# City of Norman – Boys & Girls Club of Norman Annual Report

### **Empowering Youth**

For more than twenty years, the City of Norman has provided substantial financial support to Center for Children and Families, Inc. (CCFI) for free or very low cost after school services for low-income youth residing in Norman. For 16 years, Neighborhood Centers services were provided on school sites in the Wilson/Longfellow and Kennedy/Irving neighborhoods. In July 2015 Boys & Girls Club of Norman (BGCN) was implemented to expand the number of youth served, increase hours of service to 20 hours over 5 days per week, and benefit from the program curricula, training, quality standards and other support provided by Boys & Girls Club of America.

In 1999, Neighborhood Centers was developed as a community collaboration to respond to high needs neighborhoods representing a significant percentage of the overall poverty and juvenile crime in the City of Norman. In subsequent years, a review of crime data from the Norman Police Department suggested that the implementation of Neighborhood Centers correlated with a significant and sustained decrease in juvenile arrests.

Boys & Girls Club of Norman's target population continues to be children and youth who reside in neighborhoods with high poverty and crime rates, many of whom have experienced relationship trauma such as domestic violence, child abuse or neglect. As a program of CCFI, BGCN is able to benefit from the expertise of CCFI professional staff and its 50 years of experience addressing the needs of families struggling with trauma. Most of the enrolled members come from Adams, Jefferson, Kennedy, and Wilson Elementary Schools, Irving and Longfellow Middle Schools with a few from Norman High and Norman North High Schools. Norman Public Schools transports students from four of these school sites and Club members are able to walk from two nearby schools. The Club opens its doors, on a space available basis, to all students enrolled in Norman Public Schools ages 6-18.

Melissa Klink serves as the CEO of CCFI overseeing multiple programs in the agency, including Boys & Girls Club of Norman. Her history in non-profit mental healthcare, helps drive the advocacy and trauma-informed work of the Club. The Boys &Girls Club is led by Executive director Whitney Dunn with her Program Director, Lee Brandon. Whitney has extensive experience leading afterschool youth programming. Lee is a Licensed Clinical Social Worker with several years of experience leading after school programs and working as a therapist with low income families who have experienced significant trauma. Lee's background has facilitated the further development of a trauma informed approach to after school services. The trauma informed approach includes increased structure, lower youth to adult ratios and creative and individually tailored interventions to help youth resolve conflicts and learn to manage strong feelings without aggressive behavior.

The overall goals of BGCN prevention services are 1) safety and a sense of belonging 2) avoidance of crime, delinquency and other high-risk behaviors, 3) academic success, 4) healthy lifestyles and 5) character and leadership skills. As members arrive from school, the Regional Food Bank of Oklahoma supported Kids Cafe provides a healthy dinner. Following dinner, members have Kid choice time to spend on the playground, the outdoor basketball court or the gym. In addition, members have access to an extensive library of books, a newly renovated art room, and many enrichment activities and board games. Each

day, Club members participate in Power Hour with staff and volunteer support to complete homework, engage in STEM projects and other interactive academic enrichment activities. Other programming is offered using curricula provided through Boys & Girls Club of America such as Smart Moves, to promote self-awareness, healthy habits, decision making and goal setting and Career Launch, to promote job-readiness and career preparation for teens. Before members leave for home each day they receive a healthy snack.

In 2021 the Boys & Girls club of Norman serviced a total of 107 members during our virtual programming, afterschool program, and summer camp. Enrollment was still limited for the 2021-2022 school year, due to us still operating a socially distant program of 85 members. We are still taking all safety precautions seriously and have had minimum closures due to our detailed precautions. We know now, more than ever, that our kids need a safe and healthy place to be and with the support of the City of Norman we can continue to provide that through the Club.

94% of members reported the club provides a safe and positive environment. 92% of BGCN members report they are building healthy supportive relationships with the adults that work at the club.

89% of members feel a sense of belonging at the club

93% of members are expected to graduated High School

CCFI is grateful for the many public and private partners who make financial and in-kind investments in Boys & Girls Club of Norman. These partnerships and their impact on children, youth and their families would not be possible without the steadfast commitment of the City of Norman. Partner organizations we work with include:

- United Way of Norman: United Way of Norman provides funding for BGCN and works to support the quality of youth development and out-of-school time services throughout the community.
- **Norman Public Schools:** Norman Public Schools contributes financially to the partnership and also allow BGCN members to utilize school buses, vans, and other resources at no cost to the program. Bus transportation is provided from three elementary schools and one middle school daily throughout the school year.
- **Norman Police Department:** The Norman Police Department partners with CCFI to work and engage with the youth we serve, participating in outreach activities and presentations.
- **Red River Community Corps:** BGCN continues a long term partnership with the AmeriCorps program. Currently one full-time and two part-time members serve as part of the staff.
- University of Oklahoma: BGCN serves as a practicum, internship, and volunteer site for many OU students. Approximately 100 OU students associated with a wide range of campus groups including service organizations, fraternities and sororities have volunteered with or worked to support the program. Additionally we have two work study students who are employed by the University but provide work hours to the Club, which is a vital cost savings measure for our budget.
- **Bethesda:** Bethesda staff provide child sexual abuse prevention presentations to members and parents.

