WHEREAS, the City desires to set forth the terms and conditions by which Rocky Mountain Power shall use the public ways of the City;

NOW, THEREFORE, be it ordained by the City:

SECTION 2. Term. The term of this Franchise and General Utility Easement is for ten (10) years commencing on the date of acceptance by the Company as set forth in Section 3 below.

SECTION 3. Acceptance by Company. Within sixty (60) days after the passage of this ordinance by the City, Rocky Mountain Power shall file an unqualified written acceptance thereof, with the City Recorder otherwise the ordinance and the rights granted herein shall be null and void.

SECTION 4. Non-Exclusive Franchise. The right to use and occupy the Public Ways of the City shall be nonexclusive and the City reserves the right to use the Public Ways for itself or any other entity that provides service to City residences; provided, however, that such use shall not unreasonably interfere with Rocky Mountain Power's Electric Facilities or Rocky Mountain Power's rights as granted herein.

SECTION 5. City Regulatory Authority. In addition to the provision herein contained, the City reserves the right to adopt such additional ordinances and regulations as may be deemed necessary in the exercise of its police power for the protection of the health, safety and welfare of its citizens and their properties or exercise any other rights, powers, or duties required or authorized, under the Constitution of the State of Wyoming, the laws of Wyoming or City Ordinance.

The City shall: (a) give prompt written notice to Rocky Mountain Power of any claim, demand or lien with respect to which the City seeks indemnification hereunder; and (b) permit Rocky Mountain Power to assume the defense of such claim, demand, or lien. If such defense is not assumed by Rocky Mountain Power, Rocky Mountain Power shall not be subject to liability for any settlement made without its consent. 8.1 All Electrical Facilities installed or used under authority of this Franchise shall be used, constructed and maintained in accordance with applicable federal, state and city laws, codes and regulations.

8.2 Except in the case of an emergency, Rocky Mountain Power shall, prior to commencing new construction or major reconstruction work in the Public Ways, apply for any permit from the City as may be required by the City’s ordinances, which permit shall not be unreasonably withheld, conditioned, or delayed. Rocky Mountain Power will abide by all applicable ordinances and all reasonable rules, regulations and requirements of the City, and the City may inspect the manner of such work and require remedies as may be reasonably necessary to assure compliance. Notwithstanding the foregoing, Rocky Mountain Power shall not be obligated to obtain a permit to perform emergency repairs.

8.3 All Electric Facilities shall be located so as to cause minimum interference with the Public Ways of the City and shall be constructed, installed, maintained, cleared of vegetation, renovated or replaced in accordance with applicable rules, ordinances and regulations of the City.

8.4 If, during the course of work on its Electrical Facilities, Rocky Mountain Power causes damage to or alters the Public Way or public property, Rocky Mountain Power shall (at its own cost and expense and in a manner reasonably approved by the City) replace and restore it in as good a condition as existed before the work commenced.

8.5 In addition to the installation of underground electric distribution lines as provided by applicable state law and regulations, Rocky Mountain Power shall, upon payment of all charges provided in its tariffs or their equivalent, place newly constructed electric distribution lines underground as may be required by City ordinance.

Provided further, that Rocky Mountain Power shall assume no liability nor shall it incur, directly or indirectly, any additional expense in connection therewith, and the use of said poles and structures by the City shall be in such a manner as to prevent safety hazards or interferences with Rocky Mountain Power's use of same. Further, City attachments shall be attached or installed only after written approval by Rocky Mountain Power in conjunction

with Rocky Mountain Power’s standard pole attachment application process. Rocky Mountain Power shall have the right to inspect, at the City’s expense, such attachments to ensure compliance with this Section 8.6 and to require the City to remedy any defective attachments.

8.7 Rocky Mountain Power shall have the right to excavate the Public Rights of Ways subject to reasonable conditions and requirements of the City. Before installing new underground conduits or replacing existing underground conduits, Rocky Mountain Power shall first notify the City of such work by written notice and shall allow the City, at its own expense (to include a pro rata share of the trenching costs), to share the trench of Rocky Mountain Power to lay its own conduit therein, provided that such action by the City will not unreasonably interfere with Rocky Mountain Power's Electrical Facilities or delay project completion.

8.8 Before commencing any street improvements or other work within a Public Way that may affect Rocky Mountain Power’s Electric Facilities, the City shall give written notice to Rocky Mountain Power.

SECTION 9. Relocations of Electric Facilities.

