REPORTS AND ACTION ITEMS

2. Consideration of approval, rejection, amendment and/or postponement of Finance Reports

Anthony Francisco gave the report. On the expenditure side, Francisco states, "There have been some fairly extensive payments for the James Garner project, specifically to the Oklahoma Department of Transportation." On the revenue side, Francisco reports that May figures (reflective of sales from March) look good. "Sales Tax and Use Tax are right on target for fiscal year projections and are about 4.5% below the original projections. Hopefully we will continue on the track that we are on."

The City is waiting on a fiscal year end 23 (FYE23) payment from Norman Regional Hospital for their build-out at the Young Family Athletic Center (YFAC). This payment is approximately \$2.5 million and is expected by June 30, 2023, as agreed to by Norman Regional Hospital and City of Norman. Francisco stated, "There is no reason to believe that they will not fulfill this payment." Another Norman Regional Hospital payment of \$2.6 million is due upon completion of construction in 2024.

Member Cynthia Rogers questioned if the Road Improvement budget was earmarked for anything specific. Francisco stated, "There was a \$2.7 million allocation for Norman Forward road and traffic projects. This was to facilitate access to the various Norman Forward projects. At the time this was established, the biggest project was the extension of Berry Road from Robinson up to the Optimist hanger, but since we decided to move the indoor aquatics facility and indoor multi-sport facility to University North Park, there will be a traffic improvement project to connect Rock Creek Road to the YFAC's Trae Young Drive. There are also some improvements planned on Robinson Street to facilitate entrance to Griffin Park and some improvements on Jenkins for access to Reaves Park." Some of these projects are under construction or will soon be completed.

Member Price moved to approve the Financial Reports and it was duly seconded by Member Brockus. The motion passed unanimously.

Items submitted for the record: Financial Reports

3. Consideration of approval, rejection, amendment and/or postponement of previously approved Council actions

Two previously approved Council actions were highlighted. They were the completion of the Cherry Creek Park improvements and the \$720,000 audio/visual equipment package for the YFAC. Jason Olsen, commented that the visual equipment is relatively inexpensive compared to the audio equipment. Member Rogers questioned if there was going to be enough Wi-Fi for people in the YFAC facility. Jason Olsen said, "We will have an option for Wi-Fi. It just depends on how much band width we want taken up at the facility. If we have a large event and we know

Item 1.

that there's not going to be a lot of business that needs to be conducted in the office, we can have the option of turning the Wi-Fi on, but we only have so much band width in the area to operate on." To put booster signals at the YFAC, Olsen states, "would be very expensive".

Items submitted for the record:
Previously Approved Council Actions Report
Young Family Athletic Center Audio/Visual Contract

4. AD HOC Committee Liaison Reports

No report was given due to an absence of AD HOC meetings since the Norman Forward Sales Tax Citizen Financial Oversight Board's previous meeting.

5. Project Manager Reports

Jason Olsen gave the report. Olsen stated that the City is doing the best they can to improve as many parks as they can, "Usually it's about one a year on replacing a playground system." A playground dedication was recently held at Cherry Creek Park. The park's new playground system cost approximately \$180,000. Improvements have started to Bentley Park which is in the Summit Valley and Bellatona neighborhoods. This park will include a playground, pickleball courts, basketball courts and walking trails. Bentley Park is named after Lionel Bentley who left property to a park foundation. The money raised from the sale of this property has been donated by the foundation to be used for the construction of Bentley Park as well as for approximately \$100,000 worth of projects that Mr. Bentley wanted completed at Westwood Golf Course.

Griffin Park fields are at playing level, and the irrigation system, restrooms and concession stand are coming to completion. By next year's soccer season, all of the parking lots and roads inside the park will be connected.

Reaves Park opened in March. Olsen says the park is seeing "a lot of play". With the overflow of people, many motorists are parking in non-designated parking area and damaging grass covered areas. The Parks and Recreation Department plans to install posts and cable to help establish the designated parking areas. "No parking" signs are installed allowing for the potential ticketing of violators. "I've driven through when we've had about 40, 50 cars in the park and if you just drive to the other side of the park, there's a couple hundred parking spots still open - it's just people aren't walking. They're choosing to take the shortest path instead of parking in the parking lot," Olsen said. "Parking is available they're just not choosing to take it."

The shell of the Adult Wellness and Education Center is approximately 95% complete. It is believed that this center will be completed by the end of August 2023 with a ribbon cutting ceremony in October 2023. City of Norman Attorney Kathryn Walker gave an update on the operating agreement for this center. She stated that not a lot had changed since she gave her last report to the Norman Forward Sales Tax Citizen Financial Oversight Board, but that some language was refined regarding termination and insurance; however, that "this was nothing substantive". Walker stated that there will be an upfront contribution from the City to the Adult Wellness and Education Center for operating costs will be \$100,000. This contribution is to help with the center's startup costs so they are ready to open before they are able to collect funds. The City will also contribute up to \$125,000/year for such things as landscaping and utilities. The programs and services offered by the center have now been determined. These programs include, physical fitness programs, wellness focused programs, lifelong learning programs, social programs, and art & creativity programs. The center reserves the flexibility to change

Item 1.

these services based on the requests of their clients. The initial, membership fee schedule $\sqrt{\frac{\pi}{2}}$ be \$35/individual and \$60/married couple. There will be a sliding fee scale in place for those that are 200% below the published poverty guidelines. Membership is open to Norman residents and non-residents who are 50 years old and older.

Olsen stated that the YFAC construction is coming along well. The building is fully enclosed, the HVAC is running, electrical switches and boxes have been obtained and are ready for install, sheetrock and finishes are going up and pool tile is about to go in. It is expected that the ribbon cutting for this building will be in December 2023 with the building fully open to the public January 2024.

ITEM TITLE: CONSIDERATION OF ACCEPTANCE, REJECTION, AMENDMENT

AND/OR POSTPONEMENT OF K-2223-130: A CONTRACT BY AND BETWEEN THE CITY OF NORMAN, OKLAHOMA, AND HEALTHY LIVING CENTER NORMAN, L.L.C. FOR THE PURPOSE OF PROVIDING FOR THE LEASE AND MANAGEMENT OF THE CITY'S ADULT WELLNESS AND EDUCATION CENTER TO BE LOCATED AT 602 NORTH FINDLAY AVENUE AND BUDGET APPROPRIATION AS OUTLINED IN THE STAFF

REPORT.

BACKGROUND:

Norman voters approved the Norman Forward Quality of Life Projects Sales Tax of 2015, which provided a one-half (1/2) percent sales tax dedicated to fund several quality-of-life projects, including a Senior Wellness Facility (the "Facility"). The City approved a contract with Frankfurt-Short-Bruza Associates ("FSB") in August 2019 for the design of the facility. Initially, FSB was developing designs for a facility within the \$7.6 million Norman Forward amended allocation; with proposed additional phases to be added should funding become available in the future. On October 29, 2020, Council allocated an additional \$4.8 million towards the Facility project with funds that were freed up after the City received federal Coronavirus Aid, Relief and Economic Security Act reimbursements for other unrelated previously budgeted expenses.

