first six months, the new city manager, whoever that would be, would need "just cause" to get rid of somebody. The City Manager said he was fine with that, but the next person might disagree. He is not aware of that being in any employment agreement. He could ask ICMA. He is unaware of any city or county having an ordinance where the new administrator, the new CEO, has to undergo a certain process. They would need to have "just cause" and follow the disciplinary progressive process.

Vice Mayor Kerr said he likes the idea of having a six-month minimum for several reasons. As the City Manager and Attorney Eschenfelder suggested, it is a mindset for many city managers that they are going to bring their team with them. That not only would hurt their City but would hurt the City they are leaving. They need an opportunity to get to know the staff, directors, and upper management and create relationships. They have a minimum period to figure that out. The bigger

case is that after that period, they are at-will employees and do not have civil service protection. It sounds like that is what everyone is feeling and saying, and they have the right to have their team around them. The City Manager said that is why some cities have employment agreements to further define the roles and responsibilities. They can have in the agreements the termination process.

Commissioner Cantrell asked Attorney Eschenfelder if they needed that in an ordinance or if it could be written in the rules there has to be a six-month grace period and must be "just cause," but after six months, those employees are "at-will," and even during the "just cause" period they have no protections under the appeal process.

Attorney Eschenfelder said he would include the hearing officer in the ordinance to come before the Civil Service Commission because it has to be blessed by ordinance. With respect to the six-month situation where a new manager cannot dismiss an "at-will" department head for the first six months unless they had "just cause," that would be in personnel policy because if it needs to be changed over time, they could do that.

Commissioner Cantrell said there would be no civil service protection. Attorney Eschenfelder said that if the manager wishes to terminate the department head in the first six months, they would have to show "just cause." They would technically be protected by civil service, at least the system, for the first six months. After six months, they would become terminable at will. That is upon a new manager coming in.

Commissioner Tagliarini said the new city manager needs to try and get along for at least six months to get to know their department directors. Attorney Eschenfelder said the community has suffered so much turmoil. The six months allow the manager to gain as much institutional knowledge from a department director as their assessment might change.

Chair Emblar said the meeting had been helpful.

## **GENERAL POLICY STATEMENT**

*Excellence in government public service is attained, in part, through personnel systems that reflect merit principles and sound administrative management. It is the intent of Madeira Beach's Board of Commissioners that its Personnel Policies, Rules and Procedures Manual provide firm and clear direction to its employees. To this end, every reasonable effort is made to protect the personal rights and privileges of individual employees.*

*Furthermore, it is the intent of the Board of Commissioners that no unlawful discrimination exists in the application and administration of any Madeira Beach Board of Commissioners' policy, practice, rule or regulation.*

*The City Manager, through the City department directors, in coordination with the Human Resources staff, is charged with ensuring that the provisions of this Policy are implemented and made known to the employees of Madeira Beach Government.*

~~*Executive contract employees hired by the Board of Commissioners shall have the same authority and responsibility as the City Manager, where cited, in matters pertaining to this Policy, unless specifically excluded by Contract or Resolution.*~~

*[Revised 9/13/2023]*

*These Personnel Policies are not and shall not be considered an employment contract with any person. Nothing herein is intended to create an employment contract between the City and any person for the purposes of employment, promotions, or for the providing of any benefit.*

*The provisions contained within this Manual are and shall be considered as part of the terms and conditions of employment of all regular employees with Madeira Beach and should thus be adhered to by all regular City employees. Madeira Beach reserves the right to establish, modify, or make exceptions to these rules when necessary. Any question concerning the interpretation or application of these rules shall be referred to the Human Resources staff for resolution.*

*Madeira Beach may, from time to time, designate certain positions, such as part time, temporary, initial probationary, managers or directors, as serving at the will of the City Manager and exempt from "regular employee" status. In such cases, the provisions within this Manual regarding regular employees, including just cause and disciplinary appeals, are inapplicable.*

*Madeira Beach endeavors to include a comprehensive overview of the rules and policies governing employment with Madeira Beach within this Personnel Policy Manual. However, there may from time to time be additional personnel rules or policies issued by the Board of Commissioners. The City Manager or a particular department head may also issue additional rules so long as such additional rules do not conflict with the provisions in this Manual and have been reviewed by the Civil Service Commission. All such additional rules shall also constitute a part of the terms of employment. Violation of any provision of any such additional rules will subject an employee to discipline.*

*[Revised 9/13/2023]*

*If a direct conflict exists between policies and procedures included in these rules and a current labor agreement to which the City is a party, the terms and conditions of the labor agreement shall take precedence for employees in classifications represented by a bargaining agent, whether the rights and benefits are greater or less than those provided in these rules.*

## ***Equal Employment Opportunity***

*It is the continuing policy of the Board of Commissioners of Madeira Beach, Florida, to promote the concepts of equal employment opportunity in its employment function and to comply with all federal, state and local laws, rules and regulations pertaining to fair employment practices.*

1. All employees and applicants for employment will be treated fairly with respect to all terms and conditions of employment regardless of race, color, religion, national origin, ancestry, gender, age, marital status, or physical or mental disability which does not preclude the performance of the essential functions of the job with or without reasonable accommodation(s).
2. All personnel opportunities and decisions related to employment, promotions, transfers, reclassifications, compensation, benefits, performance ratings, training courses and programs, layoffs, returns from layoff, terminations, and all other aspects of employment with Madeira Beach will be in accordance with the principles of the merit system, which afford equal opportunity by imposing only valid requirements.
3. The Board of Commissioners reaffirms its commitment to equal employment opportunity through a formal Affirmative Action Program.
4. Employees who allege that they have been unlawfully discriminated against or treated unfairly in the application or employment process must follow the steps outlined in the policy on Illegal Harassment or Discrimination, as described in Section XIII of this Policy. Non-employee applicants and applicants for temporary employment alleging unlawful discrimination must complain in writing to the Human Resources Staff, who will conduct an investigation in accordance with the applicable portions of this Policy.

**I. EMPLOYMENT**

Section: I-A

**A. Non-Temporary (Regular) Employment****I. EMPLOYMENT****A. Non-Temporary (Regular) Employment**

1. In the interest of hiring "best qualified and available" people to meet City employment requirements, and to avoid favoritism in hiring practices, the Human Resources Department is responsible for ensuring that all interested applicants have an equal opportunity to apply for City employment.
2. Notices of open positions will be published interdepartmentally and/or publicly according to the department's request and concurrence of the Human Resources Department. Notwithstanding the foregoing, where a department director or other official with hiring authority determines that a particular candidate is fully qualified for a position (for instance where an intern or employee in acting status has been working successfully in the position for some time), the Human Resources Staff may authorize that candidate to be offered the position without the need to post the position. However, to prevent undue favoritism or nepotism and ensure a diverse, well qualified work force, this exception should not be regularly used in place of posting opportunities and allowing candidates to apply.
3. Applicants for City employment apply to the Human Resources Department in the form and manner, including electronic application submission, as the Department designates. Applicants who make initial contact with an individual City department and/or applications/resumes received by other City departments shall immediately be directed to the Human Resources Department. ~~The Human Resources Staff or designee may grant exceptions for certain special programs.~~  
*[Revised 10/11/2023]*
4. Applications are accepted for announced openings during the published advertising period.
5. Once a position has been filled, the position is closed. Should one or more of the same positions come open again within ninety days after first being filled, a department may make an offer to the next most qualified candidate from among the original applications. Alternatively, or if the vacancy arises more than sixty days later, the position will, absent an exception approved by the Human Resources Staff, be re-advertised and new applications sought.
6. Employees chosen for an interview for other City jobs will be allowed to interview during work hours if necessary. Departments shall work with the employee to make reasonable adjustments to the employee's schedule to permit the interview. ~~If the interview takes place during the employee's scheduled work hours, the time will not be paid, and employees should use available vacation leave for such purposes. Employees who interview during work hours shall receive their normal pay.~~ All other interviews are unpaid.

*[Revised 10/11/2023]*

7. The Human Resources Staff may establish eligibility registers for positions as required by turnover frequency or other recruitment issues. Positions that are identified by departments or the Human Resources Department as being vacant on a regular basis or having certain recruitment needs, may have an eligibility register of qualified applicants established. The Human Resources Staff is responsible for establishing the registers in accordance with the

City's policy of non-discrimination.

**I. EMPLOYMENT**

Section: I-A

**A. Non-Temporary (Regular) Employment**

8. No employee may begin activities associated with working for the City, including engaging in post-offer screening activities, until the candidate signs, electronically or otherwise, a conditional offer of employment. No term or condition of employment, including matters of pay, bonuses, expense reimbursement, or other similar matters, shall be effective unless included within a conditional offer of employment.
9. The City Manager and Human Resources Staff are authorized to adopt such forms and procedures as are deemed necessary to effectively implement these employment policies and to conduct such pre-employment screening as may be either legally or administratively required, including background and reference checks and physical or psychological examinations related to job functions. For any position requiring a pre-employment, post-offer examination, it shall be job-related, and given uniformly to all candidates conditionally offered the position. Candidates must meet/satisfy any established screening requirements and any candidate who fails to do so may be denied employment. In addition to the foregoing, for any City position requiring interaction with law enforcement personnel, records or other matters, access to secure facilities, or otherwise required to pass background standards promulgated by a regulating agency with jurisdiction over such records, personnel or facilities, employees holding such positions must be able to pass the relevant standards and their inability to do so will disqualify them from continued employment.
10. For purposes of this Policy, the term “at-will” or “serving at-will” shall mean that employees holding positions designated by the Board of Commissioners as such serve at the will and pleasure of the City Manager, and includes, but is not limited to, all deputy or assistant city managers, directors, deputy or assistant directors, division managers, division chiefs, section managers, or trusted aides or assistants, regardless of specific position title, which positions exist or may in the future be created. All employees directly reporting to the City Manager shall be deemed as “director” for the purposes of this Policy notwithstanding their actual title. All employees directly reporting to a director shall be deemed as “division manager” notwithstanding their actual title. A trusted aide is any employee working as an administrative assistant to the City Manager or to one or more members of the Board of Commissioners. Absent City Charter or contract terms to the contrary, the City Manager, City Clerk and City Attorney serve at the will and pleasure of the Board of Commissioners subject only to the terms of any employment contract to the contrary.
11. All volunteers are not City employees for any purpose. However, ~~pursuant to~~ Florida Statutes § 440.02 provides eligibility for certain worker compensation benefits for municipal volunteers. Therefore, City volunteers must comply with all related City accident or injury reporting procedures.  
*[Revised 10/11/2023]*
12. Employment of persons under 18 years of age in either regular or temporary positions shall be subject to and in accordance with applicable child labor laws.
13. To ensure compliance with the Affordable Care Act, when an employee formerly eligible for health benefits leaves the City’s employ for any reason, he/she shall be ineligible for re-hire until the former employee has been separated from the City for a minimum of thirteen (13) weeks.

Notwithstanding the foregoing, Madeira Beach may, from time to time, enter into agreements with educational institutions whereby student interns will be identified, assigned and compensated pursuant to the terms of such agreements. In such cases, Human Resources shall assist hiring departments as needed to implement the terms of the agreements, even where same may vary from the provisions of this Policy.

**I. EMPLOYMENT**

Section: I-C

**C. Joint Employment****C. Joint Employment** *[Start here at the 11/14/2023 Civil Service Commission Meeting]*

The intent of this policy is to allow employees to be employed in more than one position, and at possibly more than one pay rate, at the same time within the City payroll structure. The following criteria must be met for eligibility:

1. Only temporary OPS, part-time positions, which are considered to be occasional or sporadic (in accordance with 29 C.F.R., Section 553.30), will be eligible.
2. The employee's decision to work in a different capacity must be made freely and without coercion, implicit or explicit, by the employer.
3. The joint position must be in a different capacity, i. e., it must not fall within the same general occupational category as the employee's primary government employment.

Administrative procedures for implementation and tracking of this program will be published separately.

**I. EMPLOYMENT**

Section: I-D

**D. Employment of Relatives (Nepotism)****D. Employment of Relatives (Nepotism)**

1. Employment shall be in compliance with Florida Statutes § 112.3135 regarding “*Restriction on employment of relatives.*” Pursuant to this section, a public official may not appoint, employ, promote, or advance, or advocate for appointment, employment, promotion, or advancement, in or to a position in which the official is serving or over which the official exercises jurisdiction or control any relative of the public official. An individual may not be appointed, employed, promoted, or advanced in or to a position if such appointment, employment, promotion, or advancement has been advocated by a public official, serving in or exercising jurisdiction or control over a City department or office, who is a relative of the individual or if such appointment, employment, promotion, or advancement is made by a City board of which a relative of the individual is a member.
2. Relative, for purposes of this Section only, shall include father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, or half-sister; but shall not include any other relatives who become related by law or marriage not specifically listed above.
3. For purposes of this Section only, public official, hereinafter referred to as "official," shall include, but not be limited to, Commissioners, the City Manager, assistant City Manager, City Clerk, department directors, assistant directors, managers, supervisory employees and any other City employee authorized to make employment-related recommendations or decisions, whether the official is elected, contracted, appointed, or hired.
4. It is the City's policy to prohibit an official from having direct supervision over any employee who is a relative of the official, as more fully set forth in Paragraph 1. It is also the City's policy to prohibit an official from having direct supervision over any employee to whom the official is engaged or is otherwise involved in a current romantic relationship.
5. Direct supervision shall include any situation in which the official would be in a position to make decisions concerning the terms and conditions of the person's employment with the City including decisions about hiring, promotion, transfer, reclassification, compensation, benefits, work assignments, performance evaluations, training courses and programs, layoffs, return from layoff, termination, and all other tangible aspects of employment.

**I. EMPLOYMENT**

Section: I-E

*E. Re-Employment and Disqualification**E. Re-Employment and Disqualification*

1. An employee who has been terminated from City employment for violation of any conduct or performance rule set forth in this Policy, or who resigns after being notified of the City's intent to conduct a pre-termination meeting but prior to a final disciplinary decision, is ineligible for re-employment for three years from the date of such resignation or termination.
2. An employee terminated due to a positive drug/alcohol test, a refusal to test, or other violations of the drug-free workplace policy; or who voluntarily resigns within two weeks of a positive result in a test for drug use; or when an employee serves notice of resignation immediately upon notification of being selected for such test, is ineligible for re-employment for a period of three years after such resignation. Additionally, a former employee who owes the City money for drug testing or treatment which was the responsibility of the employee to pay shall be ineligible for re-employment until all funds owed are paid.
3. An employee who voluntarily resigns without giving the required two-week notice (see Section IX.A.4) or is separated from employment for absence without leave (see Section VIII) is ineligible for re-employment for a period of one year. In circumstances where the hiring department director certifies, to the Human Resources Staff's satisfaction, that a non-eligible former employee will meet a critical need of the City, the Human Resources Staff has the authority to waive this waiting period.
4. Employees who separate from City service due to failure to complete probation period where no discipline violation occurred, layoff, end of a temporary position, or whose employment is terminated because work is no longer available, are eligible for re-employment with no waiting period.
5. Notwithstanding the foregoing provisions, an employee may become ineligible for a longer period, or permanently ineligible for re-employment, as the result of independent action such as the settlement of a legal claim or an arbitration decision. Additionally, the City Manager shall have the authority, in exceptional circumstances and where the best interests of the City will be served, to waive or reduce the periods of ineligibility stated in paragraphs 1 and 2 above.
6. NOTE: The disqualification periods contained herein are distinct from the ability of a department to recommend or not recommend an employee for re-hire. Such recommendations are simply the opinion of the former employee's management. Though such recommendations may be taken into account should a former employee apply for re-employment, they do not create a bar against such applicant from being considered for re-hire so long as the applicant is not under a disqualification period, and is otherwise qualified to perform the job duties.

**II. PERSONNEL FILES**

Section: II-B

*B. Access to and Retention of Official Personnel Files***II. PERSONNEL FILES***A. File Location and Content*

1. The City's official records of present and past employees' personnel files are maintained by the Human Resources Department. The Human Resources Staff is the custodian of these records and may delegate maintenance and control responsibilities to staff members.
2. The Human Resources Department shall develop, revise and authorize all forms related to personnel matters. Therefore, absent specific authorization from the Human Resources Staff to the contrary, departments may not promulgate or make use of any customized or unauthorized personnel forms, including leave requests, time records or employee evaluations. Department directors may, however, compile informational files on their employees. These files may duplicate information in the "official" personnel files. The department director is the custodian of personnel files maintained in his/her area of responsibility.
3. Public Records requests for personnel files made to the City must be transferred to the Human Resources Department for response. The Human Resources Staff, or designee, shall be responsible for reviewing files to ascertain any information which has been designated as confidential or exempt from public records disclosure, and in conjunction with the City Attorney's Office, asserting applicable public records exemptions for such records.

NOTE: Employees holding certain positions are entitled under Florida law to request that certain personally-identifying information such as home addresses, not be released by other governmental agencies which may be in possession of this information. It is the responsibility of each employee holding such a position to make these requests to other governmental agencies.

4. The official personnel record, which will be maintained by the Human Resources Department, shall contain at least the following documents regarding the employee:
  - a. The employee's initial and any subsequent employment/transfer/promotion applications; I-9 form; interview forms; oath of employment; employment contract (if applicable); acknowledgments of receipt of benefits (to include secondary employment approval forms); conditional offer forms; retirement enrollment forms (when applicable); approved hire action forms authorizing employment; and other related documents required by law or City policy to be included.
  - b. The employee's performance evaluation forms and written responses thereto;
  - c. All official personnel actions, such as promotions, transfers, and pay increases;
  - d. Official disciplinary notices and warning or counseling forms issued to the employee;
  - e. Signature forms demonstrating an employee's receipt of City policies;
  - f. Records demonstrating attendance at City training sessions.
  - g. Any separation surveys provided by a departing employee.

**II. PERSONNEL FILES**

Section: II-D

*B. Access to and Retention of Official Personnel Files*

5. The personnel record may also contain the following items, at the discretion of the Human Resources Staff:
  - a. Correspondence from citizens, co-workers, etc., concerning the employee's performance of his or her job or contribution to the community (excepting documents which are found to be fraudulent, false, or which are required by law to be separately maintained);
  - b. Records regarding an employee's education or professional credentials;
  - c. Such other records as the Human Resources Staff may deem appropriate for inclusion or which are not prohibited from inclusion by law.
6. The Human Resources Department will also keep and maintain separate and secured files of current and former employees which contain medical records or medical claim records exempt under Florida Statutes § 112.08, the results of drug tests (excepting discipline notices confirming a positive result was received), medical documents provided in support of sick leave requests (including those covered under the FMLA), reports of a healthcare provider discussing specific health conditions or status associated with a fitness-for-duty exam, medical records provided in support of a request for accommodation of a disability under the ADA, medical records received in the course of administering a worker compensation claim.
7. Notwithstanding the foregoing, the City Manager and all department directors are entitled to review medical records of applicants and current employees when these officials have the business need to do so. Such instances include reviewing an employee's defense against a disciplinary action where the employee cites a medical reason for the conduct or performance, reviewing requests for sick leave including decisions as to whether an absence is covered by the FMLA, reviewing requests for accommodation under the ADA or determining whether the applicant or employee presents a danger to him/herself or others due to a medical condition. The City Attorney or other attorneys representing the City in any employment claim or suit are also authorized to examine such records to the extent the claim or suit places the medical condition of the applicant or employee at issue.
8. In the event a City official examines records which includes information which is otherwise confidential or exempt from public disclosure under law, such official must exercise care and discretion so as not to further communicate any such information to subordinates or an employee's co-workers unless there is a valid legal reason to do so. City officials in doubt as to their duties in such circumstances are encouraged to seek advice from the City Attorney.
9. The City Manager is responsible for ensuring that human resources records are controlled, maintained, disposed of, and that requests for copies are processed, in accordance with the Public Records Act and the rules of the Florida Division of Archives, History and Records Management. To that end, the City Manager is authorized to develop such additional administrative procedures and forms so as to accomplish this responsibility.
10. While managerial personnel responsible for drafting performance evaluations may, to assist them in drafting annual evaluations, maintain separate notes on positive/negative conduct or performance, including notes on verbal counseling events, such records are public records and, if specifically referenced in an evaluation or discipline notice, must be attached thereto.

**II. PERSONNEL FILES**

Section: II-B

*B. Access to and Retention of Official Personnel Files**B. Access to and Retention of Official Personnel Files*

1. Personnel files (official and informational copies) are public records subject to review under Florida Statutes § 119.07, subject to any applicable exemption(s). Official employee personnel files may be reviewed at the Human Resources Department during normal working hours. The records custodian, or designee, will assist and supervise during the review. Documents cannot be removed or rearranged within the official personnel file during review.

*NOTE: Employees holding certain positions are entitled under Florida law to request that certain personally-identifying information such as home addresses, not be released by other governmental agencies which may be in possession of this information. It is the responsibility of each employee holding such a position to make these requests to other governmental agencies.*

2. Requests concerning past or present employee personnel information should be referred to the Human Resources Department. The Human Resources Staff will respond to inquiries from agencies and the general public regarding disclosure of official personnel data.
3. In accordance with the Florida Public Records Act, copies of personnel files may be made and furnished to requesters upon payment of the statutory fees. Money collected is remitted to the City's general fund. Employees are not charged for single copies made from their official personnel files. However, they shall be charged the established rate for additional copies. The Human Resources Department is responsible for reviewing a personnel file prior to production or copying to ensure all material exempt from public records disclosure has been covered.
4. Official personnel files must be retained for a length of time determined by the State of Florida Bureau of Archives and Records Management. This period is currently twenty-five (25) years following the employee's effective date of separation from City employment. Because of the permanency of such records, department directors must carefully review documents to determine their necessity before requesting entry to the "official" personnel file. The City Manager, in consultation with the City Attorney as needed, is authorized to develop administrative procedures concerning the proper storage of, and access to, records, including medical files, of current or former employees.

**III. PROBATIONARY PERIOD**

Section: III

*Initial Probationary Period*

---

**III. PROBATIONARY PERIOD**

1. The first twelve (12) months of employment serve as a probationary period for all non-at-will employees filling regular full-time or part-time positions and are used for the following:
  - a. To provide an adjustment period for an employee to become familiar with his/her job duties and responsibilities.
  - b. To provide on-the-job instruction, guidance and counseling.
  - c. To observe and evaluate employee job performance.
  - d. To remove/discharge an employee whose job performance fails to meet required work standards or who, for reasons stated in Section XI.B. of this Policy, must be removed/discharged for other reasons.
2. Probationary employees are not entitled to utilize the Employee Complaint Procedure (ECP) or appeal process unless a claim of unlawful discrimination is made, nor are they entitled to any hearing except as provided in Section XI.D.2.d. of this Policy.
3. Regular employees accrue paid leaves of absence during the probationary period. They can use accrued sick or vacation hours subject to normal approval procedures (after they have been credited to their accrual accounts).
4. Probationary employees who leave City employment are paid their compensatory time and accrued vacation leave balances in accordance with Section VII. A. of the Policy. This payment is made at the employee's base hourly pay rate in effect at the time of separation. If service is terminated by death, payment is made as authorized by Florida Statutes § 222.15.

