PUBLIC HEARINGS:

SPECIAL USE PSP 22-04, PRECISION LASER & MANUFACTURING – 31330 STEPHENSON HWY - PAINTING, VARNISHING AND UNDERCOATING SHOP

The applicant, Jesse R. Schmidt d/b/a Precision Laser & Manufacturing LLC, requests special use approval to install an industrial paint booth inside the existing industrial building at 31330 Stephenson Highway which is zoned M-2, Heavy Industrial. The property is improved with an existing 22,000 square foot metal industrial building. The applicant does not propose modifications to the site or building footprint as part of this special approval request.

Per the project narrative, the items that are manufactured by the applicant's business need to be painted in order to prevent rusting. The applicant proposes to use environmentally-friendly water-based paint. The building plan provided by the applicant denotes a 20 ft. by 30 ft. paint booth area inside of the existing building.

Per Section 10.322A, painting, varnishing and undercoating shops are permitted within the M-2 zoning district as a special use. These shops must be set back at least 75 feet from any adjacent residential districts and shall be conducted within a completely enclosed building. Note that the subject site is located within the Stephenson Highway industrial corridor and does not abut any residential zoning districts.

The Site Plan Review Committee (SPRC) reviewed the special use application at their April 27th, 2022 meeting. The SPRC did not cite any concerns with the proposed use.

REPORTS:

RESOLUTION ESTABLISHING MICHIGAN CLASS AS AN APPROVED DEPOSITARY FOR INVESTMENT FUNDS

City Council is being requested to approve a resolution to establish Michigan Class as an approved depository for investing the proceeds from the \$6.5 million bond for the Civic Center Project. Earnings from this investment are estimated to be \$48,730, which will be spent on bond projects.

PRIDE FLAG RESOLUTION

City Council is being requested to display the Pride flag outside the City of Madison Heights City Hall Building for the month of June.

JUNETEENTH FLAG RESOLUTION

City Council is requested to display the Juneteenth flag outside the City of Madison Heights City Hall Building from June 17 to June 20, 2022.

ORDINANCES:

ORDINANCE NO. 2182 – MOBILE FOOD VENDORS – ZONING ORDINANCE AMENDMENT, SECOND READING

The proposed ordinance applies to mobile food vending on private property within the city (excluding food vending that operates under a special event permit) and creates three distinct approval processes: Mobile Food Site Approval, Mobile Food Court Approval, or Mobile Food Vendor Certificate of Occupancy.

In accordance with this ordinance, before a property could allow a mobile food truck vendor to operate on their property, the owner would need to submit a site plan approval for each mobile food site they intend to operate. In addition, when a mobile food truck vendor wishes to locate to this site as an accessory use, the mobile vendor would need to submit for a certificate of occupancy.

This ordinance also allows for Mobile Food Truck Courts as a principal use. This would require special use approval through City Council and a site plan approval. Food Trucks located in the court would require a mobile food truck certificate of occupancies.

The Planning Commission held a public hearing on the proposed text amendments at their April 19, 2022 meeting, and after the public hearing, the Planning Commission recommended approval of the proposed amendments with minor modifications. These modifications have been incorporated into the draft for City Council review.

Staff recommends that City Council approve the second and final reading.

MEMORANDUM

Date: May 12th, 2022
 To: City of Madison Heights City Council
 From: Matt Lonnerstater, AICP – City Planner
 Subject: Special Approval Request PSP 22-04 – 31330 Stephenson Hwy. – Paint Shop

Introduction

The applicant, Jesse R. Schmidt d/b/a Precision Laser & Manufacturing LLC, requests special use approval to install a paint booth within an existing industrial building. The subject property is located at 31330 Stephenson Highway (PIN 44-25-02-378-023) and is zoned M-2, Heavy Industrial. The property is improved with an existing 22,000 square foot metal industrial building. The applicant does not propose modifications to the site or building footprint as part of this special approval request.

Background and Analysis

The applicant proposes to set up an industrial paint booth inside of the existing industrial building at 31330 Stephenson Highway. The applicant represents Precision Laser & Manufacturing, which is a light industrial manufacturing company that produces material handling racks and containers for the automotive industry. Precision Laser & Manufacturing has applied for a Certificate of Occupancy to operate from the building.

Per the project narrative, the items that are manufactured by the applicant's business need to be painted in order to prevent rusting. The applicant proposes to use an environmentally-friendly water-based paint. The building plan provided by the applicant denotes a 20 ft. by 30 ft. paint booth area inside of the existing building.

Per Section **10.322A**, *painting, varnishing and undercoating shops* are permitted within the M-2 zoning district as a special use. These shops must be set back at least 75 feet from any adjacent residential districts and shall be conducted within a completely enclosed building. Note that the subject site is located within the Stephenson Highway industrial corridor and does not abut any residential zoning districts.

Requests for special approval are subject to the following criteria, as outlined in Section **10.201(4)**:

The use shall be designed and located so that it is compatible with the surrounding properties, neighborhood and vicinity. At a minimum, this shall include:

1. *Location of use(s) on site;*
2. *Height of all improvements and structures;*
3. *Adjacent conforming land uses;*
4. *Need for proposed use in specified areas of the city;*
5. *Conformance with future land use plans for the area as adopted by the planning commission;*
6. *Compatibility with the permitted principal uses allowed in the zoning district where the special approval use is requested.*

Additional criteria for reviewing special uses are contained at the end of this report.

Existing Zoning and Land Use

The table below denotes existing adjacent land uses and zoning designations.

	Existing Land Use	Existing Zoning
Site	Industrial	M-2, Heavy Industrial
North	Industrial	M-2, Heavy Industrial
South	Industrial	M-2, Heavy Industrial
East	Industrial	M-2, Heavy Industrial
West (across Stephenson Hwy)	Industrial	M-1, Light Industrial

The subject site is located along the Stephenson Highway industrial corridor and is surrounded by existing light and heavy industrial uses. The property is sandwiched between four existing industrial buildings to the north, east, south and west, and is in close proximity to I-75.

The subject site is zoned M-2, Heavy Industrial, which, per the Zoning Ordinance, is, *“designed primarily for manufacturing, assembling, and fabrication activities including large scale or specialized industrial operations whose external, physical effects will be felt to some degree by surrounding districts.”*

Future Land Use and Master Plan

The table below denotes adjacent future land use designations as contained within the 2021 Madison Heights Master Plan.

