IV. Approval of Minutes

1. Council Special Meeting - December 8th, 2025 (12/8/2025)

Mr. Cook made a motion to approve the minutes for the December 8th, 2025 council special meeting, seconded by Mr. Engard. All members approved.

2. Council Regular Meeting - December 9th, 2025 (12/9/2025)

Ms. Hefner made a motion to approve the minutes for the December 9th, 2025, council regular meeting, seconded by Mr. Richmond. All members approved.

3. Council Special Meeting - December 22nd, 2025 (12/22/2025)

Mr. Sweat made a motion to approve the minutes for the December 22nd, 2025, council special meeting, seconded by Mr. Engard. All members approved.

4. Council Special Meeting - January 6th, 2026 (1/6/2026)

Mr. John Harden stated that several comments he had made at the previous meeting were omitted from the drafted copy of the minutes. He stated that he had made comments regarding the proposed dispatch agreement with Wood County [Resolution No. 01-2026]. He stated that he had made comments about the fees that the village would pay for transition equipment and stated that his comments about the proposed start date for the contract were not included.

Mayor Patterson responded that the start date listed on the contract was tentative and subject to change, depending on council’s decision.

Mayor Patterson asked Mr. Mason Davis, Clerk of Council, to revise the minutes to address Mr. Harden’s concerns. He requested that the approval of the minutes be tabled until revisions were made.

Mr. Engard made a motion to approve the minutes for the January 6th, 2026, council special meeting, seconded by Mr. Cook. Mr. Engard – NO, Mr. Cook – NO, Mr. Sweat – NO, Ms. Beaupry – NO, Ms. Hefner – NO, Mr. Richmond – ABSTAIN

Mr. Engard made a motion to table the minutes for the January 6th, 2026 council special meeting, seconded by Mr. Cook. All members approved.

The minutes will be revised and reintroduced at a future meeting.

V. Letters and Communications

Mayor Patterson read a card that he had received from Mr. Bob and Ms. Patty Hurst, which thanked council members and Village employees for their work to improve the town.

Ms. Beaupry stated that she had received several messages from residents about the traffic light at the intersection of Broadway Street and Main Street. She had been asked when the traffic light would be fixed.

Mayor Patterson responded that the traffic light had been fixed earlier in the day. He stated that the light had been scheduled to be fixed in September, but the repair parts had been delayed in shipping.

VI. Public Discussion on Dispatch (5-Min. Limit)

Prior to opening the public discussion portion of the meeting, Ms. Hefner requested the floor to provide remarks regarding the previous meeting. She stated that Mayor Patterson had remarked that the decision regarding dispatch services was not based on financial considerations.

Mayor Patterson stated that the discussion about dispatch services was due to the level of service that the Sheriff's Office could offer, rather than financial considerations. He stated that this was his opinion and that he could not speak on behalf of council.

Ms. Hefner asked Mayor Patterson what his position was on this decision.

Mayor Patterson stated that he was concerned that Village residents had not been given enough time to express their opinions on the proposed resolution. He stated that residents should be given time and that this should inform Council members of what they want.

Ms. Hefner agreed with this statement and asked if the Mayor thought that the resolution could be beneficial for North Baltimore.

Mayor Patterson responded that the Village dispatch technology and training would need to be invested in if the Resolution was not approved.

He stated that he was concerned about the potential loss of employment for the 6 dispatch employees, and that he had spoken with Sheriff Wasylyshyn about dispatcher openings at his office. He asked if Council was prepared to offer a severance package.

He stated that factors such as severance would determine if he supported the proposed resolution or not.

Ms. Hefner stated that a majority of Council was considering the resolution with finances and officer safety in mind. She agreed that no one wanted to see Village employees lose work.

Mayor Patterson replied that he did not view this as a financial issue, but any cost savings would be beneficial to the Village as long as it was the right decision for residents.

Mayor Patterson opened public discussion, giving time to Ms. Paige Cotterman.

