PUBLIC HEARING:

PARKS AND RECREATION MASTER PLAN – PUBLIC HEARING AND ADOPTION

Staff is presenting the 2026-2030 Parks and Recreation Master Plan, which has been under development over the last year. The State requires the city to have a five-year Master Plan on file with the Michigan Department of Natural Resources to apply for any State grants offered in the next five years.

The draft plan has been posted on the City's website and will be made available in print to the public through the Clerk's Office and Library to meet the State's minimum 30-day review and comment period.

All public comments were addresses. Following the required public hearing, staff and I recommend approval of the resolution to adopt the plan.

CONSENT AGENDA:

MHDDA BYLAWS AMENDMENT – TERM LIMITS

In 2020 the MH Downtown Development Authority (DDA) adopted by-laws imposing term limits in order to promote new membership. Since that time, we have found that there is naturally enough turn over to have a great mix of experience and new membership willing and able to serve on the board. Therefore, the DDA unanimously approved recommending the elimination of the provision within the MHDDA Bylaws pertaining to board member term limits and recommended this amendment to the City Council for approval.

CITY COUNCIL MEETING DATES 2026

Council is requested to adopt the 2026 City Council Meeting Calendar. Date changes take place in observance of Memorial Day, and a time adjustment to 7:30 for the Tree Lighting.

BOARD AND COMMISSION – APPPOINTMENT TO BRWONFIELD AND DDA

At their last meeting, the DDA Board voted to recommend that Mayor appoint Lourdes Osorio-Lorenzo to serve on the Brownfield and Downtown Development Authority Boards to the vacant regular term.

BOARD AND COMMISSION – APPONTMENT TO PLANNING COMMISSION

Three applications have been received for the current vacancy on the Planning Commission. Mayor Haines is requesting that Council concur with the Mayor's appointment of Matthew Olson to the Planning Commission to a regular term to expire 8/31/28.

REPORTS:

ELECTED OFFICIALS' COMPENSATION COMMISSION – SALARY ORDER RESOLUTION

At the Elected Officials Compensation Commission Meeting held on November 24, 2025, the Commission authorized a Salary Order that provides for a three percent (3%) salary increase for the Mayor and Council effective January 9, 2026, and a three percent (3%) increase effective January 1, 2027. The appropriate Council action would be for the Council to receive and file the Salary Order with the City Clerk, which would implement the Commission's Order effective thirty (30) days from the date of filing or to reject the Salary Order in whole or in part, which requires a two-thirds supermajority vote.

PREPARED BY: Sean Ballantine, Director of Public Services

AGENDA ITEM CONTENT: Public Hearing for the Recreation Master Plan

AGENDA ITEM SECTION: Public Hearings

EXECUTIVE SUMMARY:

Every five years we update the Parks and Recreation Master Plan. This is required to be eligible for DNR grants, but also enables us to stay in alignment with residents interests and council goals and financial realities. The most recent plan was approved in 2020 covering 2021-2025. The plan before you tonight was created with extensive community engagement and covers the period of 2026-2030. There was a publicized 30-day public review period held prior to the public hearing tonight.

RECOMMENDATION:

Staff and I recommend two motions of City Council:

1. To open a Public Hearing to receive comments related to the Recreation Master Plan.

Following the public hearing,

2. To approve the resolution adopting the Parks and Recreation Master Plan, and authorize Staff to submit it to the Michigan Department of Nature Resources.

To: Melissa R. Marsh, City Manager
From: Sean P. Ballantine, Director of Public Services
Date: December 1, 2025
Subject: Parks and Recreation Master Plan – Public Hearing and Adoption

Staff has been diligently working on the new 5-Year Parks and Recreation Master Plan throughout the 2025 calendar year. Unlike in previous years, when we engaged an outside consultant, this time the plan was developed entirely in-house. We believe this approach has resulted in a stronger, more relevant plan—one that better reflects the goals and priorities of our staff, City Council, and community members.

Since April, staff and members of the Parks and Recreation Advisory Board have actively engaged the community through the following efforts:

- Attendance at six community events
- Publication of 12 social media posts
- Two targeted public engagement initiatives
- Two public hearings, including:
 - One focused on accessibility
 - One reviewing engagement findings with the Advisory Board and City Council

In total, we gathered feedback from 822 individuals, and 26 additional community members attended our public meetings.

Recommended Actions:

Staff recommends that City Council take the following two actions at tonight's meeting:

1. **Hold a Public Hearing** to receive comments on the proposed Parks and Recreation Master Plan.
2. **Following the hearing, approve the resolution** adopting the Master Plan and authorizing staff to submit it to the Michigan Department of Natural Resources.

We appreciate your continued support and look forward to your feedback.

**The City of Madison Heights
Parks and Recreation Master Plan
2026-2030**

WHEREAS, the City of Madison Heights has undertaken a planning process to determine the recreation and natural resource conservation needs and desires of its residents during a five-year period covering the years 2026 through 2030, and

WHEREAS, the City of Madison Heights began the process of developing a parks and recreation plan in accordance with the most recent guidelines developed by the Department of Natural Resources and made available to local communities, and

WHEREAS, residents of the City of Madison Heights were provided with a well-advertised opportunity during the development of the draft plan to express opinions, ask questions, and discuss all aspects of the recreation and natural resource conservation plan, and

WHEREAS, the public was given a well-advertised opportunity and reasonable accommodations to review the final draft plan for a period of at least 30 days, and

WHEREAS, a public hearing was held in person at the Regular City Council Meeting on December 8, 2025, to provide an opportunity for all residents of the planning area to express opinions, ask questions, and discuss all aspects of the City of Madison Heights Parks and Recreation Master Plan, and

WHEREAS, the City of Madison Heights has developed the plan as a guideline for improving recreation and enhancing natural resource conservation for the City of Madison Heights, and

NOW, THEREFORE BE IT RESOLVED after the public hearing, the City Council of the City of Madison Heights hereby adopts the City of Madison Heights Parks and Recreation Master Plan for 2026-2030.

REGIONAL SETTING

The City of Madison Heights is located in the southeast corner of Oakland County, just west of the Macomb County border and about two miles north of Detroit. The city benefits from excellent regional connectivity, with freeway access provided by Interstate 75 (I-75) and Interstate 696 (I-696), making it a convenient location for commuters and businesses. Public transportation is also available through the Suburban Mobility Authority for Regional Transit (SMART) system, offering additional mobility options. As part of Oakland County, the second most populated county in Michigan, Madison Heights has experienced steady growth, with its strategic location attracting both employers and residents. According to the 2021 Land Use Survey, only 1.6% of the city's total acreage remains vacant, reflecting its development and economic vitality over the past 70 years.

HISTORY

Madison Heights sits on the ancestral lands of the Anishinaabe, specifically the Three Fires Confederacy of the Ojibwe, Odawa, and Potawatomi. Evidence of Native presence remains in the Red Run waterway and pre-settlement irrigation systems. In the 1830s, early settlers such as George Dawson, Archibald Lamphere, and Irish widow Elizabeth McBride began purchasing land. At that time, the Red Run River flowed through the area, but due to flooding and urban expansion, it was buried in the 20th century and incorporated into a storm and sanitary drain system. Madison Heights experienced significant growth during the 1950s and 1960s, reaching a peak population of 38,000 in 1970. Since then, the City has become mostly built out, and population has stabilized slightly below that peak as most available land for new housing was developed and average household size decreased. Although total population declined modestly, the number of housing units increased, resulting in more homes supporting smaller households—a trend illustrated in the population data from 2000 to 2025.

ECONOMICS

Economically, Madison Heights maintains a median household income of \$66,726, which is slightly below the Michigan average by \$2,457. Despite this, the city's poverty rate stands at 11.3%, which is lower than the state's 13.5% average. However, poverty disproportionately affects the most vulnerable populations, particularly children under 18 and seniors aged 65 and older. These statistics highlight the need for community programs that provide economic support and resources for lower-income families and elderly residents.

HOUSING

The city offers a mix of housing opportunities, with 63.8% of residents owning their homes. The median home value in Madison Heights is \$190,300, while the median gross rent is \$1,138, making rental housing relatively affordable compared to other areas. These statistics indicate a balanced housing market by offering both homeownership and rental options that cater to a range of economic situations.

THE PEOPLE OF MADISON HEIGHTS

Madison Heights is a diverse city with a population of approximately 28,238 residents. The community reflects a mix of racial and ethnic backgrounds, with 80% of residents identifying as White, 7.4% as Black or African American, 7.4% as Asian, and 3.6% as two or more races. The city is home to a significant foreign-born population, making up 14.2% of residents, and 15.9% of individuals over the age of five speak a language other than English at home—5.4% higher than the Michigan average. This linguistic and cultural diversity highlights the importance of multilingual resources in public services and education.

Madison Heights' parks and recreation system reflects the needs of its residents. With 10.5% of residents under 65 living with a disability and 4.6% identifying as veterans, accessibility and universal design remain central priorities. Parks and facilities are planned to ensure that individuals of all abilities, ages, and backgrounds can safely and comfortably participate in recreation. By creating inclusive environments and offering a variety of programs, the City aims to strengthen community connections and enhance quality of life through recreation.

