This money will assist in construction and may open other opportunities for grant money. All money received will directly result in lowering the cost to citizens, which is about twenty-five percent. City Manager Huff shared his appreciation to Community Development Director Corthell and former Public Works Division Manager Peters for their hard work on this project. He also acknowledged Mayor Keyser for his presentation at the State Capitol.

## **STAFF COMMUNICATION**

- City Recorder Teets shared that she and City Manager Huff had met with the insurance agent earlier in the day regarding the 2023-2024 insurance policy. There were only two significant claims; smoke damage to City buildings from the 2020 Wildfires and a police vehicle that was totalled during a shoot-out in 2021. Otherwise in total, the City is doing very well.
- City Manager Huff stated that City staff cannot be involved in any regard to the bond/elections for the new Police Station. He announced that at the next Council meeting, the Work Session would be located at the current Police Station in order to take a tour.