Ms. Cotterman stated that North Baltimore dispatch employees were familiar with the community and had knowledge specific to the area. She shared an account she had heard about an individual living outside of Bowling Green. She stated that the individual's grandparents had required EMS and Fire assistance from Wood County and that the response time had been 45 minutes. She stated that this was due to the individual's grandparents' address not being recognized by county dispatchers.

Mayor Patterson asked Ms. Cotterman how long ago the account had occurred.

Ms. Cotterman replied that she was unsure but would estimate that it occurred slightly over 10 years ago.

Mayor Patterson responded that technology has greatly improved since this time, and that County technology could identify where calls are coming from within a few feet.

Ms. Cotterman asked if the Sheriff's Office dispatchers were prepared to accept an increased number of emergency calls if service were transferred. She stated that this transfer would result in additional calls related to drugs and domestic violence; she stated that this would be more calls than other communities.

Mayor Patterson replied that he had observed the workers at the Sheriff's Office dispatch center and stated that they were efficient and calm. He stated that they would also be hiring additional personnel.

Administrator Bender agreed with Mayor Patterson, stating that additional upgrades occur frequently at the County. He stated that he would answer "yes" to Ms. Cotterman's questions.

Ms. Cotterman asked if plans were being discussed about after-hours calls to the water and street department.

Mayor Patterson responded that currently, dispatch takes emergency calls as well as non-emergency [after-hours] calls. He stated that a system would be put in place to route non-emergency calls to the appropriate location if services were transferred

Mr. Allen Jordan asked if the body could confirm a statement made at the previous meeting [1/6/2026 Special Meeting] that the budget to operate dispatch in North Baltimore was approximately \$244,000.00.

Mayor Patterson replied that the funds allocated to dispatch totaled \$243,160.00. He stated that this was an appropriation, and that the actual amount could be more.

Mr. Jordan asked how much the county has charged the Village to dispatch fire and EMS calls over the past 15 years.

Mayor Patterson replied that they dispatch fire and EMS calls at no cost.

Mr. Jordan asked where the revenue from citations issued by North Baltimore police is allocated to.

Mayor Patterson replied that these funds are placed in the Village's general fund.

Mr. Jordan asked why this was not going into a specific police fund.

Fiscal Officer Matt Clouse stated that these funds were divided between several areas. He stated that, a portion goes to the State of Ohio a portion goes to Bowling Green [Wood County operations], and a portion remains with the

Village. The Village's portion goes into a "drug and law enforcement", which is separate from the general fund.

Mr. Jordan asked why the Village has not invested in dispatch upgrades over time. He stated that maintenance should have been a priority, and that the Village could not afford to lose dispatch.

Mayor Patterson stated that the proposal to transfer services to the county was intended to address the Village's lack of upgrades.

Mr. Jordan stated that he felt that funds should remain in the Village, rather than transferring services to an outside contractor. He emphasized the role of local connections with dispatch and stated that their local knowledge was critical in cases such as domestic abuse or a dog incident.

Mr. John Harden shared a personal account. His father required EMS assistance. He stated that he had called 911, which routed him to the County dispatch. He said that it took 30 minutes for North Baltimore EMS to arrive. After arriving, Mr. Harden said that EMS workers told him that they had only just received the call from the county a few minutes before. He stated that the EMT's took note of this and were going to report this to Wood County.

Mayor Patterson responded that this was a concerning report, and that he had a report that the average time from a call to arrival was 7.03 minutes.

Administrator Bender asked when this incident occurred.

Mr. Harden replied that it had taken place in December 2025.

Mr. Harden inquired about what is defined as an emergency call.

Mayor Patterson stated that emergency dispatchers would determine if a given call constituted an emergency or not. He stated that systems would be set up to address non-emergency calls if the resolution is approved.

Mr. Harden shared remarks about the monthly police report [included in the meeting packet]. He stated that there was a total of 231 calls in December. He stated that he had determined that approximately 67%, or 154 out of 231 calls were non-emergencies. He asked if in cases of non-emergencies (such as traffic detail, junk detail, or complaints) residents would call 911.