RECREATION AND OPEN SPACE

This category has grown significantly since 1969, from 46 acres (1%) to 225 acres (6.2%). Major parks and recreation areas include the Red Oaks Golf Course; Red Oaks Water Park; Red Oaks Youth Soccer Complex; Suarez Friendship Woods and Nature Center (a Red Oaks facility beginning October 1, 2012); Rosie's Park/Madison Woods; and the Civic Center Park. In 2000, the City added 0.7 acres northeast of Rosie's Park and 1.5 acres at Suarez Friendship Woods. In 2009, the City added 0.42 acres at the southwest corner of Hales and Winthrop as a second expansion of Suarez Friendship Woods; and 1.0 acres at the southeast corner of Dartmouth and Dallas from the Madison Public Schools for Monroe Park. It should be noted that the entire Red Run right-of-way (137 acres) is included in this category.

PLAN FOCUS

This Parks and Recreation Master Plan addresses all City parks, recreation facilities, and programs. It focuses on serving both residents and visitors by enhancing opportunities for recreation, connection, and community enjoyment.

Administrative Structure

Administrative Structure

This section outlines how recreational activities and resources are governed and administered in the City of Madison Heights. It summarizes the roles of the various boards and departments responsible for recreation services.

GOVERNANCE

Overall authority for parks and recreation in Madison Heights rests with the City Council. The Council plays a critical role in the provision and oversight of recreation services. The Council appoints nine members to the Parks and Recreation Advisory Board, established under Chapter 19, Article III of the City's Code of Ordinances. This board serves solely in an advisory capacity. While it can recommend actions to the City Council, it does not hold legislative or administrative authority over parks and recreation operations. Its purpose is to advise and support, without limiting or replacing the responsibilities of parks and recreation supervisors.

Responsibility for implementing City Council policy decisions lies with the City Manager, who oversees the development and maintenance of park facilities and recreation programming. The City Manager has delegated this responsibility to the Director of Public Services.

Volunteers play a vital role by serving on the Parks and Recreation Advisory Board and the Active Adult Advisory Board.

SCHOOL DISTRICTS

Madison Heights is served primarily by two public school districts: Lamphere Schools and Madison District Public Schools. Additionally, a small portion of the city falls within the Royal Oak School District. The city is also home to Bishop Foley Catholic High School, a private institution. The City of Madison Heights partners with both Lamphere and Madison school districts to coordinate a variety of indoor programs. These programs are also held at other community facilities, including the Public Library, the Nature Center, and City Hall.

DEPARTMENTS

STREETS/FACILITIES DIVISION

Managed by a dedicated Coordinator, with staff from the Department of Public Services supporting all divisions as needed. The division oversees park capital projects and ongoing maintenance.

RECREATION DIVISION

Operated by two full-time staff members, along with numerous part-time employees, volunteers, and recreation program contractors. The division focuses on recreational and athletic programming for all ages and abilities.

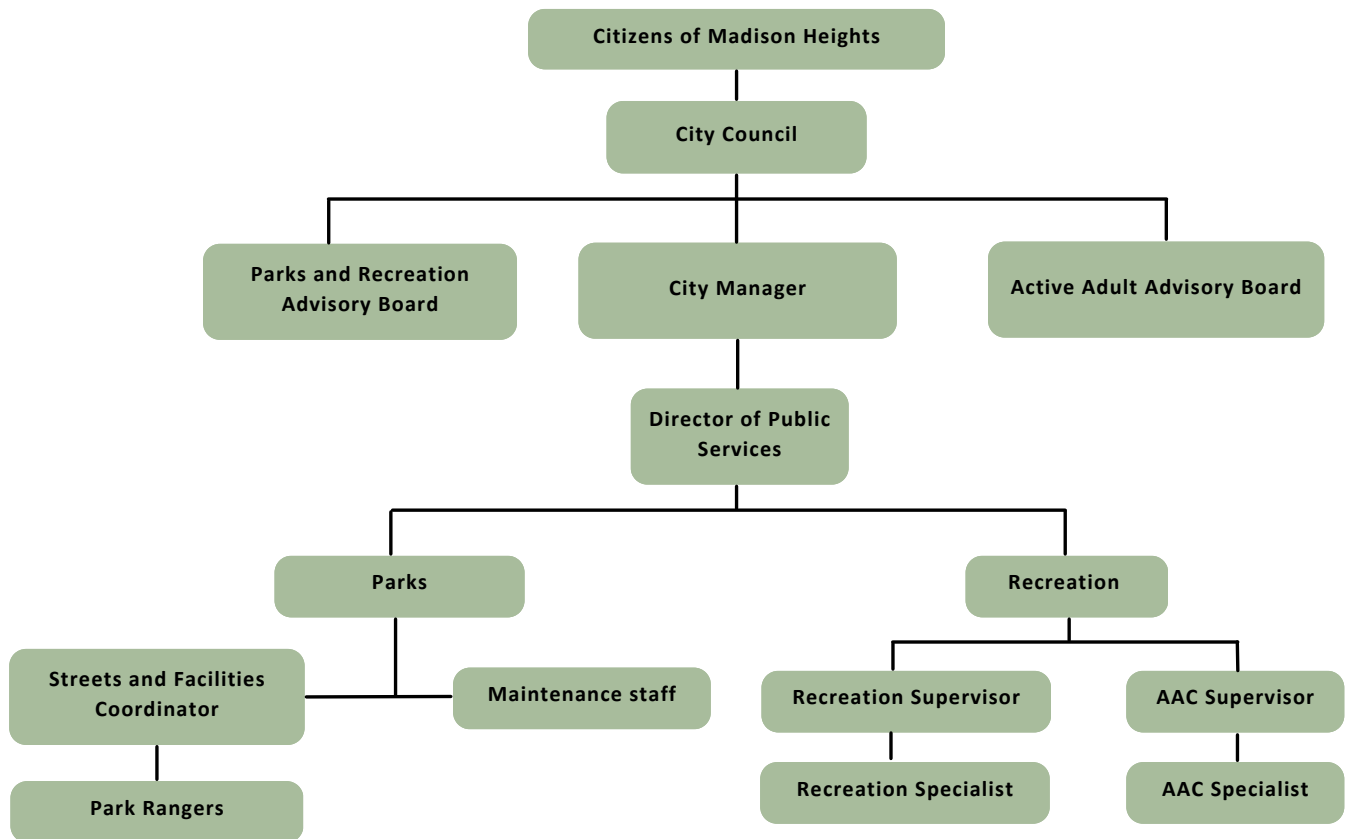

ACTIVE ADULT CENTER DIVISION

Operated by two full-time staff members, supported by part-time employees, volunteers, and contractors. Programming focuses on residents aged 50+, offering activities ranging from overnight bus trips and food programs to exercise classes and bingo.

Funding Sources

All financial decisions related to the operation, improvement, and expansion of parks and recreation facilities within the City of Madison Heights are governed by the City Charter and must follow established budgetary and purchasing procedures.

APPROPRIATION AND BUDGET AUTHORITY

In accordance with Section 8.5 of the City Charter, no funds may be expended or obligated for parks and recreation purposes without a corresponding appropriation approved by the City Council. The City Manager is responsible for preparing and submitting an annual budget to the Council, which includes detailed funding recommendations for all city departments, including Parks and Recreation (Section 8.2). Only the City Council, by resolution, may transfer unencumbered funds between accounts or make additional appropriations during the fiscal year, provided such actions do not exceed actual and anticipated revenues.

GRANT ACCEPTANCE

City staff may pursue parks and recreation grants; however, only City Council may accept awards and commit matching funds or long-term obligations through the budget process or formal approval. All grant-funded projects must be included in or added to the city's annual budget before any funds are spent.

LAND ACQUISITION AND DISPOSITION

The purchase, sale, or lease of real estate—including parkland—requires the approval of City Council by an affirmative vote of at least five (5) members, as outlined in Section 12.1 of the City Charter. The City Manager is responsible for managing all city property transactions, but any acquisition of land for parks and recreation purposes must follow established purchasing procedures, including the solicitation of sealed bids and comparative pricing where applicable, unless exempted due to emergency circumstances or professional service requirements. Land designated as parkland may not be sold except in compliance with statutory restrictions.

PURCHASING AUTHORITY

The City Manager oversees all purchases related to city operations, including those for parks and recreation. For expenditures above the threshold set by ordinance, Council approval is required. All purchases must comply with competitive bidding requirements unless exempted under conditions outlined in the Charter (Section 12.1).

Parks and Recreation Inventory

Civic Center Park

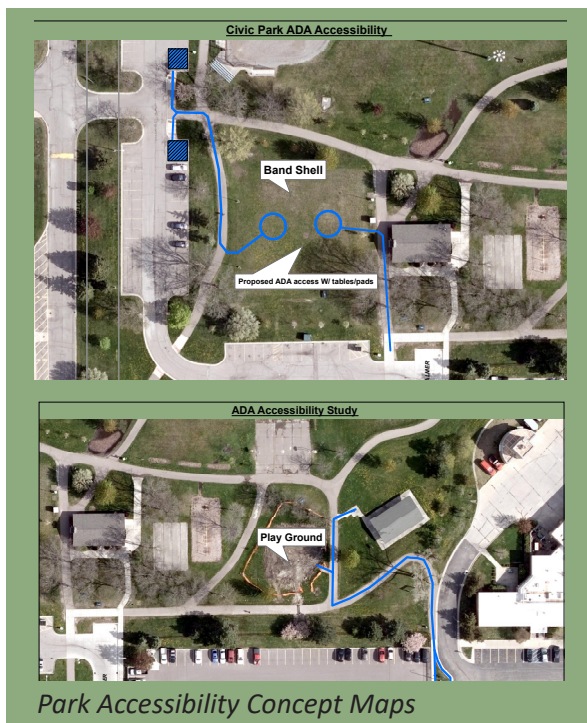

Parks and Recreation Inventory

The City of Madison Heights provides a diverse range of recreational facilities for residents and visitors. In addition to neighborhood parks, the City partners with Oakland County Parks to offer expanded amenities, including Red Oaks Park (formerly Ambassador Park), Red Oaks Nature Center (Friendship Woods), a dog park, golf course, and water park.

