Item 1. With Aging Services Inc. for the Operation of the Kiwanis Kruiser

Transportation Program for Senior Adults and Adults with Disabilities

# FY22 ANNUAL REPORT as of 01/31/2022

Aging Services Inc./ASI appreciates the support from the City of Norman for the operation of the Kiwanis Kruiser Transportation Program for senior adults and adults with disabilities. For many years, the support from the City of Norman which covers gasoline and repair expenses has been an integral component of the ASI transportation program.

Aging Services Inc. tracks the number of one way rides and the number of unduplicated individuals served by the Kiwanis Kruiser Transportation Program. ASI then tracks the number of senior adults served separately from the number of individuals with disabilities who are provided rides by this service.

- From 07/01/21 through 12/31/21 (FY22 Year-to Date), the Kiwanis Kruiser provided a total of 837 one way rides to a pool of 426 senior adults and 0 adults with disabilities.
- From 07/01/20 through 6/30/21 (FY21 Year End), the Kiwanis Kruiser provided a total of 1,052 one way rides to a pool of 426 senior adults and 1 adults with disabilities.
- From 07/01/19 through 06/30/19 (FY19 Year End), the Kiwanis Kruiser provided a total of . 2,002 one-way rides to a pool from 997 senior adults and 27 adults with disabilities.

The arrival of the pandemic has caused our transportation numbers to be a lot lower especially during the first 6 months of this year. People are still riding but our Covid -19 protocol states we can only use every other seat on the bus. Seniors are also staving home to be safe. There are more opportunities to have meal delivery and medical appointments in-home instead of in-office so a ride at this time

A 2007 Star craft AllIstar bus was used to provide these services. The bus was acquired through the federally funded 5310 program which was administered by OKDHS. The program is now administered by OODOT's Office of Mobility and Public Transit Division. Agina Services, Inc. filled out an application for a new 12-passenger vehicle under the Federal Item 1. Transit Administration Section 5310 program on September 23, 2020. On January 19, 2021, ASI received a letter that they have been approved for this vehicle and that the Transit Division of ODOT was in the process of programming the funds and will be sending out agreements in the coming weeks. In a conversation with Creative Bus Sales on Friday, January 28, 2022, I learned that we probably would not be receiving our bus unless e could come up with \$32,168 more. This price hike is because of the inability to get as many chassis from Ford, and the rising cost of everything. When we receive our new 5310 vehicle, we will of course let the City of Norman know. Hopefully, this new vehicle will be much more energy efficient and need very little repair, if any.

The federal Transit Administration has been sending us PPE to install in our old bus. We have plastic sheeting around the bus driver, as well as an installed air infiltration system, masks, gloves, and sanitizers. The new vehicle will come equipped with all of these PPE items installed. The 2007 Star craft Allstar will be kept to start a new ASI rural bus route.

The Norman Chapter of the Kiwanis Club has provided not only a monthly stipend to support this service; but has provided the match the funds for the new 5310 bus and the new vehicle will also become the Kiwanis Kruiser. The new vehicle will carry twelve passengers and is equipped with a wheelchair lift. The Kiwanis Kruiser vehicle has been driven a total of **4,420 miles** to provide this service as of 12/31/21.

The Kiwanis Kruiser is available to provide rides to all persons age 60 and over and adults with disabilities at least 18 years of age. Rides are provided on a first come, first served basis Monday through Friday from 8:30am until 4:00 pm. Rides for medical appointments may be reserved one week in advance. All other rides can be scheduled two days in advance. There is no fixed route and the service is provided on a demand response system. The service perimeters are as follows:

- North to Tecumseh Road
- South to Cedar Lane
- East to 36<sup>th</sup> Street
- West to 48<sup>th</sup> Street

Aging Services, Inc. is going to be looking at new service perimeters this year. We make <u>Item 1.</u> regular runs to the Norman Regional Health Complex. Because of this we are now covering more miles than we previously did. As Norman grows, we want to make sure that our service perimeters change with that growth. Once the new service perimeters are set, the City of Norman will be notified.

To make an appointment for a ride, riders call the ASI office. Riders are asked to provide their name, address, phone number and the address of their destination to book their reservation. Wednesdays are reserved for Wal-Mart shopping only. Individuals from all over the service area as well as groups from apartment complexes such as Senior Cottages, Savannah House–East, Savannah House-West, Rose Rock Villa and Northcliff Gardens utilize this service.

Areawide Aging Agency is the primary funder of our transportation program via an Older Americans Act/Title III Grant. Aging Services Inc. has been awarded this grant for over 40 years. For FY22, the budget for the transportation program is \$52,142.00 and at this time, it is hoped that the award for FY23 will remain at approximately the same level of funding. The transportation program is also supported by the Kiwanis Club of Norman who has been providing a \$200 per month donation to the ASI program. Rider donations also help to fund the program. Rides are provided on a donation basis with a suggested donation for a oneway ride of \$1.25. No one is denied a ride whether or not a donation is made because it is a stipulation of the Older Americans Act/Title III grant. During the first six months of this fiscal year, the Kiwanis Club and the Kruiser riders donated a total of \$1,981.41\_for the rides that were provided. These donations covered 4% of the cost to operate this service during FY21 year-to-date. It should be noted that the overwhelming majority of Kiwanis Kruiser riders are living on a fixed income and at least 65% of riders are at or below the federal poverty guidelines given their monthly income level.

ASI provided Kiwanis Kruiser riders with a Satisfaction Survey in April of 2020. The majority of the riders who responded to the survey questions reported the following:

- Most riders are females who still live in their own home.
- Most riders are at least 60 years of age or older.

