#### **MERCER ISLAND CITY COUNCIL:**

#### **LOCATION & CONTACT:**

Mayor Salim Nice, Deputy Mayor David Rosenbaum, Councilmembers: Lisa Anderl, Jake Jacobson, Craig Reynolds, Wendy Weiker, and Ted Weinberg MICEC – Slater Room Council Chambers and via Zoom 8236 SE 24th Street | Mercer Island, WA 98040 206.275.7793 | www.mercerisland.gov

We strive to create an inclusive and accessible experience. Those requiring accommodation for meetings should notify the City Clerk's Office 3 days prior to the meeting at 206.275.7793 or by emailing <a href="mailto:cityclerk@mercerisland.gov">cityclerk@mercerisland.gov</a>.

The hybrid meeting will be live streamed on the City Council's YouTube Channel.

Individuals wishing to speak live during Appearances (public comment period) must register with the City Clerk at 206.275.7793 or <a href="mailto:cityclerk@mercerisland.gov">cityclerk@mercerisland.gov</a> before 4 PM on the day of the Council meeting. Each speaker will be allowed three (3) minutes to speak. A timer will be visible to online to speakers, City Council, and meeting participants.

Written comments may be sent to the City Council at <a href="council@mercerisland.gov">council@mercerisland.gov</a>.

Join the meeting at 5:00 PM (Appearances will start sometime after 5:00 PM) by:

- Telephone: Call 253.215.8782 and enter Webinar ID 881 4218 4695 and Password 730224
- Zoom: Click this link (Webinar ID 881 4218 4695; Password 730224)
- In Person: Mercer Island Community & Event Center Slater Room Council Chambers (8236 SE 24th Street, Mercer Island, WA 98040)

#### **MEETING AGENDA - AMENDED**

**CALL TO ORDER & ROLL CALL, 5:00 PM** 

**PLEDGE OF ALLEGIANCE** 

**AGENDA APPROVAL** 

CITY MANAGER REPORT – Removed from Agenda 3/17/2025

#### **APPEARANCES**

(This is the opportunity for anyone to speak to the City Council on any item, except items before the City Council requiring a public hearing, any quasi-judicial matters, or campaign-related matters)

#### **CONSENT AGENDA**

1. AB 6644: February 25, 2025 Payroll Certification

**Recommended Action:** Approve the February 25, 2025 Payroll Certification in the amount of \$942,349.15 and authorize the Mayor to sign the certification on behalf of the entire City Council.

2. AB 6645: March 10, 2025 Payroll Certification

**Recommended Action:** Approve the March 10, 2025 Payroll Certification in the amount of \$923,800.94 and authorize the Mayor to sign the certification on behalf of the entire City Council.

3. AB 6650: Certification for Claims Paid February 1, 2025 through February 15, 2025

**Recommended Action:** Approve the February 1, 2025 through February 15, 2025 Accounts Payable Certification of Claims in the amount of \$3,839,792.50 and authorize the Mayor to sign the certification on behalf of the entire City Council.

4. City Council Regular Hybrid Meeting Minutes of March 4, 2025

Recommended Action: Approve the City Council Regular Hybrid Meeting Minutes of March 4, 2025.

5. AB 6643: Deaccession/Removal of "Downtown Streetscapes: Street Name Inlays" Public Art Installation

**Recommended Action:** Approve deaccession/removal of the "Downtown Streetscapes: Street Name Inlays" public art installation in Town Center.

6. AB 6646: Interim Regulations in MICC 19.16.010 Related to Emergency Shelters and Housing, Transitional Housing, and Permanent Supportive Housing (Second Reading, Ordinance No. 25C-05)

**Recommended Action:** Adopt Ordinance No. 25C-05 establishing interim development regulations in MICC 19.16.010 related to Emergency Shelters and Housing, Transitional Housing, and Permanent Supportive Housing, with an effective date of April 2, 2025.

7. AB 6647: Interim Regulations Related to Unit Lot Subdivisions (SB 5258) in Title 19 MICC (Second Reading, Ordinance No. 25C-06)

**Recommended Action:** Adopt Ordinance No. 25C-06 establishing interim development regulations in MICC Chapter 19.08 related to Unit Lot Subdivision in MICC Chapter 19.08, with an effective date of June 30, 2025.

8. AB 6648: ARCH Housing Trust Fund Project Approvals

**Recommended Action:** Approve the use of \$52,400 from the City's contributions to the ARCH Housing Trust Fund as recommended by the ARCH Executive Board and authorize execution of any related agreements and documents.

9. AB 6649: 2024 Countywide Planning Policy Amendments

**Recommended Action:** Approve Resolution No. 1672 ratifying amendments to the King County Countywide Planning Policies.

#### **REGULAR BUSINESS**

10. AB 6603: Town Center Parking Regulations Discussion – Moved to First Item of Regular Business 3/17/2025
Recommended Action: Receive report and provide feedback.

11. AB 6635: 2025 Legislative Session Update

**Recommended Action:** Receive report. No action necessary.

12. AB 6641: Scope of Work for Deane's Children's Park Site Plan

**Recommended Action:** Approve the scope of work and community engagement plan for the Deane's Children's Park Site Plan and direct the City Manager to commence the planning work.

13. AB 6642: Scope of Work for Clarke and Groveland Beach Parks Joint Infrastructure Plan

**Recommended Action:** Approve the scope of work and community engagement plan for the Clarke and Groveland Beach Parks Joint Infrastructure Plan and direct the City Manager to commence the planning work.

#### **OTHER BUSINESS**

#### **15. Councilmember Absences & Reports**

**ADJOURNMENT** 

| Log<br># | AB No. | Received From | Question  | Staff Response   |
|----------|--------|---------------|---|--|
| 1        | 6603   | Reynolds      | Does the term "Town Center Parking Area", as referenced in the second bulleted recommendation and elsewhere in this AB, refer specifically and exclusively to the "Tully's Site"?   | The <u>Town Center Parking Area</u> refers to the former Tully's site (7810 SE 27th St) and the cul-de-sac area at the end of East Sunset Highway that is currently under construction.  We don't have a formal name for the new parking area, so this is a placeholder name for the time being.   |
| 2        | 6603   | Reynolds      | I see no reference anywhere in the AB to limiting parking to MI residents. Would such a limitation, specifically at the Tully's Site, be legal and practical? Alternatively, is there a practical option for having no fee for residents? | The staff moved away from proposing "Mercer Island only" parking given the challenges with administering this type of regulation for so few parking spaces. Keep in mind, when "Mercer Island only" parking was previously considered, it was tied to a parking garage that was proposed to have 80 to 100 parking stalls. Additional detail on this recommendation is provided below.  Limiting parking at the Town Center Parking Area to only Mercer Island residents would require implementing a parking permit program. Given that there will only be 33 parking stalls, it would be challenging to equitably and efficiently implement a parking permit program for so few spaces. In addition, staff are continuing to pursue grant applications for EV charging infrastructure at this location. The project would no longer qualify for most grant programs if access to the chargers is routinely restricted.  The mobile applications do not have a feature that would allow us to restrict parking to Mercer Island residents only. |
| 3        | 6603   | Reynolds      | What are the legal and practical challenges for making some spots at the Tully's site to have a four hour max, while allowing longer-term parking at other spots?   | In the mobile application, each blockface will be considered a zone with set parking regulations. We cannot have two different time limit maximums in the same zone. In other words, at the Town Center Parking Area it would not be possible to have a 4-hour maximum and a 12-hour maximum.  |

| Log<br># | AB No. | Received From | Question  | Staff Response  |
|----------|--------|---------------|---|---|
| 4        | 6641   | Reynolds      | The tree canopy makes it hard to understand the current layout of the park. If practical, in the meeting, please provide a markup overlay of the photo to show locations of the entry road, the parking lot, the bike skills area, the dragon, the picnic area, the restroom, and other key features. (If this is impractical at this stage, please be sure to provide this when the next stage of the design is brought to the Council.) | The presentation will include a site map with the current features identified.  |
| 5        | 6642   | Reynolds      | Please clarify the difference between a master plan and an infrastructure plan. Is one a subset of the other?   | A master plan provides a long-term vision/plan (20 to 30-year) for the entire park. The work product is concept only. See the Luther Burbank Park or Aubrey Davis Park Master Plans as an example.  An infrastructure plan or site plan is focused on a specific area of the park or specific amenities planned for upgrade/replacement. The planning tool is intended to feed directly into a capital project. Specifically, the infrastructure/site plan work product includes schematic designs and preliminary cost estimates for project development, permitting, and grant applications.  |
| 6        | 6646   | Reynolds      | Is the reference to "police power" relevant and intended in the first whereas clause?   | The term "police power" is in reference to the government's authority to pass laws relating to public health, safety and welfare. About 100 years ago, the Supreme Court held in the seminal Village of Euclid case that governments can pass zoning and land use laws because they fall under the umbrella of public health, safety and welfare. Police power to adopt zoning and land use laws are held by states (not federal government) under the 10 <sup>th</sup> amendment, and the WA legislature delegated some of that power to local governments. The whereas clause in question is in reference to the City of Mercer Island's delegated police power to adopt land use and zoning ordinances, and has been in use in ordinances that amend the City's development regulations for a number of years. |

## Question & Answer Matrix March 18, 2025 - City Council Meeting

Item 1.

| Log<br># | AB No. | Received From | Question  | Staff Response       |
|----------|--------|---------------|---|----------------------|
| 7        | 6647   | Reynolds      | Is the reference to "police power" relevant and intended in the first whereas clause? | Same response as #6. |

| APPROPRIATION REQUIRED | \$ n/a |

#### **EXECUTIVE SUMMARY**

This agenda bill is to approve the payroll certification for the City of Mercer Island for the period from February 1, 2025 through February 15, 2025 in the amount of \$942,349.15. (see Exhibit 1).

#### **BACKGROUND**

RCW 42.24.080 requires that all claims presented against the City by performing labor must be certified by the appropriate official to ensure that the labor was performed as described, and that the claims are just, due, and unpaid obligations against the City, before payment can be made. RCW 42.24.180 allows the payment of claims to occur prior to City Council approval to expedite processing of the payment of claims, provided, however, that review and approval of the claims' documentation occurs at the next regularly scheduled public meeting. The Payroll Certification details the total payment to employees for labor performed and benefits payments made for each payroll. The City is on a semi-monthly payroll schedule with payments on the 10th and 25th of each month.

#### **ISSUE/DISCUSSION**

Each payroll varies depending on several factors (i.e., number of employees, pay changes, leave cash outs, overtime, etc.). In addition to regular pay for employees, this payroll has variations that are outlined below.

#### Additional payments:

| Description   | Amount      |
|---|-------------|
| Leave cash outs for current employees                           | \$738.05    |
| Leave cash outs for terminated employees                        | \$0.00      |
| Service and recognition awards                                  | \$175.00    |
| Overtime earnings (see chart for overtime hours by department). | \$38,495.78 |
| Total   | \$39,408.83 |

#### **Overtime hours by department:**

| Department                       | Hours  |
|----------------------------------|--------|
| Administrative Services          |        |
| City Attorney's Office           |        |
| City Manager's Office            |        |
| Community Planning & Development | 2.00   |
| Finance                          |        |
| Municipal Court                  |        |
| Police                           | 147.00 |
| Public Works                     | 335.50 |
| Thrift Shop                      |        |
| Youth & Family Services          |        |
| Total Overtime Hours             | 484.50 |

#### **NEXT STEPS**

#### **FTE/LTE COUNTS**

The table in Exhibit 2 shows the budgeted versus actual counts for Full Time Equivalents (FTEs) and Limited Term Equivalents (LTEs) for the current payroll. Casual labor employees (temporary and seasonal) are not included in the counts.

#### Casual Labor

In addition to FTE and LTE employees, the City utilizes casual labor to address workload needs that exceed the capacity or expertise of the City's regular staff and that are time limited or seasonal. Casual labor is used primarily to address seasonal workload needs and short-term workload issues created by special projects or position vacancies. Compared to an LTE position, a casual labor position has limited benefits and is filled for a shorter period of time (1-3 months, 6 months, or 9 months). The departments/divisions that utilize casual labor the most are Parks Maintenance, Recreation, Public Works, and the Thrift Store.

#### **RECOMMENDED ACTION**

Approve the February 25, 2025 Payroll Certification in the amount of \$942,349.15 and authorize the Mayor to sign the certification on behalf of the entire City Council.

#### CITY OF MERCER ISLAND PAYROLL CERTIFICATION

| PAYROLL PERIOD ENDING PAYROLL DATED  |          | 2.15.2025<br>2.25.2025 |

| TOTAL GROSS PAYROLL  | \$       | 942,349.15             |

I, the undersigned, do hereby certify under penalty of perjury that the materials have been furnished, the services rendered or the labor performed as described herein, that any advance payment is due and payable pursuant to a contract or is available as an option for full or partial fulfillment of a contractual obligation, and that the claim is a just, due and unpaid obligation against the City of Mercer Island, and that I am authorized to authenticate and certify to said claim.

Finance Director

I, the undersigned, do hereby certify that the City Council has reviewed the documentation supporting claims paid and approved all checks or warrants issued in payment of claims.

### FTE AND LTE COUNTS AS OF 2/15/2025

| APPROPRIATION REQUIRED | \$ n/a |

#### **EXECUTIVE SUMMARY**

This agenda bill is to approve the payroll certification for the City of Mercer Island for the period from February 16, 2025 through February 28, 2025 in the amount of \$923,800.94. (see Exhibit 1).

#### **BACKGROUND**

RCW 42.24.080 requires that all claims presented against the City by performing labor must be certified by the appropriate official to ensure that the labor was performed as described, and that the claims are just, due, and unpaid obligations against the City, before payment can be made. RCW 42.24.180 allows the payment of claims to occur prior to City Council approval to expedite processing of the payment of claims, provided, however, that review and approval of the claims' documentation occurs at the next regularly scheduled public meeting. The Payroll Certification details the total payment to employees for labor performed and benefits payments made for each payroll. The City is on a semi-monthly payroll schedule with payments on the 10th and 25th of each month.

#### **ISSUE/DISCUSSION**

Each payroll varies depending on several factors (i.e., number of employees, pay changes, leave cash outs, overtime, etc.). In addition to regular pay for employees, this payroll has variations that are outlined below.

#### Additional payments:

| Description   | Amount      |
|---|-------------|
| Leave cash outs for current employees                           | \$6,926.64  |
| Leave cash outs for terminated employees                        | \$0.00      |
| Service and recognition awards                                  | \$625.00    |
| Overtime earnings (see chart for overtime hours by department). | \$10,938.50 |
| Total   | \$18,490.14 |

#### Overtime hours by department:

| Department                       | Hours  |
|----------------------------------|--------|
| Administrative Services          |        |
| City Attorney's Office           |        |
| City Manager's Office            |        |
| Community Planning & Development | 1.00   |
| Finance                          |        |
| Municipal Court                  |        |
| Police                           | 41.50  |
| Public Works                     | 104.25 |
| Thrift Shop                      |        |
| Youth & Family Services          |        |
| Total Overtime Hours             | 146.75 |

#### **NEXT STEPS**

#### **FTE/LTE COUNTS**

The table in Exhibit 2 shows the budgeted versus actual counts for Full Time Equivalents (FTEs) and Limited Term Equivalents (LTEs) for the current payroll. Casual labor employees (temporary and seasonal) are not included in the counts.

#### Casual Labor

In addition to FTE and LTE employees, the City utilizes casual labor to address workload needs that exceed the capacity or expertise of the City's regular staff and that are time limited or seasonal. Casual labor is used primarily to address seasonal workload needs and short-term workload issues created by special projects or position vacancies. Compared to an LTE position, a casual labor position has limited benefits and is filled for a shorter period of time (1-3 months, 6 months, or 9 months). The departments/divisions that utilize casual labor the most are Parks Maintenance, Recreation, Public Works, and the Thrift Store.

#### **RECOMMENDED ACTION**

Approve the March 10, 2025 Payroll Certification in the amount of \$923,800.94 and authorize the Mayor to sign the certification on behalf of the entire City Council.

#### **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to approve the February 1, 2025 through February 15, 2025 Accounts Payable Certification of Claims in the amount of \$3,839,792.50. (see Exhibit 1)

#### **BACKGROUND**

On January 21, 2025 the City officially transitioned to new financial management software. This change resulted in new Accounts Payable claims reports that detail accounts payable checks and direct disbursements including wire and electronic fund transfers (EFT/ACH) over the prior period (see AB 6640).

Claims refer to all external payments that are made to satisfy the obligations of the City, regardless of how payments are processed (e.g., through warrants, checks, EFTs, etc.). RCW 42.24.080 requires that all claims presented against the City must be certified by the appropriate official to ensure that the claims are just, true, and unpaid obligations against the City, before payment can be made.

<u>RCW 42.24.180</u> allows the payment of claims to occur prior to City Council approval to expedite processing of the payment of claims, provided, however, that review and approval of the claims' documentation occurs at the next regularly scheduled public meeting.

To fulfill the obligation of RCW 42.24.080 for accounts payable claims, the City has historically presented separate reports for Accounts Payable Checks and Accounts Payable EFT payments.

#### **ISSUE/DISCUSSION**

The Enterprise ERP claims reports (see Exhibit 1) have a new look and additional information.

- The Accounts Payable Report by Check Number report presents a simple check register listing of payments by type and check number.
- The **Accounts Payable Report by Organization** report presents accounts payable claims by department as represented by the "ORG" code.

These reports combine printed checks and electronic payments. The disbursement method is identified by the Type code on the claim reports:

- Type M are Enterprise ERP direct disbursements. These are wire transfers and ACH payments that
  were previously reported on the Accounts Payable EFT Report. Note that "check" numbers are single
  digits to easily identify them as distinct from printed checks.
- Type **P** are printed accounts payable checks.
- Type **V** are voided accounts payable checks. The report will show the original check amount in the corresponding detail, but the check total is listed as \$0.00.

#### **RECOMMENDED ACTION**

Approve the February 1, 2025 through February 15, 2025 Accounts Payable Certification of Claims in the amount of \$3,839,792.50 and authorize the Mayor to sign the certification on behalf of the entire City Council.

#### **CERTIFICATION OF CLAIMS**

I, the undersigned, do hereby certify under penalty of perjury that the materials have been furnished, the services rendered, or the labor performed as described herein, that any advance payment is due and payable pursuant to a contract or is available as an option for full or partial fulfillment of a contractual obligation, and that the claim is a just, due and unpaid obligation against the City of Mercer Island, and that I am authorized to authenticate and certify to said claim.

# CITY COUNCIL MINUTES REGULAR HYBRID MEETING MARCH 4, 2025

#### **CALL TO ORDER & ROLL CALL**

Mayor Salim Nice called the Regular Hybrid Meeting to order at 5:00 pm in the Slater Room Council Chambers at the Mercer Island Community & Event Center, 8236 SE 24<sup>th</sup> Street, Mercer Island, Washington.

Mayor Salim Nice, Deputy Mayor Dave Rosenbaum, and Councilmembers Lisa Anderl, Jake Jacobson, and Ted Weinberg attended in person. Councilmembers Craig Reynolds and Wendy Weiker attended via Zoom.

#### PLEDGE OF ALLEGIANCE

The City Council delivered the Pledge of Allegiance.

#### **AGENDA APPROVAL**

It was moved by Rosenbaum; seconded by Weinberg to:

Approve the agenda as presented.

PASSED: 7-0

FOR: 7 (Anderl, Jacobson, Nice, Rosenbaum, Reynolds, Weiker, and Weinberg)

#### CITY MANAGER REPORT

City Manager Jessi Bon reported on the following items:

• Council, Boards & Commission Meetings: City Council Meeting on March 18 at 5:00 pm, Design Commission Meeting on March 5 at 6:00 pm, Parks & Recreation Commission on March 6 at 5:00 pm, and Utility Board on March 11 at 5:00 pm.

### • City Services Updates:

- Town Center Parking Facility Work has begun at the formers Tully's site. Crews have installed construction fencing and have begun demolition of the old building on site.
- Thrift Shop Construction Construction continues at the Thrift Shop, but the Shop is open for shopping and donation drop-off.
- Water System Improvements This project will replace over 6,000 linear feet of undersized and aging cast iron water mains.
- Repairs to Turf Damage Repairs are underway on turf damage caused by European Chafer beetles, birds, and racoons.

## • Upcoming Events:

- Spring Recycling Event on March 29 from 9:00 am 3:00 pm at the Mercer Island Boat Launch.
- Mobile Blood Drive on March 10 at the Mercer Island Community Event Center.

#### News:

- Last Saturday, Island seniors and their families attended the second annual Senior Resource Fair.
   Thank you to our sponsors for putting on this great event!
- Seasonal Job Fair Success Human Resources partnered with hiring managers in Public Works to host a Seasonal Job Fair.

### **APPEARANCES**

There were no public appearances.

#### **CONSENT AGENDA**

#### AB 6626: February 10, 2025, Payroll Certification

**Recommended Action:** Approve the February 10, 2025, Payroll Certification in the amount of \$981,899.35 and authorize the Mayor to sign the certification on behalf of the entire City Council.

#### AB 6640: Certification for Claims Paid January 18, 2025 through January 31, 2025

**Recommended Action:** Approve the Accounts Payable Certification for claims paid January 18, 2025 through January 31, 2025 in the amount of \$4,239,943.11.

#### **City Council Meeting Minutes:**

- A. Regular Hybrid Meeting of February 4, 2025
- B. Special Hybrid Planning Session of February 4, 2025
- C. Special Joint Meeting with MISD Board of February 6, 2025
- D. Special Hybrid Meeting of February 25, 2025

**Recommended Action:** Approve the minutes of the Regular Hybrid Meeting of February 4, 2025, the Special Hybrid Planning Session of February 4, 2025, the Special Joint Meeting with MISD Board of February 6, 2025, and the Special Hybrid Meeting of February 25, 2025.

# AB 6627: AB 6627: Interim Development Regulations Related to Middle Housing and Accessory Dwelling Units (Second Reading, Ordinance No. 25C-02)

**Recommended Actions:** Adopt Ordinance No. 25C-02 establishing interim development regulations in Title 19 Mercer Island City Code related to Middle Housing and Accessory Dwelling Units, with an effective date of June 30, 2025.

#### AB 6628: Watershed (WRIA 8) Interlocal Agreement

**Recommended Action:** Authorize the City Manager to sign the WRIA 8 Interlocal Agreement, substantially in the form included as Exhibit 1 to this AB, and future technical or non-substantive amendments thereto.

#### AB 6629: 2024 Open Space Conservancy Trust Annual Report and 2025 Work Plan

**Recommended Action:** Accept the 2024 Open Space Conservancy Trust Annual Report and 2025 Work Plan.

#### AB 6630: Adoption of the City of Mercer Island 2025-2029 Commute Trip Reduction 4-Year Plan

**Recommended Action:** Adopt the City of Mercer Island 2025-2029 Commute Trip Reduction 4-Year Plan.

## AB 6636: Revised 2025 Fee Schedule Adoption

**Recommended Action:** Approve Resolution No. 1671 adopting the Revised 2025 Fee Schedule, effective June 30, 2025.

#### AB 6637: 2025-2027 Collective Bargaining Agreement with Police Support

**Recommended Action:** Authorize the City Manager to sign the Collective Bargaining Agreement with the Mercer Island Police Association for Support Positions for the period of January 1, 2025, through December 31, 2027, in substantially the form attached hereto as Exhibit 1.

#### AB 6638: Amendment to Interlocal Agreement for Jail Services with the City of Issaquah

**Recommended Action:** Authorize the City Manager to execute the amendment to the interlocal agreement with the City of Issaquah for jail services as substantially shown in Exhibit 1 to AB 6638.

#### AB 6639: 2025-2029 Interlocal Agreement with the Eastside Transportation Partnership

**Recommended Action:** Authorize the City Manager to execute the 2025-2029 Eastside Transportation Partnership Interlocal Agreement, substantially in the form attached as Exhibit 1 to this AB, and technical or non-substantive future amendments thereto.

It was moved by Weinberg; seconded by Rosenbaum to:

Approve the Consent Agenda as presented, and the recommended actions contained therein.

PASSED: 7-0

FOR: 7 (Anderl, Jacobson, Nice, Rosenbaum, Reynolds, Weiker, and Weinberg)

#### **REGULAR BUSINESS**

#### AB 6631: Board & Commission Vacancy Appointment (Resolution No. 1670)

Mayor Nice reviewed the process for board and commission appointments noting that the applicant that receives the most votes, provided they receive a minimum of four votes, would be appointed to the vacant position on the Arts Council. The name of the applicant would then be added to Resolution No. 1670 with final approval by a vote of the City Council.

Arts Council – One open position; four applications received.

<u>Position 3 - Term 2026</u> - City Clerk Larson distributed ballots to each Councilmember with a list of the following applicants: Linda Gamroth, Severine Pathak, James Seeks, Katie Kratzer.

The ballots were tallied, and Katie Kratzer received five votes to be appointed to the Arts Council, Position 3, expiring May 31, 2026.

#### **Position 5 Ballot Results:**

Anderl - Kratzer Jacobson - Kratzer Nice - Seeks Reyolds - Kratzer Rosenbaum - Kratzer Weiker - Kratzer Weinberg - Seeks

City Clerk Larson read Resolution No. 1670 into the record.

It was moved by Anderl; seconded by Jacobson to:

Approve Resolution No. 1670, appointing those voted on to fill the vacancy on the Arts Council. PASSED: 7-0

FOR: 7 (Anderl, Jacobson, Nice, Reynolds, Rosenbaum, Weiker, and Weinberg)

Mayor Nice left the meeting at 5:21 pm.

# AB 6632: Public Hearing on Interim Regulations Related to Unit Lot Subdivisions (SB 5258) in Title 19 MICC (First Reading, Ordinance No. 25C-06)

Deputy Mayor Rosenbaum opened the public hearing at 5:22 pm.

Robert Thorpe, Mercer Island, spoke in support of the proposed amendments.

Reed Cahill, Mercer Island, spoke in support of the proposed amendments.

Deputy Mayor Rosenbaum closed the public hearing at 5:28 pm.

CPD Director Jeff Thomas spoke about the process to develop the proposed interim development regulations.

CPD Deputy Director Alison Van Gorp spoke about the legislative requirements of SB 5258, about the scope of work for the interim regulations and development of permeant regulations, provided an overview of the proposed regulations in Ordinance No. 25C-06.

City Council discussed the proposal and asked questions of staff.

It was moved by Anderl; seconded by Weinberg to:

Set Ordinance No. 25.C-06 for second reading on March 18, 2025

PASSED: 6-0

FOR: 6 (Anderl, Jacobson, Rosenbaum, Reynolds, Weiker, and Weinberg)

ABSENT: 1 (Nice)

AB 6633: Public Hearing on Interim Regulations in MICC 19.16.010 Related to Emergency Shelters and Housing, Transitional Housing, and Permanent Supportive Housing (First Reading, Ordinance No. 25C-05)

Deputy Mayor Rosenbaum opened the public hearing at 5:39 pm. There being no public comments, Deputy Mayor Rosenbaum closed the public hearing at 5:40 pm.

CPD Director Jeff Thomas spoke about the process to develop the proposed interim development regulations.

Senior Planner Molly McGuire spoke about the background of the interim regulations related to emergency shelters and housing, transitional housing, and permanent supportive housing, the legislative requirements of HB 1220, and the guidance that was published by the Department of Commerce in 2024 that will be further evaluated for compliance with HB 1220.

City Council discussed the proposal and asked questions of staff.

It was moved by Jacobson; seconded by Anderl to:

Set Ordinance No. 25-C-05 for second reading on March 18, 2025

PASSED: 6-0

FOR: 6 (Anderl, Jacobson, Rosenbaum, Reynolds, Weiker, and Weinberg)

ABSENT: 1 (Nice)

City Council was in recess from 5:45 pm – 5:50 pm.

#### AB 6634: Second Public Safety and Maintenance Building Design Workshop

City Manager Jessi Bon spoke about the background on the schematic design of the Public Safety and Maintenance Building (PSM), and the process for City Council's review of the PSM schematic design and design topics that will be covered at future City Council Meetings.

Aaron Young, from Northwest Studio, spoke about the schematic design phase of the PSM building, site planning to reserve space for potential future needs, a comparison of existing and proposed building areas and covered storage areas, and how the comparisons show how existing uses and spaces in existing buildings are inadequate. He discussed the site plan and layout of the lower yard, the space needed for storage for vehicles and equipment, and how the space will be achieved on the site to accommodate the necessary space for the operations in the yard.

Mr. Young discussed the existing storage and work areas in the Public Works building, how these operations will be incorporated into the proposed Operations Building, and compared the existing and proposed storage and shop areas. Mr. Young spoke about options for different storage systems for use in the warehouse and in the lower yard, current storage challenges for large capital projects, and possible expansion options for the lower yard.

Chief of Operations Jason Kintner discussed the current uses and challenges of the vehicle and equipment

maintenance bays, how the wash bay is used, and what is role of the wash bay and decant facility.

Mr. Young spoke about the current staffing needs for Public Works, Customer Service, IT/GIS, and Emergency Operations Center and the proposed work areas for these groups in the PSM. He discussed the current staffing needs, the proposed work areas, and the needs for vehicles and equipment in the Police Department.

Mr. Young presented scenarios for potential future expansion of the PSM.

City Manager Bon spoke about alternative Public Works contracting methods, the benefits of using alternative delivery methods for the PSM, and the timeline for City Council feedback and questions on using alternative delivery methods for the PSM.

City Council discussed the design, asked questions of staff, and provided feedback.

#### OTHER BUSINESS

#### **Councilmember Absences and Reports**

Deputy Mayor Rosenbaum noted he attended the Senior Resource Fair and that it was very well attended and organized. He noted that he attended the MIYFS Foundation's 23<sup>rd</sup> Annual Breakfast.

Councilmember Weiker noted AWC Action Days was last week.

Councilmember Weinberg noted that K4C and Eastside Transportation Partnership met in February, that he attended the MIYFS Foundation's 23<sup>rd</sup> Annual Breakfast, and that his next monthly open lunch is on March 16 at Vivianne's Bistro.

Councilmember Reynolds noted the Parks & Recreation Commission is working its way through the draft of the Parks Zone, that the new art exhibit at MICEC combines art and math, and that there is a gun buyback event coming later in March.

Councilmember Anderl noted she attended the Senior Resource Fair and that it was very well attended and organized, and that the new signage and path striping at Aubrey Davis Park seem to be working. Councilmember Jacobson noted that he attended the MIYFS Foundation's 23<sup>rd</sup> Annual Breakfast.

City Council was in recess from 7:50 pm - 7:59 pm.

#### **EXECUTIVE SESSION**

At 7:59 pm, Deputy Mayor Rosenbaum convened an Executive Session in Room 104 at the Mercer Island Community & Event Center, 8236 SE 24th Street, Mercer Island, WA and via Microsoft Teams.