**IV. PAY, HOURS OF WORK AND WORKWEEK**

Section: IV-A

*A. General Policies***IV. PAY, HOURS OF WORK AND WORKWEEK***A. General Policies*

1. Due to the variety of services provided by City departments, certain employees may be required to work varying days and hours. Department directors schedule work that is necessary and beneficial for the efficient operation of the City. It is the responsibility of the department director to manage overtime within budgetary constraints. Pursuant to 29 C.F.R. § 553.23, by accepting employment with the City, all overtime-eligible employees agree that the City may elect to provide compensatory time in lieu of payment of overtime work in cash pursuant to its compensatory time policies. Employees may also be required, at the discretion of the City, to use compensatory time in lieu of vacation pay when requesting vacation time off.
2. Non-Exempt Employees
  - a. For purposes of this Policy, all employees not considered exempt will be considered non-exempt, and therefore subject to the minimum wage and maximum hour provisions of the Fair Labor Standards Act (FLSA). Non-exempt employees are eligible to earn overtime (including premium pay differential when applicable) or compensatory time at one and one-half (1 ½) times their hourly rate.
  - b. Whenever a non-exempt employee becomes promoted or reclassified to an FLSA-exempt position, the employee shall have any accrued compensatory time paid to him/her at their rate of pay of the non-exempt position they held immediately prior to their promotion.
3. Exempt Employees:
  - a. For purposes of this Policy, exempt employees are expected to work whatever hours are necessary to accomplish assigned duties and responsibilities. However, it is recognized that because exempt employees are often required to work irregular and/or extended hours, it is appropriate that they be provided a certain latitude in occasionally being away from their place of work during normal work hours. It is the responsibility of the immediate supervisor or the department director to determine if the absences are inappropriate.
  - b. Exempt employees are not eligible to be awarded compensatory time or premium pay differential.
  - c. Department directors may suggest the exemption of certain job classifications from the provisions of the Fair Labor Standards Act (FLSA). However, the final determination is made and executed by the City Manager, in consultation with the City Attorney's Office.

Section: IV-D

**B. Allocation of Work Hours, Workweek and Work Period****B. Allocation of Work Hours, Workweek and Work Period**

1. The *workweek* starts at 12:00 a.m. on Saturday and ends at midnight the following Friday. The normal full-time work schedule includes forty (40) hours during the workweek. These hours should not be construed as either a fixed minimum or maximum. Work hours that exceed a normal workweek may be required. Except as provided herein or as determined by the department director, in conjunction with the City Manager and payroll staff, normal hours are Monday through Friday, 8:00 a.m. to 5:00 p.m.
2. *Lunch periods*- Bona fide meal periods (employee is completely relieved from duty for the purpose of eating regular meals) are not work time and are unpaid. The time scheduling and length of lunch periods are coordinated between the employee and the supervisor, according to that organization's needs. (Note: There is no federal or State of Florida law requiring meal breaks in industries or offices, with the exception that minors 17 years of age or younger shall not be permitted to work for more than 4 hours continuously without at least 30 minutes for a meal period.)
3. *Break (rest periods)* - Breaks (usually not more than 15 minutes each) may be permitted by supervisors when the work requirements allow them, and must be allowed for nursing mothers to express milk for up to one year after birth. Break periods are considered to be rest periods and must fall within working hours (work is performed immediately preceding and following the break period) and may not be accumulated for additional time away from work. (Note: There is no federal or State of Florida law requiring rest periods, but if they are offered, they must be counted as hours worked.)
4. *Flextime* is the generic term for flexible scheduling programs - work schedules that permit flexible starting and quitting times within limits set by management. Flextime requires employees to work a standard number of hours within a given time period (usually forty (40) hours during a five-day work week). Each City department has the option to use flextime, if it can be adapted to better meet that organization's unique needs. However, each City department or division which elects to permit flextime must, with the assistance of the Human Resources Staff, adopt a flextime procedure which will be published to the department's employees and which will be uniformly applied within that department or division.
5. *Work-at-Home Program* - The Madeira Beach Board of Commissioners does not recognize a "work-at-home" program. There may be times when certain projects could be performed by employees who are at home due to extenuating circumstances. Any such projects must be authorized by the department director and approved by the City Manager prior to work being done. If a project is approved to be completed at home, the project must be familiar to the employee concerned and have definite parameters for measuring time necessary to perform the work. The employee will only be compensated for the standardized hours recognized for completion of the project. City equipment is not to be used outside the regular workplace, unless authorized by the department director and approved by the City Manager. All hours worked at home must be reported.
6. *Medical Attention* - In accordance with 29 C.F.R., § 785.43, time spent by an employee in waiting for and receiving non-elective medical attention on the premises or at the direction of the employer during the employee's normal working hours on days when he or she is

Section: IV-D

**B. Allocation of Work Hours, Workweek and Work Period**

working constitutes hours worked except for worker compensation visits (see also section VII.B.8.a. of this Manual).

7. *Furlough* - Notwithstanding any other provision of these policies to the contrary, where the City Manager, in consultation with the Board of Commissioners, determines that current budgetary conditions require a reduction in the overall hours employees work in order to remain within the authorized budget, the operational hours of any one or more office, service or function of the City may be reduced for one or more weeks, days or hours, either consecutively or sporadically. Such periods of reduction may be either by complete closure or operation with a less than full staff as deemed necessary. Employees working within such offices, services or functions will be placed on unpaid furlough during such periods, and hours spent on furlough shall not count as hours worked for any purpose. Pursuant to 29 C.F.R. § 541.710(b), the City Manager is authorized to deduct hours spent on any furlough from any employee being compensated on a salary basis if budgetary constraints require the deduction.
8. *Electronic Timekeeping* – In recognition of the limitations which may be inherent in the electronic timekeeping systems the City may now or in the future use, including limitations on the delineation of actual lunch or break schedules, employees who are unable to enter the actual chronological times for such events shall not be subject to discipline for falsifying records. FLSA non-exempt employees must, however, ensure that their actual hours worked each day are truthfully and accurately recorded in any such system to ensure proper payment of wages due, including overtime and premium pay.
9. *Pay Class/Annual Base Salary Calculations* – Annual base salaries shall be calculated based upon the pay class and full-time equivalent assigned to the position.

**IV. PAY, HOURS OF WORK AND WORKWEEK**

Section: IV-C

*C. Pay Eligibility**C. Pay Eligibility*

## 1. Extra Hours

The necessity to work extra hours is made at the discretion of the City Manager. It is important that department directors ensure that extra hours are distributed equitably among employees qualified to perform the work, while giving consideration to the personal wishes of employees involved. However, it is ultimately the department director's decision to designate who will perform the extra hours.

For overtime control purposes, overtime-eligible employees are prohibited from coming to work early and leaving late for purposes of conducting work, or working through lunch periods or bringing work home, unless specifically authorized by their supervisor in advance. Supervisors shall monitor the workplace to ensure that employees who are not scheduled to be working do not remain in the workplace. Nothing herein is intended to prevent an employee from remaining in a City building during a meal period. However, during such period, the employee is not expected to, and is prohibited from, performing work of any kind (including answering phones or reviewing emails) for the City.

Unless otherwise specified by a collective bargaining agreement, an employee shall be required to work overtime when assigned unless excused by the supervisor. An employee who refuses to work overtime when assigned will be subject to disciplinary action for said refusal. An employee scheduled to work overtime who fails to fulfill the assignment for reported medical reasons will, at the City's discretion, be required to substantiate the medical absence with a doctor's note or similar proof.

Overtime or compensatory time be documented by an electronic time off request. However, if this is not feasible, a schedule of work hours or other form of written documentation should be available to support the designation of overtime or compensatory time.

## a. Non-Exempt Employees

All hours worked over forty (40) in a workweek are considered overtime and are compensated by overtime pay or compensatory time as agreed or understood before the work in excess of forty (40) in a workweek is performed. Absent emergency circumstances, overtime must be approved in advance by the City Manager in advance.

## b. Exempt Employees

For purposes of this Policy, exempt employees are paid on a salaried basis and are expected to work the hours necessary to accomplish assigned duties and responsibilities. Paid extra hours are only to be considered under the terms of an approved performance bonus plan.

**IV. PAY, HOURS OF WORK AND WORKWEEK**

Section: IV-C

**C. Pay Eligibility**

## 2. Overtime Pay

Employees entitled to overtime pay are paid for each work hour in excess of forty (40) hours in the workweek at a rate of one and one-half (1 ½) times their regular hourly rate of pay, including premium pay differentials when applicable.

## 3. Compensatory (Comp.) Time

*Time off in place of overtime is called compensatory (comp.) time.*

- a. Non-exempt employees scheduled for extra hours of work designated as comp. time are credited at the rate of one and one-half (1 ½) hours for each hour worked. Used comp. time (reflected on the timecard) is deducted from the compensatory time accrual account hour for hour and does not count as hours worked.
- b. Employees may be required to utilize compensatory time in lieu of leave time at the discretion of the department director.
- c. Non-exempt employees are prohibited from accumulating comp. time balances in excess of one-hundred twenty (120) hours (180 for certain Fire/EMS employees who work 24/48 hour shifts). Such employees who perform work and are not eligible for the accumulation of additional comp time shall be compensated by regular or overtime pay as the case may be. By accepting employment with the City, employees consent to be paid comp. time in lieu of overtime pay at the discretion of management.
- d. Comp. time hours shall be paid out when an employee is promoted or reclassified to an FLSA-exempt position, as specified in Section IV.A.2.b., or when an employee separates (voluntarily or involuntarily) from City service.
- e. An employee who has accrued compensatory time, and requests use of the time, must be permitted to use the time off within a reasonable period after making the request, if it does not unduly disrupt the operations of the agency (29 U.S.C., § 207 (O)(5)). Comp. time cannot be used in lieu of sick leave if sick leave balances are available.
- f. When a non-exempt employee is designated as “acting” in an open exempt position (such as a manager position open due to retirement where a new manager must be recruited), the employee shall be compensated during this acting status as an FLSA exempt manager and shall therefore not be eligible for overtime, comp or premium pay differential.
- g. However, when a non-exempt employee is only temporarily fulfilling the duties normally associated with an exempt position (such as to cover for a vacationing manager) in addition to their normal duties, the employee shall continue to be paid his/her normal rate of pay, and shall be eligible for overtime, comp and premium pay differential, as may normally be applicable.

**IV. PAY, HOURS OF WORK AND WORKWEEK**

Section: IV-C

**C. Pay Eligibility**

4. On-Call Status
  - a. Exempt employees are ineligible for on-call status.
  - b. An employee required to remain on-call (on City premises or so close that he/she cannot use the time effectively for personal purposes) is considered to be working in an on-call status. On-call hours are designated as work hours for the workweek and count towards overtime.
  - c. On-call hours for non-exempt employees are eligible for premium pay differentials, overtime and compensatory time.
  - d. On-call employees must always be reachable by a pre-designated means of communication and able to arrive at the work location within the time established by the department director or designee. As employees are compensated for on-call assignments, they must refrain from drinking alcohol, taking medications or engaging in any other conduct which would prevent being ready for duty. Further, if they are unavailable when called in, they will be subject to disciplinary action and will not be paid any on-call pay for that assigned period. On-call assignments should be distributed equitably among qualified employees, consistent with operational needs.
5. Standby Status
  - a. Exempt employees are ineligible for standby pay.
  - b. Employees who are not otherwise informed that they have been scheduled to work and who are placed on standby status (instructed to be available but otherwise able to use the time effectively for personal purposes) may remain at home, or they may leave work how (pager, cell phone, etc.) and where they can be reached, but they must do one or the other. These employees receive straight time pay (compensatory time not allowed) for hours designated as standby assignment, with maximum accruable hours of three (3) in a 24-hour period. Standby hours must be outside the scheduled (regular or modified-schedule) workday, and may not be assigned to or worked by employees who do not work their regularly-scheduled shift immediately prior to standby assignment, or who are unable to respond, due to illness. Employees who receive advanced notice of a requirement to report for duty, even where such work is to be performed outside of a regular schedule, are not eligible for standby pay. Since assigned standby hours can vary according to circumstances, guidelines will be used to award compensation as shown below. (Note: No other proration methods are authorized):
    - ✓ Less than five (5) hours of standby status is ineligible for standby pay
    - ✓ One (1) hour of straight time pay for 5 up to 9 hours of standby status
    - ✓ One and one-half (1.5) hours of straight pay for 9 up to 12 hours of standby status
    - ✓ Two (2) hours of straight pay for 12 up to 16 hours of standby status
    - ✓ Two and one half (2.5) hours straight pay for 16 up to 20 hours of standby status
    - ✓ Three (3) hours of straight pay for 20 up to 24 hours of standby status

**IV. PAY, HOURS OF WORK AND WORKWEEK**

Section: IV.C

*C. Pay Eligibility*

- c. If employees on standby status are required to report for duty, they are paid for hours worked, with a minimum of two (2) hours for the first “call out” regardless of time spent responding. Thereafter, employees shall only be paid for the actual hours worked on subsequent “call outs” during the standby period. Call-out hours are eligible for premium pay differentials and count as hours worked towards overtime. In addition to the call-out hours, employees are also compensated for standby status as reflected under Section IV.C.6.b.
- d. Employees placed on standby assignments must always be reachable by a pre-designated means of communication and able to arrive at the work location within the time established by the department director or designee. As employees are compensated for standby assignments, they must refrain from drinking, taking medications or engaging in any other conduct which would prevent being ready for duty. Further, if they are unavailable when called in, they will be subject to disciplinary action and will not be paid any standby pay for that assigned period.
- e. Standby assignments should be distributed equitably among qualified employees, consistent with operational needs.

*D. Work Time Records and Emergency Conditions**D. Work Time Records and Emergency Conditions*

1. The City's Work Time Records or time cards are designed to meet the record-keeping requirements of the FLSA. Department directors are responsible for maintaining a record of work schedules for non-exempt employees.
2. **Exempt Employees:** Due to their exempt, salaried status and the expectation that they are often required to work irregular and extended hours, but have the latitude of occasionally being away from their workplace during normal work hours, exempt employees complete work records but do not have to complete a daily record of time worked. For payroll accounting purposes, they will need to record absences charged to employee benefit accounts (i. e., sick, vacation, holiday, etc.). Exempt employees are not required to create time worked records, unless absences are charged to their accrued benefit accounts.
3. **Non-Exempt Employees:** All hours (paid, unpaid or charged to accrual accounts) must be recorded in the City's time and attendance system daily for the non-exempt employee's scheduled work periods. Pay, including overtime pay, is calculated for each workweek and paid (if overtime pay) or credited (if comp. time) to employees on a bi-weekly basis. Non-exempt employees are required to sign their time records, either physically or, where provided, via electronic means.
4. After payroll has completed processing, original records of time worked are maintained by human resources for the appropriate periods set forth in the FLSA and Florida records retention schedule. To the extent the City employs an electronic time and attendance system, such records maintenance may be performed electronically.
5. **Emergency Conditions:** When the Board of Commissioners formally declares a state of emergency, City employees who hold positions designated to perform essential services during the actual emergency declaration period shall, if report to work when required. The City Manager or department directors may also require employees who perform essential services to work during actual or impending extreme emergency situations or conditions (weather, hazard, etc.), not declared as a "state of emergency."
6. **Pay for Work During Declared Emergency:** During a declared emergency, City offices and operations may close. Employees who are not directed to work in any capacity during such closure must not report for duty during such periods. Employees are not authorized to designate themselves as essential or to perform work of any kind for the City during a closure of City offices and operations, unless expressly directed to work by their director or the city manager.

For all employees in positions classified as FLSA exempt, such employees will receive no additional compensation for any hours worked during any declared emergency. FLSA non-exempt employees shall receive compensatory time at 1.5 times their regular hourly rate of pay for any hours worked during any declared emergency regardless of what non-emergency hours he or she may have worked during any given work week and regardless of what specific work assignment such employee is given during the emergency period.

Non-FLSA exempt employees shall not be compensated for any time off during such periods.

**IV. PAY, HOURS OF WORK AND WORKWEEK**

Section: IV-D

*D. Work Time Records and Emergency Conditions*

FLSA exempt employees shall be paid their established salaries except that if they are not directed to perform any work during the entire work week, such employees shall not receive their salaries for that week.

Employees who are not compensated due to a closure during a declared emergency may, at their discretion, use any available vacation or compensatory leave to accommodate otherwise unpaid periods. Employees may not use non-FMLA sick leave for such periods unless they demonstrate through medical documentation to their department director's satisfaction that they were medically unable to perform their duties during the period in question.

In the event a City holiday falls on a day where the City is closed due to an emergency condition, compensation of the holiday for employees not required to report for duty shall be as provided for in this policy with respect to holiday compensation. Employees required to work on a holiday during a declared emergency shall be entitled to take the equivalent unpaid time off with no reduction in leave balance once the declared emergency ends and the leave may be scheduled.

All employees with approved leave requests covering the declared emergency period, regardless of leave type, are subject to having such leave cancelled and to being recalled to duty during the emergency period. Directors shall make every effort to accommodate pressing conditions, and ill employees, when determining which employees to call back from leave. Notwithstanding the foregoing, employees who cannot report for duty due to a certified FMLA condition shall not be called back to duty during an emergency condition.

**Failure to Report for Duty When Assigned:** Any employee required to report for duty during an emergency condition who fails or refuses to report and/or to perform duties as directed will be subject to termination from employment. Failure to monitor on-call or stand-by phone numbers and respond to calls will constitute a failure to report. The only exception to this policy will be for employees physically or medically unable to report or perform as ordered, or where the employee is on pre-authorized FMLA leave during the emergency period. For non-FMLA medical conditions, the City will require after the fact medical verification of medical conditions, and reserves the right to require second opinion examinations. Employees claiming a physical inability to report when required are not permitted to cite a mere fear of travel during the emergency condition, or a general concern for not staying with family. Employees, particularly those designated by their departments as being critical responders during emergency conditions, have a responsibility to plan ahead for the safety and welfare of their families and the securing of their property so that they will have the ability to report when called. Only extraordinary incidents of inability to report wholly beyond the employee's ability to control will be excused.

*E. Salary Basis Questions**E. Salary Basis Compensation Questions*

1. It is Madeira Beach's policy to comply with applicable wage and hour laws and regulations. Accordingly, the City intends that deductions be made from your pay only in circumstances permitted by the Fair Labor Standards Act and the U.S. Department of Labor's rules governing the salary basis for pay for exempt employees. The improper pay deductions specified in 29 C.F.R. §541.602(a) may not be made from the pay of employees subject to the salary basis test.
2. If you have any questions or concerns about your salaried status, or you believe that any deduction has been made from your pay that is inconsistent with your salaried status, you should immediately raise the matter with your department director. If you have raised the matter with your supervisor and it is not resolved within ten (10) business days, or if, for any reason, you are uncomfortable discussing the matter with your director, you must submit your question or concern to the Human Resources Staff for review and response.
3. To ensure the City understands your question or concern and is able to conduct a proper review, any such question or concern which seeks the payment of wages allegedly owed must be made using the official HR form approved for that purpose. Any such question or concern must, at a minimum, include employee name, a brief description of the facts related to the question or concern, and the response of the employee's director, if any. The pay period(s) at issue should also be identified. If you are unable due to disability to submit your complaint in writing, a Human Resources representative will assist you in formalizing your question or concern, which you will then be asked to review and sign to ensure its accuracy.
4. The City is committed to investigating and resolving all compensation disputes as promptly, but also as accurately, as possible. Consistent with the U.S. Department of Labor's policy, any question or concern will be responded to within a reasonable time given all the facts and circumstances. If a review of the matter reveals you were subjected to an improper deduction from pay, you will be reimbursed and the City will take whatever action it deems necessary to ensure compliance with the salary basis test in the future.

*F. Forms**F. Forms*

1. Department directors, in conjunction with the Human Resources Staff, are responsible for investigating and ensuring job compliance for all positions (exempt and non-exempt) under applicable federal, state, local, and personnel policy guidelines. Any significant or important changes should be noted on the appropriate position description forms.
2. Changes (i. e., pay, classification, status, etc.) for exempt and non-exempt positions are initiated and approved by processing Pay Assignments and other pertinent forms. Procedures are set through "administrative" guidelines.
3. The Human Resources Staff ensures standardization of forms used throughout City departments. These forms are designed, updated and distributed from time to time under direction of the Human Resources Staff. To reduce the cost of purchasing, printing and storing paper, and to enhance efficiency, the Human Resources Staff shall endeavor to use electronic generation, electronic signatures, and electronic storage and retrieval systems for personnel records whenever possible.

**V. CLASSIFICATION AND PAY PLAN**

Section: V.A

*A. General Policies***V. CLASSIFICATION AND PAY PLAN***A. General Policies*

The Madeira Beach Civil Service Commission, in cooperation with the City Manager, is charged with the on-going development of Madeira Beach classification and pay plans. This includes periodic studies relating to equitable classification categories and pay ranges. The goal of the Board of Commissioners is to maintain sound plans providing classification and pay structures that are fair, equitable, and systematic compared with other governmental jurisdictions and the private sector. This enhances Madeira Beach's ability to attract and retain competent employees to provide efficient services to the citizens of Madeira Beach.

The Civil Service Commission, working with the Human Resources Department, will periodically examine, by use of staff, consultants and such other resources available, market conditions and comparative wage data for relevant public and private sector employers, and based upon the results of this examination, will make a written recommendation to the City Manager concerning wage adjustments. Based upon such written recommendations concerning the need for market equity adjustments, the City Manager may propose a budget including funds sufficient to implement such adjustments concurrent with a new fiscal year, and may implement same upon budget approval. Any such overarching market equity adjustments shall be confined by the budget approved by the Board of Commissioners for that fiscal year.

Notwithstanding the foregoing, any awarded wage rate increases based upon a merit evaluation system (which system must be separately established by resolution) shall be implemented based on the calendar year.

The Civil Service Commission, working with the City Manager, is charged with creating recommended classifications and pay plans (subject to budgets approved by the Board of Commissioners) as the City's business needs and operating experience dictate.

Madeira Beach reserves the right to organize itself, and classify and schedule its employees, in the manner deemed most effective and efficient at any given time, based on the needs of the community the City serves, and available City resources. Therefore, while the City will make every attempt to create stable career opportunities and work environments for employees, no City employee has any permanent right to claim any job title, classification, department, pay plan or rate, job description, benefit, schedule, shift, work location, co-worker(s) or any other aspects of the employment relationship other than those required by law to be provided.

**V. CLASSIFICATION AND PAY PLAN**

*B. Administration*

---

***B. Administration***

1. Recommendations for assignment of authorized positions to classification titles and pay grades and recommendations for changes to existing classification and pay grade assignments are made to the City Manager by the Civil Service Commission and Human Resources Staff. Any such changes for administration positions shall become effective once approved by the City Manager.
  
2. Recommendations for staffing level changes which will result in an overall increase in the number of authorized employees under the City Manager or for which an increase in the overall operating budget is sought shall be submitted to the Board of Commissioners for approval. Staffing level reductions, or any transfer or reassignment of one or more City staff, either within or between departments, may be performed administratively by the City Manager.

**V. CLASSIFICATION AND PAY PLAN**

Section: V-C

**C. Application****C. Application****1. General**

- a. Notwithstanding any other provision of this Policy, no employee may receive any pay rate increase (other than for temporary duty performance) which would cause such employee to be compensated in excess of the maximum of the pay range established for the position such employee holds.
- b. Requests that are different from the parameters provided in Section V. of this Policy may be considered under exceptional circumstances. Such requests must be submitted, with appropriate justification, by the department director to the City Manager, who shall approve or decline such requests.
- c. At no time is an applicant or employee to be promised pay or conditions that are outside the parameters of the Policy, unless authorized through the approval process (as outlined in b. above.) Any terms or conditions of employment, including but not limited to departures from established pay rates, moving expenses, hiring bonuses, language inducements, unique leave accrual rates, or transfer of unpaid leave balances or time in service, must, to be effective, be included in the written conditional offer of employment presented to the candidate by the City. Any other promises or representations made to a candidate not included in the conditional offer of employment shall not be valid or enforceable against the City.

