Historic Preservation Commission  
Meeting Minutes  
May 28, 2019

Present: Mitch Alligood, Crista Carrell, Fay Brassie, Marc Hammes, Susan Brown  
Absent: None  
Staff: Patrick Kelley, Director of Code & Development  
Darrell Stone, Director of Planning & Development  
Visitors: Kathy Landress, Jeff Landress, Gail Cochran, Scott Cochran, Tommy Malcom, Megan Little, Steve Brown, Bill and Reta McDaniel, Larry, Judi & Meredith Farmer

Meeting called to order at 6:00 P.M.

Chairman Alligood entertained a motion for approval of the minutes from April 23, 2019. Brassie made a motion to approve. Carroll seconded. Motion Carried. Minutes approved.

Chairman Alligood made a change to the agenda for items 3, 4 and 5 due to they were not advertised in the paper before coming before the Commission. They will be placed on the June 25, 2019 agenda.

**The first item of business** is an application for COA for petition # HP-10-2019 at 405 Barrett Street to place an accessory building in back yard.

Jeff Landress owner and applicant for the property spoke to the request. He stated he would like to place an accessory building in back of the house.

Chairman Alligood asked for any questions from the Commission.

Hammes made a motion to approve. Carroll seconded. Motion Carried. COA Granted.

**The second item of business** is an application for a COA for petition # HP-11-2019 at 234 Boulevard. The applicant is Reta McDaniel. She is requesting a COA to make some exterior changes to the house.

Chairman Alligood asked for someone to speak to the request. There was no one present. Hammes made a motion to table to June 25, 2019 meeting. Carroll seconded. Motion Carried. Request Tabled.

Kelley stated the three items pulled from the agenda at the beginning of the meeting needed to be voted on to table until next meeting.

Chairman Alligood entertained a motion. Carroll made a motion to table until June 25, 2019 meeting. Hammes seconded. Motion Carried. Request tabled.

Old Business: None  
New Business: None

Chairman Alligood entertained a motion to adjourn. Hammes made a motion to adjourn. Carroll seconded. Meeting Adjourned at 6:06 pm

## REQUEST FOR A CERTIFICATE OF APPROPRIATENESS

Under Monroe's Historic Preservation ordinance, you are required to obtain a Certificate of Appropriateness (COA) for any exterior material change you wish to make to your property if your property is located within a historic district, or if the change would affect property in a historic district. Please see pages 3 and 4, Definitions.

The following steps must be taken in order to have your proposed change considered by the Historic Preservation Commission (HPC):

1. Stop by the Code Office at least 10 working days in advance of the next regular meeting of the HPC (the fourth Tuesday of each month at 6:00 pm), read the Historic Preservation Ordinance, and request that your proposal be added to the agenda.
2. Fill out the application for a COA and turn it in to the Code Office.
3. Pay the \$10.00 fee. If you request a "special meeting" at some date or time (other than the 4<sup>th</sup> Tuesday of every month), the fee is \$50.00. If you are requesting to demolish Historic property, the fee is \$50.00 on the regular scheduled meeting.
4. Provide all documentation which will assist the HPC in deciding if your proposed change(s) are in keeping with the historic district standards and guidelines. The more complete your presentation, the more efficiently your request can be handled. Please see the COA application for additional information.

Suggested documentation consists of all architectural drawings, sketches, pictures, diagrams, or actual examples. All documentation should be turned in to the Code Office at the time of your application, as it gives HPC members time to consider your request prior to the meeting. Physical samples, if applicable, should be brought with you to the meeting.

5. Appear at the meeting on the scheduled day and time to present your proposal.

Thank you, the HPC looks forward to considering your request.

**Please read the following directions for completing the Request for COA Application.**

Attach photograph(s) of existing condition of property necessary to show all areas affected.

Attach plans, sketches, drawings, and diagrams of the project and detail the materials that will be used.

Provide such other information that is necessary for the HPC to adequately consider the application in light of the following criteria.