After the increase in funding, the City approved an amendment to FSB's contract to accommodate the design and construction of the facility in a single phase on an approximately 4.7-acre site in the southeast corner of the Norman Regional Hospital System's Porter Avenue Wellness Village Campus. In November 2020, Staff released a Request for Proposals related to the facility's operation. Interviews were later conducted, and the City proceeded with negotiations with Healthy Living & Fitness, Inc., an operator of one of the City of Oklahoma City's Senior Wellness Centers.

Council approved a Memorandum of Understanding with Healthy Living & Fitness, Inc. on April 13, 2021, to develop a contractual relationship related to the operation of the Senior Wellness Facility. Since then, Healthy Living representatives have participated in the Norman Forward Senior Center Ad Hoc Advisory Group meetings, and have been in ongoing negotiations with the City for a final lease and management agreement.

DISCUSSION:

Contract K-2223-130 is the lease and management agreement between the City and Healthy Living Center Norman, LLC; a Limited Liability Corporation created by Healthy Living & Fitness, Incorporated for the operation of the Norman facility. The facility will be used as a Senior Wellness Center and be open and available to the public.

The Operator will operate, manage and maintain the Property for a five (5) year term, with the possibility of up to three (3) additional five-year terms. Because the "Adult Wellness and Education Center (AWE)" is not anticipated to be a revenue generator in the same way as Young Family Athletic Center, a subsidy from the City is provided under the contract. The subsidy in the first 5-year term will not exceed \$125,000 annually, representing the current annual Senior Recreation Center budget, minus personnel who will be moved to other functions once the facility opens. The types of subsidized assistance anticipated during the first five years of operation are as follows:

- Utility Assistance: The City will cover a specified portion of the utility costs at a decreasing rate over the first three (3) years of operation. (100% the first year, 60% the second year, 30% the third year).
- Janitorial Services: The City will provide janitorial services during the first three (3) years of operation.
- Lawn and Landscaping Services: The City will provide all lawn and landscaping services during the first five (5) years of operation
- Pool Maintenance: The City will provide all pool maintenance during the first five
 (5) years of operation.

Additionally, to assist with start-up expenses, the City will provide \$100,000 within 30 days of the execution of this agreement by both parties. This amount is recommended to be appropriated from General Fund balance in Fiscal Year 2023. The Operator will be responsible for all routine maintenance and general repair costs of the facilities and equipment in or on the Leased Premises provided that the City will be responsible for certain capital items (furniture, fixture, or equipment valued at over \$5,000 with an expected life of more than one year).

The agreement may be terminated for failure to perform any duty or obligation under the agreement by providing 60 days written notice. Within the first 30 days, the defaulting party will have the opportunity to correct the default. It may also be terminated at either party's discretion upon 120 days prior written notice to the non-terminating party.

The City will own all assets, including any additions or modifications that the Operator obtains permission to construct that cannot be removed without damage to the premises. If the lease expires or terminates, the Operator will provide the City with any data related to facility users. The Operator may sublease the Leased Premises only upon the City Manager's written permission and if any lessee complies with the contract provisions and the facility maintains its intended purpose and use.

Exhibit B of the Agreement sets forth the programming and services the Operator intends to offer at the facility. The Operator will set forth times, types of classes, and services offered within

these categories and will work to obtain community and user input to determine what additional programs and services may be offered. Per the agreement, the facility will be open to members at least 65 hours a week, excluding weeks with federal holidays, and operating hours will include at least four consecutive hours on one weekend day.

The Operator will determine reasonable user fees, including a sliding scale fee schedule based on income levels, available user fee assistance, etc. The initial fee schedule is attached to the Agreement as Exhibit C. Fees may be increased a maximum of two times each calendar year. Any changes to the fee schedule will be presented to the Board of Parks Commissioners, and its recommendation on the proposed changes will be provided to the City Manager for his or her review and approval. The Operator will retain all membership fees to fund the management and operation of the facility.

The Operator will be required to provide quarterly and annual reports that provide information about the services offered, the utilization of those services, financial reports, etc. The City has the right to audit the programs, services, and financial records of the Operator or any tenant as long as notice is provided at least five business days in advance and the audit does not interfere with operations. The Operator is required to follow both Federal law and City ordinances related to non-discrimination. Policies and procedures in keeping with First Amendment jurisprudence for governmental entities related to viewpoint discrimination must be adopted and implemented.

The Operator will be required to maintain a variety of insurance related to its occupation and operation of the facility and will be required to name the City of Norman as an additional insured.

Approval of this contract signifies an important step towards opening the Adult Wellness and Education Center later this year. With an agreement in place, Healthy Living can start marketing the AWE Center, building its membership base and preparing for opening day. This agreement was previously reviewed in draft form by the Norman Forward Senior Center Ad Hoc Advisory Group and the Norman Forward Citizen's Financial Oversight Board.

RECOMMENDATION No. 1:

Staff recommends approval of K-2223-130.

RECOMMENDATION No. 2:

Staff recommends appropriation of \$100,000 from General Fund Balance (Account 10-29000) to Senior Citizen Center Rentals & Leases-Other Rentals (Account 10770323-44599).

f) Duration of Coverage. All insurance coverage required under this Agreement shall be maintained in full force and effect for the term of this Agreement and any renewals.

The requirements of the insurance provisions listed above shall survive the completion, expiration, cancellation or termination of this Agreement.

- 7.3 Emergencies. In the event of a declared local, state, or national emergency, the City will have the right to use the Facility, in cooperation with Operator, to address community needs that may arise from such emergency until the state of emergency has ended.
- 7.4 Participation on Board of Directors. Upon execution of this Agreement, the City Manager or his/her designee shall serve on Operator's Board of Directors in an ex-officio capacity.

7.5 Termination

This Agreement may be terminated as follows:

a) Termination for Default.

Failure to perform any duty or obligation under this Agreement, through no fault of the other party, shall be considered an Event of Default resulting in termination of this Agreement. The non- defaulting party may initiate termination by providing sixty (60) days prior written notice which shall include thirty (30) days within which the defaulting party may correct the default. The remedies in this paragraph shall not be deemed to waive or release any remedy available to parties. The City expressly reserves the right to pursue and enforce any other cause or remedy in equity or at law.

b) Discretionary Termination.

In addition to, and cumulative of, the City's rights and remedies under other provisions of this Agreement, the City shall have the right to terminate this Agreement, and all the provisions hereof, at any time, with or without cause, upon 120 days prior written notice to Operator of the City's intention to exercise its right of discretionary termination under this Section. Such discretionary termination may only be exercised upon a majority vote of the City Council of The City of Norman.

The Operator shall have the right to terminate this Agreement, and all the provisions hereof, at any time, with or without cause, upon 120 days prior written notice to City of the Operator's intention to exercise its right of discretionary termination under this Section.

c) Assignment and Assumption of Certain Contracts Upon Termination.

In the event of expiration or early termination of this Agreement, regardless of the reason for said termination, Operator shall immediately assign to the City any unfulfilled contracts and future booking engagements, and the City may assume the obligation to perform such contracts and booking engagements thereafter.