**2. New Hire Employment**

- a. Initial employment in a classified position is normally paid the minimum of the assigned pay grade.
- b. Initial employment in a classified position may be paid at any rate agreed to between the City and an applicant. In establishing a pay rate offer, department director shall consider grant/program funding levels, current budgetary allocations and projected expenditures within the department, labor market conditions, equity and compression issues within the department, as well as candidate qualifications. Prior to extending an offer to a candidate which exceeds the mid-point of the pay range, the department must be able to provide appropriate justification to the Human Resources Staff. The Human Resources Staff shall review all proposed offers and, where an offer is in excess of the mid-point of the pay range established for the position, shall make a recommendation to the City Manager as to whether the proposed offer should be approved or denied.

**3. Promotions**

- a. *Advertised Promotion* occurs when a current employee is selected through open competition for a position in a higher classification. Subject to available resources and market conditions, employees promoted as a result of advertising to a classification in a higher pay grade will generally receive the greater of a 5% increase or entry level of the new pay grade. Directors may request higher increases for extenuating circumstances, but may not be offered to an employee prior to the Human Resources Staff's review and approval of the written documentation supporting the request.

**V. CLASSIFICATION AND PAY PLAN**

Section: V-C

**C. Application**

- b. Internal Promotion occurs when a qualified employee is placed in a higher position without advertising. Requests for internal promotions must be submitted to the Human Resources Staff by the department director with explicit support documentation (i. e., employee meets job requirements, will not create equity or other issues with other employees, is in the employee's career path, employee is already performing duties, and is in the best interest of the City). The Human Resources Staff shall either approve or deny the request. Pay guidelines are the same as outlined in V.C.3.a. above (Note: External recruitment helps build strong workforces. Therefore, positions below director level should usually be advertised. Internal promotions without first advertising should only be considered in unusual circumstances, such as recruitment difficulty, departmental health/safety criteria dictates immediate need to fill, internal candidate with extraordinary skills or background, etc.)

**4. Demotions (Changes to Lower Classifications)**

When an employee is demoted for any reason, the employee is requested to sign a statement of understanding, acknowledging the demotion and rate of pay. (Signing this document does not mean that the employee agrees or disagrees with the action, only that he/she received notice of it). This acknowledgment is attached to the demotion paperwork sent to Human Resources for processing.

- a. An employee who applies through open competition, or requests a voluntary transfer, to a lower classification and pay grade, and is accepted; or who are involuntarily demoted to a lower classification for non-disciplinary reasons (i. e., inability to perform the duties of the job, reduction in work force, lack of work, reorganization, etc.), will be placed in the lower pay grade at the same percentage above the lower pay grade minimum as the employee's previous rate of pay was above the previous pay grade minimum. (See example below). This is subject to approval by the Human Resources Staff.

*EXAMPLE: Employee's current hourly pay rate is \$10.00. Entry level pay rate for the current pay grade is \$9.00. To calculate the percentage over entry level, divide the difference (\$1.00) by \$9.00 = 11.11% over entry level. If the entry level pay rate for the lower pay grade is \$8.00 (\$8.00 plus 11.11% = \$8.888, rounded to \$8.89). Employee's new pay rate for the lower pay grade will be \$8.89.*

- b. Notwithstanding the provisions of Paragraph 4.a. above, in order to ensure fair and equitable treatment, each case of demotion shall be reviewed individually. The department director must document any salary adjustment request that is different (either a greater rate or lower rate) from that provided in Paragraph 4.a. above and have the request approved by the Human Resources Staff.
- c. In cases where an employee is demoted as the result of disciplinary action, the disciplining director shall have the authority to assign the employee a pay rate lower than those otherwise specified for non-disciplinary involuntary demotions.

**5. Temporary Assignments**

- a. Acting Status. Employees temporarily assigned to perform all duties of a higher-level

**V. CLASSIFICATION AND PAY PLAN**

Section: V-C

**C. Application**

position may receive additional compensation during the assignment at a rate determined by the City Manager. The assignment must be appropriately documented by the department director, and approved by the Human Resources Staff. Regular salary adjustments are granted during temporary assignments, and shall be applied to the employee's non-acting pay rate. Upon expiration of the acting status, the employee's pay rate will return to the same level it was prior to entering into acting status, but increased by any regular salary adjustments which occurred during that period. An employee may not be placed in acting status unless that employee meets the minimum qualifications of the higher-level position.

- b. **Additional Duties.** Employees temporarily assigned by their directors to perform additional duties while continuing to perform their regular duties may, upon request of the director and approval by the Human Resources Staff, be eligible to receive additional compensation over their current pay rate consistent with Section IV.C.3.g and Section V.C.3.a., above. Regular salary adjustments are granted during temporary additional duty status, and shall be applied to the employee's non-temporary duty pay rate. Upon expiration of the temporary duties status, the employee's pay rate will return to the same level it was prior to assignment of the temporary additional duties. Alternative forms of compensation for the performance of additional duties may be developed by the City Manager from time to time and may be utilized in lieu of the rate enhancement provided for above.

**6. Reclassifications and Reorganizations**

Market factors, evolving priorities, evolutions in equipment and materials, employee input, grant funding, or changing organizational needs may cause a particular position classification within the City to become subject to change. Madeira Beach continually evaluates these factors against classified positions accordingly and at times determines, where the position is not wholly eliminated, to re-classify and/or reassign one or a group of positions to better serve the needs of the City and its citizens. Such reclassifications/reassignments can be minor or significant, and may result in enhancing one or more positions and related duties and requirements, or decreasing duties and requirements. Such reclassifications/reorganizations are solely within the discretion of the City and no employee possesses any right or expectation to hold or keep any one position or set of duties. To ensure compliance with any applicable personnel policies or regulations, requests for reclassifications must be submitted by a department director in writing with supporting justification to the Human Resources Department which shall review and comment upon all reclassifications or reorganization requests regardless of number of employees involved. Every possible scenario cannot be described in a general policy document such as this Manual. However, in an effort to inform employees of the outcomes of common reclassification decisions, the following examples are provided:

- a. Employees reclassified to higher pay grades shall be compensated based upon the City's assessment of the factors set forth in subsection (c) below, and such compensation changes shall take effect on the first pay period after the effective date of the reclassification.
- b. In circumstances where an employee's position is downgraded based upon reorganization, market study, individual job analysis or other similar non-disciplinary

**C. Application**

reason, the employee will not normally have their pay rate reduced, though their pay grade may be reduced, based upon the City's assessment of the factors set forth in subsection (c) below.

- c. In reaching any decisions regarding the establishment of reclassifications and accompanying pay grades and rates, the City will consider various factors including, but not limited to, individual experience and years of service, individual work/discipline records, current compensation and where same falls within a new pay range, equity between and among similarly-situated positions and incumbent employees, market factors, established career ladders and budgetary constraints.

**7. Transfers/Lateral Transfers**

Employees may be transferred to vacant positions with the same job title (transfer) or within the same pay grade, different job title (lateral transfer) without advertising, if appropriate justification is provided and the request is authorized by the department director, approved by the Human Resources Staff and future department director if transfer is to another department. Transfers/lateral transfers are not eligible for pay adjustments.

**V. CLASSIFICATION AND PAY PLAN**

Section: V-C

**C. Application****8. Permanent Additional Duties**

Where an employee is permanently assigned significant additional duties not warranting a reclassification of their position, the employee's director shall work with the Human Resources Staff to determine a suitable wage rate increase.

**9. Equity Pay Adjustment**

- a. Equity Pay Adjustments are granted to maintain fair and equitable treatment of employees.
- b. Requests for equity pay adjustments may be submitted, with appropriate justification, by the department director to the Human Resources Staff for review and approval.

**10. Retroactive Pay Adjustments**

Retroactive pay adjustments may be considered under exceptional circumstances (such as where an employee performed assigned duties but due to accounting/recordkeeping error was not paid or where a pay-increasing certification was earned but unknown to the City). If a department director requests retroactive payment for an action, a written request must be submitted to the Human Resources Staff for consideration. If approved by the Human Resources Staff, the amount of retroactive compensation will be determined by Human Resources and Payroll. (NOTE: Nothing herein should be interpreted as authorizing any employee to be paid for work which was not authorized to be performed by the City. Employees performing unauthorized work shall be subject to disciplinary action). To the extent the adjustment results in a deduction from pay for wrongly-paid compensation, any such deduction shall not result in an employee being paid less than the established minimum wage for any given pay period.

**11. Pay for Performance**

In addition to any general wage adjustment that the Board of Commissioners may from time to time adopt, the Board of Commissioners may by separate resolution adopt a compensation program which includes variable wage increases linked to job performance. Such program may distinguish between exempt professional and managerial classifications, and full and part time hourly compensated employees. As to hourly employees, any such program shall be based upon quantifiable measures of performance and shall be designed and administered so as to ensure discrimination, favoritism or inconsistent application of eligibility criteria do not occur. In addition, pursuant to Florida Statutes § 215.425(3), the Board of Commissioners may from time to time adopt, by resolution, a performance bonus plan based on work performance which describes the performance standards and evaluation process by which such awards are to be given. Any such plan must be noticed to all employees prior to implementation. Nothing herein shall be interpreted as creating any requirement to develop or budget funds for pay for performance or bonus programs or policies, nor as creating an entitlement on the part of any employee to receive same.

**VI. HOLIDAYS**

Section: VI-1

**A. Administration****VI. HOLIDAYS****A. Administration**

*The following is offered as a guideline and is not considered to be all inclusive. Recognized holidays are subject to periodic review and revision by the Board of Commissioners.*

1. Paid holidays are a Madeira Beach employee benefit. They may not be accrued for future use, and holiday hours taken shall not count as hours worked for any purpose other than FMLA eligibility.
2. A holiday must be taken in one (1) work day.
3. When a City observed holiday occurs during an approved leave of absence with pay (i. e., vacation, sick, compensatory, military, bereavement, etc.), and the appropriate leave is identified on the timecard, the employee will be paid for the holiday. (The holiday should be coded as "holiday" on the timecard.) If applicable accrued leave balances (i. e., vacation, sick, etc.) are charged on the timecard for the period in which the holiday occurs and the holiday is not coded as "Holiday," if eligible, the employee will be credited for the appropriate accrued leave upon written request from the department director to the Human Resources Staff.
4. An employee who is not on an approved leave of absence and is absent from work on the day preceding or the day following a City observed holiday is required by the department director to explain the absence. If the absence is approved, appropriate accrued balances will be charged on the timecard. If the absence is not approved, or if the employee has no appropriate accrued balances to be charged, the employee is not paid for the unapproved absence, nor for the holiday, and may also be subject to discipline.
5. When an employee is scheduled to work on a City observed holiday and fails to report for duty, the employee shall not be paid for the holiday and may be subject to discipline.
6. When a City observed holiday occurs during a leave of absence without pay, i.e., FMLA, suspension, sick/vacation with no accrued leave balances, administrative leave pending discipline, etc., the employee will not be paid for the holiday.
7. When a City observed holiday occurs within a period of Workers' Compensation benefit pay, holiday hours shall be paid to bring the employee's pay to 100 percent pay status for that day.
8. When a holiday falls on a Saturday, it is observed on the preceding Friday. When a holiday falls on a Sunday, it is observed on the following Monday, except as may be determined otherwise by the City Manager.
9. When a holiday falls outside of an employee's regular work schedule, the employee will be paid straight time for the holiday at 8 hours multiplied by the full-time equivalent (FTE). These hours will not be subject to overtime consideration or count as hours worked for any purpose.

*B. Listing of Holidays**B. Listing of Holidays*

Holidays recognized are as follows:

1. New Year's Day - January 1
2. Martin Luther King's Birthday - Third Monday in January
3. President's Day - Third Monday in February
4. Memorial Day - The last Monday in May
5. Juneteenth Day – June 19
6. Independence Day - July 4
7. Labor Day - First Monday in September
8. Veteran's Day - November 11
9. Thanksgiving Day - Fourth Thursday in November

13. Personal Holiday(s)
  - a. Personal holidays, the number of which are set by the Board of Commissioners from time to time, and awarded during a calendar year, are to be taken during the year in which they are awarded. Failure to use available personal holidays by the end of the calendar year will result in those days being lost.
  - b. OPS (temporary) employees are not eligible for personal holidays.
  - c. Since daily scheduled work hours can vary depending on an employee's status and job assignment, the number of hours to be paid as a personal holiday must be equal to the number of regular work hours scheduled for that day. Personal holiday hours used do not count as hours worked for any purpose.
  - d. While on unpaid leaves of absence employees are ineligible to use a personal holiday.
  - e. Notwithstanding the availability of personal holidays to employees, advanced permission to use a personal holiday must be obtained, and the department director has the sole discretion to allow a personal holiday to be used on any particular day, or to rescind a prior approval where the needs of the City so require.
  - f. Employees who separate from City employment and are rehired within the same calendar year are ineligible to use a personal holiday if it was used prior to separation.

**VII. LEAVES OF ABSENCE**

Section: VII.A

*A. Vacation Leave*

**VII. LEAVES OF ABSENCE**

*A. Vacation Leave*

1. Full-time and part-time employees who fill established positions earn Vacation Leave credits. For health and well-being purposes, employees are encouraged to use their vacation leave each year and it is recommended that supervisors ensure employees are given that opportunity. Vacation Leave taken for purposes which qualify for FMLA coverage will be designated as FMLA Vacation Leave. Scheduling preference (where such decisions become required such as traditional holiday seasonal request increases) will be made by the department director based upon the operational needs and efficiencies of the department, seniority, timing of request, and any other factors which the department director deems appropriate.
2. Employees may only begin a new calendar year with a maximum of \*\*\* vacation leave hours, accruals of which are tracked by the calendar year. If an employee's vacation leave balance exceeds its maximum by end of calendar year, excess hours will be transferred to sick leave account in the first pay period of the new calendar year unless otherwise approved under Section VII.A.8. Employees earn vacation leave according to the following tables:

<b>* 80 Scheduled Work Hours Per Pay Period</b>		
Period of Continuous Employment	Hours of Leave Earned Bi-Weekly/Annually	Maximum End of Year Hours
0 to End of 5 Years	5 Hours/130 Hours	400 Hours
6th to End of 10 Years	6 Hours/156 Hours	400 Hours
11th to Termination	7 Hours/182 Hours	400 Hours

\* **All employees except some Fire/EMS employees on schedules other than forty (40) hours a week. (Part-time employees accrue on a pro-rata basis.)**

<b>** 112 Scheduled Hours Per Pay Period</b>		
Period of Continuous Employment	Hours of Leave Earned Bi-Weekly/Annually	Maximum End of Year Hours
0 to End of 5 Years	6.72 Hours/174.72 Hours	400 Hours
6th to End of 10 Years	8.16 Hours/212.16 Hours	400 Hours
11th to Termination	9.56 Hours/248.56 Hours	400 Hours

\*\* **Applies to employees who have a regular “24 on/48 off” work shift.**

**VII. LEAVES OF ABSENCE**

Section: VII-A

**A. Vacation Leave**

**NOTE: When hours paid are less than the scheduled hours, the hours accrued are a pro-rata of the designated accrual rate. (Example: Scheduled hours 80, paid hours 60, accrual rate 5.00 hours; would be calculated as 60 divided by 80 = .75 X 5.00 = 3.75 hours accrued).**

3. Vacation leave for non-exempt employees (which should generally be scheduled no less than three (3) workdays in advance), regardless of whether such leave is used for actual vacation or other purposes such as FMLA absence, court appearance, etc., will not be counted as hours worked towards overtime (including premium pay differentials, if applicable).
4. Approved vacation leave will be paid in accordance with the number of hours regularly scheduled to work that day. Employees taking less than a full work day shall be paid vacation hour for hour.
5. Employees shall forfeit all vacation payouts under this section if employment terminates because the employee:
  - a. Has been found guilty in a court of competent jurisdiction of committing, aiding, or abetting any embezzlement or theft from the employee's employer or bribery in connection with the employment; or
  - b. Has been terminated by reason of the employee having admitted to committing, aiding, or abetting an embezzlement or theft from his or her employer or by reason of bribery; or
  - c. Prior to termination or retirement, is found guilty of, or adjudged by a court of competent jurisdiction to have violated any state law against strikes by public employees; or
  - d. Was terminated for the commission of any felony with the intent to defraud the public or a public agency of the right to receive the faithful performance of his or her duty as a public officer or employee, realizes or obtains, or attempts to realize or obtain, a profit, gain, or advantage for himself or herself or for some other person through the use or attempted use of the power, rights, privileges, duties, or position of his or her public office or employment position.
  - e. The forfeiture of leave payout pursuant to this policy is supplemental to any other forfeiture requirements related to public officers or employees provided by law.
  - f. Forfeiture shall also occur where the employee resigns from employment after having been charged by the City or other law enforcement authority with any of the above acts but prior to having been terminated.
6. Use of vacation leave credits cannot be authorized prior to the time they are earned and credited. Vacation leave hours are used only with approval from the department director or designee.
7. At the end of the last pay period in the calendar year, the vacation leave account is audited. Vacation leave in excess of 400 hours is transferred to the employee's sick leave account on an hour-for-hour basis.
8. If an employee becomes sick/injured (personal illness/injury only) during approved vacation leave, the leave hours may be adjusted only if the time record has not been processed by Payroll and, if applicable, where acceptable FMLA certification has been submitted.

**VII. LEAVES OF ABSENCE**

Section: VII-A

*A. Vacation Leave*

9. Unused vacation time, up to \*\*\* hours, shall be paid when an employee ends employment with Madeira Beach, subject to the provisions of Section VII.A.6. However, to the extent an employee, upon enrolling a qualified Deferred Retirement Option Program, elects to receive a vacation leave payout under state administrative rules, such payout shall count toward the total \*\*\* hours payout provided for herein.
10. Sick Leave accruals cannot be used or paid out as vacation leave.
11. Notwithstanding any provision of this Policy referring to “calendar year,” accruals of leave balances shall be governed by the City’s adopted payroll tracking system, and may be calculated by the payroll calendar year used by that system.

Section: VII-B

*B. Sick Leave**B. Sick Leave*

**NOTE: Family and Medical Leave Act (FMLA) will be considered and, if applicable, will run concurrently with Sick Leave. (See FMLA Section: VII.L.)**

1. Full-time and part-time employees who fill established positions earn Sick Leave credits each bi-weekly pay period based on a maximum of 80 paid hours (pro-rated if less than 80). Tracking of sick leave accruals is by the calendar year. The accrual rate for regular employees is five hundredths (.05) of an hour for each hour paid up to a maximum of 80 hours (.07 for Fire/EMS employees on 24/48 hour shifts). (Examples: 80 paid hrs. x .05 = 4 hrs.; 60 paid hrs. x .05 = 3 hrs.; EMS 80 paid hrs. x .07 = 5.6 hrs., etc.).
2. Employees using sick leave are paid at the hourly rate in effect at the time the approved sick leave is taken, but such leave used shall not count as hours worked for any purpose other than FMLA eligibility.
3. During leaves of absence with pay, employees continue to earn sick leave credits (with the exception of employees drawing hours from the Sick Leave Bank or Long Term Disability).
4. Full-time and part-time employees who fill established positions may accumulate unlimited sick leave credits.
5. Sick leave earned during any pay period is credited to the employee on the last day of that pay period. In the case of employment termination, it is credited on the last day the employee is on the payroll.
6. Use of sick leave credits cannot be authorized prior to being earned and credited, and used only with approval from the department director or designee, who may require sufficient and specific medical documentation of the need for leave prior to authorizing sick leave pay. Sick leave pay may be denied to any employee who fails to provide requested documentation.
7. Sick leave hours are charged to an employee's sick leave account. If accumulated sick leave is exhausted, the employee may request through the appropriate departmental authority to use vacation, compensatory time, or personal holiday (may be used only as a whole day) leave to cover remainder of the absence.
8. Sick leave can be authorized for the following purposes:
  - a. Personal Sick Leave
 

Personal Sick Leave is for an employee's personal illness, injury, or exposure to a contagious disease which could endanger other employees. Any sick leave credits used for these reasons are authorized in accordance with provisions of Section VII.B.9. For purposes of this Policy, personal illness includes complications in pregnancy, miscarriage, childbirth, and recovery from these. Note: Medical Attention - In accordance with 29 C.F.R., § 785.43, and Section IV.B.6, time spent by an employee in waiting for and receiving non-elective medical attention (with the exception of worker compensation-related visits) on the premises or at the direction of the employer during the employee's normal working hours on days when he or she is working constitutes hours worked.
9. The employee has the responsibility of notifying his/her supervisor or other designated personnel when sick leave absence is necessary. This notification should be given prior to the absence, if possible, or as soon as possible on the first day of absence. Upon request, an

employee may be permitted to use sick leave credits if the following procedures are followed:

- a. Prior to authorizing an employee to use sick leave credits, the department director may require the employee to certify that the absence is for reasons outlined in this Policy.
- b. After three (3) consecutive workdays (regardless of number of scheduled hours in any workday) of sick leave absence, the employee shall be required to provide FMLA medical certification from a certified health care provider before being authorized to use additional sick leave credits, unless deemed unnecessary by the department director based upon facts already known.
- c. Employees may be required to report periodically (no more often than seven (7) calendar day intervals) on the status of their sick leave and intent to return to work, and may be required to submit (no more often than thirty (30) day intervals) medical certification/re-certification from a certified health care provider if their sick leave continues.
- d. Employees may be required to convalesce at a specific location, such as a health care facility or at home where deemed necessary by the department director to prevent abuse of sick leave.
- e. Upon returning to work following a long-term illness or injury, an employee may be required to provide medical certification from a certified health care provider showing he/she is safely able to perform the essential functions of his/her job with or without reasonable accommodation.

**VII. LEAVES OF ABSENCE**

Section: VII-B

*B. Sick Leave*

10. An employee who refuses to comply with the above stated requirements is not eligible to use sick leave credits. Any unapproved absence from work will be considered unauthorized and may subject the employee to disciplinary action in accordance with the provisions of Section XI. of this Policy.
11. Employees providing written documentation from a certified health care provider indicating that the employee is unable to perform regular job duties due to an accident, illness, or medically related reason, with the approval of the department director, may be placed on light duty status or assigned to perform other temporary duties which will not be prohibited by the condition during recuperation, within the following guidelines:
  - a. The employee's hourly rate of pay remains the same, including personnel working non-standard schedules (such as 24/48 shifts).
  - b. If requested by the employer, the employee submits to a physical examination by a certified health care provider (selected and paid for by the department) prior to approval (or continuation) of the temporary status. Failure to comply could result in denial of use of further sick leave.
  - c. The temporary status may be approved by the department director for a period not to exceed three (3) consecutive months.
  - d. Requests to remain in the temporary status in excess of the three-month period must be authorized by the City Manager. Such requests will only be considered under exceptional circumstances.
  - e. Approval of temporary light duty is in the sole discretion of the City and is conditioned upon the availability of budgeted payroll funds to pay the employee and/or temporary workers at the same time, the disruption which may be caused to other workers in the workplace, the needs of the department, and the availability of bona fide light duty work to be done.
  - f. With documentation from a certified health care provider stating the employee may return to regular, unrestricted, full duty status, the employee will resume his/her regular position.
  - g. When approved to return to regular, unrestricted, full duty status, failure by the employee to do so could result in termination of employment under Section XI. of the Policy.
  - h. Approval of temporary light duty does not signify the City's agreement that the employee is a qualified individual with a disability under the Americans with Disabilities Act ("ADA") or the Rehabilitation Act, or that the employee is covered by the terms of the FMLA, or abrogate any defense that the City may have under the civil rights laws.
  - i. Employees who are determined to be unable to perform the essential functions of their job may either request a reasonable accommodation under Section IX.E, or where no accommodation is available, be referred to the Alternate Employment Program under Section IX.F.