INVENTORY DEVELOPMENT

The park inventory was compiled internally by Parks and Recreation staff familiar with all City assets, recent improvements, and upcoming projects. No outside consultants were used. Roundtable discussions helped identify past accomplishments and future priorities. Each park listing includes amenities, accessibility rating, and a brief description.

School facilities serving Madison Heights students are also noted, as well as nearby Oakland and Macomb County parks that contribute to residents' recreational opportunities. Regional facilities such as the Huron-Clinton Metroparks and State Recreation Areas (all within about an hour's drive) offer additional amenities including swimming, camping, mountain biking, and boating.

ACCESSIBILITY ASSESSMENT

Accessibility and inclusion remain central to park planning and design in Madison Heights. Each park was evaluated to determine compliance with accessibility standards and to identify opportunities for improvement that support people of all ages and abilities. The Michigan Department of Natural Resources (DNR) requires that a barrier-free ranking be assigned to every recreation facility, assessing both the accessibility of amenities and the routes that connect to them.

The following ranking system, established by the DNR's Guidelines for the Development of Community, Park, Recreation, Open Space, and Greenway Plans, was used to evaluate each park:

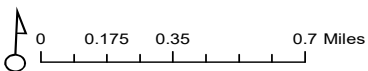

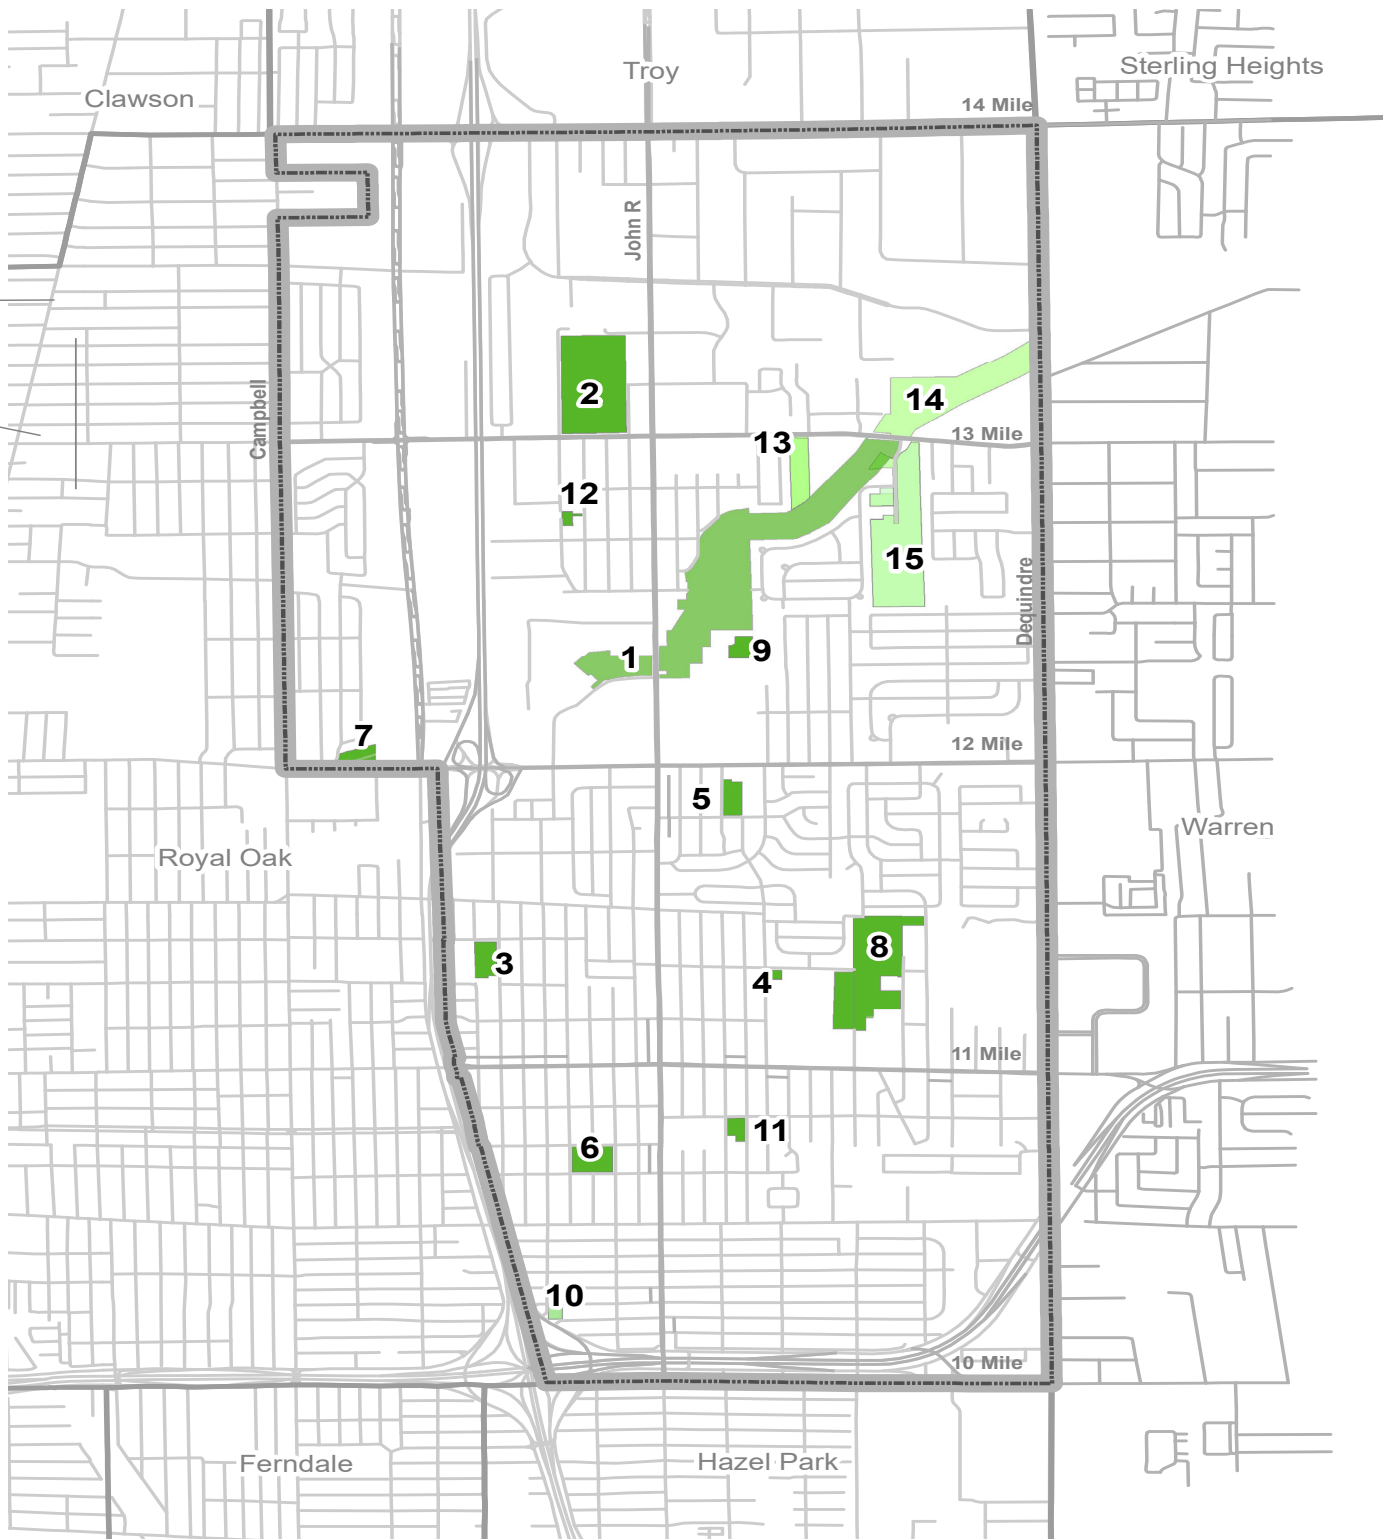

- 1 – None of the park meets accessibility guidelines
- 2 – Some areas meet accessibility guidelines
- 3 – Most areas meet accessibility guidelines
- 4 – Entire park meets accessibility guidelines
- 5 – Park developed or renovated using principles of universal design

Beyond compliance, the City is committed to fostering an inclusive park system that welcomes all users. This includes exploring sensory-friendly features, adaptive equipment, accessible trails, and community engagement efforts to better understand the needs of residents with disabilities. Accessibility goals and planned initiatives are outlined in the Goals and Objectives section starting on page 45.