Executive Session to discuss with legal counsel pending or potential litigation pursuant to RCW 42.30.110(1)(i), and to consider the selection of a site or the acquisition of real estate by lease or purchase when public knowledge regarding such consideration would cause a likelihood of increased price pursuant to RCW 42.30.110(1)(b).

Deputy Mayor Dave Rosenbaum, and Councilmembers Lisa Anderl, Jake Jacobson, and Ted Weinberg participated in person. Councilmember Craig Reynolds participated via Microsoft Teams. Mayor Salim Nice and Councilmember Wendy Weiker were absent.

Deputy Mayor Rosenbaum adjourned the Executive Session at 9:15 pm.

#### **ADJOURNMENT**

The Regular Hybrid Council Meeting adjourned at 9:15 pm.

## **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to accept the Mercer Island Arts Council's recommendation for deaccession of the "Downtown Streetscapes: Street Name Inlays," a series of bronze works installed at street corners throughout Mercer Island Town Center. Deaccession is the process of removing artwork from the public art collection.

- The "Street Name Inlays" are one of ten unique art elements designed by artist Ellen Sollod and installed on 77<sup>th</sup> and 78<sup>th</sup> Avenues SE during the Town Center street reconstruction in 1994.
- Two bronze names were inlaid at the base of 22 street corners to denote the original downtown street names, which were named after early settlers of Mercer Island.
- In June 2023, City staff began evaluating options for the "Street Name Inlays", which are impacted by City plans to renovate all curb ramps in the Town Center to comply with federal accessibility standards outlined in the Americans with Disabilities Act (ADA).

- At its regular hybrid meeting on July 17, 2024, the Mercer Island Arts Council (Arts Council) voted to recommend that the "Street Name Inlays" be deaccessioned from the public art collection and removed during construction as curb ramps are renovated.
- Bronze inlays at eight street corners were removed in October 2024 during construction of Town Center curb ramp improvements (SP0118). The remaining inlays will be removed during future construction of curb ramps in Town Center.
- The bronze inlays are not salvageable.

## **BACKGROUND**

#### **ABOUT THE STREET NAME INLAYS**

The "Street Name Inlays" are one of ten unique art elements designed by artist Ellen Sollod and installed at street corners along 77<sup>th</sup> and 78<sup>th</sup> Avenues SE during the Town Center street reconstruction in 1994. Two bronze names were inlaid at the base of 22 street corners to denote the original names of seven Town Center streets (Exhibit 1):

Helen: 77<sup>th</sup> Avenue SE
 Gilpin: 78<sup>th</sup> Avenue SE
 Cable: SE 27<sup>th</sup> Street
 Tallman: SE 28<sup>th</sup> Street
 Summit: SE 29<sup>th</sup> Street
 Treen: SE 30<sup>th</sup> Street
 Proctor: SE 32<sup>nd</sup> Street

#### ADA TRANSITION PLAN IMPLEMENTATION

In May 2022, the City Council adopted the <u>ADA Transition Plan</u>, which identifies and guides the implementation of necessary accessibility improvements across the Island. Project, SP0118 ADA Transition Plan Implementation (SP0118), which was approved in the 2023-2024 Biennial Budget and Capital Improvement Program (CIP), focused on pedestrian facilities in Town Center. These upgrades included replacing curb ramps, adjacent curbs/gutters, and sidewalks at eleven corners across four intersections in 2024. Eight of the affected street corners featured *Street Name Inlays*, so staff began evaluating options for mitigating impacts to the public art project in 2023.

Staff met with artist Ellen Sollod to discuss options for re-siting the impacted inlays. She noted that, because the bronze pieces are place-specific, reinstalling them outside of the original context would diminish the artwork's intent. Sollod proposed new project ideas that required salvaging the existing bronze pieces, which staff explored with the City's Transportation Engineer and the design consultants for the project. Ultimately, staff determined that reusing the impacted bronze pieces was not feasible given the costs and challenges associated with removing them.

# **ISSUE/DISCUSSION**

#### ARTS COUNCIL RECOMMENDATION

On July 17, 2024, staff presented to the Arts Council and sought direction for the remaining inlays in the series (<u>Staff Report</u> | <u>Video Recording</u>). The Arts Council received two public comments from members of the Mercer Island Historical Society, and staff provided three potential recommendations for consideration:

1. Recommend the "Street Name Inlays" series be deaccessioned.

- 2. Recommend further exploration for salvaging bronze pieces during future capital project construction in Town Center.
- 3. Recommend that a new project highlighting historic street names be developed.

The Arts Council voted to recommend the deaccession of the "Street Name Inlays". Per the current guidelines for deaccessioning works of art (Exhibit 2), the City Council must approve the recommendation to formally remove the series from the public art collection.

#### **OPPORTUNITIES FOR HIGHLIGHTING MERCER ISLAND HISTORY**

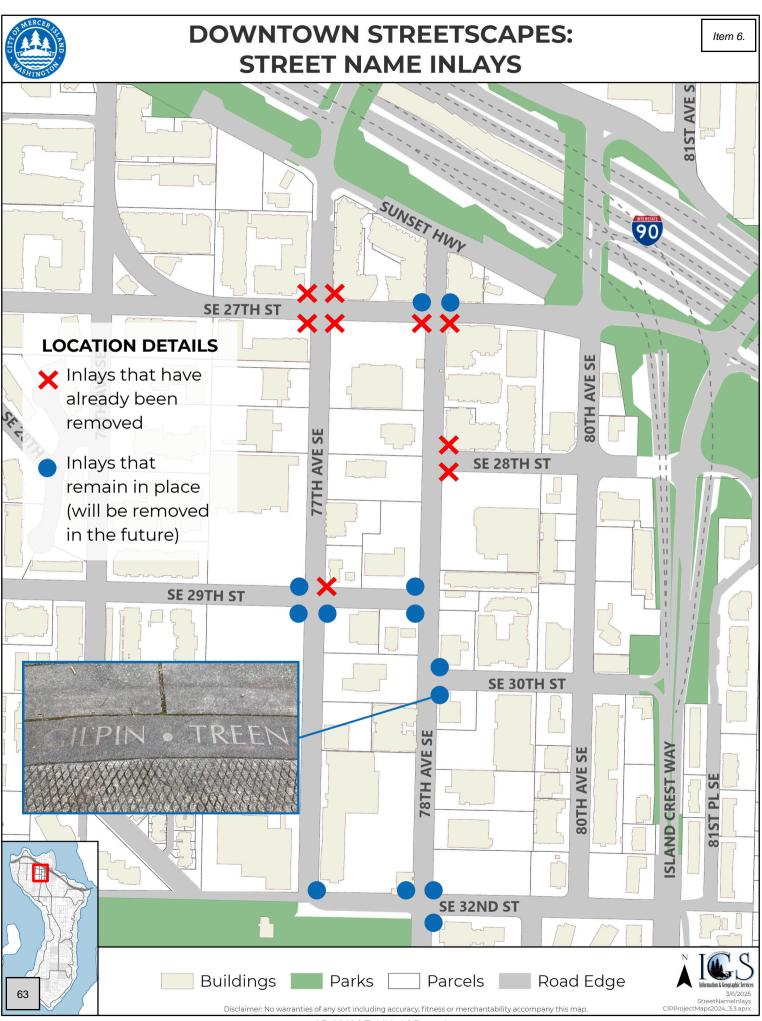

In addition, the Arts Council requested that staff research options for commemorating street names and/or other Mercer Island history at a future meeting. Staff presented their findings at the October 16, 2024 Arts Council regular meeting (Agenda Item #3), and recommended that the Arts Council consider a future project as part of the 6-Year Workplan for Public Art, a planning document that will guide internal discussions for future public art projects. The Arts Council is wrapping up this planning process now, and their recommended plan will be transmitted to the City Council for approval at a future meeting.

## **NEXT STEPS**

Upon the City Council's approval for deaccession of the "Street Name Inlays," City staff will move forward with removing the series from the public art collection, including updating the public art record, <u>STQRY</u>, and other documentation of the series. Remaining inlays will be removed and disposed of during construction of future ADA upgrade projects in Town Center. Other elements of the "Downtown Streetscapes" project will remain in the public art collection.

## RECOMMENDED ACTION

Approve deaccession/removal of the "Downtown Streetscapes: Street Name Inlays" public art installation in Town Center.

## GUIDELINES FOR DEACCESSION OF WORKS OF ART Mercer Island

## **Policy**

Deaccessioning is a procedure for the withdrawal of an artwork from the public collection. Deaccessioning should be considered only after a significant amount of time has elapsed from the date of installation of permanent works and acceptance in the case of portable works or under special circumstances (e.g., the piece has been damaged beyond repair.) Deaccessioning will be considered only after a careful and impartial evaluation of the artwork within the context of the collection as a whole. At the beginning of the process, District staff will make reasonable effort to notify any living artist whose work is being considered for deaccessioning.

### **Eligible Artworks**

All artworks owned by Mercer Island whether acquired through the <u>Commission</u>, a <u>Percent for Art Program</u>, donation, or any other method. In the case of donated artworks, all legal documents relating to the donation will be consulted prior to beginning the process.

## **Criteria for Deaccessioning**

A <u>PAAC</u> may consider the deaccessioning of artwork for one or more of the following reasons in the event that it cannot be resited:

- 1. A work is not, or is only rarely, on display because of lack of a suitable site.
- 2. The condition or security of the artwork cannot be reasonable guaranteed.
- 3. The artwork has been damaged or has deteriorated and repair is impractical or unfeasible.
- 4. The artwork endangers public safety.
- 5. In the case of site specific artwork, the artwork is destroyed by severely altering its relationship to the site.
- 6. The artwork has been determined to be significantly incompatible or inferior in the context of the collection.
- 7. The City wishes to replace the artwork with work of more significance by the same artist.
- 8. The artwork requires excessive maintenance or has faults of design or workmanship.

## **Deaccessioning Procedure**

A Deaccessioning Subcommittee will be appointed by the Arts Council when necessary. This subcommittee will consist of no more than five arts professionals/experts (including one member of the Public Art Committee and an art conservator or curator).

As part of the ongoing evaluation of the collection, the Deaccessioning Subcommittee of the Public Art Committee will review the collection when deemed appropriate. The Arts Council staff will be responsible for recommending artworks for consideration/evaluation for deaccessioning.

Revised 12/9/03

- 1. The Subcommittee determines that an artwork meets one of the criteria for deaccessioning listed above.
- 2. The Council staff prepares a report that includes:
  - a) The opinion of legal staff on any restrictions which may apply to this specific work.
  - b) Approval of appropriate city authority
  - c) Written recommendation for deaccessioning.
- 3. The Public Art Committee will review the report. The Committee may seek additional information regarding the work from artists, art galleries, curators, appraisers or other professionals prior to making a recommendation to the full Arts Council.
- 4. A recommendation for action is sent to the City Council for approval at a regularly scheduled meeting.

Upon confirmation of its recommendation, a PAAC shall consider the following actions:

- 1. Sale or Trade
  - a) Artist will be given first option to purchase or trade artwork.
  - b) Sale may be through auction, gallery resale or direct bidding by individuals, in compliance with appropriate law and policies governing surplus property.
  - c) Trade may be through artist, gallery, museum or other institutions for one or more artwork(s) of comparable value by the same artist.
  - d) No works of art shall be sold or traded to members or staff of the <u>District</u>, consistent with <u>District</u> conflict of interest policies.
  - e) Proceeds from the sale of a work of art shall be returned to a departmental account form, which the original purchase was made if acquired through the District or a % for Art Program. Funds from the sale of gifts shall go into a Public Art Trust Fund for future artwork projects. Any pre-existing contractual agreements between the artist and the District regarding resale shall be honored.
- 2. Destruction of work deteriorated or damaged beyond repair and deemed to be of negligible value.
- 3. If the council is unable to dispose of the artwork in a manner outline above, the work shall be donated to a nonprofit organization or otherwise disposed of as council sees fit.

## **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to adopt Ordinance No. 25C-05 (Exhibit 1) to renew interim regulations previously adopted in Mercer Island City Code (MICC) <u>19.16.010</u> related to emergency shelters and housing, transitional housing, and permanent supportive housing in response to HB 1220.

- During the 2021 state legislative session, the legislature passed <u>HB 1220</u>, requiring amendment of MICC Title 19. The timeline imposed by this legislation required the City to comply with the new requirements by September 30, 2021.
- On September 21, 2021, the City Council adopted <u>Ordinance No. 21C-23</u> which established interim regulations for special needs group housing and social service transitional housing to comply with HB 1220
- The interim regulations have been renewed several times by Ordinance Nos. 22C-14, 23C-02, and 23C-11.
- On April 2, 2024, the interim regulations were reinstated for one year by Ordinance No. 24C-03. This ordinance became effective on April 2, 2024.
- The current interim regulations will expire on April 2, 2025. The City must renew the interim regulations to remain in compliance with state law.

- Ordinance No. 25C-05 (Exhibit 1) renews the interim regulations established by Ordinance No. 24C-03 for six months; maintaining compliance with state law.
- City Council held a public hearing and first reading of Ordinance No. 25C-05 on March 4, 2025 (AB 6633).

## **BACKGROUND**

#### **HB 1220: Emergency Shelters and Housing**

<u>HB 1220</u> addresses transitional housing, emergency shelters, and permanent supportive housing. The bill contains new requirements for Comprehensive Plan housing element updates and creates new requirements for cities' zoning/development regulations regarding indoor shelters and housing for the homeless, summarized below:

- The bill forbids cities from prohibiting transitional or permanent supportive housing in residential zones or zones where hotels are allowed.
- The bill also forbids cities from prohibiting indoor emergency shelters and indoor emergency housing
  in any zones in which hotels are allowed (except for cities that authorize indoor emergency
  shelters/housing in a majority of zones within a one-mile proximity to transit).
- Any regulations regarding occupancy, spacing, and intensity of use requirements regarding the four types of housing listed above must be reasonable and designed to protect public health and safety.
- Finally, such restrictions cannot be used to prevent the siting of a sufficient number of housing units
  necessary to meet Mercer Island's projected need for such housing and shelter as determined by the
  WA Department of Commerce (Commerce) and King County.

Additionally, the Washington State Department of Commerce (Commerce) published guidance on what they refer to as <u>STEP Housing</u> in 2024. STEP Housing includes emergency shelter, transitional housing, emergency housing and permanent supportive housing. This guidance is intended to assist local jurisdictions in complying with the requirements of HB 1220 and related state and federal laws.

The City's development code currently includes some spacing restrictions in <u>MICC 19.06.080 – Siting of group housing</u>; staff recommends retaining these restrictions for now and will further evaluate them for compliance with HB 1220 and the new Commerce guidance when developing a permanent code amendment.

## **Projected Housing Need**

In 2024, the City adopted an updated Comprehensive Plan, which included projected housing needs for emergency housing and permanent supportive housing (<u>Ordinance No. 24C-16</u>). As the City develops permanent regulations for special needs group housing and social service transitional housing, the permanent regulations will be analyzed to ensure that the proposed regulations provide adequate development capacity for the projected housing need and that they are consistent with WA Department of Commerce guidance.

## **ISSUE/DISCUSSION**

## Ordinance No. 25C-05

HB 1220 Section 4 requires the City to allow (1) transitional housing and permanent supportive housing in any zones in which residential dwelling units or hotels are allowed, and (2) indoor emergency shelters and indoor emergency housing in any zones in which hotels are allowed.

The City currently allows social service transitional housing and special needs group housing as defined in MICC 19.16.010 in residential zones. The definitions for these uses include many uses similar to those required by HB 1220 Section 4 and only require minor clarifying amendments to be consistent (Exhibit 1).

Ordinance No. 25C-05 would amend the definitions for social service transitional housing and special needs group housing as follows:

Social Service Transitional Housing: Noninstitutional group housing facilities for unrelated persons, other than special needs group housing or rooming houses, that are privately or publicly operated, including those facilities required to be licensed by the state or federal governments as well as those that may not be required to be licensed, that provide temporary and transitional housing to meet community social service needs including, but not limited to, work-release facilities and other housing facilities serving as an alternative to incarceration, halfway houses, emergency shelters, homeless shelters, domestic violence shelters and other such crisis intervention facilities. Social service transitional housing excludes institutional facilities that typically cannot be accommodated in a single-family residential structure. Further, the term shall include "emergency housing," and "transitional housing" as defined within RCW 84.36.043(2)(c) or as hereafter amended. The term shall further include "emergency shelter" as defined within RCW 36.70A.030 or as hereafter amended.

Special Needs Group Housing: Noninstitutional group housing that primarily supports unrelated persons with handicaps or persons protected by familial status within the meaning of the FHAA, but not including individuals whose tenancy would constitute a direct threat to the health and safety of other individuals or whose tenancy would result in substantial physical damage to the property of others. Special needs group housing includes, but is not limited to, foster family homes, adult family homes and residential care facilities as provided in Chapter 70.128 RCW, but excludes facilities that typically cannot be accommodated in a single-family residential structure such as hospitals, nursing homes, assisted living facilities and detention centers. Further, the term shall include "permanent supportive housing" as defined in RCW 36.70A.030 or as hereafter amended.

## **NEXT STEPS**

If adopted, Ordinance No. 25C-05 will take effect on April 2, 2025.

## **RECOMMENDED ACTION**

Adopt Ordinance No. 25C-05 establishing interim development regulations in MICC 19.16.010 related to Emergency Shelters and Housing, Transitional Housing, and Permanent Supportive Housing, with an effective date of April 2, 2025.

# CITY OF MERCER ISLAND ORDINANCE NO. 25C-05

AN ORDINANCE OF THE CITY OF MERCER ISLAND, WASHINGTON, RENEWING INTERIM REGULATIONS ON DEFINITIONS RELATING TO EMERGENCY SHELTERS AND HOUSING, TRANSITIONAL HOUSING, AND PERMANENT SUPPORTIVE HOUSING ADOPTED BY ORDINANCE 24C-03; PROVIDING FOR SEVERABILITY; AND ESTABLISHING AN EFFECTIVE DATE.

**WHEREAS**, the adoption of land use and zoning regulations is a valid exercise of the City's police power and is specifically authorized by RCW 35A.63.100; and

WHEREAS, within the express terms of the Growth Management Act, the Washington State Legislature has specifically conferred upon the governing bodies of Washington cities the right to establish and adopt interim development regulations; and

**WHEREAS,** in 2021, the Washington State legislature passed E2SHB 1220, which, among other things, requires cities to allow indoor emergency shelters and housing, transitional housing, and permanent supportive housing in certain zones; and

WHEREAS, E2SHB 1220 provides, in part, that a city shall not prohibit transitional housing or permanent supportive housing in any zones in which residential dwelling units or hotels are allowed, and

**WHEREAS**, E2SHB 1220 further provides, in part, that a city shall not prohibit indoor emergency shelters and indoor emergency housing in any zones in which hotels are allowed, except if the city has adopted an ordinance authorizing indoor emergency shelters and indoor emergency housing in a majority of zones within a one-mile proximity to transit; and

**WHEREAS,** E2SHB 1220 allows cities to adopt reasonable occupancy, spacing, and intensity of use requirements on permanent supportive housing, transitional housing, indoor emergency housing, and indoor emergency shelters to protect public health and safety so long as those reasonable restrictions do not prohibit the number of units assigned to the city by the Washington State Department of Commerce ("Commerce"); and

**WHEREAS**, E2SHB 1220 included a September 30, 2021, deadline for cities to comply, and the City Council determined that to comply with the deadline and thoroughly analyze permanent regulations, interim development regulations adopted under the provisions of RCW 36.70A.390 are necessary to allow adequate time for the City to adopt permanent development regulations in compliance with E2SHB 1220; and

**WHEREAS**, on September 21, 2021, the City Council adopted Ordinance 21C-23 that established interim regulations relating to emergency shelters and housing, transitional housing, and permanent supportive housing; and

**WHEREAS,** the City Council has adopted ordinance 22C-14 on September 21 2022, Ordinance 23C-02 on March 21, 2023, and Ordinance 23C-11 on September 5, 2023 to renew the interim regulations established by Ordinance 21C-23 for additional six-month periods; and

**WHEREAS**, the City Council adopted Ordinance 24C-03 on April 2, 2024, reinstating the lapsed interim regulations established by Ordinance 21C-23 for one year; and

**WHEREAS**, the City is authorized under RCW 35A.63.220 and 36.70A.390 to renew interim zoning and official controls for an additional six-month period, provided a public hearing is held prior to renewal; and

WHEREAS, the City Council held a public hearing on March 4, 2025; and

**WHEREAS**, this Ordinance, as an interim zoning and official control ordinance, is not subject to referendum;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MERCER ISLAND, WASHINGTON DO HEREBY ORDAIN AS FOLLOWS:

- **Section 1. Findings.** The findings adopted for Ordinances No. 21C-23, 22C-14, 23C-02, 23C-11, 24C-03 and the "Whereas Clauses" set forth in the recitals of this ordinance are hereby adopted as the findings of fact of the City Council for passing this ordinance.
- **Section 2.** Renewed. The interim regulations adopted by Ordinance 24C-03 are renewed.
- **Section 3. Duration of Interim Zoning and Official Controls**. The interim zoning and official controls renewed by this ordinance shall be effective for a period of six months, unless repealed, extended, or modified by the City Council.
- **Section 4. Severability.** If any section, sentence, clause or phrase of this ordinance or any municipal code section amended hereby should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity of any other section, sentence, clause or phrase of this ordinance or the amended code section.
- **Section 5. Effective Date.** This ordinance shall take effect and be in force on April 2, 2025, provided 5 days have passed since its passage and publication.

PASSED BY THE CITY COUNCIL OF THE CITY OF MERCER ISLAND, WASHINGTON AT ITS MEETING ON MARCH 18, 2025.

## **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to adopt interim development regulations to add unit lot subdivision regulations to the Mercer Island City Code Chapter 19.08 as required by SB 5258 (2023).

- In 2023, the Washington State legislature passed <u>SB 5258</u> establishing new requirements for development on residential lots in Washington cities, including Mercer Island.
- Mercer Island must permit unit lot subdivision, allowing existing "parent lots" to be split into "unit lots" that provide for individual sale and ownership of middle housing and accessory dwelling units.
- Ordinance No. 25C-06 (Exhibit 1) will enact interim development regulations to provide minimum compliance with SB 5258. Permanent development regulations will be developed in the future with additional community engagement, analysis of policy options, and refinement of the interim development regulations.
- The City Council conducted its first reading of Ordinance No. 25C-06 on March 4, 2025 (AB 6632).

## **BACKGROUND**

In 2023, the Washington State Legislature adopted <u>SB 5258</u>. SB 5258 primarily concerns construction defect claims in condominiums. However, Section 11 of the legislation includes a requirement, codified at <u>RCW</u>

<u>58.17.060(3)</u>, that local jurisdictions "include in their short plat regulations procedures for unit lot subdivisions allowing division of a parent lot into separately owned unit lots..."

The Department of Commerce (Commerce) <u>Middle Housing User Guide</u> addresses this requirement and how it aligns with the middle housing requirements in HB 1110. Commerce also recently published additional draft guidance: <u>Unit Lot Subdivision Fact Sheet</u>. Unit lot subdivision allows the land beneath detached single family housing, accessory dwelling units or middle housing where no units are stacked on another unit, to be divided for individual sale.

Under state law (RCW 58.17.060(3)), unit lot subdivision is a type of short subdivision. The Mercer Island City Code defines a short subdivision as "a subdivision consisting of four or less lots on four or less acres." Together, these requirements will enable parent lots to be divided into up to four unit lots for individual sale and ownership. Any portion of the parent lot not included in the unit lots must be owned in common by the owners of the unit lots, or by a homeowner's association. This commonly held land could include shared open space and driveways.

Unit lot subdivision allows unit lots to be sold separately under fee simple ownership. "Fee simple" is a legal term that refers to full ownership of land and any buildings on that land. Unit lot subdivisions can be approved prior to, during, or after development. For example, the backyard of an existing home can be divided into unit lots for sale to a developer that intends to add middle housing or ADUs to the property. Likewise, vacant land can be divided through unit lot subdivision for development and individual sale of middle housing units such as townhomes. In addition, unit lot subdivision could also be used to sell an existing detached ADU for ownership separate from the primary unit.

Unit lot subdivision can be used with all forms of non-stacked housing, including single-family, middle housing, and ADUs. Unit lot subdivision is not appropriate for stacked flats, apartments, or configurations where one unit is stacked on top of another unit. RCW 36.70A.635 also requires cities to allow zero lot line subdivision. This means that attached housing forms, including townhomes and duplexes, can be built on separate unit lots with no setback between the housing units. This type of land division is commonly used for townhomes, and it can also be used with side-by side duplexes, triplexes, and fourplexes as well as other non-stacked orientations of middle housing and ADUs (see Figure 1 for examples).

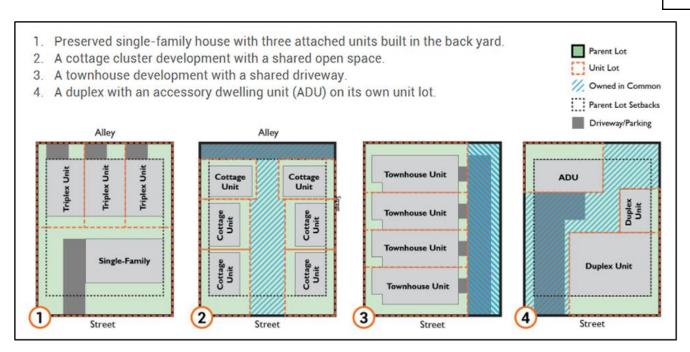

Figure 1: Unit Lot Subdivision Examples

#### APPROACH AND SCOPE OF WORK

Initial compliance with <u>SB 5258</u> unit lot subdivision requirements will be achieved via adoption of interim development regulations. This initial phase will focus on complying with the minimum requirements of the legislation, as described above. The City is planning a future second phase of work aimed at adopting permanent development regulations. This second phase will include additional community engagement and refinement of the interim development regulations.

# **ISSUE/DISCUSSION**

#### **ORDINANCE NO. 25C-06**

The City Council conducted its first reading of Ordinance No. 25C-06 (Exhibit 1) on March 4, 2025 (AB 6632) and did not request any revisions to the draft. Ordinance No. 25C-06 will enact interim development regulations to comply with the provisions of SB 5258. The ordinance includes the following amendments:

- Adds a new section to the City's subdivision regulations, MICC 19.08.080 Fee Simple Unit Lot Subdivisions. This section enables the creation of unit lot subdivisions using the City's existing short plat process.
- Adds Preliminary Unit Lot Subdivision and Final Unit Lot Subdivision to the City's Land Use Review
   Type table in MICC 19.15.030
- Adds definitions for Parent Lot and Unit Lot in MICC 19.16.010.

The ordinance applies development standards established for the underlying zoning designation to the parent lot. This includes setbacks, maximum floor area, and other dimensional standards. Thus, unit lots do not need to individually comply with setbacks and no setback is required between housing units on separate unit lots. Additionally, unit lots do not have prescribed requirements for length, width, or area. Parking standards are also established by the development regulations for the underlying zoning designation. Parking can be provided on a different unit lot or tract from the unit lot with the dwelling, if the right to use the parking is established with an easement or on the final plat. The final plat for a unit lot subdivision must indicate that

Item 8.

each unit lot is not a separate buildable lot and that additional development of unit lots may be limited as a result of the application of development standards to the parent lot.

# **NEXT STEPS**

Ordinance No. 25C-06 has an effective date of June 30, 2025, the same date that the Middle Housing and Accessory Dwelling Unit regulations required by HB 1110 and HB 1337 will take effect. Before the ordinance takes effect, City staff will update the City website, revise permit forms, and train permit review staff on the regulatory changes.

# **RECOMMENDED ACTION**

Adopt Ordinance No. 25C-06 establishing interim development regulations in MICC Chapter 19.08 related to Unit Lot Subdivision, with an effective date of June 30, 2025.

# CITY OF MERCER ISLAND ORDINANCE NO. 25C-06

AN ORDINANCE OF THE CITY OF MERCER ISLAND, WASHINGTON, AMENDING TITLE 19 MICC TO COMPLY WITH UNIT LOT SUBDIVISION REQUIREMETNS IN HB 5258 ON AN INTERIM BASIS; ADOPTING A WORK PLAN; PROVIDING FOR SEVERABILITY; AND ESTABLISHING AN EFFECTIVE DATE.

**WHEREAS**, the adoption of land use and zoning regulations is a valid exercise of the City's police power and is specifically authorized by RCW 35A.63.100; and

WHEREAS, within the express terms of the Growth Management Act, the Washington State Legislature has specifically conferred upon the governing bodies of Washington cities the right to establish and adopt interim development regulations; and

**WHEREAS,** in 2023 the Washington State legislature passed Engrossed Second Substitute Senate Bill (E2SSB) 5258 (chapter 337, Laws of 2023) related to condominiums and townhomes, construction and sale, various provisions; and

**WHEREAS,** in passing E2SSB 5258 (chapter 337, Laws of 2023) the State legislature sought to increase the supply and affordability of condominium units and townhouses as an option for homeownership; and

WHEREAS, E2SSB 5258 (chapter 337, Laws of 2023), Section 11 amends the subdivision requirements codified in the Revised Code of Washington (RCW) section 58.17.060 to add a requirement that local jurisdictions allow unit lot subdivision; and

**WHEREAS**, adoption of the ordinance will bring the City of Mercer Island into compliance with RCW 58.17.060 and will serve the general welfare of the public;

**WHEREAS**, the City is authorized under RCW 35A.63.220 and RCW 36.70A.390 to pass an interim zoning and official control ordinance for up to one year if a work plan is developed for related studies providing for such a longer period; and

**WHEREAS**, the City is authorized under RCW 35A.63.220 and RCW 36.70A.390 to pass an interim zoning and official control ordinance, provided it holds a public hearing on the same within sixty days after passage if it has not previously held a public hearing on the proposed ordinance; and

**WHEREAS**, the City Council held a duly noticed public hearing on March 4, 2025 regarding this interim zoning and official control ordinance;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MERCER ISLAND, WASHINGTON DO HEREBY ORDAIN AS FOLLOWS:

**Section 1:** Whereas Clauses Adopted. The "Whereas Clauses" set forth in the recitals of this ordinance are adopted as the findings and conclusions of the City Council for passing this ordinance.

75

- **Section 2:** Section 19.08.080 MICC, Single-family, Addition. MICC Section 19.08.080, Fee Simple Unit Lot Subdivision, is added as shown in Exhibit B.
- Section 3: Section 19.15.030 MICC, Land Use Review Types, Amended. MICC Section 19.15.030, Land Use Review Types, is amended as shown in Exhibit B.
- **Section 4: Section 19.16.010 MICC, Definitions, Amended.** MICC Section 19.16.010, Definitions, is amended as shown in Exhibit B.
- **Section 5: Duration of Interim Zoning and Official Controls.** The interim zoning and official controls adopted in sections 2, 3, and 4 of this ordinance shall be effective for a period of one year, unless repealed, extended, or modified by the City Council.
- **Section 7:** Adoption of Work Plan. The work plan attached to this ordinance as Exhibit A is adopted.
- **Section 8:** Severability. If any section, sentence, clause or phrase of this ordinance or any municipal code section amended hereby should be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect the validity of any other section, sentence, clause or phrase of this ordinance or the amended code section.
- **Section 9: Effective Date.** This ordinance shall take effect and be in force on June 30, 2025, provided 5 days have passed since its passage and publication.

