Ambulance Forgiveness Letter

Mayor asked council if they had the chance to look over the request to have this person's ambulance bill be forgiven. After the discussion council needs more information on this bill and will get with the Fire Chief before any decisions will be made.

Mayor asked the Community Development Director to give the status on the parade. The City of Mills won the grand prize so what that means is that next year we get to carry Santa and Mrs. Clause. We also cannot enter the contest for next year. There is a lot of great comments on social media.

The Mayor stated that she is meeting with the Industrial Citing Council to talk about the issues with Dinosolar and Cedar Springs 4. I want to bring up the financial hardship it places on everyone.

The City Clerk talked about the email from Chis and Angie Volzke. He would like to apply for a Winery Permit. In our Ordinance it states that the fee is \$500.00. The City Administrator stated that he might want to look at our HOA because you cannot run a business out of the house.

The City Attorney stated that the second reading of the liquor license fines ordinance is up tonight and the changes have been made from what the police and fire gave to him.

Mayor also talked about the budget and she had the City Treasurer go through some of the line items. She wants department heads to put things in there budget so they really know what is being spent. Putting things in a catch all does not work. She asked if we need to do a budget amendment for that and the City Treasurer stated that we are not over budget so we are ok. We do not have to do a line by line amendment.

The city employee Christmas party was talked about.

The Community Development Director stated that in the past years we have had employees that have volunteered to work at the toy drive at the Walmarts. She sent out a link and if anyone wants to sign up. The dates are Dec 11-16th from 7am to 7pm.