In reviewing applications for COAs, the HPC's duties include taking into account the historic and architectural significance of the structure and maintaining maps showing the historic and architectural significance of structures in the Historic Districts.

In its review, the HPC shall also take into account the following elements to ensure that the exterior form and appearance of the structure is consistent with the historical and visual character of the District:

1. The height of the building in relation to the average height of the nearest adjacent and opposite buildings;
2. The setback and placement of the building on the lot in relation to the average setback and placement of the nearest adjacent and opposite building;
3. Exterior construction materials, including textures and patterns.
4. Architectural detailing, such as lintels, cornices, brick bond, and foundation materials;
5. Roof shapes, forms, and materials;
6. Proportions, shapes, positioning and locations, patterns and sizes of any elements of fenestration.

The **Code Office** will post a notice which will notify all affected property owners of the material change being requested not less than seven (7) days prior to the meeting at which the request for a COA is to be considered. The applicant and the affected property owners will be given an opportunity to be heard at the meeting in which the application is presented.

DEFINITIONS:

A "material change in appearance" means a change that will affect either the exterior architectural or environmental features of a historic property or any structure, site, or work of art within a historic district, and may include any one or more of the following:

1. A reconstruction or alteration of the size, shape, or façade, including any of the architectural elements or details;
2. Demolition;
3. Commencement of excavation for construction purposes;
4. A change in the location of advertising visible from the public right-of-way; and
5. The erection, alteration, restoration, or removal of any building or other structure within a historic property or district, including walls, fences, steps and pavements, or other appurtenant features.

[Sec. 8-4-2(f)]

“Exterior architectural features” means the architectural style, general design, and general arrangement of the exterior of a building or other structure, including but not limited to, the kind or texture of the building material and the type and style of all windows, doors, signs, and other appurtenant architectural fixtures, features, details, or elements relative to the foregoing [Sec. 8-4-2(b)].

“Exterior environmental features” means all those aspects of the landscape or the development of the site which affect the historical character of the property [Sec. 8-4-2(c)].

Ordinary maintenance or repair of any exterior architectural feature in or on a historic property that does not involve a material change in design, material, or outer appearance is excluded from review. [Sec. 8-4-81]

**I acknowledge that I have read this material and will abide by the ordinances set forth.**

Brief description of project: See attached

(Continue on separate sheet, if necessary.)

Beta F. McDaniel  
Applicant

5-14-19  
Date

May 14, 2019

Proposed Project for: 234 Boulevard  
Monroe, Georgia 30655

Please see attached photos of existing house and plan for remodel:

1. We would like to remodel by changing the main roof from a hip roof to a gable roof to accomodate bedrooms and bath upstairs.
2. The back of this house has 2 gable side by side which is causing a watershed issue currently.
3. We plan to use Hardie Plank Wood Grained siding on the exterior with brick around foundation with stacked stone for base of porch columns.
4. The "wall" on each side of brick steps will be removed and steps will match brick/stone on front of house. We would like not to use the railing if possible.
5. Front window and door placement will remain unchanged as well as each side of house. If allowed to utilize an upstairs in this house, there will be additional windows in gable ends.
6. The window and the bay window on right side of house will remain as well as the windows and their placement of left side of house.
7. The placement of window(s) and door(s) on back side of the house will be changed.
8. If possible, we would like to wrap the porch around both sides of the house.
9. We also own the lot to the left of the house and would like to move the driveway to that side of the house. If allowed, we would like to put a carport or garage on that side of the property. (see drawing)

Thank you for your consideration.

QUIT CLAIM DEED

State of Georgia  
County of Walton

Record & Last

THIS INDENTURE, made the 12th day of April, in the year 2010, between

Charles McDaniel

of the County of Walton, and the State of Georgia, as party or parties of the first part, hereinafter called Grantor, and

Charles F. McDaniel and Reta F. McDaniel as Joint Tenants with Rights of Survivorship of the County of Walton, and the State of Georgia, as party or parties of the second part, hereinafter called Grantee (the words "Grantor" and "Grantee" to include their respective heirs, successors and assigns where the context requires or permits).

