# Council Board and Commission Updates

# Hybrid Meetings

- Upcoming Hybrid City Council Meeting
  - Tuesday, April 16 at 5:00 PM
- Hybrid Boards and Commissions Meetings (All Meetings on Zoom)
  - Design Commission – April 3 at 6:00 PM
  - Parks & Recreation Commission with Open Space Conservancy Trust – April 4 at 5:00 PM
- Visit [www.mercerisland.gov/meetings](http://www.mercerisland.gov/meetings) for more information.

# City Updates

# Police Modular Buildings

- Work continues on the City Hall campus to operationalize the two new modular buildings, which will be used to temporarily house the Police Department due to the permanent closure of City Hall.
- The City's Public Works crews completed the installation of water and sewer utility lines over the past two weeks, including infrastructure for the third modular building, which is scheduled for delivery in the next three months.
- Meanwhile, work is underway to connect the modular buildings to electrical and data services, one of the final steps in the process. Staff expect to have the buildings energized by the end of the month.
- Staff are also working on final details for key cards, furniture move-in, etc.

Item 1.

# Public Safety & Maintenance Building

Item 1.

- At the Planning Session on March 1, the City Council provided direction to commence design work on a new Public Safety and Maintenance Building.
- The new building will address critical facility needs for the Police Department, all maintenance teams, Public Works, and IT/GIS.
- Planning work is underway for this new facility and the staff anticipate several touch points with the City Council on the progress throughout the year.
- Currently, consultants are completing survey and critical area assessment work for the property. This early step in the pre-design process is necessary to inform decisions related to building and yard siting.
- Planning workshops are being held with staff teams to better understand operations and space needs. This pre-design work will continue through April and into May.
- Staff currently anticipate having a facility concept and early cost estimates to share with the City Council at the end of June.

# Luther Burbank Boiler Building

- Phase 1 construction is well underway. Work entails seismic retrofits for the Boiler Building, chimney reinforcement, and renovation of the restrooms.
- Contractors continued grading inside the building to prepare for a new floor slab, and rough-in plumbing is underway for the restrooms and concession area.
- The top 10 feet of chimney has been removed and all fire brick inside has been removed. Crews will begin installing reinforcing steel in the chimney later in April.
- Completion of Phase 1 is anticipated this summer. A second phase of project work on the docks and waterfront is anticipated to begin in 2025.

# Water Meter Replacement Project

- The City is replacing all 7,800 water meters in its system. As they age, meters underreport the actual amount of water used, and almost two-thirds of the island's water meters are over 20 years old.
- This project began in early March, and to date, 951 new water meters have been installed – which accounts for approximately 13% of all meters in service.
- These new meters will allow the City to identify leaks almost immediately and will provide hourly water use data to customers through a customer portal.
- Installations are scheduled to be completed in the third quarter of the year. You can follow project updates on Let's Talk!

# New Bike Skills Signage

- Last week, Parks Operations staff installed signage at four Island Crest Park trailheads along 84<sup>th</sup> Ave SE.
- These signs will enhance rider and driver safety, providing additional awareness to cyclists that they are approaching a roadway while biking these trails.
- Parks staff also adjusted sign placement within the Bike Skills Area to better identify where jump lines start, signal where lines merge, and improve other wayfinding in the park.
- Future BSA updates can be found at [mercerisland.gov/bikeskillsarea](https://mercerisland.gov/bikeskillsarea).

Item 1.

# First Hill Park Playground Replacement

- Staff launched an online community survey for First Hill Park to collect input on playground equipment, play style preferences, and more.
- **Responses will be collected through April 14.**
- Results will inform site concepts that will be shared via a pre-recorded presentation on Let's Talk, scheduled to launch around April 30. Community members can watch the presentation at their convenience and then respond to concepts through a second online survey.
- Staff are working with Mercer Island Preschool Association, the School District, and other community partners to promote survey participation.
- More details about this project and the survey are available at [mercerisland.gov/firsthillplayground](https://mercerisland.gov/firsthillplayground).

Item 1.

# Upcoming Events

# Leap for Green - Earth Day Fair

Item 1.

- Join us for the annual Leap for Green Earth Day Fair on April 20, 2024, from 10:00 AM to 2:00 PM!
- This free event promotes environmental practices and activities for kids and adults, and to raise general awareness of local sustainability resources.
- The event features entertainment, food vendors, numerous summer camp sign-ups, and more.
- Thank you to our sponsors: Cedar Grove and The Mercer Island Community Fund!

# Some Good News

# All-Staff Meeting

- Last week, City employees came together for a semi-annual All-Staff meeting.
- We had over 100 staff members from different departments gathered at the MICEC to discuss City updates and work plan items in the year ahead.
- The time together was excellent for connecting our workforce, and serving as a reminder that even though we lost our home base when City Hall closed, we are resilient and continue to move forward!

# Thank you!

<b>EXHIBITS:</b>	1. March 22, 2024 Payroll Certification 2. FTE/LTE Counts
<b>CITY COUNCIL PRIORITY:</b>	n/a

<b>AMOUNT OF EXPENDITURE</b>	\$ n/a
<b>AMOUNT BUDGETED</b>	\$ n/a
<b>APPROPRIATION REQUIRED</b>	\$ n/a

### EXECUTIVE SUMMARY

This agenda bill is to approve the payroll certification for the City of Mercer Island for the period from March 2, 2024 through March 15, 2024 in the amount of \$849,488.42 (see Exhibit 1).

### BACKGROUND

[RCW 42.24.080](#) requires that all claims presented against the City by performing labor must be certified by the appropriate official to ensure that the labor was performed as described, and that the claims are just, due, and unpaid obligations against the City, before payment can be made. [RCW 42.24.180](#) allows the payment of claims to occur prior to City Council approval to expedite processing of the payment of claims, provided, however, that review and approval of the claims' documentation occurs at the next regularly scheduled public meeting. The Payroll Certification details the total payment to employees for labor performed and benefits payments made for each payroll. The City is on a bi-weekly payroll schedule with payments every other Friday.

## ISSUE/DISCUSSION

Each payroll varies depending on several factors (i.e., number of employees, pay changes, leave cash outs, overtime, etc.). In addition to regular pay for employees, this payroll has variants that are outlined below.

### Additional payments:

Description	Amount
Leave cash outs for current employees	\$9,937.70
Leave cash outs for terminated employees	\$9,984.49
Service and recognition awards	\$1,000.00
Overtime earnings (see chart for overtime hours by department).	\$33,650.24
<b>Total</b>	<b>\$54,572.43</b>

### Overtime hours by department:

Department	Hours
Administrative Services	
City Attorney's Office	
City Manager's Office	
Community Planning & Development	4.00
Finance	5.00
Municipal Court	
Police	223.00
Public Works	147.75
Thrift Shop	1.00
Youth & Family Services	
<b>Total Overtime Hours</b>	<b>380.75</b>

## NEXT STEPS

### FTE/LTE COUNTS

The table in Exhibit 2 shows the budgeted versus actual counts for Full Time Equivalents (FTEs) and Limited Term Equivalents (LTEs) for the current payroll. Casual labor employees (temporary and seasonal) are not included in the counts.

### Casual Labor

In addition to FTE and LTE employees, the City utilizes casual labor to address workload needs that exceed the capacity or expertise of the City's regular staff and that are time limited or seasonal. Casual labor is used primarily to address seasonal workload needs and short-term workload issues created by special projects or position vacancies. Compared to an LTE position, a casual labor position has limited benefits and is filled for a shorter period of time (1-3 months, 6 months, or 9 months). The departments/divisions that utilize casual labor the most are Parks Maintenance, Recreation, Public Works, and the Thrift Store.

## RECOMMENDED ACTION

Approve the March 22, 2024 Payroll Certification in the amount of \$849,488.42 and authorize the Mayor to sign the certification on behalf of the entire City Council.

### EXECUTIVE SUMMARY

This agenda bill is to proclaim April as Autism Acceptance Month to recognize all individuals around the world who live on the Autism spectrum and to celebrate the numerous ways autistic individuals enhance the quality of our communities and enrich our world.

### BACKGROUND

Autism spectrum disorder (ASD) is a complex, lifelong disability that typically manifests itself during early childhood. It is one of the fastest growing developmental disabilities in the world affecting approximately one in 44 children in the U.S. It is characterized by difficulties with social, emotional, and communication skills. People with ASD have a different way of learning and reacting to stimuli. ASD occurs in all racial, ethnic, and socioeconomic groups, and it is four times more prevalent in boys than in girls.

There is currently no cure for ASD, however early intervention treatment can have a positive impact on childhood development. Treatment plans can include therapies and counseling that meet the specific needs of the individual. Research continues into better understanding the factors that lead to ASD and the associated treatment options.

**ISSUE/DISCUSSION**

As many individuals and families living with autism know, acceptance is often one of the biggest barriers to finding and developing a strong support system. The Mercer Island community understands the importance of fostering acceptance to lead to improved support and to achieve equity in education, employment, housing, health care, and comprehensive long-term services.

Proclaiming April 2024 as Autism Awareness Month is continuing Mercer Island's commitment to be a supportive community for those families dealing with the challenge of supporting family members who are on the autism spectrum, and to extending kindness and compassion to those who struggle with disabilities.

**RECOMMENDED ACTION**

Proclaim April 2024 as Autism Acceptance Month in the City of Mercer Island.

# City of Mercer Island, Washington

## *Proclamation*

**WHEREAS**, in the United States, 1 in 44 children are diagnosed with autism spectrum disorder, totaling over 7 million young people and adults. Mercer Island families face challenges associated with family members who are on the autism spectrum.

People with autism are able to achieve independence and live purposeful lives when afforded the support system and opportunities that each and every one of us deserves.

With proper education, training and community living options, individuals with autism can lead distinguished, productive lives in their communities and strive to reach their fullest potential.

Our community supports an increased awareness of this challenging disability.

This month honors self-advocates, family members, caregivers, professionals, and all who work every day to create more opportunities for those with autism within the Mercer Island community.

Together, we can spread awareness, foster acceptance, and empower everyone in the autism community with the resources needed to live fully.

**NOW, THEREFORE**, I, Salim Nice, Mayor of the City of Mercer Island, do hereby proclaim APRIL 2024 as

### EXECUTIVE SUMMARY

This agenda bill is to proclaim April as Sexual Assault Awareness month and join other King County cities as a part of a regional and national effort to educate communities about ways to recognize, respond to, and help end sexual violence.

### ISSUE/DISCUSSION

Every April, Sexual Assault Awareness Month (SAAM) calls attention to the fact that sexual harassment, assault, and abuse are widespread and impact every person in the community. SAAM aims to raise public awareness about sexual violence and educate communities on how to prevent it.