- b. Employees who are rehired by Madeira Beach after having previously worked for the City are not entitled to receive credit for unpaid sick leave hours related to the previous period of employment.
- c. Payment of unused sick leave credit is paid in a lump sum at the regular hourly rate in effect at the time of separation. This payment is not considered as salary in determining the average final compensation of an employee in the State administered retirement system. There is a lifetime maximum payout of \*\*\* sick leave hours for all eligible employees.
- d. Employees shall forfeit all sick leave payouts under this section if employment terminates because the employee:
  - (1) Has been found guilty in a court of competent jurisdiction of committing, aiding, or abetting any embezzlement or theft from the employee's employer or bribery in connection with the employment; or
  - (2) Has been terminated by reason of the employee having admitted to committing, aiding, or abetting an embezzlement or theft from his or her employer or by reason of bribery; or

*C. Personal Medical Appointment Leave**C. Personal Medical Appointment Leave*

1. With prior approval, Personal Medical Appointment leave allows eligible employees to attend personal medical-related appointments when it is not possible to arrange for appointments during off-duty hours.
2. Approved personal medical appointment leave is charged to an employee's sick leave account. Personal medical appointment hours are not considered hours worked towards overtime.
3. Personal medical leave will be recorded appropriately on the timecard (i.e., sick, FMLA, or no pay), in accordance with established pay codes for such leave. Where applicable, use of this leave will also be classified as FMLA protected and recorded as such. Departments are responsible for ensuring that FMLA coverage be documented where applicable.
4. Since medical facilities have varying waiting periods for appointments, there is no set limit for number of hours for an appointment. The employee should give his/her best estimate at the time of submission of request to the department.
5. Only the time used for the medical appointment, plus travel time to and from the appointment, may be coded as personal medical appointment leave. In addition, where the appointment is for an invasive medical test requiring pre-test preparation or a recovery period which causes an employee to be unable to report for duty, such preparation or recovery time may also qualify as personal medical appointment leave.
6. If there is a question that an employee may be abusing personal medical appointment leave, the department director may require verification of appointments.
7. Requests for personal medical appointment leave should be submitted with as much lead-time as possible. Personal Medical Appointment Leave may not be used for worker compensation examinations, treatment, etc., which must instead be coded as worker compensation leave.
8. If covered under the Family and Medical Leave Act, as evidenced through execution of adequate certification and employer response forms, personal medical appointment leave will not be used in evaluating an employee's performance.

*D. Bereavement Leave**D. Bereavement Leave*

1. Paid leave may be authorized for probationary and regular employees (OPS employees are ineligible) who have a death in their "immediate" families (see 2. below). The following procedures apply:
  - a. Bereavement leave may be authorized (excluding holidays if scheduled to work the holiday) for up to \* scheduled work days (\* days for employees working four 10 hour shifts) with the exception of Fire/EMS 24/48 hour employees, who may be authorized to receive up to two shifts (not to exceed 48 hours) and 12 hour shift employees may be authorized to receive up to four shifts not to exceed 48 hours.
  - b. Bereavement leave is separate and distinct from other types of leave and is not chargeable to any accrued leave balance (i.e., sick, vacation, etc.). Bereavement leave does not count as hours worked towards overtime.
  - c. In the event a family death occurs during an employee's approved sick, vacation or compensatory time leave, the time missed due to the death may be designated as bereavement leave, if eligible. The actual leave account charged (i. e., sick, vacation, etc.) can be adjusted through a request from the department director to the Human Resources Staff.
  - d. Bereavement leave is paid in accordance with scheduled work days including premium pay differentials if applicable.
2. Definition of Immediate Family

For the purpose of administering this type of leave, "Immediate Family" is defined as the following persons, as related by blood or law to the employee and/or the employee's spouse: spouse, child, step-child, foster child, grandchild, parent, step-parent, grand or great grandparent, step-grand or step-great grandparent, brother, sister, half-brother, half-sister, step-brother, step-sister, or legal guardian. The definition also includes an individual for whom the employee or the employee's spouse is the legal guardian, and any other family member of the employee or of the employee's spouse who was a full-time resident in the employee's household immediately preceding the death.

3. Proof of Purpose of Leave

Validation of the request is left to the discretion of the employee's department director.

**VII. LEAVES OF ABSENCE**

Section: VII-E

*E. Military Leave**E. Military Leave*

1. For purposes of interpreting this Section, the general term "Military Leave" includes both Military Leave, as provided for in subsection (2) below, and Military Call, as provided for in subsection (3) below.
2. Military Leave: In accordance with Chapter 115, Florida Statutes, City employees who are commissioned reserve officers or reserve enlisted personnel in the United States military or naval service or a member of the National Guard, shall, upon presentation of a copy of the employee's official orders, be granted military leave on all days during which the employee is ordered to active duty or inactive duty for training. Such employees shall not be required to work or use accrued personal leave on any day during which they are engaged in training under official orders. Whether continuous or intermittent, such leave with pay may not exceed 240 working hours in any one annual period beginning January 1 and ending December 31. Administrative leaves of absence for additional or longer periods of time for assignment to duty functions of a military character, including assignments under applicable FEMA or USERRA regulations, shall be without pay unless required by federal law.
3. Military Call: City employees who are commissioned reserve officers or reserve enlisted personnel in the United States military or naval service or members of the National Guard, who are ordered to active military duty shall, upon presentation of a copy of the employee's official orders, be granted military leave beginning with the day ordered to duty and ending up to 31 days after the date of release from the military service or from hospitalization continuing after discharge, unless a longer period is required by the FMLA. The first thirty (30) calendar days of such leave shall be with full pay. (Note: Employees would only be compensated for scheduled workdays during this 30-day period.)
4. Scheduled workdays for which Military Leave is taken under the rules outlined in subsections (2) and (3) above will be compensated as Military Leave or Military Call (as applicable) and will not count towards overtime. If an employee approved for Military Leave is scheduled to work a shift which qualifies for premium pay differential, Military Leave hours will be compensated at the appropriate premium pay differential rate.
5. Employees requesting Military Leave shall furnish the department director with competent orders from the appropriate military command as valid evidence of such duty status. These orders shall be kept in the employee's departmental personnel file. Since "competent orders" are not always defined or consistent, department directors should consult with the Human Resources Department for guidance.
6. Any absence in excess of the limits set in subsections (2) and (3) above may, upon request by the employee and approval by the appropriate supervisor, be covered by accrued vacation leave, accrued comp. time or personal holiday. If not requested by the employee or approved by the appropriate supervisor as vacation, comp. time, or personal holiday, such absences in excess of the limits shall be approved as military leave without pay. However, such leave shall be without loss of seniority, time or efficiency rating. Should any portion of the leave be paid leave, the employee shall be entitled to accumulate all benefits granted under paid leave status.
7. Madeira Beach employees called to active military service will not be discharged, reprimanded, or in any other way penalized because of their absence due to such service.

*E. Military Leave*

The employee's position may be filled by another employee with substitute or temporary status. Upon separation from the military service, the employee shall be eligible to return to the former position held or a different position in the same class in the same geographic location.

8. Veteran's Leave: A City employee filling a regular established position and who has been rated by the United States Department of Veterans Affairs or its predecessors to have incurred a service-connected disability and has been scheduled by the United States Department of Veterans Affairs to be examined or treated for the disability, shall be granted veteran's leave for such reexamination or treatment without loss of pay or benefits. The maximum veteran's leave authorized for this purpose shall not exceed six (6) calendar days in any one annual period beginning January 1 and ending December 31. Hours used are not counted as hours worked toward overtime.
9. Issues of military leave not addressed in this policy shall be resolved as provided for state employees in applicable provisions of the Florida Administrative Code, Florida Statutes, and federal law.

*F. Jury Leave**F. Jury Leave*

1. Whenever an employee (full-time, part-time or temporary OPS) is called for jury duty, upon presentation of the summons to his/her supervisor, the employee will be excused from scheduled work days and will receive Jury Leave pay for hours actually performing such duty, but not exceeding their scheduled work hours. The employee will not be compensated by the City for Jury Leave on unscheduled workdays unless the employee requests to substitute a night or weekend shift or portion thereof immediately preceding or following jury duty. The employee keeps any jury fees received.
2. Paid Jury Leave hours are considered as hours worked for all compensation purposes including calculating hours worked towards overtime. The City does not reimburse an employee for meals, lodging, travel, or any other expenses incurred as a juror.
3. Employees are required to report to work if excused from jury duty during their regular working hours. However, if their scheduled shift has been filled or they are not otherwise needed to complete the shift, they may, with supervisory approval, charge the balance of their scheduled work hours to their vacation or compensatory time leave accounts, or take the time off without pay, but only to the extent they are not able to make up regularly-scheduled hours by means of flex time assignment.
4. An employee called to jury duty shall promptly notify his or her department director and provide a copy of the court summons so that arrangements may be made in advance for his or her absence from work. Where so requested by an employee's department director, an employee will provide the director with a statement of actual days spent on jury duty service (such as by memo or e mail) before compensation is approved. Where the Clerk of Court engages in "day prior call in" programs (where unseated jurors call a number to determine whether their presence will be needed the next day), employees who discover their presence at the court house will not be required the following day (but who have not yet been released from duty) shall report to work on that day unless otherwise ordered by the Court. Once an employee is released from duty, he or she shall inform the department and report to work as required in Paragraph 4 above.
5. An employee called to jury duty while on vacation leave shall be allowed jury duty pay for that time served in court which corresponds to his or her regular work day. Such employee shall have his or her vacation leave hours restored provided satisfactory evidence of the time served on jury duty is presented to the department. In the event a holiday occurs during the period an employee is serving on jury duty, he or she shall receive holiday pay for the holiday rather than jury duty pay.
6. Employees who have a normal work schedule outside the regular business day (night or weekend shifts) who are summoned for jury duty during the business day immediately following the scheduled shift shall, if they request, be permitted to be excused from their scheduled work shift (or portion thereof) immediately prior to the jury duty day, in order to rest or otherwise prepare for their jury service. However, such excused period shall not exceed 8 hours and, where an employee requests to be excused from work for a portion or all of a scheduled shift, the employee shall not be compensated for the shift or portion thereof, not actually worked (unless vacation leave is used) but shall only be compensated for jury duty equal to the number of shift hours missed performing such duty. Notwithstanding the general requirement for employees to report to duty should they not be required to spend an entire day of jury duty service, night/weekend shift employees who serve any portion of a day for jury duty without taking time off their regular shift shall be paid for the entire shift, not to exceed the number of work hours scheduled.

*G. Witness Leave**G. Witness Leave*

1. An employee appearing as a witness for the City in a court case or administrative proceeding within the boundaries of Pinellas County, in which the City is a party, including depositions, post-termination proceedings, mediation or arbitration proceedings, or who is subpoenaed as a witness in a court case or administrative proceeding in which the employee's testimony is related to official City business, is considered to be on duty during such appearance (not including travel time), even during off-duty hours. The employee must remit to the City any witness fee received in connection with such appearance. In the event the litigation is in a forum outside Pinellas County, and the employee attends as a witness for Madeira Beach, he/she shall be entitled to per diem expenses in accordance with Florida Statutes § 112.061. However, in the event the litigation is in a forum outside Pinellas County, and the employee is subpoenaed by a party other than Madeira Beach, the employee may keep any reimbursement of travel expenses, and he/she shall not be entitled to reimbursement of per diem expenses from the City.
2. An employee who voluntarily appears at a court or administrative proceeding, as defined above, on behalf of a party litigating against the City shall be ineligible for witness leave pay by the City for any time spent at such proceeding and must attribute such time to appropriate available leave balances or take leave without pay.
3. An employee who becomes a party in, or appearing as a witness in any case other than those described in Paragraph 1. is considered to be off duty, and must attribute such time to appropriate available leave balances or take leave without pay. Under such circumstances, the employee is entitled to keep any witness fee received. The only exception to this provision is where a City EMT or Paramedic who, while off duty, renders medical aid or assistance at an accident scene or emergency event and by so doing becomes a witness. In such cases, the EMT or Paramedic will be paid as described in Paragraph 1. above.

*H. Disability Leave**H. Disability Leave*

**Note: Family and Medical Leave Act (FMLA) eligibility will be considered and may run concurrently with Disability Leave. (See FMLA Section: VII.L.)**

**1. Workers' Compensation**

- a. An employee who suffers accidental injury arising out of work performed in the course and scope of City employment may qualify for benefits during periods in which the employee is unable to work, as provided in the Workers' Compensation Law, F.S. Chapter 440. Any employee who has suffered an injury or illness while at work is required to report that injury or illness on an appropriate City form as soon as possible. Supervisors or managers who are aware of such illness/injury are required to provide the appropriate form to the employee, to compel the employee to complete it, and to promptly report the incident to the director and risk management.
- b. The City's risk management staff administers all workers' compensation claims and benefits.
- c. An employee receiving workers' compensation wage benefits may, at the employee's election, use available leave balances, in accordance with Section VII.B.7, to supplement those benefits. The supplemental payments plus workers' compensation benefits cannot exceed the employee's regular salary. Time spent by an employee accessing treatment for a workers' compensation covered injury does not count as hours worked toward overtime.
- d. An employee who is released to light duty by the workers' compensation primary care provider may, at the discretion of the department director, be assigned to perform other than his/her regular duties during recuperation. An employee who refuses to accept a light duty assignment will be ineligible for other disability leave, may lose workers' compensation benefits, and will be subject to disciplinary action under Section XI. of the policy.
- e. An employee who refuses to return to work after being released to unrestricted full duty by the workers' compensation primary care provider will be subject to discipline, including discharge, or may be deemed to have abandoned his/her job and resigned.
- f. Nothing in this sub-section eliminates or reduces an employee's rights under Florida law, to appeal workers' compensation decisions, nor should it be read as guaranteeing light duty work. Where no bona fide light duty work is available within the employee's department, the employee may be required to remain out of the workplace until recuperated. While no employee will be retaliated against for having submitted a claim for benefits and will give every opportunity for employees to recover from work-related injuries, the City reserves its right under law to terminate any employee for the inability to perform the essential functions of his or her job where the needs of the City so require. (See Section IX-E).

**2. Short-Term Disability Leave/Reasonable Accommodations/Fitness for Duty Exam**

- a. All employees of the City are expected to be able to perform the essential functions of the positions they hold. At times, a physical or mental impairment may cause an employee to become unable to perform one or more job functions. In such circumstance, it will be the responsibility of the employee's department, in consultation with the Human

Section: VII-H

**H. Disability Leave**

Resources Department, to work with the employee to identify reasonable accommodations, which will permit the employee to perform all essential job functions. This process may take more than one try, depending on the specific facts of the case. Though the employee's input on accommodations should be given weight, an employee is not entitled to demand a particular accommodation if the department wishes to provide a different accommodation, so long as the accommodation will permit the employee to perform his or her job functions. The Human Resources Department, with appropriate advice from the City Attorney's Office, should be consulted where any questions arise over the identification of accommodations.

- b. A department director who, through appropriate medical documentation or written representations from the employee, becomes aware that an employee is unable to perform the functions of his/her job due to illness or injury, will explore with the employee any workplace accommodations which may permit the employee to perform the affected job functions. In conjunction with this accommodation search, or in instances where the facts reveal that an accommodation is not possible or legally unreasonable, the department may require the employee to submit to a fitness for duty medical examination by a physician named and paid for by the department. The City's inquiry is limited to whether the employee is able to perform job-related functions and if not, the probable duration of the disability and expected return to full duty. If the medical examination confirms that the employee is unable to perform the essential functions of his/her job with or without reasonable accommodation, the employee may request to be placed on short term disability leave for up to thirty (30) calendar days. The granting of such request is at the discretion of the department director. **NOTE:** Outside of a worker compensation claim or a City-paid fitness for duty examination, department employees, including directors, should NOT be directly communicating with healthcare providers of employees. Instead, all such communication will be made through the employee to the provider in writing.
- c. At the outset of short-term disability leave, the department director informs the employee in writing of the maximum duration of the leave and that, at the conclusion of that time period, the employee is expected to return to unrestricted full duty work, if he/she is able to perform the essential functions of the job with or without reasonable accommodation.  
*NOTE: The granting, denying, or administration of short-term disability leave under this rule relates only to the ability to remain on the City's payroll as an employee and does not constitute, and is in no way related to, any disability insurance policy or other benefit to which an employee may be entitled on becoming disabled, whether such policy or benefit is issued through a City insurance program or via a private insurer.*
- d. An employee placed on short-term disability leave is required to use sick leave hours. If sick leave is exhausted, the employee may request use of vacation, compensatory time, or personal holiday (must be used as a whole day) credits. If the employee uses all such leave or does not have enough leave to cover the duration of the short-term disability leave period, the employee may request to be placed on leave without pay for the balance of the short-term disability leave period.
- e. If, at the conclusion of the short-term disability leave, the employee is still unable to perform the essential functions of his/her job with or without reasonable accommodation, the following options are available:

**VII. LEAVES OF ABSENCE**

Section: VII-H

*H. Disability Leave*

- (1) The department director may require the employee to submit to another medical examination as described in Section VII.I.2.a. If the examination reveals that the employee is able to perform the essential functions of the job with or without reasonable accommodation, the employee must return to work or face discharge in accordance with Section XI-B. of the Policy, or be deemed to have abandoned his/her position and resigned.
  - (2) The employee may request an extension of short-term disability leave for another thirty (30) calendar day period not to exceed a total of three (3) consecutive months. The department director may require the employee to produce medical certification indicating that he/she remains unable to perform the essential functions of the job during these periods. Such requests may be granted under exceptional circumstances, depending on the operational needs of the department.
  - (3) The department director may refer the employee to the Alternate Employment Program, as outlined in Section IX-F of this Policy.
  - (4) The department director may accept the employee's voluntary written resignation for reason of inability to perform assigned duties.
  - (5) The employee may be non-disciplinarily separated for inability to perform.
- f. While under short-term disability leave without pay, it is the employee's responsibility to pay any group health and life insurance premiums that are normally paid by the employee. Such monthly premiums must be paid by the employee prior to the effective month of coverage; otherwise, coverage may terminate.

*I. Domestic Violence Leave**I. Domestic Violence Leave*

1. Pursuant to Florida Statutes § 741.313, an employee who has been employed for 3 or more months is permitted to request up to 3 working days of paid or unpaid leave during any rolling 12 month period if the employee, or a family or household member of the employee is the victim of domestic violence, where such leave is taken to:
  - a. Seek an injunction for protection against domestic violence or an injunction for protection in cases of repeat violence, dating violence, or sexual violence;
  - b. Obtain medical or mental health care for the employee or family or household member to address injuries resulting from an act of domestic violence;
  - c. Make the employee's home secure from the perpetrator of domestic violence or to seek new housing to escape the perpetrator; or
  - d. Seek legal assistance or attend court proceedings arising from an act of domestic violence.
2. Domestic violence leave shall be coded as paid vacation or sick leave (depending on whether the reason for taking the leave is to seek medical treatment or not) to the extent the employee has sufficient balances in his or her relevant leave account. Otherwise, the leave shall be coded as no pay.
3. Except in cases of imminent danger to the health or safety of the employee or family or household member, an employee seeking domestic violence leave must provide appropriate advanced notice of the leave request, and may be required to produce sufficient documentation to support the requested leave. To the extent an employee provides personal identifying information related to a request for domestic violence leave, such information shall be maintained by the department as confidential and exempt from public records disclosure, pursuant to Florida Statutes § 741.313(4)(c)(2).
4. Employees who feel they are not being granted domestic violence leave should contact a Human Resources Staff to determine eligibility and obtain a suitable resolution to the matter.

1. Leaves of absence without pay will only be allowed upon depletion of applicable accrued leave balances. The exception to this would be an employee who requests a leave of absence without pay to supplement military leave.
2. The decision to grant leaves of absence without pay is a matter of administrative discretion and must be approved by the department director.
3. Leaves of absence without pay may be approved up to a maximum of three (3) months.
4. While under a leave of absence without pay, any group health and life insurance premiums that are normally paid by the employee must continue to be paid by the employee. **K. Family and Medical Leave Act of 1993 (FMLA)****K. Family and Medical Leave Act of 1993 (FMLA)**

**Note:** This section of Policy is intended to set guidelines only and does not represent the Family and Medical Leave Act of 1993 in its entirety. FMLA procedures may differ from other types of City leave but FMLA does not provide any additional paid leave accruals over the City's other leave awards. (If further information is needed, contact the Human Resources Department.) FMLA use will be tracked concurrently with other types of leave where the reason for the leave is an FMLA-qualifying event. There are two general FMLA types, Basic Leave (see Section VII.L.1, et seq.) and Military Family Leave (see Section VII.L.15).

**1. Basic FMLA Eligibility and Qualifying Events**

The Family and Medical Leave Act (FMLA) is not to be considered as a separate or distinct form of leave. Instead, it is a law which provides for protection for employees who take leave from work for a covered reason, regardless of the pay code used. The FMLA authorizes an employee with 12 months of City service, who has worked at least 1,250 hours during the 12 months preceding commencement of leave, a maximum of 12 weeks of FMLA, job-protected, leave during a 12-month period. The 12 month-period is based on a rolling 12-month period beginning with the most recent day upon which coverage is requested and counting back 12 months. Basic FMLA leave may be taken for the following reasons:

- a. The birth of a son or daughter of an employee and to care for the newborn child;
- b. The placement of a son or daughter with an employee for adoption or foster care (entitlement to leave for birth, placement for adoption or foster care of a son or daughter expires 12 months from the date of the birth or placement of the child);
- c. In order to care for the employee's spouse, son, daughter or natural or adoptive parent with a serious health condition.

For purposes of this policy, definitions of spouse, son, daughter or parent are:

- (1) Spouse means a husband or wife as defined or recognized under State law for purposes of marriage in the State where the employee resides. (Note: Florida does not recognize common law marriage.)
- (2) Parent means a biological parent or an individual who stands or stood "in loco parentis" to an employee when the employee was a son or daughter as defined in (3) below. This term does not include parents "in law".
- (3) Son or daughter means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing "in loco parentis" who is either under age 18, or age 18 or older and "incapable of self-care because of a mental or physical disability."
- d. A serious health condition which renders the employee unable to perform one or more functions of the employee's position.

**2. Serious Health Condition**

A "serious health condition" means an illness, injury, impairment, or physical or mental

Section: VII-K

condition that involves either:

- a. In-patient care (i. e., an overnight stay) in a hospital, hospice facility, including any period of incapacity (for purposes of this policy defined to mean inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefor, or recovery therefrom), or any subsequent treatment in connection with such in-patient care; or
- b. Continuing treatment by a health care provider, which includes any one or more of the following:
  - (1) A period of incapacity (i. e., inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefore, or recovery there from) of more than three (3) consecutive calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
    - (a) Treatment two or more times by a health care provider, by a nurse or physician's assistant under direct supervision of a health care provider, or by a provider of health care services (e.g., physical therapist) under orders of, or on referral by, a health care provider; or
    - (b) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider.
  - (2) Any period of incapacity due to pregnancy, or for prenatal care.
  - (3) Any period of incapacity or treatment for such incapacity due to a chronic serious health condition.
  - (4) A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective.
  - (5) Any period of absence to receive multiple treatments (including any period of recovery there from) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), kidney disease (dialysis).
  - (6) FMLA leave for a serious health condition may be intermittent under the following circumstances: For intermittent leave or leave on a reduced leave schedule, there must be a medical need for leave (as distinguished from voluntary treatments and procedures) and it must be that such medical need can be best accommodated through an intermittent or reduced leave schedule. The treatment regimen and other information described in the certification of a serious health condition meets the requirement for certification of the medical necessity of intermittent leave or leave on a reduced leave schedule. Employees needing intermittent FMLA leave or leave on a reduced leave schedule must attempt to schedule their leave so as not to disrupt the

**VII. LEAVES OF ABSENCE**

Section: VII-K

**K. Family and Medical Leave Act of 1993 (FMLA)**

employer's operations. In addition, the employer may assign an employee to an alternative position with equivalent pay and benefits that better accommodates the employee's intermittent or reduced leave schedule.

