PRESENTATIONS

1. Proclamation - Parks and Recreation Month – Bentsen

Mayor Pro Tem Ruben Plata moved to approve the Proclamation – Parks & Recreation Month as presented. Motion was seconded by Councilwoman Marissa Gerlach and approved unanimously 5-0.

2. Remarks by Bobbie Espericueta on behalf of the Speedy Memorial Foundation

Bobbie Esperiqueta, founder of the Speedy Memorial Foundation, thanked the City of Mission for their continued support of the annual Speedy 5K. This was the 7th annual race, and thanks to the city's support, sponsor, and the community, they had 2,300 participants this year, making this one of the largest 5Ks in the valley. Due to the outpouring of support, the event continued to grow larger every year. This year, they were able to raise $50,018.18 in scholarship funds to be given to children of law enforcement officers. To date, they have awarded a total of $190,000 in scholarship funds. Due to the growth of the event, Bobbie stated that one thing to consider for next year was to work with TxDOT to possibly close both northbound lanes on Shary Road during the race. The safety of the participants was their biggest priority.

3. Recognition of Mission Fire Department EMS Personnel and Appreciation of First Responders and Emergency Service Agencies – Silva

Michael Silva, Fire Chief, recognized Lt.EMT/Paramedic Pilar Garcia III, Firefighter/Paramedic Erick Valdiviez, Firefighter/Paramedic Victor Lopez, Firefighter/EMT Abel Gutierrez, Firefighter/EMT Jhonier Marin, for their courageous actions. Their quick response and life-saving care helped save the life of a high school student athlete who collapsed during practice. Their teamwork and dedication made a life changing difference.

4. Presentation of Awards received by Mission Police Department – Torres

Cesar Torres, Chief of Police, recognized several law enforcement officers as well as an intern for their dedicated service. Crime Victims Liaison, Teresa Martinez was recognized for her internship with the department and all of her support and assistance. Sgt. Alexandria Leal and K9 Officer Juan Garcia were recognized for their outstanding service within the K9 Division. Sgt Luis Gutierrez, Officer Jose H. Salinas, and Officer Jose M. Salinas were all recognized by MADD for their outstanding performance in the field. Chief Torres was also awarded a leadership award. Their hard work, leadership, and commitment to keeping Mission safe had not gone unnoticed.

5. Boys and Girls Club Quarterly Financial Report – Venecia

Rick Venecia, Boys & Girls Club CEO, gave an update on the operations of the Boys & Girls Club. Mr. Venecia presented the financial report for the club which showed a surplus of $31,739 year-to-date. They were looking for ways to cut back on some of the operations costs. A lot of the expenses were due to the personnel hired for games as well as police officer presence at the games. They were planning on applying for grants again this year and estimated they would receive up about $300 thousand in grant funding. The summer program was currently running, and there were about 200-220 students per unit. They had a safety inspection and passed with flying colors. The club had also received a $500 donation from a parent. They also had a very successful annual golf tournament in April which sold out. The main unit had a new security system in place. Visitors now how to get buzzed into the unit. They were hoping to install this in the other units as well. Amy Hidrogo, administrative assistant, was named Support Staff of the Year by the Boys and Girls Club of America. They were also going to be taking 20 students to Khols for a shopping spree in which Khols would be giving $1,000 and the Boys & Girls Club was matching that.

6. Report from Mission Economic Development Corporation - Teclo Garcia

Belen Guerrero, gave an update on the overall operations of the Mission Economic Development Corporation. Through the Downtown Assistance Program, they were able to award $150,000 amongst seven businesses. The CEED building was now the home to two universal EV chargers. These were the first of their kind within the county. RGV Healthy Vending was expanding their business and taking over the space where 5X5 used to be housed. They would be hosting a groundbreaking ceremony for ZerLuma Sustainable Aluminum on July 28th. Mission Ready hosted 15 interns for a six-week program with various local businesses. The program was ending, and they would be having a celebration for the volunteers on August 6th. The STC scholarship program was also now open for Mission Residents, giving them an opportunity to apply for two years of funding.