The National Sexual Violence Resource Center's theme for SAAM 2024 is "Building Connected Communities." The campaign calls on all individuals, communities, organizations, and institutions to strive to create strong, connected communities that care of one another and that make decisions to ensure the safety and well-being of all members to end sexual violence worldwide.

Systems of oppression such as racism, sexism, classism, heterosexism, ageism, and ableism contribute to higher sexual harassment, assault, and abuse rates. Stopping sexual abuse, assault, and harassment before they happen through working together to support healthy, safe, and respectful behaviors and environments

within the community. Building a connected community can help to address the social and structural determinants of health such as education, income, employment, community safety, and social support is crucial to improving the conditions in which we live, learn, work, and play.

#### **KING COUNTY SEXUAL ASSAULT RESOURCE CENTER**

King County Sexual Assault Resource Center (KCSARC) provides sexual assault-related services for people of all ages in King County, WA, while working toward the ultimate goal of eliminating sexual violence and abuse from local communities. They are on the frontline with victims and their families, ensuring that all people affected by sexual assault get the treatment they need and advocacy they deserve. They are also at the forefront of change, guiding public policy development, and delivering best practice education to create safer environments for everyone. To talk with someone, email <https://www.kcsarc.org/gethelp> or call 888.99.VOICE.

#### **RECOMMENDED ACTION**

Proclaim April 2024 as Sexual Assault Awareness Month in the City of Mercer Island.

# City of Mercer Island, Washington

## *Proclamation*

**WHEREAS**, in Washington State, 45% of women and 22% of men report having experienced sexual violence in their lifetime. Black, Indigenous, and other people of color, people living in poverty, LGBTQ+ people, elders, people with disabilities and others who have been historically oppressed are disproportionately affected by sexual violence in significant and complex ways.

Sexual assault is among the most underreported crimes for many reasons, but survivors who are already most marginalized face additional barriers to reporting, such as language, immigration status or disability. Ending sexual violence requires us to address racism, sexism, and all forms of oppression that contribute to the perpetration of sexual assault.

Sexual violence exists on a continuum of behavior that includes racist, sexist, transphobic, homophobic, ableist or other hate speech. This ranges from rape jokes to verbal harassment to physical assaults.

**NOW, THEREFORE**, I, Salim Nice, Mayor of the City of Mercer Island, do hereby proclaim APRIL 2024 as

## **SEXUAL ASSAULT AWARENESS MONTH**

And encourage the Mercer Island community to work together to alleviate the trauma of sexual violence by ensuring supportive resources are available to all survivors, while standing up to and actively disrupting harmful attitudes and behaviors that contribute to sexual violence.

### EXECUTIVE SUMMARY

The purpose of this agenda bill is to present the Participation Form (Exhibit 1) for the opioid settlement with Johnson & Johnson ("Johnson & Johnson Settlement") for claims related to the opioid epidemic.

- Under the Johnson & Johnson Settlement, the state of Washington and its local governments will receive a lump sum payment of up to \$123.3 million, if all eligible local governments participate.
- The funds will be split 50/50 - \$61.67 million being allocated to the state and \$61.67 million to local governments.
- Settlement funds allocated to local governments will be further allocated to each participating jurisdiction under the terms of the One Washington MOU Between WA Municipalities (MOU), which has already been signed by the City for previous opioid settlements.
- The City's share of settlement funds is estimated to be around \$108,000 assuming all eligible local governments participate, and the maximum settlement amount is collected.
- Settlement funds must be spent on approved purposes to abate and mitigate impacts from the opioid epidemic.

### BACKGROUND

The Washington State Attorney General's Office has reached a state-wide legal [settlement](#) with Johnson & Johnson (referred to as *Janssen* in legal documents) for claims related to the opioid epidemic. Under the

settlement, Johnson & Johnson will make a lump sum payment of up to \$123.3 million this year to the state and local governments. Washington cities and counties with a population over 10,000 can join this settlement. If enough join, local governments will receive up to \$61.67 million that must be spent on efforts to combat the opioid epidemic. The state will also receive \$61.67 million to be spent throughout Washington on combatting the opioid epidemic.

Local governments must spend the settlement money on approved uses, keep records of its spending, file reports with the settlement administrator, and comply with all terms of the national settlements. A local government can either spend the money itself or elect to pool its money with other local governments on a regional basis.

## ISSUE/DISCUSSION

The deadline for local governments to join the Johnson & Johnson Settlement is May 11, 2024. If every eligible local government does not join, the settlement amount will be reduced. The Johnson & Johnson Settlement may even be voided if not enough local governments join. For the City of Mercer Island to join the Johnson & Johnson Settlement, the City must execute and timely submit the Participation Form (Exhibit 1) releasing all of the City's claims related to the opioid epidemic against Johnson & Johnson.

Settlement funds will be allocated between the state and local governments, and amongst local governments, per the terms of (1) the Allocation Agreement and (2) the One Washington MOU, both of which have already been signed by the City for previous opioid settlements. See [AB 6241](#). Under the Allocation Agreement the settlement funds will be split evenly with the state receiving 50% (\$61.67 million) and eligible local governments as a group receiving 50% (\$61.67 million).

Terms of the One Washington MOU will be used to split the local government portion of the settlement funds among eligible local governments participating in the Johnson & Johnson Settlement. Under the MOU, settlement funds are allocated based on the formula used in prior opioid litigations in other states. The formula as applied to the City of Mercer Island is described and explained in [AB 6070](#), and it is estimated that the City's share of settlement funds will be around \$108,000 paid this year as a lump sum, if all eligible jurisdictions participate and the maximum settlement amount is collected from Johnson & Johnson.

Settlement funds may only be used for approved purposes. Approved purposes relate to abating and mitigating impacts of the opioid epidemic. Examples include programs to treat and prevent opioid use disorder and impacts therefrom (similar to programs offered by YFS); programs to support those in recovery; assistance to criminal justice system in dealing with opioid related crimes; training first responders and law enforcement officers on responding to opioid emergencies; and purchase of medication and supplies to combat overdose.

## NEXT STEPS

Once participation in the Johnson & Johnson Settlement is authorized by the City Council, the Participation Form signed by the City Manager will be submitted to the Washington State Attorney General's Office by the May 11, 2024 deadline.

## RECOMMENDED ACTION

Authorize the City Manager to execute and submit the Participation Form for the Johnson & Johnson Settlement, substantially in the form attached as Exhibit 1 to AB 6440.

The governmental entity identified above (“Governmental Entity”), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Janssen Washington State-Wide Opioid Settlement Agreement dated January 22, 2024 (“Janssen Settlement”), and acting through the undersigned authorized official, hereby elects to participate in the Janssen Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Janssen Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Janssen Settlement and become a Participating Subdivision as provided therein.
2. The Governmental Entity shall, within 30 days of the filing of the Consent Judgment, secure the dismissal with prejudice of any Released Claims that it has filed.
3. The Governmental Entity agrees to the terms of the Janssen Settlement pertaining to Subdivisions as defined therein.
4. By agreeing to the terms of the Janssen Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
5. The Governmental Entity agrees to use any monies it receives through the Janssen Settlement solely for the purposes provided therein.
6. The Governmental Entity submits to the jurisdiction of the court where the Consent Judgment is filed for purposes limited to that court’s role as provided in, and for resolving disputes to the extent provided in, the Janssen Settlement.
7. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Janssen Settlement, including but not limited to all provisions of Section IV (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity

elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Janssen Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Janssen Settlement shall be a complete bar to any Released Claim.

8. In connection with the releases provided for in the Janssen Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

**General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Janssen Settlement.

9. This Settlement Participation Form shall be deemed effective as of the Effective Date of the Janssen Settlement.
10. Nothing herein is intended to modify in any way the terms of the Janssen Settlement, to which Governmental Entity hereby agrees. To the extent this Election and Release is interpreted differently from the Janssen Settlement in any respect, the Janssen Settlement controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Governmental Entity.

### EXECUTIVE SUMMARY

The purpose of this agenda bill is the disposition of the Code of Ethics complaint against Councilmember Jacobson.

- A code of ethics complaint was filed by Richard Erwin against Councilmember Jake Jacobson. (See Exhibit 1).
- The complaint was found to be sufficient by the Ethics Officer on December 14, 2023. (See Exhibit 2).
- A hearing was conducted by the Ethics Hearing Examiner on January 30, 2024.
- Following the hearing, the Hearing Examiner issued their Findings, Conclusions, Decision, and Recommendation, deciding that violations of the ethics code were committed, and recommending to the City Council no sanctions or penalties pursuant to MICC 2.60.070(E)(1) in disposition of the complaint. (See Exhibit 3.)
- Pursuant to MICC 2.60.070(D) and (E), the City Council must afford deference to the Hearing Examiner's recommendation and take action in disposition of the complaint.
- Councilmember Jacobson requested pursuant to RCW 42.30.110(1)(f) that deliberations by the City Council be conducted in a meeting open to the public.

## BACKGROUND

A code of ethics complaint dated December 7, 2023 was filed by Richard Erwin with the City Clerk against Councilmember Jake Jacobson. The alleged violation is set forth in Exhibit 1.

Pursuant to MICC 2.60.070 (A)(2), the City Clerk forwarded the complaint to the Ethics Officer for a Determination of Sufficiency. The complaint was determined to be sufficient by the Ethics Officer as set forth in Exhibit 2.

Because the complaint was determined to be sufficient by the Ethics Officer, a hearing was scheduled and conducted by the Ethics Hearing Examiner to determine whether, pursuant to MICC 2.60.070(B) and (C), any violation of MICC 2.60.030, including chapter 42.23 RCW, was committed. The hearing was held on January 30, 2024, and both the complainant, Richard Erwin, and the official complained against, Councilmember Jacobson – who was represented by attorney John Riper, were present and participated at the hearing.

The full record of the hearing, including exhibits, orders, motions, briefs, and recordings, is [available here](#).

Subsequent to the hearing, the Ethics Hearing Examiner issued their Findings, Conclusions, Decision, and Recommendation, deciding that violations of the ethics code were committed, and recommending no sanctions or penalties pursuant to MICC 2.60.070(E)(1) in disposition of the complaint by the City Council. The Hearing Examiner's decision and recommendation is set forth in Exhibit 3.

## ISSUE/DISCUSSION

Affording deference to the Hearing Examiner's recommendation, the City Council must, pursuant to MICC 2.60.070(D), deliberate and determine what, if any, of the Hearing Examiner's recommended remedial actions or sanctions to adopt.

As the official against whom the complaint was brought, Councilmember Jacobson requested pursuant to RCW 42.30.110(1)(f) that deliberations by the City Council be conducted in a meeting open to the public, rather than in Executive Session.