Mayor Patterson responded "no", that residents would not call 911 for similar nonemergency calls.

Mr. Harden asked if the emergency phone and camera that would be installed in the police station would be reflected in an updated contract with the Sheriff's Office.

Administrator Bender replied that these additions would not be in the contract with the Sheriff's Office. He stated that these technologies would be the responsibility of the Village.

Mr. Harden asked when bullet-proof glass was installed in the police station and if the installation took place before or after the dispatch discussion began.

Mayor Patterson replied that the installation took place last year, and that the dispatch discussion began after the installation had already taken place.

Administrator Bender stated that bulletproof glass and mesh at the police station were needed regardless of what decision is made about dispatch.

Mr. Harden inquired about the proposed contract with the Wood County Sheriff's Office. He stated that Section II, "Sheriff's Responsibilities", Item B, "Equipment" contradicted Section III, "Village's Responsibilities". He stated that

Section II mandated that the Sheriff's Office would be responsible for equipment provision, maintenance and operations, while Section III required the Village to pay the "actual costs and user fees".

Mayor Patterson responded that these items in the contract require the Sheriff's Office to maintain equipment.

Administrator Bender replied, stating that the contract required the Sheriff's Office to assume responsibility for all equipment related to the County Dispatch Center, while the Village will be required to maintain equipment for radios in police cruisers and for officers.

Ms. Hefner stated that she had asked the Sheriff what additional costs the Village could expect outside of the contracted service. She stated that the Village would be responsible for the installation of the police department emergency phone and the implementation of an automated number system to help filter spam or robo-calls out. She stated that these would be a minimal fee.

Mr. Sweat stated that this automated system could connect non-emergency calls to the appropriate departments as needed.

Mr. Harden asked about Section IV, "Compensation for Services", and asked if the Village was still paying out.

Mayor Patterson confirmed that the details listed in this section are correct.

Mr. Harden stated that Section XI, "Independent Contractor" needed to be deleted from the contract.

Mayor Patterson asked Mr. Harden why he thought this section should be deleted.

Mr. Harden stated that the Village and the Sheriff's Office were public service agents rather than contractors.

Mayor Patterson stated that the Village was contracting services for dispatch.

Village Legal Counsel, Mr. Paul Skaff, stated that the county dispatchers were not employees of the Village constituting contracted services. He had no concerns about Section XI.

Mr. Matt Moreland, a part-time police officer with North Baltimore Police Department, stated that the North Baltimore dispatch center had the foundation to provide good service to the Village. He stated that improvements to equipment and the CAD system could be made as they have in the past.

Mr. Moreland stated that the Sheriff's Office dispatchers provide good service, but have several communities they serve. He stated that local calls could be put on hold if the county has multiple emergencies occurring.

Mr. Moreland stated that there are efficient CAD systems that work for smaller communities and stated that the Council should review the one used in the City of Port Clinton, OH.

Administrator Bender reported that the Village has already opted to utilize CentralSquare for their CAD system.

Mr. Moreland stated the Village should request a dedicated dispatch employee at the county, similar to what the city of Northwood, OH has received.

Mr. Larry Bateson, a former officer with the North Baltimore Police Department, asked if quotes had been obtained for how much an equipment upgrade might cost compared to contracting services.

Mayor Patterson replied that he had not obtained quotes as he was informed that the price for equipment upgrades would be very high and would not count the annual operating costs.

Mr. Bateson stated that the Village will already be responsible for installing equipment for officers to utilize the new CAD system.

Administrator Bender said the Village would be adopting CentralSquare software, but it would be provided at no cost to the Village for the first 5 years.

Mr. Bateson said that the proposal does not address the problem, and that the Village should maintain dispatch services. He stated that the Village could one day transition to become a city, and that services such as these would be important.

He stated that once the service is transferred to the county, North Baltimore would lose control.

Mr. Andrew Coup shared a personal account, stating that he had a positive service interaction with the Wood County Sheriff's Office dispatch in 2017 for EMS service. He felt that the dispatch resolution would be cost-efficient and beneficial to the Village.