7.6 Encumbrances, Liens, and Claims

At all times during the Term of this Agreement, the Operator shall pay for all labor performed, and all products, equipment and materials furnished for, the construction, alteration, renovation or maintenance of all the Leased Premises. The Operator is not responsible for issues resulting from defects in design or construction. The Operator shall keep the Leased Premises free and clear of any and all claims attaching to real property including but not limited to liens and encumbrances (collectively referred to in this Section as "liens" or "encumbrances"). Further, the Operator shall pay each and every judgment made or given against the Leased Premises, or any part thereof, or against the City, on account of any above described lien or encumbrance, unless otherwise stated to the contrary herein. The Operator shall, at its sole cost and expense, defend, indemnify and hold the City harmless from every lien or encumbrance, and every action on account of any and all such liens and encumbrances, or obligation for labor, products, equipment or materials incurred during any Term of this Agreement, whether by the Operator or any Tenant, including, by way of illustration and not of limitation, laborer's, mechanic's and materialman's liens, and any other liens and encumbrances not specifically enumerated herein, but which are not liens or encumbrances as a result of the City or Trust's action. Nothing contained herein shall, in any way, prejudice the Operator's right to contest any final judgment or decree prior to payment thereof.

As long as the Operator is using its best efforts and is actively pursuing, in good faith, the removal of claims, liens and encumbrances, the failure of the Operator to immediately remove liens and encumbrances from the Leased Premises shall not be deemed an Event of Default. Provided, however, should the Operator fail to "bond off," remove or challenge in a court of appropriate jurisdiction any lien or encumbrance within thirty (30) days of attachment, the City may pay and satisfy such lien or encumbrance and Operator, within thirty (30) days of demand, pay to the City the said sum in full.

Operator shall require a similar prohibition in all contracts, leases, and subleases to protect the City, Trust, and Leased Premises from liens and encumbrances.

This provision shall survive the termination, expiration, cancellation or nonrenewal of this Agreement.

7.7 Notices

All notices or demands required or permitted to be given or made under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first-class registered or certified mail, postage prepaid, addressed to the parties at the following addresses. obligation shall be extended by the number of days equivalent to the number of days of the impact of such delay, hindrance or prevention. Failure to so provide the foregoing notice will result in waivers of both excuse in performance and extension of time to perform under this paragraph with respect to any such delay, hindrance or prevention.

As used herein, a "Force Majeure event" shall mean a labor dispute, act of God, natural disaster, national emergency, civil disobedience or disturbance, riot, terrorism, threat of terrorism, restraint by court order, and similar occurrences beyond the reasonable control of the Party that makes the Party's material obligations under this Contract in a timely manner impractical or impossible and which, in all cases, are not foreseeable or a result of the negligence or willful misconduct of, or in the reasonable control of, the Party.

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 6/13/2023

REQUESTER: James Briggs, Park Development Manager

PRESENTER: Jason Olsen, Director of Parks and Recreation

ITEM TITLE: CONSIDERATION OF APPROVAL, ACCEPTANCE, REJECTION,

AMENDMENT, AND/OR POSTPONEMENT OF THE FINAL ACCEPTANCE OF CONTRACT K-1819-132: BY AND BETWEEN THE CITY OF NORMAN, OKLAHOMA, AND FLINTCO L.L.C., FOR THE REAVES PARK RENOVATION CONSTRUCTION PROJECT AND FINAL

PAYMENT OF \$291,713.01.

BACKGROUND:

In October 2015, Norman residents passed the Norman Forward initiative, which funds various quality-of-life projects through a ½ % sales tax increase over 15 years. Included in the Norman Forward initiative is a project to improve Reaves Park, which would result in all youth baseball and softball being played at Reaves. Once the other sports facilities had moved, this project would allow all of Griffin Park to be reconstructed as a soccer-only facility. In addition to baseball/softball improvements at Reaves Park, this project made improvements to the park's festival area and improved the park's infrastructure with new utility lines, streets, and parking.

The architect for the renovation of the Reaves Park project was awarded in a separate contract to Halff Associates (Halff) in March 2020.

Also included in the 2015 Norman Forward initiative was a project to build new adult softball fields and youth football fields at a new "Community Sports Park" on land that was to be purchased by the City. The Community Sports Park project was set up with a total budget of \$2.5 million, which was inadequate to deliver the stand-alone project initially envisioned for the adult softball and youth football programs. Additional funding was proposed in a General Obligation Bond issue considered on August 25, 2020, which was unsuccessful. As a result, the citizen Ad Hoc Groups for the Community Sports Park, Ruby Grant Park, and Reaves Park Complexes determined that the adult softball improvements could be incorporated as part of the Reaves Park project and the youth football improvements could be included as part of the Ruby Grant Park project.

On February 9, 2019, City Council approved Contract K-1819-132 with Flintco, L.L.C. (Flintco) to provide construction management at-risk (CMaR) services for the Reaves Park Renovation and Griffin Park Phase III projects. The initial contract amount of \$55,000 was approved to provide pre-construction services for both projects, including plan review, design assistance, bidding services, and value engineering.

Amendment Number 1 to Contract 1819-132 was awarded to Flintco on July 23, 2019, for \$789,352 for the Griffin Park Phase III Construction. The budget for Reaves Park included the funding necessary to construct a new Park Maintenance facility at the North Base complex.

On September 20, 2021, Council approved Amendment 2 to CMaR Contract 1819-132 with Flintco Construction Company, which awarded work at Reaves Park in the amount of \$7,452,086 for all material, labor, associated costs, fees, contingency, and all other items shown in the G.M.P. Budget. The work included all site grading, demolition of old facilities such as the park maintenance area, tree removal as-needed, excavation of a detention pond, upgrades, and new installation of site utilities (water service, sewer lines, electric service, stormwater, etc.), and construction of a new park road and parking lots with lighting, improved festival infrastructure, four youth baseball fields with concession and restroom facilities, L.E.D. field lighting, covered bleachers and dugouts and extensive spectator paths and amenities.

DISCUSSION:

On February 18, 2023, a final punch walk was done for the Reaves Park improvement project with the Owner, Architect, and Contractor. At that time, all final costs were confirmed for the project, including all instances where the project contingency was utilized to cover expenses associated with the project conditions and all weather delays encountered over the 17 months it took to perform the work.

In April of 2023, the awarded G.M.P. for the Reaves Park Renovation project was converted to a contract Lump Sum once all final costs had been determined. This allowed Flintco to prepare their final project billing based on said Lump Sum. That final project cost was determined to be \$7,426,364.75. This amount includes all unspent project contingency amounts. It is slightly lower than the original G.M.P. Flintco used this amount to get all final accounting done, pay their final costs, and receive all savings from the project back to the City in a final payment request.

RECOMMENDATION:

It is recommended that City Council accept the NORMAN FORWARD Reaves Park Renovation Construction Project as complete and approve the final payment in the amount of \$291,713.02 to Flintco, L.L.C. Funding is available in the Norman Forward Reaves Park Improvements Project, Construction (account 51792205-46101; project NFB006) and the Community Sports Park Project, Construction (account 51794442-46101; project NFB005).

19. CONSIDERATION OF ADOPTION, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF RESOLUTION R-2223-145: A RESOLUTION OF THE COUNCIL OF THE CITY OF NORMAN, OKLAHOMA, AND THE NORMAN MUNICIPAL AUTHORITY, REDUCING APPROPRIATIONS FROM THE NORMAN FORWARD FUND BALANCE BY \$4,228,415 AND RE-ALLOCATING SURPLUS FUNDS FROM COMPLETED PROJECTS.