## NEXT STEPS

Pursuant to MICC 2.60.070(E), final City Council action to decide the Hearing Examiner's recommended remedial actions or sanctions must be by majority vote in a public meeting. The member of the City Council against whom the complaint was made cannot vote in open session on any matter involving themselves.

The City Council may take one or more of the actions set forth in MICC 2.60.070(E) in disposition of the complaint. However, because a violation was found by the Hearing Examiner, the City Council's action must afford deference to the Hearing Examiner's recommended remedial actions or sanctions, which was "no sanctions or penalties" under MICC 2.60.070(E)(1).

## RECOMMENDED ACTION

Move to adopt the Ethics Hearing Examiner's recommendation, which is MICC 2.60.070(E)(1) - no sanctions or penalties, as the City Council's final action in disposition of the Code of Ethics complaint against Councilmember Jacobson.

### OR

Move to impose one or more of following remedial sanctions or penalties set forth in MICC 2.60.070(E)(2) thru (9) in disposition of the Code of Ethics complaint against Councilmember Jacobson:

1. *Referral.* A complaint may be referred to another agency with jurisdiction over the violation, such as the public disclosure commission. Final action on the complaint may be stayed pending resolution of the matter by the agency to which it was referred.
2. *Admonition.* An admonition shall be an oral non-public statement made by the mayor, or his/her designee, or if the complaint is against the mayor, the deputy mayor, or his/her designee, to the official.
3. *Reprimand.* A reprimand shall be administered to the official by a letter of reprimand by the city council. The letter shall be prepared by the city council and shall be signed by the mayor or, if the complaint is against the mayor, the deputy mayor.
4. *Censure.* A letter of censure shall be a letter read to the official in public. The letter shall be prepared by the city council and shall be signed by the mayor, or if the complaint is against the mayor, the deputy mayor. The official shall appear at a city council meeting at a time and place directed by the city council to receive the letter of censure. Notice shall be given at least 20 calendar days before the scheduled appearance at which time a copy of the proposed letter of censure shall be provided to the official. The letter of censure shall be read publicly, and the official shall not, at the time of reading, make any statement in support of, or in opposition thereto, or in mitigation thereof. The letter of censure shall be read at the time it is scheduled whether or not the official appears as required.
5. *Removal—Member of board or commission or other appointed task group or committee.* If the official against whom the complaint was made is currently a member of a city board or commission or other city task group or committee, the city council may, in addition to other possible penalties set forth in this section, and notwithstanding any other provision of the Mercer Island City Code, by a majority vote remove the official from such board or commission effective immediately. Nothing in this subsection limits the city council's removal authority under title 3 of the MICC.
6. *Removal—Councilmember appointments.* In addition to taking any actions above, if the official against whom the complaint was made is a member of the city council who serves on any city board or commission, other city task group or committee, regional or multijurisdictional body as a representative of the city, whether appointed by the mayor, mayor and deputy mayor, council, or regional body, in addition to other possible penalties set forth in this section, and notwithstanding any other provision of the Mercer Island City Code, by a majority vote the city council may remove the official from such body effective immediately.
7. *Removal—Mayor or deputy mayor appointment.* In addition to taking any actions above, if the official against whom the complaint was made serves as mayor or deputy mayor, the city council may remove said appointment.
8. *Civil penalties.* In addition to taking any actions above, the city council may also assess a civil penalty of up to \$1,000.00. Any monetary penalty assessed civilly shall be placed in the city's general fund.

7 December 2023

Jeremy Culumber  
City Attorney's Office  
9611 SE 36th Street  
Mercer Island, WA 98040

Dear Mr. Culumber,

Details of my ethics complaint regarding Jake Jacobson of the Mercer Island City Council are hereby submitted for your investigation.

This complaint documents a violation of the Mercer Island ethics code section 2.60.030 paragraph D which merits your attention. Specifically, Mr. Jacobson misused city resources by using his official city email account to further his political campaign.

On April 10<sup>th</sup>, 2023, Mr. Jacobson filed with the PDC to be a candidate for his seat in the November 2023 general election. After that filing, Mr. Jacobson used an email signature in his city email account "jake.jacobson@mercergov.org" to direct citizens to his [www.jake4mi.com](http://www.jake4mi.com) campaign website. Three example emails are included, but all composed emails had either signature block:

Jake Jacobson  
MI City Council/7  
206-280-5303 (Cell Preferred)  
[jake.jacobson@mercergov.org](mailto:jake.jacobson@mercergov.org)  
[www.jakeformi.com](http://www.jakeformi.com)

Jake Jacobson  
MI City Council/7  
206-280-5303 (Cell Preferred)  
206-275-7995 (City Voice Mail)  
[jake.jacobson@mercergov.org](mailto:jake.jacobson@mercergov.org)  
[www.jakeformi.com](http://www.jakeformi.com)

Per the ethics code, "Except for infrequent use at little or no cost to the city, officials shall not use resources that are not available to the general public..." The fact that this wasn't a single-use mistake but installed as a permanent feature of his signature block negates the exception for infrequent use, and this was not available to all candidates or the general public. Confusingly, Mr. Jacobson substituted "for" instead of "4" in the URL but the intent was the same.

I am particularly troubled that Mr. Jacobson is an attorney and had an active role in drafting the very revised 2021 version of the code of ethics that I believe he has violated.

Further, if this complaint is found to be sufficient, I request that final adjudication shall be made by the Hearing Examiner and not by the City Council, since Mr. Jacobson is a sitting member of the council and neither a fair determination, nor a quorum, would be possible. Mr. Jacobson was endorsed by Councilmembers Anderl, Nice, Rosenbaum and Weiker who would all need to recuse themselves.

Finally, given the attention that has been given to ethics in the last several years, I am disappointed that Mayor Nice and City Manager Bonn failed to detect and correct this ongoing and open violation.

Thank you for your efforts in thoroughly investigating this serious charge.

I declare this under penalty of perjury under the law of Washington that the foregoing is true and correct.

**BEFORE THE MERCER ISLAND ETHICS OFFICER***In the Matter of*

December 7, 2023 Ethics Complaint  
Against Councilmember Jake  
Jacobson

**DETERMINATION OF SUFFICIENCY****I. INTRODUCTION – AUTHORITY**

Chapter 2.60 of the Mercer Island City Code (“MICC”) constitutes the “Code of Ethics” enacted to “strengthen the quality of government through ethical principles that shall govern the conduct of all officials.” *MICC 2.60.010.A*. The Code of Ethics applies to “all members of the city council, the city’s boards and commissions, and other council-appointed task groups or committees of the City of Mercer Island who are currently serving their positions.” *MICC 2.60.020*. The Code’s purpose is to ensure a “fair, ethical and accountable local government that has earned the public’s full confidence.” *Id.* To that purpose, the Code of Ethics contains a listing of prohibited conduct for city officials (*2.60.030*), creates the position of “ethics officer... responsible for the prompt and fair enforcement of this code of ethics when called upon to do so” (*2.60.050*), and generally outlines the manner in which the ethical rules are to be implemented and enforced (*2.60.060-.070*).

DETERMINATION OF SUFFICIENCY  
(Dec. 2023 - Jacobson) - 1

The Code establishes that “[a]ny person may submit a written complaint to the ethics officer alleging one or more violations of this code of ethics by an official.” *MICC 2.60.070.A.1*. When such a complaint is received, the City Code requires it be submitted to the ethics officer, who “shall make a determination of sufficiency within 30 days of receipt of the complaint.” *MICC 2.60.070.A.2*. To be sufficient, the ethics officer must determine the complaint “alleges and reasonably describes acts that constitute a prima facie showing of a violation of *MICC 2.60.030*, including *RCW Chapter 4.23*.” *Id.* In making a determination of sufficiency under the City Code, the ethics officer “shall consider the purpose and intent section contained in *MICC 2.60.010* and the declaration of purpose in *RCW 42.23.010*.” *Id.*

## II. CURRENT COMPLAINT

On November 21, 2023, the undersigned ethics officer received a complaint filed by Mercer Island resident Richard D. Erwin, Jr. *See Exh. 1*.<sup>1</sup> The complaint alleges that (1) Mr. Erwin received a series of emails from City Councilmember Jake Jacobson’s city-issued email address ([jake.jacobson@mercergov.org](mailto:jake.jacobson@mercergov.org)), and (2) the signature line of these emails include a link to Councilmember Jacobson’s campaign website, “[www.jakeformi.com](http://www.jakeformi.com)” *Id.*

Mr. Erwin alleges that inclusion of the link to Jacobson’s campaign website in emails from Jacobson’s city-issued email address violates *MICC 2.60.030(D)*. Mr. Erwin further alleges that inclusion of the link in Jacobson’s signature block “wasn’t a single-use mistake but installed as a permanent feature of his signature block.” *Id.* Finally, Mr. Erwin’s complaint refers to “the attention that has been given to ethics in the last several years,” and

---

<sup>1</sup> The undersigned found that Mr. Erwin’s original complaint was not signed “under penalty of perjury” as required by *MICC 2.60.070*. City staff contact Mr. Erwin and informed him the complaint could only be accepted if it included that language. On December 7, 2023, Mr. Erwin resubmitted his complaint with the required language. The resubmission appears to be identical to the original in all other respects. Exhibit 1 is December 7, 2023 version.

1 submits what appears to be a printout of a September 19, 2019 newspaper article detailing an  
 2 ethics complaint against then-Mayor Bertlin “for using city email to conduct her personal  
 3 campaign business.” *See Exh. 2.*

### 4 **III. APPLICABLE LAW: MICC 2.60.030 and RCW 42.17A.555**

5  
 6 MICC 2.60.030 broadly prohibits seven types of action by city officials: conflicts of  
 7 interest (§A), appearance of conflicts (§B), interest in contract (§C), misuse of public position  
 8 or resources, (§D), representation of third parties (§E), gifts and favors (§F), and misuse of  
 9 confidential information (§G). Subsection D, “misuse of public position or resources,” is the  
 10 only section alleged to have been violated here, and appears to be the only section of MICC  
 11 2.60.030 that applies to the facts alleged. It read as follows:

12  
 13 Misuse of public position or resources. Except for infrequent use at little or  
 14 no cost to the city, officials shall not use public resources that are not  
 15 available to the public in general, such as city staff time, equipment,  
 16 supplies or facilities, for other than a city purpose.