Within a reasonable period of time after written notice, Rocky Mountain Power shall promptly commence the relocation of its Electrical Facilities. Before requiring a relocation of Electric Facilities, the City shall, with the assistance and consent of Rocky Mountain Power, identify a reasonable alignment for the relocated Electric Facilities within the Public Ways of the City.

The City shall assign or otherwise transfer to Company all right it may have to recover the cost for the relocation work and shall support the efforts of Rocky Mountain Power to obtain reimbursement.

9.2 Rocky Mountain Power shall not be obligated to pay the cost of any relocation that is required or made a condition of a private development. If the removal or relocation of facilities is caused directly or otherwise by an identifiable development of property in the area, or is made for the convenience of a customer, Rocky Mountain Power may charge the expense of removal or relocation to the developer or customer. For example, Rocky Mountain Power shall not be required to pay relocation costs in connection with a road widening or realignment where the road project is made a condition of or caused by a private development.

SECTION 10. Subdivision Plat Notification. Before the City approves any new subdivision and before recordation of the plat, the City shall obtain Rocky Mountain Power’s approval of Electrical Facilities, including underground facilities to be installed by the developer, and associated rights of way depicted on the plat. 12.1 In consideration of the rights, privileges, and franchise hereby granted, Rocky Mountain Power shall pay to the City from and after the effective date of the acceptance of this franchise, seven percent (7%) of its gross revenues derived from within the corporate limits of City. The term “gross revenue” as used herein shall be construed to mean any revenue of Rocky Mountain Power derived from the retail sale and use of electric power and energy within the municipal boundaries of the City after adjustment for the net write-off of uncollectible accounts and corrections of bills theretofore rendered. Notwithstanding any provision to the contrary, at any time during the term of this Franchise, the City may elect to increase the franchise fee amount as may then be allowed by state law. The City shall provide Rocky Mountain Power with prior written notice of such increase following adoption of the change in percentage by the City. The increase shall be effective sixty (60) days after City has provided such written notice to Rocky Mountain Power.

12.2 The franchise fee shall not be in addition to any other license, occupation, franchise or excise taxes or charges which might otherwise be levied or collected by the City from Grantee with respect to Grantee’s electric business or the exercise of this franchise within the corporate limits of the City and the amount due to the City under any such other license, occupation, franchise or excise taxes or other charges for corresponding periods shall be reduced by deducting therefrom the amount of said franchise fee paid hereunder.

SECTION 13. Renewal. At least 120 days prior to the expiration of this Franchise, Rocky Mountain Power and the City either shall agree to extend the term of this Franchise for a mutually acceptable period of time or the parties shall use best faith efforts to renegotiate a replacement Franchise. Rocky Mountain Power shall have the continued right to use the Public Ways of the City as set forth herein in the event an extension or replacement Franchise is not entered into upon expiration of this Franchise.

SECTION 14. No Waiver. Neither the City nor Rocky Mountain Power shall be excused from complying with any of the terms and conditions of this Franchise by any failure of the other, or

any of its officers, employees, or agents, upon any one or more occasions to insist upon or to seek compliance with any such terms and conditions.

SECTION 15. Transfer of Franchise. Rocky Mountain Power shall not transfer or assign any rights under this Franchise to another entity, except transfers and assignments by operation of law, or to affiliates, parents or subsidiaries of Rocky Mountain Power which assume all of Rocky Mountain Power’s obligations hereunder, unless the City shall first give its approval in writing, which approval shall not be unreasonably withheld, conditioned or delayed; provided, however, Rocky Mountain Power may assign, mortgage, pledge, hypothecate or otherwise transfer without consent its interest in this Franchise to any financing entity, or agent on behalf of any financing entity to whom Rocky Mountain Power (1) has obligations for borrowed money or in respect of guaranties thereof, (ii) has obligations evidenced by bonds, debentures, notes or similar instruments, or (iii) has obligations under or with respect to letters of credit, bankers acceptances and similar facilities or in respect of guaranties thereof.

SECTION 16. Amendment. At any time during the term of this Franchise, the City through its City Council, or Rocky Mountain Power may propose amendments to this Franchise by giving thirty (30) days written notice to the other party of the proposed amendment(s) desired, and both parties thereafter, through their designated representatives, will, within a reasonable time, negotiate in good faith in an effort to agree upon mutually satisfactory amendment(s). No amendment or amendments to this Franchise shall be effective until mutually agreed upon by the City and Rocky Mountain Power and formally adopted as an ordinance amendment, which is accepted in writing by Rocky Mountain Power.