PARTNERSHIP WITH OAKLAND COUNTY PARKS

The Interlocal Agreement between the City of Madison Heights and Oakland County Parks establishes a partnership for the cooperative development and ongoing maintenance of Friendship Woods Nature Center and Ambassador Park. The agreement outlines a 20-year term, ensuring a long-term commitment to preserve and enhance these public spaces. During this period, both parties agree to share responsibilities related to park operations, maintenance, and capital improvements. The agreement provides a framework for collaborative programming and stewardship while maintaining local control over daily operations. This partnership strengthens regional recreation opportunities and environmental conservation efforts for Madison Heights residents and the greater Oakland County community.

Status Report for all Grant-Assisted Parks and Recreation Facilities

The City of Madison Heights has received seven state recreation grants over the years that supported the development and improvement of local parks and public recreation spaces. While some of these projects date back several decades, the sites remain subject to the DNR's long-term use requirements for recreation purposes.

In the table below, each project is summarized with its scope of work and current status, including whether the site remains open to the public, if the grant-funded facilities are still present, and whether any conversions of use have occurred.

Project Year	Grant Number	Project Title	Scope of Work	Current Status
1972	26-00288	Rosie's Park	Develop 19.7 acres of land to include lighted ball fields, park shelter building, parking area, magic squares, shuffleboard courts, horseshoe courts, and lighting for walkways and fencing.	Some amenities have been removed or replaced due to age. The park continues to function as a public recreation area.
1977	26-00853	Civic Center Park	Develop a portion of a civic center park-parking, amphitheater, 2 shelters, play area, pathways, landscaping, and LWCF sign, and engineering.	Some amenities have been removed or replaced due to age. The park continues to function as a public recreation area.
1977	26-01023 Y3	Ambassador Park	Development of tennis courts, an ice rink, and a parking lot at Ambassador Park.	These amenities are being removed as a result of the park being redesigned by Oakland County. The park continues to function as a public recreation area.

1993	BF93-090	Suarez Woods Nature Center	Construct a new interpretive nature center building at Suarez Woods, including barrier-free restrooms, electric handicapped cart storage, a large classroom, and a staff office. All amenities are in place. The park continues to function as a public recreation area.

Planning & Public Input Process

Rosie's Park

Planning and Public Input Process

The Madison Heights Recreation Master Plan was grounded in listening, collaboration, and broad community participation. From the beginning, the City committed to developing a plan that authentically reflects the lived experiences, priorities, and aspirations of its residents. This required moving beyond a single meeting or survey toward a sustained and inclusive engagement process that invited voices from across the community. Guided in part by the National Recreation and Park Association's (NRPA) framework for equity-based master planning, the City began with an internal review, most notably, a detailed accessibility assessment of park facilities. This study helped staff to better understand existing conditions and barriers.

Building on this foundation, the City engaged residents through a series of community events, workshops, and surveys designed to reach people where they are. City representatives attended more than nine events, from the Pre-4th of July Festival in the Park to the City's inaugural summer concert series, to gather meaningful feedback about how residents use and value their parks. Two formal public workshops, held on August 7 and September 29, provided opportunities for residents to review data, identify priorities, and shape the emerging vision for the system.

Importantly, progress toward accessibility and inclusion advanced even as the plan was being developed. For example, communication boards were installed in all city parks to support nonverbal communication and enhance inclusivity. Ultimately, Madison Heights embraced a planning approach rooted in fair access and community responsiveness. The resulting plan reflects Madison Heights' commitment to maintaining a parks and recreation system that is high-quality, accessible, and responsive to the diverse needs of its community.

OVERALL THEMES:

Four consistent themes emerged from all engagement efforts:

- **Comfort and Accessibility** – A strong desire for parks to include more shade, improve restrooms, and add additional seating to make spaces more comfortable and usable for all ages and abilities.
- **Cultural and Social Programming** – Interest in more events that bring the community together, including concerts, art shows, food festivals, and seasonal celebrations.
- **Diversified Amenities** – Requests for a wider range of recreation options, from pickleball courts and sand volleyball courts to nature trails and community gardens, balancing both active and passive uses.
- **Safety and Maintenance** – Calls to continue and strengthen efforts around facility upkeep, pathway lighting, and ensuring parks feel safe for all users.

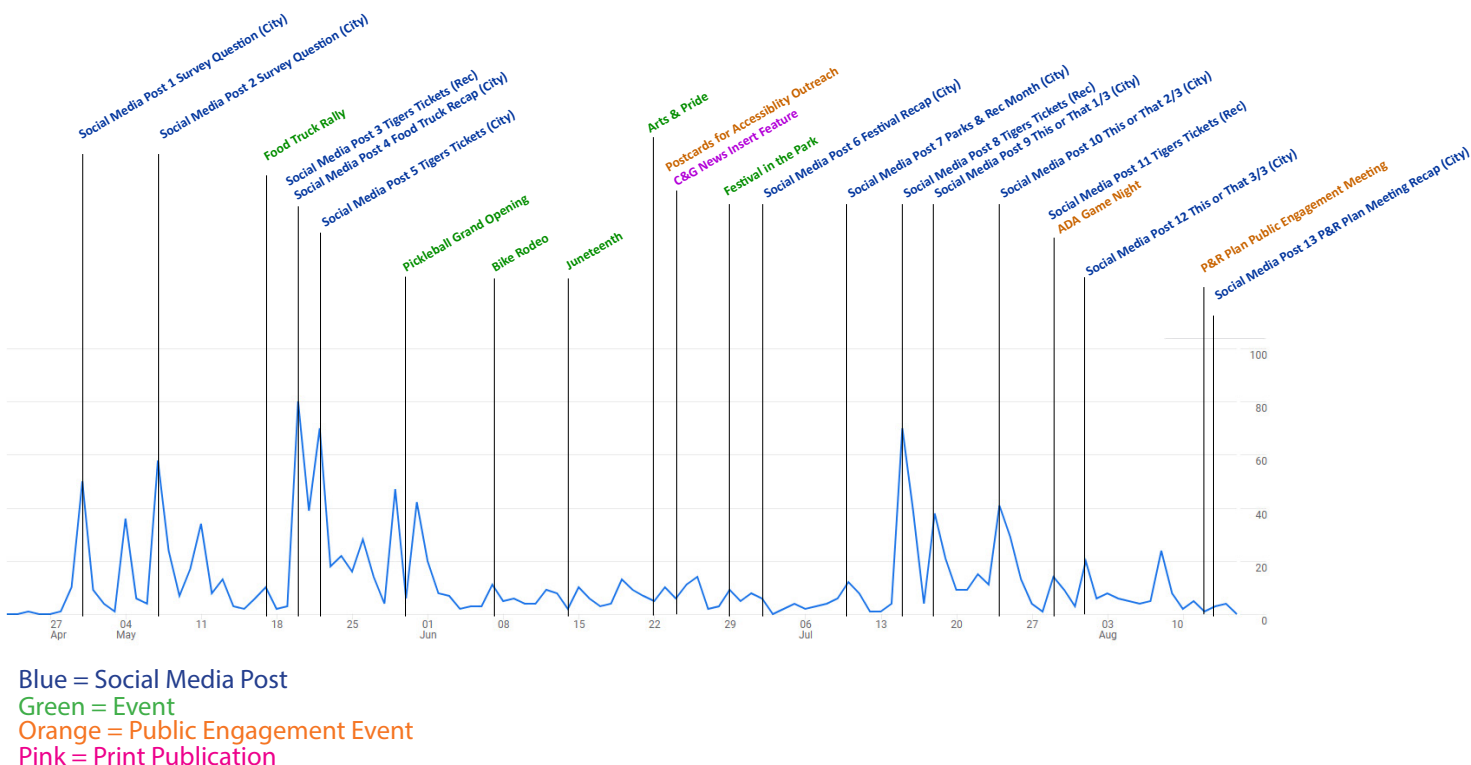

ONLINE SURVEY

An online survey provided additional depth to the engagement process, drawing 818 responses—nearly 90% from Madison Heights residents across all age groups. Twenty-eight percent of respondents were between 26–35 years old, 32% between 36–50, and 16% between 51–65. About half had children living at home, ensuring that both family and non-family perspectives were reflected in the results.

Survey findings showed that 89% of respondents had visited a public park in the past year, with Civic Center Park, Rosie’s Park, and Red Oaks Nature Center emerging as favorites. The most common barriers to greater park use were lack of time (54%), not knowing about available activities (44%), and a desire for more or different amenities (38%).