### **Financial Information**

Page 4 of this report is the FY 2022 and Estimated FY 2023 revenues and expenses for Boys & Girls Club of Norman. The FY 2022 Budget includes one-time for capital improvements funded by CARES Act as well as extensive hail damage repairs. The 2020 audited financial statements and 990s tax returns are attached.

**Fees for Service:** Boys & Girls Club of Norman charges its members ten dollars per semester and twenty dollars for summer camp. Membership fees represent less than 1% of the program budget.

Actions to Generate Income: In addition to the City of Norman funding, operating costs for the Club are funded from United Way of Norman, foundation and corporate grants, Norman Public schools and small state contracts. Over the last two years, there has been an influx of pandemic relief funds which has supported temporary expansion and enhancements. An application for multi-year Elementary and Secondary School Emergency Relief (ESSER) funds for after school programs is pending award.

In addition to making personal financial contributions to the agency, the CCFI Board of Directors continues to seek supplementary funding sources to reduce the impact of a down philanthropic climate. The Sustainable Funding Committee works closely with the Development and Communication Team to oversee the resource development process and find ways to diversify revenue for CCFI. All Board members participate in our annual end of year campaign by identifying and soliciting individual and corporate prospects.

### **Fiscal Year 2022 Request**

For FY 2022, the City of Norman generously provided \$120,000 to support the Boys & Girls Club of Norman Partnership. **CCFI respectfully requests that the City of Norman continue its investment at \$120,000 for FY 2023.** 

This continued investment in BGCN will support the staffing levels required for the high need population served. A minimum 12:1 student to staff ratio is required to provide the high-quality, structured programming and additional support for students struggling with emotional and behavioral problems.

We sincerely appreciate the ongoing support of the City of Norman and its dedication to improving the lives of children in our community.

Respectfully,

Melissa Klink, Chief Executive Officer Center for Children and Families, Inc.

## Overview of Activities for FY 2020 - 2021

In March 2020, when the pandemic shut down most businesses, the Firehouse Art Center was hit very hard with the loss of all staff except the Executive Director. The Firehouse lost over thirty years of historical knowledge. In April 2020, we hired Lacy Jo Burgess-Cady as Operations Coordinator, who has been instrumental in keeping our business open. Over the past two years, we have tried to fill the positions and hired eight new staff members, but during the "great Resignation," workers are not staying in their jobs, and the new staff did not stay for more than a few weeks. In 2022 we hired two new full-time staff for the Gift Shop and Executive Assistant. We hope to move forward this year with a full team and a bright outlook for the future.

The Firehouse Art Center is a non-profit 501(c)(3) corporation located at 444 South Flood Avenue, Norman, Oklahoma 73069. The Firehouse was founded in 1970 as a community arts center, operating out of a vacated, city-owned building, which previously served as a fire station. The facility has since transformed to house highly professional visual arts studios, accommodating adult and youth art education programming, a permanent gift shop, and a dedicated exhibition gallery space. The Firehouse has become the foremost provider of art education programming in Norman's public elementary schools. We have invested over \$325,000 in elementary school outreach programs, which have reached over 17,100 students in the past twelve years. In a typical year, the Firehouse serves as a partner to many community events and reaches approximately 8,000 individuals every year through the organization's extensive breadth of programming.

The Firehouse Art Center, along with granting partners the Oklahoma Arts Council, the Norman Arts Council, the National Endowment for the Arts, and Allied Arts, continues to build a cultural infrastructure to strengthen the arts in Norman and its surrounding communities. By offering equal access to educational, high-quality visual art opportunities for everyone, regardless of their socioeconomic background, the Firehouse is laying the groundwork for generations of individuals with the knowledge, appreciation, and personal investment in the arts to become advocates for the future of the arts in the state of Oklahoma. The Firehouse implemented two new open house events in 2021. Our "Veterans Family Day" and "Back to the Arts Family Day" were designed for all ages to come together for a day of hands-on creating. **Support from the City of Norman is imperative in assisting us to achieve our mission, including providing accessible visual arts programming for underserved groups such as adults with disabilities, U.S. Armed Forces Veterans, and youth from disadvantaged socioeconomic circumstances. As such, the Firehouse Art Center requests \$60,000 for operational expenses for the fiscal year ending 2022.** 

