At this time, Macomb County does not have information on exact CDBG funding levels for the 2025 Program Year (PY). Community applications should be compiled using the figures shown in this chart. The County reserves the right to adjust funding allocations based on the actual amount of the 2025 PY CDBG grant.

2025 CDBG COMMUNITY PUBLIC SERVICE FUNDING ALLOCATION								
COMMUNITY	PUBLIC SERVICE ALLOCATION (A)	MCA CHORE SET- ASIDE (B)	PUBLIC SERVICE FUNDS REMAINING AFTER CHORE SET-ASIDE (C)

Column (C) - This column represents that maximum amount that a community may allocate to public services. Note that the Chore allocation shown in column (B) has already been deducted from the community's public service cap amount shown in Column (A).

Column (C) indicates the amount of funding needing approval through the community's public hearing. For example, the City of Eastpointe's starting public service allocation is \$38,400 (A). Chore funding of \$14,800 (B) is then deducted from this amount leaving the City with \$23,600 (C) to allocate to all public service activities.

For communities that are applying for funds through the bricks and mortar competition, that amount also needs approval through the community's public hearing. For example, if the City of Eastpointe were to apply for \$150,000 through the bricks and mortar competition, the public hearing notice and approval would need to include the \$23,600 for public services and the \$150,000 bricks and mortar request.

SERVICE ACTIVITIES

Important Note: Proposal qualification does not ensure funding since this is a local community determination. The aggregate amount of the funding recommendation by the communities for any given agency must be for a minimum of \$2,000 for a contract to be awarded. If an agency receives less than \$2,000 aggregate, then the funds will be reallocated to the County's Housing Rehabilitation Program.

PREPARED BY: Rachel Whitsett

ITEM TITLE: Redwood Lot Split/Combination

EXECUTIVE SUMMARY:

Redwood is developing a parcel in New Haven. They went before the Planning Commission and received site plan approval. Redwood is before Council tonight seeking approval of a parcel split and combination.

RECOMMENDED ACTION:

Motion to approve the lot split and land combinations for Redwood to move forward.

These may have to be 2 separate motions

Please note, should Council move forward with approval, to avoid the Village of New Haven being held responsible to any possible issues that may arise in the future, the motion should also include an acknowledgement of the utility waiver letters from Macomb County and Lenox Township.