WITNESSETH that: Grantor, for and in consideration of the sum of Ten Dollars (\$10.00) and other valuable consideration, cash in hand paid at and before the sealing and delivery of these presents, the receipt whereof is hereby acknowledged, by these presents does hereby remise, convey and forever QUIT CLAIM unto said Grantee,

All that tract or parcel of land lying and being in G.M.D. 419, Walton County, Georgia, being known as Lots 35 and 36, of Mondland Place Subdivision, as per plat recorded in Plat Book 23, Page 159, Walton County, Georgia records, which reference is made for the purpose of incorporating the same as part herein.

For informational purposes only: The APN is shown by the County Assessor as M16-79; source of Title is Book 370, Page 179 (recorded 07/17/91).

TO HAVE AND TO HOLD the said described premises to Grantee, so that neither Grantor nor any person or persons claiming under Grantor shall at any time, by any means or ways, have, claim or demand any right or title to said premises or appurtenances, or any rights thereof.

IN WITNESS WHEREOF, the Grantor has signed and sealed this deed, the day and year first above written.

Signed, sealed and delivered in the presence of:

This historic home was built in the early 1900's and its distinct architectural details have been preserved. The house has unique exposed rafter tails that are very long and scalloped and extend to the edge of the house footprint. These scalloped rafter tails are also present on the attic dormer making this home singular in its design within the historic district.

The lot I own is 50 ft wide as platted in 1906 in the Monland Subdivision as Lot 21. ( see attached plat ) I contend that my lot is a lot of record. This lot has been preserved as a lot by deed and plat but more importantly by its preservation as a vacant lot clearly intended for future use. I own the adjacent home and lot on the right side of the property and Robert Carter owns the house and lots to the left of the property. Mr. Carter is aware of my intention to move the historical home to my lot and has not made any objections known to me. *He has in fact would me Luck.*

In order to preserve the specific design features of this historical home I would need a variance on the side set back from 10 ft to 9ft. This variance would prevent having to remove or distort the design details that are unique to this home.

