**Memorandum**

**To:** Mayor Riddile & Town Council

**From:** Dave Reynolds

**Subject:** Council Workshop

**Date:** Oct. 1, 2019

**Purpose:**

Girl Scout Troop 10239 recently completed a project which they've graciously made part of Bear Dance Park. The girls of Troop 10239 designed and built a "Buddy Bench" which now sits in our newest park near the playground area. A "Buddy Bench" is a two-person bench where you can sit and talk with a buddy or perhaps meet a new buddy.

The girls are excited to share their vision and project with Council.

A large, light-colored feather graphic is positioned on the left side of the slide, extending from the top to the bottom. It has a central rachis with many fine, radiating barbs.

# Who We Are

---

We are Girl Scout troop 10239 of New Castle, CO and we are working on our bronze award. A bronze award is an award that juniors can earn from doing a project to help impact our community. We would like to present you with a slideshow on why we think that there should be a buddy bench here in New Castle, CO at the Lakota Canyon Park.

# Why A Buddy Bunch

---

Why a buddy bench you ask, well its because we think that everybody in the world should have a friend. The point of the buddy bench is to make new friends and meet new people. It doesn't matter how old you are, the buddy bench is for everyone.
