NEW BUSINESS

1. Discuss police policy workbook

Andrew Neff stated that the one that you have in front of you today is the updated version. The updated version has been sent to MTAS and we are waiting for them to get back with us.

2. Discuss police department reserve program
3. Discuss police surplus equipment
4. Discuss Axon cameras

Lt. Andrew Neff stated that currently we have flock cameras and we would like to push away from flock and purchase Axon cameras. The flock cameras cost \$2,500 per camera per year and the Axon cameras are cheaper and the data is saved in house.

Motion made by Delk, seconded by Wolfgram to consider to swap three flock cameras and purchase three axon cameras.