	Future Land Use
Site	Industrial
North	Industrial
South	Industrial
East	Industrial
West (across Stephenson Hwy.)	Industrial

The future land use designation of the subject site and all surrounding properties is ‘Industrial.’ Per the Master Plan, the Industrial future land use designation is intended to, *“accommodate manufacturing, processing, warehousing, storage of raw materials and intermediate and finished products, industrial service providers, industrial parks, and industrial research activities. These more intense uses are intended for existing industrial areas along Stephenson, I-75, and 14 Mile Road.”*

Site Plan Review Committee

The Site Plan Review Committee (SPRC) reviewed the special use application at their April 27th, 2022 meeting. The SPRC did not cite any concerns with the proposed use.

Findings and Recommendation

Staff offers the following findings for City Council consideration:

1. The applicant requests special use approval for a paint booth associated with an existing industrial manufacturing business, Precision Laser & Manufacturing, at 31330 Stephenson Highway.
2. The subject property is zoned M-2, Heavy Industrial, and is located within the Stephenson Highway industrial corridor.
3. The proposed use satisfies the use-specific criteria for *painting, varnishing and undercoating shops* in the M-2 district, as the paint booth is located within a completely enclosed building and is not within 75 feet of a residentially-zoned property.
4. The proposed use is consistent and compatible with adjacent industrial uses and industrially-zoned parcels and is consistent with the Industrial future land use designation.
5. The proposed use generally satisfies the special use approval review standards and criteria listed in Section 10.201(4).

Based on these findings, staff recommends that the City Council **approve** the requested special use application for a *painting, varnishing and undercoating shop* at 31330 Stephenson Highway.

Next Step

After the public hearing and discussion, the City Council may take action on the requested special use. **Any motion shall include concise findings based upon the special approval review standards and criteria, Section 10.201(4).**

