Variance revision. Mike explained that the carport will be 18' past the build line, which is the front of the home and also submitted an example of what it will look like. Would you be willing to accept her using FaceTime or something similar during the next meeting?

The drawing of the property she submitted originally is not accurate.

? Yes, would be willing to accept a FaceTime meeting for her convenience. If the carport matches her current extensions, the request will be addressed with that in mind. Did she say using the garage is not an option? Ken

To: me · Wed, Jun 25 at 11:58 AM

**Message Body**

Mike asked her that question. Her answer was that she doesn't use the garage door because she doesn't want to wear out the garage door opener. He says she was not being funny with that answer, it was a genuine concern of hers.

The awning will be attached to the primary structure and will aesthetically match the cover on the left side. This will provide the owner and her mother in a wheel chair access to get in the house out of the rain and not slipping on ice in the winter.

# Notice About 2025 Tax Rates

(current year)

Property Tax Rates in MORGANS POINT RESORT CITY  
(taxing unit's name)

This notice concerns the 2025 property tax rates for MORGANS POINT RESORT CITY  
(current year) (taxing unit's name)

This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's no-new-revenue tax rate ..... \$ 0.6034 /\$100

This year's voter-approval tax rate ..... \$ 0.5738 /\$100

To see the full calculations, please visit www.texas.gov/propertytaxes for a copy of the Tax Rate Calculation Worksheet.  
(website address)

## Unencumbered Fund Balances

The following estimated balances will be left in the taxing unit's accounts at the end of the fiscal year. These balances are not encumbered by corresponding debt obligation.

Type of Fund	Balance
Maintenance & Operation Tax Fund	\$2,121,395
Interest & Sinking Fund	\$22,468

## Current Year Debt Service

The following amounts are for long-term debts that are secured by property taxes. These amounts will be paid from upcoming property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid From Property Taxes	Interest to be Paid From Property Taxes	Other Amounts to be Paid	Total Payment
2021 C.O. Debt Series	\$85,120	\$56,970	\$0	\$142,090

(expand as needed on the last page)

Total required for	<u>2025</u>	debt service . . . . .	\$	<u>                    </u>
	(current year)			
- Amount (if any) paid from funds listed in unencumbered funds . . . . .			\$	<u>                    </u>
- Amount (if any) paid from other resources . . . . .			\$	<u>                    </u>
- Excess collections last year . . . . .			\$	<u>                    </u>

	(collection rate)		(current year)	<u>                    </u>
= Total Debt Levy . . . . .			\$	<u>                    </u>

### **Voter-Approval Tax Rate Adjustments**

## State Criminal Justice Mandate

The \_\_\_\_\_ County Auditor certifies that \_\_\_\_\_ County has spent \$ \_\_\_\_\_ (minus any amount received from state revenue for such costs) in the previous 12 months for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. \_\_\_\_\_ County Sheriff has provided \_\_\_\_\_ information on these costs, minus the state revenues received for the reimbursement of such costs. This increased the voter-approval tax rate by \$ \_\_\_\_\_/\$100.

## Indigent Health Care Compensation Expenditures

The \_\_\_\_\_ spent \$ \_\_\_\_\_ from July 1 \_\_\_\_\_ to Jun 30 \_\_\_\_\_  
(county name) (amount) (prior year) (current year)

on indigent health care compensation procedures at the increased minimum eligibility standards, less the amount of state assistance. For the current tax year, the amount of increase above last year's enhanced indigent health care expenditures is \$ \_\_\_\_\_. This increased the voter-approval tax rate by \$ \_\_\_\_\_/\$100.

### Indigent Defense Compensation Expenditures

The \_\_\_\_\_ spent \$ \_\_\_\_\_ from July 1 \_\_\_\_\_ to June 30 \_\_\_\_\_  
(county name) (amount) (prior year) (current year)

to provide appointed counsel for indigent individuals, less the amount of state grants received by the county. In the preceding year, the county spent \$ \_\_\_\_\_ for indigent defense compensation expenditures. The amount of increase above last year's indigent defense expenditures is \_\_\_\_\_  
(amount)

\$ \_\_\_\_\_. This increased the voter-approval rate by \$ \_\_\_\_\_/\$100 to recoup \_\_\_\_\_.  
(amount of increase) (amount of increase) (use one phrase to complete sentence: the increased expenditures, or 5% more than the preceding year's expenditures)

The terms of office of the city council shall be staggered so that a portion of the city council shall be elected each year. Exceptions shall apply as specified in section 4 below.

#### **4. INITIAL APPLICATION**
