Item 1.

February 1, 2022

- To: City of Norman Finance Committee
- Re: Social and Voluntary Service Committee

The Social and Voluntary Services Commission (SVSC) was founded in 1973 as an advisory body to the Norman City Council regarding the evaluation of social services. The SVSC Commission consists of nine members each serving a three year term. The current members are: Kristal Hamm, Victoria Harrison, Josh Hinkle, Kurt Lee, Loida Salmond, Angela Steinle, Ann Way, and myself. I currently serve as the chair and Kristal Hamm the Vice-Chair. We have one vacancy that is pending City Council confirmation.

Within the Fiscal Year 2021-2022 City of Norman budget funding for social service agencies was increased to \$250,000 from the previous amount of \$175,000. A formal application process was held in which qualified interested agencies were required to submit an application that included information regarding the overall mission of the agency, specific project for which funding was being requested, financial information including budget summary and projected budget, copy of most recent audit, their 990 return for 2019, and a copy of IRS tax exempt status letter. The application also required a list of the current board members and staff members of the agency.

In 2021 the Social and Voluntary Services Commission meet in person and reviewed the submitted by 32 Norman service agencies. The submitted applications totaled \$247,000 in requests for funding. For the 2020 application cycle, a \$10,000 application cap was enacted. The cap was enacted to be able to assist more agencies. The applications received for the previous cycle prior to the implementation of the \$10,000 application cap totaled \$345,000. During the review of each application, Commissioners discussed any questions or clarifications that were needed from the applicant. Staff obtained this information from the agencies and forwarded the responses to the Commissioners. All submitted applications for funding were approved although some were for less than requested.

After the initial meeting of the commission and prior to the funding meeting, each Commission member evaluated each of the applications independently and determined an appropriate funding level within the allowable total of \$225,000. These results were provided to staff and compiled into a spreadsheet. At the funding meeting the Commission reviewed the compilation of budgets and discussed the criteria that the Commission members applied to each funding proposal. The Commission evaluated multiple subjects including but not limited to: possibilities of duplications of efforts, past performance of the

agency and potential for other funding sources.

Agency project funding is administered on a reimbursement basis. Payments are made as invoices with appropriate documentation of project execution and receipts are received. Each of the funded agencies are visited a minimum of once during the fiscal year by Commission members. During the pandemic these visits are conducted virtually. We will to return to physical site visits as soon as this is safe for commissioners and agency staff. During visits we inquire about future trends, any special challenges for the organizations and how partnerships with others doing work in this field can be established. The visits are not only to check for contract compliance in expending the awarded funds, but also allow commissioners to assess possible needs in our community.

It is no surprise that the pandemic was had a profound effect on the Norman Non-Profit community. As individuals and established funders have experienced the contraction of the economy, less funding has been made available than in previous years. In addition to this deficiency, many funding entities have decided to swing the focus of funding to COVID specific needs. While understandable, this creates a scarcity of normal operating funds. As agencies can only spend funds on the projects and programs specifically funded this creates a Catch 22 effect. Agencies can have hundreds of thousands of programmatic dollars to spend but struggle to pay rent, utility and administrative costs that enable them to keep the doors open. The SVSC is a funder that allows for, and during the pandemic has made known that general operational funding requests are welcome.

The Social and Voluntary Services Commission respectfully requests the consideration of a minimum of \$225,000 of funding to be included within the City of Norman FYE23 Budget. Any increase will be a necessary safety-net for the amazing agencies that make up the social safety net for our community.

If you have any questions regarding the Social and Voluntary Services Commission please do not hesitate to contact me at (405) 471-2666 or Lisa Krieg, our City staff liaison.

Regards,

Heidi Smith Chair, City of Norman SVSC 413 English Elm Lane, Norman, OK 73069 (405) 471-2666 heidi@heidismith.com

RE: City of Norman Veterans Day Parade Committee

We are requesting up to \$530.00 to cover insurance for the City of Norman Veterans Day Parade/Static Event to be held at Reaves Park at a date yet to be determined near November 11, 2022. Last year the insurance was approximately \$424.00; however, with rising costs, we are expecting a possible increase due to inflation and our request should cover the cost.