VII. Administrative Reports

- 1. Fiscal Officer:

Report submitted.

Mr. Clouse stated that the EMS agreement for service with Jackson Township [Resolution No. 34-2025] had taken effect on January 1st, 2026 (1/1/2026).

- 2. EMS Chief:

Report submitted.

- 3. Fire Chief:

Report submitted.

- 4. Police Chief:

Report submitted.

Mayor Patterson shared a letter from Police Chief David Lafferty. The letter announced his retirement, effective 12/12/2025. He stated that the Village was currently advertising for a new Police Chief.

- 5. Utility Director:

Nothing of note.

- 6. DPW Superintendent:

Nothing of note.

- 7. Village Administrator:

Administrator Bender stated that the final punch list items were underway for the E. Broadway roadwork project. Items include collars around catch basins and manholes that had been previously missed, which will take place in the Winter. Permanent centerline and crosswalk painting will take place in the Spring.

He also shared an announcement that the Village has been awarded a grant for \$1,937,000 through the Ohio Department of Transportation’s Highway Safety Improvement Program (HSIP). The application was prepared with assistance from American Structurepoint, Inc.

These funds will be used to construct a sidewalk on East Broadway, which will extend to Eagle Landing Homes & Sales. No local match is required from the Village for these funds.

He reported that designs for the park and State Route 18 stormwater improvement projects had been designed by Colliers Engineering and Design. He stated that the Village would seek funding assistance for these projects through Water Pollution Control Loan funding in August. Colliers and the Great Lakes Community Action Partnership (GLCAP) will assist in preparing an application. He stated that the Village is hoping that loan forgiveness will be included, but it is not likely.

He stated that the pre-construction meeting for the combined sewer overflow (CSO) modification project had to be postponed to January 15, 2026.

He stated that updates to the Village employee manual would take place, and that he was currently seeking information from consultants.

He stated that state-mandated cybersecurity policies were being reviewed with Intech, the Village’s information technology manager. A representative will make a presentation at the February Committee of the Whole meeting. A supporting resolution is intended to be presented at the February 10th regular council meeting.

He stated that the Wood County Health Department would make a presentation at the February 10th regular council meeting regarding the development of the Village’s Active Transportation Plan (ATP).

Mr. Andrew Coup asked Administrator Bender about the planned sidewalk development along E. Broadway mentioned earlier in the meeting. He inquired how the new sidewalk would be installed with the Eagleville Bridge.

Administrator Bender replied that he had met with engineers to discuss future improvements to the bridge. He stated that the County had already conducted a study of the bridge.

8. Clerk:

Nothing of note.

9. Appointed Legal Counsel:

Nothing of note.

10. Mayor:

Mayor Patterson reported that the Village had been awarded a grant for \$4,836.00 by the Wood County Park District. These funds will be used to install a vinyl chain link fence along the park sled hill and is expected to be installed this Spring. He stated that he was interested in shaping the hill more to better accommodate sledders.

RESOLUTION NO. 04 – 2026

A RESOLUTION CLARIFYING THAT VACATION LEAVE UNDER SECTION 5.03 OF THE VILLAGE PERSONNEL POLICY AND PROCEDURE MANUAL APPLIES ONLY TO FULL-TIME EMPLOYEES AND FORMALLY DISCONTINUING VACATION ACCRUAL FOR PART-TIME EMPLOYEES

WHEREAS, Section 5.03 of the Village of North Baltimore Personnel Policy and Procedure Manual provides that all full-time employees are entitled to paid vacation leave after completion of one (1) year of service with the Village; and

WHEREAS, the section contains no language authorizing vacation accrual or eligibility for part-time, temporary, intermittent, or seasonal employees; and

WHEREAS, the Village has historically allowed certain part-time employees, including EMS personnel, to accrue vacation leave contrary to the written policy; and

WHEREAS, it is necessary to formally discontinue this past practice, provide notice to affected employees, and reaffirm the Village’s adherence to the written policy to ensure consistency and proper use of public funds.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Village of North Baltimore, Wood County, Ohio, that:

SECTION 1. Council hereby reaffirms that vacation leave eligibility under Section 5.03 of the Village Personnel Policy and Procedure Manual applies exclusively to full-time employees. Part-time, temporary, intermittent, and seasonal employees are not eligible to accrue or receive paid vacation leave.