01. NARRATIVE OF ANNUAL ACTIVITIES

## Arts Learning in Communities: Children

In the past year, the Firehouse Art Center's Art After School and Children's Summer Art Program served a total of 234 students through the Firehouse award-winning approach to primary art education. Classes educate and encourage children to express themselves through visual art with original ideas and concepts. Firehouse classes help children build fundamental and advanced cognitive skills and promote diverse critical thinking and learning methods. The Firehouse Creating with Masters curriculum introduces children to the works of master and modern artists and teaches them about the history of art, museums, and art techniques while meeting the Oklahoma Academic Standards for Fine Arts: Visual Arts guidelines. This year we added three Art and Wellness for Children classes to our summer class offerings. These classes were designed to help students address and learn coping skills for anxiety associated with COVID disruptions. These classes also encouraged students to express their emotions through art.

Classes are structured by age groups (five to six, seven to ten, and eleven to fourteen) and include a variety of mediums, including painting, drawing, ceramics, collage, and mixed media. In past years, the Firehouse has augmented this programming through a field trip partnership with the Fred Jones Jr. Museum of Art, which provides students with the opportunity to explore art in a formal museum setting and experience the work of master artists firsthand while discovering the rich art resources available in their community. While we were unable to take our students to the museum this year due to the COVID-19 lockdown, we are excitedly anticipating returning to the museum with our students in the coming year. During the past fiscal year, the Firehouse's Art After School (A.A.S.) program, offered September through May, taught 113 children ages five to fourteen in four semesters. The Firehouse implemented an alternate schedule of six class meetings over two weeks to accommodate social distancing. This schedule allowed us to limit the number of students in the building and eliminate cross-contamination because the class was the only one using the studio during that period. We could sanitize the facilities between courses.

The Firehouse is also continuing to develop new visual arts curriculum for ages 5-14, which is now available for free on our website to keep children in quarantine connected to the arts at home.

Art After School classes is offered at \$105 per course, which equals a cost of \$10.50 per hour for ten hours of high-quality art education.

## Arts Learning in Communities: Youth & Teen Program

The Firehouse Art Center's Youth & Teen programming provides intensive visual arts experiences for adolescents ages ten to seventeen. The Youth & Teen program at the Firehouse Art Center includes advanced drawing and painting and multimedia courses offered during four eight-week semesters each year and unique workshop opportunities. These classes are tuition-based, but significant scholarships are provided for teens in need. FY 2020-2021, 60 youth and teens participated in visual arts education at the Firehouse.

Students attend their art class once or twice a week, for two hours, totaling 16 classroom hours each semester. All of the Firehouse's Youth & Teen classes, in keeping with the Firehouse's overarching curriculum guidelines, follow intensive, multidisciplinary curricula that foster alternative methods of learning and multiple intelligences in conjunction with visual arts education. Advanced youth courses are aligned with the Firehouse's adult class offerings at \$158 per course, with an average of \$9.88 per hour for 16 hours of art education.

In addition to regularly offered in-house programs, the Firehouse provided opportunities for local teens to develop visual arts skills further, exhibit their work to a public audience, and engage with the local art community in the last year.

Children's Summer - Youth & Teen, 11 to 16 years old

### Arts Learning in Communities: Adults

This year, adult classes at the Firehouse were offered in various mediums, including painting, drawing, jewelry, printmaking, fiber, and fused glass. Classes were offered six days a week from September through August, taking place throughout the day, beginning as early as 9 AM and ending as late as 9 PM.

Adult courses are designed for individuals ages 17 and up and focus on developing self-expression, building technical skills, and studying art history and master artists, with particular attention given to the students' individual needs. Students in the Firehouse's adult classes come from diverse backgrounds and careers, with skill levels varying from beginner to professional artist that enhances each class dynamic while stimulating creativity and the production of unique works of art. This year, the Firehouse introduced new beginners' classes that are four weeks in duration. These courses are designed to allow adults with other time constraints to pursue their creativity. In FY 2020-2021, 142 adult students received visual arts instruction at the Firehouse. The Firehouse also provides art learning opportunities to adults with varying degrees of cognitive, physical, and learning disabilities through the Healing Studio program. This visual arts program is intended to nurture and provide an outlet for the creative expressions of these individuals at no cost. The intent of the program is that participants who may feel marginalized or isolated by society will instead feel acceptance and experience an improved quality of life through their art. Every year, the FAC Gallery hosts an exhibition featuring work by Healing Studio participants. This experience has become crucial for the validation of the students, both as artists and as valued members of society. This is the program's most significant source of community support, providing encouragement and recognition to the artists while experiencing art as a fundamental expression of health and diversity. The Healing Studio did not meet FY 2020-2021 but did restart in January of 2022. We have shared our new online curriculum with our Healing Studio students to continue creating art at home.