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 06/13/2023

REQUESTER: Jason Olsen, Director of Parks and Recreation

PRESENTER: Anthony Francisco, Finance Director

ITEM TITLE: CONSIDERATION OF ADOPTION, REJECTION, AMENDMENT, AND/OR

POSTPONEMENT OF RESOLUTION R-2223-145: A RESOLUTION OF THE COUNCIL OF THE CITY OF NORMAN, OKLAHOMA, AND THE NORMAN MUNICIPAL AUTHORITY, REDUCING APPROPRIATIONS FROM THE NORMAN FORWARD FUND BALANCE BY \$4,228,415 AND RE-ALLOCATING SURPLUS FUNDS FROM COMPLETED PROJECTS.

BACKGROUND:

The Finance Department presented at the Capital Improvement Program Budget meeting with City Council on May 2, 2023, that the Norman Forward Fund balance was over-programmed for the FYE 2023 due to large, multi-year projects such as Young Family Athletic Center and the Adult Wellness and Education Center projects.

In the Fiscal Year Ending 2018, the City set aside \$125,000 through the Room Tax Fund for cost-matching improvements if the Firehouse Art Center could raise equal or exceeding funds for capital improvements at their facility. The Capital Fundraising plans from the Firehouse Art Center never materialized due to the Covid-19 Pandemic, and the fundraising attempts were put on hold by staff at the Firehouse Art Center.

DISCUSSION:

At the May 2, 2023, Capital Improvement Program Budget meeting with City Council, the Finance Department presented and discussed de-appropriation actions that would be needed in various Norman Forward Fund balance accounts for the Fund balance to remain positive at the end of the 2023 fiscal year. These funds would be effectively re-appropriated in July with the adoption of the fiscal year 2023-2024 budget including the projects.

In summary, due to a budgetary shortage in the Norman Forward Fund balance at the end of fiscal year 2022-2023, the actions recommend included the following:

Reduce 2022-2023 year-end fiscal appropriations in the Norman Forward Fund as follows:

- NFP106 Saxon Park \$1,217,600
- NFP107 New Trail Development \$970,541

- NFP104 New Neighborhood Parks \$1,126,274
- NFB001 Griffin Park \$789,000

There is also the Room Tax Fund project Firehouse Arts Center that was initially set aside as matching capital improvement funding which never materialized that needs to be deappropriated and permanently closed out:

RT0027 Firehouse Arts Center - \$125,000

RECOMMENDATION ONE:

It is recommended that fiscal year 2022-2023 Norman Forward Fund appropriations be REDUCED (Fund Balance account 51-29000 increased) by \$4,103,415 by reducing fiscal year 2022-2023 allocations as follows:

Saxon Park**	Project NFP106	\$ 1,217,600
New Trail Development**	Project NFP107	\$ 970,541
New Neighborhood Parks**	Project NFP104	\$ 1,126,274
Griffin Park**	Project NFB001	\$ 789,000

RECOMMENDATION TWO:

It is recommended that Norman Room Tax appropriations be REDUCED (Fund Balance account 51-29000 increased) by \$125,000 by reducing fiscal year 2022-2023 allocations as follows:

Firehouse Art Center*	Project RT0027	\$ 125,000

^{*} Projects recommended to be closed out.

20. CONSIDERATION OF ADOPTION, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF RESOLUTION R-2223-148: A RESOLUTION OF THE CITY OF NORMAN APPROPRIATING \$243,000 FROM THE CAPITAL FUND BALANCE TO BE USED FOR FURNITURE AND EQUIPMENT PURCHASES FOR THE ADULT WELLNESS AND EDUCATION CENTER PROJECT.

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 06/13/2023

REQUESTER: Veronica Tracy, Recreation Manager

PRESENTER: Jason Olsen, Director of Parks and Recreation

ITEM TITLE: CONSIDERATION OF ADOPTION, REJECTION, AMENDMENT, AND/OR

POSTPONEMENT OF RESOLUTION R-2223-148: A RESOLUTION OF THE CITY OF NORMAN APPROPRIATING \$243,000 FROM THE CAPITAL FUND BALANCE TO BE USED FOR FURNITURE AND EQUIPMENT PURCHASES FOR THE ADULT WELLNESS AND

EDUCATION CENTER PROJECT.

BACKGROUND:

In October 2015, Norman citizens passed the NORMAN FORWARD initiative, funding various quality-of-life projects through a ½% sales tax increase over 15 years. The NORMAN FORWARD Initiative included authorization for a project to construct a new Senior Citizen's Recreation Center. After ongoing community input, the project's scope was expanded into a Senior Wellness Center, later named the Adult Wellness and Education Center (AWE).

The AWE will be located on City-owned land on the southeast corner of Norman Regional Health System's (NRHS) Porter Campus, off North Findlay Avenue. The new AWE will include an indoor heated saltwater pool with lap swimming, water walking, and hydrotherapy seating; an indoor walking track and training space; a fitness- classroom area; lounge and game rooms; both wet and dry craft areas; small prep and demonstration kitchen; and multipurpose rooms that can be used for eating, events, classes, theatrical plays, games, and much more.

Oklahoma City architectural and engineering (A/E) firm Frankfurt, Short, Bruza (FSB) was selected as the A/E consultant for this project in March 2018. FSB has completed the project's schematic design and construction documents and is assisting with construction administration through the project's completion.

The AWE was authorized in the NORMAN FORWARD initiative in 2015 but was unfunded at that time. The AWE was later funded through two Council actions: re-allocation of Norman Forward funds through securing the Griffin Parkland with a long-term land lease instead of a land purchase at the Griffin Park Soccer Complex (\$7.4 million); an allocation of \$4.8 million from federal Coronavirus Aid, Relief & Economic Security (CARES) Act reimbursements (Resolution R-2021-63); and a land exchange with the Norman Regional Hospital System where

the City received \$426,000 in cash and what was then appraised for \$1.2 million in property (718 N. Porter) for a total of a \$14 million budget for construction and design.

The AWE project is scheduled to open in late Fall of this year. The construction budget was negatively impacted by post-COVID-19 supply chain and cost issues throughout the project, resulting in a funding shortfall necessary to complete the project. The Parks and Recreation Department requests an appropriation to complete the final furniture and equipment purchases.

DISCUSSION:

The total approved project budget for the AWE is \$14 million. The project team has been closely tracking expenses. It has identified a \$243,000 budget shortfall due to a shortage for Furniture, Fixtures, and Equipment (FF&E), Audio Visual Equipment (A/V), and installation and equipment for Access Control at the AWE.

To finalize the project and open the facility with appropriate FF&E, A/V, Access Control, and fully equipped, staff proposes allocating \$243,000 from the Capital Fund balance (account 50-29000) to the AWE Project Fund.

RECOMMENDATION:

Staff recommends adopting Resolution R-2223-148 to appropriate \$243,000 from the Capital Fund balance (account 50-29000) to the Norman Forward Adult Wellness and Education Project Fund (NFP111 - 51793365-46101).

A RESOLUTION OF THE COUNCIL OF THE CITY OF NORMAN, OKLAHOMA, APPROPRIATING \$243,000 FROM THE CAPITAL FUND BALANCE TO BE USED FOR FURNITURE AND EQUIPMENT PURCHASES FOR THE ADULT WELLNESS AND EDUCATION CENTER PROJECT.