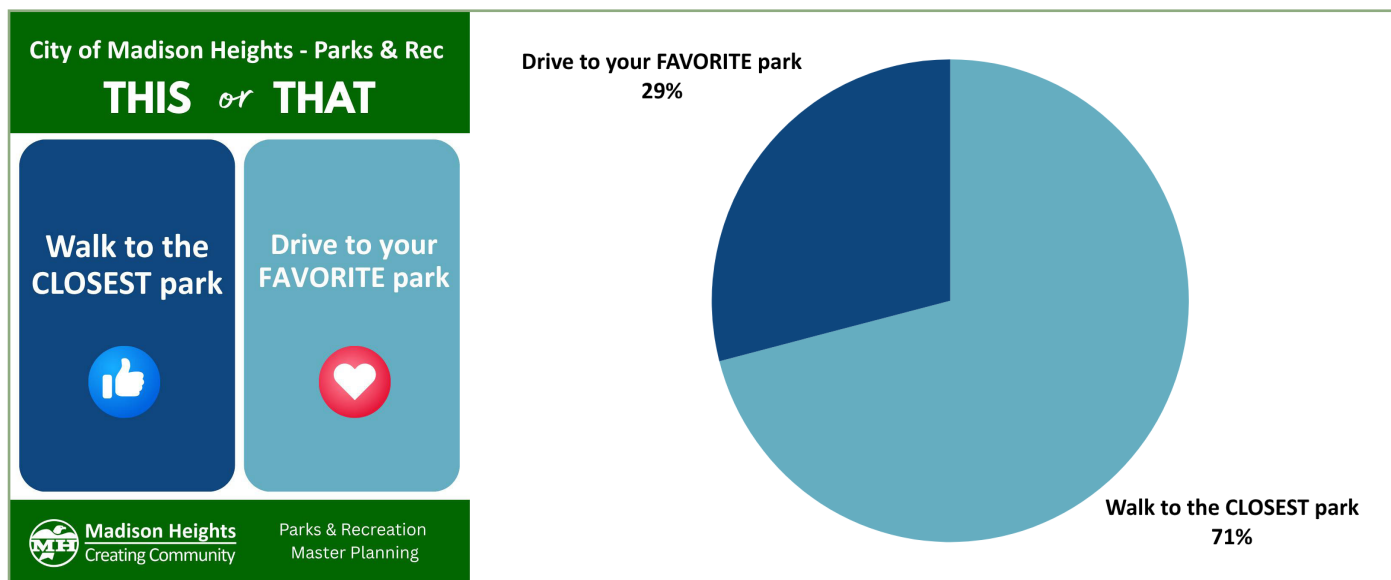

The survey was promoted widely through postcards, social media, the City website, and print media. It appeared in the City’s quarterly newsletter that was mailed to most households in the city, and was a featured Madison-Park news article on June 20th. City staff also attended nine community events to hand out postcards with the survey link and to speak with residents. Additional postcards were distributed to accessibility-focused organizations like Healing Haven and The Creative Mobility Group to gather input from individuals with accessibility expertise.

Master Planning Views by Page | April 23 - August 15, 2025

SOCIAL MEDIA CAMPAIGNS

The City launched a “This or That” social media campaign where residents voted between different parks and recreation options by liking or reacting to posts. The campaign saw strong participation, and a Tigers ticket giveaway encouraged residents to complete the community survey.

WORKSHOPS

City staff hosted two engaging public workshops to guide the future of parks and recreation. The first, focused on accessibility, featured a presentation and interactive activity where participants used sticky notes on printed park maps to share ideas and accessibility challenges. The second centered on data and goal development, allowing residents to review findings and provide feedback on proposed priorities.

Goals & Objectives

Huffman Park

Goals and Objectives

The following seven goals and objectives are based on findings from the parks inventory, public engagement, and community survey. The way you advertise it now makes me think it's fixed/corrupt/will be manipulated. Really, if you wanted citizens to fill this out, why is the word survey printed very small? 41	I would really love to see the restrooms open year round. There are groups that meet in the parks year round that are there for 1-4 hours and not having restrooms disrupts activities due people that have to leave the park. The porta potty is awesome to have at Rosies but that often becomes congested and I'm the winter the lock did not work without pulling hard on the door or having someone push on it from outside. 79	I used to love reading at Rosie's Park in the open area west of the softball Diamond's. When the Disc Golf course was created, it took away the quietness and serene feeling of being able to relax. Also, I have graciously moved my chair a number of times to avoid being in the "line of fire" when the disc's are thrown usually into the beautiful memorial trees causing broken branches that the participants never clean up.	5/12/2025 10:23 AM
80	Prefer nature trails and natural scenery	5/9/2025 11:35 PM
81	As a retiree, I don't use the parks, just live in the city	5/8/2025 1:44 PM

83	I would like for there to be some classes where you can drop in and pay a fee. This is available in Clawson so I sometimes go there. I have a varied schedule so I cannot commit to being available every Monday at 6 o'clock for eight weeks as an example. But I would like to take several classes such as yoga, Zumba, whatever... And just pay as I go even if I purchased a pass that allowed five or 10 punches (classes) for example.	5/4/2025 9:35 PM

106	more basketball hoops	5/20/2025 1:02 PM
107	Madison Heights missed the mark about 20 years ago when a community center with a pool was shot down. There are no water aerobics classes anywhere in our city. So many of us took advantage of those Rec classes when they were available. We now have to travel to other cities' centers for pool and fitness centers. Such a shame.	5/20/2025 12:39 PM
108	More security and police presence at Rosie's. I have witnessed and been subject to a lot of intimidation, anger, disrespect for adults and children minding their own business. This is especially bad after school gets out and during the summer, deterring us from taking our family here more often.	5/20/2025 12:32 PM

124	New lights at Rosie's baseball fields	5/10/2025 9:55 PM
125	More family type events hosted by the City itself, not outside groups. A city sponsored Fall blast or "hay day" would be cool. It could feature outdoor s'mores, roasted corn, a hay ride, outdoor fall games and visit to the Fire Dept.	5/10/2025 4:05 PM

143	More family events that span a variety of ages, but engages young children.	5/4/2025 6:06 PM

149	More updated tennis courts and pickleball courts in the northern part of the city	5/1/2025 9:23 PM

Wish we actually had grass and not weeds make a giant Sand box, add shade to play areas, put additional walking pathways into access the park, where the footpaths have already been grounded into the dirt. 418	The only park I really go to is Civic Center Park off 13 Mile Road.	5/10/2025 6:08 PM
419	My favorite park is Civic Center Park. It should be the center/hub of the City with a focus on more city sponsored events. But restrooms should be renovated and kept clean similar to the soccer complex.	5/10/2025 4:05 PM

439	Rosie Park, nice walk path	5/7/2025 8:17 PM
440	Wildwood is close to our house, but has little to offer. We like Civic just bc that's where bigger events take place. But would be happy to go to any park that has different city gatherings like farmers markets or other pop up activities	5/7/2025 8:00 PM

460	Huffman for playground equipment for all ages of kids (finding one that can entertain infant-5yr range with sightlines on everything is tricky). Civic center for community events. The kids prefer the soccer park playground.	5/4/2025 10:30 PM
461	Civic Center Park. There are playgrounds for the kids, basketball for those that like it, walking paths and a hill to go up for those that enjoy that, great place for sledding, there's restrooms there, close to the police station in case there's an issue.	5/4/2025 9:47 PM

287	Silverleaf Park. It's a very nice place and I still go there, but there are numerous dog owners that unleash their dogs there. I've been charged at many times by dogs there and bit on a couple occasions.	5/14/2025 12:38 AM

297	Rosies has a bad reputation.	5/9/2025 11:46 PM
298	I live by Rosie's park and still don't go there, especially after dark. I don't think it is necessary to put in activities and cameras so you can see the vandals at work. Waste of taxpayer money.	5/8/2025 1:50 PM
299	Rosies - often vandalized and trash left around. No good seating, bathroom rarely open.	5/8/2025 10:45 AM
300	Edison. Would prefer to use as it's nearby. Dirty John. Too much littering (not sure why). Right next to the road.	5/8/2025 9:00 AM
301	Rosie's - we have little kids and see all the time that residents complain about older kids causing problems.	5/8/2025 8:25 AM

316	Most of the other parks as there are no bathrooms. It seems like a lot of the park equipment has been the same since I was a kid.	5/7/2025 3:24 PM
317	Edison Park is right next door to me. I hate it. The students from Keys Grace Academy litter and are aggressive towards people walking dogs on the sidewalks. They litter everywhere and the school doesn't care. Shame.	5/7/2025 2:16 PM

325	I was cautious about Rosie's for a while due mostly to graffiti on the old one and concerns for safety. I haven't heard of issues recentlh so we will likely go back this summer.	5/4/2025 10:30 PM
326	I never go to parks in the south end simply because I don't live in the south end	5/4/2025 9:47 PM
327	Nothing I avoid specifically but do not go to ones that are further away because of the distance.	5/4/2025 6:09 PM
328	Huffman the bathrooms are such a far walk from the ball field as well as the playground. Parking is horrendous when there's a ball game and other activity.	5/4/2025 6:06 PM
329	Honestly, I avoid Rosie's because the number of neighbors stating that the behavior of kids is questionable.	5/4/2025 6:06 PM

336	Although it's close and I prefer it, I know safety is also a concern at Rosies.	5/4/2025 8:47 AM

337	I have lived in Madison Heights for 38 years. I spent many days a Rosie's park, it was always a great time. Unfortunately, I don't allow my children to go there alone without myself or my husband. I don't feel it's safe there, the wooded pathway creeps me out and I feel there is always something going on there. I wish somehow we could make Rosie's a safer place for kids to hang out.	5/4/2025 8:37 AM
338	Wildwood don't feel safe there.	5/4/2025 6:35 AM
339	Rosie Park because it's not the safest, can be trashy/vandalized, not many amenities	5/3/2025 9:37 PM
340	Ambassador park and Silverleaf. Ambassador park didn't have enough greenery and had old equipment/damages. Silverleaf only has baseball diamonds	5/2/2025 2:19 PM

350	Not really, but Gravel is weird.	4/30/2025 2:22 PM
351	Not particularly - I will say when moving to the city, I was warned about staying away from the Rosie's Park area.	4/30/2025 1:57 PM
352	Gravel park needs updated equipment and amenities!	4/30/2025 1:17 PM
353	Not really	4/30/2025 12:55 PM
354	Wildwood now, too many things broken by older kids, too many older kids and unsupervised kids	4/30/2025 12:35 PM
355	I avoid any parks that do not have adequate shade or that only have sports recreation facilities or bathrooms.	4/30/2025 12:01 PM
356	I've only been to three, out of convenience and closeness to my residence.	4/30/2025 11:21 AM

All because of something related to accreditation? That was a major oversight and no one in the DPS building made any effort to apologize. Very disappointing.