- c. When leave is taken after the birth, or placement of a child for adoption or foster care, an employee may take leave intermittently or on a reduced leave schedule only if the employer agrees. However, the employer's agreement is not required for leave during which the mother has a serious health condition in connection with the birth of her child or if the newborn child has a serious health condition.

**3. Medical Certification**

- a. The employer may require that an employee's leave to care for the employee's seriously ill spouse, son, daughter, or parent, or due to the employee's own serious health condition that makes the employee unable to perform one or more of the essential functions of the employee's position, be supported by a medical certification issued by the certified health care provider of the employee or the employee's ill family member.
- b. When leave is foreseeable and at least 30 days-notice has been provided, the employee should provide the medical certification before the leave begins. When this is not possible, the employee must provide the requested certification to the employer within the time frame requested by the employer (which must allow at least 15 calendar days after the employer's request), unless it is not practicable under the particular circumstances to do so despite the employee's diligent, good faith efforts. Failure to provide the appropriate healthcare certifications after having been requested to do so may result in disciplinary action, and/or in the delay or denial of approval of FMLA leave.
- c. In accordance with Department of Labor (DOL) rules, if the employer has reason to doubt the validity of the medical certification, the employer may request, at the employer's expense, a second or third health care provider's opinion for leave taken because of a serious health condition. The employer may also require subsequent recertification from the employee's health care provider on a reasonable basis, in accordance with DOL rules, which normally will not be more than every thirty (30) days. No second or third opinion on recertification may be required.

**4. Spouses Working for the Same Employer**

If both spouses work for the same employer (Board of Commissioners), the combined leave shall not exceed 12 weeks in the 12-month period, if the leave is taken:

- a. for birth of the employee's son or daughter or to care for the child after birth;
- b. for placement of a son or daughter with the employee for adoption or foster care, or to care for the child after placement; or
- c. to care for the employee's parent with a serious health condition.

**5. Health Insurance Premiums**

**VII. LEAVES OF ABSENCE**

Section: VII-K

**K. Family and Medical Leave Act of 1993 (FMLA)**

(Note: Any questions regarding employee health insurance premiums while under FMLA should be directed to the policy administrator.)

- a. During FMLA leaves of absence, the employer will continue to pay its portion of the health insurance premiums and maintain the employee's coverage under the health plan in the same manner as if the employee had been continuously employed during the entire leave period, provided the employee continues to pay his or her share of the premiums normally paid by the employee.
- b. Should the employee fail to continue to pay his or her share of the premiums, notices of proposed insurance cancellation and the opportunity to pay the premium as required by the FMLA will be provided before cancellation.
- c. Employees will be advised well in advance of any changes in premiums so they will have ample opportunity to make arrangements to continue to pay their share of the premiums during the Family Medical Leave. To avoid required reimbursement, appropriate certification from a health care provider may be required if the employee does not return to work because of a serious health condition.

**6. Benefit Accruals**

- a. During FMLA leave, the FMLA does not require accrual of employment benefits, such as vacation leave, sick leave, etc. Accordingly, during unpaid FMLA leave, accrual of benefits shall be on the same basis as for any other unpaid leaves of absence. Paid FMLA leave will continue to accrue vacation, sick, etc., on the same basis as other types of paid leave. With respect to pension and other retirement plans, any period of unpaid FMLA leave shall not be treated as or counted toward a break in service for purposes of vesting and eligibility to participate. Employment benefits to which an employee may be entitled on the day on which the Family and Medical Leave of absence begins will not be lost because of such leave, except for those paid leave days substituted for leave taken under this policy.
- b. Employees on unpaid FMLA leave are to be treated as if they continued to work for purposes of changes to benefit plans. They are entitled to changes in benefits plans, except those which may be dependent upon seniority or accrual during the leave period, immediately upon return from leave or to the same extent they would have qualified if no leave had been taken.
- c. Employees will not be disqualified from bonuses based upon safety for which they qualified prior to leave because of the taking of FMLA leave.

**VII. LEAVES OF ABSENCE**

Section: VII-K

**K. Family and Medical Leave Act of 1993 (FMLA)****7. Relationship to Paid Leave**

- a. Employees will be required to substitute paid sick leave for an equivalent portion of FMLA leave for a serious health condition. (Note: If sick leave is used for a family member's serious health condition, a maximum of eighty (80) hours can be used for all family sick, including FMLA, during the calendar year and must be coded appropriately on the time card).
- b. If eligible sick leave is exhausted, the employee will be required to substitute any other available paid leave sources, as outlined in Section VII.B.7. If all eligible leave balances are exhausted, any FMLA leave entitlement remaining will be coded as FMLA, no-pay status. (Note: Compensatory time may be used during the FMLA leave period and will be charged against the FMLA leave entitlement.)
- c. To the extent the City does not provide paid sick or family sick for a condition covered by FMLA, neither this policy nor the FMLA entitles the employee to paid leave. However, under paragraphs a. and b. above, paid leave and the FMLA leave will run concurrently.
- d. Workers' Compensation or Short-Term Disability-based leaves, whether paid or unpaid, will run concurrently with FMLA leave when the reason for the leave is an FMLA qualifying event.
- e. To the extent an event occurs which makes an employee eligible for an alternative form of leave not related to absence due to covered medical reason (for instance family death and ensuing need for bereavement leave), the employee's use of such leave will not be counted as an FMLA absence.

**8. Return from Family Medical Leave**

- a. With the exception of certain "key" employees (salaried FMLA-eligible employees among highest paid 10 percent of all employees employed by the employer), those who return to work from FMLA leave within or on the business day following the expiration of the leave are entitled to return to their job or a position with equivalent benefits, pay and other terms and conditions of employment. Designation of "key" employee status and whether such status will affect the employee's right to reinstatement will be made at the time the employee gives notice of the need for leave, or at the commencement of leave, whichever is earlier, or as soon as practicable thereafter if such determinations cannot be made at that time.
- b. Failure to return to work upon completion or expiration of FMLA-protected leave could result in termination of employment, in accordance with FMLA rules and regulations and the Madeira Beach Personnel Policy, Rules, and Procedures Manual.

**9. FMLA Procedures and Forms:**

Department directors, managers, supervisors and personnel liaisons shall review, be familiar with, and make use of procedures applicable to requesting, qualifying for, and approval of FMLA coverage (Note: *all non-automated FMLA-forms will be posted on the City i-net for*

*employee use by Human Resources*). Requests for FMLA-covered leave must be submitted through use of the City's leave request system at least thirty (30) days before the leave is to begin if need for leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of the employee or a family member. If thirty (30) days-notice is not practicable, such as because of a lack of knowledge of approximately when leave will be required to begin, change in circumstances, or medical emergency, notice must be given as soon as practicable. (Note: Notwithstanding any requirement to submit leave requests via the established leave request system, verbal notice, or the City's knowledge of the need for FMLA qualified leave, is sufficient to trigger the obligations under the FMLA.) Once the department has acquired knowledge that the leave is being taken for an FMLA eligible reason, whether from the employee, a health care provider or some other reliable source, the department will notify the employee, on an official Employer Response Form signed by the director, that the leave is being designated as FMLA qualified and whether it will be paid or unpaid leave (according to whether or not the employee has chargeable accrued balances.)

**10. Counting FMLA Leave**

To the extent allowed by law, in the event an absence is for a reason covered by the FMLA, the City will designate it as Family Medical Leave-protected whether the employee has applied for it or not. When this occurs, the employee will be promptly notified as described above. Tracking of FMLA leave is the responsibility of the employee and the employee's department. FMLA is specific to the individual employee, not to the particular health condition or family event. Therefore, employees should be aware that the maximum 12 week protection period will be inclusive of all covered conditions and events which happen within the applicable 12 month period. Additionally, where the City obtains unequivocal confirmation, either from the employee or a health care provider, that the employee does not intend to return, or the employee's medical condition will prevent the employee from returning to full duty permanently, or for a significant or indefinite extended period past the FMLA period, the City may terminate employment even where the 12 week period has not yet run, and the employee's entitlement to continued leave, maintenance of health benefits, and reemployment will cease.

**11. Coordination**

Absences due to sickness or injury, whether paid or unpaid, including absences for work-related sickness or injury that are also covered by the FMLA, will be considered for FMLA leave.

**12. Employee Obligations**

During FMLA leave, employees must periodically report on their medical status and intent to return to work. Upon taking such leave, the employee will be advised of the reporting requirements.

**13. Medical Certification Upon Return to Work**

An employee who has taken FMLA-covered leave for his/her own health condition (whatever

**14. Failure to Cooperate**

Employees who fail to provide information, which Madeira Beach is allowed by law to require the employee to provide, may have their leave delayed, or not counted as FMLA leave, and be subject to discipline up to and including discharge as permitted by law.

**15. FMLA Military Family Leave.**

In addition to the FMLA-protected categories above, Congress's 2007 and 2010 FMLA military family leave amendments in the 2013 Final Rule provide that employees eligible for FMLA leave are entitled to leave for a covered family member's service in the Armed Forces under the following circumstances:

- a. Qualifying Exigency Leave. Up to 12 weeks of unpaid leave in any 12 month period for a qualifying exigency arising out of a covered employee's spouse, son, daughter, or parent's Armed Forces (including members of the National Guard or Reserves) covered active duty or notification of an impending call or order to active duty in the support of a contingency operation; or
- b. Military Caregiver Leave. Up to 26 weeks of unpaid leave in a single, 12 month period for an employee to care for his or her spouse, son, daughter, parent, or next of kin, a service member/covered veteran, recovering from a serious injury or illness suffered while on active duty in the armed forces. FMLA leave taken for family military leave runs concurrent with other leave entitlements, as allowed under federal, state and local law.

***Qualifying exigencies*** may arise when the employee's spouse, son, daughter or parent who is a member of the Armed Forces (including the National Guard and Reserves) and who is on covered active duty or has been notified of an impending call or order to covered active duty.

***Qualifying exigencies categories.***

- Issues arising from the military member's short notice deployment (within seven or less days of notice)
- attending military events and related activities
- to arrange for childcare and related activities
- issues related to care of the military member's parent who is incapable of self-care
- making or updating financial and legal arrangements
- Attending counseling

**VII. LEAVES OF ABSENCE**

Section: VII-K

**K. Family and Medical Leave Act of 1993 (FMLA)**

- Rest and Recuperation leave during deployment (up to 15 calendar days)
- Post-deployment activities (within 90 days of the end of the military member's covered active duty)
- Any other event that the employee and employer agree is a qualifying exigency

Should an employee request FMLA military family leave for a qualifying exigency, please consult with Human Resources and the City Attorney's Office for additional guidance.

**Contingency operation.** A "contingency operation" means a military operation that is designated by the Secretary of Defense as an operation in which members of the armed forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or results in the call or order to, or retention on, active duty of members of the uniformed services during a war or during a national emergency declared by the President or Congress.

**Covered active duty** is duty during deployment of the covered service member of the Armed Forces to a foreign Country.

For members of the National Guard and Reserves, covered active duty is duty during deployment of the member with the Armed Forces to a foreign country under a call or order to active duty in a contingency operation.

Deployment to a foreign country means deployment to areas outside of the United States, the District of Columbia, or any Territory or possession of the United States. It also includes deployment to international waters.

**Service member** is a current member of the Armed Forces, including a member of the National Guard or Reserves who is receiving medical treatment, recuperation, or therapy, or in outpatient status, or is on the temporary disability retired list for a serious injury or illness.

**Covered veteran** is an individual who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran. The period between enactment of the FY 2010 NDAA on October 28, 2009 and effective date of the 2013 Final Rule is excluded in the determination of the five-year period for covered veteran status.

**The covered veteran** is undergoing medical treatment, recuperation, or therapy for a serious injury or illness if he or she:

- was a member of the Armed Forces (including a member of the National Guard or Reserves);
- was discharged or released under conditions other than dishonorable; and
- was discharged within the five-year period before the eligible employee first takes FMLA military caregiver leave to care for him or her.

**Serious injury or illness.** A serious injury or illness means an injury or illness that is/was

**VII. LEAVES OF ABSENCE**

Section: VII-K

**K. Family and Medical Leave Act of 1993 (FMLA)**

incurred by the covered service member in the line of duty on active duty in the Armed Forces (including National Guard and Reserves) and rendered the service member unable to perform the duties of the service member's office, grade, rank, or rating. A serious injury or illness also includes injuries or illnesses that existed before the service member's active duty and that were aggravated by service in the line of duty on active duty.

***Serious injury or illness for a veteran*** means an injury or illness that was incurred by the covered veteran in the line of duty on active duty in the Armed Forces or that existed before the veteran's active duty and was aggravated by service in the line of duty on active duty, and that is either:

1. A continuation of a serious injury or illness that was incurred or aggravated when the veteran was a member of the Armed Forces and rendered the service member unable to perform the duties of the service member's office, grade, rank or rating; or
2. A physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs Services Related Disability rating (VASRD) of 50% or greater, and the need for military caregiver leave is related to that condition; or
3. A physical or mental condition that substantially impairs the veteran's ability to work because of a disability or disabilities related to military service, or would do so absent treatment; or
4. An injury that is the basis for the veteran's enrollment in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

In order to obtain military family leave to care for a family member who is recovering from an injury or illness suffered while on active duty in the armed forces, an employee must demonstrate a qualifying injury or illness is suffered by a covered family member who is a service member/veteran of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness.

The term "outpatient status" means the status of a member/veteran of the armed forces assigned to a military medical treatment facility as an outpatient, or a unit established for the purpose of providing command and control of members of the armed forces receiving medical care as outpatients. The illness or injury must be serious enough to render the person unable to perform the duties of the member's office, grade, rank, or rating.

***Next of kin.*** "Next of kin" is defined as the nearest blood relative to that individual.

***Substitution of paid leave for military family leave.*** For leave taken for a qualifying exigency or for injured serviceperson caregiver leave, an eligible employee will be required to use available paid leave balances in the same manner as the City requires for other FMLA leave taken as noted below:

***Qualifying Exigency Leave:*** Vacation, then Comp, then No Pay

***Military Care Giver Leave:*** Family Sick (up to yearly max), then Vacation, then Comp, then No Pay.

**VII. LEAVES OF ABSENCE**

Section: VII-K

**K. Family and Medical Leave Act of 1993 (FMLA)**

**Married employees.** When both husband and wife work for the City, the aggregate amount of leave that can be taken by the husband and wife is 26 weeks in a single 12 month period for serviceperson caregiver leave, or a combination of active duty leave and serviceperson caregiver leave. The aggregate number of workweeks of leave to which both that husband and wife can take for only active duty leave is 12 weeks.

**Notice and certification.** If the need for leave is foreseeable, the employee must provide such notice to the City as is reasonable and practicable. Employees requesting leave under this section shall provide certification for the need for the leave on such forms as may be developed in the Secretary of Labor's final regulations, as modified by the City.

**Calculating the 12-month period.** Leave for a qualifying exigency is counted as the City calculates other categories of FMLA leave. Leave to care for a covered spouse, son, daughter, parent, or next of kin recovering from an injury or illness suffered while on active duty in the armed forces is a one-time benefit and as such, the 26 weeks are only available during a single, 12-month period. The City will begin counting the 12-month period on the first day of leave taken to care for the injured or ill service person.

*Note: This FMLA military family leave policy supplements the City's main FMLA policy and provides general notice of employee rights to such leave. Except as discussed above, an employee's rights and obligations to FMLA military family leave are governed by the City's main FMLA policy and application/approval procedures.*

*L. Judicial Leave**L. Judicial Leave***Leaves of Absence Related to Judicial Proceedings**

1. If an employee is arrested for, and/or charged with, an alleged violation of a federal or State law, county or municipal ordinance, or an order of a court, and/or becomes incarcerated for such reason, the concerned department director shall investigate as necessary for the purpose of determining whether to take disciplinary action and/or whether to place the employee on judicial leave of absence pending judicial proceedings. The investigation, review and action options shall be coordinated with the Human Resources Department. The decision to place an employee on leave of absence is discretionary with the department director and subject to review by the Human Resources Staff. Any decision to place an employee on judicial leave shall be final and not subject to appeal through any grievance process.
2. While in some cases the City may elect to await the outcome of judicial proceedings prior to discipline action, the City reserves the right to make its own determination regarding the facts of the case and whether its personnel rules were violated, regardless of the outcome of any criminal proceedings.
3. An employee not incarcerated while awaiting disposition of a charge may be permitted to work if it is determined by the department director that allowing the employee to work will not adversely impact City operations or citizen good will, or jeopardize the well being of other employees or citizens.
4. Judicial Leave is not a right but an option which may be exercised in the sole discretion of the City and shall be unpaid. However, an employee must use all of his or her Vacation Leave prior to any unpaid period. Nothing herein should be interpreted as preventing the City from proceeding to terminate or otherwise discipline an employee at any time after a charge or arrest where the City possesses adequate information upon which to base its decision.

**VIII. ABSENCE WITHOUT AUTHORITY**

---

Section: VIII

**VIII. ABSENCE WITHOUT AUTHORITY**

None of the provisions of this Policy shall be interpreted or construed to circumvent or mitigate the rule that: Any City employee absent from his/her position of employment without approval of competent authority for a period of two (2) consecutive workdays/shifts is considered to have resigned without notice.

**IX. NON-DISCIPLINARY SEPARATIONS  
FROM COUNTY EMPLOYMENT**

Section: IX-A

*A. Resignation***IX. NON-DISCIPLINARY SEPARATIONS FROM CITY EMPLOYMENT***A. Resignation*

1. Resignation is the separation of an employee from City employment through submission of a written or verbal notice of intent to resign. An employee's resignation shall be deemed as accepted by Madeira Beach the moment it is tendered regardless of any stated effective date, and no supervisor, manager or director has the authority to reject or permit an employee to rescind a resignation without the express prior authorization of the City Manager.
2. An employee who wants to leave City employment in good standing must notify his/her immediate supervisor at least two (2) weeks prior to leaving. The supervisor, in turn, will notify the department director. The department director may allow the employee, under extenuating circumstances, to give less than two (2) weeks' notice and still resign in good standing. In the event the department director, in consultation with the Human Resources Staff, determines that it would be in the City's best interest to deem a resignation notice an immediate resignation or shorten the resigning employee's notice, he/she may do so.
3. Upon an employee's resignation notice, any interest in continued employment ceases, and the employee is not entitled to any due process hearing.
4. Employees who resign from City employment without two (2) weeks' notice (unless otherwise approved by the department director), may not be recommended for rehire, nor be eligible for re-employment, with the City for one (1) year following their date of termination unless approved by the Human Resources Department.
5. Each City employee separating from City employment is requested to complete an Employee Separation Survey. The purpose of this survey form is to provide management with input the employee may have about his/her job and the City. The completed form is maintained by the Human Resources Department.
6. An employee who fails to report to work for two (2) consecutive workdays/shifts without approval of competent authority is considered to have resigned without notice. (See Section VIII., Absence Without Authority.)
7. An employee who takes any step to run for a Madeira Beach Board of Commissioners seat, including opening a campaign account for that purpose, filing qualifying paperwork with the Supervisor of Elections, or conducting a press conference or issuing a press release confirming his or her candidacy, shall be deemed to have resigned his or her position with Madeira Beach as of the close of business of the date any of these actions are first taken. Nothing herein shall be read or interpreted as preventing an employee from standing for election for any other elective public office or applying for appointment to any appointive public office.

**B. Retirement**

1. None of the provisions of this Policy can be construed or interpreted to alter or impair the City's retirement plan.
2. There is no mandatory retirement age for employees of Madeira Beach unless otherwise provided by Florida Statute or a pension plan provision. Continued employment is determined by the employee's ability to perform satisfactorily in the job classification assigned.
3. Employee assistance and retirement information is available from the Human Resources Staff as needed. Department directors should urge their employees to contact the Human Resources Department at least ninety (90) days in advance of the anticipated retirement date, to allow time to process retirement benefits.
4. Employees who have retired from City employment may be re-hired by the City in any position and under such terms and conditions as the City may offer, consistent with policies or procedures applicable at the time of application.

1. Separation is effective on the date the death occurs.
2. All compensation due the employee at separation is paid to the beneficiary, surviving spouse, or to the estate of the employee, as determined by law or by executed forms in the employee's official personnel file.
3. Department directors must immediately report an employee's death, regardless of cause, to the Human Resources Staff and initiate the appropriate separation paperwork forthwith.

**IX. NON-DISCIPLINARY SEPARATIONS

Section: IX-D

*D. Layoff***D. Layoff**

1. It is the intent of the Board of Commissioners to provide stable employment to members of Madeira Beach Government. However, there may be occasions which necessitate a reduction in the City work force.
2. A reduction of work force may be instituted in cases of bona fide budget reduction, lack of work, lack of funds, program or grant discontinuation, technological replacement, or any other significant organizational change or condition of serious financial distress that may occur. When such conditions exist, the department director may, after coordination with the Human Resources Staff and approval by the City Manager, proceed to lay off an employee or employees. To the extent a reduction in force is necessitated by the City Manager's proposed budget, layoff decisions shall be consistent with the programs, services or operations to be reduced or eliminated by such budget.
3. A reduction in work force may be made by work site assignment and/or specific function performed and/or unique skills or qualifications held and/or by general job classification and/or by pay grade within the affected department, or division or operation thereof. Layoffs which are targeted solely at reduction of salary costs must fairly target the foregoing employee classifications in a roughly uniform way so as not to cause the layoff of a more senior worker where a more junior employee performing the exact same duties and working at the same location is earning more.
4. The duties previously performed by a laid-off employee may be reassigned to other employees already working in positions in appropriate job classifications.
5. The Human Resources Department, with appropriate advice from the City Attorney, shall review any reduction in force proposals prior to their implementation so as to review such proposals to minimize negative impacts on prior equal employment gains in impacted work units, and advise the City Manager on any labor law implications.

**6. Layoff Priority**

- a. In the event of layoff, primary consideration will be on the factors set out in Section IX.D.3. Thereafter, the order of layoff shall begin with temporary then probationary employees. The next order of layoff shall begin with the employee who has the least seniority (see Section IX.D.6.b.).
- b. Seniority shall be determined by City-wide continuous service. Rules of continuous service shall be observed in deciding the date of last hire for the purpose of seniority determination.
- c. If two or more individuals should have the same hire date for determining seniority, the employee with the most disciplinary and/or counseling notices shall be laid off first.

**IX. NON-DISCIPLINARY SEPARATIONS  
FROM COUNTY EMPLOYMENT**

Section: IX-D

*D. Layoff*

- d. In accordance with prevailing veteran laws, including Chapter 295, Florida Statutes, certain veterans and spouses of certain veterans may be eligible for preference in retention when layoffs are necessitated. Human Resources shall review layoff proposals to ensure compliance with such laws.
7. City employees who are scheduled for layoff shall not have "bumping rights" to other positions in any City department. However, where the City is able to forecast a layoff in advance, the City may establish a time period wherein employees subject to a pending layoff will be permitted to apply for open positions. During this period, such employees shall, when being considered by interviewing departments, receive preference in hiring where they are otherwise equally qualified with other candidates. Nothing herein, however, is intended to require the hiring of any such employee by a department where another candidate is clearly more qualified for the position.
8. Employees scheduled for layoff may, if offered by the City, elect to accept transfer to vacant City positions for which they are qualified. Such transfer offers may be made at the discretion of the City and must be accepted by the employee within 3 days of receipt of the written offer. The employee's pay rate would be adjusted in accordance with Policy for any other City employee changing positions within the City. Employees who accept a transfer offer under this paragraph shall not be further entitled to any reinstatement to their prior position.
9. However, employees on layoff status with no offer of transfer, may for a period of twelve (12) months from the date of layoff apply and receive preference in interviewing for any job for which they are minimally qualified.
10. Human Resources Department shall ensure Employee Health Benefits is made aware of any layoffs to ensure proper COBRA notices are provided.