SECTION 2. The Village Administrator is authorized and directed to provide thirty (30) days’ written notice to all affected part-time employees that no further vacation accrual shall occur after the expiration of the notice period.

SECTION 3. All previously accrued and unused vacation leave balances for part-time employees shall be paid out in full in a lump-sum payment following adoption of this resolution, and no later than the end of the notice period. Upon payout, such balances shall be reduced to zero and no further vacation leave shall accrue.

SECTION 4. The Fiscal Officer is directed to make any necessary payroll and benefit record adjustments to implement this resolution, including processing the immediate payout of accrued vacation balances.

Exhibit A

709.01 DEFINITIONS.

(a) “Canvassing,” “soliciting,” or “peddling,” unless expressly provided otherwise, means traveling from residence to residence within the Village, without a prior appointment, for the purpose of offering for inspection or sale, or attempting to sell, goods, wares, merchandise, foodstuffs, or any other property, whether tangible or intangible, or services of any nature whatsoever; or for the purpose of taking or attempting to take orders for the purchase of such goods, wares, merchandise, foodstuffs, property, or services for present or future delivery or performance, whether directly to the resident or on an indirect or group basis. “Canvassing,” “soliciting,” or “peddling” also includes the solicitation of funds, money, or other property for charitable, nonprofit, commercial, personal, or other purposes, whether or not for personal gain, anywhere within the Village. The solicitation by a newspaper carrier of customers for a newspaper that the carrier regularly delivers or will regularly deliver is not included in this definition.

709.02 CANVASSING, SOLICITING, OR PEDDLING PROHIBITED.

(a) No person shall canvass, solicit, or peddle within the Village, except as expressly exempted under Section 709.03.

709.03 Exceptions.

The following canvassers, peddlers, or solicitors are exempt from the provisions of this chapter:

(a) A person selling items intended for daily household consumption, limited to:

- (1) Baked goods;
- (2) Fruits, vegetables, eggs, and similar agricultural products; and
- (3) Dairy products.

(b) A minor under eighteen (18) years of age.

(c) A person acting without compensation or individual profit on behalf of a charitable organization. For purposes of this section, “charitable organization” includes educational, patriotic, philanthropic, social service, benevolent, civic, fraternal, and religious organizations. A member of a charitable organization organized pursuant to ORC Chapter 1716 is required to register with the Village Administrator once and is not required to obtain an individual certificate of registration.

709.99 PENALTY.

Whoever violates any provision of this chapter is guilty of a misdemeanor of the second degree. Upon a first conviction within any twelve (12) month period, the court shall impose a fine of not less than two hundred fifty dollars (\$250.00) and not more than seven hundred fifty dollars (\$750.00), and the offender may be sentenced to a term of imprisonment not exceeding ninety (90) days.

Each subsequent conviction within the same twelve (12) month period constitutes a misdemeanor of the first degree. Upon conviction, the court shall impose a fine of not less than five hundred dollars (\$500.00) and not more than one thousand dollars (\$1,000.00), and the offender may be sentenced to a term of imprisonment not exceeding one hundred eighty (180) days.