PASSED BY THE CITY COUNCIL OF THE CITY OF MERCER ISLAND, WASHINGTON AT ITS MEETING ON MARCH 18, 2025.

#### **Exhibit B**

## 19.08.080 Fee Simple Unit Lot Subdivisions

- A. Purpose. The primary purpose of these provisions is to allow for the creation of fee simple unit lots for developments with more than one dwelling unit including attached housing and ADUs while applying only those site development standards applicable to the parent lot as a whole.
- B. Development Standards. Overall development of the parent lot shall meet the bulk development and design standards of the underlying land use district applicable at the time the permit application is vested. As a result of the subdivision, development on individual unit lots may be nonconforming as to some or all of the development standards of this title based on analysis of the individual unit lot, provided that development standards for the parent lot are met.
- C. Unit lot subdivisions and subsequent platting actions, additions or modifications to the structure(s) may not create or increase any nonconformity of the parent lot.
- D. Access. Private access drives are allowed to provide access to dwellings and off-street parking areas within a unit lot subdivision. Access, joint use and maintenance agreements shall be executed for use of common garage or parking areas, common open area and other similar features, and the agreement recorded with King County. The proposed unit lot subdivision shall incorporate preferred development practices pursuant to MICC 19.09.100 where feasible.
- E. Parking. Within the parent lot, required parking for a dwelling unit may be provided on a different unit lot or tract other than the lot with the dwelling unit, if the right to use that parking is formalized by an easement or otherwise defined on the final plat, and recorded with King County.
- F. The following shall be recorded on the face of the final plat:
  - 1. Each unit lot is not a separate buildable lot, and
  - 2. Additional development of unit lots may be limited as a result of the application of development standards to the parent lot
- G. Approval Process and Criteria. The approval process and criteria for fee simple unit lot subdivisions shall be consistent with the requirements for short plats established in MICC 19.08.020.

#### 19.15.030 Land Use review types.

78

There are four categories of land use review that occur under the provisions of the development code.

- A. Type I. Type I reviews are based on clear, objective and nondiscretionary standards or standards that require the application of professional expertise on technical issues.
- B. Type II. Type II reviews are based on clear, objective and nondiscretionary standards or standards that require the application of professional expertise on technical issues. The difference between Type I and Type II review is that public notification shall be issued for Type II decisions.
- C. Type III. Type III reviews require the exercise of discretion about nontechnical issues.
- D. *Type IV.* Type IV reviews require discretion and may be actions of broad public interest. Decisions on Type IV reviews are only taken after an open record hearing.
- E. The types of land use approvals are listed in Table A of this section. The required public process for each type of land use approval are listed in Table B of this section.

- F. Consolidated permit processing. An application for a development proposal that involves the approval of two or more Type II, III and IV reviews may be processed and decided together, including any administrative appeals, using the highest numbered land use decision type applicable to the project application. The following permits and land use reviews are excluded from consolidated review and approval:
  - 1. Building permits associated with the construction of one or more new single-family dwellings, middle housing units, or accessory dwelling units on lots resulting from the final plat approval of a short subdivision, unit lot subdivision, or long subdivision.
  - 2. Building permits associated with shoreline conditional use permits and shoreline variance.
  - 3. Project SEPA reviews shall be processed as a Type III land use review.
  - 4. When a review is heard by multiple decision bodies, the higher decision body will make the final decision, and the lower decision body will review the project at a public meeting and issue a recommendation that will be reviewed by the higher decision body. The higher decision body will either adopt the recommendation as part of the permit conditions, will remand the recommendation back to the lower body for further consideration, will amend the recommendation, or will deny adoption of the recommendation and will adopt their own permit conditions. The hierarchy of decision bodies is as follows, from highest to lowest:
    - a. City council;

79

- b. Hearing examiner;
- c. Design commission.
- G. Interior alterations exempt from site plan review.
  - Applications for interior alterations are exempt from site plan review provided they meet the following criteria:
    - a. The proposed development does not result in additional sleeping quarters or bedrooms;
    - b. The proposed development would not result in nonconformity with federal emergency management agency substantial improvement thresholds; or
    - c. The proposed development would not increase the total square footage or valuation of the structure thereby requiring upgraded fire access or fire suppression systems.
  - 2. Applications for interior alterations are subject to review for consistency with any otherwise applicable building, plumbing, mechanical, or electrical codes.

| Table A. Land Use Review Type   |   |  |   |  |  |
|---|---|--|---|--|--|
| Type I  | Type II   | Type III   | Type IV   |  |  |
| Home business     Nonmajor single-family dwelling building permits     Tree removal permit     Right-of-way permit     Special needs group housing safety determination | Modified wireless communication facilities (6409 per 47 CFR 1.40001)     Lot line revision     Setback deviations     Final plat <sup>2,3</sup> Code official design review     Accessory dwelling unit | New and modified wireless (non-6409) eligible facility  SEPA threshold determination  Critical area review <sup>2</sup> Public agency exception  Temporary encampment <sup>4</sup> | <ul> <li>Preliminary long plat approval</li> <li>Conditional use permit</li> <li>Variance</li> <li>Critical areas reasonable use exception</li> <li>Long plat alteration and vacations</li> <li>Parking modifications <sup>7</sup> (reviewed</li> </ul> |  |  |
|   |   |  | by design commission)   |  |  |

- Shoreline revision (substantial development) <sup>1</sup>

- Variance from short plat acreage limitation
- Wireless communication facility height variance
- Planned unit development
- Design commission design review
- Permanent commerce on public property
- Shoreline conditional use permit (SCUP) <sup>6</sup>
- Shoreline variance <sup>6</sup>
- Shoreline revision (variance and SCUP)

- 1 Appeal will be heard by the shorelines hearings board.
- 2 Decision is made by city council after discussion at a public meeting.
- 3 A notice of decision will be issued for a final long plat.
- 4 A public meeting is required.
- 5 Major single-family dwelling building permits are subject only to the notice of application process. A notice of decision will be provided to parties of record.
- 6 Hearing examiner will forward a recommendation to the Washington State Department of Ecology for Ecology's decision.
- 7 Parking modifications are issued pursuant to the provisions of MICC 19.11.130.

#### 19.16.010 Definitions.

[...]

Lot: A designated parcel, tract or area of land established by plat, subdivision, or as otherwise permitted by law to be used, developed or built upon as a unit.

- 1. *Corner lot:* A lot located at the junction of and abutting two or more intersecting streets.
- 2. Upland lot: A lot having no frontage on Lake Washington.
- 3. Waterfront lot: A lot having frontage on Lake Washington.
- 4. Parent lot: The initial lot from which unit lots are subdivided pursuant to MICC 19.08.080.
- 5. Unit lot: A lot created by the subdivision of a parent lot pursuant to MICC 19.08.080.

[...]

|------------------------|--------|
| AMOUNT BUDGETED        | \$ n/a |
| APPROPRIATION REQUIRED | \$ n/a |

# **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to appropriate funds from the ARCH Housing Trust Fund (HTF) to five projects recommended by the ARCH Executive Board.

- Mercer Island is a member of ARCH (A Regional Coalition for Housing) and like the other local government members, Mercer Island contributes annually to ARCH to provide operational support for the organization and capital support for affordable housing projects (via the HTF).
- The ARCH Executive Board recommends that Mercer Island support the two housing projects listed below, drawing on \$52,400 from the City's contributions to the ARCH HTF:
  - Kenmore Larus Senior Housing TWG/Imagine Housing (\$41,400)
  - Bellevue The Aventine Low Income Housing Institute (\$11,000)
- City Council approval is required to allocate these funds.
- Should the City choose not to fund some or all these projects, the unallocated funds would remain in the City's HTF account and earn interest until they are allocated to projects in future years.

# **BACKGROUND**

ARCH was established in 1993 by an <u>Interlocal Agreement</u> to create and preserve affordable housing throughout the greater East King County community. Member jurisdictions include Beaux Arts Village, Bellevue, Bothell, Clyde Hill, Hunts Point, Issaquah, Kenmore, King County, Kirkland, Medina, Mercer Island,

Newcastle, Redmond, Sammamish, Woodinville, and Yarrow Point. By participating in ARCH, member cities are part of a joint and cooperative undertaking to collectively plan for and provide affordable housing in East King County communities. ARCH staff serve as additional housing staff to each member city and coordinate with member city staff in various housing-related projects, plans and services.

Like other local government members, Mercer Island contributes annually to ARCH to provide administrative support for the organization's housing activities and capital support for the creation and preservation of affordable housing. The coordinated approach used by ARCH provides for an efficient use of resources in fulfilling each member city's obligations under the Washington State Growth Management Act (GMA) to make adequate provisions for the existing and projected housing needs of all economic segments of the community (RCW 36.70A.070(2)), as well as sharing resources with regional partners in the provision and administration of affordable housing.

#### **ARCH HOUSING TRUST FUND**

The ARCH Housing Trust Fund (HTF) was created by ARCH member cities in 1993 to directly assist the development and preservation of affordable housing in East King County. The HTF enables ARCH members to capitalize a joint housing development fund and directly control the use of their housing funds through ARCH's funding recommendation process. The HTF is the primary means by which ARCH members assist in creating and preserving housing opportunities for low- and moderate-income households. The HTF awards loans and grants to Eastside developments that include below-market rate housing. HTF projects primarily create housing that is affordable for households earning 60% of the area median income or less. Over the last three decades, ARCH has supported over 6,000 units of affordable housing and shelter beds. Funds invested in the HTF have been leveraged over 10:1, bringing in \$1 billion in other investments to East king County.

Mercer Island's contributions to the ARCH HTF come from the City's General Fund, designated to ARCH for the purpose of creating affordable housing. The City contributed \$96,000 in 2018, \$50,000 in 2019, \$33,768 in 2020, and \$35,000 in each year since 2021. Funds contributed to the HTF are held in a centralized account at the City of Bellevue and earn interest. Mercer Island's annual contributions, plus loan repayments and interest earned, are held in reserve until allocated to specific projects. The balance of Mercer Island's portion of HTF account was \$53,154 at year-end 2024.

Affordable housing projects are identified for HTF funding via a competitive process each fall. ARCH staff, member city liaisons, the ARCH Community Advisory Board, and the ARCH Executive Board review and recommend projects for grants or loans from the HTF. Allocation of funds from Mercer Island's portion of the HTF to specific projects must be approved by the City Council, per the terms of the <a href="ARCH Interlocal Agreement">ARCH Interlocal Agreement</a>.

# **ISSUE/DISCUSSION**

#### **2024 HTF FUNDING RECOMMENDATIONS**

The 2024 ARCH HTF received \$11.7 million in funding requests from ten projects proposing 749 units of affordable housing. While it was not possible to fully fund all of these requests, the ARCH Executive Board, in concurrence with the ARCH Community Advisory Board (CAB), is recommending full funding for three projects, with \$4.3 million in Trust Fund dollars included in the recommendation, plus an additional \$599,000 in Community Development Block Grant (CDBG) funds, resulting in \$4.9 million in awards. Details of the Executive Board's rationale for recommending each project are included in Exhibit 1.

The ARCH Executive Board recommends that Mercer Island support two of the three recommended projects, drawing on \$52,400 from the City's contributions to the ARCH Housing Trust Fund, as shown in Table 1 below:

Table 1: Project Summary

| Project      | Location | Developer   | Affordability   | Total               | 2024 ARCH    | Mercer       |
|--------------|----------|-------------|-----------------|---------------------|--------------|--------------|
| Name         |          |             | Levels and Unit | <b>Project Cost</b> | Contribution | Island       |

|              |          |             | 80% AMI – 15    |                     |              |              |
| Emily House  | Issaquah | Life        | 30% AMI – 3     | \$1,930,748         | \$482,687    | -            |
|              |          | Enrichment  | 40% AMI – 1     |                     | (CDBG        |              |
|              |          | Options     |                 |                     | funds)       |              |

The recommended projects will provide a range of affordable housing options throughout East King County, including very low-, low-, and moderate-income units. The recommended projects represent 245 total units of affordable housing; the unit count at each affordability level is shown in Figure 1, on the next page. HB 1220 required Mercer Island to establish affordable housing targets as part of the 2024 Comprehensive Plan. King County will be tracking data and evaluating progress towards these targets in 2029. Staff expect a proportionate share of housing units created through Mercer Island's contributions to these projects to be counted toward the City's affordable housing targets.

The recommended projects meet diverse needs throughout the region, including:

- Preservation of existing affordable housing;
- Speedy delivery of projects to meet the urgent need for affordable housing;
- Aligning and leveraging public dollars to maximize the impact of limited resources; and
- Local partnerships to serve diverse populations, including low-income seniors, families and individuals exiting homelessness, persons with intellectual and developmental disabilities, and veterans.

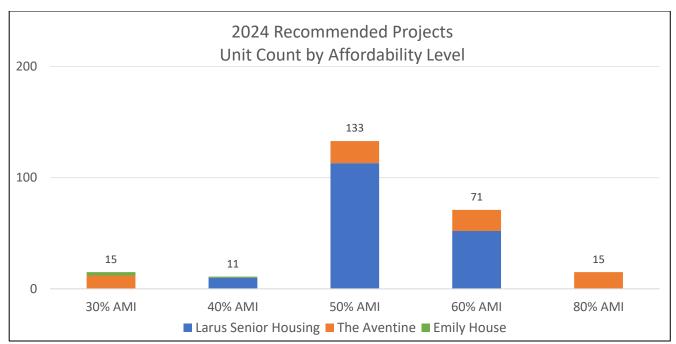

Figure 1: Housing Unit Affordability Level

The ARCH contributions to the recommended projects are just a small share of the funding and financing that it takes to construct/acquire these affordable housing units. For each ARCH HTF dollar contributed to a project, more than \$15 in additional funding will be secured. The proposed projects expect to attract more than \$102 million in other funding sources, including federal tax credits and tax-exempt bonds, State of Washington and King County funding, the funding from cities of Bellevue and Issaquah as well as contributions from the Amazon Housing Equity fund.

Exhibit 1 is the ARCH Fall 2024 Housing Trust Fund Recommendations memo, detailing the projects recommended for funding by the ARCH Executive Board, including the following supporting documents:

- 1. <u>Attachment 1: Proposed Funding Sources</u> provides a chart showing how proposed ARCH funding is distributed among ARCH cities (Exhibit 1, page 16).
- 2. <u>Attachment 2: Project Economic Summaries</u> provides economic summaries of the recommended projects showing sources of funding and project expenses (Exhibit 1, pages 17-21).

## **NEXT STEPS**

If the \$52,400 for the recommended projects listed above is approved by the City Council, the funds will be drawn from Mercer Island's portion of the HTF account. Approval of the Housing Trust Fund project funding will conclude this matter. Staff will continue to coordinate with ARCH and King County related to the accounting of housing units created through the ARCH HTF, ensuring they are properly tracked towards Mercer Island's HB 1220 affordable housing targets.

## **RECOMMENDED ACTION**

Approve the use of \$52,400 from the City's contributions to the ARCH Housing Trust Fund as recommended by the ARCH Executive Board and authorize execution of any related agreements and documents.

FROM: Carol Helland, Chair, ARCH Executive Board

DATE: December 26, 2024

RE: Fall 2024 Housing Trust Fund (HTF) Recommendation

This year ARCH received \$11.7 million in funding requests from ten projects proposing an impressive 749 units of affordable housing. After careful deliberation, the ARCH Executive Board concurred with the recommendations of the ARCH Community Advisory Board (CAB), which provide full funding for three projects. Consistent with recent years, the demand for funding far exceeded available resources, with \$4.3 million in Trust Fund dollars included in the recommendations, plus an additional \$599,000 in CDBG funds, resulting in \$4.9 million available for awards.

Over the last three decades, the ARCH Trust Fund has supported over 6,000 units of affordable housing, creating housing access for thousands of families and individuals with limited incomes.

This year's recommendations will support 246 units of housing in three projects that meet numerous priorities and needs throughout the region, including:

- Preservation of existing affordable housing
- Speedy delivery of projects to meet the urgent need for affordable housing
- Aligning and leveraging public dollars to maximize the impact of limited resources
- Local partnerships to serve diverse populations, including low-income seniors, families and individuals exiting homelessness, persons with intellectual and developmental disabilities, and veterans

In addition to Trust Fund resources, ARCH is also partnering to coordinate additional resources from member cities, including funding from the 0.1% sales tax collected by the cities of Bellevue and Issaquah. These resources are an important supplement to grow the overall production of our coalition. The Trust Fund also continues to bring a high return on local investment, with this year's recommended projects expected to attract over \$90 million in other public and private funding.

A summary of the recommendations is shown in the table below:

| Applicant and Project                    | Units | City      | 2024 Request<br>Amount | 2024 Recommendation                                  |
|--|-------|-----------|------------------------|--|
| TWG/Imagine Housing- Larus               | 175   | Kenmore   | \$ 3,400,000           | <b>\$ 3,400,000</b> (previous ARCH award, \$250,000) |
| LIHI- Aventine Apartments                | 66    | Bellevue  | \$ 900,000             | \$ 900,000<br>(previous ARCH award, \$600,000)       |
| Life Enrichment Options-<br>Emily House  | 5     | Issaquah  | \$ 482,687             | \$ 482,687   |
| Habitat for Humanity-<br>Orchard Gardens | 25    | Bellevue  | \$ 300,000             | \$ -<br>(previous ARCH award, \$600,000)             |
| Shelter Resources- Catalina              | 96    | Bellevue  | \$ 1,000,000           | \$ -   |

- 2. Project Economic Summaries
- 3. ARCH Trust Fund Standard Conditions

Note that bolded text in proposed conditions shows unique conditions in otherwise standard text.

# 1. TWG Larus Senior Housing, Kenmore

2023 Funding Request: \$3,900,000 (Contingent Loan)
2024 Funding Request: \$3,400,000 (Contingent Loan)

175 Affordable Rental Units for Seniors

2023 ARCH Award: \$ 250,000 (Contingent loan)
2024 Executive Board Recommendation: \$3,400,000 (Contingent loan)
Total Award: \$3,650,000 (Contingent loan)

#### **Project Summary:**

The proposed Larus Senior Apartments is a transit-oriented senior housing development to be developed by TWG Housing in partnership with Imagine Housing. The development team elected to proceed with the same model for Larus as their previous partnership, Ardea at Totem Lake, by serving seniors with Imagine Housing to be the non-profit development partner and service provider. ARCH awarded funding to the Ardea project in 2022, and the developer successfully assembled its financing and began construction in 2023.

The project will consist of 175 units of affordable housing with a mix of studios and 1-bedroom units with affordability levels at 40% AMI, 50% AMI, and 60% AMI. Located within ¼ mile from the Kenmore Park & Ride and future Sound Transit BRT station, the project will aim to take advantage of future transportation options for its residents. In addition to its close proximity to the Kenmore transit hub, Larus Senior Apartments benefits from local groceries, shopping, and services within ¼ mile walking distance. ARCH made a partial award to this project last year, due to limited funding availability.

#### Funding Rationale:

The Executive Board recommends funding with conditions listed below for the following reasons:

- Funding this year's request for additional capital demonstrates continued commitment from ARCH to this priority project that has already secured other important sources of leverage.
- The project is strategically located near a future transit facility and close to amenities and services.
- The project advances the City's affordable housing priorities by providing much needed lowincome housing for seniors in the area.
- The project leverages significant investments from public and private funding sources and is expected to be competitive for bonds/tax credit financing in 2025.
- The project produces a significant amount of affordable housing in a cost-effective manner.

# **Proposed Conditions:**

Standard Conditions: See Attachment 3 ARCH Award Standard Conditions

#### <u>Special Conditions (will supersede conditions from previous award):</u>

## **Prior to Contracting**

- 1. The funding commitment shall continue for **twelve (12) months** from the date of Council approval and shall expire thereafter if all conditions are not satisfied. An extension may be requested to ARCH staff no later than sixty (60) days prior to the expiration date. At that time, the Agency will provide status report on progress to date and expected schedule for start of construction and project completion. ARCH staff will consider a twelve-month extension only based on documented, meaningful progress in bringing the project to readiness or completion. At a minimum, the Agency will demonstrate that all capital funding has been secured or is likely to be secured within a reasonable timeframe.
- 2. Agency must demonstrate loan commitment letters from Amazon Housing Equity Fund, or a replacement lender, and securing WSHFC Bond tiering placement by 5/1/25. ARCH staff will consider a twelve-month extension only based on documented, meaningful progress in bringing the project to readiness or completion.

## **Through Construction Period**

- Agency must submit a supportive services plan which includes coordination of services with outside providers to ARCH Staff for review three month prior to finance closing and an update six months before the opening of the property.
- 4. Funds shall be used by the Agency towards construction and soft costs. Funds may not be used for any other purpose unless ARCH staff has been given written authorization for the alternate use. Spending of construction contingency must be approved in advance by ARCH. If after the completion of the project there are budget line items with unexpended balances, ARCH and other public funders shall approve adjustments to the project capital sources, including potential reductions in public fund loan balances. Funds not expended at the end of the construction period will be de-obligated.

#### **Ongoing Requirement through Period of Affordability**

5. Funds will be in the form of a **deferred, contingent loan**. Loan terms will account for various factors, including loan terms from other fund sources and available cash flow. Agency shall provide final operating proforma and cashflow waterfall for ARCH staff review. Final loan terms shall be determined prior to release of funds and must be approved by ARCH Staff. It is anticipated that loan payments will be based on a set repayment schedule and begin generally on or before year 15 and after repayment of earlier maturing senior loans and deferred developer fee with 1% interest. The terms will also include a provision for the Agency to defer payment if certain conditions are met (e.g., low cash flow due to unexpected costs). Any requested deferment of loan payment is subject to approval by ARCH staff, and any deferred payment would be repaid from future cash flow or at the end of the amortization period.

6. A covenant is recorded ensuring affordability for at least 55 years, with size and affordability distribution per the following table, and **serving residents 55 years old and older**. Changes may be considered based on reasonable justification as approved by ARCH staff (such as changes to accommodate income averaging across the project).

| Affordability | Studio | 1BR | Total |
|---------------|--------|-----|-------|
| 40%           | 10     |     | 10    |
| 50%           | 46     | 67  | 113   |
| 60%           | 24     | 28  | 52    |
| Total         | 80     | 95  | 175   |

# 2. LIHI – Aventine Apartments

2023 Funding Request: \$1,500,000 (Contingent Loan)
2024 Funding Request: \$900,000 (Contingent Loan)
66 Affordable Rental Units

2023 ARCH Award: \$ 600,000 (Contingent loan)
2024 Executive Board Recommendation: \$ 900,000 (Contingent loan)
Total Award: \$1,500,000 (Contingent loan)

#### **Project Summary:**

The Aventine Apartments is an acquisition-rehab of an existing 68-unit apartment building located in Bellevue, WA. Roughly half of the prior residents were low-income, and this acquisition and minor renovation will result in preserving 66 units of affordable housing. Planned rehabilitation includes the conversion of two studio units on the second floor into office space for two case managers and a behavioral therapist to provide on-site supportive services to residents as well as repainting the building exterior and modernizing the elevator. The project will serve low-wage workers, families exiting homelessness, veterans experiencing homelessness, and people with disabilities. In 2023, the ARCH Executive Board recommended and member councils approved a \$600,000 award to this project. Full funding was not possible at the time due to limited funding availability.

LIHI acquired the property in May 2024 using proceeds from the City of Bellevue, including a \$3.5 million bridge loan, a tax exempt bond issuance, a loan from the Amazon Housing Equity Fund, and a short term bridge loan from a Private Foundation. The project also secured 32 project-based vouchers from the King County Housing Authority, which enhance additional funding from the Bellevue Housing Stability Program Operation, Maintenance, and Services (OMS) contract that pays for the supportive services personnel. The funding request to ARCH is proposed to repay the bridge loans used to acquire the property.

#### Funding Rationale:

The Executive Board recommends funding with conditions listed below for the following reasons:

The project preserves and deepens affordability in existing unsubsidized housing, advancing key

objectives in the City of Bellevue's Affordable Housing Strategy including providing units for households exiting homelessness, veterans experiencing homelessness, and people with disabilities.

- The property provides 22 units for households exiting homelessness, including both twobedroom units for families. Further, the proposed project will have 10 units set-aside for veterans and an additional 10 for people with physical disabilities.
- The project is able to proceed in a timely fashion and deliver immediate affordable housing outcomes in a high-cost market.
- The project is well located near a transit facility and close to jobs, amenities and services.

## **Proposed Conditions:**

Standard Conditions: See Attachment 3 ARCH Award Standard Conditions

#### **Special Conditions:**

## **Prior to Contracting**

1. The funding commitment shall continue for twelve (12) months from the date of Council approval and shall expire thereafter if all conditions are not satisfied. An extension may be requested from ARCH staff no later than sixty (60) days prior to the expiration date. At that time, the applicant will provide a status report on progress to date and expected schedule for start of construction and project completion. ARCH staff will consider a 12-month extension based on documented, meaningful progress in bringing the project to readiness or completion. At a minimum, the applicant must demonstrate that all capital funding has been secured or is likely to be secured within a reasonable timeframe.

# **Through Construction Period**

2. Agency must submit for ARCH staff approval a management, affirmative marketing, and services plans.

# Ongoing Requirement through Period of Affordability

3. Funds shall be used by the Agency towards refinancing the acquisition bridge financing sources. Funds may not be used for any other purpose unless ARCH staff has given written authorization for the alternate use. Spending on furnishings, fixtures, and equipment, rehab, remediation and construction contingency must be approved in advance by ARCH. If after the completion of the project there are budget line items with unexpended balances, ARCH and other public funders shall approve adjustments to the project capital sources, including potential reductions in public fund loan balances. Funds not expended at the end of the construction period will be deobligated.

- 4. Funds will be in the form of a **deferred, contingent loan**. Loan terms will account for various factors, including loan terms from other fund sources and available cash flow. Final loan terms shall be determined prior to release of funds and must be approved by ARCH Staff. It is anticipated that loan payments will be based on a set repayment schedule and begin after repayment of deferred developer fee with 1% interest. The terms will also include a provision for the Agency to defer payments if certain conditions are met (e.g., low cash flow due to unexpected costs). Any requested deferment of loan payment is subject to approval by ARCH Staff, and any deferred payment would be repaid from future cash flow or at the end of the amortization period.
- 5. A covenant is recorded ensuring affordability for at least 55 years, with size and affordability distribution per the following table, including **approximately 22 units for households exiting homelessness**. Changes may be considered based on reasonable justification as approved by ARCH staff (such as changes to accommodate income averaging across the project).

| Affordability | Studio | 1BR | 2BR | Total |
|---------------|--------|-----|-----|-------|
|               |        |     |     |       |
| 30%           | 5      | 5   | 2   | 12    |
|               |        |     |     |       |
| 50%           | 10     | 10  | -   | 20    |
|               |        |     |     |       |
| 60%           | 15     | 4   | -   | 19    |
|               |        |     |     |       |
| 80%           | 9      | 6   | -   | 15    |
| Total         | 39     | 25  | 2   | 66    |

# 3. Life Enrichment Options – Emily House

2024 Funding Request: \$482,687 (Contingent Loan)

4 Affordable Rental Units and 1 Common Area Unit

2024 Executive Board Recommendation: \$482,687 (Contingent loan) CDBG

#### **Project Summary:**

Life Enrichment Options (LEO) is proposing to acquire a single-family home known as Emily House in Issaquah to provide long term affordable housing for individuals with Intellectual and Developmental Disabilities (IDD). The property initially began operations as an independently owned and operated group home serving IDD residents in 2000. LEO's acquisition of the Emily House will preserve four low-income housing units for adults with IDD, allowing current residents to maintain connection to their community and supports in the City of Issaquah, and creating a long-term community asset for future residents with IDD.

The property is already an established shared living household with five tenants, including four individuals with intellectual and developmental disabilities. Three IDD tenants have housing choice vouchers from the King County Housing Authority at 30% AMI. The 4th resident makes slightly more than the maximum amount to be eligible for their voucher, however, they are charged the same amount as other residents. One of the vouchers includes reasonable accommodation to add a live-in caregiver to the voucher, and it is fully subsidized by KCHA.

The property is in an excellent location, where residents benefit from several nearby public facilities, including the Issaquah Community Center, the City swimming pool, the senior center (used for IDD dance parties), walking and hiking trails, outdoor athletic facilities, the public green for summer movies and concerts, and a public library. There is bus service about four blocks from the house, serving both Issaquah and the Issaquah transit center, from which residents can transfer for bus access to Bellevue and Seattle. Many businesses provide employment opportunities within walking distance and a short bus/car ride. King County Access buses have good access to the front and rear of the house.

#### **Funding Rationale:**

The Executive Board recommends funding with conditions listed below for the following reasons:

- The project preserves much needed IDD housing for people with very low incomes.
- This project leverages investments from public sources including State capital funds.
- The project is undertaken by a local organization with a strong reputation and commitment to expanding IDD housing opportunities in the community.

#### **Proposed Conditions:**

Standard Conditions: See Attachment 3 ARCH Award Standard Conditions.

#### **Special Conditions:**

#### **Prior to Contracting**

- 1. The funding commitment shall continue for **twelve (12) months** from the date of Council approval and shall expire thereafter if all conditions are not satisfied. An extension may be requested to ARCH staff no later than sixty (60) days prior to the expiration date. At that time, the Agency will provide status report on progress to date and expected schedule for start of construction and project completion. ARCH staff will consider a twelve-month extension only based on documented, meaningful progress in bringing the project to readiness or completion. At a minimum, the Agency will demonstrate that all capital funding has been secured or is likely to be secured within a reasonable timeframe.
- 2. In the event federal funds are used, and to the extent applicable, federal guidelines must be met, including but not limited to the following: contractor solicitation, bidding, and selection;

wage rates; and Endangered Species Act (ESA) requirements. CDBG funds may not be used to refinance acquisition costs.

3. Agency must work with a development consultant or demonstrate staff experience and capacity to contract with public funders' capital awards.