Pertinent Zoning Ordinance Sections

Section 10.201 – *Special Approval Use Review Procedures and Requirements*

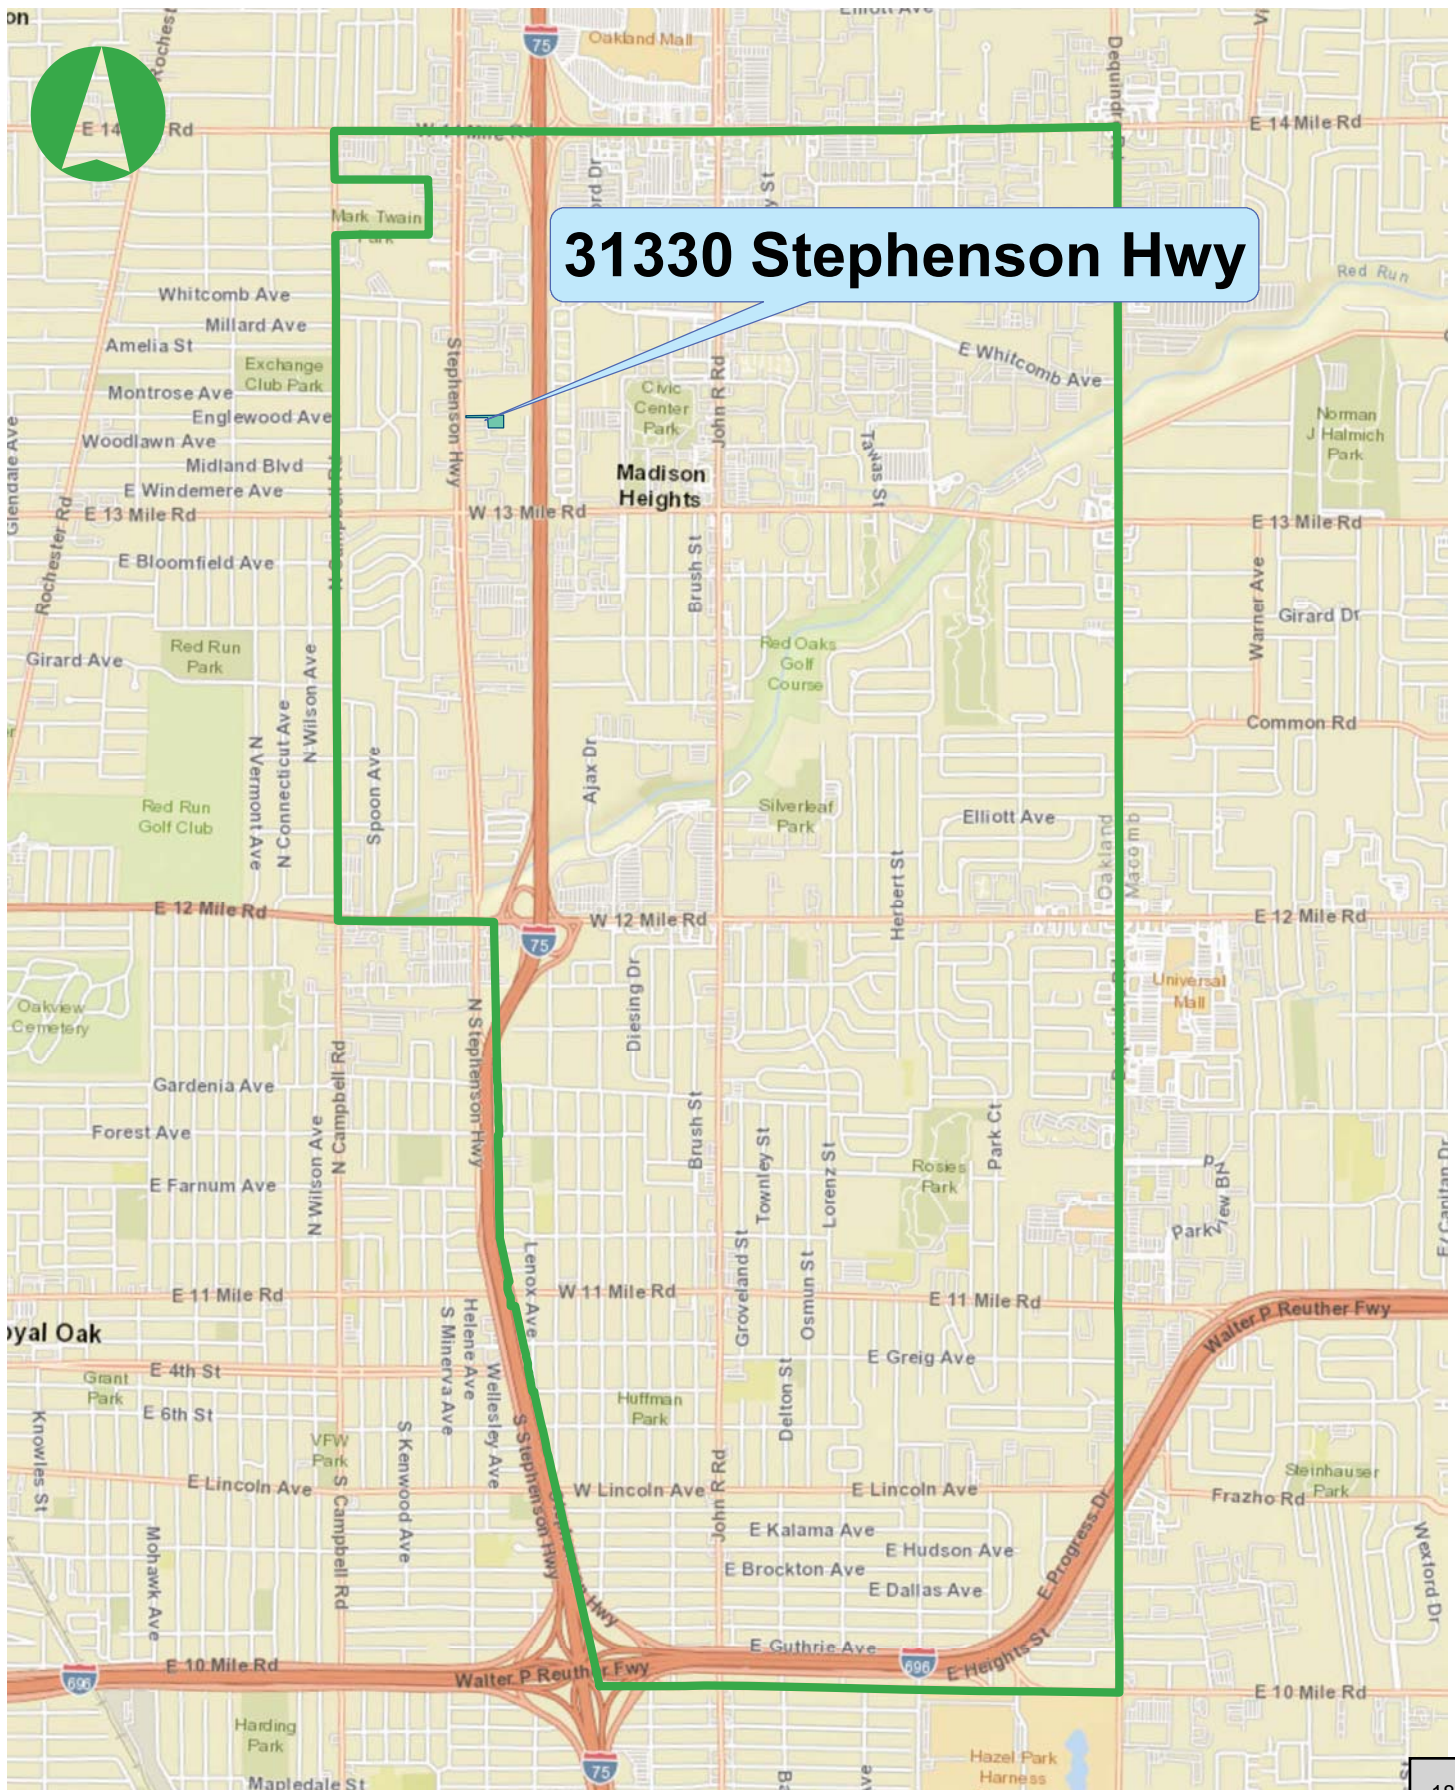

- (4) *Review standards and criteria.* The city council shall consider the following standards and criteria in their review of all special approval use requests:
- (a) Site plans submitted for special approval uses shall be prepared in conformance with and contain all information as outlined in Section 10.514. Site Plan Review.
 - (b) All design standards or criteria imposed on specific special approval uses elsewhere in this Ordinance shall be met.

 2. Height of all improvements and structures;
 3. Adjacent conforming land uses;
 4. Need for proposed use in specified areas of the city;
 5. Conformance with future land use plans for the area as adopted by the planning commission; and

6. Compatibility with the permitted principal uses allowed in the zoning district where the special approval use is requested.
- (d) Ingress/egress to the use shall be controlled to assure maximum vehicular and pedestrian safety, convenience and minimum traffic impact on adjacent roads, drives and uses including, but not limited to:
1. Reduction in the number of ingress/egress points through elimination, minimization and/or consolidation of drives and/or curb cuts;
 2. Proximity and relation to intersections, specifically with regard to distance from drive(s) to intersection(s);
 3. Reduction/elimination of pedestrian/vehicular traffic conflicts;
 4. Adequacy of sight distances;
 5. Location and access of off-street parking;

- (f) The use shall be properly served by utilities.
- (g) The use shall not have an adverse effect on the environment beyond the normal affects of permitted principal uses in the same zoning district and shall not result in an impairment, pollution, and/or destruction of the air, water, and natural resources.
- (h) The use shall be specifically scrutinized for conformance with the performance standards outlined in section 10.509 of this Ordinance.
- (i) The proposed use shall be designed as to location, size, intensity, site layout, and periods of operation to eliminate any possible nuisances which might be noxious to the occupants of any other nearby properties. The use shall not involve uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any persons, property, or the general welfare by reason of excessive smoke, fumes, glare, noise, vibration, odors, and adverse environmental impacts.
- (j) The proposed use does not impose an unreasonable burden upon public services and utilities in relation to the burden imposed by permitted principal uses in the same zoning district.
- (k) The city council may impose conditions in granting special approval that it deems necessary to fulfill the spirit and purpose of this Ordinance. The conditions may include those necessary to ensure that public services and facilities affected by a proposed land use or activity will be capable of accommodating increased service and facility loads caused by the land use or activity, to protect the natural environment and conserve natural resources and energy, to ensure compatibility with adjacent uses of land, and to promote the use of land in a socially and economically desirable manner. Conditions imposed shall:
1. Be designed to protect natural resources, the health, safety and welfare, as well as the social and economic well-being of those who will use the land use or activity under consideration, residents and landowners immediately adjacent to the proposed land use or activity, and the community as a whole.
 2. Be related to the valid exercise of the police power and purposes that are affected by the proposed use or activity.
 3. Be necessary to meet the intent and purpose of the zoning regulations; be related to the standards established in this Ordinance for the land use or activity under consideration (if applicable); and be necessary to ensure compliance with those standards.

