DISCUSSION ITEMS

MOU with MVRFD

Mayor Good thanked the Meadows Valley Fire Department for getting back with the City so quickly with a new draft of the proposed MOU. Mayor Good addressed several areas of concern and requests for clarification on sections of the MOU. It was agreed that the City could not enforce the fee schedule of the Fire Department, but those fees can be shared by the City to those to whom it applies. Foster said the Fire Department did a great job going through the MOU and making the necessary changes. Ryker agreed and said that she had a lot of the same questions that Mayor Good covered for clarity. Mayor Good also said that it looks like to her like City Staff will forward every building permit for habitable living to the Fire dept. Mayor Good said if the Fire Department is okay with the proposed changes and returns an updated copy of the MOU to the City, we can put it on the next agenda to approve.