We appreciate the support you have provided to us these last few years in providing insurance and hope that the City will be able to do this again for 2022.

We currently have approximately \$2,368.20 in an account through the Norman Park Foundation. All funds were received as donations. Our 2021 expenses were approximately \$313.50 for gas for airplane flyovers. Veterans continue to seek monetary donations each year to help defray the cost of the expenses. We have also received in-kind donations from various restaurants to cover refreshments and from printers to cover the cost of posters.

Thanking you in advance for your consideration of our request.

Sincerely,

Ros Dallagher by Kjo

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Center for Children & Families, Inc.

We have audited the accompanying financial statements of Center for Children & Families, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Center for Children & Families, Inc.'s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center for Children & Families, Inc.'s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Center for Children & Families, Inc. as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), is presented for purposes of additional analysis and is not a required part of the financial statements. In addition, the accompanying supplemental information, as listed in the preceding table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting to prepare the financial statements or to the financial statements themselves, and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required By Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 24, 2021 on our consideration of Center for Children & Families, Inc.'s internal control over financial reporting and on our tests of compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of Center for Children & Families, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Center for Children & Families, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

NOTE 1: ORGANIZATION AND ACTIVITIES

Center for Children & Families, Inc. (CCFI) was incorporated as Juvenile Services, Inc. on August 18, 1969, for the purpose of supporting existing juvenile programs and to improve and expand services for juveniles in Cleveland County. In 1999, the Board of Directors voted to change the name of the organization from Juvenile Services, Inc. to Center for Children & Families, Inc. The programs currently supported by the organization are:

Divorce Services – Support and education for divorced, separated, or never married parents through classes, mediation, counseling and supervised visits and exchanges.

Parents Assistance – Provides support and education for parents struggling day-to-day with abuse, neglect and other related issues through specialized classes.

Counseling – Provides therapy, education and support to children and youth with histories of neglect and/or emotional abuse, and their parents, foster or adoptive caregivers.

Baby Pantry – Completely stocked by the community, the Baby Pantry at CCFI provides formula, baby and toddler food, diapers, and other basic necessities to over 100 visitors each month.

Bringing Up Babies – Provides parent education, support and case management to teen and other at risk new parents through home visits.

Boys & Girls Club of Norman - Provides youth development services in accordance with BGCA's policies to create positive outcomes in the lives of local youth with an emphasis in 1) academic success, 2) healthy lifestyles, and 3) character and leadership development.

CCFI is an independent agency funded by grants from the Department of Mental Health and Substance Abuse Services, Department of Human Services, contracts with governmental entities and donations from individuals, businesses, and other not-for-profit organizations.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

<u>Accounting Pronouncements Adopted</u> – CCFI has adopted the provisions of Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606), as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. Results for reporting the years ended December 31, 2020 and December 31, 2019 are presented under FASB ASC Topic 606.

During the year, CCFI adopted the provisions of FASB ASU 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement.* The amendments in this Update modify the disclosure requirements on fair value measurements in Topic 820, Fair Value Measurement. Adoption of this pronouncement had no effect on the Center's current or previously issued financial statements.

December 31, 2020

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

CCFI has adopted the provisions of FASB ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (Topic 958). This accounting standard is meant to help not-forprofit entities evaluate whether transactions should be accounted for as contributions or as exchange transactions and, if the transaction is identified as a contribution, whether it is conditional or unconditional. ASU 2018-08 clarifies how an organization determines whether a resource provider is receiving commensurate value in return for a grant. If the resource provider does receive commensurate value from the grant recipient,

the transaction is an exchange transaction and would follow the guidance under ASU 2014-09 (FASB ASC Topic 606). If no commensurate value is received by the grant maker, the transfer is a contribution. ASU 2018-08 stresses that the value received by the general public as a result of the grant is not considered to be commensurate value received by the provider of the grant. There was no material impact to the financial statements as a result of adoption. Accordingly, no adjustment to opening net assets was recorded.