SECTION 17. Non-Contestability--Breach of Contract.

17.1 Neither the City nor Rocky Mountain Power will take any action for the purpose of securing modification of this Franchise before either the Public Service Commission or any Court of competent jurisdiction; provided, however, that neither shall be precluded from taking any action it deems necessary to resolve difference in interpretation of the Franchise nor shall Rocky Mountain Power be precluded from seeking relief from the Courts in the event Public Service Commission orders, rules or regulations conflict with or make performance under the Franchise illegal.

17.2 In the event Rocky Mountain Power or the City fails to fulfill any of their respective obligations under this Franchise, the City, or Rocky Mountain Power, whichever the case may be will have a breach of contract claim and remedy against the other in addition to any other remedy provided by law, provided that no remedy which would have the effect of amending the specific provisions of this Franchise shall become effective without such action which would be necessary to formally amend the Franchise.

SECTION 18. Notices. Unless otherwise specified herein, all notices from Rocky Mountain Power to the City pursuant to or concerning this Franchise shall be delivered to the City Recorder's Office. Unless otherwise specified herein, all notices from the City to Rocky Mountain Power pursuant to or concerning this Franchise shall be delivered to the Regional Business Management

Director, Rocky Mountain Power, 70 North 200 East, Room 122, American Fork, Utah, 84003, and such other office as Rocky Mountain Power may advise the City of by written notice.

SECTION 19. Severability. If any section, sentence, paragraph, term or provision hereof is for any reason determined to be illegal, invalid, or superseded by other lawful authority including any state or federal regulatory authority having jurisdiction thereof or unconstitutional, illegal or invalid by any court of common jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such determination shall have no effect on the validity of any other section, sentence, paragraph, term or provision hereof, all of which will remain in full force and effect for the term of the Franchise or any renewal or renewals thereof.

SECTION 20. Waiver of Jury Trial. To the fullest extent permitted by law, each of the parties hereto waives any right it may have to a trial by jury in respect of litigation directly or indirectly arising out of, under or in connection with this agreement. Each party further waives any right to consolidate any action in which a jury trial has been waived with any other action in which a jury trial cannot be or has not been waived.

ORDINANCE NO. _____

AN ORDINANCE REGARDING LEGAL ADVERTISEMENTS

WHEREAS, The City of Mills amended its City Code to provide for the following provisions:

2.90.30 Legal Advertisements.

Pursuant to the Provisions found at Article 13, Sec. 1, of the Wyoming Constitution, in all instances in which there exists a Statute requiring the Town of Mills to advertise or place notices in a newspaper, the Town of Mills shall instead place said notice or advertisement, except where it elects to do the same in a newspaper, on the Town’s website and three designated public places in the Town of Mills. Unless provided for otherwise, the public places will be the Mills Town Hall, the Mills Library and the United States Post Office in the Town of Mills. All such notices shall remain in place for that period specified by State Statute for running an advertisement or a notice in a newspaper.

Nothing in this provision shall preclude the Town from running an advertisement or notice in a newspaper should it choose to do so.

and;

WHEREAS, The City of Mills, together with the Town of Bar Nunn, has been sued twice over the above referenced provision by Lee Enterprises, the owner of the Casper Star Tribune, which brought its suit once with the Wyoming Press Association, and

WHEREAS, Lee Enterprises maintains in its suit that the meaning of the term “newspaper” is such that legal notices must be placed in a print newspaper, of which the Casper Star Tribune is the only example in Natrona County, and for which most municipalities have only one such source available to them, and

WHEREAS, The presence of only one newspaper in Natrona County means that the municipalities in Natrona County, Wyoming are captives of the Casper Star Tribune, if Lee Enterprises’ reading of the law is correct, which leaves the Casper Star Tribune free to charge any amount it might wish in order for municipalities to run legal notices in a journal of declining circulation.