### Community Arts Program: Outreach Partnerships

In response to COVID-19 health concerns, the Firehouse adjusted its community outreach activities to include nocontact drawing and sculpting demonstrations rather than hands-on activities. The Firehouse also took part in the modified Tinkering in the Park with the Science Museum of Oklahoma and the Outdoor Movie Series. We are excited to resume our outreach in the community as these events begin to be held in person.

In a typical year, the Firehouse, in partnership with Norman and Oklahoma City metro-area organizations, facilitates free art activities that encourage creative thinking and visual arts learning at events across the community. In recent years, the Firehouse has strengthened recurring partnerships with the City of Norman's Outdoor Movie Series and Earth Day, the Downtown Norman Fall Festival, the National Weather Center's National Weather Festival, Norman P.T.A.'s Chocolate Festival and Reflections competition, Norman Pride, the Norman Music Festival, and more. As a member agency with Allied Arts, we participate in the Plaza District Festival and the Science Museum Oklahoma's Tinkerfest. Through these many partnerships, the Firehouse provided visual art experiences to 1,173 individuals in the past year.

All programming provided by the Firehouse at these events

is offered at no cost to participants and incorporates visual arts education, including hands-on, creative components. The projects at each event are rooted in high-level visual arts education that encourages creativity and selfexpression. They can be modified to provide customized arts experiences while maintaining a solid foundation curriculum rooted in the Firehouse's Creating with the Masters guidelines and the Oklahoma Academic Standards for Fine Arts: Visual Arts. The technical skills required for each activity are designed to accommodate individuals of various ages, abilities, and learning capacities.

As we come out of COVID restrictions, the Firehouse designed and implemented two events held at our site this year. These were the Veteran's Family Day and the Back to the Arts Day. These events were designed to encourage underserved populations unfamiliar with the Firehouse and its programs and mission. We hope to make Back to the Arts Day a reoccurring yearly event. By developing and refining flexible educational visual arts projects that can serve various partnering organizations' needs, the Firehouse will sustain and grow its community outreach activities in the coming year, enhancing current partnerships and seeking opportunities with other likeminded organizations in the area.

## FAC Gallery and Gift Shop

The FAC Gallery and Gift Shop promote awareness and community involvement with the visual arts and provide visual arts programming that supports local artists. Both are free and open to the public and are typically open six days a week during the Firehouse's operating hours. During COVID, our hours have been Wednesday – Saturday, 10-4:00 PM, but we are set to return to regular hours starting February 2022. Built in 1983, the 690 square foot gallery offers quality art exhibitions. It presents artwork from emerging, established, local, and out-of-state artists, as well as shows highlighting the Firehouse's educational programs.

The FAC Gallery exhibits professional artists working in all media, including painting, collage, sculpture, mixed-media, fiber, photography, and more. In 2020 - 2021, over 2,000 people visited. We have expanded the annual Holiday Gift Gallery to include the gallery during the restriction. This has allowed us to provide a more consistent income stream to our gallery artists, the vast majority of whom live in Oklahoma. The gift shop is unique to Norman because it represents high-quality fine art pieces at multiple price points, connects the Firehouse's mission of promoting the visual arts to members of the local community, and creates arts patrons. The gift shop only displays original art pieces, primarily from artists who make their living from artwork sales. These artists, 90% of whom are based in Oklahoma, appreciate the ability to be represented in the thriving art community of Norman, with their work accessible to local shoppers. Through artist and community feedback, the Firehouse has determined that its hours of operation (open 46 hours a week), ideal location for reaching individuals through the surrounding city park, and high-quality artwork standards have led to additional sales and wages for the artists. The gift shop supports the Firehouse's commitment to promoting local professional artists.

## <u>Staff</u>

Amy Pence Museum Manager The Moore-Lindsay Historical House Museum (MLHHM) was founded in 1974 as the Norman-Cleveland County Historical Museum, the result of a collaboration between the City of Norman and the Cleveland County Historical Society (CCHS). The museum is housed in a beautiful Victorian-style home that was built in 1899 and is a prime example of the success that middle-class families found in Oklahoma Territory. The Historical Society is proud to continue to serve as stewards of the property, which is listed on the National Register of Historic Places.

Our mission is to research, preserve, publicize, and perpetuate the history and genealogy of Cleveland County, Oklahoma and its people, and to assemble and displaobjects of historical interest and significance.

Staff will also conduct field trips, educational group tours, and private workshops as requested by local schools, homeschool groups, clubs, and other organizations.