- § 1. WHEREAS, in October 2015, the Norman citizens passed the Norman Forward initiative, funding various quality-of-life projects through a one-half percent sales tax increase over 15 years; and
- § 2. WHEREAS, the Senior Wellness Center was later renamed the Adult Wellness and Education Center was part of the projects that were authorized in 2015, but was unfunded at that time; and
- § 3. WHEREAS, the Adult Wellness Center became funded later by two actions made by the City Council; and
- § 4. WHEREAS, this project is scheduled to open in late Fall of 2023, but the construction budget was negatively impacted by post-Covid-19 supply chain and cost issues; and
- § 5. WHEREAS, this \$243,000 budget shortfall has been identified for the need of furniture, fixtures, equipment, audio visual equipment and installation and equipment for Access Control.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF NORMAN, OKLAHOMA;

§ 6. That the following recommendations be made for the reasons as stated above:

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 06/27/2023

REQUESTER: Kathryn Walker

PRESENTER: Kathryn Walker, City Attorney

ITEM TITLE: CONSIDERATION OF APPROVAL, REJECTION, AMENDMENT AND/OR

POSTPONEMENT OF CONTRACT K-2223-175: A CONTRACT BY AND BETWEEN THE CITY OF NORMAN AND NORMAN REGIONAL HOSPITAL AUTHORITY FOR THE PURPOSE OF CREATING A CONTRACTUAL RELATIONSHIP RELATED TO CONSTRUCTION FUNDING AND SEPARATE OPERATION OF THE SPORTS AND HUMAN PERFORMANCE CENTER TO BE LOCATED WITHIN THE YOUNG

FAMILY ATHLETIC CENTER.

BACKGROUND:

The original Norman Forward sales tax package approved by the voters in 2015 included a number of quality of life projects, including a multi-sport facility, envisioned to accommodate indoor sports including, but not limited to, basketball and volleyball, and an indoor aquatics facility. A total of \$22.5 million in Norman Forward sales tax was allocated to these projects. After exploring a number of locations for these facilities, City Council approved an agreement in November 2019 to locate these facilities in University North Park.

An ad hoc committee was appointed in June 2019 by Council for the Indoor Aquatic/Multi-Sport projects which worked closely with the project architect to develop plans for the facility. Like several other Norman Forward projects, the funding provided by the dedicated sales tax was insufficient to complete the facilities as envisioned by the Ad Hoc Committee.

Contract K-1920-82 and the 2019 Amended University North Park Tax Increment Finance District (TIF) Project Plan (adopted by Ordinance O-1920-24) called for the Indoor Aquatic/Multi-Sport projects (the "Recreation Facility") to be located in University North Park and set forth the purchase price for up to 12 acres of land for the projects. It also allocated TIF funds for the purchase of the property and \$2.7 million for supplemental construction funds for the Recreation Facility project. Contract K-1920-82 set out timelines for site identification, purchase and construction based on the best information available at the time.

In the fall of 2019, Staff was approached by Rayford Young, the father of National Basketball Association Atlanta Hawks player and Norman native Trae Young. Mr. Young expressed interest in partnering with the City to ensure the planned Multi-Sport facility would achieve the original vision of being an appropriate venue for both local league play, competitive league play,

and as a tournament host. Trae Young grew up in Norman, playing in City leagues, and later, more competitive leagues in the metro area. He and his family are committed to giving back to the community and to furthering youth sports in Norman. Council approved Contract K-1920-139, a Memorandum of Understanding that established a long-term relationship with the Trae Young Foundation ("Young") related to the Multi-Sport facility including certain financial contributions over multiple years, totaling \$4 million.

The Purchase and Sale Agreement for the future site of the Indoor Aquatic/Multi-Sport project was approved on December 1, 2020. (Contract K-2021-65). Approval of this Agreement enabled the City to move forward with purchase of the property, platting, final design and ultimately bidding and construction of the project.

During the discussions about this facility, Norman Regional Health System ("NRHS") expressed an interest in participating in the facility by funding and operating a Sports and Human Performance Center (the "Center") within the facility. NRHS has engaged architects, who have been in communication with the City's architects for this project, to include the design of the Center within the Facility. Council approved Contract K-2021-99, a MOU setting forth certain obligations related to construction funding and separate operation of the Center within the Facility, on February 9, 2021. The MOU has guided the parties throughout the negotiations of a final agreement.

DISCUSSION:

Contract K-2223-175 is an Agreement between the City and NRHS setting forth construction funding obligations as well as lease terms for the space in the Young Family Athletic Center ("YFAC"), in which NRHS intends to operate its Sports and Human Performance Center. Article 2 of the Agreement covers the construction funding and lease payments. NRHS is responsible for architecture and construction costs related to its portion of the building. Because it is 100% responsible for construction, a nominal rent is charged during the forty (40) year term of the Agreement. Construction costs have been split over three payments, the first two of which have already been remitted to the City. The final payment will include the remaining balance, less 10% retainage. Retainage and any other costs will be paid within 30 days of the Operational Date, defined as the date on which construction has been substantially completed and a certificate of occupancy has been issued.

NRHS will be responsible for paying its own separately-metered utilities as well as its proportionate share of any costs and expenses imposed on the property under covenants. NRHS has the right to alter its premises and make improvements as long as it doesn't interfere with the development or use of the Facility primarily as an indoor aquatic and multi-sport facility. NRHS is also obligated to maintain the Leased Premises and is responsible for maintenance of the elevator leading to its space.

NRHS will be the exclusive healthcare partner of the Facility and Section 5.5(a) of the Agreement sets out of the marketing and promotion rights that NRHS has as the exclusive healthcare partner. NRHS is required to provide certain types of insurance in Article 6, and is required to pay a pro-rata share of the property insurance. In the event the facility is damaged, the City will undertake to repair it but if repairs cannot be completed within 365 days, NRHS has the option to terminate the Lease.

The remainder of the agreement addresses default and remedies, as well as standard representations, warranties, and special covenants.

RECOMMENDATION:

Staff recommends approval of Contract K-2223-175.

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 07/11/2023

REQUESTER: Jason Olsen, Director of Parks and Recreation

PRESENTER: Jason Olsen, Director of Parks and Recreation

ITEM TITLE: CONSIDERATION OF APPROVAL, REJECTION, AMENDMENT, AND/OR

POSTPONEMENT OF CONTRACT K-2324-24: A CONTRACT BY AND BETWEEN THE CITY OF NORMAN, OKLAHOMA, AND PROJECTIONE LLC dba PROJECT ONE STUDIO IN THE AMOUNT OF \$89,000 FOR THE DESIGN AND CREATION OF A SCULPTURE TO BE PLACED AT THE GRIFFIN PARK FUNDED THROUGH THE NORMAN FORWARD PUBLIC

ARTS FUND.

BACKGROUND:

The City of Norman and the Norman Arts Council (NAC) have partnered in projects to install art in public places within the City of Norman. Through this partnership, the NAC has purchased art pieces, and the City provides a location for the piece(s) within public spaces owned by the City of Norman.

With the adoption of NORMAN FORWARD, the City committed to expending an amount not to exceed 1% of the aggregate construction costs of significant facilities and community park improvements costs on public art at those facilities and parks. Because of the City's positive relationship with the NAC and the NAC's commitment to the sense of community fostered by public art, the NAC has agreed to expand the partnership with the City of Norman to assist with the selection, location, and installation of public art purchased with Norman Forward sales tax revenue.