WHEREAS, The City of Mills and the Town of Bar Nunn have brought a counterclaim challenging the constitutionality of the Wyoming State Statutes requiring publication in newspapers of certain notices, which further challenges the presumption that the term “newspaper” in 2023 means a print newspaper, such as it meant in 1876, the date first cited by Lee Enterprises regarding one of the subject statutes; and

WHEREAS, The goal of the municipalities is to have as wide of distribution and the most effective distribution of information which is provided in legal notices; and

WHEREAS, In 2023 print newspapers are not the most effective means of providing such notice, as exhibited by the fact that the circulation of the Casper Star Tribune is smaller in 2023 than it was in 1923, and less than 100 people receive the newspaper in Mills, Wyoming; and

WHEREAS, Print newspapers have largely been supplanted by electronic media and even the Casper Star Tribune only publishes electronically four days out of seven; and

WHEREAS, while at one time Natrona County was served by more than one print newspaper, today only the Casper Star Tribune remains in print circulation, and it is not even printed in Natrona County, Wyoming; and

WHEREAS, The Casper Star Tribune, when printed, depends upon the United States Post Office to deliver its papers, rather than delivery personnel who can assure a timely delivery; and

WHEREAS, Natrona County Wyoming is served by no less than the following electronic media outlets:

- The Casper Star Tribune, which publishes electronically and in print three times per week.
- Oil City News, which publishes electronically daily.
- Cowboy State Daily, which publishes electronically daily.
- WyoFile, which publishes electronically.
- The Casper College Chinook, which publishes electronically.
- Town Square Media, which publishes electronically.
- Wyoming News Now, which publishes electronically.
- K2 Radio, which publishes electronically.

WHEREAS, Some, or all, of the above referenced electronic media are suitable for the publication of legal notices required by Wyoming State Statutes, and

WHEREAS, The above referenced ordinance was brought under Wyoming’s Home Rule provisions; and

WHEREAS, The State of Wyoming and Lee Enterprises are maintaining that the municipalities may not exempt themselves from the publication statutes, in spite of their widely varying terms and unequal application to various municipalities, and

WHEREAS, The goal of the municipalities has always been, and remains, to provide the most effective notice to the public in the most cost effective manner;

NOW **THEREFORE**, The City Council of the City of Mills hereby repeals those portions of the aforementioned ordinance, with the strikes noted in red below, and passes the following amended text:

2.90.30 Legal Advertisements.

The term “newspaper”, in so far as it is used by the Statues of the State of Wyoming, requiring publication by municipalities of certain notices and information is undefined. This ordinance, therefore, sets forth the meaning of the terms “newspaper” and publish for the purpose of complying with Wyoming State Statutes by the City of Mills and the matters to be considered by the town in regard to the same.

- A. Whenever possible the City shall take into consideration the circulation of the newspaper when placing notices, with such consideration to consider ultimate circulation, timeliness, and the cost of placing the notice. While cost or circulation need not alone dictate which newspaper is chosen, it shall be a matter that shall be taken into consideration.

- B. Whenever the term “newspaper” is used by a Wyoming State Statute which requires a municipality to place a notice or publication in the same, the city may:
 - i. Rely on the common understanding of the meaning of the term “newspaper” as it existed at the time of the first Wyoming Statute to use the same. If this is done, it will require no any further act by the City Council in order for that understanding to apply.

 - ii. Adopt, by resolution, the 21st Century understanding of “newspaper” for any particular purpose, which shall mean an electronic publication satisfying the following criteria:
 - a. An electronic publication, to include a website which;
 - b. Is published or maintained on a daily basis, and which;
 - c. Is published for the purpose of distributing information and news in a fashion similar to that of a print newspaper and which;
 - d. Includes Natrona County, Wyoming as part of its routine coverage.

- C. Whenever the term “publish” is used by a Wyoming State Statute which requires a municipality to publish a notice in a “newspaper”, the following shall be presumed to apply:
 - i. “Publish”, in the case of a print newspaper, shall be presumed to mean “printed and distributed”, wherever the statute makes reference to a

locality, such as within a municipality or county, unless the city establishes a good and sufficient basis for reading the same in another manner, and records the same my way of a resolution.

- ii. “Publish”, in the case of electronic media, shall be presumed to mean electronically issued on a website which meets the definition of a “newspaper” as set forth above, which can reasonably be determined to be directed towards or read within a municipality or county.

D. In any instance in which the city determines to publish a notice in an electronic newspaper, such as is described in 2.90.30(B)ii above, it shall publish the same on its website and store a copy of the electronic notice for a period of five (5) years, unless a statute, ordinance or resolution requires a longer time period. Publication of a notice in an electronic newspaper may include a active link to the city’s publication on its website, which shall suffice for publication as long as it was specifically done for the purpose of giving notice.

E. Should the State of Wyoming amend, repeal or replace the current publication statutes, on whole or in part, to allow for the placement of notices through a centralized electronic system maintained or authorized by the State of Wyoming, the City of Mills shall accordingly elect to use that system in the fashion authorized by the State.