# Archive

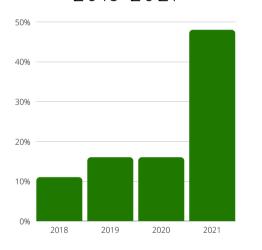

CCHS houses its historical collection in the archive room of the Moore-Lindsay Historical House Museum. CCHS collects items of historical significance relating to Cleveland County from the years just prior to the first Oklahoma Territory Land Run to the present day. The majority of the archival collection focuses heavily on documenting Cleveland County's history during Oklahoma's territorial period and early statehood, roughly 1880-1930. Expanding the materials in the archives is an ongoing effort, and more recent donations move the collection's timeline into the middle of the twentieth century. The collection consists of more than 5000 items, including paper archives, photographs, slides, recordings, books, newspapers, furnishings, and artifacts. Additionally, recent donations of approximately 50 artifacts and tens of thousands of photographs (donated by a local photo studio in 2019) are awaiting processing and digitization in order to be added to the archive.

## Fees & Income

Workshops, camps, etc.: \$5/person Photographer Fees: \$50/hour Rental Fee: \$50/hour Birthday Party Package: \$150

## Percentage of Expenditures Paid By Non-City Funds 2018-2021

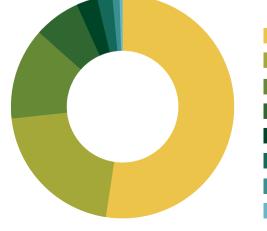

In an effort to keep the museum accessible to as many people as possible, the Moore-Lindsay Historical House Museum does not charge an admission fee. Additionally, our camps and workshops are priced at an affordable \$5 per person for each session. Because these income sources are limited, CCHS is continually seeking additional sources of funding. CCHS offers the historical house as a set for photographers, the house and carriage house can be rented out for small events, and the museum also offers a Victorian tea party birthday party package.

Additional income sources include the museum gift shop, grants, royalties on CCHS books, and fundraisers. In 2021, the society published a new CCHS book on local history, conducted a raffle fundraiser, and partnered with a local paranormal investigation group to conduct investigations at the historical house with a portion of ticket sales benefitting the museum. The museum was also chosen by the Oklahoma Department of Libraries to receive a grant in 2022 of approximately \$3200 of ARPA funds. Staff continues to seek additional fundraising and grant opportunities.

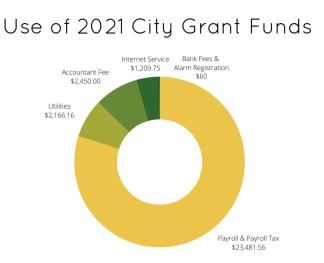

## Percentage of Expenditures Paid By Income Source 2021

- City of Norman Grant Funds 52.4%
- Grants 20.9%
- Existing CCHS Funds 13.3%
- Gift Shop, Book Sales, Membership Dues, & Book Royalties 6.7%
- Investments & Endowments 3.0%
- Donations 2.2%
- Camp, Workshop, & Tea Party Enrollment Fees 1.0%
- Rentals, Photographer Fees, & Birthday Parties 0.4%

# Use of 2021 City Funds

City of Norman funds are used to pay for the basic necessities of running the museum: the museum manager's salary, the cost of utilities for the building, and fees for the accountant who handles museum payroll and taxes. This frees up funding from other sources to cover the costs of museum programming and necessary supplies. Other uses of City funds include providing internet service for museum staff to use for research purposes, paying bank account fees for the account holding the funds, and paying the fee for the yearly City of Norman registration for our alarm system. At this time, it would be impossible to continue operating the museum without this essential funding.

# Funding Request for 2022

CCHS was appointed by the City of Norman to serve as guardian of the Moore-Lindsay Historical House Museum in 1974. The society has proudly served in that role since that time, with the support of an annual grant from the City. Since 2015, that grant has been for \$30,870 a year. In the last six years, while city funding has remained stable, there has been an increase in educational programming, exhibits, and events offered at the museum, all of which have increased museum visitation. CCHS has also seen an increase in material donations to the museum; these donations of artifacts, photographs, and manuscripts help the MLHHM to present a more thorough and accurate history of Norman and Cleveland County, but all new materials to the museum have to be accessed and archived by museum staff. Currently, the museum manager is the sole staff person at the museum, working part-time, 30hours per week with a salary of under \$24,000 per year. The manager fills the roles of executive director, registrar, docent, curator, marketing department, housekeeper, educator, volunteer coordinator, gardener, researcher, outreach coordinator, social media manager, webmaster, networking liaison, and events coordinator. Sadly, because there is only one staff person, the museum must close if she is busy teaching a museum workshop or camp session, out of the office attending professional development classes or community meetings, or out sick. One solution to this issue would be the hiring of a second staff person. Additionally, CCHS is seeking to offer health insurance to the museum manager, as this is a priority in maintaining the current staff and in becoming a more equitable workplace.