33	Better notification and resident decisions/opinions	7/22/2025 8:49 PM
34	No!	7/22/2025 4:24 PM
35	I like Parks. I spent 48 years working with the Monroe Counry Parks in NY as a supervisor of park and golf. My wife of 25 years is from Madaion Heights. I play in Huffman and the park on Cowan. Great playgrounds! I found the link on a placard on the ground. Litter was present but hemp products opened and wrap discarded on the playground led me to write. Wish you still had Red Oaks Golf. The city missed an opportunity with W Dallas and all that property going into ugly homes. Thanks for letting me share.	7/22/2025 4:12 PM
36	Shade over play structures and over seating for parents. Add a large sandbox. Add Splash Pad. Add places to sit. Taken care of the lawns we have weeds not grass in our parks. you go to troy and rochester and they have soft grass. Why did we cheap out and put mulch around the playgrounds? put the soft robber surface in like rochester. Our park is large enough to put down a mini train track and have the miniture train come like it does at the royal oak park.	7/22/2025 3:39 PM
37	My wife and I do not have kids so I don't think we are the target audience/users of parks. However, I do feel it is important to invest in and preserve green spaces as well as investing in programs for the city's youth. I know people feel strongly about how money is spent on the schools. I feel the parks and recs programs have an opportunity to fill a gap for school age kids with certain activities and programs.	7/21/2025 3:03 PM
38	Bring back the ice rinks for hockey and leisure skating at civic center park with the warm up building with a fire and hot cocoa...I had the best childhood in the 70's and 80's that my kid never got to experience in MH...	7/20/2025 8:16 PM
39	I really enjoy Madison Heights parks overall. I think you guys are doing a good job.	7/20/2025 7:24 PM
40	More attention to activities/amenities which are lower cost. Not everything needs to cost residents, more can be done with attention and fresh ideas and involvement.	7/19/2025 8:07 PM
41	An outdoor ice rink in the winter would also be great!	7/19/2025 5:03 PM
42	Include families that aren't sports focused families, include families with older children,	7/19/2025 4:45 PM
43	Recreation program ideas: cooking classes, water Zumba, water aerobics, pickleball intro	7/19/2025 4:03 PM
44	An ice skating rink/roller hockey rink would be a great addition to one of the parks!	7/19/2025 4:00 PM
45	More themed parks (train, etc)	7/19/2025 3:51 PM
46	People need to relax. Not just have sports. Quiet and shaded places to read, nice trails for riding bikes. More trees and nature.	7/19/2025 3:42 PM
47	I think more natural features would make some parks more enjoyable. If there could be thought for some of the small pocket parks that are walkable and make them more used. I also have a vision of 13/John R being developed as a more walkable/downtown area and it would have a positive connection to the park, library, adult rec center, etc.	7/19/2025 10:01 AM
48	I think that it would be best to use the money to keep its current park items up to date and not	7/19/2025 1:31 AM

let them get run down instead of putting the money towards something really big and expensive. So I would use some money to maintain things but then use the rest to add some new things as well. But safety should come first always so maintenance is key

49	We need publicly accessible tennis courts in the city. My teen travels to Warren for publicly accessible tennis courts. Also add another disc golf course.	7/18/2025 10:49 PM
50	So many upgrades at Rosie's Park while Exchange Park always seems to be left out. Please start including Exchange Park just like all the other parks. Exchange Park is a great park and very peaceful	7/18/2025 9:16 PM
51	Please put some more activities at Gravel Park!	7/18/2025 9:07 PM
52	Bring activities to the parks in the south end, and partner for after school activities with MDPS! have scheduled pick up basketball games at Wildwood, tai chi on Saturday mornings at Rosies, A "boot camp" at Huffman, using the fitness equipment	7/18/2025 8:06 PM
53	We need more trees in this city.	7/18/2025 1:54 PM
54	A recreation center would be awesome.	7/18/2025 9:19 AM
55	Querstion 24 is ludicrous. \$500,000 for maintenance and improvement. A. Is the budget for all of the parks? If not which park? If the Golf Couse a park? Why did you have nothing in your budget for a mowing contract? A splash pad at Civic Center park would work but not at friendship . Some parks already have everything. The cops kick you out of the Soccer center so that is not a public park.	7/17/2025 4:52 PM
56	Baseball fields need better dugouts	7/16/2025 7:00 PM
57	Cooking classes would be great.	7/16/2025 4:13 PM
58	Our parks have come a long way over the years, (I am a 60 year resident). I general all of our parks are beautiful. Some could use more benches, bathrooms and trees. I have seen many parties held at the Monroe pavilion. A pavilion at Huffman Park would be nice. Also, a free summer recreation program for teens may help with the problem of unsupervised, mischievous youth at Rosie's.	7/16/2025 9:08 AM
59	A splash pad would be nice, having 3 kids ages 4 and under with one that doesn't like swimming pools we have traveled around a lot this summer for splash pads.	7/16/2025 8:37 AM
60	Thanks for what you do!	7/16/2025 8:21 AM
61	A park that is closer/walking	7/16/2025 6:13 AM
62	Do we have a shuffleboard anywhere that can be rented for a time period?	7/16/2025 1:01 AM
63	Farmers market would be great!	7/15/2025 11:44 PM
64	I love the city and what we have going on, I love the new pickleball court but wish you had beginners sign ups	7/15/2025 11:11 PM
65	Grandparents and grandchildren activities.	7/15/2025 10:24 PM
66	Look at Warren. Pool, lazy river with special hours for seniors, with showers and sauna	7/15/2025 9:56 PM
67	An affordable public pool would be amazing!	7/15/2025 9:39 PM
68	Pool / pool opportunity	7/15/2025 9:13 PM

71	Political officials, and civic officials may help. To bring more recognition to the parks, either State elected officials in government or local appearances just a thought but it takes a cooperative, competent and open minded committee and staff to do this not as observation for steadfast in years to come	7/15/2025 4:10 PM
72	I love the addition of the pickleball courts at Rosie's. Maybe I'm out of the loop, but more indoor programs in the winter time would be great.	7/15/2025 2:45 PM
73	So shade near or over the playground.	7/15/2025 10:53 AM

74	I mentioned above at Wildwood Park there's a huge court with only 1 basketball hoop. Would love to have at least one more.	7/10/2025 8:53 PM

77	I wish we had swimming and lessons they are affordable. Can the city partner up with the HS?	7/9/2025 8:53 AM
78	Having dog focused activities would be cool. Maybe pet training classes	7/7/2025 5:49 PM
79	Live music acts or summer concerts series, treasure hunts from park to park.	7/5/2025 9:13 PM
80	It'd be nice to invest in a walkable downtown area at some point in the future like communities neighboring MH so we can have different festivals	7/5/2025 9:30 AM
81	Tennis courts again lol	7/3/2025 7:34 PM
82	I live right across 13 mile from the Civic Center and I love tennis. Why are the Lamphere tennis courts not open to the public like numerous other high schools sports facilities (including the track) are? Open those tennis courts (and the track) and save the \$350,000 for something else. As for the parks, if there's any way to make things feel as rustic as the Nature Center feels, then do that. But I don't know how that's possible in our small crowded city.	7/2/2025 11:23 PM
83	Cameras thru Rosies woods because of graffiti and vandalism.	7/2/2025 5:32 PM
84	Get rid of some of the baseball fields and build more green spaces.	7/1/2025 3:47 PM
85	5v5 soccer fields for drop in play. Soccer can be difficult to play, due to lack of numbers. This format is very popular in communities around the world.	6/30/2025 7:44 PM
86	No	6/30/2025 7:16 PM
87	Food options like trucks or stands, learn from Mexico. I'd love to walk to the park to eat. Also don't put dumpsters at the entrance it's not very welcoming. I want my park to feel like a great place to go connect and relax with my community	6/30/2025 6:22 PM
88	Please add a volleyball court	6/29/2025 8:15 PM

92	The fitness thing that replaced the basketball court at Huffman during Covid is VERY rarely used from what I've seen and is a prime location for something cooler and more desirable	6/26/2025 6:52 PM
93	Please check into Madison Hts residents using Warren rec swimming facilities.	6/26/2025 3:35 PM
94	Please stop putting sand pits in the parks. For the love of God it's so messy. Also would like shaded areas for parents to sit next to play structures so we aren't far from our kids.	6/26/2025 12:38 PM
95	Volleyball/Pickleball Leagues.	6/25/2025 11:53 PM
96	I'd love to see bicycle racks in more parks, particularly Rosie's Park	6/25/2025 5:38 PM
97	Community garden would be great! I spend so much time in Ferndale and royal oak and I wish Madison heights was more like that. I love being able to walk down the street to a brewery and play trivia, or a coffee shop and have a community garden or have a place to have small and local events that are walkable from my home.	6/24/2025 7:51 PM
98	Just keep improving landscaping with an addition to more Sand volleyball courts. It would be less costly than adding all the other suggestions above and you would still attract more people. We are Michiganders who like the summer. Some of us would rather spend a vacation in sand at are great nearby location as opposed to going up North :)	6/23/2025 9:38 AM
99	There needs to be more things for young adults and older teens to do. Not everything is for kids only or seniors.	6/23/2025 1:42 AM
100	Pop in Yoga or HIIT in the parks that rotates around the city to encourage park visits	6/20/2025 12:45 PM
101	more restrooms at parks	6/13/2025 9:43 AM