17 *MICC 2.60.030(D).*

18 In addition to the explicit prohibitions listed in MICC 2.60.030, the City’s Code of  
 19 Ethics incorporates “Washington State law... pertaining to conflicts of interests and elections  
 20 campaigns, and city ordinances.” *MICC 2.60.010.C*. Based on that language, two additional  
 21 statute/code sections appear to apply. First, RCW 42.17A.555 (“Use of public office or  
 22 agency facilities in campaigns – Prohibition – Exceptions”) states as follows:

23 No elective official nor any employee of his or her office nor any person  
 24 appointed to or employed by any public office or agency may use or  
 25 authorize the use of any of the facilities of a public office or agency, directly  
 26 or indirectly, for the purpose of assisting a campaign for election of any  
 27 person to any office or for the promotion of or opposition to any ballot  
 proposition. Facilities of a public office or agency include, but are not  
 limited to, use of stationery, postage, machines, and equipment, use of  
 employees of the office or agency during working hours, vehicles, office

space, publications of the office or agency, and clientele lists of persons served by the office or agency.

(*applicable portions emphasized*).<sup>2</sup> Second, MICC 2.20.120, titled “Use of public office facilities in campaign prohibited,” contains identical language:

No elective official, nor any employee of his office nor any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of his public office or agency, directly or indirectly, for the purpose of assisting a campaign for election of any person to any office or for the promotion or opposition to any ballot proposition. Facilities of public office or agency include but are not limited to use of stationery, postage, machines and equipment, use of employees of the office or agency during working hours, vehicles, office space, publications of the office or agency and clientele lists of persons served by the office or agency[.]

(*applicable portions emphasized*).<sup>3</sup>

#### IV. ANALYSIS

##### A. RCW 42.17A.555 and MICC 2.20.120

Addressing RCW 42.17A.555 and MICC 2.20.120 first, Councilmember Jacobson is clearly an “elective official” for purposes of both sections, and the website [www.jakeformi.com](http://www.jakeformi.com)<sup>4</sup> appears to be maintained “for the purpose of assisting a campaign for election.” For example, it includes the words “Re-Elect Jake for Mercer Island City Council” on the main page, as well as a “Volunteer” tab that instructs readers on “adding your endorsement to the list, making a donation, and of course volunteering to help or with a campaign task.” Given those facts, the only remaining question appears to be whether Councilmember Jacobson’s inclusion of a link to his campaign website in the signature line

<sup>2</sup> This RCW contains a list of activities to which the prohibition “does not apply.” For purposes of this Determination of Sufficiency, those exceptions are not analyzed here.

<sup>3</sup> Again, the exceptions listed in the code are not analyzed for purposes of this Determination of Sufficiency.

<sup>4</sup> To be clear, the web address “www.jakeformi.com” redirects the user to [www.jake4mi.com](http://www.jake4mi.com). *I.e.*, the “for/4” appear to be interchangeable, and both lead to the same web address.

1 of his official city email constitutes a *prima facie* “use of any of the facilities of his public  
2 office or agency, directly or indirectly, for the purpose of assisting a campaign for election.”

3 Based on my review of relevant case law, it appears the answer is to that question is “YES.”  
4

5 For example, in *Herbert v. Washington State Pub. Disclosure Comm’n*, 136 Wash.  
6 App. 249 (2006), the State Supreme Court concluded that a public school teacher’s district-  
7 issued email address qualified as a “facilit[y] of his public office,” and that use of the email  
8 to transmit political materials was therefore prohibited under RCW 42.17A.555. Under  
9 *Herbert*, Councilmember Jacobson’s city-issued email address therefore appears to qualify  
10 as a facility of his public office, and inclusion of a link to his campaign website appears to  
11 constitute a *prima facie* use of that facility for purpose of assisting his campaign for election.  
12

13 Based on this analysis, I have determined that the complaint against Councilmember  
14 Jacobson **IS SUFFICIENT** to allege a violation of RCW 42.17A.555 and MICC 2.20.120,  
15 each of which are incorporated into the City’s Code of Ethics by MICC 2.60.010.C.

16 **B. MICC 2.60.030.D**

17 My conclusion regarding the prohibition against the misuse of public resources found  
18 in MICC 2.60.030(D) is the same: (1) Councilmember Jacobson undoubtedly holds a “public  
19 position,” (2) his city-issued email address is among the “public resources that are not  
20 available to the public in general,” and (3) directing email recipients to a personal campaign  
21 website is something “other than a public purpose.” As a result, I have determined that the  
22 complaint against Councilmember Jacobson **IS SUFFICIENT** to allege a *prime facie*  
23 violation of MICC 2.60.030.D.  
24

25 **C. NOTE AND CAUTION**  
26  
27

1 Finally, I would like to emphasize two points regarding my determination of  
2 sufficiency in this matter. First, the City Code requires that my decision be based solely on  
3 the allegations in the complaint, without regard to whether those allegations are accurate,  
4 complete, or true. For purposes of this determination, I have presumed that (1) Mr. Erwin  
5 did actually receive emails from Councilmember Jacobson's city-issued email account, and  
6 (2) those emails did actually include a link to Mr. Jacobson's campaign website. Any dispute  
7 regarding the accuracy, completeness, or truth of those and any other relevant facts must be  
8 resolved by the Hearing Examiner in any subsequent proceeding under MICC 2.60.070.B.  
9

10 Similarly, my determination of sufficiency makes no conclusion or suggestion as to  
11 whether any violation of the above-listed statutes/codes *actually* occurred, or to what extent  
12 any such violation might be material. For example, MICC 2.60.030.D contemplates that  
13 "infrequent use at little or no cost to the city" is allowed. Similarly, both RCW 42.17A.555  
14 and MICC 2.20.120 contain various exceptions that could potentially encompass the facts  
15 and circumstances at issue here. Whether Councilmember Jacobson's actions actually  
16 constitute the type of "infrequent use" allowed by the City Code, whether any other exception  
17 or mitigating circumstance apply, or whether a violation is material to any legitimate ethical  
18 concerns in the first place, are again questions left to the Hearing Examiner in any subsequent  
19 proceeding under MICC 2.60.070.B.  
20  
21

## 22 V. CONCLUSION

23 Based on the foregoing, and pursuant to my authority as Ethics Officer for the City of  
24 Mercer Island, I conclude as follows:  
25  
26  
27

1           The December 7, 2023 complaint against Councilmember Jake Jacobson IS  
2 SUFFICIENT to allege a *prime facie* violation of the following sections of the Mercer

# EXHIBIT 1

7 December 2023

Jeremy Culumber  
City Attorney's Office  
9611 SE 36th Street  
Mercer Island, WA 98040

Dear Mr. Culumber,

Details of my ethics complaint regarding Jake Jacobson of the Mercer Island City Council are hereby submitted for your investigation.

This complaint documents a violation of the Mercer Island ethics code section 2.60.030 paragraph D which merits your attention. Specifically, Mr. Jacobson misused city resources by using his official city email account to further his political campaign.

On April 10<sup>th</sup>, 2023, Mr. Jacobson filed with the PDC to be a candidate for his seat in the November 2023 general election. After that filing, Mr. Jacobson used an email signature in his city email account "jake.jacobson@mercergov.org" to direct citizens to his [www.jake4mi.com](http://www.jake4mi.com) campaign website. Three example emails are included, but all composed emails had either signature block:

Jake Jacobson  
MI City Council/7  
206-280-5303 (Cell Preferred)  
[jake.jacobson@mercergov.org](mailto:jake.jacobson@mercergov.org)  
[www.jakeformi.com](http://www.jakeformi.com)

Jake Jacobson  
MI City Council/7  
206-280-5303 (Cell Preferred)  
206-275-7995 (City Voice Mail)  
[jake.jacobson@mercergov.org](mailto:jake.jacobson@mercergov.org)  
[www.jakeformi.com](http://www.jakeformi.com)

Per the ethics code, "Except for infrequent use at little or no cost to the city, officials shall not use resources that are not available to the general public..." The fact that this wasn't a single-use mistake but installed as a permanent feature of his signature block negates the exception for infrequent use, and this was not available to all candidates or the general public. Confusingly, Mr. Jacobson substituted "for" instead of "4" in the URL but the intent was the same.

I am particularly troubled that Mr. Jacobson is an attorney and had an active role in drafting the very revised 2021 version of the code of ethics that I believe he has violated.

Further, if this complaint is found to be sufficient, I request that final adjudication shall be made by the Hearing Examiner and not by the City Council, since Mr. Jacobson is a sitting member of the council and neither a fair determination, nor a quorum, would be possible. Mr. Jacobson was endorsed by Councilmembers Anderl, Nice, Rosenbaum and Weiker who would all need to recuse themselves.

Finally, given the attention that has been given to ethics in the last several years, I am disappointed that Mayor Nice and City Manager Bonn failed to detect and correct this ongoing and open violation.

Thank you for your efforts in thoroughly investigating this serious charge.

I declare this under penalty of perjury under the law of Washington that the foregoing is true and correct.

**SUMMARY OF DECISION AND RECOMMENDATION**

A preponderance of evidence supports a determination that Councilmember Jake Jacobson (Respondent) violated RCW 42.17A.555, MICC 2.20.120, and MICC 2.60.030.D by including a link within the signature block of his City-issued email address that redirected users to his election campaign website. Because the Respondent has removed the offending website link from his City-issued email address, and due to other facts and circumstances leading to the violations as addressed in this decision, the Hearing Examiner recommends that the City Council dispose of the complaint without imposing any sanctions or penalties on the Respondent.

**SUMMARY OF PROCEEDINGS**

Hearing Date:

The Hearing Examiner convened a hearing on the ethics complaint on January 30, 2024.

Testimony:

The following individuals presented testimony under oath at the ethics complaint hearing:

Jake Jacobson, Respondent

Attorney John S. Riper represented the Respondent at the hearing.  
Complainant Richard D. Erwin Jr. represented himself at the hearing.