## CCHS humbly requests that the annual grant from the City be increased from \$30,870 to \$41,500 in order to hire a second staff person and provide health insurance benefits for the museum manager.

This funding increase would set the stage for the museum to grow by leaps and bounds in the next few years. If the City were to grant this request, the current museum staff would be extremely grateful and is committed to using these funds to expand the positive effects that the museum has on Norman via community-responsive programming, policies focusing on equity, exhibits featuring diversity, 113 outreach to local schools and community groups to assess their educational needs and offer assistance.

# THE SOONER THEATRE OF NORMAN, IN LANNUAL REPORT FY 2020-2021

## LOOKING BACK, PLANNING AHE

This report highlights our most recent completed Fiscal Year, beginning July 1, 2020 and ending June 30, 2021, based on the date it is due to the City of Norman (February 2022). As everyone is well aware, much of the fiscal year (FY2021), looked guite different than years past. We will discuss our policies, guidelines and practices, as well as how we have been and will continue to safely return to programming in our presentation to the council.

## THE NUMBERS TELL THE STORY

Each year, the City of Norman invests \$65,274 in funding for salaries at The Sooner Theatre. This amount represented 9% of our total budget in FY '21, which was \$705,506 (adjusted from original budget of \$920,100 due to pandemic), and 20% of our contributed income, which for FY 2021 was \$330,429.

We are incredibly grateful to the City of Norman for the municipal funding, and want you to know how proud we are to be stewards of this beautiful building.

While only 5601 audience members attended Sooner Theatre events in person during FY '21 due to the closures and social distance and limits on attendance the pandemic caused, they spent, on average, \$44.21 per person in our community, with an economic impact of \$247,620. That number does not include audiences who viewed Sooner Theatre programs online or through our social media channels, which was estimated at 119,806. In addition, parents of the hundreds of students enrolled at The Studio of The Sooner Theatre contribute to Norman revenue by purchasing dance clothes, dance shoes, makeup, hair and wig products and anything else needed, as well as by frequenting restaurants and coffee shops in downtown Norman each week while they wait for students. And, the theatre purchases lumber, fabric and supplies locally to build every set and costume for every show. We also saw 819 enrolled in camps and classes at The Studio of The Sooner Theatre (up from the previous year, but lower than pre-pandemic numbers due to COVID), and \$16,121 given back in scholarships for tuition to 107 students who could otherwise not afford to participate.

According to the Norman Economic Development Coalition, the input from our salary base and contracted instructors, shows an economic impact of nearly \$2,000,000.00 in the community annually. We are so proud of the impact we make on the Norman community and on communities surrounding Norman. And, we are extremely grateful for community. leaders who understand the impact the arts have on our community!

### **STAFFING**

Our mission, function and program direction have, each year, been approved by the City administration, and Municipal money has been provided for The Sooner to have a firm "base" for staffing the facility, and on which to build its activities. According to Theatre Facts, A Report on Practices and Performances in the American Nonprofit Theatre, a typical theatre our size, with a similar County population, and the same amount of programming will have 10 full time employees. Our current staff manages both The Sooner Theatre and

The Studio of The Sooner Theatre with 5 full-time and 2 part-time employees. We also utilize the Federal Work Study program at OU, when the opportunity arises. The Sooner Theatre utilizes contract labor for teachers, directors, choreographers, music directors, musicians and accompanists.

The Sooner Theatre provides benefits to our employees through Blue Cross Blue Shield of Oklahoma. As you know, the turnover rate in the "nonprofit world" has always been high, and even higher in the "theatre world", so offering benefits to our employees is an incredible feat for our organization. For fiscal year 2019-2020, we paid **\$21,967** in employee benefits (healthcare only), a 3% decrease over the previous fiscal year.

The Municipal money we receive in the amount of **\$65,274** was approximately **27%** of our payroll expenses (FY 2021).

Because we receive this money from the City of Norman, we are able to allocate other funding in our budget to programming that supports underserved populations in our community, including scholarships provided to students who otherwise would be unable to participate in performing arts programs due to cost, training instructors to provide specialized instruction for special needs students, and to participate in partnerships like "Trauma Drama" which helps empower and heal students in our community who have experienced chronic or extreme trauma in their lives through theater and improv exercises. We launched this pilot program in FY '19 in partnership with the Center for Family and Children, The University of Oklahoma's School of Social Work and the Norman Public Schools. This year, we were able to serve students at Norman High School through the program. After we make it through the Pandemic, the plan is to expand that program to Norman North High School and Dimensions Academy as well.

The Sooner Theatre's earned revenue includes tickets to productions and concerts, tuition for classes at our Studio, as well as rentals and concession sales. Percentage of total budget (\$705,506) from ticketing was 13.6%, tuition revenue was 35.2%, rentals and concessions is 4.7%, contributed revenue donations/fundraisers was 46.8% of our total budget.