Under the terms of the approved Services Agreement, Contract K-1516-132, and all amendments thereto, the NAC will be the administrator for selecting, locating, and installing public art purchased with Norman Forward sales tax funds. The NAC has administered the selection of public art through four phases: (a) Phase I: Project Development, including research into similar projects and assembly of a Project Team to evaluate the public art opportunities; (b) Phase II: Selection Process, including project announcement and advertising, "blind jury" review of the submission, and ultimate selection of and contracting with an artist; (c) Phase III Execution and Installation, including coordination with the City for permitting and approvals during fabrication and installation of the selected artwork; and (d) Phase IV: Public Engagement and Education, including design and installation appropriate markers and other means of creating public awareness and appreciation for each work of art through press releases, social media, and other appropriate channels, as well as the care and maintenance of each work of art.

Under the terms of the Services Agreement, the City of Norman has funded public art installed at or as a part of Norman Forward sales tax-funded projects up to 1% of construction costs for the Central Library, East Library, Westwood Family Aquatic Center, and Westwood Tennis, Ruby Grant Park, Andrews Park, and have planned the future installation of artwork at the Young Family Athletic Center ("YFAC"), Saxon Park, Reaves Park, Griffin Park, and the Adult Education and Wellness Center. These costs (the "Norman Forward Public Arts Fund" or "NFPAF"), aggregated together, were initially estimated to be \$1.2 million.

Of the NFPAF, at least 90% shall be allocated to art selection, artist fees, fabrication, installation, and maintenance. The remaining amount, up to 10% of the total NFPAF, is paid to NAC as an administrative fee. The City will make the administrative fee available to NAC as projects come forward. The NAC will submit quarterly reports detailing progress, including funds received and expended. The Services Agreement is for an initial one-year term. It renews automatically for subsequent one-year terms so long as Norman Forward revenues remain for the purchase and installation of public art.

DISCUSSION:

Griffin Park, located at 1001 E Robinson Street, has reached the point where an artist has been selected, and a final contract with the chosen Artist is proposed for City Council consideration.

The Selection Panel Advisory Board and the Norman Arts Council Board began the artist selection process; the Board recommended the retention of artist Adam Buente of PROJECTIONE LLC D/B/A Project One Studio to build and install a sculpture of a three-dimensional replication of wind graphs using the color gradients that reflect wind intensity and direction entitled "Windrose" at the site.

The sculpture is composed of two colorful, curved structures. One is an easy-to-interact 11 feet tall while the other is an eyecatching 21.5 feet tall.

The Artist is responsible for the sculpture, the delivery, installation, and securing of the work in a foundation/footer designed by a licensed engineer. In comparison, the City will be responsible for the concrete decking and any associated landscaping.

The sculpture is proposed to be completed and installed no later than March 31, 2024. In addition, before implementing any changes to the sculpture, the Artist must obtain approval from the City of Norman. The total cost of this contract is \$89,000, \$45,500 of which is payable upon delivery of the signed contract and issuance of an Artist's invoice; \$22,250 of which is due upon 50% completion of the two figures of the sculpture; \$11,125 upon completion of 100% of the sculptures; and the final \$11,125 upon final acceptance of the work by the City.

Final acceptance will be determined solely by the City of Norman. The City of Norman retains the right to subsequently remove the work if it presents a safety hazard or cannot be reasonably restored to its original structural or aesthetic integrity.

Norman Forward Public Arts Project, Construction (account 51795500-46101; project NFP100) has adequate funds available to cover the award of this contract.

RECOMMENDATION:

Based upon the foregoing, City Staff recommends that Council approve Contract K-2324-24 with PROJECTIONE LLC for the fabrication and installation of artwork at Griffin Park.

Wind is a floating wave of air, whose undulation continually varies.

