UTILITY MANAGER'S REPORT

- A. Activity Report: March 28 to April 7, 2023.
- Assistant Utility Manager Ken Morton reported on Utility operations, noting that the Generator 16 overhaul would begin in two weeks and that the line crew would soon begin taking down parts of the Rock Creek Mine feeder, salvaging what they can. He noted CFO and Operations Manager opportunities available and 1063 applicants for the NSEDC Utility subsidy for 2023.
 - Council Member Henderson asked if the CFO could be a remote position.
 - Mr. Morton replied that it could, though NJU would certainly prefer a local hire.
 - Mayor Handeland noted the NSEDC subsidy would likely hit accounts for April.

CITY MANAGER'S REPORT

- A. Activity Report: March 28 to April 7, 2023.

- Manager Steckman spoke a little about property assessments, noting they went up substantially. He noted that the mill rate would likely go down as a result. He explained how assessments worked briefly. He encouraged people to appeal prior to BOE.
- He noted three months had gone by with limited alcohol sales on Sundays. He asked for volunteers from the council to sit in on the AC / Hansons / City discussion. He noted the topics would be what is working and what is not working right now. He discussed the impacts on Sundays at NPD and NEST. Council Member Henderson volunteered.
- Manager Steckman discussed the AMLJIA adjuster coming back to town. He asked about the vaping issue and when they would like to address it.
 - Council Member Mark Johnson expressed his concern over kids using vaping cartridges at the school. He noted kids ending up in the hospital.
 - Youth Representative Miller thought the “at-school” use is going down but agreed with Council Member Johnson that there is an underlying issue in town.
- Manager Steckman noted the Christmas tree was probably damaged in the fire and might need a replacement for next year.
- He noted the bleachers were at their end of life and would need replacement soon.

CITIZEN'S COMMENTS

1. Diana Haecker, with the Nome Kennel Club, thanked the City of Nome for supporting NKC's races though their use of the snow dump area. She specifically thanked DPW Director Cole Cushman and his crew for clearing snow and preparing the area for mushers.

COUNCIL MEMBER'S COMMENTS

1. Council Member Piscoya – no comments.
2. Council Member Tapqaq discussed the National League of Cities conference and the creation of the Indigenous Leaders group within the League. She discussed meeting with Alaska's congressional delegation and passed on their message of “lots of love for Nome.”
3. Youth Representative Miller – no comments.

4. Council Member Henderson discussed property assessments, noting the general consensus he was hearing was that values went up too steeply. He opined the mill rate should be lowered and asked for a history of the mill rate.
5. Council Member Doug Johnson – no comments.
6. Council Member Mark Johnson discussed the repeal of the seasonal sales tax by the voters and opined it was offset by the raise in online and marijuana sales tax collected. He explained he had spoken with a bunch of people who felt property values went up too quickly. In his own case, his home went up 28 percent. He encouraged people to read their assessments and appeal if necessary.
7. Council Member Martinson – no comments.

MAYOR'S COMMENTS AND REPORT

- A. Activity Report: March 28 to April 7, 2023.
- Mayor Handeland discussed the Arctic Encounters conference in Anchorage this past week. He called out Josh Cannon for his powerful presentation; he saw some Nome Eskimo dancers at the opening ceremony; he opined it was great to spend time with people connected to Nome. He discussed meeting with upper echelon HUD people and talking about a larger scale housing development in Nome, one where 50 - 100 units are not too large of numbers to discuss. He discussed a Red Cross award nominee for work associated with Merbok.
 - He closed by wishing the City of Nome a happy birthday (April 9, 1901).

EXECUTIVE SESSION

aska young adults - Anchorage Daily News (AK) - April 16, 2023 - page 1

April 16, 2023 | Anchorage Daily News (AK) | Yereth Rosen, Alaska Beacon

Alaska posted the nation's highest rate of increase in electronic cigarette **use** by **young adults** from 2016 to 2021, according to a report tracking patterns in all the states.

The rate of **e-cigarette use** by Alaskans in that age group more than **tripled**, from 4.8% in 2019 — the lowest rate in the nation at the time — to 15.8% in 2021, according to the report.

The report was compiled by HealthAdvisor, a company owned by insurance marketer Tranzact. The report uses data from the Center for Disease Control and Prevention's Behavioral Risk Factor Surveillance System.