According to the Norman Economic Development Coalition, the input from our salary base and contracted instructors, shows an **economic impact of nearly \$2,000,000.00** in the community.

## THEATRE ACTIVITY

Our programs serve quality of life needs in the areas of culture, education, theatre and music for an increasing number of citizens.

Our product tells what we stand for, what we want to offer the community and how well we know our business. At The Sooner Theatre, we host professional artists to first-timers and foster performers from 3 years old on up. Our presentations reflect our mission, our image and ultimately, they determine our survival. We embrace the fact that we are not just "Community Theatre" but "Theatre for the Community". While only 5601 people walked through our doors last year and we were able to track ticket sales to 83 Oklahoma zip codes and 12 out-of-state! We hope you agree that The Sooner Theatre grants a major return for City's investment.

In 2002, our Board of Directors approved a programming portfolio consisting of **seven** initiatives.

1. THE MAIN EVENT SERIES is The Sooner Theatre's concert series. 2020-2021 Season: No Concerts (COVID)

Tickets to Main Event concert series shows are based on artist fees and other expenses. Tickets for the FY '20 concert ranged from \$20-\$25.

2. SOONER STAGE PRESENTS is The Sooner Theatre's selfproduced theatrical series.

2020-2021 Season: Mamma Mia (Postponed to 2021-22 due to COVID) Annie, 25th Annual Putnam County Spelling Bee (Postponed to 2022-2023 due to COVID)

Tickets to Sooner Stage Presents Theatrical productions range from \$12.50-\$35 dependent on discounts.

3. THE STUDIO OF THE SOONER THEATRE is The Sooner Theatre's performing arts academy. The Sooner Theatre's Theatre Arts Education program impacts hundreds of children ages 3-18 each year by providing outstanding performing arts education in a warm and welcoming environment. Year-round classes follow the Norman Public Schools schedule. Fall classes begin in September and offer cumulative learning concluding in April. Summer camps are held in June and July.

The Sooner Theatre's education program began in 2003 with one summer camp production that served 30 children. Our total enrollment in 2020-2021 exceeded 800 (down 20% due to COVID) from across the metro area. The program has evolved into year-round performing arts school with training in the areas of musical theatre, acting, improv, voice,

and dance, as well as troupes that perform at various events throughout the community. We offer classes in musical theatre, acting, improv, magic, ballet/jazz, tap, hip-hop, private voice instruction, audition coaching and much more! We also make it a point to bring in experts in our industry to present Master Classes to our students, and have hosted Broadway performers, National Tour performers, TV personalities, Broadway casting directors, and many others. This year's classes and camps were a mix of in-person and virtual options

Studio students have been seen in many regional productions, including the OKC Philharmonic's The Christmas Show, OU productions, singing for the Thunder, Texas Motor Speedway, in many commercials and films and on hit Nickelodeon and Netflix series! Sooner Theatre students were also chosen as the munchkins in the National Tour of The Wizard of Oz, Winthrop in The Music Man in Concert with Shirley Jones, and Studio students

were featured in a walk-on role in the Broadway tour of both Camelot and Waitress.

In January of FY'21, **Studio of The Sooner Theatre students attended the Junior Theatre Festival** in Atlanta for the sixth year, where our students were adjudicated and attended workshops with 6500 theatre students from across the country. **Out of the 127 groups who brought a selection from a Broadway JR show to be adjudicated, The Sooner Theatre was one of just 9 selected to perform a song from their selection on the main stage in front of all 6500 attendees from the United States, United Kingdom, China, New Zealand and Australia!** One of their adjudicators stated, "There must be some 'secret sauce' at that theater in Norman, Oklahoma, we hope you share it with everyone!" They were impressed with all aspects of our students' performance, from skill level, to acting abilities to choreography and so much more!

## **BEYOND THE STAGE**

There is no question that the productions of The Sooner Theatre are magical. The lights, the sound, the costumes, the sets and the talent we are lucky enough to work with - both community theatre and our youth educational productions. But, you might not be aware of all the things that happen **Beyond The Stage**.

## Scholarships

Last fiscal year, The Studio of The Sooner Theatre gave \$16,121 in **scholarships** to students who could otherwise not afford to participate in performing arts classes and camps. This includes awardees of the Laurie McReynalds Memorial Scholarship, which we award by working with local non-profits, counselors and principals at Norman Public Schools elementary schools. This scholarship is awarded to a student from a diverse or underserved background chosen because of either their need for assistance, potential talent or

passion for the arts, or because the student could use some help finding his or her voice.