## **Through Construction Period**

(Intentionally Omitted)

# Ongoing Requirement through Period of Affordability

- 4. Funds shall be used by the Agency towards acquisition, soft costs, reserves, and other development costs. Funds may not be used for any other purpose unless ARCH staff has given written authorization for the alternate use. Spending of construction contingency must be approved in advance by ARCH. If after the completion of the project there are budget line items with unexpended balances, ARCH and other public funders shall approve adjustments to the project capital sources, including potential reductions in public fund loan balances. Funds not expended at the end of the construction period will be de-obligated.
- Funds will be in the form of a deferred, contingent loan. Agency shall provide final operating proforma and cashflow waterfall for ARCH staff review. So long as Borrower is in good standing payment of interest and principal under loan shall be deferred through the period of affordability. Final loan terms shall be determined prior to release of funds and must be approved by ARCH Staff.
- 6. A covenant is recorded ensuring affordability for at least 55 years, with size and affordability distribution per the following table, and serving residents with intellectual or developmental disabilities. Changes may be considered based on reasonable justification as approved by ARCH staff (such as changes to accommodate income averaging across the project).

| Affordability | Beds | Total |
|---------------|------|-------|
| 30%           | 3    | 3     |
| 40%           | 1    | 1     |
| Common Area   | 1    | 1     |
| Total         | 5    | 5     |

# Shelter Resources, Inc. – Catalina Apartments

\$1,000,000 (Contingent Loan) 2024 Funding Request:

96 Affordable Rental Units

2024 Executive Board Recommendation: \$0

#### **Project Summary:**

The Catalina project intends to convert an existing, non-restricted, naturally occurring affordable housing building in Bellevue into a fully affordable building serving households earning between 30% and 80% of the area median income or below. The building, built in 1992 as a nursing home, was converted to 96 apartments in the 2000s. The applicant, Shelter Resources, has a purchase and sale agreement and anticipates closing in spring 2025 if funding applications are successful. The building is currently occupied, and the applicant believes most of the existing residents will qualify to stay on the property, with those that don't qualify receiving relocation assistance. The planned acquisition and rehabilitation includes addressing capital needs identified in third party reports including updating mechanical equipment and replacing the roofing.

Proposed funding sources for the project include a private first mortgage (Amazon), deferred developer fee, ARCH Housing Trust Fund, and the City of Bellevue. The applicant has engaged Amazon and submitted an application simultaneously to ARCH and the City of Bellevue.

#### **Funding Rationale:**

Given limited resources for an award in this year's funding round, the Executive Board supports the intent of the project but does not recommend funding the project for the following reasons:

- Project is unlikely to secure other sources of funds necessary to complete the acquisition.
- The project requested nearly 50% of the total project cost from ARCH and Bellevue.

# 5. Habitat for Humanity – Orchard Gardens

2022 Funding Request: \$600,000 (Secured Grant)
2024 Funding Request: \$1,300,000 (Secured Grant)

25 Affordable Homeownership Units

2022 ARCH Award \$600,000 (Secured Grant)

2024 Executive Board Recommendation: \$0

#### **Project Summary**:

Orchard Gardens is a proposed 25-unit development of new single-family homes in the Factoria neighborhood of Bellevue. Habitat for Humanity of Seattle-King & Kittitas County (Habitat SKKC) intends to construct and sell the units to income-qualified Habitat homebuyers who have a critical housing need, and earn less than 80% of the Seattle-Metro area median income (AMI). These homes will be permanently affordable to individuals and families at or below 80% AMI – with Habitat SKKC stewarding the resale/income qualification of future home buyers.

The Orchard Gardens project began in partnership with Holy Cross Lutheran Church in Bellevue. The plan originally included the demolition of existing buildings and rebuilding the church as a gathering space. Holy Cross Lutheran Church subsequently disbanded, so the decision was made (and approved by the

church) to no longer include rebuilding the religious space. The project now proposes to preserve the P-Patch alongside an apple orchard maintained by the community for long term community benefit. The site design intends to maintain these distinctive land features, and Habitat homeowners will have the opportunity to maintain a connection to the land, including gardening, tending to the orchard, and enjoying the green space in a largely urban area.

Habitat SKKC anticipates finalizing the acquisition of the property in Q4 2024 and has already executed a purchase and sale agreement to that effect. ARCH made an award for the 25-unit development in 2022 application round in the amount of \$600,000, which has not yet been contracted with Habitat SKKC. An initial State funding award followed in the 2023 application round, however the estimated cost of the project has increased, leading to a continued funding gap.

#### **Funding Rationale:**

Given limited resources for an award in this year's funding round, the Executive Board supports the intent of the project but does not recommend funding the project for the following reasons:

- Project is unlikely to secure other sources of funds necessary to construct the project on the proposed timeline and will need to re-apply for those funds in 2025.
- Project is unlikely to obtain building permits in the next year. ARCH encourages the applicant to continue to make progress on permitting.
- The application did not include a third-party construction cost estimate, and the project may have opportunity for revisions to add more units and/or create a more cost-effective design.
- ARCH encourages the applicant to reapply when the project schedule is more finalized and when a cost estimate detailing the funding gap is available.

# 6. BRIDGE Housing – Bothell Urban

2024 Funding Request: \$1,500,000 (Contingent Loan)

200 Affordable Rental Units and 1 Common Area Unit

2024 Executive Board Recommendation: \$0

#### **Project Summary:**

Bothell Urban is a new construction, 201-unit development proposal located in Bothell, WA. Just over 50% of the apartments will be family-sized units (2BR and 3BR) while 50% of the units will be targeted to very low-income households earning 30%-50% AMI. The project will be the realization of a community vision led by Bothell United Methodist Church (BUMC) to provide housing and other community benefits in the heart of downtown Bothell. Residents will benefit from a proposed 6,000 SF community center as

well as on-site amenities including bike storage, community rooms, a south-facing outdoor terrace, resident services office, EV charging stations, outdoor playground, and resident dog park.

BUMC selected BRIDGE Housing as the lead development partner responsible for execution of the project financing, entitlement and construction. BRIDGE is a successful nonprofit housing developer based in California that has expanded its development pipeline to the Pacific Northwest and currently has significant developments underway in Seattle and Bellevue. As of the time of funding application the applicants were in the process of developing a purchase and sale agreement for the acquisition of property owned by the City of Bothell.

# **Funding Rationale:**

Given limited resources for an award in this year's funding round, the Executive Board supports the intent of the project but does not recommend funding the project for the following reasons:

- Applicant has made substantial progress but has not yet obtained full site control with the City
  of Bothell at the time of Executive Board Recommendation, though negotiations are underway.
- Project is unlikely to secure the funding necessary to achieve full funding in the current application round but would likely be competitive for these funds in next year's funding round.
- The proposed construction start time (Q4 2026) is nearly 24 months away.
- ARCH encourages the applicant to reapply when site control has been secured and the project schedule is further along.

# 7. Inclusion Housing – Children's OHS Home 4

2024 Funding Request: \$150,000 (Contingent Loan)

3 Affordable Rental Units

2024 Executive Board Recommendation: \$0

#### **Project Summary:**

The Inclusion Housing application includes requests for the acquisition of three properties to be financed largely by the Department of Commerce. Of these, one site (the Children's OHS Home 4) is targeted to be in an ARCH member city, and therefore eligible for an ARCH award. The proposed project would consist of three units for children with Intellectual and Developmental Disabilities (IDD)

For the Children's OHS Home, this targeted area is near the provider's three existing Children's Homes, thus allowing staff to easily work between homes, coordinate care for the children in the program, and collaborate with school districts where Inclusion has an established working relationship. All sites were selected because of their proximity to employment opportunities as well as access to public transportation and community activities.

It should be noted that Inclusion was funded by ARCH along with the Department of Commerce for the acquisition of two homes in the 2022-2023 cycle, a children's home and a supported living home. Since then, Inclusion has purchased one home (the above-mentioned Children's Intensive Habilitation Services home in Woodinville) located in the ARCH catchment area. The supported living home in unincorporated Bothell is located outside of ARCH's jurisdiction. Inclusion still plans to use the ARCH's previously awarded funding and the Commerce funding from the last round (2023-2024), to purchase and renovate a property to fulfill the previous award made by ARCH.

#### **Funding Rationale:**

Given the limited resources for an award in this year's funding round, the Executive Board supports the intent of the project but does not recommend funding the project for the following reasons:

- Applicant appears likely to be able to obtain funding necessary for the project from other sources.
- Applicant has taken steps to utilize previous 2022 ARCH award but has not yet expended all of the dollars. ARCH would like to see completion of the previously awarded projects prior to making another award.
- ARCH didn't want the small ARCH award to constrict their site selection to member cities only in the case that Inclusion can meet their resident needs in other locales.

# 8. SRM – Altaire 118

2024 Funding Request: \$1,000,000 (Contingent Loan)

46 Affordable Rental Units

2024 Executive Board Recommendation: \$0

#### **Project Summary:**

The proposed project, Altaire 118, involves the construction of a mixed-use, 6-story building featuring the KidsQuest Children's Museum on the bottom three floors. The top three floors include 46 family sized units consisting of 2 to 3-bedroom apartment affordable at 40-80% of the area median income, with half designated for those earning 50% AMI and below. The project is designed to support families, especially those transitioning out of homelessness, providing much-needed affordable housing in the area. Additionally, SRM intends to partner with Hopelink to help connect residents with services such as food assistance, housing stability support, and financial assistance to foster long-term stability for these families.

SRM purchased the site in December 2021 with plans to finish construction of a partially built Holiday

Inn into permanent housing. Delays in the project entitlement and financing led to the original plan becoming infeasible. SRM has since subdivided the site to pursue two complementary projects. On the west side of the site, SRM is developing the Nuovo Apartments, which will offer 135 workforce housing units affordable to households earning from 80-100% AMI. Supported by Microsoft's Affordable Housing Initiative and the City of Bellevue's multifamily tax exemption program, Nuovo is expected to finish construction by Q1 2025. On the east side of the site, Altaire 118 is a proposed new 6-story building, with the KidsQuest Children's Museum occupying the bottom three floors.

#### **Funding Rationale:**

Given limited resources for an award in this year's funding round, the Executive Board supports the intent of the project but does not recommend funding the project for the following reasons:

- Proposed project does not yet have appropriate zoning for the site.
- The estimated total cost of the residential units significantly exceeds the cost limits set by other important funding sources, which could affect the project's competitiveness.
- The proposed land cost allocated to the residential portion of the Altaire project was not supported by an appraisal.
- Project is unlikely to receive the other sources of leverage necessary to complete project financing.

# 9. Acres of Diamonds – Family Renewal Home

2024 Funding Request: \$2,000,000 (Secured Grant)

24 Transitional, Single Room Occupancy Units

2024 Executive Board Recommendation: \$0

#### **Project Summary**:

Acres of Diamonds (AOD) plans to build a new transitional housing project to serve young mothers and their children coming out of poverty and domestic violence. The proposed Family Renewal Home will be located on the AOD campus alongside an existing community home. This new facility will allow AOD to house additional families and increase the efficacy of services through adding dedicated program space for women and an onsite trauma-informed daycare. The structure will consist of single rooms for each household with shared toilets, bathing, and dining areas.

This project envisions constructing a new 3-story, 21,153 SF multi-family home. Family Renewal Home will include a daycare program alongside 24 rooms for families. There are currently two structures on the proposed development site. The existing apartment structure will be demolished to make way for this new larger building and the existing multi-family home, Pearl Tadema House, will remain onsite.

AOD's community living model places a premium on resident safety for all the mothers and children living in the community, and ensuring residents are drug and alcohol-free. Additionally, the agency follows a "do with" model where staff help equip and empower resident mothers transform their lives through obtaining knowledge and skills that foster lifelong self-sufficiency. This approach facilitates the process of healing from past trauma; learning important life skills on parenting, finance, and job/renter readiness; attending school (optional yet encouraged); and working as a means of participating in the

### **Funding Rationale:**

one's own recovery.

Given the limited resources for an award in this year's funding round, the Executive Board supports the intent of the project does not recommend funding the project for the following reasons:

- Project is unlikely to secure other sources of funds, nearly 50% of the total development costs, necessary to construct the project on the proposed timeline.
- Application did not clarify how costs are allocated between the residential portion of the building and the non-residential childcare portion of the project.
- The "transitional housing" program model may have challenges securing operating funds for a large increase in transitional units.

# **Attachment 3- ARCH Award Standard Conditions**

The ARCH Award Standard Conditions will apply to all project awards.

#### **Prior to Contracting**

- Agency shall submit evidence of funding commitments from all proposed sources. In the event
  commitment of funds identified in the application cannot be secured in the timeframe identified
  in the application, the Agency shall immediately notify ARCH, and describe the actions it will
  undertake to secure alternative funding and the timing of those actions subject to ARCH review
  and approval.
- 2. In the event federal funds are used, and to the extent applicable, federal guidelines must be met, including but not limited to the following: contractor solicitation, bidding, and selection; wage rates; and Endangered Species Act (ESA) requirements. CDBG funds may not be used to refinance acquisition costs.
- 3. Agency must submit for ARCH staff approval a draft management, affirmative marketing, and services plan, if applicable.

#### **Through Construction Period**

(Intentionally Omitted)

#### **Ongoing Requirement through Period of Affordability**

- 4. Agency shall provide revised development and operating budgets based upon actual funding commitments, which must be approved by ARCH staff. If the Agency is unable to adhere to the budgets, ARCH must be immediately notified and (a) new budget(s) shall be submitted by the Agency for ARCH's approval. ARCH shall not unreasonably withhold its approval to (a) revised budget(s), so long as such new budget(s) does not materially adversely change the Project. This shall be a continuing obligation of the Agency. Failure to adhere to the budgets, either original or as amended may result in withdrawal of ARCH's commitment of funds.
- 5. Agency shall maintain documentation of any necessary land use approvals and permits required by the city in which the project is located.
- 6. ARCH shall retain five percent (5%) of the award amount until the project completion and satisfaction of the close out terms.
- Agency shall submit quarterly monitoring reports through completion of the project, and annually thereafter, and shall submit a final budget upon project completion. If applicable, Agency shall submit initial tenant information as required by ARCH.

- 8. Agency shall maintain the project in good and habitable condition for the duration of the period of affordability.
- 9. ARCH, through its Administering Agency, may negotiate, approve, execute, and record amendments or releases of any ARCH loan documents as may be needed for the project; provided the project still provides the anticipated affordable housing and there is sufficient collateral to secure the members' financial investment, all as determined by ARCH staff.
- 10. The net developer fee shall be established at the time of finalizing the Contract Budget and will follow the ARCH Net Developer Fee Schedule. Net developer fee is defined as that portion of the developer fee paid out of capital funding sources and does not include the deferred portion which is paid out of cash flow from operations after being placed in service.
- 11. Agency must submit for ARCH staff approval a final management, affirmative marketing, and services plan at least 60 days prior to occupancy.

# **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to ratify or reject amendments to the King County Countywide Planning Policies (CPPs).

- In January 2025, the City received correspondence from King County requesting ratification of amendments to the 2021 King County Countywide Planning Policies.
- Following review, cities can ratify or reject any proposed amendment of the King County CPPs.
- At least 30 percent of cities representing 70 percent of the county population in the County must ratify an amendment of the CPPs for it to become effective.
- The CPP amendments, adopted by King County Ordinance 19871 on December 3, 2024 are not expected to affect the City of Mercer Island.

# **BACKGROUND**

Countywide planning policies are required for counties planning under the Growth Management Act (GMA). The purpose of King County CPPs is to establish policy direction for the coordination of planning between county and city governments. The CPPs establish the King County Urban Growth Area (UGA). Under the GMA

the UGA is an area established by the County inside which urban growth is encouraged and outside which urban growth is discouraged.

King County Ordinance No. 19871 makes the following amendments to the CPPs (Exhibit 1):

- Adjusts the UGA boundary near the City of Maple Valley in southeast King County to move three
  parcels out of the UGA and into the Rural Area, and
- Changes CPP DP-33 and Appendix 6 of the CPPs regarding how jurisdictions meet the planning expectations for countywide centers (Exhibit 1).

Mercer Island is not classified as a countywide center and is not expected to be affected by the proposed change to the UGA. The CPP amendments proposed for ratification will not impact Mercer Island.

# **ISSUE/DISCUSSION**

The amendments to the CPPs become effective once they are ratified by at least 30 percent of cities representing 70 percent of the population in King County. Cities have 90 days to ratify or reject the amendments.

The City was notified of the amendments to the CPPs on January 2, 2025 (Exhibit 1). The ratification deadline for the amended CPPs is April 2, 2025. Approving proposed Resolution No. 1672 will ratify the amended CPPs (Exhibit 2).

Please note, the Countywide Planning Policy amendments adopted in 2024 only amend the UGA near Maple Valley and the policies regarding annexation. The amendments are not expected to affect Mercer Island because the City is unlikely to annex new land.

## **NEXT STEPS**

If the City Council approves Resolution No. 1672, the City Clerk will transmit the approved Resolution to the Clerk of the King County Council, notifying the Council that the City has ratified the Countywide Planning Policies. This transmittal will conclude the ratification process.

## RECOMMENDED ACTION

Approve Resolution No. 1672 ratifying amendments to the King County Countywide Planning Policies.

**Subject:** Amendment to the 2021 King County Countywide Planning Policies (CPP)

Dear King County Mayors,

We are pleased to forward for your consideration and ratification an amendment to the 2021 King County Countywide Planning Policies (CPP).

On December 3, 2024, the Metropolitan King County Council approved and ratified Growth Management Planning Council (GMPC) Motion 24-1 and Motion 24-2. The ordinance will become effective Monday, December 23, 2024. Copies of the transmittal letter, Metropolitan King County Council staff report and Ordinance 19871 are attached to assist you in your review.

In accordance with the CPP, FW-1, amendments become effective when ratified by ordinance or resolution by at least 30 percent of the city and county governments representing 70 percent of the population of King County according to the interlocal agreement. A city will be deemed to have ratified the CPP and amendments unless, within 90 days of adoption by King County, the city takes legislative action to disapprove the amendments. Please note that the 90-day deadline for these amendments is Monday, March 24, 2025.

If you adopt any legislation concerning this action, please email a copy of the legislation by the close of business, Monday, March 24, 2025, to council.clerk@kingcounty.gov.

If you have any questions about the amendments or ratification process, please contact Andy Micklow, Metropolitan King County Council Staff, at (206) 263-3226, or Ivan Miller, Countywide Planning Manager, King County Office Performance, Strategy and Budget, at (206) 263-8297.

Thank you for your prompt attention to this matter.

Sincerely,

Dave Upthegrove, Chair Metropolitan King County Council Dow Constantine King County Executive

Dow Constanti

The Honorable Dave Upthegrove Chair, King County Council Room 1200 C O U R T H O U S E

October 30, 2024

Dear Councilmember Upthegrove:

This letter transmits a proposed Ordinance that would, if enacted, adopt amendments to the 2021 King County Countywide Planning Policies (CPPs). The enclosed proposed amendments were unanimously recommended by the King County Growth Management Planning Council (GMPC) on September 18, 2024.

The CPPs establish a shared framework for growth management planning for all jurisdictions in King County. In its 2024 work program, the GMPC included consideration of potential Urban Growth Area (UGA) changes proposed in the 2024 King County Comprehensive Plan (2024 Comprehensive Plan) as well as a review of the policies and criteria in the CPPs related to Countywide Centers.

Regarding the UGA amendment, the 2024 Comprehensive Plan process included the review of three unincorporated urban parcels along the northern edge of the City of Maple Valley. In December 2023, the Executive proposed in the 2024 Comprehensive Plan that the parcels be removed from the UGA and be redesignated to Rural Area. This recommendation was carried forward in the King County Council's Local Services and Land Use Committee's recommended plan, which was voted on in June 2024. This potential UGA amendment was brought to the GMPC for their review in July 2024, and at its September 2024 meeting, the GMPC unanimously approved GMPC Motion 24-1 recommending the UGA amendment.

Regarding the countywide centers amendment, in 2024 the GMPC reviewed the CPPs related to the planning expectations for Countywide Centers. Proposed CPPs amendments were brought to the GMPC for its review in July 2024, and at its September 2024 meeting, the GMPC unanimously approved GMPC Motion 24-2 recommending the countywide center planning expectation amendments.

The collaborative process used to develop this proposed legislation embodies the ethic of

The Honorable Dave Upthegrove October 30, 2024 Page 2

coordinated planning required by the Growth Management Act. King County staff, municipal planners, elected officials, and community-based organizations were involved in developing the recommendations in the proposed legislation. No budget action is needed to support the proposed Ordinance.

Thank you for your consideration of this proposed Ordinance. This important legislation is one of the many steps needed to ensure King County protects its environment while accommodating and managing growth.

If your staff have questions, please contact Lauren Smith, Deputy Director for Regional Planning, Office of Performance, Strategy and Budget, at 206-263-9606.

Sincerely,

for

Dow Constantine King County Executive

Brew Rodde

#### **STAFF REPORT**

| Agenda Item:  | 13        | Name: | Andy Micklow      |  |
|---------------|-----------|-------|-------------------|--|
| Proposed No.: | 2024-0370 | Date: | November 18, 2024 |  |

#### **SUBJECT**

A proposed ordinance adopting and ratifying amendments to the King County Countywide Planning Policies.

#### **SUMMARY**

Proposed Ordinance 2024-0370 would approve amendments to the King County Countywide Planning Policies related to the Urban Growth Area boundary adjacent to Maple Valley and the planning expectations for countywide centers, as recommended by the Growth Management Planning Council, and ratify them on behalf of the population of unincorporated King County.

#### **BACKGROUND**

**Growth Management Planning Council (GMPC).** The GMPC is a formal body comprised of elected officials from King County, Seattle, Bellevue, other cities and towns in King County, and special purpose districts. The GMPC was created in 1992 by an interlocal agreement in response to a provision in the Washington State Growth Management Act (GMA) requiring cities and counties to work together to adopt Countywide Planning Policies (CPPs).

The CPPs are a series of policies that address growth management issues in King County. The CPPs present the shared vision of King County and the 39 cities within King County to guide jurisdictions as they develop and amend their comprehensive plans. For King County specifically, the CPPs relate to the King County Comprehensive Plan (KCCP) and its implementing development regulations.

As provided for in the GMPC interlocal agreement, the GMPC developed and recommended the original CPPs, which were adopted by the King County Council and ratified by the cities in 1992. Subsequent amendments to the CPPs follow the same adoption process outlined in CPP FW-1 and includes recommendation by the GMPC, adoption and ratification by the King County Council, and ratification by the cities. Amendments to the CPPs become effective when ratified by at least 30% of the city and county governments representing at least 70% of the population of King County. A city

shall be deemed to have ratified an amendment to the CPPs unless the city disapproves it by legislative action within 90 days of adoption by King County.

**Countywide Centers.** King County uses a centers approach to growth management, consistent with the Regional Growth Strategy. King County's Centers Framework was updated in 2021 to include the designation of countywide centers. CPP DP-33 requires that jurisdictions establish subarea plans for designated regional and countywide centers that align with the criteria established in the King County Centers Framework (Appendix 6 of the CPPs). In 2024, the GMPC Work Program included a review of the criteria and planning expectations in the CPPs related to countywide centers.

**GMPC Motion 24-1.** At its September 2024 meeting, the GMPC adopted Motion 24-1, which would amend the Urban Growth Area (UGA) boundary on the maps in the CPPs. The GMPC was also briefed on this topic at its July 2024 meeting.

**GMPC Motion 24-2.** At its September 2024 meeting, the GMPC also adopted Motion 24-2, which would amend the planning expectations for countywide centers in the CPPs. The GMPC was also briefed on this topic at its March, June, and July 2024 meetings.

#### **ANALYSIS**

Proposed Ordinance 2024-0370 would approve amendments to King County Countywide Planning Policies. The proposed amendment to the UGA boundary adjacent to the Maple Valley is Attachment A to the proposed ordinance and the proposed amendments to the planning expectations for countywide centers is Attachment B to the proposed ordinance.

Maple Valley UGA. The proposed ordinance would amend the UGA boundary adjacent to the City of Maple Valley to move three parcels out of the UGA and into the Rural Area. The new UGA boundary would coincide with the northern city limit in this area. This amendment is linked to a Land Use and Zoning Map Amendment 1 in the 2024 King County Comprehensive Plan Update, which would change the land use designation from Industrial to Rural Area. Map Amendment 1 would also remove and repeal a property-specific development condition that limits the impacts of potential industrial uses on the property. Policies in the CPPs and Comprehensive Plan guide the review of UGA amendments.

Planning Expectations for Countywide Centers. The proposed ordinance would make changes to CPP DP-33 and Appendix 6 of the CPPs regarding how jurisdictions meet the planning expectations for countywide centers. The CPPs require subarea plans or dedicated Comprehensive Plan chapters for countywide centers. The proposed changes to the CPPs would retain the planning expectations but allow for more flexibility for jurisdictions regarding how the expectations are addressed by removing the subarea-specific language.

**GMPC Action.** On September 18, 2024, the GMPC approved Motions 24-1 and 24-2, which recommend amendments to the King County Countywide Planning Policies. GMPC action is a recommendation to the King County Council and is not binding.

Consistent with CPP adoption requirements, Proposed Ordinance 2024-0370 forwards the GMPC recommendation to the King County Council for consideration for possible approval. The proposed ordinance would also ratify the changes on behalf of the population of unincorporated King County and would begin the ratification process by cities.

|    | Proposed No. 2024-0370.1 Sponsors Perry  |
|----|--|
| 1  | AN ORDINANCE adopting and ratifying amendments to                                    |
| 2  | the King County Countywide Planning Policies.  |
| 3  | BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:  |
| 4  | SECTION 1. Findings:   |
| 5  | A. The 2021 King County Countywide Planning Policies ("the CPPs") were               |
| 6  | adopted by Ordinance 19384, amended by Ordinances 19553 and 19660, and ratified by   |
| 7  | King County and the cities in King County.   |
| 8  | B. In September 2024, the King County Growth Management Planning Council             |
| 9  | ("the GMPC") reviewed and recommended amendments to the CPPs related to the urban    |
| 10 | growth area boundary in GMPC Motion 24-1.  |
| 11 | C. In September 2024, the GMPC reviewed and recommended amendments to                |
| 12 | the CPPs related to the planning expectations for countywide centers in GMPC Motion  |
| 13 | 24-2.  |
| 14 | SECTION 2. The amendments to the CPPs, as shown in Attachment A to this              |
| 15 | ordinance, and Attachment B to this ordinance, are hereby adopted by King County and |
| 16 | ratified on behalf of the population of unincorporated King County.                  |
| 17 | SECTION 3. Severability. If any provision of this ordinance or its application to    |

- any person or circumstance is held invalid, the remainder of the ordinance or the
- application of the provision to persons or circumstances is not affected.

Ordinance 19871 was introduced on and passed by the Metropolitan King County Council on 12/3/2024, by the following vote:

| 2  | A MOTION to amend the Urban Growth Area boundary adjacent to the   |
| 3  | City of Maple Valley and update the maps in the King County  |
| 4  | Countywide Planning Policies.  |
| 5  |  |
| 6  | WHEREAS, the Washington State Growth Management Act, Revised Code of Washington                                |
| 7  | (RCW) 36.70A.110, requires counties to designate an urban growth area within which urban growth shall          |
| 8  | be encouraged and outside of which growth can occur if it is not urban in nature; and                          |
| 9  | WHEREAS, King County Countywide Planning Policy Framework 1 (FW-1) recognizes that                             |
| 10 | King County may initiate amendments to the Urban Growth Area; and  |
| 11 | WHEREAS, King County Countywide Planning Policy Development Patterns 16 (DP-16) allows                         |
| 12 | amendments to the urban growth area if the proposed amendment is under review by the County as part of         |
| 13 | an amendment process of the King County Comprehensive Plan and King County submits the proposal to             |
| 14 | the Growth Management Planning Council for the purposes of review and recommendation; and                      |
| 15 | WHEREAS, on June 7, 2022, the County Council adopted Motion 16142, specifying the scope of                     |
| 16 | work for its 2024 Comprehensive Plan Update, and the scope included direction to review the land use           |
| 17 | designations and implementing zoning in an area with unincorporated urban parcels near the northern            |
| 18 | edge of the City of Maple Valley; and  |
| 19 | WHEREAS, King County conducted an Area Zoning and Land Use Study and concluded that                            |
| 20 | this site should be redesignated to Rural Area because it lacks urban services and infrastructure adequate     |
| 21 | for an urban industrial site; it is encumbered by environmental constraints; it is surrounded on three sides   |
| 22 | by rural residential properties; it abuts an agricultural parcel which could create further incompatibilities; |
| 23 | and  |

#### 09/18/2024 GMPC Motion 24-1

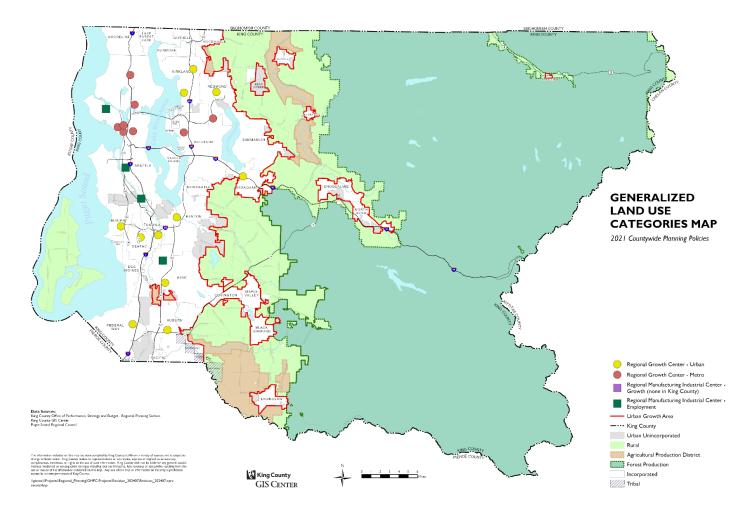

| 24 | WHEREAS, the City of Maple Valley has not affiliated this area as part of its potential                      |
|----|--|
| 25 | annexation area due to its lack of infrastructure, topographical separation, sensitive areas, and separation |
| 26 | by linear utility and park rights-of-way; and  |
| 27 | WHEREAS, consistent with Countywide Planning Policy DP-19, the area is not served by public                  |
| 28 | sewers, is contiguous with the Rural Area, is not characterized by urban development, and is                 |
| 29 | characterized by environmentally sensitive areas making it inappropriate for higher-density development;     |
| 30 | WHEREAS, on June 5, 2024, the King County Local Services and Land Use Committee                              |
| 31 | recommended the proposed amendment to the Urban Growth Area adjacent to the City of Maple Valley             |
| 32 | be considered by the King County Council as part of their approval of the 2024 King County                   |
| 33 | Comprehensive Plan; and  |
| 34 | WHEREAS, on July 24, 2024, and September 18, 2024, the Growth Management Planning                            |
| 35 | Council received a briefing on the proposed amendment to the urban growth area under consideration by        |
| 36 | King County;   |

09/18/2024 GMPC Motion 24-1

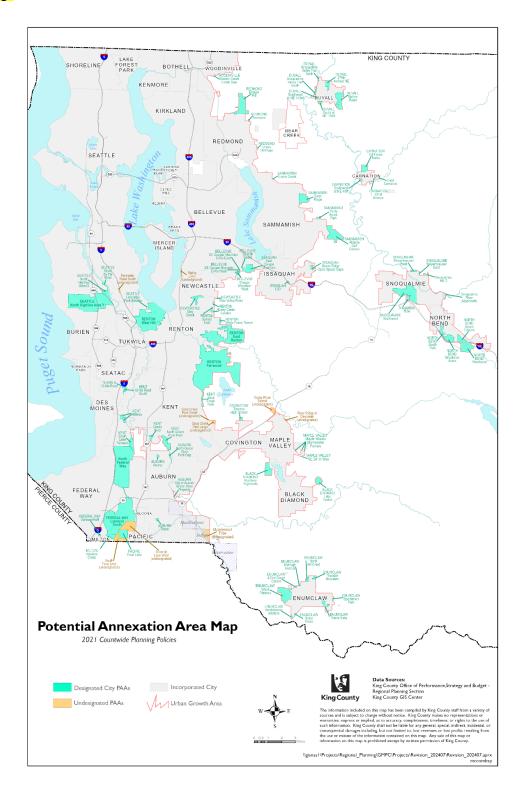

| 37       | NOW, THEREFORE, BE IT MOVED that the Growth Management Planning Council hereby                 |
|----------|--|
| 38       | recommends approval of this amendment to the urban growth area boundary and that the 2021 King |
| 39       | County Countywide Planning Policies be amended as follows:                                     |
| 40       | Amend the urban growth area boundary shown in Appendix 1: Generalized Land Use Categories      |

Item 10.

