He has paid for it but would like the City to look into see if it is a problem on our end or if it is something else. Mayor stated that he will have our public works go look and see if it is equipment failure on our end. Chris stated that he would understand if it happened only once but it is happening

to much. The City Clerk stated that we are going to put something in our news letter that talk about not putting wipes in the pipes. There was a lot of wipes from the last time the sewer was jetted. That causes issues.