4. Provide adequate safeguards as deemed necessary for the protection of the general welfare and individual property rights, and for ensuring that the intent and objectives of this Ordinance will be observed. The breach of any condition, safeguard or requirement, and the failure to correct such breach within 30 days after an order to correct is issued by the city shall be reason for immediate revocation of the special approval. Conditions and requirements stated as a part of special use permit authorizations shall be continuing obligations of the holders of such permits and are binding upon their heirs and assigns and upon any persons taking title to the affected property while such special use permit is in effect.
- (l) The discontinuance of a special use after a specified time may be a condition to the issuance of the permit. Renewal of a special use permit may be granted after a review and determination by the city council that continuing private need and public benefit will be served by such renewal. Renewal applications shall be in accord with standards and requirements in effect at the time that the renewal is requested.

Sec. 10.322A – M-2 – Uses permissible on special approval

- (2) Painting, varnishing and undercoating shops when set back at least 75 feet from any adjacent residential districts and provided further that such operation be conducted within a completely enclosed building.

The Investment Advisor shall determine on behalf of the board when an event occurs that, under this Section entitles the Custodian to temporarily suspend or postpone a Participant's right to withdrawals and shall immediately notify the Custodian and each Participant by telephone or electronic medium of such determination. Such a suspension or postponement shall not itself directly alter or affect a Participant's Balance. Such a suspension or postponement shall take effect at such time as is determined by the Investment Advisor and thereafter there shall be no right to request or receive payment until the first to occur of (a) in the case of (i) or (ii) above, the time at which the Investment Advisor declares the suspension or postponement at an end, that declaration shall occur on the first day of the period specified in the clause (i) or (ii) above shall have expired; and (b) in the case of (iii) above, the end of the first day on which the period specified in clause (iii) above is no longer continuing. (d) No Participant shall be entitled to any reports or statements applicable solely to another Participant.

(e) The Board is entitled to any reports or statements applicable to any or all Participants as it shall request of the Investment Advisor and prepared pursuant to the Investment Advisor Agreement.

Upon its withdrawal from this Participation Agreement, a Participant shall cease to have any rights or obligations under this Participation Agreement except for any indemnification obligations set forth in Article XI arising on or before the date of withdrawal. No withdrawal shall become effective until such Participant has a Zero Balance, and until such time, such Participant shall continue to possess all the rights, and to be subject to all the obligations, arising from this Participation Agreement.

4.2. General Powers: The Board shall serve as the fiduciary for the Participants and shall have exclusive and absolute control over the Investment Property to the same extent as if the Board were the sole owner of the Investment Property in its own right. All powers granted by this Participation Agreement to the Investment Advisor or Custodian shall also be considered powers of the Board that have been delegated for the term of the agreement with the Investment Advisor. The Board may perform such acts as they determine in their sole discretion as proper for conducting the business of the Board. The enumeration of any specific powers shall not be construed as limiting the powers of the Board. Such powers may be exercised with or without an order or other action by any court. In construing the provisions of this Participation Agreement, the presumption shall be in favor of a grant of power to the Board.

4.3. Investment and Management; The Investment Program: The Board shall have the power to subscribe for, invest in, reinvest in, purchase, or otherwise acquire, hold, pledge, sell, assign, transfer, exchange, distribute, or otherwise deal in or dispose of Permitted Investments pursuant to the Michigan CLASS Investment Policy attached hereto as Exhibit F-1. In accordance with Section 10.1(d) hereof, the Michigan CLASS Investment Policy may be amended upon providing Participants 30 days' notice of such amendment. In the exercise of its powers, the Board shall not be limited to Permitted Investments maturing before the possible termination of this Participation Agreement.

The general investment policy and objective of the Board shall be to provide to the Participants the preservation of capital and liquidity while providing a competitive investment yield by investing in Permitted Investments. The Board shall appoint an Investment Advisor and the Board is directed to enter into the Investment Advisor Agreement with the Investment Advisor consistent with the terms of this Participation Agreement. The Investment Advisor Agreement shall not be for a term greater than ten years but may be subject to renewal for successive terms. 4.4. Title to Investments; Rights as Holders of Investment Property: Legal title to all Investment Property shall be vested in the Board on behalf of the Participants and shall be held by and transferred to the Board except that the Board shall have full and complete power to cause legal title to any Investment Property to be held, if permitted by law, in the name of any other Person as nominee, on such term, in such manner and with such powers as the Board may determine, so long as in the judgment of the Board the interests of the Board and the Participants are adequately protected.

The Board shall have full and complete power to exercise all of the rights, powers, and privileges appertaining to the ownership of the Investment Property to the same extent that any

individual might and, without limiting the generality of the foregoing, to vote or give any consent, request, or notice or waive any notice either in person or by proxy or power of attorney with or without the power of substitution, to one or more persons, which proxies and powers of attorney may be for meeting or actions generally, or for any particular meeting or action, and may include the exercise of discretionary powers.

4.5. Payment of Expenses: The Board shall have full and complete power:

4.8. Borrowing and Indebtedness: The Board shall not borrow money or incur indebtedness whether or not the proceeds thereof are intended to be used to purchase Permitted Investments except as a temporary measure to facilitate the transfer of funds to the Participant that might otherwise require unscheduled dispositions of portfolio investments but only to the extent permitted by law.

4.9. Remedies: Notwithstanding any provision in this Participation Agreement, when the

Board deems that there is a significant risk that an obligor to Michigan CLASS may default or is in default under the terms of any obligation of Michigan CLASS, the Board shall have full and complete power to pursue any remedies permitted by law that, in their sole judgment, are in the interests of Michigan CLASS, and the Board shall have full and complete power to enter into any investment, commitment, or obligation of Michigan CLASS resulting from the pursuit of such remedies as are necessary or desirable to dispose of property acquired in the pursuit of such remedies.

(b) such transaction (or type of transactions) is, in the opinion of the Board, on terms fair and reasonable to the Board and the Participants and at least as favorable to them as similar arrangements for comparable transactions with organizations unaffiliated with the Board or with the person who is a party to the transaction with the Board.