The Hearing Examiner enters the following findings and conclusions based on the testimony and exhibits admitted at the hearing:

**FINDINGS**

Background

1. Jake Jacobson (Respondent) is a member of the City of Mercer Island City Council. He was first elected to the position in November 2019 and began serving in his position in January 2020. *Testimony of Mr. Jacobson.*
2. Shortly after taking office in January 2020, the City of Mercer Island (City) assigned to the Respondent an official councilmember email address (jake.jacobson@mercergov.org). The Respondent thereafter requested that the City Clerk include in the signature block to his City-issued email address a link to www.jakeformi.com. *Exhibit 1; Exhibits 3 through 5; Exhibit R-7; Testimony of Mr. Jacobson.*
3. As discussed further in the findings below, the www.jakeformi.com website is no longer active. An internet archive screenshot of the www.jakeformi.com website shows that, prior to its inactive status, the website contained information about why the Respondent moved to Mercer Island; why he was serving on the City Council; background information on his

education, work, military, and volunteer experience; and key issues that he wanted to address in his role as a councilmember. The website also contained contact information and information on how to support local businesses in Mercer Island. *Exhibit R-6; Testimony of Mr. Jacobson.*

4. In February 2021, a member of the public emailed the City Council and City Attorney to inquire about whether the inclusion of the link to [www.jakeformi.com](http://www.jakeformi.com) in the Respondent's signature block to his City-issued email address was a potential ethics violation. City Attorney Bio Park provided a response on February 27, 2021, which stated in relevant part:  
 Thank you for the opportunity to address the link referenced in your email below. Because the link does not direct people to an active election campaign, the City does not consider it to be a misuse of facilities of a public office or a violation of any other provision of RCW 42.17A.555. I hope I've answered your question and addressed your concern.  
*Exhibit R-7; Testimony of Mr. Jacobson.*
5. In April 2023, the Respondent began using a website to promote his election campaign, [www.jake4mi.com](http://www.jake4mi.com). The Respondent was reelected to his councilmember position in November 2023. *Exhibit R-5; Testimony of Mr. Jacobson.*

#### Complaint

6. On December 7, 2023, Richard D. Erwin Jr. (Complainant) filed an ethics complaint alleging that the Respondent's inclusion of a link to [www.jakeformi.com](http://www.jakeformi.com) in the signature block of his City-issued email address constituted a violation of the City's ethics code. Specifically, the Complainant alleged that the Respondent's conduct violated Mercer Island City Code (MICC) 2.60.030.D, which provides:  
*Misuse of public position or resources.* Except for infrequent use at little or no cost to the city, officials shall not use public resources that are not available to the public in general, such as city staff time, equipment, supplies or facilities, for other than a city purpose.

The City ethics code notes that City officials are also subject to the Washington State and local laws pertaining to elections campaigns. *MICC 2.60.010.C.* As relevant to the complaint, Revised Code of Washington (RCW) 42.17A.555 provides:

No elective official, nor any employee of his or her office nor any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of a public office or agency, directly or indirectly, for the purpose of assisting a campaign for election of any person to any office or for the promotion of or opposition to any ballot proposition. Facilities of a public office or agency include, but are not limited to, use of stationary, postage, machines, and equipment, use of employees of the office or agency during working hours, vehicles, office

space, publications of the office or agency, and clientele lists of persons served by the office or agency. However, this does not apply to the following activities:

...

(3) Activities which are part of the normal and regular conduct of the office or agency.

MICC 2.20.120 contains nearly identical language as RCW 42.17A.555. *Exhibit 1; Exhibit 2.*

7. The Complainant submitted with his complaint three sets of email communications from the Respondent's City-issued email address, which showed that his signature block contained the link to [www.jakeformi.com](http://www.jakeformi.com) in July, August, and September 2023. *Exhibits 3 through 5.*

#### Determination of Sufficiency

8. The City ethics code provides that the City Ethics Officer must review ethics complaints to make an initial determination of whether the complaint "precisely alleges and reasonably describes acts that constitute a prima facie showing of a violation of MICC 2.60.030, including RCW Chapter 42.23." *MICC 2.60.070.A.2. Exhibit 1.*
9. The City Ethics Officer reviewed the complaint and issued a determination of sufficiency on December 14, 2023, which concluded that the complaint was sufficient to show prima facie violations of RCW 42.17A.555, MICC 2.20.120, and MICC 2.60.030.D. The City Ethics Officer's determination of sufficiency contains a footnote, which states that the [www.jakeformi.com](http://www.jakeformi.com) website link redirected users to the Respondent's election campaign website, [www.jake4mi.com](http://www.jake4mi.com). *See Exhibit 1, page 4, fn. 4.*

In determining that the complaint was sufficient to show a prima facie violation of RCW 42.17A.555 and MICC 2.20.120, the City Ethics Officer reasoned that a City-issued email address qualified as a "facility of a public office" under applicable case law<sup>1</sup> and that the Respondent's use of his City-issued email address to provide a link to his election campaign website, as alleged in the complaint, would constitute use of the facility for the purpose of assisting his campaign for election.

In determining that the complaint was sufficient to show a prima facie violation of MICC 2.60.030.D, the City Ethics Officer reasoned that a City-issued email address is among the "public resources that are not available to the public in general" and that directing email recipients to an election campaign website constitutes something "other than a public purpose." *Exhibit 1.*

Ethics Complaint Hearing

10. The matter was referred to the Hearing Examiner to conduct a hearing on the ethics complaint under MICC 2.60.070.B. The Hearing Examiner issued a prehearing order on January 2, 2024, which provided instructions for the submission of documentary evidence and witness lists, set a briefing schedule, and scheduled the ethics complaint hearing for January 30, 2024. *Hearing Examiner's Prehearing Order, dated January 2, 2024.* The next day, the Respondent submitted a request to extend the deadline for filing an answer to the complaint, which the Hearing Examiner granted in a revised prehearing order. *Revised Prehearing Order, dated January 3, 2024.*
  
11. On January 18, 2024, Attorney John S. Riper filed an answer to the complaint on behalf of the Respondent in accordance with the revised prehearing order. The Respondent's answer to the complaint states:
  1. The Complaint asserts that in violation of Mercer Island's ethic code Councilmember Jacobson included in his signature block for government emails a url link to his reelection campaign website.
  2. The Complaint's assertion is false. Council man Jacobson denies it, and looks forward to further addressing at the Hearing scheduled for January 30, 2024.

*Respondent's Answer to Complaint, dated January 18, 2024.*
  
12. Attorney Riper also filed a witness list that identified Mr. Jacobson as the sole witness for the Respondent and submitted several proposed exhibits that included a newspaper article about the Complainant, multiple ethics complaints filed by the Complainant against other individuals, a screenshot from the [www.jake4mi.com](http://www.jake4mi.com) website, and an internet archive screenshot of the [www.jakeformi.com](http://www.jakeformi.com) website. The Complainant did not submit a witness list or any proposed exhibits. *Respondent's Witness and Exhibit List, dated January 23, 2024; Exhibits R-1 through R-7.*
  
13. On January 23, 2024, Attorney Riper filed a hearing brief, which asserts:
  - The Complainant is a political activist with a history of filing ethics complaints against perceived political opponents.
  - Several years before deciding to run for reelection, Councilmember Jacobson asked the City to include in the signature block to his City email account a URL link to his non-political website, [www.jakeformi.com](http://www.jakeformi.com).
  - The [www.jakeformi.com](http://www.jakeformi.com) website contained generic biographical information about Councilmember Jacobson and about information of general interest to Mercer Island residents.
  - Two years prior to Mr. Erwin's complaint, the City Attorney reviewed the [www.jakeformi.com](http://www.jakeformi.com) URL link and approved it as part of Councilmember Jacobson's signature block.

- In 2023, Councilmember Jacobson successfully campaigned for reelection to the City Council. As part of his campaign, he maintained a campaign website, [www.jake4mi.com](http://www.jake4mi.com). The signature block to Councilmember Jacobson's City-issued email address did not contain a link to the [www.jake4mi.com](http://www.jake4mi.com) website.
- Including a URL link to a non-political website in a City official's government emails does not represent any violation of applicable law and, therefore, the complaint should be dismissed.

*Brief of Respondent, dated January 23, 2024.*

#### Argument and Testimony<sup>2</sup>

14. Attorney Riper presented a brief opening statement in which he asserted that the Respondent had maintained two different websites, [www.jakeformi.com](http://www.jakeformi.com), which was a nonpolitical website, and [www.jake4mi.com](http://www.jake4mi.com), which was the Respondent's election campaign website. He argued that, because the signature block within the Respondent's City-issued email address contained a link only to the nonpolitical website and not to the election campaign website, the facts underlying the complaint did not support a determination that the Respondent had violated the City ethics code by misusing governmental resources.  
*Argument of Attorney Riper.*
15. Councilmember Jake Jacobson testified that he was first elected to the City Council in November 2019 and took office in January 2020. He stated that he created the [www.jakeformi.com](http://www.jakeformi.com) website at that time, which provided an explanation of who he was and what his priorities were while serving as councilmember. Mr. Jacobson noted that he would periodically update the [www.jakeformi.com](http://www.jakeformi.com) website to support Mercer Island businesses. He explained that the City provided him with an official councilmember email address shortly after taking office and that he asked the City Clerk to include within his signature block a link to the [www.jakeformi.com](http://www.jakeformi.com) website. He further explained that, following an inquiry about the appropriateness of the link within his City-issued email signature block, the City Attorney reviewed the matter and determined that there were no ethics concerns. Mr. Jacobson stated that he decided to seek reelection in April 2023, at which time he created the [www.jake4mi.com](http://www.jake4mi.com) campaign website, which he stressed was unrelated to and did not provide a link to his nonpolitical website. He testified that the nonpolitical website did not fulfill its purpose of providing him with a communication link with Mercer Island residents and that he therefore decided to let the website expire by not paying the fee required to maintain it. Mr. Jacobson stated that he was unsure of when the website ultimately stopped functioning but that he attempted to remove the link to the website from his signature block in early 2023. He stated that, when he was unable to remove the link himself, he requested

<sup>2</sup> The Hearing Examiner noted at the outset of the hearing that the Complainant's participation would be limited to presenting argument and cross-examining the Respondent's witness because the Complainant did not submit a witness list prior to the hearing in accordance with the Hearing Examiner's prehearing order. *Hearing Examiner's Prehearing Order, dated January 2, 2024; Hearing Examiner's Revised Prehearing Order, dated January 3, 2024.*

assistance from the City Clerk and from the City IT Manager. Mr. Jacobson testified that the link was eventually removed from his signature block in early December of 2023, shortly before he received a copy of the ethics complaint and the determination of sufficiency.

In response to questioning from the Complainant on cross-examination, Mr. Jacobson testified that, to his knowledge, the [www.jakeformi.com](http://www.jakeformi.com) website never redirected users to his [www.jake4mi.com](http://www.jake4mi.com) election campaign website. He stated that, if after becoming defunct, the [www.jakeformi.com](http://www.jakeformi.com) website redirected users to his election campaign website, he had not designed it to do so.