Recently Issued Accounting Pronouncements – In February 2016, the FASB issued *ASU No. 2016-02, Leases (Topic 842)*, which requires the recognition of lease assets and lease liabilities by lessees for all leases, including leases previously classified as operating leases, and modifies the classification criteria and accounting sales-type and direct financing leases by lessors. Leases continue to be classified as finance or operating leases by lessees and both classifications require the recognition of a right of use asset and a lease liability initially measured at the present value of the lease payments in the statement of financial position. Interest on the lease liability and the amortizations of the right-of-use asset are recognized separately in the statement of activity for finance leases and as a single lease cost recognized on the straight-line basis over the lease term for operating leases. The standard is effective using a modified retrospective approach for fiscal years beginning after December 15, 2021. Early adoption is permitted. The Board is currently evaluating the impact the standard will have on its financial statements.

Basis of Accounting – Financial statements have been prepared using the accrual basis of accounting. Under the accrual basis of accounting, contract funds are recognized as revenue when allowable expenses are incurred and a receivable represents that portion of the contract which CCFI has earned and/or requested, but not received. Medicaid receipts and contributions are recorded upon receipt. Expenses are recorded when a liability is incurred. Expenses incurred but not paid at year-end are represented by a liability on the statement of financial position. Grant funds received, but not yet expended for their specified purpose, are recognized as net assets with donor restrictions. Other revenue (i.e. donations) is recognized when received. Net asset balances represent cumulative revenue received over expenses incurred.

Basis of Presentation – CCFI's financial statement presentation follows the Financial Accounting Standards Board ASU 2016-14, *Not-for-Profit Entities* (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities.* Accordingly, net assets of CCFI and changes therein are classified and reported as follows:

- Net assets with donor restrictions net assets subject to donor imposed restrictions
- Net assets without donor restrictions net assets not subject to donor-imposed restrictions

<u>Recognition of Donor Restrictions</u> – Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by the occurrence of the passage of time or other events specified by donors.

NOTES TO FINANCIAL STATEMENTS

December 31, 2020

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

<u>Cash and Cash Equivalents</u> – For purposes of the statement of cash flows, cash and cash equivalents include bank accounts and investments readily convertible to cash.

Bank balances at year end are categorized as follows to give an indication of the level of risk assumed by the organization.

| <u>Category</u> | Balance <u>Per Bank</u> |
|--|----------------------------|
| Insured or collateralized with securities held by the organization or by its agent in the organization's name. | \$ 251,898 |

| trust department. | 601,635 |
| 3) Uncollateralized | 0 |
| TOTAL | \$ <u>853,533</u> |

Investments – Investments of the organization consist of the following:

<u>With donor restrictions</u> – Beneficial Interest in Assets Held by Others – CCFI has placed funds with the following foundations to be held in endowment funds.

| Communities Foundation of Oklahoma Balance, Beginning of Year Interest and Dividends Net Investment Income Management Fees | \$ <u>2020</u> \$ 726 31 204 (<u>7</u>) | <u>2019</u> \$ 647 26 61 (<u>8</u>) |
|---|---|--|
| Balance, End of Year | \$ <u>954</u> | \$ <u>726</u> |
| Oklahoma City Community Foundation Balance, Beginning of Year Reciprocal Transfers Reinvestment of Allocation Distribution Net Investment Income Balance, End of Year | 2020 \$ 203,441 0 (9,503) <u>23,246</u> \$ <u>217,184</u> | <u>2019</u> \$ 177,516 0 (9,351) <u>35,276</u> \$ <u>203,441</u> |
| Total Investments with Donor Restrictions | \$ <u>218,138</u> | \$ <u>204,167</u> |

Investments in equity securities with readily determinable fair values are measured at fair value in the statement of financial position. Fair values are determined by reference to quoted market prices and other relevant information generated by market transactions. Investment income or loss (including gains and losses on investments, interest and dividends) is included in the statement of activities as increases or decreases in net assets without donor restrictions unless the income or loss is restricted by donor or law. Restricted gains and investment income whose restrictions are met in the same reporting period are reported as without donor restrictions.