Councilman Alberto Vela stepped out of the meeting at 5:42 p.m.

7. Departmental Reports – Terrazas / A. Garcia

11. Discussion and possible action on matters related to the authorization to solicit Requests for Proposals (RFP) for Bartending Services for the Mission Event Center – A. Lerma

Staff respectfully requested authorization from the City Council to solicit Requests for Proposals (RFPs) for bartending services for the Mission Event Center. The Mission Event Center hosted a variety of events, including weddings, galas, corporate meetings, and other special functions, many of which required alcoholic beverage service. The Mission Event Center maintained the appropriate active permits issued by the Texas Alcoholic Beverage Commission (TABC) to purchase and serve alcoholic beverages. Soliciting proposals for professional bartending services would allow the City to secure a qualified contractor capable of providing experienced bartending personnel, efficient inventory management, compliance with all applicable TABC regulations, and the operational flexibility necessary to accommodate events of varying size and complexity. Procuring these services through a competitive RFP process would ensure the City obtains the best value while maintaining a high level of customer service and operational efficiency.

12. Discussion and possible action related to the matter on Authorization to approve 100% Fee Waiver Application for the Greater Gold Foundation – A. Lerma

The Greater Gold Foundation was interested in hosting a Childhood Cancer Awareness walk on Monday, September 7, 2026 at the Mission Event Center. This event brought together childhood cancer warriors, survivors, healthcare professionals, community leaders, and supporters united in the fight against childhood cancer. This was a FREE event for the community and was expected to draw over 1,500 participants. The Greater Gold Foundation was an advocate and strives to honor local children while raising awareness of the challenges that affect so many local families. For the past eight years, the City of Mission had provided complete support for this annual awareness event as a co-host.

13. Discussion and possible action on matters related to the authorization to solicit bids for Sand backfill Material for the Public Works Department – Gonzalez

Staff respectfully requested authorization to solicit bids for the purchase of Sand Backfill Material for the Public Works Department on an as-needed basis. The sand backfill material would be utilized by the Streets and Water Distribution Divisions to support daily maintenance operations, including the restoration of streets and utility excavations. Maintaining an adequate supply of this material was essential to ensure timely repairs, uninterrupted operations, and the continued delivery of services to the public. Soliciting bids through a competitive process would ensure the City obtained the required material at the best value while maintaining compliance with the City's procurement policies and applicable state purchasing requirements

14. Discussion and possible action on matters related to the submittal of a grant application to the National Park Service for the FY25 Underrepresented Communities Grant Program in the amount of $100,000 with no match required. – Elizalde

The Mission Historical Museum was requesting authorization for the submission of a grant application to the National Park Service for the FY25 Underrepresented Communities Grant Program. Through the Historic Preservation Fund, the program sought to diversify the nominations submitted to the National Register of Historic Places through historical surveying and conducting inventory of historic properties within the City of Mission. The total project cost was in the amount of $100,000. The program did not have a cash match requirement.

15. Discussion and possible action on matters related to authorization to purchase base radios for Engine 4, Engine 5, Medic 5 and Medic 6 from Motorola Solutions at a cost of $38,142.64 via Contract 17724-HGAC (TX)-RA05-21. – Silva

Discussion and possible action on matters related to authorization to purchase base radios for Engine 4, Engine 5, Medic 5 and Medic 6 from Motorola Solutions at a cost of $38,142.64 via Contract 17724-HGAC (TX)-RA05-21. The purchase of base radios for Engine 4, Engine 5, Medic 5, and Medic 6 was necessary to provide these units with dedicated, fixed communication capabilities for the first time. The installation of base radios would improve communication between field personnel, dispatch, and command staff, enhancing operational coordination, situational awareness, and responder safety during emergency incidents. This equipment would strengthen the department's communications infrastructure and ensure this apparatus are fully equipped to support daily operations and emergency response activities.