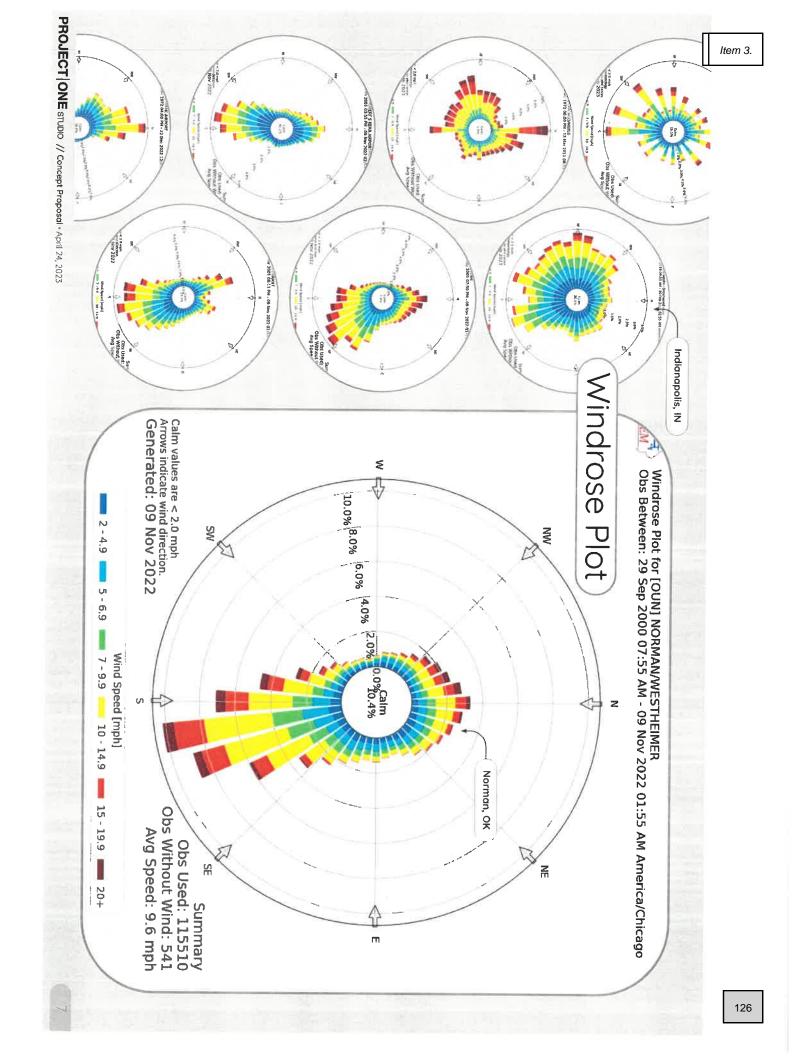

Vitruvius

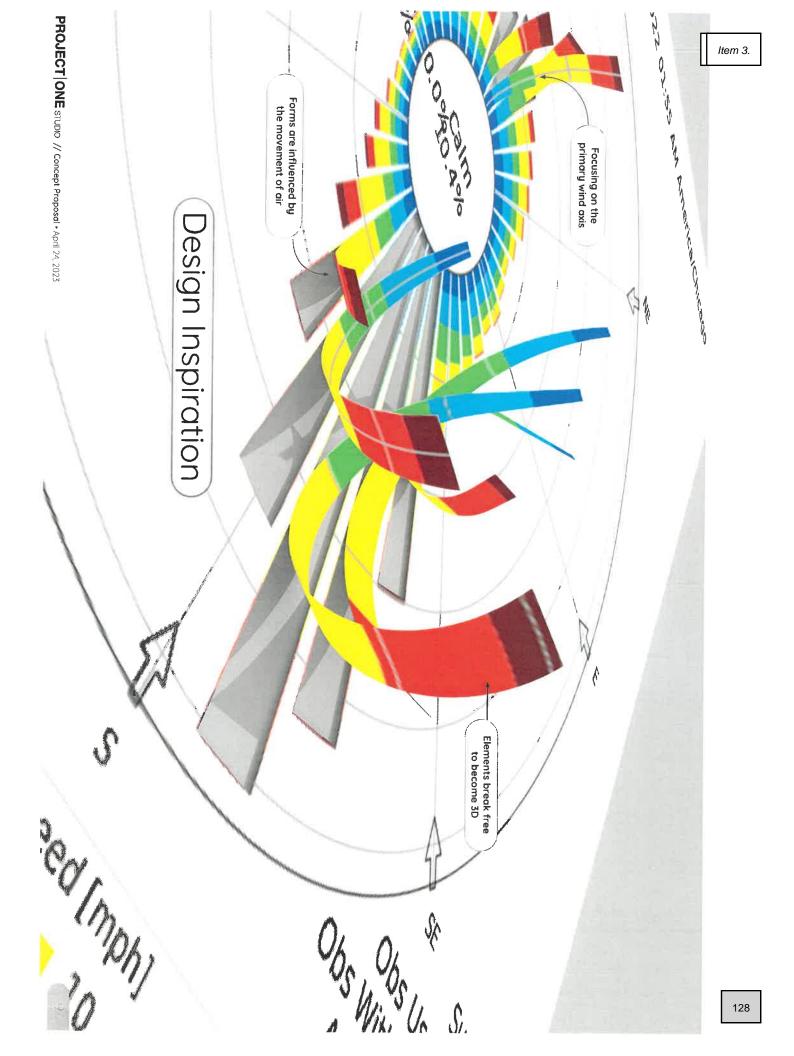

Concept Narrative

Windrose is a playful yet meaningful addition to the landscape of Norman, It serves as a beacon, becoming a focal point for the community, connecting people, and creating a sense of place. It is an exploration of the ever-changing forces of wind as well as the connection between Norman's natural environment and Griffin Park. The constant movement of air, sometimes barely noticeable and other times turbulent, reminds us that we are all connected by nature.

The project abstractly dissects Norman Oklahoma's Windrose plot as a generator of form, color, and site-specific integration. It seeks to provide moments of interaction for families, teams, and players visiting the park. Unprogrammed play, vibrant displays of color, and soothing gestural forms allow for various interpretations, ensuring that the artwork engages a diverse group of people and includes many ages, backgrounds, and abilities.

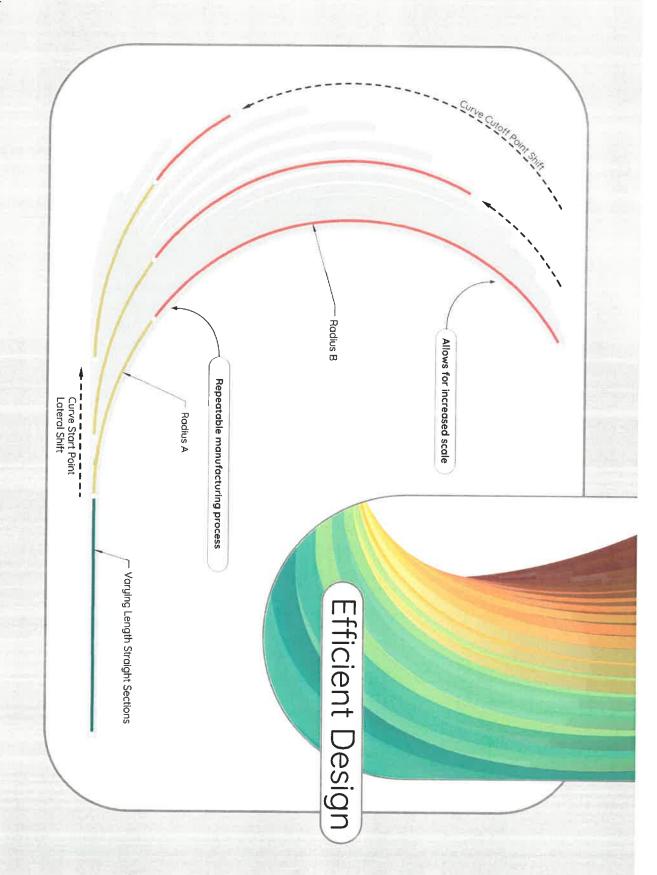

Windrose is an uplifting symbol of hope, reminding us not only to appreciate the natural beauty around us, but also the importance of creating connections with one another.

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 07/11/2023

REQUESTER: Jason Olsen, Director of Parks and Recreation

PRESENTER: Jason Olsen, Director of Parks and Recreation

ITEM TITLE: CONSIDERATION OF APPROVAL, REJECTION, AMENDMENT, AND/OR

POSTPONEMENT OF CONTRACT K-2324-25: A CONTRACT BY AND BETWEEN THE CITY OF NORMAN, OKLAHOMA, AND SKUNK CONTROL IN THE AMOUNT OF \$100,000 FOR THE DESIGN AND CREATION OF A SCULPTURE TO BE PLACED AT THE NORMAN SENIOR WELLNESS CENTER FUNDED THROUGH THE NORMAN

FORWARD PUBLIC ARTS FUND.

BACKGROUND:

The City of Norman and the Norman Arts Council (NAC) have partnered in projects to install art in public places within the City of Norman. Through this partnership, the NAC has purchased art pieces, and the City provides a location for the piece(s) within public spaces owned by the City of Norman.

With the adoption of NORMAN FORWARD, the City committed to expending an amount not to exceed 1% of the aggregate construction costs of major facilities and community park improvements costs on public art at those facilities and parks. Because of the City's positive relationship with the NAC and the NAC's commitment to the sense of community fostered by public art, the NAC has agreed to expand the partnership with the City of Norman to assist with the selection, location, and installation of public art purchased with Norman Forward sales tax revenue.

Under the terms of the approved Services Agreement, Contract K-1516-132, and all amendments thereto, the NAC will be the administrator for selecting, locating, and installing public art purchased with Norman Forward sales tax funds. The NAC has administered the selection of public art through four phases: (a) Phase I: Project Development, including research into similar projects and assembly of a Project Team to evaluate the public art opportunities; (b) Phase II: Selection Process, including project announcement and advertising, "blind jury" review of the submission, and ultimate selection of and contracting with an artist; (c) Phase III Execution and Installation, including coordination with the City for permitting and approvals during fabrication and installation of the selected artwork; and (d) Phase IV: Public Engagement and Education, including design and installation appropriate markers and other means of creating public awareness and appreciation for each work of art through press releases, social media, and other appropriate channels, as well as the care and maintenance of each work of art.