09/18/2024 GMPC Motion 24-2

50

#### Attachment A: Amendments to the Planning Expectations in the King County Countywide Planning Policies for Countywide Centers

All King County Countywide Planning Policy amendments are shown in ((strikethrough)) and underlined text.

#### In the Development Patterns Chapter, on page 30, amend the text as follows:

The King County Centers Designation Framework in Appendix 6 provides designation processes and timelines, minimum existing and planned density thresholds, and ((subarea)) planning expectations for regional and countywide centers. Regionally designated centers are shown on the Generalized Land Use Categories Map in Appendix 1.

#### In the Development Patterns Chapter, on page 30, amend countywide planning policy as follows:

DP-33 Establish subarea plans for designated regional ((and countywide)) centers that meet the criteria in the King County centers Designation Framework, as adopted in Appendix 6.

In Appendix 6: King County Centers Designation Framework, starting on page 106, amend countywide planning policy appendix as follows:

#### **Appendix 6: King County Centers Designation Framework**

|                      | Metro Growth Centers              | <b>Urban Growth Centers</b>      | Countywide Growth Centers               | <b>Industrial Employment Centers</b> | Industrial Growth Centers          | <b>Countywide Industrial Centers</b> |
|----------------------|-----------------------------------|----------------------------------|---|--------------------------------------|------------------------------------|--------------------------------------|
| 1. Purpose of Center | Regional Metro Growth Centers     | Regional Urban Growth Centers    | Countywide growth centers <sup>15</sup> | Regional Industrial Employment       | Regional Industrial Growth         | Countywide industrial centers        |
|                      | have a primary regional role.     | play an important regional role, | serve important roles as places         | Centers are highly active            | Centers are clusters of industrial | serve as important local             |
|                      | They have dense existing jobs     | with dense existing jobs and     | for equitably concentrating             | industrial areas with significant    | lands that have significant value  | industrial areas. These areas        |
|                      | and housing, high-quality transit | housing, high-quality transit    | jobs, housing, shopping, and            | existing jobs, core industrial       | to the region and potential for    | support equitable access to          |
|                      | service, and are planning for     | service, and planning for        | recreational opportunities.             | activity, evidence of long-term      | future equitable job growth.       | living wage jobs and serve a key     |
|                      | significant, equitable growth     | significant, equitable growth    | These are often smaller                 | demand, and regional role. They      | These large areas of industrial    | role in the county's                 |
|                      | and opportunity. They serve as    | and opportunity. These centers   | downtowns, high-capacity                | have a legacy of industrial          | _                                  | manufacturing/industrial             |
|                      | major transit hubs for the        | may represent areas where        | transit station areas, or               | employment and represent             | international employers,           | economy.                             |
|                      | region and provide regional       | major investments – such as      | neighborhood centers that are           | important long-term industrial       | industrial infrastructure,         |                                      |

| 1. infrastructure and utilities can support growth  | Yes   | Yes   | Yes   | Yes. Must include presence of irreplaceable industrial infrastructure such as working maritime port facilities, air and rail freight facilities. | Yes. Access to relevant transportation infrastructure including freight.            | Yes   |
| 2. center has mix of housing and employment   | Yes   | Yes   | Yes   | Not applicable   | The center has an economic impact.  | Not applicable.                                 |
| E. Boundaries   |   |   |   |  |   |   |

<sup>&</sup>lt;sup>16</sup> The PSRC <u>Center Plan Checklist</u> defines key concepts and provisions jurisdictions should use in planning for the designated centers. This includes the following: establishing a vision, considering natural and built environment topics, establishing geographic boundaries and growth targets, planning for a mix of land uses, addressing design standards, planning for a variety of housing types including affordable housing in growth centers, addressing economic development, and providing for public services and facilities, including multimodal transportation, all as appropriate and tailored to the center type and function.

<sup>&</sup>lt;sup>17</sup> For Countywide Centers the topics in the Center Plan Checklist should be addressed ((, except that growth targets are not required, and they can be met through inclusion of a dedicated chapter in the Comprehensive Plan that specifies how each required topic is addressed for each countywide center, rather than in stand-alone subarea plans)).

<sup>&</sup>lt;sup>18</sup> King County's "Fair and Just" Ordinance 16948, as amended, identifies four demographic groups, including: low-income, limited English proficiency, people of color, and immigrant populations.

<sup>&</sup>lt;sup>19</sup> For multi-jurisdiction centers, please describe the manner and structure (e.g. interlocal agreement, memorandum of understanding) with which the jurisdictions will plan together over the long-term.

|  | Metro Growth Centers   | Urban Growth Centers   | Countywide Growth Centers   | <b>Industrial Employment Centers</b>  | Industrial Growth Centers   | Countywide Industrial Centers   |
|--|--|--|---|---|---|---|
| justification for center     boundaries  | Yes  | Yes  | Yes   | Yes   | Yes   | Yes   |
| 2. boundary generally round or square  | Yes  | Yes  | Compact, walkable size  | Not applicable  | Not applicable  | Not applicable  |
| F. Transportation  |  |  |   |   |   |   |
| 1. center has bicycle and pedestrian infrastructure and amenities  | Yes  | Yes  | Yes. Supports multimodal transportation, including pedestrian infrastructure and amenities, and bicycle infrastructure and amenities. | Defined transportation demand management strategies in place.                           | Defined transportation demand management strategies in place.                           | Defined transportation demand management strategies in place  |
| 2. center has street pattern supporting walkability  | Yes  | Yes  | Yes. Supports multimodal transportation, including street pattern that supports walkability.  | Not applicable  | Not applicable  | Not applicable  |
| 3. freight access  | Yes  | (( <del>To be addressed in subarea</del> <del>plan</del> )) <u>Yes</u> | (( <del>To be addressed in subarea</del> <del>plan</del> )) <u>Yes</u>  | Access to relevant transportation infrastructure including freight.                     | (( <del>Same</del> )) <u>Yes</u>  | (( <del>To be addressed in subarea plan</del> )) <u>Yes</u>   |
| PART 3: CENTER CRITERIA  |  |  |   |   |   |   |
| A. Purpose   |  |  |   |   |   |   |
| 1. Compatibility with VISION centers concept, Regional Growth Strategy and Multicounty Planning Policies | Yes  | Yes  | Yes   | Yes   | Yes   | Yes   |
| B. Activity level/Zoning 20  |  |  |   |   |   |   |
| 1. existing activity <sup>21</sup>   | 60 activity unit density   | 30 activity unit density (AUs refer to combined jobs and population)   | 18 activity unit density  | 10,000 jobs   | 4,000 jobs  | 1,000 existing jobs and/or 500 acres of industrial land   |
| 2. planned activity  | Above 120 activity unit density  | 60 activity unit density   | 30 activity unit density  | 20,000 jobs   | 10,000 jobs   | 4,000 jobs  |
| 3. sufficient zoned capacity   | Yes. Should be higher than target and supports a compact, complete, and mature urban form. | Yes. Should be higher than target.                                     | Should have capacity and be planning for ((additional growth.)) at least the planned activity level                                   | Yes. Should be higher than target.  | Yes. Should be higher than target.  | Should have capacity and be planning for ((additional growth.)) at least the planned activity level |
| 4. planning mix of housing   | Planning for at least 15%  | Planning for at least 15%  | Planning for at least 20%   |   | At least 50% of the employment  | At least 50% of the employment  |
| types and employment types   | residential and 15% employment activity  | residential and 15% employment activity                                | residential and 20% employment, unless unique circumstances make these percentages not possible to achieve.                           | must be industrial employment.<br>Strategies to retain industrial<br>uses are in place. | must be industrial employment.<br>Strategies to retain industrial<br>uses are in place. | must be industrial employment.<br>Strategies to retain industrial<br>uses are in place.             |
| C. Geographic Size   |  |  |   |   |   |   |
| 1. minimum size  | 320 acres  | 200 acres  | 160   | No set threshold; size based on justification for the boundary.                         | 2000 acres  | 1,000 existing jobs and/or 500 acres of industrial land   |

<sup>&</sup>lt;sup>20</sup> PSRC's 2015 guidance on <u>Transit Supportive Densities and Land Uses</u> cites an optimal level of 56-116 activity units per acre to support bus rapid transit. Note: the existing threshold in the CPPs is roughly equivalent to 85 AUs existing activity for King County Urban Centers.

<sup>&</sup>lt;sup>21</sup> For existing centers, not meeting existing activity unit thresholds is not grounds for de-designation or re-designation by the Growth Management Planning Council.

| 2. maximum size  | 640 acres (larger if internal HCT)   | 640 acres (larger if internal HCT)   | 500 acres   | No set threshold; size based on justification for the boundary.  | No set threshold; size based on justification for the boundary.   | No set threshold; size based on justification for the boundary.   |
| D. Transit   |  |  |   |  |   |   |
| 1. existing or planned transit service levels  | Major transit hub, has high quality/high-capacity existing or planned service including existing or planned light rail, commuter rail, ferry, or other high-capacity transit with similar frequent service as light rail. (18 hours, 15-minute headways)   | Fixed route bus, regional bus,<br>Bus Rapid Transit or frequent<br>all-day bus service (16 hours, 15<br>minute headways). High-<br>capacity transit may substitute<br>for fixed-route bus.   | Yes, has frequent, all-day, fixed-route bus service (16 hours, 15-minute headways).   | Must have existing or planned frequent, local, express, or flexible transit service.  Should have documented strategies to reduce commute impacts through transportation demand management that are consistent with the Regional TDM Action Plan.  | Same.   | Should have local fixed-route or flexible transit service.  |
| 2. transit-supportive infrastructure   | Provides transit priority (bus lanes, queue jumps, signal priority, etc.) within the right-of-way to maintain speed and reliability of transit service.  Provides infrastructure (i.e. pedestrian and bicycle) that improves rider access to transit service and increases amenities to make transit an inviting option. | Provides transit priority (bus lanes, queue jumps, signal priority, etc.) within the right-of-way to maintain speed and reliability of transit service.  Provides infrastructure (i.e. pedestrian and bicycle) that improves rider access to transit service and increases amenities to make transit an inviting option. | Supports connection/transfers between routes and other modes. Provides infrastructure (i.e. pedestrian and bicycle) that improves rider access to transit service and increases amenities to make transit an inviting option. | Provides transit priority (bus lanes, queue jumps, signal priority, etc.) within the right-of-way to maintain speed and reliability of transit service.  Provides infrastructure (i.e. pedestrian and bicycle) that improves rider access to transit service and increases amenities to make transit an inviting option. | Supports connection/transfers between routes and other modes, and increases amenities to make transit an inviting option. | Supports connection/transfers between routes and other modes, and increases amenities to make transit an inviting option. |
| E. Market Potential     Evidence of future market potential to support target and planned densities  | Yes, with Market Study required  | Yes, with Market Study required  | Market Study encouraged   | Yes, with Market Study required  | Yes, with Market Study required   | Market Study encouraged   |
| 2. Market data will inform adoption of land use, housing, economic development, and investment strategies, including equitable development strategies. <sup>22</sup> | Required within Market Study   | Required within Market Study   | Encouraged within Market<br>Study   | Required within Market Study, tailored for industrial employment.  | Required within Market Study, tailored for industrial employment.   | Encouraged within Market Study, tailored for industrial employment.   |
| F. Role  |  |  |   |  |   |   |
| Evidence of regional or countywide role by serving as important destination  | Yes  | Yes  | Yes   | Yes  | Yes   | Yes   |
| Planning for long-term,     significant, and equitable     growth  | Yes  | Yes  | Yes   | Yes  | Yes   | Yes   |

<sup>&</sup>lt;sup>22</sup> For residential development, strategies and tools could include mandatory inclusionary housing, multifamily tax exemption, or others. For commercial and industrial development, strategies and tools could include priority hire policies, incentives for affordable commercial space, or others.

#### ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

#### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

#### Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

#### Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

#### All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

#### **How to contact King County-Department of 02:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: cipriano.dacanay@kingcounty.gov

#### To advise King County-Department of 02 of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at cipriano.dacanay@kingcounty.gov and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

#### To request paper copies from King County-Department of 02

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to cipriano.dacanay@kingcounty.gov and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

#### To withdraw your consent with King County-Department of 02

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to cipriano.dacanay@kingcounty.gov and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

#### Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <a href="https://support.docusign.com/guides/signer-guide-signing-system-requirements">https://support.docusign.com/guides/signer-guide-signing-system-requirements</a>.

#### Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send
  this Electronic Record and Disclosure to a location where you can print it, for future
  reference and access; and
- Until or unless you notify King County-Department of 02 as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by King County-Department of 02 during the course of your relationship with King County-Department of 02.

### CITY OF MERCER ISLAND RESOLUTION NO. 1672

# A RESOLUTION OF THE CITY OF MERCER ISLAND, WASHINGTON RATIFYING AMENDMENTS TO THE KING COUNTY COUNTYWIDE PLANNING POLICIES.

WHEREAS, on December 3, 2024, the Metropolitan King County Council adopted Ordinance No. 19871 amending the King County CPPs; and

WHEREAS, the CPPs adopted by King County Ordinance No. 19871 amended the policies related to the King County Urban Growth Area (UGA) and countywide centers; and

WHEREAS, the City is not a countywide center; and

WHEREAS, the CPP amendments adopted by King County Ordinance No. 19871 do not change the UGA as it pertains to the City of Mercer Island; and

WHEREAS, CPP FW-1(e) requires that amendments to the CPPs be ratified within 90 days by cities and towns representing at least 70 percent of the county population and 30 percent of those jurisdictions; and

WHEREAS, on January 2, 2025, the City was notified that the County had amended the CPPs and that the deadline for ratification was April 1, 2025; and

WHEREAS, ratification of the CPPs can be accomplished by an affirmative vote of the City Council; and

WHEREAS, on March 18, 2025, the Mercer Island City Council considered the proposed amendments to the King County CPPs; and

WHEREAS, the Community Planning and Development Department recommends the ratification of the CPPs established by King County Ordinance No. 19871;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MERCER ISLAND, WASHINGTON, AS FOLLOWS:

- **Section 1.** The Countywide Planning Policies adopted by King County Ordinance No. 19871 are hereby ratified by the City of Mercer Island.
- **Section 2.** The Council directs the City Clerk to transmit a copy of this Resolution to the Clerk of the King County Council.

PASSED BY THE CITY COUNCIL OF THE CITY OF MERCER ISLAND, WASHINGTON, AT ITS MEETING ON THE 18TH DAY OF MARCH 2025.

#### **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to seek City Council feedback on regulations for on-street parking in Town Center and at the Town Center Parking Area (aka new parking lot at the former Tully's location).

\$ n/a

The Town Center Parking Plan was adopted by the City Council in November 2023 (AB 6369).

APPROPRIATION REQUIRED

- At the July 16, 2024, City Council meeting, the City Council received a presentation and provided feedback on updating parking regulations in Town Center (<u>AB 6514</u>). City Council directed staff to increase the citation fee from \$20.00 to \$54.00, to sunset the Town Center Commuter Parking Permit Program, and to implement an on-street parking system where a user would register their vehicle for two hours of free parking and have the option to extend this parking up to a four-hour maximum for a paid fee.
- On January 21, 2025, the City Council awarded the contract for the new Town Center Parking Area to OMA Construction (AB 6611). Construction of the new parking area began in February 2025. The parking area is expected to open by July 2025. Parking regulations need to be established for the new parking area.
- The Sound Transit Light Rail Station (the Station) is anticipated to open in late 2025. Parking demand in Town Center and at the Park & Ride will likely increase when the Station opens. Managing the on-

Page 1

- street parking supply to ensure parking is available for both commuters and patrons of Town Center businesses will be crucial to the success of Town Center.
- Staff are seeking confirmation of the approach to implement an on-street parking system in Town
  Center where a user would register their vehicle for two hours of free parking and have the option to
  extend their parking to a four-hour maximum for a paid fee. Staff recommend using a rate of \$2.50
  per hour for the on-street parking in Town Center.
- Staff are seeking City Council feedback on the regulations and rate for the new Town Center Parking Area. Staff recommend providing a user with two hours of free parking upon registration and having the option to extend their parking to a twelve-hour maximum for a paid fee. Staff recommend using a rate of \$2.50 per hour and a daily maximum rate of \$12.50.

#### **BACKGROUND**

#### Parking In & Around Town Center

Well-planned and sufficient parking is vital to the success of Mercer Island's Town Center economy and the experience of residents, businesses, and visitors. The Town Center Parking Plan was adopted by the City Council in November 2023 (AB 6369). Recommendation 1F of the Town Center Parking Plan calls for the consideration of paid parking to increase turnover and aid enforcement of time limits.

On July 16, 2024, the City Council received a presentation and provided feedback on potential actions to update the Town Center parking regulations (AB 6514). At this meeting, the City Council directed staff to implement an on-street parking system where a motorist would register their vehicle for two hours of free parking and have the option to extend their parking up to a four hour maximum for a paid fee (AB 6514). Implementation of this parking system will require amendments to MICC Chapter 10 and the Fee Schedule, the use of a mobile application, and an update to the existing parking signage.

On September 17, 2024, the City Council adopted Ordinance No. 24C-14, increasing the parking citation fee and sunsetting the Town Center Commuter Parking Permit Program (AB 6543). On January 1, 2025, the parking citation fee increased from \$20.00 to \$54.00, and the parking spaces previously reserved for the Town Center Commuter Parking Permit program were converted to unrestricted parking.

Additionally, on January 21, 2025, the City Council awarded the contract for the construction of the new Town Center Parking Area at the former Tully's site (project 90.20.0024 in the 2025-2026 Capital Improvement Program) to OMA Construction (AB 6611). Construction began on the new parking area in February 2025. The project will construct 33 parking stalls, 2 ADA parking stalls, sidewalks, infrastructure for future electric vehicle charging capability, and include bike lockers and racks. Construction of the new parking area will be substantially completed by July 2025. Parking regulations need to be established for this new public parking area.

#### Parking Enforcement

In 2024, the City issued 198 citations for violating posted parking regulations. The Police Support Officer (PSO) is predominantly responsible for parking enforcement on the Island. Currently, the PSO must circle Town Center at various time intervals to physically chalk tires and then return to issue citations for parking violations. The current system for parking enforcement is inefficient and makes it challenging for other officers to support enforcement efforts.

The introduction of a parking payment/registration system would change how parking enforcement is

conducted. Payment/registration data would be integrated with the City's existing enforcement software and the Automatic License Plate Reader (ALPR) camera system. This means that the PSO, or other Patrol Officers conducting parking enforcement, would only need 'one touch' with vehicles parked illegally to issue a citation. The Officer would drive around Town Center and receive alerts when a vehicle has not registered to park or if they are parked longer than permitted. The change to a parking payment/registration system would greatly increase the efficiency at which the Police Department can conduct parking enforcement and allow Patrol Officers to more consistently participate in parking enforcement.

#### Sound Transit Light Rail Station

The Sound Transit Light Rail Station (Station) is anticipated to open in late 2025, likely increasing the demand for on-street parking in the Town Center.

From 2010-2017, the Park & Ride frequently reached 100% occupancy on weekdays according to the 2017 Park & Ride Utilization Report. Occupancy counts conducted in February 2025 showed that the Park & Ride averaged 82% occupancy at noon. Staff anticipate that on weekdays the Park & Ride will reach 100% occupancy when the Station opens.

Managing the parking supply to ensure parking is available for both commuters and patrons of Town Center businesses will be crucial to the success of Town Center. Transportation Goal 11.3 of the <a href="Mercer Island">Mercer Island</a> <a href="Comprehensive Plan">Comprehensive Plan</a> is to "support business development in the downtown area by prioritizing on-street parking spaces in the Town Center for short-term parking and encourage the development of off-street shared parking facilities for long-term parking in the Town Center."

#### **ISSUE/DISCUSSION**

The purpose of this agenda bill is to seek City Council feedback on regulations for on-street parking in Town Center and at the Town Center Parking Project.

- Staff are seeking confirmation of the approach to implement an on-street parking system in Town
  Center where a user would register their vehicle for two hours of free parking and have the option to
  extend their parking to a four-hour maximum for a paid fee. Staff recommend using a rate of \$2.50
  per hour for the on-street parking in Town Center.
- Staff are seeking City Council feedback on the regulations and rate for the new Town Center Parking Area. Staff recommend providing a user with two hours of free parking upon registration and having the option to extend their parking to a twelve-hour maximum for a paid fee. Staff recommend using a rate of \$2.50 per hour and a daily maximum rate of \$12.50.

#### **On-Street Parking Payment Rate and Revenue**

Staff are seeking City Council feedback on the appropriate payment rate for on-street parking in Town Center. Table 1, on the next page, provides a comparison of paid parking rates for the parking garages on Mercer Island and four Washington cities. Staff recommend a rate of \$2.50 per hour for the on-street parking in Town Center as this rate is regionally comparable.

| Table 1: Regional Paid Parking Rate Comparison |  |  |  |  |
|--|--|--|--|--|
| Mercer Island                                  |  |  |  |  |
| 77 Central Garage                              | 3 hours free, \$2.00 each additional hour        |  |  |  |
| Island Square Garage                           | 2 hours free, \$3.00 each additional hour        |  |  |  |
| Region   |  |  |  |  |
| City of Kirkland (surface lot)                 | \$1.00/hour                                      |  |  |  |
| City of Redmond (surface lot)                  | 2 hours free, \$1.00 each additional hour        |  |  |  |
| City of Seattle (on-street)                    | Maximum of \$6.00/hour (rate varies by location) |  |  |  |
| City of Vancouver (on-street)                  | Maximum of \$2.50/hour (rate varies by location) |  |  |  |

#### Town Center Parking Project (at the former Tully's Site)

Staff are seeking City Council feedback on the regulations for the new Town Center Parking Area. Staff recommend that the City provide motorists with two hours of free parking upon registration and have the option to extend their parking up to twelve hours for a paid fee. Staff recommend that the City charge \$2.50 per hour to mirror on-street parking rates in the Town Center. Additionally, staff recommend a maximum daily rate of \$12.50. Under this approach:

- A motorist who registers their vehicle for 0-2 hours would receive free parking.
- A motorist who registers their vehicle for 2-7 hours of parking would receive two hours of free parking and pay \$2.50 per each additional hour.
- A motorist who registers their vehicle for 8-12 hours of parking would receive two hours of free parking and their total would be \$12.50, the daily maximum rate.

This approach increases the capacity of Town Center parking supply by providing flexible parking for people that need to park in Town Center for longer than four hours. This approach also supports the overflow from the Park & Ride should it reach 100% occupancy. Garage parking rates in downtown Seattle and downtown Bellevue range from \$20 to \$30 per day; \$12.50 per day provides a less expensive alternative to parking downtown and incentivizes the use of public transportation.

#### First/Last-Mile Solutions

Staff are continuing to explore first/last-mile solutions to provide better access to the new light rail station for Mercer Island community members. Bike lockers and bike racks will be installed at the new Town Center Parking Area to encourage the use of alternative forms of transportation. Staff are also in conversations with King County Metro regarding the potential to reevaluate bus lines and bus stops on the Island, many of which saw service reductions or were eliminated post-COVID.

#### **NEXT STEPS**

Staff will need at least four months to implement and launch a parking payment/registration system for both on-street parking in the Town Center and at the new parking area.

#### **Code Changes**

Staff will return to the City Council with an ordinance that establishes the framework for paid parking by amending Chapter 10 MICC. The ordinance would remove language that specifies parking restrictions on each block face and give the City the authority to erect official signs that establish time limits.

Page 4

Additionally, staff will return to the City Council with a resolution amending the Fee Schedule. The rate for parking on-street and at the new parking area will be established in the Fee Schedule, as well as the provision of two hours of free parking. Both the rate and the provision of free parking will be subject to annual review as part of the Fee Schedule adoption. Staff will continuously evaluate parking usage data from the mobile application and will present findings to the City Council.

The Town Center Parking Area is scheduled to open in July 2025. Staff anticipate there will be an implementation gap between the opening of the parking area and the activation of the parking payment/registration system.

#### **Mobile Application**

Implementing the parking payment/registration system will require the use of a mobile application. Staff recommend using ParkMobile for its mobile application. ParkMobile has a large presence in King County through Diamond Parking. On Mercer Island, the Island Square garage uses the Park Mobile app for parking registration. Notably, ParkMobile will not charge a transaction fee for free parking under two hours. For paid parking, ParkMobile would charge a \$0.45 transaction fee that would be paid by the user.

#### Parking Signage

The City will need to replace most of the parking signage in Town Center, as the existing signage will need to be updated to reflect the new regulations. Additional signage providing directions on how to register a vehicle using ParkMobile will be installed in the right-of-way by City crews as part of the signage update.

#### Community Engagement & Outreach Campaign

Staff will implement a comprehensive outreach campaign over the four-month implementation timeframe to communicate the changes to the Town Center Parking regulations. Staff will post updates on the <u>Town Center Parking Plan</u> Let's Talk page, provide outreach to the business community and the Chamber of Commerce, promote information on social media and in the MI Weekly.

#### Revenue from Paid Parking

Staff recommend that revenue generated from the parking program first be directed to support parking enforcement and parking signage. Revenue that exceeds the cost of enforcement and signage will remain in the City's General Fund for use and appropriation at the direction of the City Council.

#### **Parking Enforcement**

Once implemented, it would be under the discretion of the Police Department to issue warnings before citations for violations of the new parking regulations.

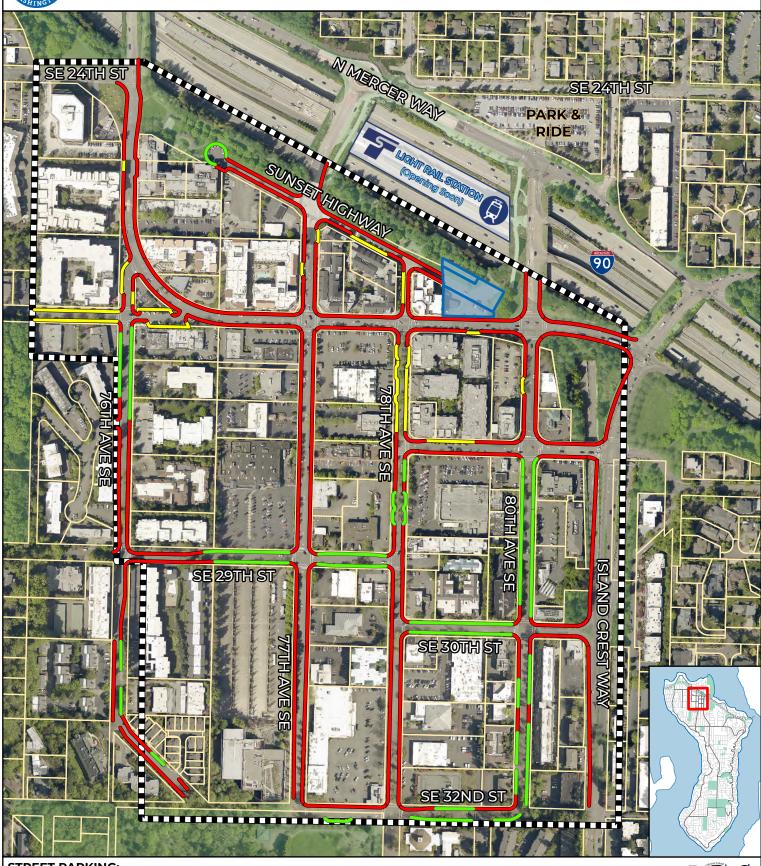

#### RECOMMENDED ACTION

Receive report and provide feedback.

# Town Center Parking Regulations (AB 6603)

March 18, 2025

## Agenda

- Background
- On-Street Parking in Town Center
- Town Center Parking Area (former Tully's Site)
- Next Steps

# Updating Town Center Parking Regulations

The City needs to update the regulations for on-street parking in Town Center and establish parking regulations for the new Town Center Parking Area (former Tully's site).

City Council Direction is needed on:

- Confirm the approach to implement an on-street parking system in Town Center.
- Confirm the approach to regulate parking at the new Town Center Parking Area (former Tully's Property)

#### Background

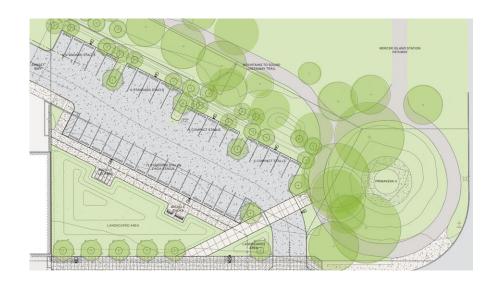

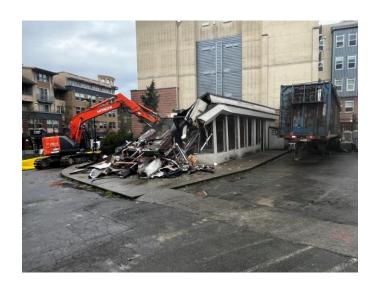

## On-Street Parking

- November 2023 The Town Center Parking Plan was adopted by the City Council.
- July 2024 City Council received a presentation and directed staff to implement a system where a motorist would register for 2 hours of free parking and have the option to extend their parking up to a 4-hour maximum for a paid fee.
- September 2024 City Council adopted Ordinance No. 24C-14, increasing the parking citation fee and sunsetting the Town Center Commuter Parking Permit Program.
- January 2025 The parking citation fee increased from \$20.00 to \$54.00, and the parking spaces previously reserved for the Town Center Commuter Parking Permit program were converted to unrestricted parking.

- **January 2025** City Council awarded the Town Center Parking Area contract to OMA Construction.
- **February 2025** Project began construction and is expected to be completed by July 2025.

### Parking Enforcement

- Currently, the Police Support Officer must chalk tires to conduct parking enforcement and then return to issue citations for parking violations.
- The current system for parking enforcement is inefficient and labor intensive.

