- 2) Public Hearing held - noticed to consider adopting the General Plan, amending the City Code and Land Use Map associated with the General Plan Update, and adoption of a Mitigated Negative Declaration / Initial Study

Staff Report given by City Manager Rick Daniels, Assistant City Manager Martinez and a PowerPoint presentation was given by Colin Drukker from Placeworks and considerable discussion ensued regarding the Elks request for an 80 foot tower and historic properties.

Mayor opened the public hearing at 6:48 pm

Public Comments:

Barbara Beard, Planning Commission, informed council that the Planning Commission did not know about the 80 foot tower request and expressed concern that this issue should be considered by the planning commission.

Tim Terral spoke against the tower, stating that this zone change would allow the tower without neighborhood approval nor planning commission or council approval. He stated his view and the neighbors' views would be affected by this tower.

Gayle Broadbeck from the Elk's Lodge spoke in favor of the zone change allowing the tower, stating it would be placed on lower ground and therefore barely visible behind the lodge building. She further stated that the Elk's Lodge has done a lot for the community and it's time for the community to give back.

Leslie Simmons, participating via Teams, voiced concern over the zone change on her property near the airport.

Jeff West, participating on Teams, voiced his opinion that the zone change at the Elk's can be discussed at a later date and spoke in favor of the city's need to be open to growth.

Jerry Telles spoke regarding Leslie's concern over zone changes that could affect her property value as well as others, and questioned her property's viability for development due to the topography.

Shawn Gudmundson spoke in favor of the proposed general plan and this is an ongoing process which can be changed.

Mayor closed the public hearing at 7:23 pm.

Considerable discussion ensued regarding the Elk's Lodge parcel new zoning designation and the proposed 80' Tower, as well as discussion regarding other property zone changes.

Council Member Campbell moved, second by Council Member Pogue to waive the reading and adopt Resolution No. 2023-16 approving the Land Use and Transportation Element and approving the Mitigated Negative Declaration / Initial Study and adopt a Mitigation Monitoring Program for the Land Use and Transportation Elements of the General Plan Update (SCH NO. 2022120053).