December 31, 2020

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Both the Communities Foundation of Oklahoma and the Oklahoma City Community Foundation also receive donations designated for CCFI by other donors. Both Foundations have been granted variance power and have the authority to distribute those donations as they see fit; therefore, those donations are not reflected in the Organization's financial statements. The corpus of the funds may not be withdrawn; however, income distributed to the organization by the funds may be used for any purpose. The interest in the endowment funds is recorded in the financial statements in accordance with generally accepted accounting principles and relevant funding agreements. The market value of investments attributable to third-party donors held by the Oklahoma City Community Foundation equaled \$152,772 and \$141,344 at December 31, 2020 and 2019 respectively.

Endowment Investment and Spending Policies – The Foundations have adopted investment and spending policies, approved by their respective Boards of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of these endowment assets over the long-term. The Foundation's spending and investment policies work together to achieve this objective. The investment policy establishes an achievable return objective through diversification of asset classes. The primary objective of the investments will be to provide for long-term return growth of principle and income without undue exposure to risk enabling the Foundations to make grants on a continuing and reasonably consistent basis. Therefore, the focus is on consistent long-term capital appreciation, with income generation as a secondary consideration. The Foundations' target is a diversified asset allocation that will enable the foundations to achieve their long-term return objectives within prudent risk parameters.

<u>Accounts Receivable</u> – Accounts receivable consists of requests for advances and/or reimbursements to grantor and pass-through agencies for grant funds, as well as balances due from individuals and organizations for program fees.