Under the terms of the Services Agreement, the City of Norman has funded public art installed at or as a part of Norman Forward sales tax-funded projects up to 1% of construction costs for the Central Library, East Library, Westwood Family Aquatic Center and Westwood Tennis, Ruby Grant Park, Andrews Park, and have planned the future installation of artwork at the Young Family Athletic Center ("YFAC"), Saxon Park, Reaves Park, Griffin Park, and the Senior Wellness Center. These costs (the "Norman Forward Public Arts Fund" or "NFPAF"), aggregated together, were initially estimated to be \$1.2 million.

Of the NFPAF, at least 90% shall be allocated to art selection, artist fees, fabrication, installation, and maintenance. The remaining amount, up to 10% of the total NFPAF, is paid to NAC as an administrative fee. The City will make the administrative fee available to NAC as projects come forward. The NAC will submit quarterly reports detailing progress, including funds received and expended. The Services Agreement is for an initial one-year term. It renews automatically for subsequent one-year terms so long as Norman Forward revenues remain for the purchase and installation of public art.

DISCUSSION:

The Senior Wellness Center project, located at 602 N. Findlay Ave, has reached the point where an artist has been selected, and a final contract with the selected Artist is proposed for City Council consideration.

The Selection Panel Advisory Board and the Norman Arts Council Board began the artist selection process; the Board recommended the retention of artist Nick Athanasiou of Skunk Control to build and install a sculpture at the site.

The Artist is responsible for the sculpture, the delivery, installation, and securing of the work in a foundation/footer designed by a licensed engineer. At the same time, the City will be responsible for the concrete decking and any associated landscaping.

The sculpture is proposed to be completed and installed by October 31, 2023. In addition, before implementing any changes to the sculpture, the Artist must obtain approval from the City of Norman. The total cost of this contract is \$100,000, \$40,000 of which is payable upon delivery of the signed contract and issuance of an Artist's invoice, \$30,000 of which is due upon substantial completion of the sculpture, and the final \$30,000 is due upon final acceptance of the work by the City.

Final acceptance will be determined solely by the City of Norman. The City of Norman retains the right to subsequently remove the work if it presents a safety hazard or cannot be reasonably restored to its original structural or aesthetic integrity.

Norman Forward Public Arts Project, Construction (account 51795500-46101; project NFP100) has adequate funds available to cover the award of this contract.

RECOMMENDATION:

Based upon the foregoing, City Staff recommends that Council approve Contract K-2324-25 with Skunk Control for the fabrication and installation of artwork at the Norman Senior Wellness Center.

BACKGROUND:

The City of Norman and the Norman Arts Council (NAC) have partnered in projects to install art in public places within the City of Norman. Through this partnership, the NAC has purchased art pieces, and the City provides a location for the piece(s) within public spaces owned by the City of Norman.

With the adoption of NORMAN FORWARD, the City committed to expending an amount not to exceed 1% of the aggregate construction costs of major facilities and community park improvements costs on public art at those facilities and parks. Because of the City's positive relationship with the NAC and the NAC's commitment to the sense of community fostered by public art, the NAC has agreed to expand the partnership with the City of Norman to assist with the selection, location, and installation of public art purchased with Norman Forward sales tax revenue.

Under the terms of the approved Services Agreement, Contract K-1516-132, and all amendments thereto, the NAC will be the administrator for selecting, locating, and installing public art purchased with Norman Forward sales tax funds. The NAC has administered the selection of public art through four phases: (a) Phase I: Project Development, including research into similar projects and assembly of a Project Team to evaluate the public art opportunities; (b) Phase II: Selection Process, including project announcement and advertising, "blind jury" review of the submission, and ultimate selection of and contracting with an artist; (c) Phase III Execution and Installation, including coordination with the City for permitting and approvals during fabrication and installation of the selected artwork; and (d) Phase IV: Public Engagement and Education, including design and installation appropriate markers and other means of creating public awareness and appreciation for each work of art through press releases, social media, and other appropriate channels, as well as the care and maintenance of each work of art.

Under the terms of the Services Agreement, the City of Norman has funded public art installed at or as a part of Norman Forward sales tax-funded projects up to 1% of construction costs for the Central Library, East Library, Westwood Family Aquatic Center, and Westwood Tennis, Ruby Grant Park, Andrews Park, and have planned the future installation of artwork at the Young Family Athletic Center ("YFAC"), Saxon Park, Reaves Park, Griffin Park, and the Senior Wellness Center. These costs (the "Norman Forward Public Arts Fund" or "NFPAF"), aggregated together, were initially estimated to be \$1.2 million.

Of the NFPAF, at least 90% shall be allocated to art selection, artist fees, fabrication, installation, and maintenance. The remaining amount, up to 10% of the total NFPAF, is paid to NAC as an administrative fee. The City will make the administrative fee available to NAC as projects come forward. The NAC will submit quarterly reports detailing progress, including funds received and expended. The Services Agreement is for an initial one-year term. It renews automatically for subsequent one-year terms so long as Norman Forward revenues remain for the purchase and installation of public art.

DISCUSSION:

Reaves Park, located at 2501 Jenkins Ave, has reached the point where an artist has been selected, and a final contract with the chosen Artist is proposed for City Council consideration.

The Selection Panel Advisory Board and the Norman Arts Council Board began the artist selection process; the Board recommended the retention of artist Tyler FuQua of Tyler FuQua Creations to build and install a robot sculpture at the site.

The Artist is responsible for the sculpture, the delivery, installation, and securing of the work in a foundation/footer designed by a licensed engineer. At the same time, the City will be responsible for the concrete decking and any associated landscaping.

The sculpture is proposed to be completed and installed by October 31, 2023. In addition, before implementing any changes to the sculpture, the Artist must obtain approval from the City of Norman. The total cost of this contract is \$62,000, \$25,000 of which is payable upon delivery of the signed contract and issuance of an Artist's invoice, \$18,500 of which is due upon substantial completion of the robot sculpture, and the final \$18,500 is due upon final acceptance of the work by the City.

Final acceptance will be determined solely by the City of Norman. The City of Norman retains the right to subsequently remove the work if it presents a safety hazard or cannot be reasonably restored to its original structural or aesthetic integrity.

Norman Forward Public Arts Project, Construction (account 51795500-46101; project NFP100) has adequate funds available to cover the award of this contract.

RECOMMENDATION:

Based upon the foregoing, City Staff recommends that Council approve Contract K-2324-26 with Tyler FuQua Creations for the fabrication and installation of artwork at Reaves Park.

Subject: Young Family Athletic Center - Operator

In May, the contract negotiations with Santa Fe Family Life Center ceased for their organization to become the Young Family Athletic Center (YFAC) operator. Due to the complexities of the request of both Community Groups and the City, it became apparent to the Parks and Recreation Department that the risks associated with operations of the YFAC would be better for both Santa Fe and the City if we went in a different direction.

I think it is in the best interest of the City and the YFAC for the Parks and Recreation Department to facilitate the operations of the YFAC. The Parks Department has already contacted the stakeholder groups involved with the YFAC. The Parks Department is working with these groups on leases and leagues, and the Parks Department has a clear vision of using the YFAC for the best interest of our residents here in Norman.

Attached to this memo is a budget, revenue projections, fee schedule, and booking policy. The Parks Department looks forward to having public discussions on how this facility will be best used for Norman and fill a huge void for our youth and its access to indoor athletic facilities. We also are incredibly excited for the YFAC to be open for all to enjoy in 2024!