# Sound Transit Light Rail Station

- The Sound Transit Light Rail Station on the Island is anticipated to open in late 2025.
- Staff anticipate that on weekdays the Park & Ride will reach 100% occupancy when the light rail station opens.

# Sound Transit Light Rail Station

- According to King County data, the Mercer Island Park & Ride often reached 100% occupancy on weekdays from 2010-2017.
- Occupancy counts conducted in February 2025 showed that the Park & Ride averaged 82% occupancy at noon.

| Mercer Island Park & Ride Occupancy Counts |     |      |
|--|-----|------|
| November (Q4-2024)                         | 9am | 12pm |
| Tuesday 11/5                               | 60% | 72%  |
| Wednesday 11/6                             | 56% | 72%  |
| February (Q1-2025)                         | 9am | 12pm |
| Tuesday 2/11                               | 70% | 85%  |
| Wednesday 2/12                             | 67% | 78%  |

# On-Street Parking in Town Center

## On-Street

## Parking

- The Town Center parking inventory has nearly 250 on-street parking spaces.
- Much of the parking in Town Center became unrestricted when the Town Center Commuter Parking Permit Program ended.

### 2-Hours Free, 4-Hours Max

On July 16, 2024, the City Council directed staff to implement an on-street parking system where a motorist would register their vehicle for 2 hours of free parking and have the option to extend their parking up to a 4-hour maximum for a paid fee.

Parking regulations would be in effect from 8:00AM to 8:00PM Monday through Saturday.

### 2-Hours Free, 4-Hours Max

Staff recommend using an hourly rate of \$2.50 per hour for parking beyond 2 hours, as this rate is regionally comparable.

| Regional Paid Parking Rate Comparison |                                      |  |
|---------------------------------------|--------------------------------------|--|
| Mercer Island                         |                                      |  |
| 77 Central Garage                     | \$2.00/additional hour after 3 hours |  |
| Island Square Garage                  | \$3.00/additional hour after 2 hours |  |
| Region                                |                                      |  |
| City of Kirkland (surface lot)        | \$1.00/hour                          |  |
| City of Redmond (surface lot)         | \$1.00/additional hour after 2 hours |  |
| City of Seattle (on-street)           | Maximum of \$6.00/hour               |  |
| City of Vancouver (on-street)         | Maximum of \$2.50/hour               |  |

### Parking Enforcement

- The introduction of a parking payment/registration system would change how parking enforcement is conducted.
- The mobile application would integrate with the ALPR system and enforcement software to create a 'one touch' enforcement system, that would greatly increase the efficiency of parking enforcement for MIPD.
  - A 'one touch' enforcement system would allow an Officer to drive through Town Center and receive alerts if a vehicle has not registered or has overstayed their parking.

### City Council Direction Needed

Staff are seeking confirmation of the approach to implement an onstreet parking system in Town Center where a user would register their vehicle for two hours of free parking and have the option to extend their parking to a four-hour maximum for a paid fee. The parking regulations would be in effect from 8:00AM-8:00PM Monday through Saturday.

Staff are seeking confirmation of the recommend rate of \$2.50 per hour for the on-street parking in Town Center.

- Staff recommend that the City provide motorists with two hours of free parking upon registration and have the option to extend their parking up to twelve hours for a paid fee.
- Parking regulations would be in effect from 8:00AM to 8:00PM Monday through Saturday.

 Staff recommend that the City charge \$2.50 per hour and implement a maximum daily rate at the new parking area of \$12.50 per day.

| Time Registered | Rate                                 |
|-----------------|--------------------------------------|
| 0-2 Hours       | Free                                 |
| 2-7 Hours       | 2 Hours Free; \$2.50/Additional Hour |
| 8-12 Hours      | 2 Hours Free; \$12.50 Daily Maximum  |

Providing two hours of free parking and establish a twelve-hour maximum:

- Increases the capacity of Town Center parking supply by providing flexible parking for people that need to park in Town Center for longer than 4 hours.
- Supports the overflow from the Park & Ride should it reach 100% occupancy and incentivizes the use of public transportation.

### City Council Direction Needed

Staff are seeking City Council feedback on the regulations and rate for the new Town Center Parking Area. Staff **recommend providing a user with two hours of free parking upon registration and having the option to extend their parking to a twelve-hour maximum for a paid fee.** The parking regulations would be in effect from 8:00AM-8:00PM Monday through Saturday.

Staff recommend using a rate of \$2.50 per hour and a daily maximum rate of \$12.50.

#### Next Steps

#### Timeline

Staff will need at least four months to implement and launch a parking payment/registration system for both on-street parking in Town Center and at the new parking area.

Ordinance & Amendments to Fee Schedule

Update to Parking Signage Mobile Application Launch Community
Outreach and
Engagement

Enforcement

#### Ordinance & Resolution

Staff will return to the City Council with an ordinance that establishes the framework for paid parking, and a resolution amending the Fee Schedule.

- Both the parking rates and the provision of free parking will be established in the Fee Schedule and subject to annual review.
- Staff will continuously evaluate parking usage data from the mobile application and will present findings to the City Council.

#### Mobile Application

- Implementing the parking payment/registration system will require the use of a mobile application.
- Staff recommend using ParkMobile for its mobile application.
- ParkMobile will <u>not</u> charge a transaction fee for free parking under 2 hours.
- For paid parking, ParkMobile would charge a \$0.45 transaction fee that would be paid by the user.

## Parking Signage

- The current parking signage will need to be updated to reflect the new regulations.
- Additional signage would be added to show how to use the mobile application to register and pay for parking.

### Community Outreach

Staff will implement a comprehensive outreach campaign that includes:

- Updates on Let's Talk
- Outreach to the business community and the Chamber of Commerce
- Outreach at community events
- Social media posts
- Communications in the MI Weekly

### Parking Enforcement

- The introduction of a parking payment/registration system would change how parking enforcement is conducted and greatly increase the efficiency of enforcement.
- Once implemented, it would be under the discretion of the Police Department to issue warnings before citations for violations of the new parking regulations.

#### Revenue

- Staff recommend that revenue generated from the parking program first be directed to support parking enforcement and parking signage.
- Support for parking enforcement could include equipping additional patrol vehicles with the City's existing parking enforcement software and ALPR cameras.
- Revenue that exceeds the cost of enforcement and signage will remain in the City's General Fund for use and appropriation at the direction of the City Council.

## City Council Direction Needed

Staff are seeking confirmation of the approach to implement an onstreet parking system in Town Center where a user would register their vehicle for two hours of free parking and have the option to extend their parking to a four-hour maximum for a paid fee.

The parking regulations would be in effect from 8:00AM-8:00PM Monday through Saturday.

Staff are seeking confirmation of the recommend rate of \$2.50 per hour for the on-street parking in Town Center.

### City Council Direction Needed

Staff are seeking City Council feedback on the regulations and rate for the new Town Center Parking Area. Staff **recommend providing a user with two hours of free parking upon registration and having the option to extend their parking to a twelve-hour maximum for a paid fee.** 

The parking regulations would be in effect from 8:00AM-8:00PM Monday through Saturday.

Staff recommend using a rate of \$2.50 per hour and a daily maximum rate of \$12.50.

#### **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to provide an update of the 2025 State Legislative Session and preview potential impacts to the City's work plan.

- The 2025 Washington State legislative session began on Monday, January 13, 2025, and is expected to end on Sunday, April 27, 2025.
- On November 19, 2024, the City Council adopted the City's legislative priorities (Exhibit 1) for the 2025 Legislative Session (AB 6557).
- The 2025 State Legislative Session is continuing a recent trend of an intense volume of bills introduced and considered, especially on issues of public safety, and housing and land use.

#### **BACKGROUND**

On November 19, 2024, the City Council adopted the City's legislative priorities (Exhibit 1) for the 2025 Legislative Session (AB 6557). The City identified six legislative priorities:

- Capital Funding for Emergency Replacement of City's Sole Water Source
- Support for Public Safety
- Increase Resources for Behavioral Health and Substance Use Disorder Treatment and Prevention

Page 1

- Support for Affordable Housing
- Sustainable Funding Preservation and Maintenance of Critical Transportation Infrastructure
- Preserving and Protecting the Environment

The City retained the lobbying services of Nick Federici and Luke Esser this year. The lobbying team assists with tracking and strategizing bills of interest to the City, signing in on behalf of the City when needed, and scheduling meetings for City Council leadership and staff with legislative representatives.

#### **ISSUE/DISCUSSION**

The 2025 State Legislative Session is continuing a recent trend of an intense volume of bills introduced and considered, especially on issues of public safety, and housing and land use. City staff, lobbyists, and City Council leadership are dedicating a significant amount of time to tracking bills, connecting with representatives and elected officials in neighboring communities, and advocating for legislation that aligns with Mercer Island's priorities.

#### **Advocacy**

Mayor Nice, Deputy Mayor Rosenbaum, City staff, and the City's lobbying team were actively engaged for several months leading up to the start of the legislative session and throughout the session, tracking bills with potential impact to Mercer Island and the region. City Council leadership and staff teams collaborated extensively to testify and engage directly with Representatives Zahn and Thai, Senator Wellman, and with staff with the Association of Washington Cities (AWC) on a host of bills but primarily related to public safety, and housing and land use.

The significant extent of the City's advocacy in Olympia included but was not limited to:

- Weekly meetings since January with the Mayor, Deputy Mayor, staff, and lobbyists.
- Regular calls with legislators on bills and emerging issues.
- Weekly meetings with AWC lobbyists, including providing individual technical and legal analysis and suggested amendments on housing bills to AWC and legislators.
- As bills are introduced, amended, stricken, and replaced, this triggers significant research and review effort by Council and staff, especially from CPD, MIPD, and the City Manager's Office.
- Staff met virtually with newly appointed Representatives Zahn and her staff soon after her appointment to discuss issues affecting Mercer Island and our priorities for the session. Deputy Mayor Rosenbaum met separately with Repsentative Zahn.
- Mayor Nice, Deputy Mayor Rosenbaum and staff met with a staffer from Representative Thai's office
  to discuss priority bills in the legislative session. Representative Thai was unable to attend due to a
  scheduling conflict.
- Public testimony was given by Mayor Nice in opposition to HB 1096 (Lot-Splitting), HB 1195 (STEP Housing Siting), HB 1235 (Housing Compliance), and HB 1380 (Regulation of Use of Public Property) to the House Housing committee.
- Public testimony was given by Mayor Nice requesting changes to HB 1491 (Transit-Oriented Development) to the House Housing committee and to the Capital Budget committee.
- Public testimony was given by Mayor Nice in opposition to HB 1183 (Development Regulations) and HB 1299 (Parking Regulations) to the House Local Government committee.

- Public testimony was given by Mayor Nice in opposition to HB 1183 (Development Regulations), HB
  1443 (Mobile Dwelling Units) and HB 1380 (Regulation of Use of Public Property) to the House
  Appropriations committee.
- Public testimony was given by Mayor Nice in opposition to SB 5184 (Parking Regulations) and SB 5497 (STEP Housing Siting) to the Senate Housing committee.
- Public testimony was given by Mayor Nice in opposition to SB 5148 (Housing Compliance), SB 5332 (Mobile Dwelling units), and SB 5066 (State oversight of Police) to the Senate Ways & Means Committee.
- Public testimony was given by Mayor Nice in support of SB 5071 (Endangerment with a Controlled Substance), SB 5105 (criminal offenses related to fabricated depictions of children) and SB 5060 (Police Funding) to the Senate Law and Justice committee.
- Public testimony was given by Mayor Nice in support of SB 5559 (Streamlining Subdivision Process) to the Senate Local Government committee.
- Public testimony was given by Mayor Nice in support of an amendment to HB 1473 to provide disaster response financial assistance to cities such as Mercer Island affected by the recent bomb cyclone.
- The City of Mercer Island signed as 'Pro' for HB 1428 (Police Funding) to the House Appropriations committee.
- Providing public testimony requires significant effort by the City team. Between Council and staff
  analysis, drafting and reviewing testimony, and waiting in line to testify during committee hearings, it
  typically required 5 to 10 hours of staff and Council time to prepare public testimony.

#### **WA State Budget**

The City signed on in support of an Association of Washington Cities letter opposing a sweep of the Public Works Assistance Account (PWAA). The PWAA is at risk of losing over \$100 million to the state's general fund. Diverting funds from the PWAA erodes a city's ability to fund basic local infrastructure and goes back on agreements made with city leaders. This action aligns with the City's adopted priorities, which support state investments and low-interest loans to strengthen local infrastructure.

#### **Capital Funding for Emergency Replacement of City's Sole Water Source**

The City's sole funding ask is for state support for funding the emergency replacement of City's sole water source. Council Leadership and staff, with the assistance of Representative Zahn's office, applied to the state capital budget for \$3 million in state funding to cover 15% of the cost to construct the water supply pipeline.

The state budget is under considerable strain, although the capital budget is in better condition than the operations or transportation budget. So while funding from the state is not guaranteed, the City remains hopeful for state support of this critical project. The state budget is likely to be adopted at the very end of the session in late April.

#### **Support for Public Safety**

Public safety funding has been at the center of this year's legislative session and is a top priority for the City. The City is tracking several bills related to public safety.

| Bill Number    | 3/12 Status | Description  |
|----------------|-------------|--|
| HB 2015        | Alive       | Bill creates councilmanic 0.10% sales tax authority for funding criminal justice. Cities that impose the new tax are eligible for a grant program to recruit, retain, and train officers.  |
| SB 5060        | Dead        | Bill creates \$100 million in grants for hiring law enforcement officers.  Competitive grants would cover 75% of the costs up to \$125,000 for up to three years. The City signed in as 'Pro' for this bill.   |
| <u>SB 5775</u> | Alive       | Bill makes the existing public safety sales tax authority councilmanic for the next two years.   |
| HB 1791        | Alive       | Bill allows the use of local REET for use for affordable housing, public safety, and operations and maintenance purposes.  |
| <u>SB 5066</u> | Dead        | Bill creates new broad authority for the Attorney General (AG) to investigate police departments. The AG's office already has authority to bring lawsuits when they believe there is a pattern or wrongdoing in a department. The City testified against this bill due to the liability it placed on cities. |
| HB 1428        | Dead        | Bill increases the funding to the Municipal Criminal Justice Assistance Account by \$25 million annually for public safety to fund criminal justice needs. The City signed in as 'Pro' for this bill.  |

#### **Housing & Land Use**

Housing is again a featured theme of this year's legislative session. The City is tracking several bills related to housing, land use, and comprehensive planning.

| Bill Number    | 3/12 Status | Description  |
|----------------|-------------|--|
| HB 1380        | Dead        | "Safe spaces bill". Bill requires that city or county law/code that regulates the acts of sitting, lying, sleeping, or keeping warm and dry outdoors on public property, must be objectively reasonable. The bill does not provide a definition for what is considered objectively reasonable. The City testified against this bill.                                       |
| HB 1096        | Alive       | Lot splitting bill requires cities to set up an administrative process to approve a parcel split without a public hearing when certain conditions are met. The City testified against this bill.   |
| <u>SB 5148</u> | Alive       | Housing Accountability Act. The bill would delay adopting a city's new, updated housing GMA elements and development regulations until they are approved by the state. The City testified against this bill.   |
| HB 1491        | Alive       | Transit Oriented Development (TOD) bill. The bill seeks to increase housing capacity and reduce regulations in areas around high-capacity transit such as the Light Rail station. The bill contains a proposed grant program to support infrastructure. The City testified to request amendments to this bill, including the removal of its parking regulation provisions. |
| SB 5184        | Alive       | Bill significantly reduces local authority to set on-site parking requirements. The bill prohibits cities and counties from requiring more than 0.5 parking space per residential dwelling unit, and from requiring more than one parking space per 1000sqft of commercial space. The City testified against this bill.  |

178 Page 4

| <u>HB 1183</u> | Alive | Omnibus development regulation bill adds six new sections to the GMA, requires all cities and towns to comply with two of them, and amends an existing chapter of GMA. The City testified against this bill.  |
|----------------|-------|---|
| HB 1195        | Dead  | STEP housing bill. Bill requires that comprehensive plans, developments regulations, and permit processes must not deny or preclude supportive, transitional, or emergency housing/shelter on every residential parcel. Requires the Department of Commerce to enforce requirements by withholding city revenues including sales, motor vehicle, liquor, and other taxes. The City testified against this bill. |
| HB 1443        | Dead  | Bill requires cities authorize mobile homes and other temporary structures as permanent living spaces and allow one per residential lot. The City testified against this bill.  |

#### Increase Resources for Behavioral Health and Substance Use Disorder Treatment and Prevention

As a direct provider of behavioral health services through Youth and Family Services, the City is tracking bills related to prevention and intervention resources targeting substances of abuse and funding and other support for behavioral health services.

| Bill Number    | 3/12 Status | Description   |
|----------------|-------------|---|
| <u>SB 5071</u> | Alive       | Updating the endangerment with a controlled substance statute to include fentanyl or synthetic opioids. The City testified in support of this bill.   |
| SB 5105        | Alive       | Expands the definition of fabricated depictions to include obscene visual or printed matter. Clarifies certain defenses to prosecutions for offenses involving depictions of a minor engaged in sexually explicit conduct. Expands the crime of sexual exploitation of a minor. The City testified in support of this bill. |
| HB 1805        | Dead        | Creating a local sales and use tax to fund services for children and families that enhance well-being, promote mental health, and provide early interventions.  |
| HB 1203        | Dead        | Prohibits the sale, display, and advertisement of any flavored tobacco, nicotine, or vapor product and any entertainment vapor product.   |

#### **NEXT STEPS**

The final impact of the bills passed in the 2025 Legislative Session will continue to be discussed and shared with City Council as direction and implementation requirements are clarified. Staff will follow up with City Council on any impact on department work plans and will seek input and direction from the Council in late Q2 or early Q3.

Staff anticipate beginning work on the draft legislative priorities for the 2026 State Legislative Session this fall. This item will be presented to the City Council for review and approval in October or November. Finally, there is a large body of work that occurs outside of and leading up to the next legislative session including a debrief with the City's lobbyists, meetings with legislators, engagement with AWC and other partners, and more.

#### **RECOMMENDED ACTION**

Receive report. No action necessary.

# CITY OF MERCER ISLAND 2025 State Legislative Priorities

#### Capital Funding for Emergency Replacement of City's Sole Water Source

The City of Mercer Island relies on Seattle Public Utilities for its water supply and recently declared an emergency due to a leak in the main water supply pipeline. The City is seeking \$3 million in emergency state funding to cover 15% of the cost to undergo emergency replacement of the damaged water supply pipeline, relocate the pipeline to a safer location, and upgrade it with earthquake-resistant materials. This will ensure the City is able to reliably provide safe drinking water and sufficient water pressure for fire response.

#### **Support for Public Safety**

The City supports law enforcement strategies that protect our community and businesses. Priorities include:

- Increasing capacity at regional law enforcement academies. Limited academy spots are delaying police hires, leaving recruits waiting months to begin work while on full pay and benefits.
- Supporting cites in hiring new officers by fully covering the \$5,000 Basic Law Enforcement Academy cost per officer and providing ongoing funding for public safety technologies like body worn cameras.
- Additional State resources and policy support to reduce auto and organized retail thefts.
- Support for expanded State regulations to address the growing use of e-scooters and e-bikes to
  ensure safe use while promoting sustainable transportation. Recent research indicates a significant rise in e-bike head injuries nationwide over the past five years, which indicates a need for
  stronger safety regulations.
- Amend the Public Records Act to exempt Automatic License Plate Reader (ALPR) security footage from disclosure. This change will improve government service efficiency, safeguard privacy, and maintain the effectiveness of law enforcement tools for public safety.
- As a regional marine patrol provider, Mercer Island supports increased funding for on-water safety programs, enhanced training for marine patrol providers, and public awareness initiatives to strengthen law enforcement and promote water safety.

#### Increase Resources for Behavioral Health & Substance Use Disorder Treatment and Prevention

The City is a direct provider of behavioral health services through community- and school-based programs while also relying on regional public health infrastructure for specialized care and crisis response. Priorities include:

- Increasing prevention and intervention resources targeting opiates and other substances of abuse, specifically those disproportionately impacting youth and young adults.
- Funding to expand low-barrier community- and school-based behavioral health services for youth.
- Opportunities to integrate behavioral health and first responders for enhanced crisis response.
- Increased resources for senior/geriatric behavioral health and support for basic needs.
- port local governments' ability to deliver integrated behavioral health services through ic-private partnerships, enabling outreach teams and crisis responders to effectively assist individuals in need.

  AB 6635 | Exhibit 1 | Page 6

### CITY OF MERCER ISLAND 2025 State Legislative Priorities

#### **Support for Affordable Housing**

The City champions a proactive stance on housing, using innovative tools and incentives to enhance housing supply and affordability. Priorities include:

- Transit-oriented development that prioritizes housing and infrastructure investments near major transit infrastructure and walkable jobs. Any bill should include affordability requirements, align with the City's housing targets under ESSHB 1220 (2021), and appropriately clarify any conflicts with other state housing regulations. This approach maximizes regional transportation investments to enhance mobility, expand affordable housing, and safeguard the environment.
- Complete Communities that support walkability, public safety, livability, and access to resources in tandem with affordable housing. Acknowledgement that cities are the best suited to implement these values in the unique context of their community.
- State investments and low-interest loans to strengthen local infrastructure such as sewer and water systems, which are essential for expanding affordable housing opportunities.
- Support continued partnership and investment in regional homelessness response through expansion of affordable and supportive housing capacity under ESSHB 1220, active participation in King County's Crisis Care Centers Levy implementation, and ongoing collaboration with ARCH. The City opposes unilateral state measures that would undermine these proven, coordinated local efforts to increase access to safe shelter and housing across Washington communities

#### **Preserving and Protecting the Environment**

The City supports legislation, partnerships, and funding opportunities that advance the implementation of the City's adopted Climate Action Plan. This includes initiatives for clean energy, emissions reduction, electrification of public assets, and innovative practices that promote resilience and protect natural resources.

### Sustainable Funding Preservation and Maintenance of Critical Transportation Infrastructure

The City advocates for fully funding and prioritizing maintenance of critical state transportation infrastructure, including the six miles of I-90 crossing Mercer Island, one of the state's most expensive and complex assets. Maintaining and keeping these interstates operational is essential for safety, reliability, and commerce.

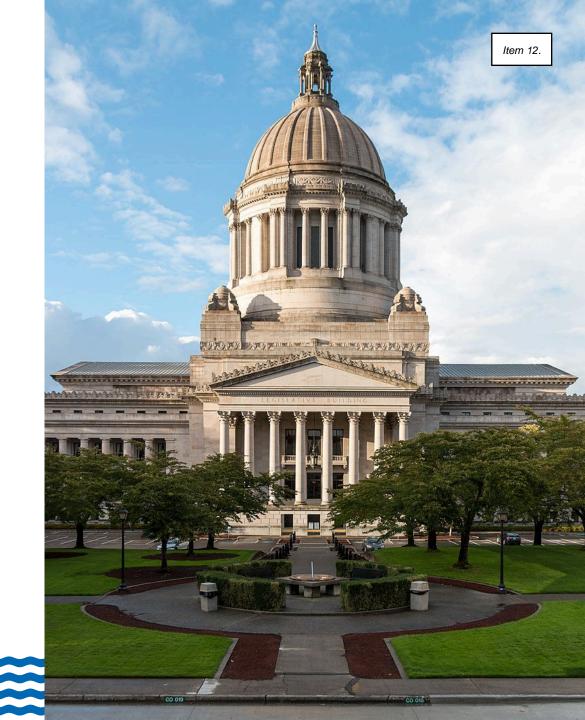

### AB 6635: 2025 Legislative Session Update

March 18, 2025

### 2025 Session

- 120-day session began January
   13 and is expected to end on Sunday, April 27
- Housing and public safety funding a focus this session
- Challenges of addressing state budget deficit

## City Legislative Priorities

- Capital Funding for Emergency Replacement of City's Sole Water Source
- Support for Public Safety
- Increase Resources for Behavioral Health and Substance Use Disorder Treatment and Prevention
- Support for Affordable Housing
- Sustainable Funding Preservation and Maintenance of Critical Transportation Infrastructure
- Preserving and Protecting the Environment

### City Engagement

- The 2025 State Legislative Session is continuing a recent trend of an intense volume of bills introduced and considered, especially on issues of public safety, and housing and land use.
- City staff, lobbyists, and City Council leadership are dedicating a significant amount of time to tracking bills, connecting with representatives and elected officials in neighboring communities, and advocating for legislation that aligns with Mercer Island's priorities.
- As of this meeting Mayor Nice and the City have given testimony 27 times in committee.

### New 41st LD Representative

- Former Mercer Island Representative Tana
   Senn appointed Secretary for the Department of Children, Youth, and Families.
- Bellevue City Councilmember Janice Zahn appointed as new 41st LD Representative.
- Staff met virtually Rep Zahn soon after her appointment to discuss issues affecting Mercer Island and our priorities for the session.
- Deputy Mayor Rosenbaum has been engaging with Rep. Zahn throughout the session.

# Washington State Budget

- \$12 \$15 billion-dollar four-year projected deficit. Operations and Transportation budget especially strained.
- The City signed on in support of an Association of Washington Cities letter opposing a sweep of the Public Works Assistance Account (PWAA)
- The PWAA is at risk of losing over \$100 million to the state's general fund. Diverting funds from the PWAA erodes a city's ability to fund basic local infrastructure and goes back on agreements made with city leaders

## Capital Funding for Emergency Replacement of City's Sole Water Source

- City's sole funding ask is for \$3 million to support construction costs for the emergency replacement of City's sole water source. This level of funding would cover 15% of the cost to construct the water supply pipeline.
- City applied to state Capitol Budget with the assistance of Representative Zahn's office.

### Capital Funding for Emergency Replacement of City's Sole Water Source

- The state budget is under considerable strain, although the capital budget is in better condition than the operations or transportation budget.
- The state budget is likely to be adopted at the very end of the session in late April.

## Key Bills City is tracking

- City staff are tracking dozens of bills making their way through the legislature.
- Only going to highlight a few key bills in this presentation.

# Support for Public Safety

- The City is closely monitoring HB 2015, which expands City's ability to raise revenue for police and other criminal justice programs while providing a state grant program. The City has not yet taken a position on this bill.
- HB 1380 regarding limiting City regulations on management of homeless encampments did not make it past the March 12 cutoff.
   This bill was a top priority of the City and we strongly opposed this bill throughout the process.

# Support for Public Safety

- SB 5066 would have created new broad authority for the Attorney General (AG) to investigate police departments. The AG's office already has authority to bring lawsuits when they believe there is a pattern or wrongdoing in a department.
- The bill was a key bill the City testified against due to the liability it placed on cities and undermining local control of police departments.
- This bill did not make it past a key deadline and is dead for this session.

# Housing & Land Use

- Housing and land use are significant themes again this year's legislative session.
- The City tracked and testified on bills related to transit-oriented development (HB 1491), parking regulation bills (SB 5184), lot-splitting (HB 1096), mobile dwelling units (HB 1443), development regulations (HB 1183), GMA compliance (SB 5148), and STEP housing siting (HB 1195).
- The City identified the mobile dwelling units and STEP housing siting bills as key proposal to oppose, and neither advanced past the floor cutoff.

# Housing & Land Use

- The City legislative team continues to engage with the remaining housing bills.
- We anticipate many of these bills to pass in some form and are focusing our engagement on amendments that will improve the bills or reduce their negative impact on Mercer Island.

## Behavioral Health and Substance Use Disorder Treatment and Prevention

- As a direct provider of behavioral health services through Youth and Family Services, the City is tracking bills related to prevention and intervention resources targeting substances of abuse and funding and other support for behavioral health services.
- City testified in support of updating the endangerment with a controlled substance statute to include fentanyl (SB 5071) and expanding the crime of sexual exploitation of a minor to be inclusive of digitally created or altered images (SB 5105).

# Next Steps

- Final impacts of the bills passed this session will continue to be discussed and shared with City Council as direction and implementation requirements become clearer.
- Staff will provide a final recap of the 2025 Session and its impacts to the City's work plan after it ends.

# Questions & Discussion

### BUSINESS OF THE CITY COUNCIL CITY OF MERCER ISLAND

AB 6641 March 18, 2025 Regular Business

#### **AGENDA BILL INFORMATION**

| TITLE:                 | AB 6641: Scope of Work for Deane's Children's Park<br>Site Plan  | ☐ Discussion Only ☐ Action Needed: ☐ Motion ☐ Ordinance ☐ Resolution |

|------------------------|--------------|
| AMOUNT BUDGETED        | \$ 1,500,000 |
| APPROPRIATION REQUIRED | \$ n/a       |

#### **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to provide an overview of the planning approach and present a summary of the scope of work and community engagement plan for the Deane's Children's Park Site Plan (Capital Project 90.25.0015).

- Deane's Children's Park is an expansive play area at Island Crest Park that includes multiple playground structures, the iconic "dragon", the Bike Skills area, a picnic shelter, a small restroom facility, walking paths, and limited parking.
- The 2022 Parks, Recreation, And Open Space Plan (PROS Plan) included a conditions assessment of
  park infrastructure and amenities and revealed that most playgrounds in the Mercer Island parks
  system are not ADA accessible. In addition, the assessment indicated that all playground structures
  would be due for replacement over the next two decades.
- The Deane's Children's Park playground structures were identified for early replacement in the 2023-2028 Parks Capital Improvement Program (Parks CIP).
- In November 2022, Mercer Island community members voted to renew the parks levy that was set to expire at the end of 2023. The parks levy includes dedicated funding for playground replacements across the Mercer Island parks system.

Page 1

- During early work on the playground replacement plan, staff identified Deane's Children's Park as a good candidate for ADA improvements and conversion to universal play equipment, similar to the approach taken at Mercerdale Park. The topography of the play area is relatively flat, and the site is flexible, allowing equipment and structures to be reorganized to meet universal play standards.
- In addition to the playground equipment replacement, Deane's Children's Park includes a picnic shelter and storage shed at the end of its service life, and a small single-user restroom that is located outside the play area and is not easily accessible.
- Finally, the Bike Skills area was relocated to Deane's Children's Park in 2023.
- Given the combination of planning needs mentioned in the previous bullets, staff made the decision
  to pause the playground replacement project and instead pursue the development of a new Site Plan
  for Deane's Children's Park. The Site Plan will address universal play standards with a new layout and
  will include a phasing plan, cost estimate, and recommended funding strategy for replacing
  equipment and amenities.
- The City Council allocated \$1,500,000 in the 2025-2026 Biennial Budget and Capital Improvement Program for the planning, design, and construction of the improvements at Deane's Children's Park, including the development of the new Site Plan. The scope of work for the first phase of construction at the park will be determined through this planning process.
- The City entered into a contract with Berger Partnership in the amount of \$195,300 to facilitate the planning process and development of the Deane's Children's Park Site Plan.
- This planning effort is anticipated to conclude in Q4 2025. Project information, outreach events, and more details will be available on Let's Talk.

