Buffalo Meadows Re-Zone - Mixed Size Residential to Mixed Use District

MINUTES OF THE 16th OF MARCH 2023 MILLS PLANNING & ZONING BOARD MEETING

Board Members Present: Pattie Gould, Bob Greenley and Leon Norvell were all present for this P&Z Meeting. Ed Greenwood and Mike Roden were absent.

Others in Attendance: Megan Nelms, City Planner, Kevin O'Hearn, Building Official, Leo Maddox and Shawn Gustafson, applicant were also in attendance.

Chairman Pattie Gould called the Meeting to order at 5:07 PM on March 16, 2023, as a quorum was present.

Chairman Pattie Gould asked board members if they had read the minutes of the February 2, 2023 P&Z Board meeting. Board Member Bob Greenley made a motion to approve the minutes, with one change to the date in the header on page 2. Board Member Leon Norvell seconded the motion. Chairman Pattie Gould called for a vote to pass the minutes of the 16th of March 2023 P&Z meeting. All ayes, motion passed.

Pattie asked Megan to present the agenda item. Megan introduced case number 23.02 COZ, the Buffalo Meadows Rezoning request.

Background:

The applicant is proposing to rezone Lots 1-7, Buffalo Meadows Addition from MSR (Mixed Size Residential District) to MU (Mixed Use District) to facilitate development of multi-family housing units.

Notifications were sent to utility reviewers on March 1, 2023:

No comments were received from external and internal staff reviews. Megan provided an overview rezoning request:

Planning Considerations:

The 2017 Comprehensive Plan Future Land Use Map designates this area as Medium Density Residential. The intent of the MU (Mixed Use District) is to establish and maintain a quiet, medium to high density residential/commercial neighborhood, preserving and promoting the existence of a sufficient amount of open space, a mix of housing and employment opportunities and access to recreational sites and transportation corridors.

The re-zoning request is in accordance with the future land use map.

MINUTES OF THE 16TH OF MARCH 2023 MILLS PLANNING & ZONING BOARD MEETING

There are no zoning considerations. All future development will be subject to the MU (Mixed Use) zoning district requirements.

Staff Recommendation: Staff recommends the Planning and Zoning Board approve the rezoning request for Lots 1-7, Buffalo Meadows Addition.

Chairman Gould thanked Megan and asked if there were any questions from the Board. Board Member Greenley asked why they were leaving the last two lots on the block zoned (MSR). Shawn Gustafson, the applicant's representative stated that those two lots have already been sold to Skyline Builders. There was general discussion about the location of the WAPA powerline and what the open space area behind these lots was going to be used for. That area is owned by the City for drainage. The grade is very steep, and the land is not very usable. There had been talk about a snow slope or sledding hill being constructed there.

Board Member Greenley asked if the neighbors on the corner to the north had been notified? Megan state that yes, that property owner is on the neighbor list included in the case information packet and he would have received a neighbor letter. Megan stated that she had informed the applicant that it would be best practice to gather signatures from surrounding property owners that were not associated with Buffalo Development, LLC or Skyline Builders, but that those two entities are the majority owners of the surrounding property so technically, the applicant has met the requirements of the regulations with the signatures on their petition, as submitted.

There was general discussion about how to inform surrounding property owners and the public about proposed zone changes or subdivisions. Megan noted that neighbor letters were sent out and a notice was published in the newspaper and on the City website. The Commission then discussed potential methods of notification and the difficulties that can be encountered trying to build consensus in a neighborhood.

Chairman Gould then asked if there was any further discussion. There was none so she called for a motion. Board Member Bob Greenley made a motion to provide the City Council with a "Do Pass" recommendation for the rezoning of Lots 1-7, Buffalo Meadows Addition. Board Member Leon Norvell seconded the motion. All voted in favor, motion carried.

After the applicant left, Megan discussed recent development inquiries she had received as well as upcoming cases for the April 2023 P&Z meeting.

With no further business, Chair Pattie Gould declared the meeting adjourned at 5:37 PM.