In response to questioning from the Hearing Examiner, Mr. Jacobson testified that, apart from adding information about how to support Mercer Island businesses during the COVID-19 pandemic and perhaps about Mercer Island Youth and Family Services, the information contained on the [www.jakeformi.com](http://www.jakeformi.com) website remained the same and that the information depicted in the internet archive screenshot of the website as shown in Exhibit R-6 was an accurate representation of its content while the website was functional. When asked about a footnote in the City Ethics Officer's determination of sufficiency, which indicated that the now defunct [www.jakeformi.com](http://www.jakeformi.com) website redirected users to the [www.jake4mi.com](http://www.jake4mi.com) website, Mr. Jacobson responded that he had no knowledge that this had occurred and that he did not design the defunct website to redirect users to his campaign website. He stated that, after receiving the determination of sufficiency on December 14 or 15, 2023, he attempted to access the [www.jakeformi.com](http://www.jakeformi.com) website and that it did not redirect him to the election campaign website. Mr. Jacobson did note, however, that his internet browser asked him if he had meant to access the [www.jake4mi.com](http://www.jake4mi.com) website, as well as other similarly sounding websites. *Testimony of Mr. Jacobson.*

## CONCLUSIONS

### Jurisdiction

The Hearing Examiner has jurisdiction to conduct hearings on ethics complaints that have been found to be sufficient by the Ethics Officer. *MICC 2.60.070.*

### Review Criteria

The purpose of the City ethics code is to ensure that Mercer Island residents and businesses have a “fair, ethical and accountable local government that has earned the public’s full confidence.” *MICC 2.60.010.A.* To further this purpose, the City ethics code “shall be liberally construed to effectuate its purpose and policy and to supplement existing laws that relate to the same subject.” *MICC 2.60.010.B.*

The stated purpose of the Washington State Code of Ethics for Municipal Officers is as follows:

It is the purpose and intent of this chapter to revise and make uniform the laws of this state concerning the transaction of business by municipal officers, as defined in

chapter 268, Laws of 1961, in conflict with the proper performance of their duties in the public interest; and to promote the efficiency of local government by prohibiting certain instances and areas of conflict while at the same time sanctioning, under sufficient controls, certain other instances and areas of conflict wherein the private interest of the municipal officer is deemed to be only remote, to the end that, without sacrificing necessary public responsibility and enforceability in areas of significant and clearly conflicting interests, the selection of municipal officers may be made from a wider group of responsible citizens of the communities which they are called upon to serve.

Following a hearing on an ethics complaint, the Hearing Examiner “shall, based upon a preponderance of the evidence, issue a final decision in writing, including findings of fact, conclusions of law, and determination of whether any violation of MICC 2.60.030, including RCW Chapter 42.23, has been established.” *MICC 2.60.070.C.*

In rendering a final decision, the hearing examiner shall consider the purpose and intent section contained in MICC 2.60.010 and the declaration of purpose in RCW 42.23.010. If the hearing examiner determines that the alleged code of ethics violation(s) have not been proven, the hearing examiner shall dismiss the complaint with prejudice and no further action shall be taken. If the hearing examiner determines that one or more code of ethics violation(s) are proven, the final decision shall also contain any recommendation of the hearing examiner to the city council for any remedial action or sanction as further described below in subsection (E): No sanctions or penalties, referral, admonition, reprimand, censure, removal, and/or civil penalties.

*MICC 2.60.070.C.*

If the Hearing Examiner determines that one or more violations of the City ethics code have been proven by a preponderance of the evidence, the city council “must afford deference to . . . the hearing examiner’s recommended remedial actions or sanctions.” *MICC 2.60.070.E.*

“Either the complaining party or the official complained against may, within 30 days of the city council’s action on . . . the hearing examiner’s final decision, appeal to the King County superior court by writ of certiorari pursuant to RCW Chapter 7.16.” *MICC 2.60.070.F.*

#### Conclusions Based on Findings

1. **A preponderance of the evidence establishes that the Respondent violated RCW 42.17A.555 and MICC 2.20.120 by including a link within the signature block of his City-issued email address that redirected users to his election campaign website.** RCW 42.17A.555 and MICC 2.20.120, which are incorporated into the City ethics code under MICC 2.60.010.C, similarly prohibit City officials from “directly or indirectly” using or authorizing the use of any of the facilities of their public office for the purpose

*Page 8 of 11*

of assisting an election campaign. It is well established, and the Respondent does not appear to contest, that his City-issued email address qualifies as a facility of public office under the statute and code provision. *See e.g., Herbert v. Washington State Pub. Disclosure Comm'n*, 136 Wn. App. 249, 148 P.3d 1102 (2006) (affirming Public Disclosure Commission's order determining that public school teachers violated prohibition against the use of public resources for political advocacy by using district-issued email address to promote a ballot measure campaign). The Respondent also does not contest that he is an "elective official" subject to the requirements of RCW 42.17A.555 and MICC 2.20.120.

Here, the Respondent concedes that his [www.jake4mi.com](http://www.jake4mi.com) website was created for the purpose of assisting in his election campaign. He argues, however, that he did not include a link to this election campaign website within his City-issued email address and, instead, included a link only to his [www.jakeformi.com](http://www.jakeformi.com) website, which the City Attorney previously reviewed and determined was not in violation of RCW 42.17A.555. Although the Hearing Examiner determines that the evidence at the hearing establishes that the Respondent did not intentionally or directly provide a link to his election campaign website from his City-issued email address, the Hearing Examiner further determines that, sometime after the [www.jakeformi.com](http://www.jakeformi.com) website was no longer active, the link to that website within the Respondent's City-issued email address redirected users to his [www.jake4mi.com](http://www.jake4mi.com) election campaign website.

A preponderance of the evidence at the hearing demonstrates that the Respondent: (1) allowed the [www.jakeformi.com](http://www.jakeformi.com) website to expire by no longer paying the fees required to maintain the website; (2) attempted to remove a link to the website from his City-issued email address in early 2023, (3) and was unable to remove the link to that website from his City-issued email address until December 2023. Although the Respondent testified that he was unsure about when the [www.jakeformi.com](http://www.jakeformi.com) website ultimately stopped functioning, it is reasonable to infer that it was no longer functional at some point between the time in early 2023 that the Respondent attempted to remove the link to the website from his email address and December 2023. The Hearing Examiner determines that, during this period, users clicking on the [www.jakeformi.com](http://www.jakeformi.com) link included in the signature block of Respondent's email were redirected to his campaign website and that this constituted a violation of RCW 42.17A.555 and MICC 2.20.120.

The Hearing Examiner finds credible the Respondent's testimony that he did not design his expired [www.jakeformi.com](http://www.jakeformi.com) website link to redirect users to his [www.jake4mi.com](http://www.jake4mi.com) election campaign website or that he was aware that this may have occurred. The ethics provisions under RCW 42.17A.555 and MICC 2.20.120, however, explicitly prohibit City officials from "directly or indirectly" using the facilities of their public office for the purpose of assisting in an election campaign. Moreover, the City ethics code directs the Hearing Examiner to liberally construe its provisions to effectuate its purpose. In this

*Page 9 of 11*

regard, the Hearing Examiner notes that the purpose of the City ethics code is not only to require compliance with “all laws and policies affecting the operations of government,” but also to “avoid conduct creating an appearance of impropriety.” *MICC 2.60.010.A.1 and .6*. The inclusion of a website link within a City-issued email address that redirects users to an election campaign website creates an appearance of impropriety, regardless of whether the website link was designed for this purpose.

In short, a City official utilizing a public facility to provide a link to a website address bears the continuing responsibility of ensuring that the website’s content complies with all requirements of the City ethics code. And, as related to the violations here, the City official further assumes the responsibility of ensuring that a no longer functioning website link disseminated from a public facility of office does not redirect users to content prohibited under the ethics code. Accordingly, the Hearing Examiner determines that a preponderance of evidence establishes that the Respondent violated RCW 42.17A.555 and *MICC 2.20.120. Findings 1 – 15*.

2. **A preponderance of the evidence establishes that the Respondent’s conduct was also in violation of *MICC 2.60.030.D*.** *MICC 2.60.030.D* provides, “Except for infrequent use at little or no cost to the city, officials shall not use public resources that are not available to the public in general, such as city staff time, equipment, supplies or facilities, for other than a city purpose.” As discussed above in Conclusion 1, a preponderance of the evidence at the hearing establishes that, at some point after the [www.jakeformi.com](http://www.jakeformi.com) website became inactive, the link to that website included within the Respondent’s City-issued email address until December 2023 redirected users to his election campaign website. A City-issued email address is a public resource that is not available to the public in general, and the inclusion of a website link that redirects users to an election campaign website is not a “public purpose.” In addition, the Hearing Examiner determines that this prohibited conduct was not “infrequent” because the link was included in every communication transmitted from the Respondent’s City-issued email address during that period. Accordingly, the Hearing Examiner determines that a preponderance of evidence establishes that the Respondent violated *MICC 2.60.030.D*.
3. **In light of the facts and circumstances surrounding the proven violations described above, the Hearing Examiner recommends that the City Council dispose of the complaint without imposing sanctions or penalties on the Respondent.** As discussed in Conclusion 1 above, the Hearing Examiner finds credible the Respondent’s testimony that he did not design the website link included in his City-issued email address to redirect users to his active election campaign website. After reviewing the evidence in this matter, the Hearing Examiner finds it likely that users were redirected to the Respondent’s campaign website due to a technological effect of the [www.jakeformi.com](http://www.jakeformi.com) website becoming inactive. In light of these facts and circumstances, and because the Respondent has removed the website link from the signature block of his City-issued

email address, the Hearing Examiner recommends that the City Council not impose any sanctions or penalties on the Respondent.

### **DECISION AND RECOMMENDATION**

A preponderance of evidence supports the determination that the Respondent violated RCW 42.17A.555, MICC 2.20.120, and MICC 2.60.030.D by including a link within the signature block of his City-issued email address that redirected users to his election campaign website. Because the Respondent has removed the offending website link from his City-issued email address, and due to other facts and circumstances leading to the proven violations, the Hearing Examiner recommends that the City Council dispose of the complaint without imposing any sanctions or penalties on the Respondent.

### EXECUTIVE SUMMARY

The purpose of this agenda bill is to adopt Ordinance No. 24C-03 (Exhibit 1) to reinstate interim regulations previously adopted in Mercer Island City Code (MICC) [19.16.010](#) related to emergency shelters and housing, transitional housing, and permanent supportive housing in response to HB 1220.

- During the 2021 state legislative session, the legislature passed [HB 1220](#), requiring amendment of MICC Title 19. The timeline imposed by this legislation required the City to comply with the new requirements by September 30, 2021.
- Interim regulations were adopted by Ordinance No. 21C-23 at the September 21, 2021, City Council meeting. Ordinance Nos. 22C-14, 23C-02 and 23C-11 renewed the interim regulations for concurrent six-month periods.
- The current interim regulations expired on March 21, 2024, leaving the City out of compliance with state law. The City must adopt new interim or permanent regulations to come back into compliance.

- The proposed interim regulations are the same as the previously adopted version and allow the City to comply with state law while awaiting completion of the City's periodic update to the Comprehensive Plan.
- The City anticipates developing permanent regulations for adoption concurrent with the Comprehensive Plan (or shortly thereafter).

