# DOWNTOWN FACADE GRANT PROGRAM

#### **PURPOSE & DESCRIPTION**

The purpose of this program is to stimulate downtown revitalization and development, and tourism in Monroe. Program funds are an incentive for current owners and Potential buyers of vacant and occupied buildings to restore, renovate, and repair the exteriors of their buildings.

The Monroe Downtown Development Authority (DDA) Façade Match will provide a 50/50 investment match ratio up to a maximum of \$1,500 per property, as a reimbursement once pre-approved project(s) are completed and inspected. All projects must be completed within six months of the date of the DDA approval letter.

#### **ELIGIBILTY**

The program will be open to all private businesses within the DDA boundaries. Once available funds are pledged, no more applications will be accepted. Monroe DDA will review the program each year to determine if sufficient funding is available to continue accepting grant applications.

#### **EXAMPLES OF PROJECTS**

- Building façade improvements: paint, brick, wood awnings/canopies, lighting, doors, windows, and other repairs.
- Other restorations/renovations, which meet HPC approval and the goals of revitalization, will be considered.

#### **APPLICATION PROCESS**

Applications will be coordinated by Mainstreet/DDA Executive Director. The DDA Board will review each application for final approval. The full process includes:

- The completed application
- Proof of certificate of appropriateness from historic preservation commission
- Code enforcement work permits (if applicable)
- On site restoration work
- Review/audit of finished work
- Provide copies of paid receipts to DDA within 30 days of completion
- Reimbursement of 50% for project expenses up to a maximum of \$1,500

#### Amici Monroe Downtown Façade Project

Amici Monroe is planning a façade revitalization project as part of our relocation to our new location in the old "Cotton Warehouse" wedding venue in Downtown Monroe. This project will involve refinishing and "touching-up" of the original mural artworks on the Church St. side, and Lumpkin St. rear façades of the building. No changes will be made to the original designs, only work that will make them look better and protect for them for the long term. Our muralist will also add a small custom "Amici" logo/mural on the Church St. side of the building, which will match the style of the current mural, while combining some stylistic aspects of our brand logo.

Further details of the project are available in the attached documentation. Example pictures are also provided.

Josh,

I'm with you on the script. attached is a revision that I personally like much more.

I have also attached a quote.

Let me know if you have any questions.

Thanks,
-Levi Dilley

I like the color combos of the 1st and 3rd options the best. I'll leave it up to you on the shape/size of the inside letters, even though I might like to see some more options...(perhaps something "bubble"-like or a kind of script style font) but again, please feel free to take your own creative discretion here.

If you can please do me a favor and go ahead and include a ballpark estimate for that work as well, with the quote for the mural refinishing, I want to go ahead and submit for the DDA facade grant to get some help covering the costs of this project.

Thanks!

Josh,

Attached is an idea I had for the area near the fence opening with a couple variants. Based off of a vintage Fiat logo. Let me know your thoughts.

I have another idea for the inside that I'm still working on.

Mural pricing ranges from \$10-\$20 per sq ft. For the mural resurfacing, we're looking at \$6 per sq ft. I measured the mural at 390 sq ft.

Mural resurface total \$2,340.00.

Please let me know any questions you have.

Thanks, -Levi Dilley

I spoke with the owners of the building via phone last week after we met, but I just sent them an email as a reminder. I'll find out anything i can about the murals and what the building used to be for you, as well as get any photos they might have of the murals.

Look forward to seeing your proposal and any ideas you might have for your own touch on the building! Thanks!

Hi Josh,

It was great meeting with you last week.

Were you able to find details on the existing murla? I did some research and think it would be best to clean the brick and give it a good quality paint. No need for a clearcoat.

I'll get measurements of the mural and have a price for you shortly.

Thanks, -Levi Dilley

## Downtown Community Event Grant

#### PURPOSE & DESCRIPTION

The purpose of this program is to stimulate community involvement in Downtown Monroe. Grant funds are an incentive for groups and individuals to hold events in our historic downtown for the community at large.

The Monroe Downtown Development Authority (DDA) Community Event Match will provide a 50/50 investment match ratio up to a maximum of \$250 per event, as a reimbursement once pre-approved events are completed.

#### **ELIGIBILTY**

The program will be open to all community members. Events must take place within the DDA boundaries, must be open to the public, and the profits must benefit downtown development or another community non-profit. Once available funds are pledged, no more applications will be accepted. Monroe DDA will review the grant program each year to determine if sufficient funding is available to continue accepting grant applications.

#### **EXAMPLES OF EVENTS**

- Outdoor concert
- Family Festival
- Movie night
- Craft fair
- · Road races

#### APPLICATION PROCESS

Applications will be coordinated by Mainstreet/DDA Executive Director. The DDA board will determine grant awards based on benefit to downtown and available funds.

The full process includes:

- A completed application
- Event description
- Proper permits from Code Department for road closings/peddlers permits (if applicable)
- Review/audit of event
- Provide copies of paid receipts to DDA within 30 days of event
- Reimbursement of 50% for event expenses up to a maximum of \$250
- Donation of a portion of event proceeds to downtown development or local non-profit