4.12. Further Powers: The Board shall have full and complete power to take all such actions, do all such matters and things, and execute all such instruments as they deem necessary, proper, or desirable in order to carry out, promote, or advance the interests and purposes of Michigan CLASS although such actions, matters, or things are not herein specifically mentioned. Any determination as to what is in the best interest of Michigan CLASS made by the Board in good faith shall be conclusive. No member or officer of a Participant, Trustee, officer, employee, or agent of the Board who is made a party to any suit or proceeding to enforce any such liability shall on account thereof be held to any personal liability.

(b) Claims of any nature arising in connection with the affairs of the Board from which a Trustee, officer, employee, or agent of the Board are protected by this Section shall include any claims sustained by reason of any act or omission (including but not limited to investment advice or the failure to give investment advice at any time).

The rights accruing to a Participant or its members or officers under this Section shall not exclude any other right to which such Participant or member or officer may be lawfully entitled, nor shall anything herein restrict the right of the Board to indemnify or reimburse in any appropriate situation even though not specifically provided herein.

11.2. (b) The provisions of this Section shall not be construed to permit the indemnification of any agent Board with respect to any breach of a contract between the agent and the Board.

(c) The rights accruing to any person under these provisions shall not exclude any other right to which the person may be lawfully entitled; provided, however, that no person may satisfy any right of indemnity or reimbursement granted in this Article or to which the person may be otherwise entitled except out of the Investment Property, and no Participant shall be liable to any person with respect to any claim for indemnity or reimbursement of otherwise.

11.4. Reliance on Experts

(a) Each Trustee and each officer of the Board shall, in the performance of his or her duties, be fully and completely justified and protected with regard to any act or any failure to act resulting from reliance in good faith upon the books of account or other records of the Board, upon an opinion of counsel or upon reports made to the Board by any of its officers or employees or by the Investment Advisor, the Custodian, accountants, appraisers, or other experts selected with reasonable care by the Board or officers of the Board.

EXHIBIT G
ELECTION POLICY

On an annual basis, the Michigan CLASS Board shall determine which of its members' terms are expiring and shall direct the Board's Nominating Committee to conduct the annual election to present the number of prospective Trustees to the number authorized by Section 5.1 of the Michigan CLASS Participation Agreement. The Nominating Committee shall annually prepare and present to the Board for approval an election schedule for the following dates:

- Nominations (date of opening and closing)
- Election (date of opening and closing)

The Nominating Committee shall cause a Notice of Nominations to be prepared and delivered to all Participants upon the opening of the Nominations period as specified in the election schedule. The Notice of Nominations shall also contain a copy of this Election Policy. The Nominating Committee shall review all prospective nominations and shall determine the qualifications of the nominees to assure that each candidate meets all qualifications required by the Michigan CLASS Participation Agreement and is fully aware of the responsibilities and duties of a Board of Trustee member. Nominations may only be made by active Participants in Good Standing and shall be returned to the Administrator or an office designated by the Nominating Committee. Prospective nominations must be submitted on the official nomination form that shall be approved by the Nominating Committee. All prospective nominations must be received by the Notice of Nominations closing date as specified in the election schedule. The Nominating Committee shall take whatever steps it deems necessary or appropriate to ensure that each of the following participant categories will be properly represented in the election including counties, cities/villages, townships, school districts, and other public agencies.

The Nominating Committee shall cause ballots to be prepared and to be made accessible to each eligible Participant on the election opening date as specified in the election schedule. Candidate ballot position shall be randomly determined.

The ballot shall include:

- a. Appropriate instructions with details regarding the number of candidates to be elected from each category of public agency.
- b. A biographical sketch of each candidate not to exceed 500 words.
- c. The entity the candidate represents and their corresponding public agency category.

All ballots counted shall be cast by the election closing date, as specified in the election schedule.

Following the completion of the election process, the Nominating Committee shall review the results of the Board election to ensure a fair and accurate vote and to resolve any issues relating to ties. If there are more candidates than available positions on the Board, those candidates receiving the highest number of votes will be declared elected except when such would result in the lack of a category representative required by Section 5.1 of the Participation Agreement. If the election outcome would result in any category not being represented by a Trustee, the candidate from each unrepresented category receiving the highest number of votes among the nominees from within each unrepresented category, if any, will be deemed elected regardless of the number of votes cast for any other candidate. The balance of the open positions, if any, will be filled by those candidates receiving the highest number of votes up to the maximum number of members per category according to 5.1(b) regardless of affiliation.

In the event of a tie, a majority vote of the Board shall serve as the tie-breaker. Should an active Trustee be a part of the tie, he or she must abstain from such vote.

At the first regularly scheduled Board meeting following the election, the Board shall review the election results and shall declare the appropriate candidates elected. If there remains any unrepresented category following any election, the Board shall appoint a representative for that category from among the Participants in the unrepresented category. The Board shall determine any challenge or other matter relating to the conduct of the election and the Board's decision shall be final.

Special Policies Regarding Transition to Four-Year Terms

Beginning with the elections to be held in 2022, the terms for elected Trustees shall transition to four-year terms as follows:

Election Year 2022: there shall be four Trustee positions up for election, and the candidates receiving the three highest vote tallies shall be awarded four-year terms. The candidate receiving the fourth-highest vote tally shall be awarded a three-year term.

Election Year 2023: there shall be four Trustee positions up for election, and the candidates receiving the three highest vote tallies shall be awarded four-year terms. The candidate receiving the fourth-highest vote tally shall be awarded a two-year term.

Election Year 2024: there shall be five Trustee positions up for election, and the candidates receiving the four highest vote tallies shall be awarded a four-year term. The candidate receiving the fifth-highest vote tally shall be awarded a one-year term.

Election Year 2025: there shall be three Trustee positions up for election (comprised of the candidate receiving the lowest vote tallies from each of the 2022, 2023 and 2024 election cycles, each of which was awarded a shorter-than-four year term as set forth above), and the candidates receiving the three highest vote tallies shall each be awarded a four-year term.

Election Year 2026 and thereafter: all winning candidates shall be awarded four-year terms.

Nothing set forth in this "Special Policies Regarding Transition to Four-Year Terms" section of the Election Policy shall be interpreted as amending the requirement of Section 5.1 of the Participation Agreement or the previous sections of this Election Policy to maintain representation from each category of Participant. The procedures set forth above in "Election Policy" shall govern the instance in which the required category representation has not been achieved in the results of the election.