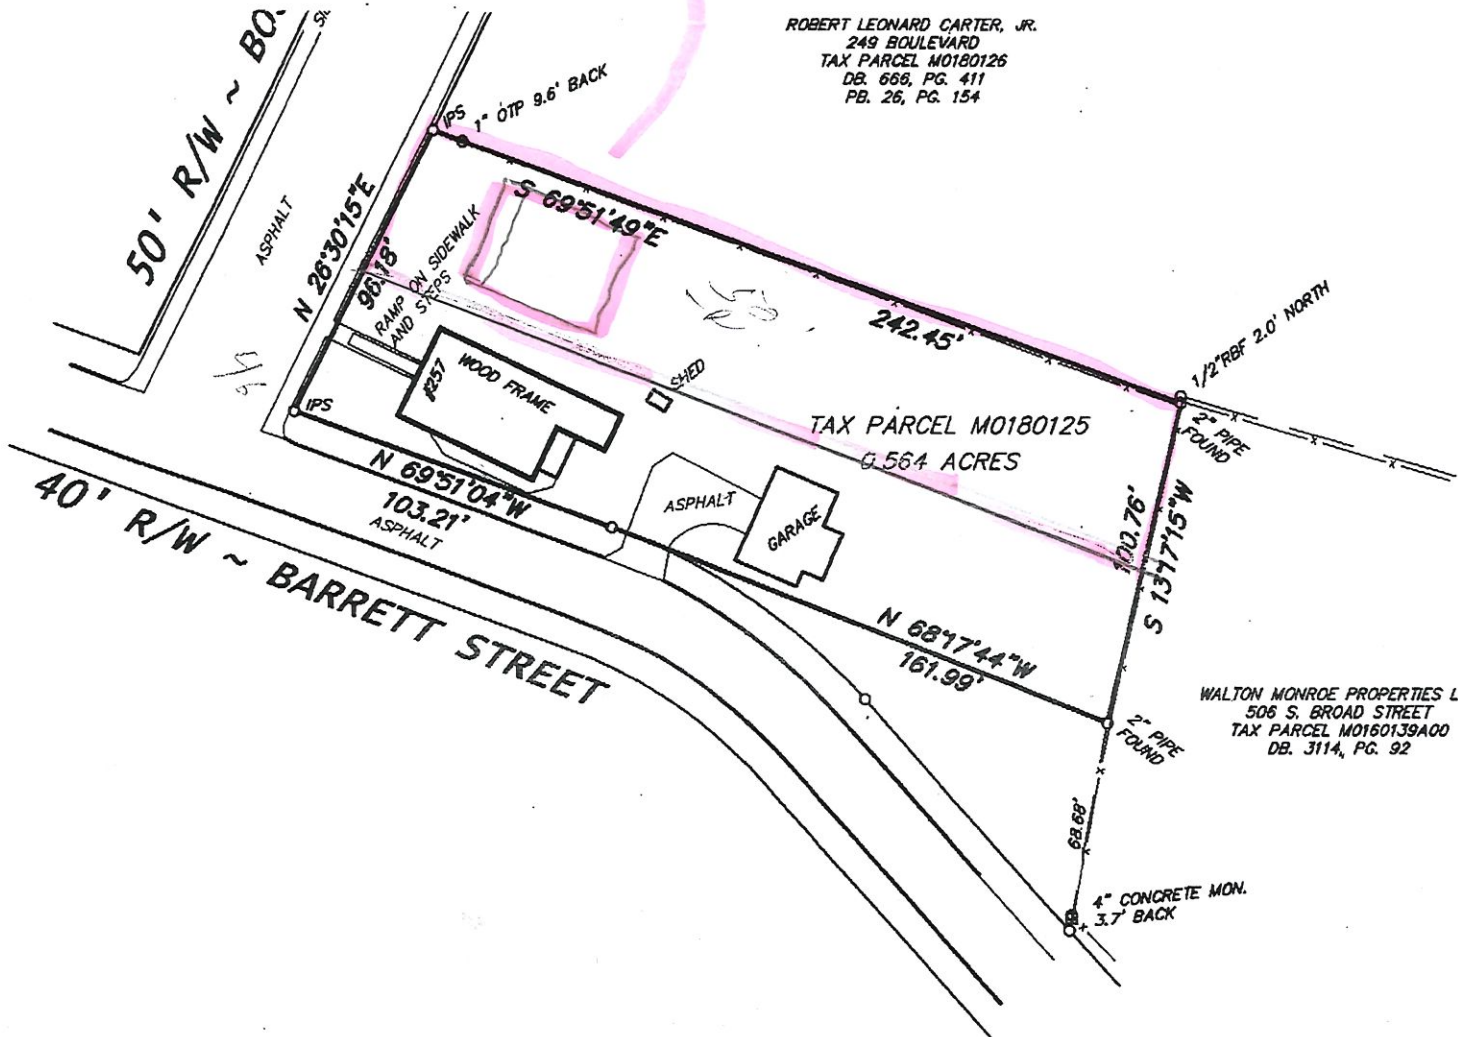

*THIS VARIANCE WAS GRANTED on May 14<sup>th</sup>  
By Mayor + Council.*

## REQUEST FOR A CERTIFICATE OF APPROPRIATENESS

Under Monroe's Historic Preservation ordinance, you are required to obtain a Certificate of Appropriateness (COA) for any exterior material change you wish to make to your property if your property is located within a historic district, or if the change would affect property in a historic district. Please see pages 3 and 4, Definitions.