102	I feel that there should be more boards at the parks that advertise the different recreational programs.	6/12/2025 7:05 PM
103	Bathrooms open year round. We like playing at the park year-round but it's hard when the bathrooms are closed in the off season.	6/12/2025 3:54 PM
104	The basketball court at Rosie's was always being used by 12-18 year old kids. You took the one activity away that kids in our neighborhood walked to and used. Please build a new one in the same neighborhood	6/12/2025 8:40 AM
105	Are there any other options for golf like practice nets or putting greens used in other parks?	6/12/2025 7:54 AM
106	Great job!	6/10/2025 7:53 PM
107	Think about putting in play structures designed for disabled kids.	6/10/2025 5:16 PM
108	Pickleball, Pavillions, bathrooms, walking paths, water fountains, dog parks Thoughts: You don't need splash pads, farmers markets etc. We're sandwiched in all directions between cities that offer these amenities. Don't overextend by throwing money at these projects. Upgrade and enhance existing parks.	6/10/2025 11:25 AM
109	Stop cutting the grass on the loop of the south east trail of Madison woods and let it go back to native. The schools could then study the effect of how nature reclaims and heals itself and it wouldn't cost the city anything and would benefit all.	6/8/2025 10:57 AM
110	5v5 soccer for various age groups- this is a great way to have soccer because you don't need that many people to make it possible and it is welcoming to a broad audience	6/2/2025 10:42 PM
111	Please build a community center with a pool, gym, and basketball courts for recreational programs like the city of Warren.	6/1/2025 7:37 PM
112	Regular outdoor fitness area would be an amazing addition as well as some non-sport community gathering activities (food street/night market events in the summer, community garden and movies in the parks)	6/1/2025 2:01 PM
113	Love the artwork on the building with the bathrooms at Rosie's. MISS the free lending library that was vandalized. Bring it back near a location where you can install video surveillance. The bad elements in our community (which I saw in the drug dealing and the vandalism of the swing for kids in wheelchairs) should not prevail over good people's desires to read and share books. We should not feel afraid to bring our grandkids to the park! Also, we need swim lessons again! My kids learned to swim in our city programs at Lamphere HS and Page MS but my grandson does not know how to swim as there are no lessons.	6/1/2025 6:16 AM
114	Pls invest in more volleyball courts for playing 2s sand volleyball, with better sand, sand paving, permanent 2s lines, a 2s sand league, and lights for the evening. There's a growing community of 2s sand volleyball players and NONE of the parks have put much into the sand courts but it is something that would get a lot of use out of it. Could even bring in revenue with leagues	5/31/2025 9:34 PM
115	volleybaLL	5/31/2025 7:44 PM
116	More Volleyball courts please	5/31/2025 12:59 PM
117	Accessible sand volleyball courts for public use. Other city's have similar options, however they are always full.	5/31/2025 12:21 PM
118	High Quality Sand Volleyball Courts. Built to FIVB, USAvolleyball.org, and volleyballusa.com standards. Lights would be great too. I'm more than willing to make myself available to provide input to ensure any investment into the sand volleyball courts is not wasted. I host beach volleyball drop-in sessions weekly in a facebook group. We struggle to find good courts in south eastern michigan. I desire to be able to grow the sand volleyball sport and be inclusive of all skill levels. This has been a challenge due to the often limited number of volleyball courts at a facility or the "pay wall" at places such as On the Dunes or Greg Grant. I'd like to promote a drop in "ladder league" where several courts could be dedicated to beginner level play and winners progress up to more advance skill level courts. To achieve this vision I need a place with a minimum of 4-6 courts in the same area. It would be awesome to have 10-12 courts with the proper specifications and drainage.	5/31/2025 11:55 AM
119	Whatever became of the golf course becoming accessible to everyone. What about allowing	5/30/2025 5:08 PM

walkers/bikers in on the off season. A gem of property sits in the middle of our city but only accessible to golfers. It's a shame.

139	A "No fireworks" sign please in Edison Park. More people have been shooting fireworks in Edison Park causing noise and leaving litter.	5/27/2025 7:32 PM
140	I wish we could clean up Red Run and not treat it like a toilet. Seems like such a cool thing to have that is part of the Clinton river and it's almost intentionally invisible and covered up.	5/26/2025 10:35 PM
141	I think Rosie's could be really cool and draw a lot of people if you added all the stuff I mentioned.	5/26/2025 8:12 PM
142	We go to Royal Oak on a weekly, almost daily basis to walk, enjoy the splash pad, farmers market and overall downtown amenities. Would love to see Madison Heights start to make changes to create a more welcoming community!	5/26/2025 12:04 PM

154	We offer alot of adult activities and a good amount for tweens/teens but not enough focus on the new growing families in the city who travel to neighboring cities for things to do with our kids instead of enjoying parks and activities in the city we live and pay taxes in. I have a middle schoolers, elementary age and a toddler, there is plenty to do for my older kids mainly due to their schools but I usually always go to Royal Oak or Berkley for public spaces that cater to all ages and I really wish I did not have too.	5/22/2025 8:33 PM

160	Bring young families to our community, pickleball courts, music in the park, splash pads. More summer camps. With the surrounding areas in Oakland County being so expensive to live, I would like to see the focus of improving the parks and recs department to encourage young families to move into the neighborhoods and stay!	5/22/2025 8:58 AM
161	I'd love to see gardens and art combined. And to use the gardens as educational tools. Also, a community garden would be lovely.	5/21/2025 11:21 PM
162	Later hours for pets and second shift workers. Less police presence. I feel like they're too prevalent lately and they could also walk around the park instead of driving their SUV's on the paths during busy hours. Dog park or areas for them to be let off leash.	5/21/2025 7:42 PM

169	Troy's Friendship club is very popular. They can't accommodate all the interest. It would be well utilized by Madison heights residents and other local community members.	5/20/2025 8:04 PM
170	We feel it was a big mistake completely removing the basketball courts from Rosie's. Yes, pickle ball is nice, but those basketball courts were used regularly. We need to have new basketball courts in another park.	5/20/2025 5:03 PM

178	I would just love events at parks. Again, the problem with Rosie's doesn't lie in the things there, or the "lack of walking trails" as there is plenty, the problem is the people who frequent Rosie's; old weird people, and trouble making ghetto teens. Many other people obviously go	5/20/2025 8:17 AM

but those are the two demographics using the park a lot. Events would allow all these people to still come, but it would give them something to do, rather than doing graffiti on the brand new pickle ball courts or beating up innocent kids.

179	I remember one of my friends got in trouble for breaking curfew because a sign said they couldn't be there after x time but in Google maps it said something else. 190	More off leash dog parks. Or save this money for 3 years, do some fundraising and build an indoor recreation center for year round activities.	5/15/2025 8:41 PM
191	Edison park serves a large neighborhood bordered by busy main roads and could use more activation. Rosie's is great but not within biking distance or safely traveled to for our kids. Our smaller parks need some additional variety of activities and relaxing settings as well. We could use more pergolas and planted beds and picnic tables.	5/15/2025 6:43 AM
192	Maintain the existing paved trails, plant more trees, repair or play structures as needed due to wear and tear. Only build more after the existing are up to date. It doesn't make sense to add more maintenance expense if we can't keep up with the existing.	5/14/2025 8:41 PM
193	No lane narrowing on 11 mile	5/14/2025 4:52 PM

196	Let's get the parks in nice shape, visually appealing, and offering plenty of opportunity to get people active, healthy, and happy. Tennis is the sport with the greatest life expectancy gain compared to a sedentary lifestyle, at 9.7 years gained, according to Mayo Clinic study. Let's encourage more tennis and pickleball and supply the courts to play. We need to get people moving and spending more time outside enjoying the parks.	5/14/2025 12:38 AM
197	No splash pad! Lower the taxes!	5/13/2025 11:38 PM
198	More trees and habitat for wildlife be developed in parks. More garbage cans and water fountains be accessible.	5/13/2025 8:45 PM
199	Please don't add a splash pad! That's too much money for one small area that will only be used by a few residents	5/13/2025 6:42 PM
200	Partner with another city to get access to a pool for a fair price.	5/13/2025 4:54 PM

202	Please make it not just for families with kids.	5/13/2025 2:05 PM
203	I think we can expand the adult active center and gym, pool, child care , basketball courts, something similar to Troy recreation center.	5/13/2025 2:02 PM
204	Maybe a baseball diamond or two. Food for thought.	5/12/2025 6:06 PM