<u>Pledges Receivable</u> – Pledges (promises to give) are recognized when the donor makes a promise to give to CCFI that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

~~~~

~~ . .

Pledges receivable at December 31<sup>st</sup> were as follows:

| Due in 1 year<br>Due in 2 – 5 years |                   | <u>2019</u><br>\$ 290,682<br>273,145 |
|-------------------------------------|-------------------|--------------------------------------|
| Due in 5 – 10 years                 | 22,158            | 32,641                               |
| Total                               | \$ <u>326,877</u> | \$ <u>596,468</u>                    |

**Reserve for Uncollectible Pledges** – CCFI uses the allowance method to determine uncollectible promises receivable. This reserve has been established to more accurately reflect the value of pledges receivable. Based on historical information and trend analysis, management established this reserve at 22.5% of total pledges receivable at December 31, 2020 and 11.7% of total pledges receivable at December 31, 2019. The reserve account equaled \$73,585 on December 31, 2020 and \$69,836 on December 31, 2019.

December 31, 2020

#### NOTE 2: SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

<u>**Property and Equipment**</u> – Acquisitions of property and equipment are stated at cost at date of acquisition or fair value at date of donation or contribution. Expenditures for maintenance and repairs are charged to expense as incurred. Assets costing \$5,000 or more are capitalized using the straight-line method based on the estimated useful life of the asset.

**Inventory** – Inventories are stated at the lower of cost or market value and consist of diapers, formula and other items donated to be distributed to charitable beneficiaries at the Organization's discretion.

<u>Cost Allocation</u> – The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Salaries and benefits are charged directly to the programs for which work has been done based on estimates of time and effort. Occupancy costs are allocated on a square footage basis and other costs such as supplies, printing, travel, etc. which cannot be specifically identified to a program or supporting function are allocated to programs based on each program's direct salaries to total salaries expense. Allocation percentages are developed during the budget process.

<u>Concentrations of Credit Risk</u> – Financial instruments that potentially expose CCFI to concentrations of credit risk consist of cash, accounts receivable, and pledges receivable. Cash is deposited in high-quality financial institutions and accounts at each institution are insured by the Federal Deposit Insurance Corporation. Accounts receivable consist of billings made to grantor agencies for services rendered or under the terms of the various grants and contracts and are considered to be fully collectible. As previously discussed, CCFI has established a reserve for uncollectible pledges to more accurately report risks associated with its pledges receivable.

<u>Use of Estimates</u> – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

<u>Comparative Information</u> – The financial statements include certain 2019 comparative information. With respect to the statement of activities, such prior information is not presented by net asset class. In the statement of functional expenses, 2019 expenses by object are presented in total rather than by function category. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2019 from which the summarized information was derived.

#### Income Taxes and Uncertain Tax Positions

Income Tax Status – The Organization qualifies as an organization exempt from income taxes under Section 501(c)(3) of the *Internal Revenue Code* and is subject to a tax on income from any unrelated business, as defined by Section 509(a)(1) of the Code. From time to time, the Organization has unrelated business income related to contracts with the Oklahoma Department of Mental Health and Substance Abuse Services to provide consulting services to Griffin Memorial Hospital and Central Oklahoma Mental Health Center. Revenues totaling \$12,821 were received for these services in 2020. No accrual has been made to accrue a liability for unrelated business income tax, as any amount due is considered to be immaterial to the financial statements.

#### December 31, 2020

#### NOTE 2: SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

The Organization has adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return only when it is determined that the income tax position will more-likely-than-not be sustained upon examinations by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations, or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2020.

Federal and state income tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to examination. Currently, the Organization has no open examinations with the Internal Revenue Service or the Oklahoma Tax Commission.

#### NOTE 3: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The following reflects CCFI's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions or board mandated restriction within one year of the statement of financial position date. Donor-restricted resources are available to support general expenditures to the extent that restrictions on those resources will be met by conducting the normal activities of CCFI's programs in the coming year.

#### NOTE 6 FAIR VALUE MEASUREMENT

The definition of fair value for financial reporting, establishes a framework for measuring fair value, and requires additional disclosure about the use of fair value measurements in an effort to make the measurement of fair value more consistent and comparable.

Fair value is defined as the amount that would be received from the sale of an asset or paid for the transfers of a liability in an orderly transaction between market participants, i.e. an exit price. To estimate an exit price, a three-tier hierarchy is used to prioritize the inputs.

Level 1: Quoted Prices in active markets for identical securities.

<u>Level 2</u>: Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment spread and credit risk).

<u>Level 3</u>: Significant unobservable inputs (including the organization's own assumptions in determining the fair value of investments).

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at December 31<sup>st</sup> are as follows:

#### NOTE 7: CONCENTRATIONS

CCFI derives a significant amount of its revenue from service contracts and grants from federal and state agencies. A significant reduction in the level of revenue from these agencies could have a material effect on the organization's programs, activities and operations.

#### NOTE 8: DONATED MATERIALS AND SERVICES

Donated materials and services are reflected as contributions at their estimated value on the date of receipt based on industry standards. The financial statements include the following in-kind donations:

|                       | 2020              | 2019             |

| Total                 | \$ <u>84,853</u>  | \$ <u>62,645</u> |

Many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as contributed services. Volunteers provided 5,295 hours of non-professional services in 2020 and 9,206 hours in 2019.

#### NOTE 9: BOARD DESIGNATED NET ASSETS

Management has designated a portion of net assets without donor restrictions for the following uses:

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 10: CONTINGENCIES

In the normal course of operations, CCFI receives grant funds from various federal and state agencies. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to insure compliance with conditions precedent to the granting of the funds. Any liability for a reimbursement which may arise as the result of the audits of the grant funds is not believed to be material.

