PLANNING & ZONING RECOMMENDATIONS

7. Conduct a public hearing and consideration of a rezoning request for Tract 1, a tract of land containing 5.182 acres, from Agricultural Open Interim District (“AO-I”) to General Business District (“C-3”), and Tract 2, a tract of land containing 4.210 acres, from Agricultural Open Interim District (“AO-I”) to Townhouse Residential District (“R-1T”), both out of Lot 24-5, West Addition to Sharyland Subdivision, located along the South side of West Griffin Parkway approximately 112 feet East of Holland Avenue. Applicant: 3BU Family Limited Partnership, Adoption of Ordinance #5661 - Cervantes

The applicant was requesting to rezone the subject property from Agricultural Open Interim District (“AO-I”) to General Business District (“C-3”) and Townhouse Residential District (“R-1T”) to allow a commercial development (3 lots) along West Griffin Parkway with a 37 lot townhome development immediately to the south. The developer was proposing a public street to connect the proposed townhomes to West Griffin Parkway. Tract 1 measured 691.9 feet along West Griffin Parkway and had a depth of 330 feet along the east side and 311.82 feet along the West side for a total area of 5.182 acres. Tract 2 measured 691.25 feet East to West and had a depth of 250 feet along the east side and 270 feet along the West side for a total area of 4.21 acres. The surrounding zones were Single Family Residential District (“R-1”) to the South, Agricultural Open Interim District (“AO-I”) to the West, General Business District (“C-3”) to the North, and General Business District (“C-3”) and Multi-family Residential District (“R-3”) to the East. The existing land uses were: a large commercial plaza and Delia’s tamales to the North, a vacant tract to the west, The Northside single-family subdivision to the South and Elizondo’s Plumbing to the East. The subject property had an abandoned home with an abandoned large shed in the back. The Future Land Use Map showed the subject property (Tract 1) as General Commercial and (Tract 2) as Low-Density Residential. Even though the requested rezoning for Tract 2 of the rezoning was not considered low-density residential, townhouses were an acceptable transition from commercial land uses to low-density residential land uses. Notices were mailed to 30 surrounding property owners. Planning staff received one phone with concerns about lack of maintenance (high weeds) in the property.

Staff and City Manager recommended approval.

Mayor Garza asked if there were any comments for or against the request.

There were no comments.

Mayor Pro Tem Plata moved to approve the rezoning request for Tract 1, a tract of land containing 5.182 acres, from Agricultural Open Interim District (“AO-I”) to General Business District (“C-3”), and Tract 2, a tract of land containing 4.210 acres, from Agricultural Open Interim District (“AO-I”) to Townhouse Residential District (“R-1T”), both out of Lot 24-5, West Addition to Sharyland Subdivision, located along the South side of West Griffin Parkway approximately 112 feet East of Holland Avenue. Applicant: 3BU Family Limited Partnership, Adoption of Ordinance #5661. Motion was seconded by Councilman Vela and approved unanimously 5-0.

ORDINANCE NO. 5661

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MISSION, TEXAS GRANTING A REZONING FOR TRACT 1, A TRACT OF LAND CONTAINING 5.182 ACRES, FROM AGRICULTURAL OPEN INTERIM DISTRICT (“AO-I”) TO GENERAL BUSINESS DISTRICT (“C-3”), AND TRACT 2, A TRACT OF LAND CONTAINING 4.210 ACRES, FROM AGRICUTRUAL OPEN INTERIM (“AO-I”) TO TOWNHOUSE RESIDENTIAL DISTRICT (“R-1T”), BOTH OUT OF LOT 24-5, WEST ADDITION TO SHARYLAND SUBDIVISION, LOCATED ALONG THE SOUTH

SIDE OF WEST GRIFFIN PARKWAY APPROXIMATELY 112 FEET EAST OF HOLLAND AVENUE.

8. Conduct a public hearing and consideration of a rezoning request from Office Building District (“C-1”) to General Business District (“C-3”) for a 2.50-acre tract of land out of Lot 28-6, West Addition to Sharyland Subdivision, located along the West side of Conway Avenue approximately 1,170 feet South of West Mile 2 Road. Applicant: MAS Engineering, LLC, Adoption of Ordinance #5662 - Cervantes

The applicant was requesting to rezone the subject property from Office Building District (“C-1”) to General Business District (“C-3”) to allow a commercial development at the site. The subject property had 110.08 feet of frontage along Conway Avenue, but the property widens to 248.08 feet at the rear. The subject property had a depth of 575.32 feet and a total area of 2.5 acres. The developer was processing a 2-lot subdivision with an access easement for the rear lot to have access to Conway Avenue. The surrounding zones were Single Family Residential District (“R-1”) to the West, Mobile & Modular Home District to the South, Agricultural Open Interim (AO-I) to the East and Office Building District (C-1) and General Business District (C-3) to the North. The existing land uses were: a commercial plaza to the North with Donato Panaderia and Valley Pediatric Clinic, The Wagon City Mobile Home Subdivision to the South, the Mission North single-family subdivision to the west and a residential home in a large tract of land to the East.

The Future Land Use Map showed the subject property designated for High Density Residential. Even though the requested rezoning was not in line with the Future Land Use Map designation, the property had frontage to Conway Avenue which was a major commercial thoroughfare. Due to the heavy traffic along Conway Avenue and based on the commercial zonings to the North of the property, staff believed that the property was in transition and recommended approval of the rezoning request. 62 legal notices were mailed to the surrounding property owners. Ms. Davis, the manager of the Wagon City Mobile Home Subdivision, called the Planning Department expressing concerns about the lack of maintenance of the subject property.

Staff and City Manager recommended approval.

Mayor Garza asked if there were any comments for or against the request.

Russell, Adoption of Ordinance #5664 - Cervantes

The subject site was located 820' west of Shary Road along the south side of Monaco Drive, in a gated private street. Per Code of Ordinance, a home occupation required the approval of a Conditional Use Permit by the City Council. The applicant would like to keep his Federal Firearms License active and one of the requirements was for him to have permission from the City to utilize his home address for the business. The applicant had a Federal Firearms license, which allowed him to process paperwork for the issuance of the firearms, if first approved by the

Federal Bureau of Alcohol, Tobacco and Firearms. The home had a 100-foot-long driveway that leads to a detached 3-car garage, thus having plenty of space for 2 off-street parking spaces for residential areas. The applicant had his office next to the front foyer where he would conduct business. The applicant would be the only person operating the business and there would be no advertising on the premises. The proposed gun sales would be strictly via online sales and by appointment only; walk-ins were not welcome but would happen on occasion. The applicant made the majority of his sales at Gun Shows. Staff noted that a conditional use permit was approved for a home occupation - sale of Firearms for this same location on September of 2011 for a period of 1 year. Shortly after his approval, the applicant moved his business to a commercial location. In 2018, the applicant closed his business due to health reasons. The applicant obtained a letter from the Monaco Homeowners Association stating that he was approved to move his ATF license to his residence. The applicant's home had an alarm system, and the firearms are safely stored in a safe. In an effort to comply with the ATF requirements and to keep his license current for at least 2 more years he would like the board's consideration of his request. The Planning staff had not received any objections to the request from the surrounding property owners. Staff mailed out (17) legal notices to surrounding property owners. In accordance with the zoning ordinance, the P&Z and City Council may impose requirements and conditions of approval to ensure that a use requested by a Conditional Use Permit is compatible and complementary to adjacent properties.