VILLAGE OF NORTH BALTIMORE, WOOD COUNTY, OHIO

RESOLUTION NO. 02 – 2026

**A RESOLUTION ADOPTING THE VILLAGE OF NORTH BALTIMORE EVENT POLICY
AND APPROVING THE ALL EVENTS PERMIT APPLICATION**

WHEREAS, the Village of North Baltimore permits and hosts events on Village property and public rights-of-way that may affect public safety, Village operations, and liability exposure; and

WHEREAS, the Village Administrator has prepared a Village of North Baltimore Event Policy establishing standardized requirements for event permitting, insurance, coordination, waivers, and enforcement, along with an All Events Permit Application to administer said policy; and

WHEREAS, Council finds it in the best interest of the Village to adopt the Event Policy and approve the permit application to ensure consistent administration and protection of Village assets;

NOW, THEREFORE, BE IT RESOLVED by the Council of the Village of North Baltimore, Wood County, Ohio, that:

Section 1. Adoption of Event Policy. The Village of North Baltimore Event Policy, attached hereto as Exhibit A and incorporated herein, is hereby adopted as the official policy governing events conducted on Village property, public rights-of-way, or requiring Village approval or services.

Section 2. Approval of Permit Application. The All Events Permit Application, attached hereto as Exhibit B and incorporated herein, is hereby approved for use in administering the Event Policy.

Section 3. Administration. The Village Administrator is authorized to implement, administer, and enforce the Event Policy, including the review, approval, conditioning, denial, revocation, or modification of event applications in accordance with the policy.

Section 4. Effective Date. This Resolution shall take effect at the earliest time permitted by law.

The motion to adopt the foregoing Resolution was moved by Member _____ and seconded by Member _____.

VILLAGE OF NORTH BALTIMORE
EVENT POLICY

Approved by Village Council: Resolution _____ Effective Date: _____

1. Purpose

This policy establishes consistent procedures for reviewing, approving, and managing events within the Village of North Baltimore. Its intent is to promote safe, enjoyable, and well-organized activities that foster community engagement while protecting public health, safety, Village property, and limiting liability exposure.

2. Scope

This policy applies to any public or private event that uses or closes any public street, sidewalk, park, right-of-way, or Village facility; requires Village personnel, materials, or equipment; or anticipates significant public attendance, traffic impact, or public safety involvement. Private gatherings conducted entirely on private property that do not require Village services, permits, or approvals are exempt.

3. Permit Requirement and Timeline

All events meeting the above criteria require submission of an All Events Permit Application approved by the Village Administrator and Mayor. Applications shall be submitted at least sixty (60) days prior to the proposed event date unless waived by the Village Administrator for good cause. Applications may be accepted up to one (1) year in advance of the event date. Final approval is contingent upon submission of all required documentation and satisfaction of applicable conditions.

4. Application Review

The Village Administrator shall distribute applications to affected departments for review, including Police, Fire, and Public Works. Department heads may attach reasonable conditions or require coordination meetings prior to approval. The Village Administrator or Council may deny or revoke approval if the applicant fails to provide required information, poses a public safety or liability risk, or has outstanding obligations or violations with the Village.

5. Required Documentation

Each application shall include a completed All Events Permit Application and, unless waived, sufficient documentation to allow the Village to evaluate the event, including a site map or route plan showing road closures, staging, and parking areas; vendor lists and contact information when applicable; proof of required insurance; fire safety information when applicable; food service information when applicable; and a description of measures to mitigate trip hazards such as electrical cords, hoses, or uneven surfaces.

6. Insurance Requirements

A Certificate of Liability Insurance naming the Village of North Baltimore as an Additional Insured is required for all events conducted on Village property, streets, or facilities unless waived pursuant to this policy. Minimum Commercial General Liability coverage shall be \$2,000,000 per occurrence and aggregate.

Insurance shall not be required for events that meet all of the following criteria: the event is a small, non-commercial gathering hosted by an individual or informal group; attendance does not exceed fifty (50) persons at any one time; no admission fee is charged and no sales of goods, services, or alcohol occur; the event does not require street closures, amplified sound, tents, stages, inflatables, generators, or other temporary structures; the event does not require on-site police, fire, or public works staffing beyond routine patrol; and the event does not present unusual risk based on the nature, duration, or location of the activity. Events meeting all criteria are waived from insurance requirements.

For events not qualifying for an administrative waiver, Council may grant an insurance waiver by formal action when the event is sponsored or managed by the Village, constitutes protected First Amendment activity, or is otherwise documented as being covered under Village insurance. Except where waived, the applicant shall defend, indemnify, and hold harmless the Village of North Baltimore, its elected and appointed officials, employees, volunteers, and agents from all claims, damages, or expenses arising from or related to the event.