#### **BACKGROUND**

#### **PARK FORMATION**

In 1962, the Mercer Island Preschool Association (MIPA) proposed a children's park at Island Crest Park, which was owned and operated by King County. After the plan was approved, MIPA solicited support from local organizations to purchase equipment and enlisted community volunteers to build the children's play area. The City acquired Island Crest Park in 1968 and renamed the play area Deane's Children's Park in 1985, in honor of Lola and Phil Deane, Mercer Island residents who were instrumental in the park's creation. MIPA has continued to partner with the City to improve Deane's, including a major park renovation completed in 2005.

#### 2022 PARKS, RECREATION, AND OPEN SPACE PLAN (PROS PLAN)

The 2022 PROS Plan included a conditions assessment of park infrastructure and amenities. This assessment helped guide the development and prioritization of the 6-year Parks Capital Improvement Program (Parks CIP). The assessment revealed that most playgrounds on Mercer Island do not meet ADA or universal accessibility standards, and much of the playground equipment is not accessible. Additionally, ten out of the 18 playgrounds in the park system were approaching the end of their useful life, including play structures at Deane's Children's Park and almost all of the playground equipment would need to be replaced over a twenty-year period. Deane's Children's Park was one of the five playgrounds with equipment slated for replacement in the 2023-2028 Parks CIP.

#### **2022 PARKS LEVY**

In November 2022, Mercer Island community members voted to renew the parks levy that was set to expire at the end of 2023. The renewed 16-year levy provides continued funding for parks operations and maintenance, in addition to funding Pioneer Park forest management and the replacement of 15 play

structures. Deane's Children's Park was prioritized for early replacement due to the age and condition of equipment and the desire to provide universally accessible play opportunities.

#### DEANE'S CHILDREN'S PARK SITE CONDITIONS/EARLY ASSESSMENT

A preliminary assessment of existing conditions was conducted from 2023-2024. Key takeaways from these findings are divided into three categories:

#### Play Equipment

Play equipment at Deane's Children's Park was installed in 2005 and 2012. Except for the "dragon," the existing play equipment is nearing the end of its useful life. The timber curbs framing the play areas do not meet accessibility standards and the existing play equipment is not truly accessible. Additionally, the park's play equipment lacks diverse and inclusive play opportunities for all users.

#### **Park Amenities**

In addition to the play equipment, the park includes several amenities that require replacement. The original restroom that was decommissioned and converted into a storage shed is nearing the end of its useful life, as is the picnic shelter. The single-user restroom serving Deane's Children's Park and the Bike Skills area is located at the eastern edge of the property next to the parking lot, making it difficult to access. Site furnishings, including picnic tables and park benches, do meet accessibility standards, and many are in disrepair.

#### Site Circulation

The park lacks clear wayfinding to the various play areas, which are spread out and do not offer clear sightlines, making overall site navigation confusing. The existing trails and pathways throughout the park require upgrades to meet accessibility standards and should be clearly defined to distinguish accessible from non-accessible paths. Furthermore, the accessible parking spaces in the parking lot do not comply with accessibility standards.

Along with the key takeaways from the preliminary assessment, it is important to note the relocation of the Bike Skills area to the northwest quadrant of the park, adjacent to the play area. The park amenities and overall site circulation will need to consider both user groups, ensuring restroom facilities and picnic shelters are centrally located, providing clearly defined paths for riders entering the Bike Skills area versus play areas, and developing amenities that meet accessibility standards. For these reasons, the scope of the playground replacement needs to be broadened to include the Bike Skills area, ensuring a cohesive plan for Deane's Children's Park.

#### **ISSUE/DISCUSSION**

#### SITE PLAN OVERVIEW AND SCOPE OF WORK

In the fall of 2024, the City engaged Berger Partnership as the design consultant to facilitate the development of a new Site Plan for Deane's Children's Park. The plan will address cohesive integration of the Bike Skills area and the playground structures, with the goal of modernizing the park area to meet universal play standards. The plan will also address improvements to pedestrian and bike circulation, restroom and picnic shelter replacement, parking, and other potential park improvements. The final Site Plan will include a cost estimate, phasing plan, and funding strategy.

Page 3

The planning, design, and construction of Deane's Children's Park will include multiple phases:

- Phase I: Develop a Site Plan in 2025 through a community engagement process that will address
  universal play standards including a new park layout and phasing plan for the replacement of
  equipment and amenities. The Site Plan will also include cost estimates and a funding strategy. The
  Parks and Recreation Commission will review the proposed alternatives and present a
  recommendation to the City Council for adoption.
- Phase II: The Site Plan will identify the first phase of capital improvement work, including
  anticipated replacement of one or more playground structures. The project will advance through
  detailed design, permitting, and phased construction that is anticipated to take place from 20262027.
- Future Phases: The anticipated scope of improvements for Deane's Children's Park likely exceed
  the initial budget allocation. Future capital improvements will be recommended for
  implementation in phases, to include continued opportunities for community fundraising and
  grants.

#### UNIVERSAL DESIGN AND ADA ACCESSIBILITY

To ensure the Deane's Children's Park Site Plan reflects principles of accessibility and inclusivity, the designs developed will be reviewed for visitors of all abilities by Kanics Inclusive Design Services, a consulting firm that specializes in developing inclusive play opportunities. Additionally, Kanics will be completing an inclusive playground evaluation at five other playgrounds on the Island, including Aubrey Davis East and West, Luther Burbank Park, South Mercer Playfield, and Mercer Island Community and Event Center. As part of the evaluations, a comprehensive report for each playground will be created, detailing recommendations for improvements.

#### **COMMUNITY ENGAGEMENT PLAN**

Community engagement for the Deane's Children's Park Site Plan will focus on identifying the needs and priorities of the project, gathering input on various play elements to inform the development of the design concept alternatives, and gathering feedback on concept alternatives to inform the final recommendation.

The proposed community engagement plan is as follows:

- Up to two public meetings/events may be a combination of in-person and virtual opportunities.
- Up to two online surveys run concurrently with the public meetings/events to collect additional input and reach community members that are unable to attend the events.
- Check-in meetings with the Parks and Recreation Commission (PRC) to seek feedback on the design concept alternatives and prepare a final recommendation on the Site Plan for review and adoption by the City Council.
- Regular updates posted on Let's Talk, including key dates, surveys, and other project information, as well as tools such as quick polls for ongoing engagement outside of the open house and surveys.
- Engagement with park neighbors and community groups to share project information, promote events, and seek feedback on the Site Plan.

Opportunities will be promoted through all City channels, including the MI weekly e-newsletter, social media, and on-site signage, as well as shared through outlets such as the Mercer Island Reporter, the Mercer Island School District, and Mercer Island Preschool Association (MIPA).

#### ANTICIPATED PROJECT TIMELINE

The Site Plan development process is expected to take about one year and is divided into five major steps:

- Project Kickoff and Site Assessment: Q4 2024 Q1 2025 (complete)
- Pre-Design and Pre-Engagement: Q1 2025 (current)
- Concept Development: Q2 Q3 2025
  - o Identify gaps, needs, and priorities of project, and gather input on play elements
  - Develop concept alternatives
- Final Design Recommendation: Q3 Q4 2025
  - Refine concept alternatives into one final design as recommended by the Parks and Recreation Commission
- Site Plan Adoption: Q4 2025
  - Parks and Recreation Commission to provide Site Plan recommendation to the City Council for review and adoption.

#### PROJECT BUDGET AND FUNDING

While Deane's Children's Park was identified for a playground replacement in the 2022 Parks Levy, the Levy funding does not include resources for broader site improvements. The City Council allocated \$1,500,000 in the 2025-2026 Biennial Budget and Capital Improvement Program for the Site Plan, and the planning, design, and construction of the first phase of work. The City executed a contract with Berger Partnership in the amount of \$195,300 to lead the planning process and develop the Site Plan. The scope of the first phase of park improvements will be determined through the site planning process and will include replacement of one or more playground structures.

#### **NEXT STEPS**

Upon approval from the City Council, staff will finalize the community engagement plan and proceed with next steps including an initial survey and project open house. The Let's Talk page will also be launched.

Of note, a group of community members have recently organized as the "Friends of Dragon Park" with the goal of supporting fundraising efforts for the park improvements. This partnership, as well as others grant opportunities, will be critical to funding the needed improvements at this park.

#### **RECOMMENDED ACTION**

Approve the scope of work and community engagement plan for the Deane's Children's Park Site Plan and direct the City Manager to commence the planning work.

#### **ISLAND CREST PARK**

Item 13.

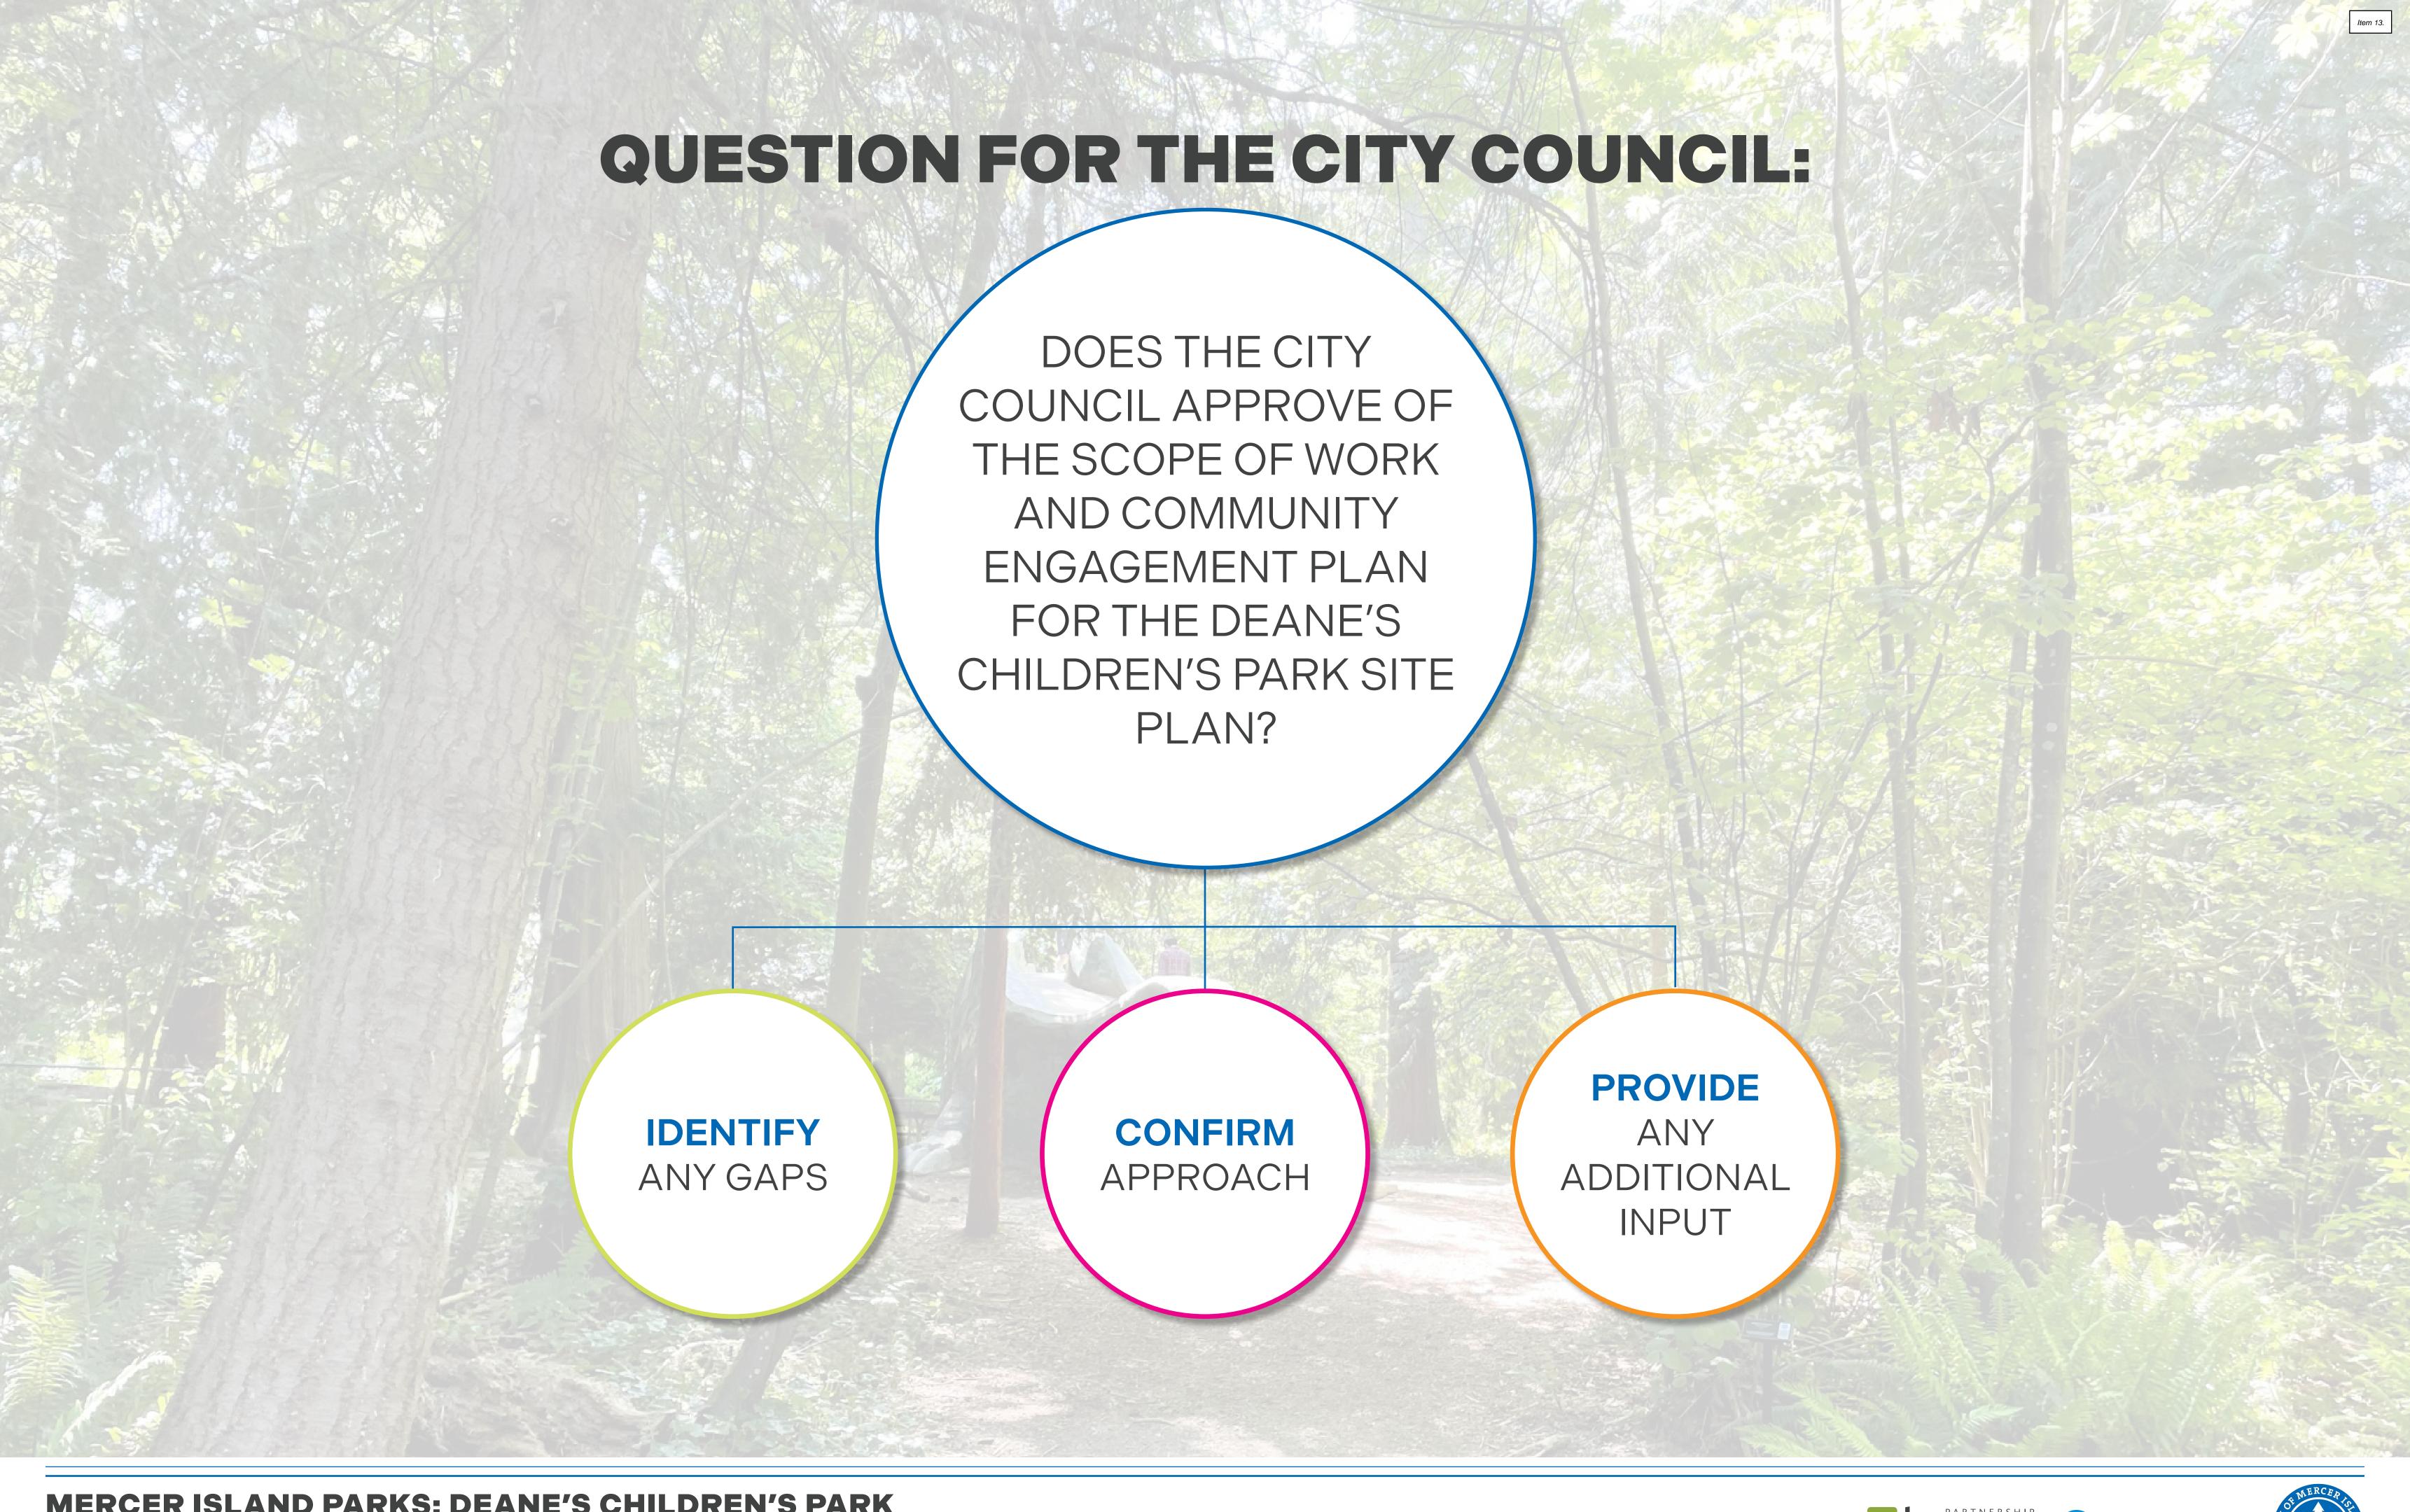

#### **DEANE'S CHILDREN'S PARK**

Item 13.

## PROJECT BACKGROUND

### **PARK FORMATION**

 A children's park was developed as part of Island Crest Park in 1962 and originally known as 'Dragon Park'. The City acquired Island Crest Park in 1968 and renamed the play area Deane's Children's Park in 1985, in honor or Lola and Phil Deane, Mercer Island residents who were instrumental in the park's creation.

### 2022 PROS PLAN

- The PROS Plan included a conditions assessment of park infrastructure and amenities. It revealed ten out of 18 playgrounds in the park system were approaching the end of their useful life, including play structures at Deane's Children's Park.
- Deane's Children's Park was one of five playgrounds with equipment slated for replacement in the 2023-2028 Parks CIP.

### **PARK LEVY**

- The parks levy that was set to expire at the end of 2023 was renewed, which continued funding for parks operations and maintenance, in addition to funding Pioneer Park forest management and the replacement of 15 play structures.
- Deane's Children's Park was prioritized for early replacement due to age and condition of equipment and the desire to provide universally accessible play opportunities.

## PROJECT OVERVIEW

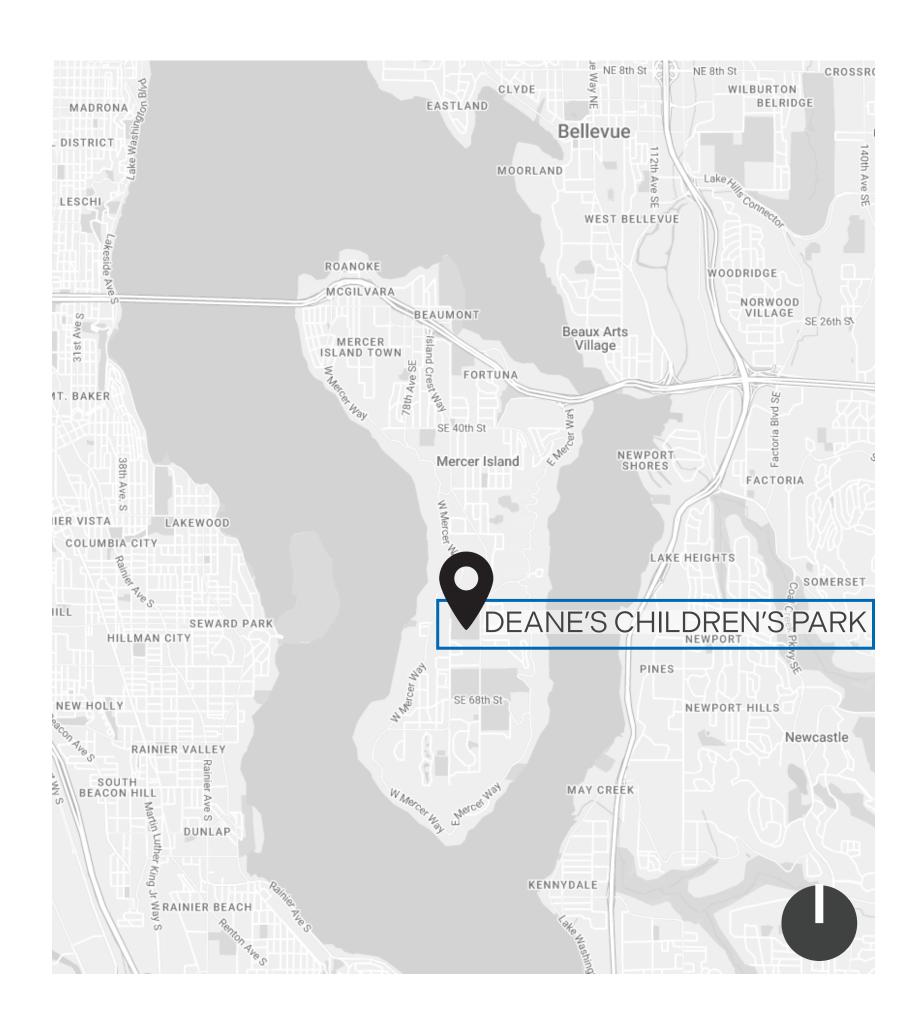

### DEANE'S CHILDREN'S PARK SITE PLAN

- The Site Plan will cohesively integrate the Bike Skills area and playground structures, with the goal of modernizing the park area to meet universal play standards.
- The Site Plan will address improvements to site circulation, restroom and picnic shelter replacement, parking, and other potential improvements.
- Community engagement will contribute to play equipment selection, design concept alternatives, and the final Site Plan.
- The final Site Plan will include a cost estimate, phasing plan, and funding strategy.
- Levy funding does not include resources for broader site improvements. The scope of the phase I improvements will be determined during site planning and will include replacement of one of more playground structures.

| APPROPRIATION REQUIRED | \$ n/a     |

### **EXECUTIVE SUMMARY**

The purpose of this agenda bill is to provide an overview of the planning approach and present a summary of the scope of work and community engagement plan for the Clarke and Groveland Beach Parks Joint Infrastructure Plan (Capital Project 90.25.0013).

- Located on the southeast shoreline of Mercer Island, Clarke Beach Park features a beach area, overwater amenities, a steel wall-enclosed swim area, and restrooms. Groveland Beach Park is located on the southwest shoreline and includes an active beach with a dock, swimming area, and restrooms.
- Both parks were developed in the 1960s/70s, and their overwater structures and other amenities are aging and in need of replacement.
- The 2022 Parks, Recreation, and Open Space Plan (PROS Plan) identified the need for a joint planning
  effort to efficiently prioritize capital projects at Clarke and Groveland Beach Parks. Given that both
  parks are on the waterfront and facing similar infrastructure challenges, the decision was made to
  combine the planning work.

Page 1

- From August 2023 to December 2024, the Project Team performed an assessment at both parks and collected preliminary feedback from the Mercer Island community about their current uses and future needs for these parks.
- The preliminary assessment indicated that the in-water structures at both parks need to be addressed within the next 5 to 10 years to avoid future deterioration or loss. Soil erosion and settlement, accessibility issues, and concerns about park safety also emerged through the background evaluation.
- Staff propose developing a Joint Infrastructure Plan for Clarke and Groveland Beach Parks that
  prioritizes repair and/or replacement of overwater and shoreline infrastructure for capital
  reinvestment. Improvements for uplands infrastructure and amenities such as restrooms, trails, and
  parking will also be considered for renovation in the future as resources allow.
- This planning effort is anticipated to conclude in Q1 or Q2 2026. Project information, upcoming outreach events, and more details will continue to be available on Let's Talk at <a href="https://www.mercerisland.gov/cgip">www.mercerisland.gov/cgip</a>.

### **BACKGROUND**

### **PROJECT INITIATION**

Developed in the 1960s and 1970s, Clarke and Groveland Beach Parks (Exhibit 1) are two of three major public waterfronts located on Mercer Island. These parks offer amenities such as docks, swimming areas, concrete bulkheads, walking paths, picnic and barbeque areas, restroom facilities, and more. However, many of these features are at or nearing the end of their useful life and will need to be replaced or removed soon. Waterfront access at both parks is located at the bottom of steep hills, and accessibility improvements must be evaluated where feasible.

The 2022 PROS Plan identified the need for a joint planning effort to efficiently prioritize capital projects for these parks and to navigate the challenging regulatory environment for implementing shoreline improvements. To begin this planning effort, the City Council approved the Clarke and Groveland Beach Parks Joint Master Plan (PA0157) with the 2023-2024 Biennial Budget and Capital Improvement Program (CIP). In July 2023, the City engaged Berger Partnership as the design consultant to facilitate the planning effort.

#### ASSESSMENT OF EXISTING CONDITIONS

An analysis of existing conditions at both beach parks was conducted from August 2023 to December 2024 and included:

- Topographic surveys, bathymetric (underwater topography) surveys, and delineation of the ordinary high-water mark (OHWM)
- Condition assessments of the in-water structures, including docks, swim enclosures, and concrete bulkheads
- Accessibility audit of the existing restroom facilities
- Critical area reconnaissance
- Geotechnical review to inform future study and permitting
- Background survey to gather information on current community uses, access challenges, recreational
  opportunities, and other needs to be considered in the planning process (229 responses).

A brief summary of the assessment of existing conditions is provided below.

### **Condition of Overwater Structures**

The overwater structures at Clarke have reached the end of their useful lives, and immediate repairs are recommended to prevent further deterioration. Overwater structures at Groveland are in fair to good condition and should be monitored with routine inspections to minimize further deterioration.

### **Restroom Accessibility**

Facilities at both parks do not comply with federal and local accessibility standards. Non-compliant conditions include inadequate maneuvering clearances and turning space, lack of wheelchair-accessible stalls, inaccessible reach heights and amenities, and inadequate accessible paths to the buildings. Some issues could be resolved with little impact on the existing structures, while others require significant alterations to the buildings and plumbing systems.

#### **Geotechnical Review**

Both sites show signs of soil settling, including under asphalt footpaths, at beach areas, and near the playground at Groveland. Specific issues at Clarke Beach include a sink hole beneath the concrete steps, which was repaired by Parks Maintenance staff in fall 2023 but may worsen due to continual erosion. Chronic settlement at Groveland Beach is causing a stormwater outfall pipe to fracture. Further geotechnical investigation will be required during the design and construction of improvements at both parks to address ongoing soil settling.

### **Background Survey on Community Uses and Needs**

Currently, the most common reason for visiting both parks is beach access, followed by strolling/walking at Clarke and swimming at Groveland. The community's primary concerns include accessibility, park maintenance, amenities (such as picnic tables and trash receptacles), and park safety.

### **CHALLENGES OF RENOVATING WATERFRONTS**

The City is undertaking a major design process to renovate the Luther Burbank Park docks and waterfront, which will greatly inform future waterfront projects of a similar scale and complexity. Here are some of the issues that should be considered when preparing the Joint Infrastructure Plan:

- 1. Diversifying Recreational Offerings/Evaluating Intensity of Beach Park Use Beach parks experience high intensity use during the peak summer season. Exploring the potential to diversify waterfront activities across the three major beach parks is something that should be evaluated.
- 2. Strict Regulatory Environment Permitting for the Luther Burbank dock and waterfront project has been a multi-year process, and staff anticipate similar permitting timelines for future projects at Clarke and Groveland. Early planning work to strategize on the timing and phasing of these projects is necessary.
- 3. Costs to Reinvest in Waterfront Infrastructure Reinvestment in waterfront infrastructure is expensive and can take many years to design and construct, resulting in multi-year capital funding needs. A strategy for funding capital improvements at Clarke and Groveland will need to be developed as part of this joint planning effort.

### **ISSUE/DISCUSSION**

#### RECOMMENDATION TO PURSUE FOCUSED INFRASTRUCTURE PLAN

Based on the analysis of existing conditions and specifically the condition of the waterfront infrastructure at both parks, the staff recommends shifting from developing a joint park "Master Plan" to developing a joint park "Infrastructure Plan" for Clarke and Groveland. The primary reason for this shift is to determine the future of the in-water structures, which include docks, swimming piers, concrete bulkheads, and an enclosed swimming area.