• Most riders feel the Kiwanis Kruiser Transportation Service is very important.

- Most riders stated that the service helps them get out of the house more often and enhances their ability to continue to live independently and less lonely lives.
- Most riders felt that the service was excellent.

•

• The most frequently requested rides were for medical appointments and grocery shopping opportunities.

ASI holds a contract with OK Department of Human Services to provide ADvantage Case Management Services. ASI also holds a contract to provide ADvantage Meals in Cleveland County. Income from these contracts is used to make up the difference between the budget and actual expenses, but these funds are also needed to help with expenses of other programs and services provided. Therefore, the Aging Services Inc. Board of Directors has been working to develop new fund raising efforts to help fund our much needed programs and services for senior adults in our community. Currently, the Board of Directors is conducting a year end fund raising campaign to benefit our programs and services. Aging Services held an on-line auction this year in December along with our Annual Fund Drive. We have raised \$4,285 to date. We continue to explore other fund raising ideas that will begin in 2022.

We have been incredibly thankful for the contract that we have had with the City of Norman this year. They have fixed so much on our "carry over" vehicle that it almost is like a new vehicle. Aging Services Inc. respectfully requests consideration of a continuation of this contract at the rate not to exceed \$14,500 for FY22/23. It is hoped that the City will find that the service is of great enough importance to continue the funding to cover our gasoline and normal repair expenses. Aging Services Inc. appreciates the support of the City of Norman in this endeavor.

Respectfully submitted,

Tammy C. Vaughn Executive Director

#### Report to City of Norman Finance Committee – February 1, 2022

As always, we begin with gratitude for the partnership with the City of Norman that allows us to provide community arts programming in this beautiful, historic Norman landmark. We have a vision to create community through shared artistic experiences and our space in The Depot allows us to do that.

The Depot is thrilled to continue its partnership with the City of Norman to assist in the care of Amtrak's Heartland Flyer passenger train and to care for the Depot. We believe that the programming we provide through the stewardship of this structure on the National Registry of Historic Places not only aids the growth of Downtown Norman and supports its designation as a cultural district by the Oklahoma Arts Council, but promotes a strong and healthy community and makes Norman a great place to live and visit.

For the previous fiscal year, funds in the amount of \$5,000 were disbursed to The Depot to assist in providing services to Amtrak's Heartland Flyer passengers. Numbers have been a bit lower since the pandemic hit, but are coming back strong. We served exactly 4,185 train passengers during the calendar year 2021, but over 820 in January of 2022. The Depot provides hospitality to train riders and other guests Monday to Friday from 8am to 9am, when the train departs. We provide a waiting space, coffee, and Amtrak information services during all our operating hours. This function is served with the assistance of extraordinary and dedicated volunteers, with all materials and supplies provided by the The Depot. In addition, our staff receives daily visitors and phone calls from potential Amtrak customers looking for travel information.

Numbers are increasing again for AMTRAK as are our costs associated with hosting passengers in person due to the cleaning and supplies required due to COVID. We appreciate this opportunity to update you on our activities as we care for this historic building and fulfill a contract on behalf of the City of Norman.

Thank you for your consideration of our funding request, and for the opportunity to continue to serve our community,

Shari Jackson **Executive Director** The Depot

#### USE OF CITY FUNDING (FY 20-21)

Staffing: \$3600 Our Events Coordinators time is spent arranging and communicating with train volunteers, staffing hours, providing information for prospective train customers in person or by phone.

Supplies: \$319.47 Cleaning supplies, masks, hand sanitizer, etc, to maintain a safe environment. You will note that this amount is lower than previous years as we stopped coffee service for several months.

Printing: \$50 Printing of AMTRAK schedules for guests

Maintenance: \$2600 Weekly deep cleans.

#### TOTAL: \$6569.47

#### **REQUEST FOR FISCAL YEAR 2022-2023**

AMTRAK SERVICES: \$6500.00

We request \$6500.00 to continue to fulfill the contract between the City of Norman and AMTRAK to provide services to the train customers.

FACILITY SUPPORT: \$600

Security \$600 – The Depot installed and has maintained a security/alarm system for the last 17 years. Respectfully, we ask that you consider this small request to help us maintain the security for this City-owned community treasure.

#### TOTAL CASH SUPPORT REQUEST: \$5600

#### **REVENUE GENERATED TO COVER ADMINISTRATIVE COSTS**

The pandemic has had a devastating impact on our ability to generate revenue by providing the space as a rental venue for social gatherings, which still remain unadvisable. Our ticketed programming was halted as well. We have been fortunate to have two extremely successful membership drives and donations have helped us maintain our financial stability. We are pleased to note that in the last few months we are seeing a rapid increase in the number of requests to rent the Depot.

RENTAL REVENUE: \$27,273 (a nearly 75% decrease from pre-pandemic numbers)

The Depot is made available to the public for rental at the following rates.

\$125/hour Friday/Saturday \$100/hour Sunday-Thursday Rentals are a minimum of two hours and incur an additional \$50 cleaning fee.

Rental revenue covered 15% of our administrative overhead. Commissions on art shown from our Gallery Shows covered another 15%, and the other administrative costs are covered by grants, membership, corporate and individual giving, and fundraisers.

As requested, attached you will find a year-end financial report for the most recently completed fiscal year. Please feel free to contact me with any questions you may have, or for any other information you require.

Thank you again to the City of Norman for their continued support for the Historic Santa Fe Depot. WE are very proud of the way we have responded to the pandemic during the current year, and shifted our programming, fundraising, and events to continue to maintain a healthy organization that continues to innovate to serve our community. We appreciate the partnership, and your support.

Thank you for your consideration.
