PLEDGE OF ALLEGIANCE

PUBLIC HEARING

1. Ridge West No.2 Vacation and Replat

During the public hearing on the Ridge West No. 2 Vacation Replat, The City Planner presented a request from Greiner LLC to replat a portion of the previously approved Ridge West Subdivision. The affected area includes Lots 64 through 86 and remains zoned R-1 Single-Family Residential. Staff explained that the proposal reorganizes existing lots within the approved subdivision boundaries without expanding the subdivision footprint or requesting any zoning changes. The replat reduces the total number of residential lots by four, resulting in 19 residential lots on approximately 4.46 acres and reducing the overall residential density by creating larger lots.

The City Planner reported that the proposal complies with all applicable R-1 zoning requirements, including minimum lot size and lot width standards. Agency review comments indicated no concerns from water, sewer, police, fire, or other public service providers. Staff noted that an earlier concern from Rocky Mountain Power regarding electrical service agreements had been resolved. The Planning and Zoning Commission reviewed the application and recommended approval to the City Council. Public notice requirements were met through published notices and mailed notifications to surrounding property owners, and no public comments had been received prior to the hearing.

The ECS Engineer spoke in support of the application. He stated that he was available to answer questions and explained that Rocky Mountain Power's earlier concern resulted from a misunderstanding regarding the number of lots proposed. He clarified that the replat decreases the number of lots by four rather than increasing them and noted that the larger lot configuration would be beneficial to the development. No questions were raised by the Council.

Mayor Juarez called for additional testimony in favor of and in opposition to the application. No other individuals came forward to speak. With no further public comment, the Mayor closed the public hearing and reconvened the regular City Council meeting.

OPEN DISCUSSION

Scott Clamp, Mills resident discussed property addresses, zoning, and lot configurations related to his properties. He noted that several lots were rezoned to commercial use years ago and questioned why some records still reflect residential zoning. He asked about the process and costs of combining multiple lots into a single parcel and whether doing so would affect taxes.

Staff explained that combining lots requires a minor replat. Replatting is most beneficial when selling property, addressing title issues, or resolving setback and lot line concerns for future development. Existing structures that cross lot lines may be grandfathered in, but lot consolidation can simplify future building and property transfers.

Staff noted that some zoning discrepancies may be due to mapping or recordkeeping errors and agreed to investigate the commercial zoning status of the properties discussed.