The following steps must be taken in order to have your proposed change considered by the Historic Preservation Commission (HPC):

1. Stop by the Code Office at least 10 working days in advance of the next regular meeting of the HPC (the fourth Tuesday of each month at 6:00 pm), read the Historic Preservation Ordinance, and request that your proposal be added to the agenda.
2. Fill out the application for a COA and turn it in to the Code Office.
3. Pay the \$10.00 fee. If you request a "special meeting" at some date or time (other than the 4<sup>th</sup> Tuesday of every month), the fee is \$50.00. If you are requesting to demolish Historic property, the fee is \$50.00 on the regular scheduled meeting.
4. Provide all documentation which will assist the HPC in deciding if your proposed change(s) are in keeping with the historic district standards and guidelines. The more complete your presentation, the more efficiently your request can be handled. Please see the COA application for additional information.

Suggested documentation consists of all architectural drawings, sketches, pictures, diagrams, or actual examples. All documentation should be turned in to the Code Office at the time of your application, as it gives HPC members time to consider your request prior to the meeting. Physical samples, if applicable, should be brought with you to the meeting.

5. Appear at the meeting on the scheduled day and time to present your proposal.

Thank you, the HPC looks forward to considering your request.

**Please read the following directions for completing the Request for COA Application.**

Attach photograph(s) of existing condition of property necessary to show all areas affected.

Attach plans, sketches, drawings, and diagrams of the project and detail the materials that will be used.

Provide such other information that is necessary for the HPC to adequately consider the application in light of the following criteria.

In reviewing applications for COAs, the HPC's duties include taking into account the historic and architectural significance of the structure and maintaining maps showing the historic and architectural significance of structures in the Historic Districts.

In its review, the HPC shall also take into account the following elements to ensure that the exterior form and appearance of the structure is consistent with the historical and visual character of the District:

1. The height of the building in relation to the average height of the nearest adjacent and opposite buildings;
2. The setback and placement of the building on the lot in relation to the average setback and placement of the nearest adjacent and opposite building;
3. Exterior construction materials, including textures and patterns.
4. Architectural detailing, such as lintels, cornices, brick bond, and foundation materials;
5. Roof shapes, forms, and materials;
6. Proportions, shapes, positioning and locations, patterns and sizes of any elements of fenestration.

The **Code Office** will post a notice which will notify all affected property owners of the material change being requested not less than seven (7) days prior to the meeting at which the request for a COA is to be considered. The applicant and the affected property owners will be given an opportunity to be heard at the meeting in which the application is presented.

**DEFINITIONS:**

A "material change in appearance" means a change that will affect either the exterior architectural or environmental features of a historic property or any structure, site, or work of art within a historic district, and may include any one or more of the following:

1. A reconstruction or alteration of the size, shape, or façade, including any of the architectural elements or details;
2. Demolition;
3. Commencement of excavation for construction purposes;
4. A change in the location of advertising visible from the public right-of-way; and
5. The erection, alteration, restoration, or removal of any building or other structure within a historic property or district, including walls, fences, steps and pavements, or other appurtenant features.

[Sec. 8-4-2(f)]

“Exterior architectural features” means the architectural style, general design, and general arrangement of the exterior of a building or other structure, including but not limited to, the kind or texture of the building material and the type and style of all windows, doors, signs, and other appurtenant architectural fixtures, features, details, or elements relative to the foregoing [Sec. 8-4-2(b)].

“Exterior environmental features” means all those aspects of the landscape or the development of the site which affect the historical character of the property [Sec. 8-4-2(c)].

Ordinary maintenance or repair of any exterior architectural feature in or on a historic property that does not involve a material change in design, material, or outer appearance is excluded from review. [Sec. 8-4-81]

## REQUEST FOR A CERTIFICATE OF APPROPRIATENESS

Under Monroe's Historic Preservation ordinance, you are required to obtain a Certificate of Appropriateness (COA) for any exterior material change you wish to make to your property if your property is located within a historic district, or if the change would affect property in a historic district. Please see pages 3 and 4, Definitions.