**11. Reinstatement**

- a. Laid-off employees, who have not accepted an offer of transfer to a different City position, have priority for reinstatement, according to seniority, in jobs within their classifications at the time of separation for twelve (12) months following the effective date of layoff. Laid-off employees reinstated to those classifications within the twelve (12) month period shall have their previous dates of hire restored (including vacation and sick leave accrual rates and any unpaid sick leave balances in effect at the time of layoff). However, recalled employees may not be offered the rate of pay they had prior to their layoff, where fiscal conditions require a reduced rate for the position. At the end of the twelve (12) month period, all laid-off employees' rights associated with reinstatement are concluded. The City offers reinstatement to laid-off employees by certified mail to the last known address. (Note: It is the laid-off employee's responsibility to keep the Human Resources Department notified of any change of address, if he/she is interested in reinstatement.)

**IX. NON-DISCIPLINARY SEPARATIONS  
FROM COUNTY EMPLOYMENT**

Section: IX-D

*D. Layoff*

- b. Reinstatement is offered to laid-off employees provided they are qualified (medical certification may be required) to perform the essential duties of the job, and are in compliance with current pre-employment requirements including the City's Drug Free Workplace Program. A laid-off employee, who is temporarily unable to accept an offer of reinstatement due to medical certification, may request a delay in starting work, not to exceed thirty (30) calendar days.
  - c. The return to work date for a laid-off employee, who is qualified to return to work and compliant with all pre-employment requirements, is determined by the City's requirements, but the employee must be available for work no later than two (2) weeks following notice or his/her seniority will be forfeited and he/she is no longer considered eligible for reinstatement under the Layoff procedures.
  - d. If the employee fails to report to the Human Resources Staff within three (3) business days after receipt of the certified notice or if the employee does not meet all current pre-employment requirements, his/her seniority is forfeited and he/she is no longer considered eligible for reinstatement under the Layoff procedures.
12. Employees who are scheduled for layoff do not have the right to submit appeals or complaints in regard to layoff actions, except for reasons of alleged violation of these policies and procedures governing such reduction of work force, or for alleged acts of illegal discrimination. The City Manager may elect to offer separation agreements to employees subject to layoff. Such agreements should be reviewed by the City Attorney's Office prior to being offered.
  13. Employees who are scheduled for layoff should contact Human Resources to discuss their medical coverage and other health benefits.
  14. The Human Resources Department shall make all reasonable efforts to provide outplacement assistance and services to laid-off employees.

**IX. NON-DISCIPLINARY SEPARATIONS  
FROM COUNTY EMPLOYMENT**

Section: IX-E

*E. Disability Separation/Reasonable Accommodation**E. Disability Separation/Reasonable Accommodation*

1. All employees of the City are expected to be able to perform the essential functions of the positions they hold. At times, a physical or mental impairment may cause an employee to become unable to perform one or more job functions. In such circumstance, it will be the responsibility of the employee's department, in consultation with the Human Resources Department, to work with the employee to identify reasonable accommodations which will permit the employee to perform all essential job functions. This process may take more than one try, depending on the specific facts of the case.
2. Though the employee's input on accommodations should be given weight, an employee is not entitled to demand a particular accommodation if the department wishes to provide a different accommodation, so long as the accommodation will permit the employee to perform his or her job functions. The Human Resources Department and the City Attorney's Office should be consulted where any questions arise over the identification of accommodations.
3. If no reasonable accommodation can be identified, or if attempts at accommodations fail, or if the employee declines to accept reasonable accommodations offered by the department, then the department director, prior to separation, may refer the employee to the Alternate Employment Program (AEP). Such referrals shall be in writing and shall review the accommodations attempts made by the department.
4. An employee may be terminated when he/she is unable to perform the essential functions of the job because of a physical or mental impairment and where no reasonable accommodation has been identified or accepted. Separations based on the employee's inability to perform the essential functions of the job under the provisions of this section will not be considered disciplinary terminations.
5. If the inability to perform the job occurs due to an on-the-job injury, the employee should be given a reasonable opportunity to reach maximum medical improvement (MMI) as stated by the Workers' Compensation doctor before being evaluated for mandatory participation in the Alternate Employment Program (AEP) unless such inability has existed for more than 12 weeks in the immediate prior 12 month period. The point in time at which an employee is considered for discharge for an illness or off-duty injury will be dependent upon the needs of the department in conjunction with the availability of a definitive recovery prognosis. Nothing herein prohibits discharge for inability to perform duties, regardless of the source of illness or injury, where the continued non-performance of essential job functions by the employee results in an extreme hardship for the City department or operation involved.

**IX. NON-DISCIPLINARY SEPARATIONS  
FROM COUNTY EMPLOYMENT**

Section: IX-F

*F. Alternate Employment Program (AEP)**F. Alternate Employment Program (AEP)*

1. When the City receives information an employee has medical restrictions/limitations that appear to prevent the employee from performing the essential functions of the job and the department cannot provide or the employee does not accept reasonable accommodation(s) which would allow the performance of the essential job functions, the department director shall submit the appropriate referral form to the Human Resources Staff indicating the information received regarding the restrictions and how those restrictions prevent the employee from performing the essential job functions. The department director shall also indicate what efforts were made to identify reasonable accommodations; what accommodations were suggested by the employee; and why any potential accommodations were rejected by the department as an undue hardship. The Human Resources Staff will determine if the rationale are sufficient. If not, an independent medical and/or vocational evaluation may be arranged to further explore the potential for an accommodation.
2. After the Human Resources Staff receives sufficient notice from a physician and/or vocational rehabilitation counselor and the department that the employee is restricted in such a manner that he/she can no longer perform essential job functions, an HR representative will meet with the employee and over a 90 day period assist him/her in searching for suitable alternate employment. The 90 day period shall be consecutive calendar days from the time the employee is notified in writing of acceptance into the AEP. Where deemed necessary by the Human Resources Staff, a vocational rehabilitation counselor may be utilized in the search for alternate employment.
3. The HR representative shall maintain a list of all vacancies which occur during the 90 day period and evaluate the requirements for each vacant position vis-a-vis the individual's qualifications and capabilities. Employees in the AEP can be considered for any currently-vacant budgeted position which he/she would be otherwise qualified for, either with or without an accommodation. The HR representative will refer the employee to the department where an opening exists for an interview provided the employee executes an application, meets the qualifications for the position and satisfies all requirements with respect to testing, licensing and certification.
4. If suitable alternate employment has not been arranged within the 90 day period following the employee's entrance into the AEP, the HR representative will notify the Human Resources Staff that no suitable alternate position was identified or accepted. The Human Resources Staff will notify the employee's department director that the employee may be discharged after an exit interview, if possible, with the Human Resources representative and the department director.
5. The Human Resources Department, if at all possible, shall schedule an exit interview with the employee in order to inform the employee that the discharge is not a disciplinary termination, that all vacancies in the City have been examined and there is no suitable alternate employment available at that time. If the employee should recuperate to the extent that he/she can perform the essential functions of the job within nine (9) months of termination under this policy, he/she may contact the Human Resources Department and the employee's former Director may authorize reinstatement upon receipt of acceptable evidence that the employee can satisfactorily perform the job, providing there is a vacancy. The individual may continue to check the City job postings and may apply for other positions within the City as they occur. Nothing in this policy should be construed as creating a right to transfer to a different position, a right to reinstatement after termination under this policy, nor a right to any particular wage rate upon reinstatement.

**X. CODE OF ETHICS FOR OFFICERS AND EMPLOYEES**

Section: X

**X. CODE OF ETHICS FOR OFFICERS AND EMPLOYEES**

1. Officer and Employee Ethics: Officers and employees are required to conduct the affairs of the City in an ethical manner in accordance with the Code of Ethics for Public Officers and Employees (Florida Statutes 112.311 - 112.326), including, but not limited to, the following:

Approval of secondary employment shall be obtained as provided for in Section XVII of this Policy.
  - d. No City officer or employee shall solicit or accept anything of value to the recipient such as a gift (including Christmas gift), favor, loan, reward, promise of future employment, preferred service, benefit, or concession that would reasonably tend to improperly influence the officer or employee in the discharge of his or her official duties or give the appearance of improperly influencing the officer or employee.

**X. CODE OF ETHICS FOR OFFICERS AND EMPLOYEES**

Section: X

- i. No City officer or employee shall have or hold any employment or contractual relationship with any business entity or agency which is subject to the regulation of, or is doing business with the City, or any part of the City of which he or she is an officer or employee. Nor shall any City officer or employee have or hold any employment or contractual relationship which will create a continuing or frequently recurring conflict between his or her private interests and the performance of his or her public duties, or that would impede the full and faithful discharge of his or her public duties.
  - j. Violations of the Code of Ethics for Public Officers and Employees are violations of State law and can result in fines, removal from employment, and criminal conviction; as well as in discipline including discharge from City employment.
2. Certain City public officers and employees, including “Local Officers,” “Procurement Employees,” “Legislative Analysts,” and those who are required by law to file either limited financial disclosure forms (Form 1), or full financial disclosure forms (Form 6), are under more stringent requirements, especially with regard to the acceptance of gifts and honoraria.
  3. City employees are encouraged to seek guidance from the City Attorney and/or the Human Resources Department if there is any question whatsoever about the propriety of any contemplated action prior to such action being undertaken. A copy of the statutory Code of Ethics may be obtained by contacting the City Attorney’s Office. Employees may also request, through their department directors, a formal request for an opinion from the Florida Commission on Ethics in Tallahassee. Such requests shall be directed to the City Attorney’s Office, which shall formulate the request and be the point of contact with the Commission.
  4. Procedures Upon Offering of Group Gift-From time to time, including during holidays, City departments, divisions, crews or individuals may receive or be offered gifts including gift certificates, baskets, tickets, food, or other items of value, from developers, vendors, contractors, lobbyists and other persons who conduct, have conducted, or seek to conduct business with Madeira Beach. In such instances, such gifts or offers should be reported to the City Manager’s Office so that the gift or offer may be evaluated under the applicable ethics laws. In cases where it is determined that a gift or offer may not be accepted, the gift will be returned or offer declined. Nothing herein, however, prevents any person from presenting a gift to Madeira Beach government, which gift may be accepted on behalf of the government by the Board of Commissioners and used at its sole direction.
  5. No current employee of Madeira Beach may serve on any Madeira Beach board, commission, task force or other body, nor hold any other office of City government, including advisory bodies. Nothing herein shall be interpreted as preventing employees from holding any office of any other governmental entity, or from serving on the board of directors of any corporation, so long as no other ethical conflict prevents such service.
  6. Employees who may wish to disclose information concerning alleged violations of law or gross mismanagement, malfeasance, waste of public funds or neglect of duty by a City agent, official or contractor must follow the procedures outlined in the City’s Whistle-Blower Ordinance, which are at § 50-20 through § 50-25 of the Madeira Beach Code.

---

**XI. DISCIPLINE AND DISCHARGE***A. General Provisions*

1. The level of discipline an employee will receive for a given offense varies in each case depending on the employee's past work and discipline record, seniority and the severity of the offense.
2. Employees may be disciplined by written notice alone (with or without other conditions), suspension, probation, demotion, discharge or combinations of these for an action or failure to act which adversely affects job performance or the efficient operation of Madeira Beach Government or the work unit. It is the intent of the City that employees succeed within their own departments. Therefore, transferring of unsuccessful employees from one department to another is a disfavored practice and will not generally be used to address employee performance or misconduct issues.
3. Probationary and temporary employees and other employees designated as serving at the will of the Board of Commissioners or the City Manager do not possess a property interest in their positions and therefore may, absent contrary charter or contract terms, be discharged without cause and are not entitled to any recourse in the event of discipline or discharge, except as provided in this paragraph and Section XI.D.2.d. of this Policy. Further, the City Manager may elect to grant an employee a last chance agreement or voluntary separation agreement (in a form approved by the City Attorney) and employees who have waived their appeal rights by virtue of having entered into such agreements are not entitled to appeal any subsequent discharge to the extent set forth in such agreements. If any such employee believes he/she has been disciplined or discharged as a result of illegal discrimination, the employee must follow the procedures outlined in Section XIII of this Policy regarding Illegal Discrimination or Harassment.

**XI. DISCIPLINE AND DISCHARGE**

Section: XI-C

**C. Progressive Discipline****C. Progressive Discipline**

1. Progressive discipline is a series of steps which provide a systematic approach to address and correct performance or behavior that fails to meet standards established by the City.
2. This subsection shall cover regular employees except those listed in Section XI.A.3, and XI.D.2.d. of this Policy. Regular employees may appeal discipline in accordance with Section XI.D.
3. Directors and supervisors may utilize this process when discipline becomes necessary in an attempt to maintain fairness and consistency. However, the step at which progressive discipline begins may vary depending on a number of factors, such as the nature and severity of the conduct, the employee's past discipline and performance record, and seniority. The Human Resources Staff may be consulted at any step in the Progressive Discipline procedure.
4. The following steps apply to progressive discipline (Note-counseling and warnings alone are not considered disciplinary action for purposes of appeal, but are available tools to use in appropriate circumstances prior to issuing discipline. However, where conduct so warrants, counseling and/or warnings may be skipped in favor of disciplinary action):

Step 1 - Oral Counseling or Warning

Step 2 - Written Counseling or Warning

Step 3 - Written Discipline Notice, Suspension Without Pay, Probation, Demotion

Step 4 - Discharge

5. When a supervisor determines that an employee's behavior or performance fails to meet standards established by the City or violates any provision of this policy, the supervisor should discuss such concerns with the employee and recommend a course of action for improvement. The discussion should include the following interactive process:
  - a. Clearly outline the behavioral problem or performance deficiency.
  - b. Allow the employee to respond to the concerns.
  - c. After considering the employee response, explain expected conduct or performance changes.
  - d. Establish a reasonable time frame in which improvement can be noted. In some cases, it is reasonable to expect quick improvement; other times, months may be more appropriate.
  - e. Tell the employee what the consequences will be if performance does not improve.
  - f. Ask the employee for a commitment to improve performance and correct the problems and follow up with the employee, providing feedback where appropriate.
  - g. Document this process on official Counseling/Warning or Discipline forms as appropriate.

**Step 1 - Oral Counseling or Warning.** Progressive discipline may begin with an informal discussion between the supervisor and the employee.

**Step 2 - Written Counseling or Warning.** Absent an improvement in performance, or

**XI. DISCIPLINE AND DISCHARGE**

Section: XI-C

**C. Progressive Discipline**

upon recurrence of a minor violation, the supervisor issues a written warning or counseling to the employee on appropriate City form. A copy of the counseling/warning, together with a copy of the employee's response (if any) will be sent to Human Resources for inclusion in the employee's official personnel file.

**Step 3 - Written Discipline Notice, Suspension without Pay, Probation, Demotion.**

Absent an improvement in performance following a written counseling/warning, or upon the occurrence or recurrence of a serious violation, the department director may discipline with written notice, suspend without pay, place on probation, or demote, the employee. These measures are coordinated with Human Resources. Discipline actions shall be taken through issuance of the City's official Notice of Employee Discipline form, and will be sent to Human Resources for inclusion in the employee's official personnel file.

**Step 4 - Discharge.** Absent an improvement in performance following suspension without pay, probation, or demotion, or upon the occurrence or recurrence of a serious violation, the department director may decide to discharge the employee. Documentation associated with discharge will be included in the employee's official personnel file.

6. The progressive discipline policies specified herein are guidelines only and shall not be interpreted as creating a condition precedent to the issuing of justified disciplinary action or any particular level of discipline. Furthermore, due to the severity of discharge, where a director is considering discharge (in cases where discharge is not mandatory), in addition to considering the most recent conduct or performance which give rise to the need to discipline, the director shall also consider the employee's entire performance and discipline history, how the director has handled similar conduct or performance in the past, and how the performance or conduct impacts the employee's co-workers, the City's operations and reputation, and the City's citizens. While each case and each employee will have its unique factors, directors should strive to administer discipline in a consistent manner across his or her department and over time.
7. Managerial, professional or confidential personnel of the City who have been designated as serving at the pleasure of the Board of Commissioners or the City Manager are not covered by this progressive discipline policy and may be terminated at any time without regard to cause. To the extent the City adopts official forms for the purpose of issuing counseling, warnings or discipline, department directors will be required to make use of such official forms to communicate these actions to employees.

**XI. DISCIPLINE AND DISCHARGE**

Section: XI-D

***D. Appeal Process******D. Appeal Process***

## 1. Discipline Not Including Discharge

- a. A regular employee, not probationary or otherwise classified as serving at-will, who is disciplined by written notice of discipline only, or by probation, suspension without pay, or demotion may, within five (5) business days after the employee is notified of the discipline, excluding weekends and holidays, request a review by the City Manager of the discipline action. The request for review must be submitted to the Human Resources Staff in writing and must state with specificity why the employee disagrees with the discipline action. The official City form adopted by Human Resources must be used to file the appeal. Upon receipt of a timely request, the City Manager will provide a review of the discipline action, which will include an opportunity for the employee to explain to the City Manager the facts surrounding the discipline and why he/she disagrees with the disciplinary action. In addition to providing an opportunity for the employee to present his or her arguments and any related documents, the City Manager shall speak with the director who issued the discipline, any relevant witnesses provided by the employee or director, and may review any City documents which might assist the City Manager in reaching a conclusion as to the merits of the review request.
- b. The City Manager shall make the final determination in writing. In the event the City Manager determines that the discipline was unwarranted or too severe for the incident concerned, the employee's suspension will be rescinded and loss of pay, benefits, or seniority restored, or the appropriate level of discipline will be imposed as determined by the City Manager. The City Manager's decision shall be final and not appealable.

## 2. Discharge

- a. A regular employee, not probationary, at-will, or otherwise ineligible for appeal per Section XI.A, whose conduct is under investigation or whose discharge is contemplated, may be placed on administrative leave without pay pending a final decision. Such employee shall be offered a pre-termination meeting unless the discharge is in accordance with Section XX of this Policy or immediate dismissal is required to protect the health, safety or welfare of City employees or the public. The purpose of a pre-termination meeting is to provide the employee an opportunity to hear the charges against him or her, and to present reasons why his/her employment should not be terminated. In the event the employee is discharged, a post-termination hearing before the Civil Service Commission will be offered. In the alternative, and where the facts of the case appear to warrant it, the City Manager, in his/her discretion, may forego a pre-termination meeting and may instead place the employee on administrative leave without pay, and conduct, either in person or through a designee a full evidentiary hearing in accordance with the procedure set forth in Section XI.D.2.c before the final decision is made.
- b. A regular employee, (not probationary, at-will, or otherwise ineligible for appeal per Section XI.A), who has been discharged for cause, and who was not afforded a full evidentiary hearing before the discharge, may file a written request for a post-termination hearing with the Human Resources Department within ten (10) calendar days following the date the notice of termination is mailed.

**XI. DISCIPLINE AND DISCHARGE**

Section: XI-D

*D. Appeal Process*

- c. The jurisdiction of the Civil Service Commission is to interpret this Policy and any other relevant City policies, and to ultimately find if the City had factual and legal just cause to impose the discipline. In reaching its decision, the Civil Service Commission sits in an appellate advisory capacity. The focus is on whether the City has proven, through documents and witness testimony and by a preponderance of evidence, facts which demonstrate that the employee violated the cited City rules and policies. In addition to the question of proof of violation, the Civil Service Commission may also hear and consider an employee's argument that termination was not warranted. However, as to this question of proportionality, the Civil Service Commission should not impose its own managerial philosophy on the administration. Rather, it should consider factors such as whether the discipline imposed is required or allowed in this Policy, whether the director issuing the discipline has dealt with similar past cases in the same manner in light of the particular appellant's entire record vs. other employees the appellant may seek to compare him or herself to.
- d. The Civil Service Commission does not have jurisdiction over, and may not rule upon, or make findings about, any allegations of a violation of a county, state or federal law. Appellants seeking to raise such violations should do so by way of the appropriate statutory procedures.
- e. Employees may not appeal letters confirming job abandonment, letters confirming separation due to inability to perform due to health issues or loss of license or qualification, last chance agreements or voluntary separation agreements, as these are not forms of discipline.
- f. Discharges for violation of Section XX based on test results must proceed with the test result challenge process in that Section prior to being granted a post-termination hearing. Employees failing to challenge a test result will be deemed to have waived any right to a post-termination hearing.
- g. Upon timely receipt of a request for a post-termination hearing, the following will occur:
  - (1) The City Manager will refer the request to the Civil Service Commission, which will work with Human Resources staff to schedule a hearing date in a prompt and reasonable time.
  - (2) The Human Resources Department will serve as the Clerk for the proceedings, and shall maintain the official record of evidence submitted and meeting notes. The Clerk will set the time and place of the hearing, and will notify all interested parties. The Clerk shall also ensure that hearing officers are provided with appropriate standard hearing procedures to permit an orderly, efficient and fair hearing.
  - (3) The Civil Service Commission will conduct the post-termination hearing pursuant to quasi-judicial procedures developed with the assistance of the City Attorney. At a post-termination hearing, the City and the discharged employee may present evidence, examine and cross-examine witnesses, raise objections, and be represented by counsel.
  - (4) The Civil Service Commission will make findings of fact and conclusions as to the application of those facts to the City's policies.

**XI. DISCIPLINE AND DISCHARGE**

Section: XI-D

**D. Appeal Process**

- (5) The Civil Service Commission's advisory opinion will be forwarded to the City Manager who will make a final decision. In making a final decision, the City Manager may not overturn the Civil Service Commission's findings of fact, but may reach a different conclusion as to how such facts should be applied to the City's policies. For purposes of certiorari appellate review, the City Manager's written decision shall be the final action of the City.
  - (6) In the event the City Manager determines that the violation was not factually supported, the employee will be reinstated without loss of pay, benefits, or seniority. Upon determining that policy violations occurred but that a discipline other than termination is warranted, the City Manager shall impose the appropriate discipline, which shall not be further appealable. If the City Manager determines that policy violations occurred and that the discipline imposed was appropriate, he/she shall so find.
  - (7) Notwithstanding the foregoing, employees may elect an alternative remedy to appeal a disciplinary action where same is provided for by applicable collective bargaining agreement.
- h. Name Clearing Hearings
- (1) When an employee is discharged for cause, and where the employee believes that his or her file contains stigmatizing information connected with the discharge or where a City official publishes post-termination information connected with the discharge the employee believes contains stigmatizing information, the employee may, within ten (10) calendar days of receiving notice of the discharge or of the publishing of the post-termination information, request a hearing for the sole purpose of responding to the information considered to be stigmatizing.
  - (2) The Civil Service Commission shall conduct a name-clearing hearing, and shall provide the discharged employee an opportunity to clear his/her name. A hearing held pursuant to this section (h) will be recorded and the record preserved for such times as may be prescribed by law or, if no such time is prescribed, for a reasonable time. Upon hearing from the former employee and any relevant City witnesses, the Civil Service Commission may recommend to the City Manager that a demonstrably false or incomplete statement or conclusion in a file be supplemented with the former employee's side, that the City issue a retraction or clarification of a demonstrably false or incomplete statement to the public, or some other measure requested by the former employee so as to eliminate or reduce the alleged unwarranted stigma. The Civil Service Commission may also decide to make no recommendation if one is not warranted. The mere confirmation that the former employee had been discharged, the fulfillment of a public records request for documents related to the discharge, or the former employee's disagreement with a discharge decision, will not be proper foundations for a name-clearing hearing. Such a hearing shall not entitle the employee to any relief from discharge.