The Pride flag is authorized by City Council resolution, on a temporary basis, is considered "government speech," only, and is for a cause, event, and celebration that the City government supports and wishes to promote. MEMORANDUM

Date: May 11th, 2022
 To: City of Madison Heights City Council
 From: Matt Lonnerstater, AICP – City Planner
 Subject: Second Reading – Zoning Text Amendment - Mobile Food Vendors (ZTA 22-01)

Introduction

City staff proposes the attached text amendment to create standards for the operation of mobile food vehicles (a.k.a. food trucks) on private property within the City. The proposed amendment aims to promote small business growth within the City and simultaneously mitigate the negative impacts that mobile food vehicles may have on adjacent properties and businesses.

Background

Recent economic and cultural trends show an increase in the popularity of food trucks and mobile vendors. Many cities promote mobile food vending as a means to increase activity in business districts, support start-up businesses, and increase food choices in a community. Unfortunately, Madison Heights' Code of Ordinances does not contain clear standards directly relating to the operation of mobile food vendors within the City. This, in turn, has resulted in confusion on the city administration side about how to permit food truck operation in the city, if at all. The lack of guidance has also resulted in frustration for food vendors looking to operate within Madison Heights.

City staff understands that a successful food truck community in Madison Heights can provide many of the aforementioned benefits. There is also an understanding that food trucks can present unique regulation challenges due to the need to protect nearby residences and brick and mortar businesses. As such, staff proposes the attached "mobile food vending" ordinance as a tool to provide a clear process for food truck operation within the city and regulate against some of the associated negative external impacts.

Mobile Food Vending Ordinance – In a Nutshell

The proposed ordinance applies to food vending on private property within the city (excluding food vending that operates under a special event permit) and creates three distinct approval processes: **Mobile Food Site** approval (accessory use), **Mobile Food Court** approval (principal use), and **Mobile Food Vendor Certificate of Occupancy** approval. These processes are explained, below:

- 1) **Mobile Food Site Approval:** In order to accommodate/host a single food truck or mobile food vendor on their property as an accessory use, a private property owner must first apply to designate their site as a "mobile food site." Mobile food site approval essentially constitutes zoning verification that a property satisfies the minimum locational, buffering, and setback standards contained within the ordinance. The property owner must submit a site plan that confirms compliance with the following standards:

- **Zoning:** Property must be zoned O-1, B-1, B-2, B-3, M-1 or M-2 and located within the boundaries of the Downtown Development Authority (DDA) District.
- **Principal Use:** The property must contain an existing principal use/structure.
- **Brick and Mortar Separation:** The area designated for the mobile food vehicle must be set back a minimum of 100 feet from a property containing an existing brick and mortar restaurant (may obtain an exception if the brick and mortar owner(s) approves).
- **Residential Setback:** The area designated for the mobile food vehicle must be set back a minimum of 100 feet from a residentially-zoned property (may apply as a special use within 100 feet of a residential property).
- **Maximum Vehicles On-Site:** Only one (1) mobile food vehicle may operate at a mobile food site at a time.
- Additional site plan standards relating to paving, pedestrian and vehicular circulation, setbacks from permanent buildings, etc.

2) Mobile Food Court Approval: In order to accommodate multiple food trucks or mobile food vendors on their property as a principal use, a private property owner must apply to designate their site as a “mobile food court.” A mobile food court is deemed a principal use of a property and requires special use approval through City Council and site plan approval through the Site Plan Review Committee. The property owner must submit a site plan that confirms compliance with the following standards:

- **Zoning:** Property must be zoned O-1, B-1, B-2, B-3, M-1 or M-2 and located within the boundaries of the Downtown Development Authority (DDA) District.
- **Setbacks:** Permanent structures on site shall satisfy minimum setback, height, and lot coverage requirements of the zoning district.
- **Residential Setback:** Outdoor seating areas must be set back a minimum of 40 ft. from properties zoned residential.
- **Restrooms:** Permanent restroom facilities must be provided on-site.
- **Maximum Vehicles On-Site:** A maximum of eight (8) food truck pads may be accommodated.
- Additional site plan standards relating to parking, landscaping, noise levels, lighting, signage, and alcohol sales.

3) Mobile Food Vendor Certificate of Occupancy: Once a site has been approved as a mobile food site or mobile food court, a mobile food vendor can apply to operate from that location by submitting a mobile food vendor certificate of occupancy (C of O) application. Mobile food vendors may only operate from properties that have been approved as “mobile food sites” or “mobile food courts” as described above. The mobile food vendor needs a certificate of occupancy for each mobile food site or court in which they intend to operate. A certificate of occupancy application must contain supplemental information that confirms compliance with the following operational standards, as contained within the Ordinance:

- Approval of a valid business license from the City Clerk.
- Approval of a valid health license from Oakland County.
- Approval of a mobile food site plan or mobile food court special use/site plan for the property and confirmation that the mobile food vehicle will comply with the approved site plan.
- Written approval from the private property owner.
- **Signage:** Permitted one A-frame sign and signage directly attached to the vehicle.
- **Trash bins:** Must be provided and emptied daily.
- Additional standards pertaining to tables, food preparation, electrical and water connection, etc.

The graphic below depicts the process for hypothetical Mobile Food Vendors A and B. Mobile Food Vendor A wishes to operate from a Mobile Food Site and a Mobile Food Court, while Mobile Food Vendor B only wishes to operate from a Mobile Food Court.

Based on their intended operations, Mobile Food Vendor A would need to apply for two (2) certificates of occupancy (one for the mobile food site and one for the mobile food court), while Mobile Food Vendor B would only need to apply for one (1) certificate of occupancy for the mobile food court.

PREVIOUS ACTION AND NEXT STEPS

The Planning Commission held a public hearing on the proposed text amendments at their April 19th, 2022 meeting. After the public hearing, the Planning Commission recommended approval of the proposed amendments with minor modifications. These modifications have been incorporated into the draft for City Council review.

City Council conducted its first reading of the proposed Ordinance at their May 9th, 2022 meeting. Staff recommends that City Council approve the Ordinance upon its second and final reading at the May 23rd meeting.

The applicant, Cadillac Straits, proposes to utilize a portion of the private sidewalk in front of their business for permanent outdoor seating. The applicant has utilized the sidewalk space for outdoor seating since 2020 as part of the City's COVID-19 outdoor seating waiver resolution, which is set to expire on May 2nd, 2022.

