FYE24 ADA Remediation Project Homework

The committee was tasked in the March 13, 2023 ADA Citizens Advisory Committee meeting to come up with a list of locations and be prepared to discuss the locations. I have listed the locations below.

1. Biloxi Street, east side
2. Boyd Street
3. Berry Ave
4. E. Lindsey Street at 12TH Ave SE to 24th Ave SE
5. Campus Corner

Questions and Answers

1. How difficult was it to remove the pole barriers that were located on the sidewalk? (Nelson Dent)

Answer: We worked around them and replaced the poles with added concrete.

2. Is the cobblestone pathway located at Campus Corner ADA compliant? (Tom Burke)

Answer: No. Only the paved sidewalks are ADA compliant.

3. Are the bridges and crosswalks that cross over I-35 ADA compliant? (Chris Nanny)

Answer: The bridges and crosswalks that are located at Main Street and I-35, Lindsey Street and I-35, and Robinson Street and I-35 are ADA compliant. The bridge located at Tecumseh and I-35 is not ADA compliant.

4. Are all the trails located at Ruby Grant Park ADA compliant? (Chris Nanny)

Answer: All of the trails at Ruby Grant Park are ADA compliant.

5. What is the reason or reasons for the delay in replacing railroad signals and the pedestrian crossing? (Joseph Theige)

Answer: We have been diligently working with the railroad for 3 years to get this project underway.