## **Special Needs Classes**

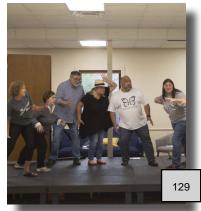

We are excited to offer classes for special needs students. Our **Be My Buddy** class pairs elementary-age students with a student from The Studio's ambassador performance troupes to learn songs and dances. We also have a class whose name says it all - **Fabulous Friday**! This group of teens and adults with Down syndrome will change your outlook on life. They are the most joyful, excited group of people you will ever meet. And, they can

DANCE! Due to the high-risk population we

serve through our special needs programs, only our Fabulous Friday class was offered this year, and it was taught virtually.

## Trauma Drama

We partnered with the Center for Children and Families, the University of Oklahoma's Anne and Henry Zarrow School of Social Work and Norman Public Schools on a program called **Trauma Drama**. This program is designed to work specifically

with students who have experienced major or chronic trauma. As part of a student trou these kids work through their trauma using theatre activities, improv and more. In FY'20, we were able to serve students at Norman High School through the program. When we get past the pandemic, the plan is to expand that program to Norman North High School and Dimensions Academy as well. We cannot wait to grow the program with incredible partners!

Tuition for Studio camps and classes ranges from \$125 for a one-week summer camp to \$550 for a school year production class. **We normally give back approx. 20% of our annual tuition** revenue in scholarships. For fiscal year 2021, total tuition revenue was \$248,304 and **scholarships given totaled \$16,121, which funded 107 instances of tuition and/or fees** over the last year.

## 4. SPECIAL EVENTS

Due to the ongoing pandemic and the need to socially distance and limit contact, we were unable to hold our two fundriaising events for FY 2021 - we were forced to cancel Voice of The Heartland vocal competition and Murder Mystery, resulting in a potential loss of about \$75,000 in contributed income to the theatre.

## **5. RENTAL ACTIVITIES**

Community organizations and individuals have the opportunity to rent the theatre for their activities, meetings or performances. Our rental revenue for 2020-2021 was \$29,450.

Rental rates are approximately \$800-\$1000 per day for use of the theatre. We also rent the Studio event space for \$300-\$1200 per day.

SOONER CINEMA** is The Sooner Theatre's film and video offerin We do not offer a film series at this time, but normally host several events each year that do show films, including Norman Music Festival, Norman Film Festival, Moore-Norman Technology Center's Red Carpet Film Festival and Earth Rebirth Film Festival (when there is no pandemic).

**7. OUTREACH AND DEVELOPMENT** is our program designed to "give back". In addition to our programming, The Sooner is deeply rooted in the community.

## **Our Outreach and Development includes:**

Partnering with United Way's Celebrity Sing, Citizen's Advisory Council, Norman Convention and Visitors Bureau, The Norman Public School's Gifted Council and the Norman Arts Council. We are represented at the Norman Downtowner's Association, Norman Arts Council's Roundtable, Norman Rotary, the United Way Cabinet, Assistance League, Norman Public Schools PTA and several other organizations.

Our Studio Ambassador Performance Troupes made up of 3rd-12th grade students also perform regularly in the community. As you can see from this list, the programming portfolio is ambitious. It is designed to provide more activities, for more groups and therefore, more audiences. This is a way to maximize Theatre appeal by a broader portion of our community, and to hopefully ensure long term fiscal return.

## AWARDS AND HONORS

- The Sooner Theatre is **one of three** Norman arts organizations who are current Allied Arts member agencies.
- The Sooner Theatre was the **first (and only, so far) arts organization** to have been awarded the Norman Rotary Clubs' Le Tour De Vin and the Impact Oklahoma grants funding capital projects.
- In August 2020, The Sooner Theatre was named as the Oklahoma Center for Non-profits' ONE Award winner for Arts and Humanities.

## **OTHER SOURCES OF INCOME**

In addition to the Municipal money our other sources of income are from our annual Murder Mystery and Voice Of The Heartland Fundraisers, Corporate Sponsorships, Business and personal donations, program advertising, grants from foundations and other granting organizations, ticket revenues from concerts and performances, tuition revenue from our camps and classes and rental fees, both at the theatre and Studio. This year, we also saw relief in the form of funding to help ease the burden of the pandemic from the SBA, Oklahoma State Arts Council, Allied Arts and more. All of these funding efforts helped our **2020-2021 operating budget of \$705,506**.

# Total earned revenue for FY 2021 was \$377,711, which accounted for 54% of our budget. Contributed income made up the remaining 46% of the budget.

"What we put on the stage is not only what the public sees – it is what we are."

# Thank you for all you do to support the programs, productions, concerts and events of The Sooner Theatre!

We are very fortunate to live in a community who understands the value and the impact of the arts on its citizens.

We could not do what we do without you!