Per the project narrative and site plan, the applicant intends to utilize a private sidewalk area measuring 33 feet by 6 feet (198 square feet). The seating area is proposed on the east side of the building adjacent to the parking lot. Hours of operation for the outdoor seating area are proposed to match that of the brewery.

Per Section **10.326(10)**, outdoor seating areas associated with restaurants that serve alcohol require special use approval through City Council. Additional use-specific standards for outdoor seating areas are contained in Section **10.318(5)**.

Site Plan Review Committee

The Site Plan Review Committee (SPRC) reviewed the special use application at their January 20th, 2022 meeting. The SPRC recommended that a minimum width of four (4) feet be maintained on the private sidewalk for pedestrian accessibility.

Findings and Recommendation

Staff offers the following findings for City Council consideration:

1. The applicant requests special use approval for an outdoor seating area associated with an existing brewery/restaurant that serves alcohol at 27651 John R. Road, ‘Cadillac Straits Brewing Company.’ The property is zoned B-3, General Business and is located within the Downtown Development Authority (DDA) District. The proposed patio area is compatible with uses permitted in the B-3, General Business, zoning district.
2. The proposed patio area is located in front of the building on a private sidewalk adjacent to the parking lot and will not likely be detrimental to adjacent residential and commercial properties.
3. The proposed use is consistent and compatible with the description and intent of the ‘*Commercial*’ future land use designation, as contained within the 2021 Master Plan, and will improve the aesthetic appearance of the 11 Mile Road corridor and DDA district.
4. The proposed use generally satisfies the special use approval review standards and criteria listed in Section 10.201(4).
5. The Site Plan Review Committee (SPRC) reviewed the proposed special use request at their April 20th, 2022 meeting and recommended that a minimum pedestrian pathway of four (4) feet be maintained.
6. The outdoor seating use, if approved, will be required to satisfy the use-specific criteria for outdoor seating areas listed in Section 10.318(5) of the Zoning Ordinance.

Based on these findings, staff recommends that the City Council **approve** the requested special use application with the following condition:

1. The applicant shall submit an administrative plot plan to the Community and Economic Development Department that demonstrates the following:

- a. A minimum pedestrian pathway width of four (4) feet adjacent to the patio area; and
- b. A permanent enclosure around the outdoor seating area (adjacent to the parking lot) consisting of either metal railing, a brick wall, bollards, or other suitable materials subject to the approval of the City Planner, consistent with the standards of Section 10.318(5).

NOW, THEREFORE, BE IT RESOLVED, that the Madison Heights City Council, acting as Special Approval Board in accordance with section 10.201 of the Code of Ordinances, hereby APPROVES the requested Special Use PSP 22-03 at 27651 John R Road to permit in a R-2, One-Family Residential District, with the following conditions:

- a. A minimum pedestrian pathway width of four (4) feet adjacent to the patio area; and
- b. A permanent enclosure around the outdoor seating area (adjacent to the parking lot) consisting of either metal railing, a brick wall, bollards, or other suitable materials subject to the approval of the City Planner, consistent with the standards of Section 10.318(5).

Section 12. FOIA FEES

A fee will not be charged for the cost of search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the City because of the nature of the request in the particular instance, and the City specifically identifies the nature of the unreasonably high costs.

The Michigan FOIA statute permits the City to assess and collect a fee for six designated processing components. The City may charge for the following costs associated with processing a request:

- Labor costs associated with searching for, locating and examining a requested public record.
- Labor costs associated with a review of a record to separate and delete information exempt from disclosure of information which is disclosed.
- The cost of computer discs, computer tapes or other digital or similar media when the requester asks for records in non-paper physical media.
- The cost of duplication or publication, not including labor, of paper copies of public records.
- Labor costs associated with duplication or publication, which includes making paper copies, making digital copies, or transferring digital public records to non-paper physical media or through the Internet.
- The cost to mail or send a public record to a requestor.

1.0 Labor Costs

- All labor costs will be estimated and charged in 15-minute increments with all partial time increments rounded down.
- Labor costs will be charged at the hourly wage of the lowest-paid City employee capable of doing the work in the specific fee category, regardless of who actually performs work.
- Labor costs will also include a charge to cover or partially cover the cost of fringe benefits.

2.0 Non-paper Physical Media

- The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media would be at the actual and most reasonably economical cost for the non-paper media.
- This cost will only be assessed if the City has the technological capability necessary to provide the public record in the requested non-paper physical media format.

3.0 Paper Copies

- Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will be \$.10 per sheet of paper. Copies for non-standard sized sheets will reflect the actual cost of reproduction.
- The City may provide records using double-sided printing, if cost saving and available.

4.0 Mailing Costs

- The cost to mail public records will use a reasonably economical and justified means.
- The City may charge for the least expensive form of postal delivery confirmation.
- No cost will be made for expedited shipping or insurance unless requested.

CM-22-167. Mayor and Council - Comments.

Councilwoman Aaron wished everyone a happy Mother's Day. May holds some very important recognitions including weeks for Public Service, Public Works, Teachers Appreciation, Police and Nurses. These professionals never stop and are some of the most demanding positions that often get little recognition. Thank you to all the teachers and nurses that showed up to work during the

pandemic, thank you for public works for collecting our garbage and shoveling our snow and to every man and woman in blue who walked our streets and protected us, I want you all to know that you are appreciated and she thanked them for their work. It is Mental Health Awareness month and May 19th is a Mental Health Day of Action to inspire people to talk about their experiences and destigmatize mental health; to make awareness into an action. She hopes the Mental Health Month will continue to move forward and make people comfortable to continue to express themselves about their experiences.

Mayor Pro Tem Bliss stated that the City is filled with humans and humans have struggles that they don't always wish to share, so remember to show kindness, give space and show empathy. You don't know what people are going through. The disc golf course is now open at Rosie's Park and the backboard and rim are back up at Wildwood. He noted that the Active Adult Center offer Council accepted this evening is part of Civic Center project. He stated that he is looking forward to serving on the Election Commission this year.

