REPORTS

Chief's Report

Last week, we swore in a new Police Officer, David Ilea. We currently have 2 police officer candidates in the background process. We had a dispatcher that was in the training program who resigned recently for a different opportunity, and we have one in training now. We will restart the hiring process to get our dispatchers to full staffing again. Sgt. White retired in July and Officer Hirst and Sgt Walker are both retiring in August. Officer Heinrich is set to retire in February 2027. Officer Jacobs will be moving over to Lamphere High School to replace Officer

Hirst as the Lamphere School Resource Officer.

We ordered new bullet proof vests for the department and are waiting for them to ship.

Our contract negotiations were all negotiated and ratified successfully.

We are trying out a new program called Axon Draft One. This is a software program that can dictate body cam conversations for reports.

We are updating the Conference Room at the PD. We are painting and will be getting new carpet sometime this fiscal year.

We will be presenting a Capital Improvement budget item this year called Red Dots. This is a mounted holographic site on the officers firearms for improved accuracy and reduced liability.

Council Report

No Council report from Mayor Haines. During new business, Councilman Wright stated that at the council meeting last night, they approved the purchase of three (3) Dodge Durango's for the Police fleet.

UNFINISHED BUSINESS

Bike Rodeo Follow Up - It was a successful event this year. We moved the event to the back lot of the PD and it was a great change to the event.

Blue Hands for Autism - We will discuss this at the October meeting due to Beth waiting to speak with Lamphere School District.

NEW BUSINESS

Revin' in the Heights Car Show - The event will be September 19, 2026 from 10 a.m. – 3 p.m. This is a great opportunity for the community to come together. We are hoping for 100 + cars to be there this year. Oakland County Board of Commissioners is a sponsor of the car show, and we are hoping to have Priority Waste as a sponsor again this year. There will also be food trucks, RC car racing and awards at the car show.

Chairperson Elections - Will be handled at the October 2026 meeting due to attendance.

2027 Workplan - Will be handled at the October 2026 meeting due to attendance.