There is significant value and efficiency in continuing a joint planning effort for Clarke and Groveland, including keeping the City competitive for grants and other outside funding. For example, shoreline restoration at Clarke Beach has been previously identified as a priority for the Water Resource Inventory Area 8 (WRIA 8) work plan and is a strong candidate for WRIA 8 grant funds. Planning for and designing improvements concurrently will enable the City to take advantage of potential mitigation credits earned for shoreline restoration at Clarke.

The proposed scope of work for the Joint Infrastructure Plan will address the following items:

- 1. Dock and shoreline improvements
- 2. Shoreline erosion control and stabilization
- 3. ADA accessibility
- 4. Restroom renovations/replacement
- 5. Parking and wayfinding/signage

Early concepts for dock and shoreline improvements may proceed through preliminary design during the joint planning effort to fast-track grant applications, fundraising, permitting, and construction, with approval of the City Council. Renovations of upland infrastructure and amenities, such as restrooms, trails, and parking, would likely be designed and constructed in the future as resources allow.

### **COMMUNITY ENGAGEMENT PLAN**

Community engagement for the Clarke and Groveland Beach Parks Joint Infrastructure Plan will focus on evaluating recreational offerings at each park, exploring alternatives to improve the shoreline and dock areas, and addressing accessibility. Design alternatives will be developed and shared with the community to inform the preferred design for each park.

The Project Team proposes the following community engagement plan:

- Up to two online surveys to provide information about the project, collect input about community priorities, and gather feedback on design alternatives.
- One Open House to present design alternatives for community input (may be in-person or virtual).
- Check-in meetings with the Parks and Recreation Commission (PRC) to seek feedback on the design alternatives and prepare a final recommendation on the preferred Infrastructure Plan for review and adoption by the City Council.
- Regular updates posted on Let's Talk, including key dates, surveys, and other project information, as well as tools such as quick polls for ongoing engagement outside of the open house and surveys.
- Engagement with park neighbors and community groups to share project information, promote events, and seek feedback on the Infrastructure Plan.

Opportunities will be promoted through all City channels, including the MI weekly e-newsletter, social media, and on-site signage, as well as shared through outlets such as the Mercer Island Reporter and the Mercer Island School District.

#### ANTICIPATED PROJECT TIMELINE

The Infrastructure Plan development process is expected to take about one year and is divided into four major steps:

- Project Kickoff and Site Assessment: Q3 2023 Q4 2024 (complete)
- Pre-Design and Pre-Engagement: Q1 2025 (current)
- Draft Plan Development: Q2 Q4 2025
  - Collect community input on priorities and improvement opportunities
  - Develop and refine design alternatives based on community feedback and input from Parks and Recreation Commission
  - Identify preferred Infrastructure Plan for each park
- Plan Review and Adoption: Q1 Q2 2026
  - Parks and Recreation Commission to provide Infrastructure Plan recommendation to the City Council for review and adoption

### PROJECT BUDGET AND FUNDING

The City Council approved \$251,845 in the 2025-2026 Biennial Budget and Capital Improvement Program to support this joint planning effort. Staff are in the process of finalizing the project scope to complete the Joint Infrastructure Plan.

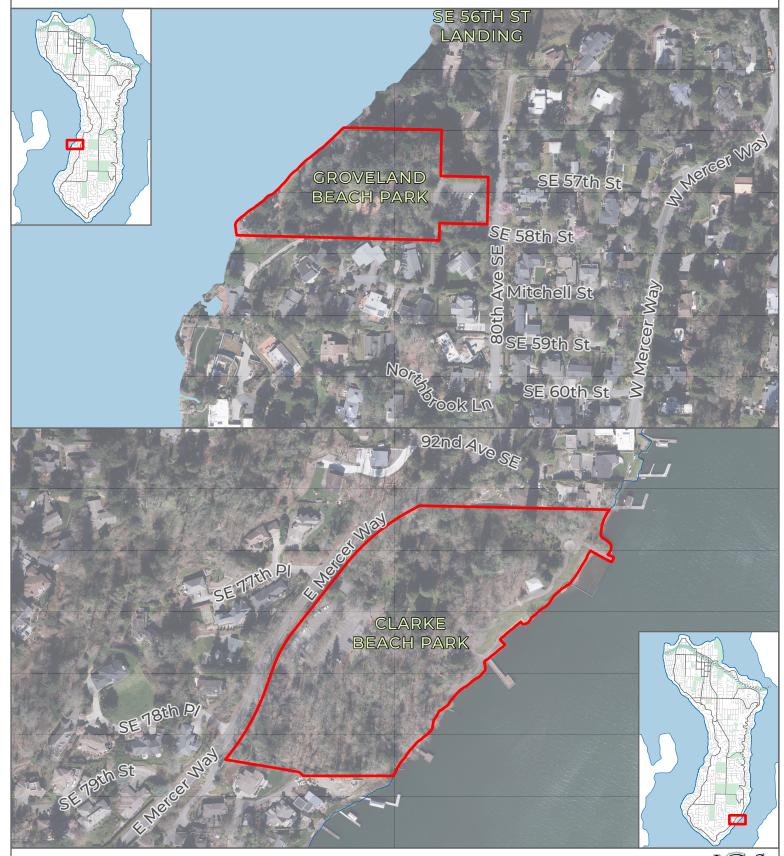

### **NEXT STEPS**

Upon approval from the City Council, staff will finalize the community engagement plan and proceed with next steps, including commencing the community engagement process this spring/summer. Upcoming community engagement opportunities, such as event dates, survey links, and other information, will be shared on Let's Talk (www.mercerisland.gov/cgip) as soon as they are available.

### **RECOMMENDED ACTION**

Approve the scope of work and community engagement plan for the Clarke and Groveland Beach Parks Joint Infrastructure Plan and direct the City Manager to commence the planning work.

Scope of Work for Clarke and Groveland Beach Parks Joint Infrastructure Plan

AB 6642 //arch 18, 2025

## Agenda

- Project Overview
- Preliminary Site Assessment and Community Survey Findings
- City Council Discussion
  - Recommended Planning Approach
  - 2. Input for Community Engagement Plan

## **Project Initiation**

- Parks originally developed in the 1960s & 1970s.
- Both feature aging in-water and upland infrastructure that needs to be repaired or replaced soon.
- City Council approved a joint planning effort in 2022 to prioritize capital projects and navigate a strict permitting environment for shoreline projects.
- City engaged Berger Partnership in 2023 to lead the planning effort.

## Recommended Planning Approach

Based on the analysis of existing conditions, the team recommends developing a **Joint Park Infrastructure Plan** for Clarke and Groveland Beach Parks.

### The Park Infrastructure Plan would:

- Prioritize repair/replacement of overwater structures and shorelines for capital reinvestment first
- Plan for renovations of existing uplands infrastructure and amenities, such as restrooms, trails, and parking, as future resources allow

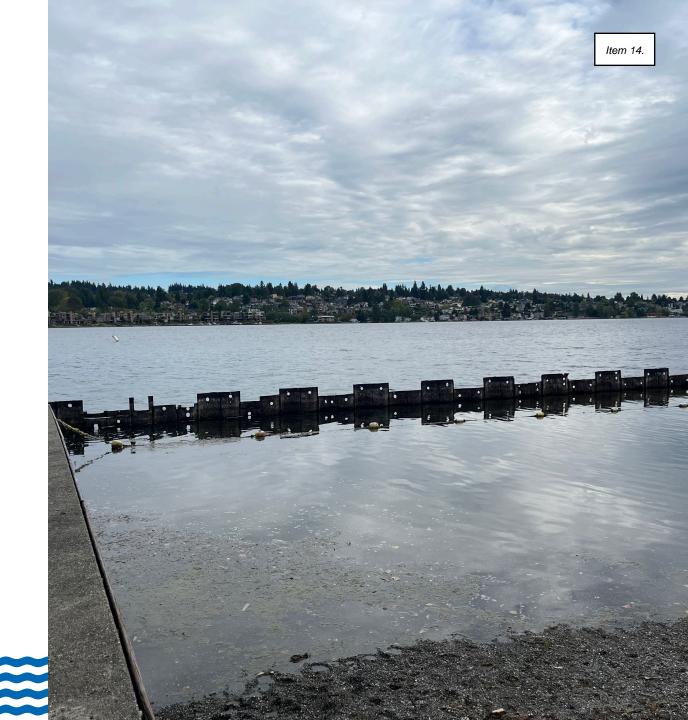

## What is a Park Infrastructure Plan?

|                             | Park Master Plan  | Park Infrastructure Plan   |
|-----------------------------|---|--|
| Planning Horizon            | Long-term (20+ years)   | Near-term (10-12 years)  |
| Scope                       | Provides a broad and high-level framework to guide park projects. | Identifies and prioritizes specific park renovations/repairs for immediate implementation.         |
| Focus of Community<br>Input | Visionary – What should the park be in the future?                | Practical and focused on needs for existing infrastructure and uses.  What does the park need now? |
| Output                      | Conceptual designs and goals for future project development.      | Schematic design and cost estimate to initiate design development.                                 |

# Challenges of Renovating Waterfront

- Balancing recreational offerings and beach uses.
- 2. Navigating a strict regulatory environment.
- 3. Costs for reinvestment in waterfront infrastructure.

# Proposed Community Engagement Opportunities

- The project team seeks City Council input to finalize the community engagement plan, which is being drafted now.
- Staff recommend the following events/opportunities to engage the community in the planning process:

### Online Surveys

- Up to two surveys
- Share details about the project
- Collect input about community priorities
- Collect feedback to on design alternatives

### **Open House**

- One public meeting/event
- May be in-person or virtual
- Share project information
- Present 2-3
   design
   alternatives for
   input

### PRC Meetings

- Check-in meetings
- Update the PRC on planning process
- Seek feedback on design alternatives

### Let's Talk

- Hub for project information, key dates, surveys, and other details
- May use additional tools such as Quick Polls for ongoing engagement

## Other Opportunities

- Engagement with park neighbors and community groups
- Share project info, promote outreach events, and seek feedback on the Plan

# SITE LOCATION & TOPOGRAPHIC SURVEY - CLARKE BEACH PARK

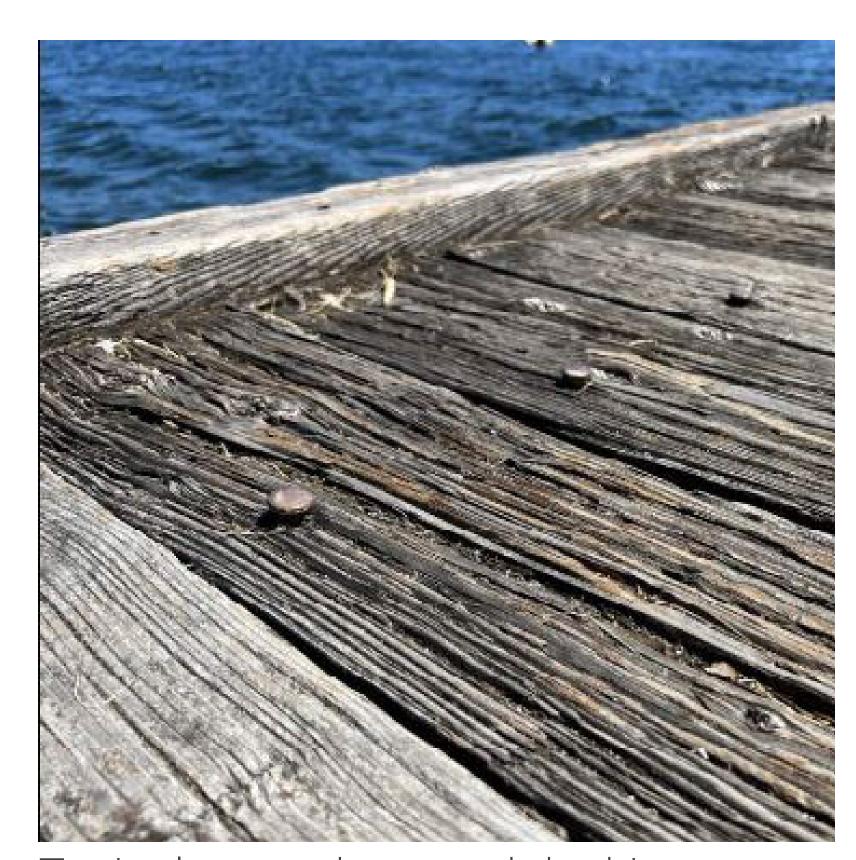

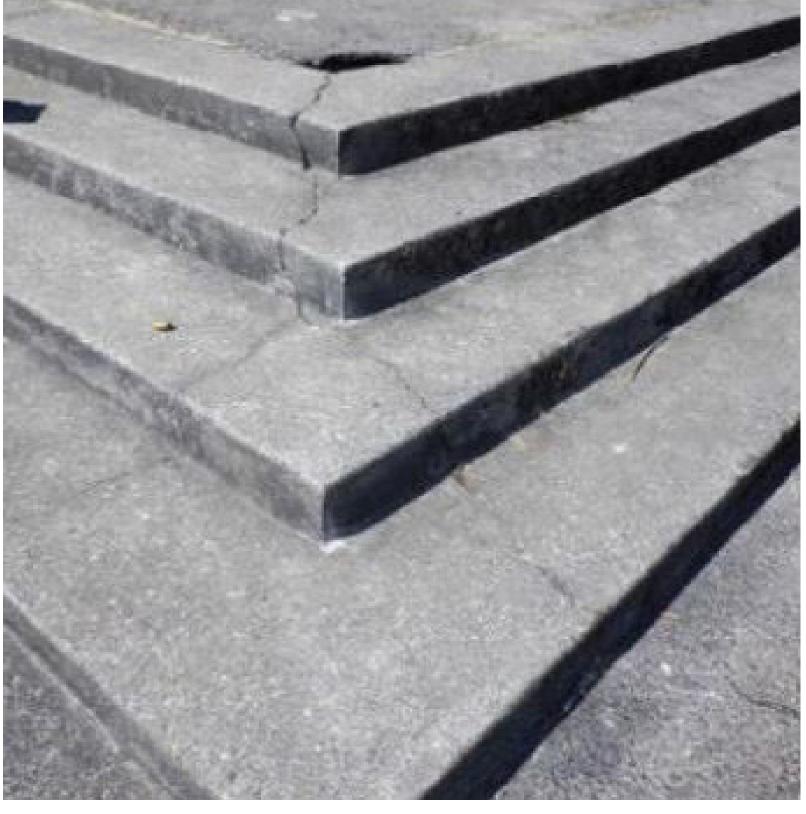

# STRUCTURAL CONDITION ASSESSMENT (IN-WATER CONDITIONS REPORT)

Sinkholes on swimming pier

Typical worn, damaged decking

Cracked concrete stairs & sinkhole

Piles & corrugated outfall pipe

## **CLARKE BEACH PARK REPORT SUMMARY:**

## **OVERALL CONDITION AND EVALUATION**

### Assessment:

- The structures are at the end of their useful lives, primarily due to degradation of concrete stairs, timber piles, and sheet pile walls.
- Concrete spalling, undermining, and significant voids threaten structural integrity.
- Corrosion and missing components in the sheet pile wall and timber components are concerning.

## General Damage Causes:

- Timber components suffer from fungal decay and biological degradation.
- Steel components are affected by corrosion, reducing strength.
- Concrete members show spalling, cracking, and exposure of reinforcing steel, which risks structural capacity.

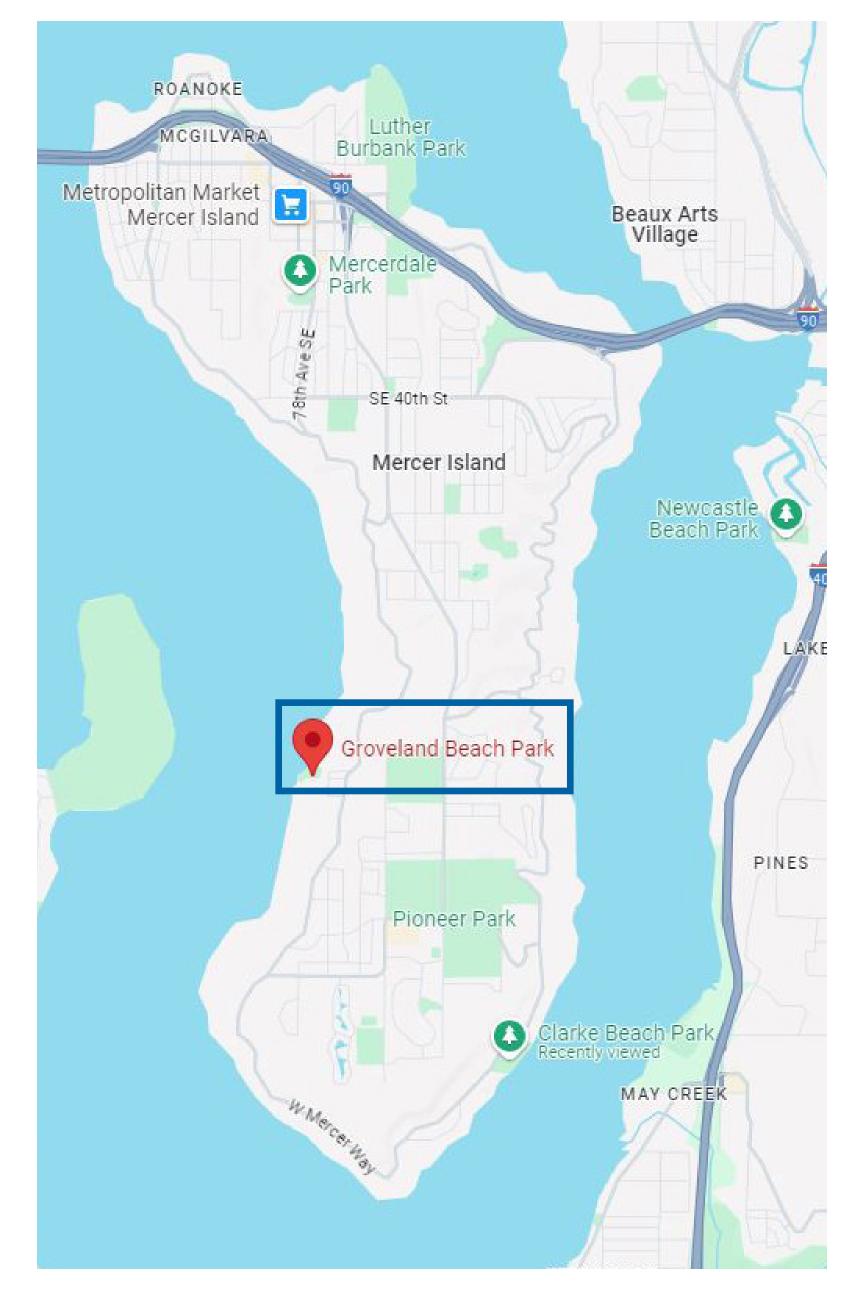

## CONCLUSION

- Immediate repairs are recommended to prevent further deterioration of structures.
- Routine inspections every two years until repairs are made, then every five years thereafter.
- Addressing deficiencies will ensure the safety, functionality, and longevity of the park's waterfront structures.

## SITE LOCATION & TOPOGRAPHIC SURVEY - GROVELAND BEACH PARK

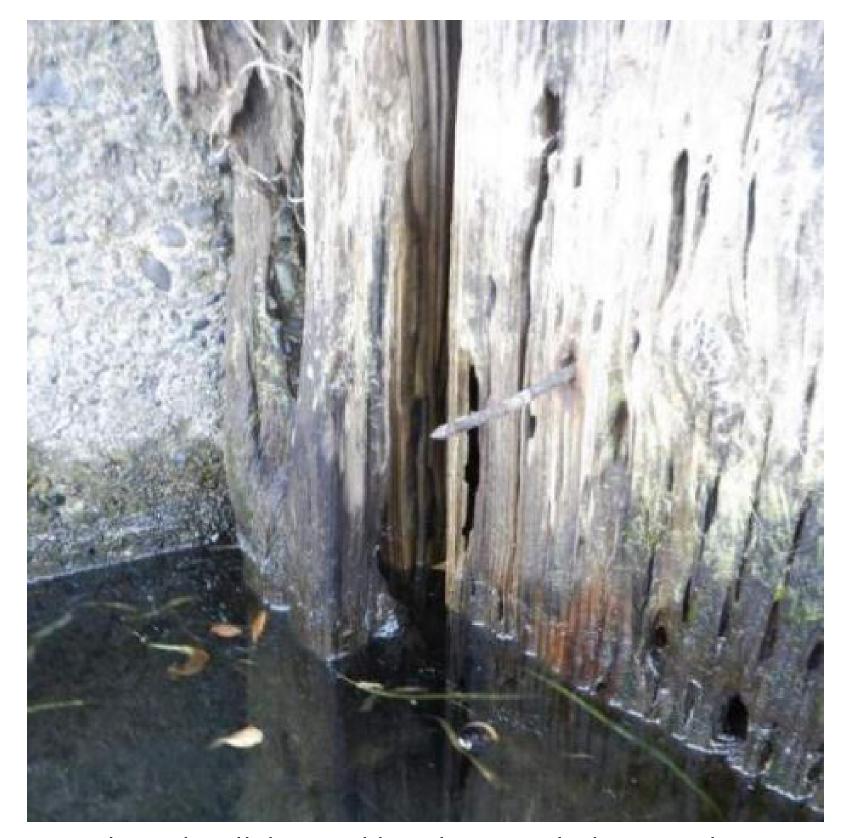

# STRUCTURAL CONDITION ASSESSMENT (IN-WATER CONDITIONS REPORT)

Cracked concrete bulkhead

Timber bulkhead biological degradation

Failed railing connection

Delaminated, spalling reinforcement

## **GROVELAND BEACH PARK REPORT SUMMARY:**

## **OVERALL CONDITION AND EVALUATION**

## Assessment:

- Timber Piles: Fair condition overall, with localized damage requiring repair. Previous repairs are in good condition, but grout debonding in pile sleeves is evident.
- Superstructure: Fair to good condition with minor weathering and splitting due to railing bolts. Regular inspection recommended.
- Bracing: Good condition, but timber braces show minor biological degradation.
- Decking: Fair condition with spalling and delamination. Concrete cracking, exposure of reinforcing steel, and surface corrosion require attention.
- Timber Bulkhead: Ranges from fair to good. Heavy degradation in curbing and exposed fill behind the wall could worsen.
- Concrete Bulkhead: Cracking, spalling, and undermining present significant risks. Structural integrity could be compromised if not repaired.

## CONCLUSION

- The overall condition of the waterfront structures is fair, but degradation is evident, and repairs are crucial for preserving safety, functionality, and the longevity of the structures.
- Maintenance: Routine inspections every 5 years recommended to monitor and manage deterioration.

# **EXISTING CONDITIONS & ACCESSIBILITY ASSESSMENT FOR RESTROOM FACILITIES REPORT**

## **MERCER ISLAND PARKS**

**GROVELAND BEACH PARK & CLARKE BEACH PARK** 

Existing Condittions and Accessibility Assessment for Restroom Facilities

January 2024

## OVERALL REPORT CONCLUSIONS

While both existing restroom buildings at Groveland Beach and Clarke Beach Parks seem to be in working order, each have various conditions that do not comply with federal and local accessibility guidelines as documented in this report.

Summary of non-compliant conditions:

- Inadequate maneuvering clearance around entry doors
- Inadequate clear space around elements such as trash receptacles, paper towel dispensers, etc.
- Inadequate turning space
- Lack of wheelchair accessible water closet compartments
- Inaccessible reach heights
- Incorrect tactile signage locations
- Inaccessible water fountains
- Inadequate accessible path to the building(s)

While several of the accessibility issues can be resolved easily with little impact to the existing structure, rectifying inadequate clearances at the existing restrooms and water closets would require significant alterations to building and plumbing elements.

## GEOTECHNICAL DATA REVIEW

# **CLARKE BEACH PARK REPORT SUMMARY: CONCLUSIONS & KEY TAKEAWAYS**

- Ongoing maintenance of the asphalt footpath will be necessary due to continuing surface settling.
- The sinkhole at the beach steps may continue to worsen due to erosion.
- A more permanent solution may require further geotechnical exploration to mitigate the current conditions.
- The project must comply with the Mercer Island Building Code, specifically Chapter 19.07, regarding geologically hazardous areas.

Facade separated from steps

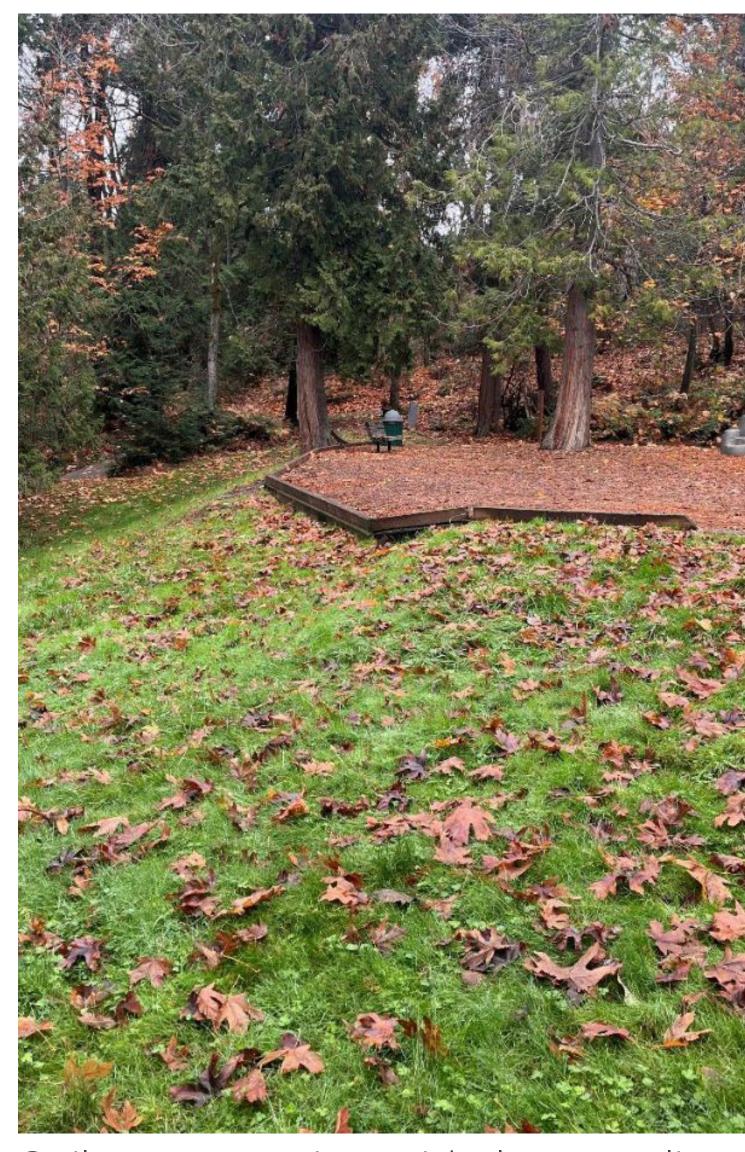

6" of settlement at south steps

Asphalt depressions

# **GROVELAND BEACH PARK REPORT SUMMARY: CONCLUSIONS & KEY TAKEAWAYS**

- Asphalt driveway maintenance is likely to continue due to chronic settlement along the western edge.
- Settlement at the beach area causing stormwater pipe rupture may persist, potentially mitigated by adding supports or replacing materials.
- A geotechnical report is required for new developments in hazardous areas.

Soil creep causing mid-slope settling

Recent cracking of asphalt

## CRITICAL AREA RECONNAISSANCE LETTER

# ANTICIPATED PERMITTING REQUIREMENTS (BOTH PARKS)

| AGENCY  | ENVIRONMENTAL POLICY / APPROVAL  |
|---|--|
| CITY OF MERCER ISLAND (CITY)                      | STATE ENVIRONMENTAL POLICY ACT (SEPA) REVIEW   |
|   | CRITICAL AREAS REVIEW (LIKELY LEVEL 2)   |
|   | SHORELINE SUBSTANTIAL DEVELOPMENT PERMIT, SHORELINE CONDITIONAL USE PERMIT (IF NEEDED), SHORELINE VARIANCE (IF NEEDED) |
|   | COMPLIANCE WITH TREE CODE (MICC 19.10) (LIKELY PART OF CONSTRUCTION PERMIT)  |
|   | OTHER CITY APPROVALS   |
| WASHINGTON DEPARTMENT OF FISH AND WILDLIFE (WDFW) | HYDRAULIC PROJECT APPROVAL (HPA)   |
| WASHINGTON DEPARTMENT OF ECOLOGY (ECOLOGY)        | SECTION 404/10 CLEAN WATER ACT AUTHORIZATIONS  |
| U.S. ARMY CORPS OF ENGINEERS (CORPS)              | 401 WATER QUALITY CERTIFICATION (WQC)  |
|   | COASTAL ZONE MANAGEMENT (CZM) CONSISTENCY  |
|   | NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) CONSTRUCTION STORMWATER GENERAL PERMIT                         |
| TRIBES  | TRIBES MAY COMMENT ON THE PROJECT VIA THE SEPA, CORPS, ECOLOGY PERMITS, OR HPA   |

## **PUBLIC OUTREACH**

# BACKGROUND SURVEY ON COMMUNITY USE OF CLARKE & GROVELAND BEACHES

HOSTED BY LET'S TALK
SEPTEMBER 27, 2024 - OCTOBER 31, 2024
229 RESPONSES (COMBINED BOTH CLARKE & GROVELAND REPONSES)

### **OVERALL KEY TAKEAWAYS:**

- MOST PEOPLE ACCESSING BY CAR, BUT SIGNIFICANT PORTION OF WALKERS AND BIKERS (BOTH PARKS)
- \* BEACH ACCESS IS THE HIGHEST RANKED USE REASON FOR VISITING BOTH PARKS
- \* STROLLING/WALKING IS 2ND HIGHEST USE AT CLARKE (SWIMMING IS 3RD)
- \* SWIMMING IS THE 2ND HIGHEST USE FOR GROVELAND
- PICNICKING IS THE 4TH HIGHEST RANKED USE FOR BOTH PARKS

## **BIGGEST CONCERNS:**

- \* ACCESSIBILITY TRAIL STEEPNESS, ACCESS TO BEACH & WATER, WAYFINDING
- PARK MAINTENANCE DEGRADED AMENITIES, PET & BIRD DROPPINGS, PLANTING, LITTER
- \* AMENITIES MORE PICNIC TABLES, BBQ'S, PLAY, SHADE, TRASH RECEPTACLES
- \* SAFETY SWIMMING CONDITIONS, WATER QUALITY, BAD BEHAVIORS, OFF-LEASH DOGS

## High-Level Project Schedule

### Q1 2025

Pre-Design and Pre-Engagement

We are here!

Q2-Q4 2025

Draft Plan Development Q1-Q2 2026

Plan Review and Adoption

Project information available at www.mercerisland.gov/cgip.

### **2025 PLANNING SCHEDULE**

Please email the City Manager & City Clerk when an agenda item is added, moved, or removed.

Items are not listed in any particular order. Agenda items & meeting dates are subject to change.