16. Discussion and possible action on matters related to the approval of a Reimbursement Agreement between the City of Mission and Mission EDC in the amount of $42,040 for excavation and trenching work performed at 1407 E. Exp. 83, Mission. - T. Garcia

The City of Mission made much-needed improvements on an MEDC-owned property located at 1407 E. Exp. 83 (next to Olive Garden). The work involved included the excavation, trenching and grading of a detention pond; installation of a storm drain, sanitary sewer lines with manholes; implementation of erosion and sediment controls; utility coordination and protection, the hauling and disposal of materials, and restored the site, making the property significantly more marketable. The amount of the request was $42,040 and the work had been completed. The MEDC Board approved the Reimbursement Agreement at their June 25, 2026 Board meeting.

17. Discussion and possible action on matters related to the approval of a Reimbursement Agreement between the City of Mission and Mission EDC in the amount of $78,800 for property maintenance at the Cimarron Country Club. - T. Garcia

This Reimbursement Agreement, between the City of Mission and Mission EDC, was for emergency mowing by the City of Mission at the Cimarron Country Club property in the amount of $78,800. The mowing was due to excessive overgrown turf at the property. The Mission EDC Board agreed to reimburse the City of Mission for the maintenance. The Mission EDC Board approved the Reimbursement Agreement at their Board meeting of June 25, 2026.

21. Discussion and possible action on matters related to the authorization to purchase, via financing, (3) three Chevy pickup trucks from SAMES Laredo Chevrolet INC (TIPS #240901), in the amount of $146,250.00, using budgeted capital outlay funds – Torres

The Mission Police Department was seeking authorization to purchase, via financing, (3) three Chevy pickup trucks from SAMES Laredo Chevrolet INC (TIPS #240901). The pickup truck expenditure was $146,250.00. This expense would be paid using budgeted capital outlay funds. This expenditure would allow the Mission Police Department to replace criminal investigation’s worn-out fleet.

22. Ratification of emergency repairs in the amount of $634,440 to the 5125 Company for emergency service repairs at the Waste Water Treatment Plant in accordance with Local Government Code, General Exceptions, Paragraph 252.022 (a)(1)(2) – Terrazas

In accordance with Local Government Code, General Exceptions, Paragraph 252.022 (a)(1)(2) “a procurement made because of a public calamity that requires the immediate appropriation of money to relieve the necessity of the municipality's residents or to preserve the property of the municipality” and “a procurement necessary to preserve or protect the public health or safety of the municipality's residents”, hence staff was seeking authorization as an “Emergency Purchase”. Ratification of emergency repairs performed by 5125 Company in the amount of $634,440 for the repair of a ruptured sewer transmission line. The emergency repair work was necessary to restore critical wastewater infrastructure, prevent potential public health and environmental hazards, and ensure the continued operation of the City's sewer system. Due to the complexity of the project, the repairs required approximately two months to complete and included the installation and operation of two temporary bypass systems to maintain uninterrupted wastewater service to the community throughout the construction period. Request to ratify payment for repairs to The 5125 Company for $634,440.

23. Discussion and possible action approving and authorizing the City Manager, or designee, to issue a Request for Qualifications for professional engineering services for the purpose of establishing a pool of pre-qualified engineering firms to provide services to the City of Mission in accordance with Texas Government Code Chapter 2254, and

authorizing the City Manager, or designee, to solicit, receive, and evaluate statements of qualifications and bring to council for approval – Terrazas

Staff was requesting authorization to issue a Request for Qualifications (RFQ) for professional engineering services in accordance with Texas Government Code Chapter 2254. The RFQ would establish a pool of pre-qualified engineering firms to provide engineering services for various City projects and initiatives. Approval of this item would authorize the City Manager, or designee, to solicit, receive, and evaluate Statements of Qualifications and return to City Council with recommendations for the selection and approval of qualified firms.