Nationally, **e-cigarette use**, also known as vaping, increased dramatically during those years for **young adults**, according to the report. In 2016, 9.6% of Americans between 18 and 24 years old used e-cigarettes, according to the report; that jumped to 19.8% in 2021, roughly doubling.

The HealthAdvisor report has findings similar to those in the 2022 **Alaska** Tobacco Facts update released in December by the **Alaska** Department of Health. That report, which focused on a younger age group, said that about a quarter of **Alaska** high school students regularly used e-cigarettes in 2019 and nearly half had tried vaping at least once.

A bill aimed at curbing youth **e-cigarette use** is being considered by the **Alaska** Legislature. The measure, Senate Bill 89, would raise the legal age for purchase of **e-cigarette** products from the current 19 to 21. It would also impose **Alaska's** first state tax on **e-cigarette** products. Although municipalities around the state impose taxes on **e-cigarette** products, the state has not changed its tobacco taxes since 2006, a time before vaping products became widely used.

The bill is sponsored by Senate President Gary Stevens, R-Kodiak. It is pending in the Senate Labor and Commerce Committee, where it is scheduled to get its next hearing on April 21.

Lawmakers last year passed a similar bill that was also sponsored by Stevens, but Gov. Mike Dunleavy vetoed it, citing opposition to the tax provision. The tax structure in this year's bill is different from that in the bill vetoed by Dunleavy.

Subject: Bitcoin & Alaska
Date: Wednesday, April 19, 2023 7:45:17 AM

Caution! This message was sent from outside your organization.

Dear Mayor Handeland,

You are cordially invited to Alaska's largest Bitcoin boot-camp, where we will explore the benefits that Bitcoin has to offer for Alaska's residents and communities. As state revenues decline with oil production, Alaska has struggled to find new revenue sources, but Bitcoin offers solutions that can empower our villages, native corporations, unions, and the Alaska Permanent Fund Corporation.

We believe that Bitcoin can be a game-changer for Alaska, and we would like to extend a special invitation to Alaska's leadership to attend this event. We have invited renowned speakers in the industry who will join us via videoconference and share their knowledge and insights on Bitcoin. The speakers include:

Greg Foss, Executive and Shareholder at Validus Power, where he focuses on strategies within the Bitcoin ecosystem. Greg has spent over thirty years in the financial markets with a focus on trading high yield credit. He has worked on both the sell side and the buy side, having been managing partner of credit strategies at a successful hedge fund during the global financial crisis in 2008. Greg is also a co-founder of Looking Glass Education. He has a Bachelor of Mechanical Engineering from McGill University and an MBA from Cornell.

Alex Stanczyk, Managing Director, Swan Private Client Services, Swan Bitcoin. Alex works with HNW (high-net-worth) investors daily, with many beginning their journey into how to safely buy and custody bitcoin. He is the host of Café Bitcoin, a daily show with approaching 100,000 monthly listeners whose guests include many of the smartest minds in Bitcoin. Swan provides a suite of products and services catering to the expanding wealth management needs of those who own bitcoin. Prior to Swan, Alex served for 8 years as a manager of a physical gold fund with its core operations in Switzerland.

Dennis Porter, CEO and co-founder of Satoshi Action Fund as well as the president & founder of Satoshi Action Education. Dennis brings years of political experience, from within and outside the Bitcoin space. He has a long list of notable grass roots victories under his belt. He is well known for being one of the first in the Bitcoin space to popularize political engagement. He co-launched Satoshi Action Fund, his first political organization, in June of 2022. All 4 of SAF's model policies have been introduced across the country with several poised to pass into law. Dennis has briefed staffers in DC on the benefits of Bitcoin mining and he has also testified before several state committees across the USA. Dennis was also asked to brief a governor's commission on Bitcoin mining.

Dom Bei. Dom is a former Santa Monica Firefighters President and currently serves as the President of the Santa Monica Firefighters Relief Fund, a 501(c)(3) charitable fund. He is a Santa Monica Chamber of Commerce Board Member and Chair of the newly formed FinTech Committee. Dom is also an author of "Proof of Workforce," an article exploring the importance of labor unions educating members on Bitcoin, published by Bitcoin News. In addition, Dom is an active firefighter.