## BACKGROUND

### HB 1220: Emergency Shelters and Housing

[HB 1220](#) addresses transitional housing, emergency shelters, and permanent supportive housing. The bill contains new requirements for Comprehensive Plan housing element updates and creates new requirements for cities' zoning/development regulations regarding indoor shelters and housing for the homeless, summarized below:

- The bill forbids cities from prohibiting transitional or permanent supportive housing in residential zones or zones where hotels are allowed.
- The bill also forbids cities from prohibiting indoor emergency shelters and indoor emergency housing in any zones in which hotels are allowed (except for cities that authorize indoor emergency shelters/housing in a majority of zones within a one-mile proximity to transit).
- Any regulations regarding occupancy, spacing, and intensity of use requirements regarding the four types of housing listed above must be reasonable and designed to protect public health and safety.
- Finally, such restrictions cannot be used to prevent the siting of a sufficient number of housing units necessary to meet Mercer Island's projected need for such housing and shelter as determined by the WA Department of Commerce (Commerce) and King County.

The City's development code currently includes some spacing restrictions; staff recommends retaining these restrictions for now and will further evaluate them for compliance with HB 1220 when developing a permanent code amendment.

### Projected Housing Need

HB 1220 amended the Growth Management Act (GMA) to require cities to include in the housing element of their comprehensive plans "an inventory and analysis of existing and projected housing needs that identifies the number of housing units necessary to manage projected growth, as provided by the department of commerce, including: (i) Units for moderate, low, very low, and extremely low-income households; and (ii) Emergency housing, emergency shelters, and permanent supportive housing" ([RCW 36.70A.070\(2\)\(a\)](#)). In addition to including this inventory and analysis, the City will be required to identify sufficient land capacity to accommodate the projected need ([RCW 36.70A.070\(2\)\(c\)](#)).

The City received its allocation of affordable housing needs from King County in 2023. The City proceeded to analyze options for providing adequate capacity to accommodate these housing needs and to address racially disparate impacts in housing through the adoption of a new Housing Element in the Comprehensive Plan. In addition, the City will need to adopt code amendments to provide additional capacity for multi-family housing along with the adoption of the periodic update of the Comprehensive Plan before the end of 2024. City Staff plan to incorporate additional amendments to the development code related to emergency and permanent supportive housing as a part of this effort. This action should bring the City into full compliance with the provisions of HB 1220.

## ISSUE/DISCUSSION

Interim regulations were adopted in 2021 to comply with the emergency and permanent supportive housing provisions in HB 1220. The interim regulations were subsequently renewed for 3 successive 6-month periods thereafter. The last of these interim ordinances expired on March 21, 2024, leaving the City out of compliance with state law.

The City must adopt new interim or permanent regulations to come back into compliance. The proposed interim regulations are the same as the previously adopted version and allow the City to comply with state law while awaiting completion of the City's periodic update to the Comprehensive Plan. The City anticipates developing permanent regulations for adoption concurrent with the Comprehensive Plan (or shortly thereafter) that align with the policy direction now in development in the Housing Element.

Because the City is out of compliance with state law due to the expiration of the previous interim regulations, this creates an emergency that could impact the health, safety, and welfare of the community. The City must act quickly to adopt new interim regulations. State law allows emergency interim ordinances to become effective immediately upon adoption, provided the ordinance is approved by a majority plus one vote of the City Council and a public hearing is held within sixty days of such action.

### Ordinance No. 24C-03

HB 1220 Section 4 requires the City to allow the following:

- Transitional housing and permanent supportive housing in any zones in which residential dwelling units or hotels are allowed, and
- Indoor emergency shelters and indoor emergency housing in any zones in which hotels are allowed.

The City currently allows social service transitional housing and special needs group housing as defined in [MICC 19.16.010](#) in residential zones. The definitions for these uses include many uses similar to those required by HB 1220 Section 4 and only require minor clarifying amendments to be consistent (Exhibit 1). Ordinance No. 24C-03 will enact these provisions for a period of up to one year.

## NEXT STEPS

Ordinance No. 24C-03 will become effective immediately upon adoption. The City will schedule a public hearing within 60 days of adoption. City staff will work to develop permanent regulations to address the requirements of HB 1220 for adoption with adoption of the Periodic Update to the Comprehensive Plan (or shortly thereafter).

## RECOMMENDED ACTION

1. Adopt Ordinance No. 24C-03 for interim regulations to comply with emergency and permanent supportive housing requirements in HB 1220.
2. Schedule a Public Hearing on Ordinance No. 24C-03 within 60 days.

**CITY OF MERCER ISLAND  
ORDINANCE NO. 24C-03**

**AN ORDINANCE OF THE CITY OF MERCER ISLAND, WASHINGTON, ADOPTING INTERIM REGULATIONS ON DEFINITIONS RELATING TO EMERGENCY SHELTERS AND HOUSING, TRANSITIONAL HOUSING, AND PERMANENT SUPPORTIVE HOUSING; DECLARING AN EMERGENCY; PROVIDING FOR SEVERABILITY; AND ESTABLISHING AN IMMEDIATE EFFECTIVE DATE.**

**WHEREAS**, the adoption of land use and zoning regulations is a valid exercise of the City's police power and is specifically authorized by RCW 35A.63.100; and

**WHEREAS**, within the express terms of the Growth Management Act, the Washington State Legislature has specifically conferred upon the governing bodies of Washington cities the right to establish and adopt interim development regulations; and

**WHEREAS**, in 2021, the Washington State legislature passed E2SHB 1220, which, among other things, requires cities to allow indoor emergency shelters and housing, transitional housing, and permanent supportive housing in certain zones; and

**WHEREAS**, E2SHB 1220 provides, in part, that a city shall not prohibit transitional housing or permanent supportive housing in any zones in which residential dwelling units or hotels are allowed, and

**WHEREAS**, E2SHB 1220 further provides, in part, that a city shall not prohibit indoor emergency shelters and indoor emergency housing in any zones in which hotels are allowed, except if the city has adopted an ordinance authorizing indoor emergency shelters and indoor emergency housing in a majority of zones within a one-mile proximity to transit; and

**WHEREAS**, E2SHB 1220 allows cities to adopt reasonable occupancy, spacing, and intensity of use requirements on permanent supportive housing, transitional housing, indoor emergency housing, and indoor emergency shelters to protect public health and safety so long as those reasonable restrictions do not prohibit the number of units assigned to the city by the Washington State Department of Commerce ("Commerce"); and

**WHEREAS**, E2SHB 1220 included a September 30, 2021, deadline for cities to comply, and the City Council determined that to comply with the deadline and thoroughly analyze permanent regulations, interim development regulations adopted under the provisions of RCW 36.70A.390 are necessary to allow adequate time for the City to adopt permanent development regulations in compliance with E2SHB 1220; and

**WHEREAS**, on September 21, 2021, the City Council adopted Ordinance 21C-23 that established interim regulations relating to emergency shelters and housing, transitional housing, and permanent supportive housing; and

**WHEREAS**, the City Council has adopted ordinance 22C-14 on September 21 2022, Ordinance 23C-02 on March 21, 2023 and Ordinance 23C-11 on September 5, 2023 to renew the interim regulations established by Ordinance 21C-23 for additional six-month periods; and

**WHEREAS**, the interim regulations renewed by Ordinance 23C-11 expired on March 21, 2024; and

**WHEREAS**, the City is authorized under RCW 35A.63.220 and 36.70A.390 to pass an interim zoning and official control ordinance, provided it holds a public hearing on the same within sixty days after passage; and

**WHEREAS**, to be compliant with E2SHB 1220 and prevent the potential harm to public health, safety, property, and welfare resulting from the expiration of the interim regulations renewed by Ordinance 23C-11, the City Council finds that immediate action is necessary to readopt the interim regulations that expired;

**WHEREAS**, an interim zoning and official control ordinance may be effective for up to one year if a work plan is developed for related studies providing for such a longer period; and

**WHEREAS**, City Staff have developed a work plan for related studies for compliance with E2SHB1220 and such work plan is attached to this Ordinance as Exhibit A; and

**WHEREAS**, this Ordinance, as an interim zoning and official control ordinance, is not subject to referendum;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MERCER ISLAND, WASHINGTON DO HEREBY ORDAIN AS FOLLOWS:

**Section 1. Findings.** The findings adopted for Ordinances No. 21C-23, 22C-14, 23C-02, and 23C-11 and the “Whereas Clauses” set forth in the recitals of this Ordinance are hereby adopted as the preliminary findings of fact of the City Council for passing this Ordinance.

**Section 2. Section 19.16.010 MICC, Definitions, Amended.** MICC Section 19.16.010, Definitions, is hereby amended as follows. All other definitions not herein amended shall remain as currently written.

Social Service Transitional Housing: Noninstitutional group housing facilities for unrelated persons, other than special needs group housing or rooming houses, that are privately or publicly operated, including those facilities required to be licensed by the state or federal governments as well as those that may not be required to be licensed, that provide temporary and transitional housing to meet community social service needs including, but not limited to, work-release facilities and other housing facilities serving as an alternative to incarceration, halfway houses, emergency shelters, homeless shelters, domestic violence shelters and other such crisis intervention facilities. ~~Social service transitional housing excludes institutional facilities that typically cannot be accommodated in a single-family residential structure.~~ Further, the term shall include “emergency housing,” and “transitional housing” as defined within RCW 84.36.043(2)(c) or as hereafter amended. The term shall further include “emergency shelter” as defined within RCW 36.70A.030 or as hereafter amended.

Special Needs Group Housing: Noninstitutional group housing that primarily supports unrelated persons with handicaps or persons protected by familial status within the meaning of the FHAA, but not including individuals whose tenancy would

constitute a direct threat to the health and safety of other individuals or whose tenancy would result in substantial physical damage to the property of others. Special needs group housing includes, but is not limited to, foster family homes, adult family homes and residential care facilities as provided in Chapter 70.128 RCW, but excludes facilities ~~that typically cannot be accommodated in a single family residential structure~~ such as hospitals, nursing homes, assisted living facilities and detention centers. Further, the term shall include "permanent supportive housing" as defined in RCW 36.70A.030 or as hereafter amended.

- Section 3. Duration of Interim Zoning and Official Controls.** The interim zoning and official controls approved by this Ordinance shall be effective for a period of one year, unless repealed, extended, or modified by the City Council.
- Section 4. Adoption of Work Plan.** The work plan attached to this Ordinance as Exhibit A is hereby adopted.
- Section 5. ### EXECUTIVE SUMMARY

The purpose of this agenda bill is to present to City Council the directed follow up from the March 1, 2024 Planning Session regarding the land use work plan ([AB 6428](#)). Specifically, there are two matters requiring follow up:

- Options for City Council consideration related to the reconstitution of the Planning Commission.
- A timeline for bringing interim regulations for temporary uses and structures related to docket item 23-15 to City Council for consideration.