The following steps must be taken in order to have your proposed change considered by the Historic Preservation Commission (HPC):

1. Stop by the Code Office at least 10 working days in advance of the next regular meeting of the HPC (the fourth Tuesday of each month at 6:00 pm), read the Historic Preservation Ordinance, and request that your proposal be added to the agenda.
2. Fill out the application for a COA and turn it in to the Code Office.
3. Pay the \$10.00 fee. If you request a "special meeting" at some date or time (other than the 4<sup>th</sup> Tuesday of every month), the fee is \$50.00. If you are requesting to demolish Historic property, the fee is \$50.00 on the regular scheduled meeting.
4. Provide all documentation which will assist the HPC in deciding if your proposed change(s) are in keeping with the historic district standards and guidelines. The more complete your presentation, the more efficiently your request can be handled. Please see the COA application for additional information.

Suggested documentation consists of all architectural drawings, sketches, pictures, diagrams, or actual examples. All documentation should be turned in to the Code Office at the time of your application, as it gives HPC members time to consider your request prior to the meeting. Physical samples, if applicable, should be brought with you to the meeting.

5. Appear at the meeting on the scheduled day and time to present your proposal.

Thank you, the HPC looks forward to considering your request.

**Please read the following directions for completing the Request for COA Application.**

Attach photograph(s) of existing condition of property necessary to show all areas affected.

Attach plans, sketches, drawings, and diagrams of the project and detail the materials that will be used.

Provide such other information that is necessary for the HPC to adequately consider the application in light of the following criteria.

In reviewing applications for COAs, the HPC's duties include taking into account the historic and architectural significance of the structure and maintaining maps showing the historic and architectural significance of structures in the Historic Districts.

In its review, the HPC shall also take into account the following elements to ensure that the exterior form and appearance of the structure is consistent with the historical and visual character of the District:

1. The height of the building in relation to the average height of the nearest adjacent and opposite buildings;
2. The setback and placement of the building on the lot in relation to the average setback and placement of the nearest adjacent and opposite building;
3. Exterior construction materials, including textures and patterns.
4. Architectural detailing, such as lintels, cornices, brick bond, and foundation materials;
5. Roof shapes, forms, and materials;
6. Proportions, shapes, positioning and locations, patterns and sizes of any elements of fenestration.

The **Code Office** will post a notice which will notify all affected property owners of the material change being requested not less than seven (7) days prior to the meeting at which the request for a COA is to be considered. The applicant and the affected property owners will be given an opportunity to be heard at the meeting in which the application is presented.

**DEFINITIONS:**

A "material change in appearance" means a change that will affect either the exterior architectural or environmental features of a historic property or any structure, site, or work of art within a historic district, and may include any one or more of the following:

1. A reconstruction or alteration of the size, shape, or façade, including any of the architectural elements or details;
2. Demolition;
3. Commencement of excavation for construction purposes;
4. A change in the location of advertising visible from the public right-of-way; and
5. The erection, alteration, restoration, or removal of any building or other structure within a historic property or district, including walls, fences, steps and pavements, or other appurtenant features.

[Sec. 8-4-2(f)]

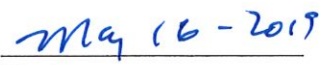

“Exterior architectural features” means the architectural style, general design, and general arrangement of the exterior of a building or other structure, including but not limited to, the kind or texture of the building material and the type and style of all windows, doors, signs, and other appurtenant architectural fixtures, features, details, or elements relative to the foregoing [Sec. 8-4-2(b)].

“Exterior environmental features” means all those aspects of the landscape or the development of the site which affect the historical character of the property [Sec. 8-4-2(c)].

Ordinary maintenance or repair of any exterior architectural feature in or on a historic property that does not involve a material change in design, material, or outer appearance is excluded from review. [Sec. 8-4-81]

**I acknowledge that I have read this material and will abide by the ordinances set forth.**

## REQUEST FOR A CERTIFICATE OF APPROPRIATENESS

Under Monroe's Historic Preservation ordinance, you are required to obtain a Certificate of Appropriateness (COA) for any exterior material change you wish to make to your property if your property is located within a historic district, or if the change would affect property in a historic district. Please see pages 3 and 4, Definitions.