205	Skateboard park with lessons offered	5/12/2025 11:04 AM
206	Since I've moved to Madison Heights in 2005 I've wished for a Community Center like many other surrounding cities have that can be utilized by every member of the city! With a variety of rooms to host many different programs and a pool.	5/11/2025 11:47 PM
207	Have the police patrol the parks on bikes or foot. Put down rubberized ground cover around the playgrounds so it's more accessible for individuals using wheelchairs for mobility.	5/11/2025 9:44 PM
208	I know the voters rejected a community center many years ago, but a community center situation is extremely valuable for the community. It becomes a center for families. I have always felt that an investment in improving and expanding the civic center building is key. Add a few rooms or a gymnasium and a office for an employee. On the outside, an investment could be a skating rink in the winter to tie into the sled hill. This would attract all ages.	5/10/2025 4:05 PM
209	I wish there were more trees and shaded areas. Maybe a pond or water features at some parks.	5/9/2025 11:46 PM
210	Keep up the good work.	5/8/2025 2:36 PM
211	Stop worrying about parks and rec and start worrying about the retirees and homeowners that need regular upkeep on the city roads. Get rid of the drug houses that eventually make their drug deals in these parks. I have lived here my whole life, and the City Council needs to stop worrying about parks and worry about keeping lifelong residents in the city, not giving us a reason to move out.	5/8/2025 1:50 PM
212	A skate park and a disc golf course would be great additions	5/8/2025 11:02 AM
213	Need teen programming. Also, a community pool or swim times would be amazing.	5/8/2025 10:45 AM
214	We would love if there were more kid friendly options indoors for during the winter months. Whether at the active adult center or an all ages rec center, it seems like in prioritizing the older community in our city, all we have left for kids to do is parks and most of those aren't doable in the cold months. I'd really love to see better park accommodations as well, like safer railings on playground equipment and better upkeep of the wood chip areas so there aren't exposed roots or holes where kids trip.	5/8/2025 8:25 AM
215	Would be amazing to have a resident pool with offered class and kid section like Warren for residents only	5/8/2025 5:24 AM
216	More summer camp options, more sports options, chess club for kids	5/7/2025 10:26 PM
217	Please figure out how to accommodate another outdoor ice rink in the winter. This brought so many people together in our community and even invited others from neighboring cities who then spent time in Madison Heights and visited our local businesses. With all the green space available in Rosie's Park, I cannot understand why we couldn't build pickleball courts someplace else. Additionally, there should be a concrete/paved path walking into Rosie's Park from the north sides. Planning didn't not think very well about how many kids and families walk through and have to duck flying frisbees.	5/7/2025 10:19 PM
218	We are lucky to have so many beautiful parks in our city. I enjoy them daily and year round	5/7/2025 9:48 PM
219	Add more police presence or security officers for safety	5/7/2025 9:07 PM
220	Farmers market Art Fairs Any carnival Multiple food truck night	5/7/2025 8:00 PM
221	Keep up the good work! ;)	5/7/2025 7:46 PM
222	Parks should feel welcoming. More trees more flowers. Shades areas for picnics walking trails. Artwork. And importantly ways to access these parks on foot. Madison height is small and there should be signage and specific cross walks and paths for people to easily access a good 3-4 parks on foot.	5/7/2025 3:28 PM
223	Just enforce the laws and rules. The reason the parks are going downhill is there is no accountability for littering, dog wrap, kids being out of hand, etc. Lazy policing.	5/7/2025 2:16 PM
224	Bike routes through the neighborhood	5/7/2025 2:11 PM
225	Would love a pickleball court and a fitness trail	5/7/2025 12:50 PM
226	Madison heights needs a better team, a larger recreation team. Hiring young adults would be	5/7/2025 12:27 PM

helpful as well for a better perspective on what young people like to do and what they can offer idea wise for The City of Madison Heights.

227	Stations for dog waste would be greatly appreciated!	5/7/2025 10:28 AM
228	A splash pad sounds like a ongoing maintenance issue. Other items seem like a better use of money.	5/7/2025 9:35 AM
229	Even though my kids are adults now, we need someplace that teens can go to and be safe. We used to have a teen center by Madison elementary and it would be nice if we offered a safe space that has supervision for teens.	5/5/2025 10:22 PM
230	More benches.	5/5/2025 12:18 PM
231	Open mic night? More small music and show events.	5/4/2025 10:30 PM
232	The last thing we need is more outdoor fitness Equipment. I've never seen it used in our city or other parks I've been to In other cities. We have thousands of kids in our cities and every last one of them would enjoy a splash pad – and use it!	5/4/2025 9:47 PM
233	I feel that the city once had better recreation programming. There were more concerts in the park. Festivals and kids concerts on Fridays The sledding hill had a warming station and snacks sold. Day camps were offered for a specific age range.	5/4/2025 6:06 PM
234	I think hiring 17 years olds as summer camp assistants would be a great way to find a new crop of staff when they turn 18.	5/4/2025 6:06 PM
235	Yes look to other countries that do it well - see Brisbane Australia. They have great variety!	5/4/2025 5:07 PM
236	Just the splash pad for toddlers. We don't have a free one in Madison heights	5/4/2025 9:03 AM
237	As a long time resident with children I would like to see a skate park and splash pad so I can hang in my city. I would also like to see some fun adult sport leagues started to keep our residents active and gives us something more to do as a community.	5/4/2025 6:35 AM
238	Bring back harvest festival in nature center. Larger discount for residents at red oaks waterpark	5/2/2025 2:19 PM
239	Enforce dog leash laws in parks!	5/2/2025 9:21 AM
240	What I wouldn't do for an ice skating rink... Also, outdoor bike trails	5/1/2025 10:55 AM
241	Please do not waste community resources on a splash pad! If you inquire about their running and maintenance from the multiple very vlose local cities who have them, they can tell you, they are a money pit. The constant maintenance and cleaning for appropriate bacteria levels are not worth the trouble.	5/1/2025 1:11 AM
242	Would love play equipment besides swings at Gravel Park.	4/30/2025 9:18 PM
243	All of these ideas and options would enrich our parks - but a splash pad appears to be the most expensive option and simultaneously the least usable, limited to only the warmest days in the summer. This investment would be a mistake.	4/30/2025 7:02 PM
244	More rain gardens - is there a way to buy into a memorial garden instead of just a tree?	4/30/2025 6:24 PM
245	I love my city!!!	4/30/2025 2:22 PM
246	I am really excited to participate in more city activities. My boyfriend and I just did the Run For Health 5K that was through Red Oaks Nature Center the the neighborhood and it was fantastic! I am also excited for the Glow Golf Scramble. What about a golf league or something of the sorts?	4/30/2025 1:57 PM
247	Please at least give us a slide or merry go round at Gravel Park! And offer more for homeschoolers	4/30/2025 1:17 PM
248	I would spend more of the cost in question 24 on making our parks feel like a more natural escape. Installing perennial, native, or rain gardens in specific places could help each park develop it's own identity. I love the Nature Center because it feels like I can get away from all the concrete around me. Our parks look barren and sad because even the birds and bees won't come by. There are a lot of satellite photos where you can see how dead the grass is right in the very middle of the park because the space hasn't been filled up with something that would enrich the natural environment and provide shade.	4/30/2025 12:01 PM

249	It would be amazing to have a walking/bike path that loops through all or most of Madison Heights's parks. It would also be wonderful to see something unique like a children's garden/play area. I'm linking to one I've been to that is so inspiring. It's peaceful, playful, and well done. There are lots of beautiful-sounding garden chimes and instruments for kids to use, and there is space to run around and rest. https://mckeechildrensgarden.org/	4/30/2025 11:21 AM
250	No, but I believe that in the future, we will achieve our goals to better the parks in our community!	4/25/2025 4:32 PM

Downtown Development Authority of City of Madison Heights**Memorandum**

Date: December 1, 2025

To: Melissa Marsh, City Manager

From: Giles Tucker, Community Development Director

Subject: MHDDA Bylaws Amendment: Eliminate Term Limits

The MHDDA adopted bylaws in 2020, after staff were unable to find any bylaws adopted previously. Prior to adoption, DDA board members were appointed by the Mayor and confirmed by City Council for a term of four years, but there were never any term limits to their service. The new bylaws limits board members to up to two (2) full four (4) year terms. Existing DDA board members of the board were allowed to complete their current four (4) year term and begin their first full term upon Board Member renewal starting after 2021.

The purpose of term limits on the DDA board was to encourage a wider range of perspectives from new downtown businesses and residents interested in serving. Over the last few years, the DDA has not had issues onboarding new board members. Further, because at least a majority of the DDA board must have ownership interest in DDA businesses or property, this provision could limit the amount of willing and eligible board members in the future.

The proposed amendment simply deletes the following sentence from Article III, Section II of the MHDDA Bylaws:

“Thereafter, each member shall serve for a term of four years, and no more than two full terms.”

An Excerpt of Article III, Section II of the Bylaws with this sentence highlighted, as well as the complete MHDDA Bylaws have been included with this memo to provide context.

At the Regular Meeting of the MHDDA of 8-21-25 the board unanimously approved the elimination of the provision within the MHDDA Bylaws pertaining to board member term limits and recommended this amendment to the City Council for approval.

Staff Recommended Action:

Staff recommends that City Council concur with the recommendation of the Downtown Development Authority and approve the amendment of the MHDDA Bylaws as presented.

Section II – Number, Tenure, and Qualifications:

*The DDA shall be under the supervision and control of a board consisting of the chief executive officer of the municipality, or their designee from the governing body of the municipality, and not less than 8 or more than 12 members, and not more than 3 Ex-Officio non-voting members as determined by the governing body of the municipality. The voting members shall be appointed for a term of four years. At least a majority of the members shall be persons having an interest in property located in Downtown Madison Heights. At least one of the members shall be a resident of Downtown Madison Heights, if the district has one hundred or more persons residing within it. A member shall hold office until the member's successor is appointed and assumes the office. **Thereafter, each member shall serve for a term of four years, and no more than two full terms.** The City Manager shall be appointed to the board as a voting member in their capacity as a public official and their term shall expire upon expiration of their service as a public official.*