Sam Callahan, Lead Analyst at Swan Bitcoin. Sam works in the Swan Private division and writes regular market updates and contributes to the monthly Swan Private Insight Report. Sam's analysis is frequently shared across social media, and he's been a guest on popular podcasts such as The Investor's Podcast and the Stephan Livera Podcast. Sam graduated from Indiana University with degrees in Biology and Physics before turning his attention toward the markets.

Andi Pitt, Founding Partner at Ego Death Capital, a transformative Bitcoin ecosystem venture fund. Andi is passionate about creating a more equitable and sustainable global financial and economic system. She spent nearly eight years at Goldman Sachs, most recently as Vice President in the Principal Funding + Investment team within the Securities Division in New York. Prior to that, she had roles in Mergers & Acquisitions and Leveraged Finance. After leaving Goldman Sachs, Andi taught herself to code and created a digital platform for communities called TribeTalk, now merged into another company. Andi holds a Bachelor of Commerce with Distinction in Actuarial Science and

Economics from the University of New South Wales. She loves trees, writing poetry, photography, and traveling.

In addition, the speakers will also take questions from the audience, so this is a great opportunity to engage with experts and learn more about the potential of Bitcoin for Alaska.

During the event, we will provide education on the basics of Bitcoin, including how it is mined, network security, cold and warm storage wallets, and more. We will also discuss how Bitcoin can generate revenue from stranded energy all over Alaska, even in our most remote villages.

We hope that you will join us to learn more about this exciting technology and its potential for Alaska. By the end of the event, you will have a good understanding of Bitcoin and how it can benefit our communities, corporations, and working-class citizens, as well as those in our most remote communities.

We are delighted to extend this invitation to our upcoming event on May 6th in Juneau, Alaska at the Juneau Christian Center, and we kindly request your timely response to secure seating. Please note that this event is by invitation only, and while invited guests are not required to purchase tickets, anyone who is not directly invited will need to purchase a ticket for \$20 per person. Due to limited seating, tickets will be sold on a first-come, first-serve basis. We appreciate your understanding and cooperation in making this event a success.

Thank you in advance for your timely response, and we hope to see you there.

Sincerely,

Wade Hoek

Subject: Council Determination of Disposition of Untimely Filed Tax Exemption Forms

BACKGROUND & JUSTIFICATION:

The City Clerk's office is in receipt of two Tax Exemption Applications which were not submitted by the February 1, 2023 deadline. The late application is as follows:

Terry Ludwig	Received 4/13/23
Charles Lean	Received 4/14/23

Both Mr. Ludwig and Mr. Lean qualify for the exemption. Mr. Ludwig has received the exemption for several years and this is the first time Mr. Lean has applied, according to City records.

In accordance with the Nome Code of Ordinances, Section 17.20.030(a), "the City Council for good cause shown may waive the claimant's failure to make timely application for the exemption year and authorize the assessor to accept the application as if timely filed".

If the Council should determine the application as timely, then the Clerk shall consider the applications for tax exemption.

RECOMMENDATION:

We ask that the Council determine if the above applications for property tax exemption should be considered as timely.

CITY OF NOME, ALASKA

ORDINANCE NO. O-23-05-01

AN ORDINANCE AUTHORIZING THE SHORT-TERM LEASE OF BLOCK 63, PARCELS 13A AND 13B TO BONANZA FUEL

WHEREAS, Bonanza Fuel, LLC is rebuilding its existing fueling station; and

WHEREAS, Bonanza Fuel, LLC seeks a short-term lease of Block 63, Parcels 13A and 13B to be used for a portable gas station while the existing Bonanza station is being rebuilt;

WHEREAS, NCO 2.10.030(c) provides that the city council may, by ordinance, provide for the disposal of an interest in real property to any person or entity in furtherance of the development of local trade or industry without seeking bids and for less than the current assessed value or current appraised value of that interest in real property;

IT IS HEREBY ORDAINED BY THE CITY COUNCIL OF THE CITY OF NOME:

Section 1. Authority. This ordinance is adopted pursuant to authority granted by NCO 2.10.030(c).

Section 2. Classification. This is a non-Code ordinance.

Section 3. Findings. The loss of a fueling station during the summer season would harm local economic activity and the convenience of Nome residents. Accordingly, a short-term lease of land to be used for a portable gas station while the existing Bonanza station is being rebuilt is in furtherance of local trade and the public good.