Councilor Wright acknowledged public service workers and stated that he has seen firsthand their dedication and professionalism; thank you for all that you do. Public service workers don't often get recognized for the dirty jobs that they do and he also expressed kudos to our public safety workers; we greatly appreciate you. He challenged everyone to take action on mental health awareness; it is not about extremes, you have to take care of yourself mentally as well as physically. I am a human being and we have to normalize that mental health is about us not other people. If you feel you would like to talk to someone, he recommended Psychology Today as well as the use of the Calm App to meditate. When we talk about mental health, take this as a challenge to practice and figure out what you are doing to maintain your mental health. Happy Asian Pacific American History Month and Jewish American History Month. He attended the disc golf course ribbon cutting and he is happy to see improvements in the community. If you can't remember anything else from today, just remember to be kind.

City Attorney Sherman hoped everyone had a nice Mother's Day. He noted that Mayor Pro Tem Bliss was the only eligible member of Council left to serve on the Election Commission.

City Manager Marsh stated that due to the Civic Center project, starting June 13th, City Hall staff will be moving to the Council Chambers and City Council meetings will be held in the training room at Fire Station No. 1. The State of City will be held May 19th at the Associated Building and Contractors located at 31800 Sherman Ave. The Parade Committee has been working very hard on the Memorial Day ceremony which will be May 28th.

City Clerk Rottmann stated that voters will be receiving both absentee applications and new voter identification cards in the mail shortly. She noted that due to the law, although some people may have moved from their address, the Clerk has to send their voter identification card if they have not reregistered at their new address yet. If you receive a card for someone no longer at your address, please notify our office.

Councilor Rohrbach stated that in conjunction with Mental Health Awareness month, it has been a tough week for woman who are struggling with the news of the leaked *Roe v Wade and Casey* draft opinion; please take care of you and take action. She stated that she believes everyone has right to full access to healthcare including women. She spoke to her personal experiences and stated that some things that are being discussed at the State levels would criminalize the actions of women and some of the actions that she took to become a mother. She stated that government does not have any business in her bedroom or in her doctor's office. The draft opinion attacks the right to privacy and this will really affect everyone. If you have a private life of any kind, it enables the government to become involved. The right to privacy is the basis for LGBTQ and interracial marriage. While she realizes that we at the local level do pass legislation on these topics, but we need to take action to protect our privacy.

Councilman Fleming stated that today Council passed, on First Reading, a food truck ordinance. He stated that this is an idea he requested staff to look into further and is happy that this is moving forward.

Councilman Soltis thanked Councilwoman Aaron for her words on teachers and stated as a new teacher, he appreciates her words. He is sad that we have to acknowledge Police Officers Memorial Week and wishes that there wasn't a need to do so, but unfortunately there is. So far in 2022, there have been 102 deaths in the line of duty. He stated that he always has appreciation for the officers. He shared a personal experience with his interaction with the Madison Heights Police and thanked them for what they do.

Mayor Grafstein echoed comments on Mental Health and shared her personal experience of growing up with a bi-polar parent. She stated that back then you did not talk about mental health. Since she was unable to obtain support, her mother founded the Mood Disorders Association. She stated that there are all sorts of experts in mental health and it is important to know that we all have good and bad days, that is situational. When it continues on for days and you don't even know why you are feeling the way you are, that is dysphoria. She spoke of our Police and how they are very kind and do a great job with some of the mental health issues, especially with our teenagers. Mental health has a stigma, but it is a chemical imbalance and it needs to be treated just like we would treat diabetes. Please be kind, you don't know what someone's journey is. The next regular Council meeting is May 23rd.

CM-22-168. Adjournment.

There being no further business, the meeting was adjourned at 8:32 p.m.

2022 PROCLAMATION
DECLARING THE FIRST FRIDAY IN JUNE TO BE
NATIONAL GUN VIOLENCE AWARENESS DAY

This proclamation declares the first Friday in June to be National Gun Violence Awareness Day in the City of Madison Heights to honor and remember all victims and survivors of gun violence and to declare that we as a country must do more to reduce gun violence.

WHEREAS, every day, more than 110 Americans are killed by gun violence, alongside more than 200 who are shot and wounded, and on average there are nearly 16,000 gun homicides every year; and

WHEREAS, Americans are 26 times more likely to die by gun homicide than people in other high-income countries; and

WHEREAS, Michigan has 1,270 gun deaths every year, with a rate of 12.7 deaths per 100,00 people. Michigan has the 29th highest rate of gun deaths in the US; and

WHEREAS, gun homicides and assaults are concentrated in cities, with more than half of all firearm related gun deaths in the nation occurring in 127 cities; and

WHEREAS, cities across the nation, including Madison Heights, are working to end the senseless violence with evidence-based solutions; and

WHEREAS, protecting public safety in the communities they serve is mayors' highest responsibility; and

WHEREAS, support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from people with dangerous histories; and

WHEREAS, mayors and law enforcement officers know their communities best, are the most familiar with local criminal activity and how to address it, and are best positioned to understand how to keep their citizens safe; and

WHEREAS, gun violence prevention is more important than ever as the COVID-19 pandemic continues to exacerbate gun violence after more than two years of increased gun sales, increased calls to suicide and domestic violence hotlines, and an increase in city gun violence;

WHEREAS, in January 2013, Hadiya Pendleton was tragically shot and killed at age 15; and on June 3, 2022 to recognize the 25th birthday of Hadiya Pendleton (born: June 2, 1997), people across the United States will recognize National Gun Violence Awareness Day and wear orange in tribute to -

- (1) Hadiya Pendleton and other victims of gun violence; and
- (2) the loved ones of those victims; and

WHEREAS, the idea was inspired by a group of Hadiya's friends, who asked their classmates to commemorate her life by wearing orange; they chose this color because hunters wear orange to announce themselves to other hunters when out in the woods and orange is a color that symbolizes the value of human life; and

WHEREAS, anyone can join this campaign by pledging to wear orange on June 3rd, the first Friday in June in 2022, to help raise awareness about gun violence; and

WHEREAS, by wearing orange on June 3, 2022 Americans will raise awareness about gun violence and honor the lives of gun violence victims and survivors; and

WHEREAS, we renew our commitment to reduce gun violence and pledge to do all we can to keep firearms out of the wrong hands, and encourage responsible gun ownership to help keep our children safe.

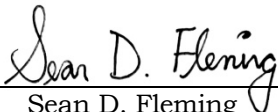

NOW, THEREFORE BE IT RESOLVED, that Mayor Rosalyn Grafstein, of the city of Madison Heights, declares the first Friday in June, June 3, 2022, to be National Gun Violence Awareness Day. I encourage all citizens to support their local communities' efforts to prevent the tragic effects of gun violence and to honor and value human lives.