The following steps must be taken in order to have your proposed change considered by the Historic Preservation Commission (HPC):

1. Stop by the Code Office at least 10 working days in advance of the next regular meeting of the HPC (the fourth Tuesday of each month at 6:00 pm), read the Historic Preservation Ordinance, and request that your proposal be added to the agenda.
2. Fill out the application for a COA and turn it in to the Code Office.
3. Pay the \$10.00 fee. If you request a "special meeting" at some date or time (other than the 4<sup>th</sup> Tuesday of every month), the fee is \$50.00. If you are requesting to demolish Historic property, the fee is \$50.00 on the regular scheduled meeting.
4. Provide all documentation which will assist the HPC in deciding if your proposed change(s) are in keeping with the historic district standards and guidelines. The more complete your presentation, the more efficiently your request can be handled. Please see the COA application for additional information.

Suggested documentation consists of all architectural drawings, sketches, pictures, diagrams, or actual examples. All documentation should be turned in to the Code Office at the time of your application, as it gives HPC members time to consider your request prior to the meeting. Physical samples, if applicable, should be brought with you to the meeting.

5. Appear at the meeting on the scheduled day and time to present your proposal.

Thank you, the HPC looks forward to considering your request.

**Please read the following directions for completing the Request for COA Application.**

Attach photograph(s) of existing condition of property necessary to show all areas affected.

Attach plans, sketches, drawings, and diagrams of the project and detail the materials that will be used.

Provide such other information that is necessary for the HPC to adequately consider the application in light of the following criteria.

In reviewing applications for COAs, the HPC's duties include taking into account the historic and architectural significance of the structure and maintaining maps showing the historic and architectural significance of structures in the Historic Districts.

In its review, the HPC shall also take into account the following elements to ensure that the exterior form and appearance of the structure is consistent with the historical and visual character of the District:

1. The height of the building in relation to the average height of the nearest adjacent and opposite buildings;
2. The setback and placement of the building on the lot in relation to the average setback and placement of the nearest adjacent and opposite building;
3. Exterior construction materials, including textures and patterns.
4. Architectural detailing, such as lintels, cornices, brick bond, and foundation materials;
5. Roof shapes, forms, and materials;
6. Proportions, shapes, positioning and locations, patterns and sizes of any elements of fenestration.

The **Code Office** will post a notice which will notify all affected property owners of the material change being requested not less than seven (7) days prior to the meeting at which the request for a COA is to be considered. The applicant and the affected property owners will be given an opportunity to be heard at the meeting in which the application is presented.

**DEFINITIONS:**

A "material change in appearance" means a change that will affect either the exterior architectural or environmental features of a historic property or any structure, site, or work of art within a historic district, and may include any one or more of the following:

1. A reconstruction or alteration of the size, shape, or façade, including any of the architectural elements or details;
2. Demolition;
3. Commencement of excavation for construction purposes;
4. A change in the location of advertising visible from the public right-of-way; and
5. The erection, alteration, restoration, or removal of any building or other structure within a historic property or district, including walls, fences, steps and pavements, or other appurtenant features.

[Sec. 8-4-2(f)]

“Exterior architectural features” means the architectural style, general design, and general arrangement of the exterior of a building or other structure, including but not limited to, the kind or texture of the building material and the type and style of all windows, doors, signs, and other appurtenant architectural fixtures, features, details, or elements relative to the foregoing [Sec. 8-4-2(b)].

“Exterior environmental features” means all those aspects of the landscape or the development of the site which affect the historical character of the property [Sec. 8-4-2(c)].

Ordinary maintenance or repair of any exterior architectural feature in or on a historic property that does not involve a material change in design, material, or outer appearance is excluded from review. [Sec. 8-4-81]

**I acknowledge that I have read this material and will abide by the ordinances set forth.**