Section 4. Authorization to Lease Real Property. The city manager is hereby authorized to negotiate and enter into a short-term lease agreement with Bonanza Fuel, LLC (or with its parent company, Sitnasuak Native Corporation) for Block 63, Parcels 13A and 13B to be used for a portable gas station and upon the following terms and other such terms as the city manager, in consultation with the city attorney, deems appropriate. Rent shall be \$500 per week. The duration of the tenancy shall not exceed 16 weeks and shall terminate not later than September 30, 2023.

Section 5. Effective Date. This ordinance is effective upon adoption.

APPROVED and **SIGNED** this **8th** day of **May, 2023**.

JOHN K. HANDELAND,
Mayor

BRYANT HAMMOND,
Clerk

TO: Mayor and Common Council

FROM: Glenn Steckman

RE: City Manager's Report

April 21, 2023

Land Lease:

In your packet for Monday is the first reading of an ordinance to lease land to Bonanza/Sitnasuak from 5/15 to 8/15 for the operation of a temporary filling station during the reconstruction of the Bonanza gas station. Even though the Common Council is going through the process of the disposal of land this only for a short-term lease of the property for \$5,000.00. This lease proposal is being done to insure that two gas stations are operating in town during the busy summer season.

Swimming Pool:

Repairs to the swimming pool will begin on July 10 and should be completed By September 1. The repairs will include moving from a salt treated system back to a chlorinated system which the pool was originally designed to be. This upgrade will also involve a new control system and safer treatment operator process.

Grant Application:

The city staff had submitted a grant request to the Department of Health for a new refrigerator and freezer for the Recreation Center' kitchen. Also included in the request is a commercial microwave and pots and pans. The city's proposal is also requesting 40 tables and 320 chairs.

The goal is to have a well-equipped kitchen and a robust serving capability in the event of catastrophic storm hitting the city and being able to serve our community needs.

Public Works Building:

After meeting with insurance adjusters, city staff will be will renting containers to provide short-term storage while the building is having its insulation and sheetrock being replaced due to water and smoke damage. The goal is to update and improve the work space in the building. This includes reworking the floor plan on the third floor. I have approved the hiring of a temp position to begin the demolition on the third floor. This includes removing sheetrock and insulation.

Destroyed in the fire were: Christmas decorations for OSJ, replacement carpet for council chambers, additional carpet squares for replacement when carpet is damaged. Stain for exterior of the morgue. Also, number of items from the Library were damaged that will be submitted to the insurance company.

Bering Straits Leadership Team:

The BLST met this week to discuss mental health issues and possible funding opportunities from the Alaska Mental Health Trust Authority. One issue that was discussed was the homeless situation. It was agreed that working with mental health professionals an effort should be made to help return them to their home village when possible.

Snow Cleanup:

The heat tracers have been turned on to allow the ice to melt in the stormwater drains. River Street stormwater drains are flowing well. Other drains are being uncovered to help deal with the warming temperatures during the day. If anyone sees a problem developing, please have them call city hall.

Last week Public Works crews went to work on the NSD parking lots for additional removal of snow. The city skid steer with its new icebreaker attachment worked on sidewalks up and down Front Street to help break down the accumulated ice and snow.

FEMA:

Another city staff meeting was held with FEMA to clarify issues on submittals for FEMA reimbursement approval. FEMA officials will be in Nome to visit the sites damaged by Merbok and that the city is requesting FEMA funds.

Juvenile Justice holds:

With the closure of the Youth Facility, a problem has arisen regarding youths being transferred to a correctional facility in Anchorage. There is no holding facility in Nome that maintains youth separated from adults to provide adequate space; if a youth's flight is delayed because of weather. The construction of new youth facility in Nome may need to become a legislative priority for Nome.

Graphite One:

While there was a public meeting this past Thursday night, Graphite One representatives met with the Mayor, Joy, the Port Commission Chairman and I to discuss what was happening with the project, its future impact on the city, employee needs, possible energy needs and housing.

It appears as the port development project expansion ends, the Graphite One mining project will be starting in earnest.

Building Numbers:

The staff is working on business and house numbering project to get addresses on buildings. City buildings are the biggest offenders due to the lack of building addresses. The goal will be to offer free house numbers for the citizens to get numbers on their properties.