7. Coordination with Law Enforcement and Safety Agencies

Any event expecting more than one hundred (100) attendees must coordinate directly with the North Baltimore Police Department. For the duration of the event, at least two (2) police officers must remain assigned to general village coverage, and at least two (2) police officers must be assigned to the event itself. The Police Chief and Mayor, with the concurrence of the Council Public Safety Committee Chair, will determine whether additional support from the Wood County Sheriff's Office Auxiliary is necessary. The Police Chief, Fire Chief, or Public Works Superintendent may impose additional safety, traffic-control, or emergency-access requirements based on the size and nature of the event.

8. Public Health and Food Service

The Village will notify the Wood County Health Department at least thirty (30) days prior to any

approved event involving food service. Organizers are encouraged to promptly contact the Health Department to ensure compliance with inspection and licensing requirements. Food vendors shall not operate unless all documentation required under Section 5 has been submitted and approved, including proof of current food service licensure, an anticipated menu, a plan for grey-water disposal using Village-designated disposal locations, and a Certificate of Liability Insurance naming the Village of North Baltimore as an Additional Insured. Each food vendor shall maintain Commercial General Liability insurance in an amount not less than \$1,000,000 per occurrence and \$1,000,000 aggregate, naming the Village of North Baltimore as an Additional Insured.

9. Signage and Posting

No person shall post or affix any sign, placard, advertisement, or inscription on Village property except as authorized by the Village. Temporary event signage shall be removed within twenty-four (24) hours after the event concludes.

10. Clean-Up and Restoration

Event organizers are responsible for all post-event cleanup and restoration of Village property. Failure to restore the area may result in billing for cleanup costs, denial of future event permits, or the requirement of a refundable deposit or surety bond for subsequent events.

11. Departmental Oversight

The following officials are responsible for departmental coordination and compliance oversight: the Police Chief for security, traffic control, and law enforcement coordination; the Fire Chief for fire safety, emergency access, and inspections; the Public Works Superintendent for street closures, barricades, sanitation, and infrastructure; and the Village Administrator for overall event coordination, insurance verification, permit issuance, and enforcement.

12. Revocation and Enforcement

The Village Administrator or Mayor may revoke approval if event activities deviate materially from the approved plan, pose a risk to public safety, or violate Village ordinances or this policy. Unpermitted events, or events failing to comply with this policy, may be subject to enforcement action or denial of future approvals.

SAFETY & EVENT MANAGEMENT REQUIREMENTS

- Applications must be submitted at least sixty (60) days prior to the event unless waived by the Village Administrator for good cause.
- Events anticipating more than one hundred (100) attendees shall coordinate with the North Baltimore Police Department.
- Food vendors shall not operate without required health department approvals and proof of Commercial General Liability insurance naming the Village of North Baltimore as an Additional Insured.
- Food vendors must provide an anticipated menu and a plan for grey-water disposal (the Village has designated disposal locations).
- Trip hazards must be secured or covered.
- The Police Chief, Fire Chief, or Public Works Superintendent may impose reasonable safety or traffic-control conditions.

SIGNAGE, CLEAN-UP, AND RESTORATION

Posting of signs on Village property is prohibited except as expressly authorized in connection with an approved event. All temporary event signage shall be removed within twenty-four (24) hours after the event concludes. Event organizers are responsible for all post-event cleanup and restoration of Village property. Failure to restore may result in billing for cleanup costs, denial of future event permits, or the requirement of a refundable deposit or surety bond.

NOTICE TO APPLICANTS

Approval of an event permit does not transfer responsibility for personal property, equipment, or materials brought onto Village property. The event organizer is responsible for compliance with all requirements of the Village of North Baltimore Event Policy and this permit. The Village is not responsible for loss, theft, or damage to personal property associated with an approved event.

I acknowledge that I have read and understand all requirements set forth in this permit application and the Village’s special event policies.