**C. Procedure**

1. Any employee or applicant who believes that he or she is being or has been illegally discriminated or retaliated against or harassed must file a timely written complaint with the Human Resources Staff. To the extent the City maintains an official form for the purpose of filing a charge under this section, such form must be used and all questions therein responded to fully.
2. Directors, managers and supervisors must not initiate investigations on their own but are responsible for immediately bringing any allegation or concern related to potential cases of illegal discrimination or harassment to the attention of Human Resources.
3. The Human Resources Department will be responsible for evaluating all complaints under this policy with legal advice as needed, and making the determination on whether an internal investigation is warranted. In cases where such an investigation is determined to be warranted, the City Manager will designate an appropriately qualified person or persons from outside the employee's department who shall be responsible for conducting a prompt, thorough and objective investigation.
4. Employees questioned during the course of an investigation are obligated to cooperate in a full and honest manner. No employee shall face any form of reprisal for making a complaint or for his or her cooperation with an internal investigation. Employees who either refuse to cooperate in an internal investigation, or who intentionally give false information at any point within an investigation, shall be subject to disciplinary action.

**XIII. ILLEGAL DISCRIMINATION OR HARASSMENT**

Section: XIII

5. Once an internal investigation has been concluded, the Human Resources Department will review the investigator's written report with the City Manager and appropriate senior staff, to include the department director(s) at-interest. In appropriate cases, the City Attorney may also be present to advise. This panel will determine the remedial action to be taken, if required. A final written report containing final findings and the actions taken will be generated at the conclusion of the investigation and review, with a copy provided to the complainant. Individuals against whom allegations were raised will likewise be entitled to receive a copy of the final report upon request.
6. Once an investigation has been concluded, it shall be the responsibility of the department director at-interest to implement the remedial actions which were determined by the review panel to be appropriate. The Human Resources Department shall be responsible for monitoring the workplace situation, and should be contacted by the complainant or other affected parties if they at any point feel that either retaliation is taking place or the illegal behavior is continuing.
7. This internal complaint and investigation process does not preclude an aggrieved employee from filing a complaint with the United States Equal Employment Opportunity Commission and/or the Florida Commission on Human Relations. However, failing to utilize this internal procedure may under the law result in the loss of important legal rights.

2. The Performance Evaluation Program is designed to provide procedures and guidelines for supervisors to evaluate the performance of City employees in the accomplishment of their assigned duties and responsibilities.
3. Through the uniform application of these procedures and guidelines, supervisors can use the Performance Evaluation Program as an effective management tool to recognize accomplishments, guide and reward performance and improve productivity and morale.
4. The City Manager is authorized to approve administrative revisions to the Performance Evaluation Program.
5. The Employee Performance Evaluation Forms adopted by the City Manager must be used for all official employee performance evaluations. These forms shall be posted on any available employee-only City computer networks so as to facilitate electronic completion by management.

7. All employees of Madeira Beach may, at their election, draft and submit a written response to any performance evaluation given by management. Such written responses, which shall be free of profane, discriminatory, abusive or inflammatory language, and which should address and respond to the evaluation, will be appended to the evaluation being responded to, and placed in the official personnel file.

**XVII. OUTSIDE EMPLOYMENT, ENTERPRISE, BUSINESS**

Section: XVII

**XVII. OUTSIDE EMPLOYMENT, ENTERPRISE, BUSINESS**

1. No City official or employee shall work in any enterprise or business, including self-employment, accept outside employment, or render services for private interests, whether paid or unpaid, non-profit or profit, when the employment or service conflicts with the employee's official duties. Nor shall such work create an appearance of conflict or impair independent judgment or action in the performance of the duties of a City employee.
2. Newly-hired or current employees wishing to engage in, or continue in any enterprise, business, outside employment, or to render services for private interests, paid or unpaid, non-profit or profit, must first request approval from their department director on a request for outside employment form provided by the Human Resources Department. The department director will make an initial assessment of the request to ascertain whether the proposed nature and/or schedule of the outside employment will or likely will negatively impact the employee's City job performance. If an initial determination of non-interference is made by the director, the department director then informs the City Manager of the request. Employees who fail to file a request to their department director (City Manager for employees directly reporting to that official) prior to engaging in outside employment activity may be subject to disciplinary action up to and/or including dismissal. Newly hired employees must declare and seek approval of supplemental employment or other outside business at the time of hiring.
3. Upon referral from the department, the City Manager reviews all pertinent information and consults with the department director as needed. The City Manager determines if the employment or activity is inconsistent, incompatible, or conflicts with the employee's duties and responsibilities, or may tend to do so. Based upon this information, the City Manager approves or disapproves the request to engage in the secondary employment or outside business.
4. The proposed employment shall not be with a business or agency subject to the regulation of, or that is doing business with, the department of the employee, except if expressly permitted by state law.
5. The proposed employment cannot require the employee to disclose or use information gained in his/her official City position that is not available to the public.
6. Changes in secondary employment or outside business must be reported promptly to the department director, who will determine whether further approval is required.
7. Permission to engage in secondary employment and outside business may be denied or withdrawn at any time if the City Manager or Department Director determines, in his or her sole discretion, that such activities are interfering with, or may be expected to interfere with, the employee's production, efficiency, duties or responsibilities, or when it causes discredit or is in conflict with City interests.
8. Any outside employment or business described above is secondary to the requirements of regular City employment. It must not interfere with or impede the availability of an employee to perform his/her duties and responsibilities. Every employee granted approval under this rule must agree to respond immediately to any call to duty by the City whenever the

Section: XVII

department director (City Manager for employees directly reporting to that official) determines his/her services are necessary.

9. Supervisors must be notified immediately, but no later than the employee's next scheduled working day, of injuries sustained during outside employment. Employees sustaining injuries are ineligible to receive workers compensation benefits from the City. Sick leave benefits are allowed based on injury or illness arising from outside employment only if the outside employment has been approved under this policy and only to the extent the employee is not eligible to be otherwise compensated for absences caused by the injury or illness.
10. No City personnel, equipment, facilities, vehicles, or other property may be used by employees while engaged in outside employment, enterprise or business.
11. No employee shall perform work for private individuals or other governmental departments/agencies as a part of his/her City employment except when the work is part of contract arrangements, mutual aid agreements, or interlocal agreements entered into by the Board of Commissioners.
12. No employee of Madeira Beach shall have financial interests in the profits of contracts, services or other work performed by or for the City. Nor shall a City employee personally profit, directly or indirectly, from any contract, purchase, sale or service between the City and any person or business. Any employee who violates this rule is guilty of misconduct and subject to immediate dismissal.

**XVIII. POLITICAL ACTIVITY**

Section: XVIII

**XVIII. POLITICAL ACTIVITY**

1. No person shall be appointed to, demoted, or dismissed from any City position, or in any way favored or discriminated against with respect to employment with Madeira Beach, because of political opinion or affiliations.
2. No person shall use or promise to use, directly or indirectly, any official authority or influence, whether possessed or anticipated, to secure for any person an appointment or advantage in appointment to a position in Madeira Beach Government service, or in the service of any Pinellas County constitutional officer, or an increase in pay or other advantage in employment in any such position, for the purpose of influencing the vote or political action of any person, or for any other political consideration.
3. As an individual, each employee retains all rights and obligations of citizenship provided in the Constitution and laws of the State and the Constitution and laws of the United States. However, no employee of Madeira Beach Government shall:
  - a. Take any active part in a political campaign while on duty or within any period of time during which they are expected to perform services for which they receive compensation from the City. This will include making or distributing flyers, hand cards, or other campaign or political items in the workplace; or making use of any City equipment, service or facility in furtherance of any campaign or political purpose.
  - b. Use the authority of their position to secure support for or oppose any candidate, party or issue in an election or affect the results thereof.

  - d. Display on their person (while on duty), City vehicles or in their workplace, any button, sign, decal or other symbol of support for any elected official, political party, issue or candidate for public office.
  - e. Appear in any print, television, radio or other form of advertisement for any elected official, political party, issue or candidate while wearing a Madeira Beach uniform, or while identifying oneself as an employee of Madeira Beach.

Nothing herein shall be interpreted as prohibiting a City employee from using City resources related to state or local referendum or initiative to the extent authorized by Florida Statute § 106.113 where that employee's duties permit or require such work, and where the Madeira Beach Commission has adopted a policy or position concerning the matter.

4. An employee who takes any step to run for a Madeira Beach Commission seat, including opening a campaign account for that purpose, filing qualifying paperwork with the Supervisor of Elections, or conducting a press conference or issuing a press release confirming his or her candidacy, shall be deemed to have resigned his or her position with Madeira Beach as of the close of business of the date any of these actions are first taken. Nothing herein shall be read or interpreted as preventing an employee from standing for election for any other elective

public office or applying for appointment to any appointive public office.

5. An employee elected to public office other than as a Madeira Beach Commissioner or Constitutional Officer shall resign from City employment if the elected position presents any conflict of interest or interference with the employee's City job. The City Manager may grant written permission to remain in the City job, if no such conflict or interference exists. For purposes of this section, a conflict of interest will be determined in the sole discretion of the City Manager regardless of any other determination.
6. Any person who violates any provision of this section shall be subject to disciplinary action, up to and/or including discharge. However, nothing herein shall be construed to prohibit an employee's right to file a complaint of workplace discrimination or harassment, to raise a concern regarding workplace safety, to report to appropriate authorities the misuse or theft of City assets, or to engage in casual workplace discussions on social or political topics, so long as such discussions do not, in the judgment of management, interfere with the orderly, peaceful, and efficient performance of assigned duties or with the valid exercise of authority of management. Employees or managers having questions concerning political activities or the interpretation of this policy should consult the Human Resources Staff and the City Attorney's Office.

2. The City Manager is authorized to develop and publish a Madeira Beach Safety Manual to provide safety policies and procedures to be used by all departments for the safety of City employees and protection of City property.

**XX. DRUG-FREE WORKPLACE PROGRAM**

Section: XX-A

*A Purpose, Scope and Prohibitions***XX. DRUG-FREE WORKPLACE PROGRAM***A. Purpose, Scope and Prohibitions*

1. Madeira Beach Government has a compelling interest in maintaining a safe, healthy and productive work environment for all its employees; in providing professional services for its customers in a safe, timely and efficient manner; in maintaining the security of its equipment and workplace; and in performing all these functions in a fashion consistent with the interests and concerns of the community.
2. Pursuant to these goals, the City has established a Drug-Free Workplace Program. This program is intended to comply with: the Drug-Free Workplace Program requirements set forth in Chapter 440, Florida Statutes; the implementing regulations, promulgated by the State of Florida, Department of Labor and Employment Security, Division of Workers' Compensation; 49 U.S.C. §§ 5301 and 5331; and the implementing regulations in **Title 49 of the Code of Federal Regulations, Parts 29, 40, 382 and 655 (bolded throughout Sections XX-A, B, C, and D of this policy)**. The program is also intended to deter drug and alcohol abuse by employees in order to limit illness and injuries to themselves and to others. While the majority of the program will have standards applicable to all City employees, certain provisions will vary to comply with regulations specific to certain job classifications. A copy of the federal regulations applicable to this program may be obtained in the Human Resources Department, or directly from the federal government's web sites.
3. To enforce the City's drug and alcohol-free policies and programs, candidates for employment and current employees can be required to submit to substance abuse testing under certain circumstances as set forth herein, and are expected to cooperate fully in providing specimens and explanations that may be subsequently required by this Policy.
4. This policy applies to candidates for employment and to City employees in all job classifications at all locations, during their entire work day (includes on-call and stand-by time).
5. City employees are strictly prohibited from engaging in any of the following acts while on City premises or within City facilities, while conducting City-related work off City premises, or while operating City vehicles:
  - a. Unlawful possession, use, consumption, sale, purchase, distribution, dispensation or manufacture of any illegal drug; or
  - b. Use or consumption of alcoholic beverages; or
  - c. Misuse of legally obtained drugs.
6. The City:
  - a. Will not permit any employee to report to work nor to perform duties with the presence of any illegal drug in his/her system; or with a blood-alcohol level as defined in Florida Statutes § 316.1932(1) (b), of 0.08 percent or more; or if his/her senses are impaired due to misuse of legally obtained drugs.

**XX. DRUG-FREE WORKPLACE PROGRAM**

Section: XX-A

*A Purpose, Scope and Prohibitions*

- b. **Will not permit any safety-sensitive employee covered by Parts 655 (Federal Transit Administration) and 382 (Federal Motor Carrier Safety Administration) of Title 49 of the Code of Federal Regulations (hereinafter: "covered employee") to:**
    - (1) **report to work with an alcohol concentration of 0.02 or greater**
    - (2) **perform safety sensitive functions within four hours of using alcohol**
    - (3) **consume alcohol for 8 hours following an accident unless employee has undergone and tested clean after being administered a post-accident alcohol test**
    - (4) **perform or continue to perform safety sensitive functions with an alcohol concentration of 0.02 or greater.**
  - c. **Will not permit employees to consume alcohol during the hours the employee is on call. Pursuant to Federal Transit Administration regulation 49 C.F.R. Part 655, a covered on-call employee who is called to report to duty shall have the opportunity to acknowledge that he/she has used alcohol during the on-call period, and whether he/she is able to perform his or her safety-sensitive duties. If the covered employee acknowledges having used alcohol during the on-call period, but asserts that he/she is able to perform his/her duties, the City shall refer the employee for testing. The City requires any admission that an on-call employee has used alcohol during an on call duty shift be in writing, and reserves the right to send any employee for testing, even where the employee admits alcohol use and that he/she cannot perform their duties.**
  - d. **Will not permit any employee to report to work or to perform his/her duties while taking prescription or non-prescription medication which adversely affects the person's ability to safely and effectively perform his or her job functions. Employees are required to notify their supervisor of prescription or over-the-counter medication which carries a warning label that indicates mental functioning, motor skills, or judgment may be adversely affected. All employees holding safety sensitive positions must comply with this requirement by completing the official reporting form developed by the Human Resources Department for this purpose. The City also reserves the right, once in receipt of notice, to require submission of additional documentation from the prescribing physician(s) confirming the ability to work under this policy. Medical advice will then be sought, as appropriate, before allowing the employee to return to performing work-related duties.**
  - e. **Will require an employee to report any criminal drug statute conviction, or a finding of guilt whether or not adjudication is withheld, or the entry into a diversionary program in lieu of prosecution to the Human Resources Staff, in writing, no later than three (3) days after such conviction. Any employee who fails to notify the Human Resources Staff will be subject to disciplinary action, up to and including termination.**
7. **Abiding by the terms of this policy is a condition of employment.**
  8. **Any employee who violates this policy is subject to disciplinary action, up to and/or including discharge.**
  9. **The policies and procedures set forth in the City's Drug-Free Workplace Program constitute statements of policy only, and are not to be interpreted as a contract of employment between the City and any of its employees. The City reserves the right to change, modify, or delete any of the Program's provisions and policies at any time.**

**XX. DRUG-FREE WORKPLACE PROGRAM**

Section: XX-B

*B. Drug and Alcohol Testing Program****B. Drug and Alcohol Testing Program***

## 1. Types of Testing

## a. Job Applicant Testing

- (1) Employment of every applicant who has received an offer of a job which has been designated as safety-sensitive is contingent on successfully passing a substance abuse test. The City reserves the right to allow a job applicant to start work pending the results of the drug test (with exception to applicants hired into "covered" positions).
- (2) For purposes of this section, the term "applicant" includes City employees who, for any reason, accept or are assigned to a safety-sensitive position.
- (3) Employees who advance within an established career ladder into a safety-sensitive position must submit to a drug test.

b. Persons covered under subsection two (2) or three (3) above will be sent for testing under City authority and using non-DOT referral form(s). **Non-safety-sensitive employees accepting or being assigned a covered safety-sensitive position must use DOT-approved referral form(s).**

## c. Reasonable Suspicion Testing and/or Post Accident/Cause.

- (1) Personnel trained by the City to detect the signs and symptoms of drug or alcohol use (and any other official authorized to make non-DOT referrals) may develop a reasonable suspicion to believe that an employee is using or has used drugs in violation of the City's policy. Evidence sufficient to support the development of a reasonable suspicion may consist of, but is not limited to:
  - (a) Observable phenomena while at work, such as direct observation of drug or alcohol use or of the physical symptoms or manifestations of being under the influence of a drug or alcohol.
  - (b) Abnormal conduct or erratic behavior while at work or a significant deterioration in work performance.
  - (c) A report of drug/alcohol use, provided by a reliable and credible source. Covered employees will be referred and tests processed on non-DOT chain of custody and breath alcohol forms.
  - (d) Evidence that an individual has tampered with a required drug test.
  - (e) Evidence that an employee has used, possessed, sold, solicited, or transferred drugs or alcohol while working or while on City premises or while operating a City vehicle, machinery, or equipment. Covered employees will be referred and tests processed on non-DOT chain of custody and breath alcohol forms.

**XX. DRUG-FREE WORKPLACE PROGRAM**

Section: XX-B

*B. Drug and Alcohol Testing Program*

- (f) Information that an employee has caused, contributed to, or been involved in an accident while at work. An employee who is unable to submit to testing at the time of an accident due to the seriousness of his/her injuries is required to provide the necessary authorization for obtaining medical reports or other documentation that would indicate whether there were any drugs or alcohol in his or her body. Employees not involved in accidents covered by specific federal regulatory criteria shall be referred to post-accident testing pursuant to forms and criteria developed by the Human Resources Department. **Pursuant to Federal Transit Administration regulation 49 C.F.R. Part 655, covered employees, including operators and other covered employees whose performance could have contributed to the accident, shall be referred for post-accident testing in the case of a fatality, bodily injury requiring medical attention away from the scene of the accident, or if the transit vehicle is a rubber tire vehicle and any of the involved vehicles are towed away, unless, in the case of a non-fatal accident, the employee's performance can be completely discounted as a contributing factor based on the best information available at the time of the referral decision. Accidents involving employees covered by Federal Motor Carrier Administration regulations will be referred for post-accident testing as required by 49 C.F.R. Part 382.**
- (g) An expanded panel drug test will be completed if any of the above criteria (a-e) exist. Note: **Federal Motor Carrier Administration and Federal Transit Administration** employees will have both a 5-panel test and a City specified expanded panel test completed during the one collection.
- (2) Immediate supervisors will report their suspicions to their department director. An employee will report immediately after the order to the designated laboratory for testing, under the following conditions:
- (a) If the supervisor believes the employee is impaired in any way by drugs or alcohol, the supervisor will personally drive or direct another responsible individual to drive the employee to the approved drug testing site.
- (b) An employee suspected of being impaired shall never be permitted to drive a vehicle during any duty shift during the period of suspicion.
- (c) Travel to and from, and time spent at, the drug testing site will be on City time - not the employee's own time.
- (d) After drug testing is completed, the employee should be transported to the department director's location. The director, based on the facts and circumstances, may place the employee on administrative leave pending receipt of the results of the drug or alcohol testing.

**XX. DRUG-FREE WORKPLACE PROGRAM**

Section: XX-B

*B. Drug and Alcohol Testing Program*

- (e) The director should arrange to have an impaired employee taken home. The director should tell an employee who refuses assistance that law enforcement authorities will be called if the employee attempts to drive home alone. If the employee persists in attempting to drive after such a warning, the director must call the appropriate law enforcement agency.
- (f) **Pursuant to 49 C.F.R. Parts 382 and 655, covered employees will be subject to alcohol testing only while performing safety sensitive duties or immediately before or after the performance of such functions. Alcohol testing shall only be administered if the reasonable suspicion observation is made immediately before or after the performance of safety sensitive duties, or while actually performing such duties (non-DOT forms shall be used to process referrals of employees performing non-safety-sensitive duties). If breath alcohol test is not administered within two (2) hours, then reasons shall be documented by the supervisor or other authorized official on designated HR forms and attempts to obtain testing shall continue. However, attempts to obtain alcohol testing shall cease after eight (8) hours and the supervisor or authorized official must further document the reasons for the failure to obtain testing within the allotted time period.**
- (3) Within seven (7) days after testing based on reasonable suspicion, the supervisor who recommended the testing shall detail in writing, on the City's Reasonable Suspicion Testing Report Form, the circumstances which formed the basis of his or her belief that reasonable suspicion existed to warrant the testing. The department director who directed the drug test will certify on the form that he/she was informed of the basis of suspicion and was satisfied reasonable suspicion existed. A copy of this report shall be provided to the employee being tested upon request. The original copy of the report shall be kept confidential and retained by the Human Resources Department for at least twelve months.
- (4) Any on-the-job injury for which an employee requests or is required to seek Workers' Compensation medical treatment amounts to sufficient reasonable suspicion to require drug testing. All employees reporting for such medical treatment will submit to a drug/alcohol test as part of the evaluation. The employee's immediate supervisor will prepare a Reasonable Suspicion Testing Report Form the first time an employee is treated for a particular injury and forward the Form, through the department director for certification, to the Human Resources Staff within three (3) work days of the first treatment.
- (5) **Pursuant to 49 C.F.R. Parts 382 and 655, post-accident testing related to accidents involving covered employees shall be completed as soon as practicable but must be within thirty-two (32) hours of the accident. If a post-accident alcohol test is not conducted within two (2) hours of the accident, the supervisor must document the reasons why on such form as may be developed by the Human Resources Department for such use. Nevertheless, the supervisor shall continue attempts to obtain a specimen for up to eight (8) hours after the accident. All reasons why attempts to obtain a specimen within this eight (8) hour period were unsuccessful must be documented as noted above. Covered**

**XX. DRUG-FREE WORKPLACE PROGRAM**

Section: XX-B

**B. Drug and Alcohol Testing Program**

employees must remain readily available for post-accident testing, including notifying their department or Human Resources of their location if they leave the scene of an accident prior to submission to post-accident testing. Failure to make such notifications upon leaving an accident scene shall constitute a refusal to submit to testing.

## d. Routine Fitness-for-Duty Testing

All employees in an employment classification or group, for which the City routinely schedules employee fitness-for-duty medical examinations pursuant to City policy, must submit to a drug test as a part of their medical examinations.

## e. Follow-up/Return to Duty Testing

(1) Covered employees subject to return to duty and follow up testing must first meet with a substance abuse professional pursuant to the requirements of 49 C.F.R. Part 655 and 40. Covered employees reemployed after violating DOT drug and/or alcohol regulations must show written proof of completion of required certified substance abuse professional (SAP) evaluation, referral and education/treatment process and obtain a negative return to duty test. If said covered employee has been released by the SAP to return to safety sensitive duties but still required by the SAP to obtain ongoing treatment (at employee's expense), all such SAP requirements must be complied with as a condition of continued employment. Any post-positive return to duty or follow up testing required will be at the employee's expense and be "observed collections."

(2) If, in the course of employment, an employee is required by the City to enter an employee assistance program (EAP) for drug-related problems or a drug/alcohol rehabilitation program, the employee must submit to drug or alcohol testing as a part of and as follow-up to such program.