### BACKGROUND

The City Council conducted a Planning Session on March 1, 2024. An overview of the Community Planning and Development Department's land use work plan was presented as part of the agenda. To increase land use planning capacity and efficiency as well as provide additional direction to work program priorities, the City Council made several motions including the following:

### **Planning Commission Reconstitution**

**Approved Motion:** Direct the City Manager to bring a proposal to City Council at its regular meeting on April 2, aiming to reconstitute the Planning Commission. The new composition shall include four (4) land use professionals not affiliated with Mercer Island entities or interests, to be compensated for their dedicated time, and three (3) laypersons who are Mercer Island residents. The proposal must specify the effective date, detail the range of the number of meetings that will occur annually, outline the annual cost, and describe any necessary amendments to the Mercer Island Municipal Code (MICC).

### **Interim Regulations – Temporary Uses and Structures**

**Approved Motion:** Direct the City Manager to prepare interim regulations regarding docket item 23-15 - temporary use or structure permits, as soon as reasonably possible.

## **ISSUE/DISCUSSION**

Discussion points for City Council direction on both motions are included below.

### **Planning Commission Reconstitution**

The following are options for the City Council to consider and provide guidance on should it wish to proceed with reconstituting the Planning Commission. Exhibit 1 provides a draft track change of MICC 3.46 to illustrate the nature of the necessary code amendments related to this item. Please note, there are more items listed here than in the initial motion as additional matters have surfaced as part of the staff analysis.

#### **1. Effective Date Options:**

- A. July 15, 2024
- B. September 15, 2024
- C. January 15, 2025

**Discussion:** A mid-month start for all options will allow the City Council to make the new Planning Commission appointments at its first regular business meeting of the respective months listed.

From a practical perspective, having an effective date prior to July 15, 2024, doesn't make sense as the current Planning Commission will be wrapping up a two plus year review of the Comprehensive Plan in June. Both July and September 2024 effective dates will create compressed timelines for recruitment. January 2025 provides adequate recruitment runway and aligns with the 2025-2026 Biennial Budget to allow for proper financial planning.

#### **2. Member Composition Options:**

- A. 4/3 Paid Practitioner – Non-Resident / Lay Person – Resident
- B. 3/4 Paid Practitioner – Non-Resident / Lay Person – Resident
- C. 3/3/1 Paid Practitioner – Non-Resident / Lay Person – Resident / Paid Practitioner – Resident

**Discussion:** The 4/3 Paid Practitioner – Non-Resident / Lay Person – Resident reflects the motion from City Council. However, providing a 3/3/1 Paid Practitioner – Non-Resident / Lay Person – Resident / Paid Practitioner – Resident option allows for a Planning Commission composition to contain both four paid practitioners and four residents.

#### **3. Paid Practitioner – Non-Resident Definition:**

An individual not affiliated with Mercer Island entities or interests with a minimum of five years of paid professional experience in land use planning as well as five years of such experience in the State

of Washington. Examples of qualifying positions for paid professional experience include land use / municipal attorney, hearing examiner, or urban planner. Demonstrated experience in public service, working with the Growth Management Act (GMA), Shoreline Management Act (SMA), and State Environmental Policy Act (SEPA) as well as the drafting of land use policies and codes preferred. This position will be compensated.

**4. Lay Person – Resident Definition:**

An individual with general interest in land use planning, environmental affairs, and/or economic development. Demonstrated experience in public service and land use planning preferred. Proof of Mercer Island residency required. This position will not be compensated.

**5. Paid Practitioner – Resident Definition:**

An individual with a minimum of five years of paid professional experience in land use planning as well as five years of such experience in the State of Washington. Examples of qualifying positions for paid professional experience include land use / municipal attorney, hearing examiner, or urban planner. Demonstrated experience in public service, working with the Growth Management Act (GMA), Shoreline Management Act (SMA), and State Environmental Policy Act (SEPA) as well as the drafting of land use policies and codes preferred. Proof of Mercer Island residency required. This position will be compensated.

**6. Annual Meeting Frequency Options:**

- A. 21 (11 Regular Meetings + Up To 10 Special Meetings)
- B. 16 (11 Regular Meetings + Up To 5 Special Meetings)
- C. 11 (11 Regular Meetings)

**Discussion:** Until 2022, the Planning Commission had 22 regular meetings per year (2 per month less August) and cancelled as necessary. Since then, there are 11 regular meetings per year (1 per month less August) and special meetings scheduled as necessary.

While the Planning Commission has entered a three-to-four-month intensive period of meetings to complete their work on the 2024 Comprehensive Plan Periodic Update in a timely fashion, the total 2024 meeting count is projected to be approximately 18 total meetings. Moving forward, the need for more than 16 total meetings per year (11 regular meetings less August + up to 5 special meetings) is unlikely.

**7. Paid Practitioner Compensation Options:**

- A. Flat Rate Per Year
- B. Flat Rate Per Meeting Completed
- C. Base Rate For Regular Meetings + Flat Rate Per Special Meeting Completed

**Discussion:** Options “B” and “C” are similar, but option “C” provides a base rate for the 11 regular meetings meaning that in the unlikely event a Planning Commission didn’t meet at least this number of times, the entire base rate would be paid anyways. While this option may prove to be more attractive to potential candidates, option “B” avoids having to pay for undelivered service and is the only option providing a Paid Practitioner Annual Compensation Minimum Amount of \$0 should the Planning Commission not meet at all or be dissolved at some point during a calendar year.

**8. Paid Practitioner Annual Compensation Maximum Amount Options:**

- A. Not to Exceed \$12,000 (\$750 per meeting)
- B. Not to Exceed \$8,000 (\$500 per meeting)
- C. Not to Exceed \$4,000 (\$250 per meeting)

**Discussion:** These numbers were derived by assuming middle of the road option “B” direction for both item numbers 6 and 7 above.

With a total of four paid practitioners serving in Planning Commission roles, the total maximum cost to the City based on the options above is \$48,000 per year. While it should be assumed support for this effort – both short and long term – is from the General Fund, staff will look at other alternatives including grant funding.

The value derived in moving to a paid practitioner approach for populating a portion of the Planning Commission is realized in efficiency and effectiveness of the assigned body of work. While the annual meeting frequency may not measurably change year over year, the volume of work accomplished at these meetings will, specifically work that is becoming more and more prescriptive from the State legislature. Paid practitioners can bring additional levels of support to the City through academic training as well as professional experience.

Any direction from City Council for item numbers 6 and 7, different than the staff recommendations, will require recalculation of the options for this item.

**9. Paid Practitioner Poor Performance – Termination Authority:**

- A. Either the City Council OR City Manager can terminate.
- B. Only the City Council can terminate.
- C. Only the City Manager can terminate.

**Discussion:** Current code provides for the City Council to remove uncompensated Planning Commission members. The question is whether compensating a Planning Commission member warrants changing the termination authority.

**10. Ethics Code Applicability:**

- A. Apply to all Planning Commission members.
- B. Apply only to Lay Person – Resident members.

**Discussion:** The current code provides that the Code of Ethics ([MICC 2.60](#)) applies to all Planning Commission members. The question here is whether compensating a Planning Commission member changes the applicability of the Code of Ethics.

**11. Planning Commission Seats – Short / Long Term Options:**

- A. Maintain the Planning Commission at 7 seats by filling the 2 seats expiring on May 31, 2024 temporarily.
- B. Maintain the Planning Commission at 7 seats by leaving the 2 seats expiring on May 31, 2024 temporarily vacant.
- C. Permanently reduce the Planning Commission to 5 seats on June 1, 2024.

**Discussion:** Options “A” and “B” are consistent with the City Council motion from March 1 by having 7 seats long-term. These options simply address the question of how to handle the short-term with 2 seats expiring May 31, 2024. Option “C” presents a short and long-term option of reducing the Planning Commission to 5 seats on June 1, 2024.

### **Interim Regulations – Temporary Uses and Structures**

There are three current land use work plan items related to temporary uses and structures – docket items 23-10 “temporary use regulations” and 23-15 “temporary use or structure permits” as well as interim regulations for outdoor dining. While the City Council motion from March 1 regarding this subject was specific to preparing interim regulations for docket item 23-15, the staff recommendation is to consolidate these three work items and bring back interim regulations for all three. This work is anticipated to return to the City Council on June 4, 2024. The required Public Hearing will also be noticed to occur on this date.

If adopted by City Council, the consolidated interim regulations will become effective immediately for a period of up to 12 months and staff will seek opportunities to complete the required process for these consolidated interim regulations to become permanent regulations prior to the end of that period.

### **NEXT STEPS**

Should the City Council provide direction to continue with efforts to reconstitute the Planning Commission, staff will prepare the necessary MICC Chapter 3.46 amendments for City Council consideration on May 7, 2024.

Should the City Council provide direction to draft consolidated interim regulations for temporary uses and structures, staff will prepare the necessary ordinance with MICC Chapter 19 amendments for City Council public hearing and consideration on June 4, 2024.

### **RECOMMENDED ACTION**

Provide direction to staff on both a reconstitution of the Planning Commission as well as draft consolidated interim development regulations.

## Chapter 3.46 - PLANNING COMMISSION

### 3.46.010 - Established.

There is established pursuant to chapter 35A.63 RCW a commission to be known as the "planning commission."

### 3.46.020 - Purpose—Function and jurisdiction.

The planning commission shall serve in an advisory capacity to the city council and have the following duties and responsibilities:

- A. Review and make recommendations on amendments to the comprehensive plan;
- B. Review and make recommendations on amendments to development regulations;
- C. Hold public hearings in the exercise of its duties and responsibilities;
- D. Such other duties as may be assigned by the city council or established by local ordinance or state statute; and

E. When applicable, complete tasks in subsections A through D within the timeframe established by city council.

### 3.46.030 - Membership.

#### A. Qualifications.

1. Paid Practitioner Non-Resident: An individual not affiliated with Mercer Island entities or interests with a minimum of five years of paid professional experience in land use planning as well as five years of such experience in the State of Washington. Examples of qualifying positions for paid professional experience include land use / municipal attorney, hearing examiner or urban planner. Demonstrated experience in public service, working with the Growth Management Act (GMA), Shoreline Management Act (SMA) and State Environmental Policy Act (SEPA) as well as the drafting of land use policies and codes preferred. This position will be compensated.
2. Lay Person Resident: An individual with general interest in land use planning, environmental affairs, and/or economic development. Demonstrated experience in public service and land use planning preferred. Proof of Mercer Island residency required. This position will not be compensated.
3. Paid Practitioner Resident: An individual with a minimum of five years of paid professional experience in land use planning as well as five years of such experience in the State of Washington. Examples of qualifying positions for paid professional experience include land use / municipal attorney, hearing examiner or urban planner.