#### NOTE 11: COMPENSATED ABSENCES

The organization recognizes its obligation relating to employees' rights to receive compensation for future absences attributable to services already rendered. Amounts accrued have been derived from the payroll system and estimated based on hours of leave accrued. The organization's liability for compensated absences equaled \$44,087 on December 31, 2020 and \$30,515 on December 31, 2019.

#### NOTE 12: EMPLOYEE BENEFIT PLANS

<u>IRC Section 125 Flexible Benefits Plan</u> – The organization maintains a cafeteria plan under Section 125 of the Internal Revenue Code. The benefits offered are medical expense reimbursement and dependent care reimbursement. An employee is eligible to participate if he/she works a minimum of 20 hours per week and may become a participant on the first day of the month following 30 days of employment.

<u>IRC Section 403(b) Plan</u> – CCFI's basic employer contribution plan is an ERISA 403(b) defined contribution plan. Employees are eligible to participate if they work at least 20 hours per week. Eligibility, benefits, definitions and requirements are determined by the Plan Agreement.

The Board of Directors may provide a non-elective employer retirement contribution, based on available financial resources, by a percentage to be determined by the Board, of each employee's annual salary. The employer contribution is authorized by the Board of Directors as part of the annual budget process and, like all items within the budget, is subject to change at any time by the Board of Directors depending on the financial status and needs of the Center for Children and Families, Inc. Additionally, the employee may choose to contribute up to 2% of their annual wages to be eligible for up to 2% employer match. Employer contributions for the years ended December 31, 2020 and 2019 equaled \$36,848 and \$29,145 respectively.

#### NOTE 13: RISKS AND UNCERTAINTIES

In early March 2020, the COVID-19 virus was declared a global pandemic, and it continues to spread. The outbreak in the United States has caused business disruption through mandated and voluntary closing of service sites and restrictions placed on delivery of services. While the disruption is currently expected to be temporary, the extent of the impact of COVID-19 on our operations and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on our clients, employees and vendors and current vaccination efforts, all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact our financial condition or results of operations is uncertain.

Management of CCFI has evaluated subsequent events through May 24, 2021, which is the date the financial statements were available to be issued.

Board of Directors Center for Children & Families, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Center for Children & Families, Inc. (a non-profit organization), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 24, 2021.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Center for Children & Families, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Center for Children & Families, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Center for Children & Families, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Center for Children & Families, Inc.'s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Center for Children & Families, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of Center for Children & Families, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Center for Children & Families, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Center for Children & Families, Inc.

#### **Report on Compliance for Each Major Program**

We have audited Center for Children & Families, Inc.'s compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of Center for Children & Families, Inc.'s major federal programs for the year ended December 31, 2020. Center for Children & Families, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Center for Children & Families, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Center for Children & Families, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Center for Children & Families, Inc.'s compliance.

In our opinion, Center for Children & Families, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

#### **Report on Internal Control Over Compliance**

Management of Center for Children & Families, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Center for Children & Families, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Center for Children & Families, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected, and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance is a deficiency or a combination of deficiencies, in internal control over compliance with a type of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Check if your organization is covered by the General Rule or a Special Rule.

Note: Only a section 501(c)(7), (8), or (10) organization can check boxes for both the General Rule and a Special Rule. See instructions.

#### **General Rule**

For an organization filing Form 990, 990-EZ, or 990-PF that received, during the year, contributions totaling \$5,000 or more (in money or property) from any one contributor. Complete Parts I and II. See instructions for determining a contributor's total contributions.

#### Special Rules

- For an organization described in section 501(c)(3) filing Form 990 or 990-EZ that met the 33-1/3% support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), that checked Schedule A (Form 990 or 990-EZ), Part II, line 13, 16a, or 16b, and that received from any one contributor, during the year, total contributions of the greater of (1) \$5,000; or (2) 2% of the amount on (i) Form 990, Part VIII, line 1h; or (ii) Form 990-EZ, line 1. Complete Parts I and II.
  - For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, total contributions of more than \$1,000 *exclusively* for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals. Complete Parts I (entering 'N/A' in column (b) instead of the contributor name and address), II, and III.
  - For an organization described in section 501(c)(7), (8), or (10) filing Form 990 or 990-EZ that received from any one contributor, during the year, contributions *exclusively* for religious, charitable, etc., purposes, but no such contributions totaled more than \$1,000. If this box is checked, enter here the total contributions that were received during the year for an *exclusively* religious, charitable, etc., purpose. Don't complete any of the parts unless the **General Rule** applies to this organization because it received *nonexclusively* religious, charitable, etc., contributions totaling \$5,000 or more during the year.

Caution: An organization that isn't covered by the General Rule and/or the Special Rules doesn't file Schedule B (Form 990, 990-EZ, or 990-PF), but it must answer 'No' on Part IV, line 2, of its Form 990; or check the box on line H of its Form 990-EZ or on its Form 990-PF, Part I, line 2, to certify that it doesn't meet the filing requirements of Schedule B (Form 990, 990-EZ, or 990-PF).

Schedule D (Form 990) 2020

#### Part X - FASB ASC 740 Footnote (continued)

The Organization has adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return only when it is determined that the income tax position will more-likely-than-not be sustained upon examinations by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Organization's financial condition, results of operations, or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2020.

Federal and state income tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to examination. Currently, the Organization has no open examinations with the Internal Revenue Service or the Oklahoma Tax Commission.