## f. Post-Absence Testing

Safety sensitive employees who are returning to the workplace after an absence of ninety (90) calendar days or more (i.e., sick, vacation, jury duty, military leave, leave of absence, worker compensation, family sick, etc.), must, whether leave was FMLA-covered or not, submit to drug testing before returning. **In accordance with applicable federal regulations, a Covered Employee returning to duty after ninety (90) consecutive calendar days or more, must obtain a negative test result prior to the reassignment to safety-sensitive duties. Covered Employees absent from the workplace for ninety (90) days or more shall not be subjected to random testing during the period of absence.**

## g. Random Testing

(1) An employee in a safety-sensitive or special-risk position (X-B-1-g(3)) will be required to submit to unannounced and unpredictable drug/alcohol testing when selected pursuant to a random selection process, any time while on duty. The process developed by Human Resources to make the random selections shall be by a scientifically valid method, such as a random number table or computer-

based random number generator, and ensure that each covered employee will have an equal chance of being tested each time selections are made. Pursuant to 49 C.F.R. Parts 382 and 655, covered employees will be subject to alcohol testing only while performing safety sensitive duties or immediately before or after the performance of such functions. Notwithstanding the foregoing and regardless of applicable federal DOT regulations, any employee may be subject to random testing at any time where such random testing has been agreed to by the employee and the City within a labor contract, last chance agreement or similar contract.

- (2) **The Human Resources Staff will establish a program to annually test randomly a number of employees in safety-sensitive and special-risk positions. Of the total number of employees in these positions, 10 percent will test for alcohol and 50 percent will test for drugs. The Program shall ensure that the dates established for administering random tests are spread reasonable throughout the calendar year. Random testing will be conducted at all times of the day when safety-sensitive functions are being performed by those subject to such testing. Once notified of selection for random testing, the selected employee must proceed immediately to the testing facility as instructed by the referral.**
- (3) **"Safety-sensitive or special-risk positions" include the following positions:**
  - (a) **Transit and Para-transit vehicle operators and attendants.**
  - (b) **Transit and Para-transit dispatchers, schedulers, and movement controllers.**

  - (g) Emergency Medical Lieutenants, Captains and Chiefs.
  - (h) Beach lifeguards and officers.
  - (i) Water treatment plant operators and laboratory technicians.
  - (j) Any employee not listed above who, as a condition of employment, must possess a Commercial Drivers License (CDL) or who has the use of heavy equipment or machinery, such as back hoes and chain saws which could, during a momentary lapse of attention, cause great harm to others, or who work with toxic or hazardous chemicals, high voltage, pressurized gasses, or volatile chemicals.

**testing for Federal agencies. All testing procedures will comply with 49 C.F.R Parts 40, 382 and 655.**

- (2) The testing will be conducted with chain of custody procedures in place to ensure accuracy/continuity in specimen collection, handling, transfer and storage.

b. Drugs to be Tested

When testing is conducted in conjunction with this Program, the City may test for any or all of the following drugs: **amphetamines; cannabinoids; cocaine; opiates; phencyclidine;** barbiturates; benzodiazepines; methaqualone; hallucinogens; synthetic narcotics; designer drugs; alcohol, including distilled spirits, wine, malt beverages or an intoxicating liquor; or a metabolite of any of the substances listed in this paragraph. **Screening test cut off levels for the first five listed drugs will be as set forth in 49 C.F.R. Part 40.87.**

c. Reporting Medication Which May Alter or Affect a Drug Test Result

Either before or after being tested, job applicants or employees are required to inform the MRO of the use of prescription or non-prescription medication which may alter or affect the outcome of a drug test as well as any other information relevant to the drug test result. The information provided by the employee or job applicant will be kept confidential and shall be reviewed only by a Medical Review Officer (MRO) interpreting any confirmed positive results. Applicants or employees have the right to consult with the MRO for technical information regarding prescription and non-prescription medication to determine whether the medication has affected a drug or alcohol test result. To aid in this opportunity, the City will provide to the applicant or employee, at the point of referral, a list of the most common medications, by brand name or common name, as well as by chemical name, which may alter or affect a drug test result. (Note: hemp, hemp and/or "coca" products, nor "medical marijuana" will not be accepted as a legitimate explanation for a THC positive test.)

d. Cost of Testing

- (1) The City will pay the costs of initial and confirmation drug/alcohol testing which it requires of job applicants and employees.
- (2) Applicants and employees shall pay the cost of any additional drug and alcohol testing not required by the City, including tests conducted for employees as part of an EAP or drug/alcohol rehabilitation program, or as a condition of returning to work. The employee requesting the test may not use the City's "Drug Test Referral" form, nor will the result of the test be reported to the City through its normal testing/reporting procedures.

## e. Collection Site and Laboratory Analysis Procedures

Security of the collection site, chain of custody procedures, privacy of the individual, collection control, integrity and identity of the specimen and transportation of the specimen to the laboratory, as well as laboratory security, laboratory chain of custody, transporting and receiving of specimens, specimen processing, retesting, storage of specimens, instrument calibration, and reporting of results, shall be in accordance with Florida Statutes §§ 112.0455 and 440.102, or 49 U.S.C. § 5331, and the rules established by the State of Florida, Agency for Health Care Administration, or by 49 C.F.R. Parts 40, 382 and 655. These procedures are intended to ensure that specimens are properly collected, identified and tested.

## f. Specimen Type Testing

- (1) **Drug testing will be by urinalysis, following the procedures of 49 C.F.R. Part 40 Subpart E and Chapters 112 and 440 of the Florida Statutes.**
- (2) **Normally, alcohol testing will be by a breath alcohol device, following the procedures of 49 C.F.R. Part 40 Subpart L. EBTs will be able to print out results and will conform to subparts L & M of 49 C.F.R. Alcohol screening tests will be conducted according to the procedures set forth in 49 C.F.R. §40.243. If the screening shows an alcohol concentration of 0.02 or greater, a confirmation test will be performed, according to 49 C.F.R §40.253 & 40.255, within 30 minutes of the screening test. A different BAT, EBT or location is not required.**

## 4. Release and Review of Test Results

## a. Medical Review Officer (MRO)

The City will contract with a private entity, which will employ licensed physicians to act as MROs. The MROs will be responsible for receiving and reviewing all confirmed test results from the testing laboratory. The MROs will contact each donor who tested positive to inquire about possible prescription or over-the-counter medications or other factors which could have caused a positive test result, and to provide technical assistance for the purpose of interpreting the result.

## b. Reporting Results

- (1) The testing laboratory will report all drug test results directly to the MRO as soon as possible. The laboratory must provide the MRO quantification of the test results upon request.
- (2) Only specimens which are confirmed as positive on the confirmation test shall be reported positive to an MRO for a specific drug.
- (3) When the MRO receives a confirmed non-negative drug test result from the

Section: XX-B

*B. Drug and Alcohol Testing Program*

laboratory, the MRO will telephonically contact the donor (actually talk to the donor) on a confidential basis to determine whether the employee wants to discuss the test result. In making this contact, the MRO will explain to the donor that if he or she declines to discuss the result, either face to face or on the phone, the result will be verified as positive or a refusal, as applicable. While the staff of the MRO may make the initial contact with the donor to schedule the discussion, advise the donor to have medical information (e.g. prescriptions or other medical information explaining the result) ready to present to the MRO, and relay the consequences of the donor's refusal to discuss the results with the MRO, MRO staff will not gather any medical information from the donor, nor any information concerning possible explanations for the test result. If the donor declines to schedule a discussion with the MRO concerning results, MRO staff will document this decision, including the date and time the donor so declined. The MRO or his/her staff will make reasonable efforts to contact the donor at the day and evening phone numbers listed on the referral form. Such efforts will include, at a minimum, three (3) attempts to call each number, at reasonable intervals, over a 24-hour period.

- (4) If the MRO is unable to directly contact a donor who has tested positive after contact efforts, such efforts will be documented, including dates and times of calls. If the numbers provided are found to be incorrect (disconnected, wrong number), upon the first attempts to use them, then, without waiting the full 24-hour period, the MRO will notify the Designated Employer Representative (DER) and request that the City direct the donor to contact the MRO, but will not then inform the City that the donor has a confirmed positive, adulterated, substituted or invalid result. The MRO will document the dates and times the City was contacted, and the name of the City staff person contacted. After such notice from the MRO, the City will attempt to contact the donor immediately, using procedures that protect, as much as possible, the confidentiality of the MRO's request that the donor contact the MRO. If the City succeeds in contacting and actually talking to the donor, it will order the donor to comply with the MRO's request for contact immediately, inform the donor of the consequences of failing to contact the MRO within the next 72-hours, document the date and time, and inform the MRO that the foregoing information has been conveyed to the donor. The City will not inform anyone else about its efforts to contact the donor on behalf of the MRO. If the City has made at least three (3) reasonably-spaced attempts over a 24-hour period to contact the donor at both the day and evening phone numbers listed, the City will leave a message for the donor by any reasonable means (including letter, e mail or voice mail) that the donor must contact the MRO, and may thereafter place the donor on unpaid leave pending receipt of test results from the MRO. The City will document the dates and times of the call attempts.
- (5) If the MRO was unable to speak directly with the donor and has reported the result to the DER, or designee, the MRO will allow the donor to present information to the MRO within 60 days of the verification to document that serious illness, injury, or other circumstances unavoidably precluded contact with the MRO and/or DER in the times provided. On the basis of such information, the MRO may reopen the verification, allowing the donor to present information concerning whether there is a legitimate medical explanation of the confirmed test result.

**XX. DRUG-FREE WORKPLACE PROGRAM**

Section: XX-B

*B. Drug and Alcohol Testing Program*

- (6) If the donor refuses to talk with the MRO regarding a confirmed positive test result, the MRO will validate the result as positive and annotate such refusal in the report.
- (7) The MRO will notify the Human Resources Staff or designee, in writing, of the verified test result, either negative, positive or inconclusive. If the MRO determines that there is a legitimate medical explanation for the positive test result, the MRO will report a negative test result to the City.
- (8) Should the MRO feel that the legal use of a medication would endanger the donor or others, or if the donor is in a safety sensitive or special risk position at the City, the MRO will report the test negative due to a validated prescription, but will request that the individual be placed in a position which would not threaten the safety of the donor or others. The Human Resources Staff or designee will notify the employee's department director, or designee, immediately.

## c. Notice to Donor of Test Results

Within three (3) workdays after receipt of a confirmed positive test result from the MRO on an employee or a job applicant, the Human Resources Staff, or designee, will inform the applicant in writing of the positive test results, the consequences of the results, and the options available to the employee/applicant, including the right to file an administrative or legal challenge.

## d. Administrative Requirements

The City will contract with a reputable firm which will be responsible for maintaining all records and making all reports required by federal and state laws, regulations and rules. Employees will have access to their personal records.

## 5. Challenges to Test Results

- a. A copy of the test results will be provided to the donor upon request.
- b. Administrative or Legal Challenge
  - (1) An injured employee may administratively challenge test results by filing a petition for benefits with a Judge of Compensation Claims pursuant to Chapter 440, Florida Statutes.
  - (2) Any donor may challenge the test result in a Court of competent jurisdiction, as may be authorized by general law.
  - (3) A donor who desires to challenge the results of a test is responsible for notifying the testing laboratory to retain the testing sample until the retesting is performed or the matter otherwise closed.

## c. Independent Testing

- (1) **DOT employees that have a verified positive drug test result, or a test refusal due**

**to adulteration or substitution, may request a test of their split specimen. However, there is no split specimen testing for an invalid result.**

- (2) The donor has 180 days, from time of written notification, **(3 days, from time of MRO notification, for safety-sensitive Department of Transportation employees)** to request independent testing of a portion of the tested specimen after receiving written notification of a positive test result. The laboratory utilized must also be licensed by the State of Florida Agency for Health Care Administration certified by the United States Department of Health and Human Services. Split specimens conducted under DOT regulations must be tested at a laboratory certified by the United States Department of Health and Human Services.
- (3) The independent testing is at the donor's expense. Safety-sensitive Department of Transportation employees will be required to pay in full any and all costs relating to their requested re-test of their original split specimen after such test has been ordered.
- (4) Results of the testing may be used in any administrative or legal challenge.
- (5) Notwithstanding the foregoing, the City reserves the right, where an adequate sample size exists, to request a retest on its own, but only to the extent that such retest can be performed without compromising the ability of the employee or applicant to request his or her own retest, as otherwise permitted under this policy.

Section: XX-C

*C. Consequences of Positive Test Results**C. Consequences of Positive Test Results*

## 1. Non-Employee Applicants

- a. If the results of a pre-employment drug test are confirmed positive, or if the applicant's actions are deemed a refusal to submit to testing, as defined in Section XX.B.2.c.1 (hereinafter defined as "refusals"), a general public applicant will be disqualified from further consideration.
- b. General public applicants are eligible to reapply for employment consideration employment consideration as provided in that section.
- c. Disqualified after a thirty-six (36) month waiting period.

- e. **Covered safety-sensitive applicants who have violated the DOT drug and alcohol regulations cannot perform any DOT safety-sensitive duties for any employer until and unless they complete the certified Substance Abuse Professional's evaluation, referral and education/treatment process set forth by the CFR. Additionally, any DOT employee returning to City employment at the end of his/her restriction period will be required to show proof of completing the Substance Abuse Professional's (SAP) evaluation and recommendations and stating his/her ability to return to safety-sensitive duties. This must be done by a written report on letterhead from the SAP.**

## 2. Employees

- a. Any employee whose results are confirmed positive when tested for any valid reason, or who refuses to submit to testing as defined in Section XX.B.2.c(1), will be immediately removed from duties and discharged. **Covered employees who test positive will be given a list of local substance abuse professionals and treatment providers.**
- b. Notwithstanding the foregoing, non-safety-sensitive employees with a confirmed alcohol concentration of .02 or greater but less than .08, or safety-sensitive employees with confirmed alcohol concentration of .02 but less than .04 will not constitute a "positive." 3. Request for Review of Termination/Disqualification
  - a. Within five (5) working days after receiving notice of a confirmed positive test result, the donor may submit a written, signed statement to the Human Resources Staff explaining the test results and providing all relevant information the donor believes should result in the automatic dismissal/disqualification provisions of this policy not being applied. The donor may be required to submit additional statements or materials to facilitate the Human Resources Staff's review. The purpose of the submission would be to explain how the positive test result was not the fault of the donor, not to challenge the underlying test result.
  - b. The Human Resources Staff will review the submission and if he/she believes that the donor has provided confirmed, reliable evidence that the positive test result was not in any way the fault of the donor or the result of the donor's actions, inaction, or illegal, careless or negligent behavior, and that the circumstances otherwise may not support the application of the automatic dismissal/disqualification provisions of this policy to the donor, a recommendation to that effect may be made to the City Manager, who shall have sole authority to except the application of the provisions, and may condition any exception on such terms and conditions as he or she may deem appropriate to place upon the donor. The Human Resources Staff will provide the donor with a written response to the submission once a determination has been made. Notwithstanding any reversal of the automatic dismissal/disqualification provisions pursuant to this section, neither confirmed positive test results nor related medical conclusions concerning the reasons for those results may be overturned by the City and the record of same will remain in the applicable confidential drug free workplace program files.

**XXI. PROFESSIONAL DEVELOPMENT**

Section: XXI

**XXI. PROFESSIONAL DEVELOPMENT**

1. To encourage a well-trained, educated workforce, the Board of Commissioners desires through this policy to provide training and education opportunities for its employees to the fullest extent allowed by law.
2. The Human Resources Department shall serve as clearing-house for all education/training opportunities, including but not limited to the development of training programs for all employees with the authority to make such programs mandatory where deemed necessary, and shall otherwise administer the professional development policy. Individual department directors shall have oversight of all issues herein related to the obtaining and maintaining of professional licenses, legal or technical certifications, or similar department-specific or specialized training or testing.
3. An annual report of training and education activities/participation will be generated at the end of each fiscal year to allow the City Manager and department directors to assess trends and set training/education program priorities. A record indicating the employee has attended training and/or participation in tuition reimbursement shall be maintained by Human Resources for each employee.
4. The following policies apply to costs related to degree programs and non-degree courses:
  - a. *Non-degree courses or seminars:* Costs of training courses or seminars not taken as part of a college or university program terminating in the award of a degree may be paid for or reimbursed only if the course or seminar is designed to improve the effectiveness or efficiency of an already qualified employee in the position which the employee already holds and works in, and is not designed to qualify an employee for his/her current duties. However, such costs may be paid for or reimbursed for courses or seminars which will allow an employee to advance within established career ladders, or to obtain or maintain certifications required by state or federal laws or regulatory authorities.
  - b. *Degree programs:* Tuition may be reimbursed at a level not to exceed 80% of the prevailing in-state resident University of South Florida rate. Reimbursement shall be limited to courses which are required as part of an overall academic program leading to a degree related to the employee's current City position, but specifically excludes remedial courses and doctoral dissertation credits. The tuition reimbursement benefit shall only be applicable to actual tuition charged and shall not be used to pay for other college-related costs such as books, fees or campus housing. Reimbursement may only be provided for a course offered by an institution accredited by the Southern Association of Colleges and Schools, or other national or regional accrediting agency recognized by U. S. Secretary of Education, as listed at: [www.ed.gov](http://www.ed.gov).
5. *Tuition reimbursement conditions:* Reimbursement for college tuition is a discretionary benefit and shall always be subject to the availability of appropriated funds from the Board of Commissioners. Approval of any specific reimbursement request is at the sole discretion of the Human Resources Staff, who must weigh all relevant facts and policies in granting or denying any request. Reimbursement is further conditioned on the award of a "C" grade (or "pass" in pass/fail courses), and upon such standards or priorities as Human Resources may develop for eligibility, such as execution of tuition records release, whether the employee is full or part time, the employee's work, attendance or discipline record, whether the institution is a Florida public institution, private college, or online college, and past ability of the

**XXI. PROFESSIONAL DEVELOPMENT**

Section: XXI

employee to successfully complete reimbursed courses. Reimbursement may also be conditioned upon an employee's agreeing to reimburse the City for tuition paid should the employee receive subsequent grants or scholarships covering all or part of the City tuition payment, resign prior to a set period of time after the course is taken, or be terminated for cause.

6. Pursuant to paragraph 4(a) above, expenditures for technical training, licensing and/or certifications, renewal of licensing and/or certifications, and testing fees may be paid for or reimbursed as long as they relate to the employee's position or career ladder. Where the department director deems it appropriate, he/she may authorize a one-time pre-payment of fees for a required license or certification exam where such license or certification is contingent upon the passage of such exam.
7. In accordance with 29 C.F.R. § 785.27, attendance at lectures, meetings, training programs and similar activities need not be counted and, consequently, shall not be counted as working time if the following four criteria are met:
  - a. Attendance is outside of the employee's regular working hours;
  - b. Attendance is in fact voluntary;
  - c. The course, lecture, or meeting is not directly related to the employee's job; and
  - d. The employee does not perform any productive work during such attendance.
8. Attendance at training workshops/seminars is permissible during working hours with prior department approval. All employees who attend education or training classes during normal working hours are directed to mark their time cards with the appropriate code as enacted by the City's payroll system.
9. Where reimbursement requests under this policy exceed available funds as they have been budgeted and allocated across the City organization, the Human Resources Staff, subject to approval of the City Manager, may set priorities such as electing to offer only partial reimbursement to requestors, reimburse in a first-come, first-served manner, or in such other manner as is deemed needed to ensure a fair and balanced ability for all employees to obtain the benefit.
10. An employee may not use any City personnel, equipment or supplies as part of the course or program of instruction. Nor may an employee work on projects or homework, or attend a tuition-reimbursed course during assigned working hours, unless such time is covered by approved vacation or compensatory time leave, or leave without pay.
11. NOTE: The establishment of this section does not create an entitlement to any given level of tuition or training funding. Each fiscal year, the Board of Commissioners will budget such funds as it deems appropriate to provide for such expenses, balancing the City's desire to provide training and educational opportunities to its employees vs. the many other funding priorities of the City. To the extent funding is made available in any given fiscal year, the City Manager and Human Resources shall endeavor to ensure such funds are equitably granted among the City's various departments.
12. Human Resources is authorized, subject to approval of the City Manager, to develop such forms, schedules and procedures so as to implement the provisions of this policy.

City employees may from time to time be requested or subpoenaed to make a statement to an investigator, an attorney, or a law firm. These statements may be concerned with an actual or contemplated legal action against the City. Employees are not generally authorized to make representations to anyone regarding City business. 2. Exceptions: Certain City departments or functions, by their nature, draw frequent media requests for interviews or information. In these circumstances, such as hurricane and other emergency services operations, the department chief or director overseeing the department or function may designate an employee as a “spokesperson” regarding that matter and that employee, once designated, may then provide interviews and information to the media concerning their area of responsibility without the need to obtain individualized prior approval. Such employees should, however, keep the City Administration and, where appropriate Board of Commissioners and the City Attorney informed of interviews or information requests of significant concern.
3. Nothing herein shall be interpreted or applied so as to prevent any employee from the exercise of the personal right to free speech as a citizen, as that right is defined by the federal courts. However, employees in such situations should be clear they are speaking for themselves and refrain from stating or implying that they are speaking for or as representatives of Madeira Beach.

***I. Recording Workplace Communications Prohibited***

Chapter 934, Florida Statutes, prohibits interception of wire or oral communications by electronic, mechanical or other device without the consent of all parties involved. Recordings related to City business are also public records subject to being retained and inspected. **K. Searches on City Property**

Madeira Beach seeks to provide a safe work environment for all its employees. To that end, the City reserves the right whenever a manager or department director has reasonable suspicion to believe an employee has brought on City premises or work sites alcohol, illegal drugs or controlled substances, or any other illegal or prohibited item, weapon, or stolen property; or has misused City equipment, to search City property including, but not limited to work locations, desks, file or storage cabinets, computer files (including software, hardware, e mail, voice mail, and internet activity), lockers (locked or unlocked), City vehicles and private vehicles parked on City property or being used at the time of search for City business, and all other City equipment.

On a case by case basis, employees may be requested to display personal property for visual inspection. Failure to comply with a search or visual inspection request from supervisory or security personnel will be grounds for discipline. Searches of an employee's personal property, such as purses or briefcases or lunch containers, will take place only in the employee's presence unless an emergency condition exists which would, if confirmed, endanger others or the employee him/herself. Employees who do not wish to subject personal items to possible inspection are strongly advised to leave such items at home.

The City will make every effort to honor the personal dignity of employees during any search but will take appropriate disciplinary action in cases where prohibited items or activities are uncovered, regardless of how such item(s) or activity has been discovered (accidentally or in the process of a search).

Unless circumstances prohibit a search it shall be conducted by a department director or above with one other member of management also present.

**N. City Bulletin Boards and Common Areas**

The City may from time to time establish and ordain certain display cases, bulletin boards, or the like for the purpose of posting authorized communications to employees and/or the public. The purpose of such bulletin boards or display cases is not to create a general speech

area but is instead intended to effectively and efficiently communicate information to citizens and employees. Employees are thus prohibited from posting any item not approved by the City Manager or Human Resources Staff in advance and not related to City government or City employment. Employees are likewise prohibited from removing any posted notice or item from a City display case or bulletin board unless authorized, and from posting, or facilitating or authorizing anyone else to post any advertisement, notice, solicitation or any other printed materials in, on or along any common area of any City building or facility. Common areas include, but are not limited to, break rooms, entryways, doors, elevators, hallways and parking facilities.

Therefore, all employees of Madeira Beach government are required to properly treat any communicable disease which would present a danger to the health or safety of fellow employees. Employees should, in consultation with their health care providers, take appropriate precautions within the workplace to reduce any infection risks to co-workers. Madeira Beach does not seek to needlessly impose on the medical privacy of its employees and where a communicable disease or illness is adequately managed and treated, the employee need not disclose same to co-workers or the City. By accepting employment with the City, employees acknowledge and consent to the City's authority to retain or otherwise withhold portions of an employee's compensation to allow such funds to be recovered by the City except to the extent the deduction would reduce regular pay to an hourly rate below the prevailing minimum wage, or as otherwise prohibited by law. The City does not authorize or permit the use of City communication assets, including phones and e mail systems, to be used to make or receive messages related to debt collection efforts.
