To better serve you, five (5) business days' advance notice is preferred.

Upon the confirmation of a quorum 1:00 PM Jesse turned meeting over to Miranda as Committee Chair.

September 12, 2023 Minutes: Motion was made to approve the minutes Motion was made by Nelson Dent and Seconded by Joseph Theige. A vote was taken by committee members to accept the minutes as amended. Unanimous.

December 12 meeting notes: no action required due to this meeting there was not a quorum. However Miranda notified the committee of the notes. Sue and Chris stated that the notes said they were in attendance when actually they were not. Jesse advised

these were a draft form and the original notes have them listed as absent. Jesse will confirm this is the case.

Jesse shared the dates of upcoming meetings for this committee and ask to have a vote on approval Victor made a motion to accept the dates as submitted and Miranda seconded. All present were in favor.

Jesse shared the agenda with the committee and a little comical introduction that said “I smile because you’re my family... I laugh because there is nothing you can do about it”.

Miranda turned the meeting over to Jesse to share updates on the previous Capital Improvements made through this committee thru FYE 2023.

- Lions Park: Jesse shared there was no updates to this park since the last meeting still waiting for restroom facilities to be completed, a year after they started.
- Andrews Park: The playground opened on March 9th with a ribbon cutting ceremony, unfortunately there was a conflict with the schedule and was unable to attend. Sidewalks were partially completed. Jesse advised that there were issues with one of the ramps that had to be torn back out and replaced due to not being accessible.
- 12th Ave Recreation Center: No update
- 24th Ave SW. Bid date was November 3, 2022. Contract was awarded to Nash Construction with a bid of \$251,545.00. Jesse advised the committee had approved \$300,000.00 allocation for this project in their September meeting. Pre-construction meeting was set for March 7, 2023 with an ending date prior to FYE 2023 ending.

Jesse asked for any takeaways from the Cleveland County Disability Fair held on March 9 at the WELL. Very positive response with December, Chris, Kelli, Sue, Joe and Madison being in attendance. A lot of visitors throughout the evening.

Jesse shared a little of the ACOG Grant that would remediate sidewalks, signalized intersections and un-signalized intersections on Lindsay Street East of 12th Ave to 24th Ave. He expressed, although the budget is still pending he would like to see this committee allocate funds during their September FYE 2024 Meeting to fund the City’s portion of the \$727,209.00 Grant. With the 80/20 matching grant ACOG would provide \$581,767.00 and the City would be responsible for \$ 145,442.00. Jesse also notated that some of the sidewalks would be remediated in the FYE2023 sidewalk program.

Jesse shared the remaining 2018 Transition Plan projects are:

4- RR Intersections

- Boyd Street \$176,000.00 2019 estimates
- Eufaula Street \$170,000.00 2019 estimates
- Main Street \$176,000.00 2019 estimates

- Gray Street \$176,000.00 2019 estimates, this will be taken care of in the Gray Street reconfiguration upgrade.

4- Miscellaneous Signalized

- Boyd and Chautauqua, \$56,000.00 2019 estimates
- Boyd and Berry, \$29,000.00 2019 estimates, NE corner has some issues with right of way.
- Boyd and Flood \$32,000.00 2019 estimates
- Webster and Gray \$37,000.00 2019 estimates, part of the Gray Street. Reconfiguration upgrade.

Sidewalks and curb ramps around the Municipal Complex, Work is still being done at the complex as well as James Garner Phase II and will address some issues at a later date.

Jesse asked the committee to provide some homework for the June 12, 2023 meeting.

We are at a point in the 2018 Transition plan that we need to start looking at priority areas to evaluate and start the remediation in the next few years. But first we need to prioritize these areas. He asked the committee to use this criteria when they are out and about and then present it to the committee at their next meeting. Heather Poole stated if they need to send something in they can contact here (her contact information would be included in the PowerPoint to be sent out to committee members).

Criteria to include:

- Disability Travelers
- Senior Living areas
- Schools/ Arterials
- Regional use/ significance
- Transit routes
- Shopping Centers
- Health Care

Jesse sent the committee a copy of the PowerPoint Presentation after the meeting with additional information of criteria.

Jesse Introduced Steve Guizzio the City of Norman, Engineering Assistant. To present the sidewalk program that he oversees for the City.

Steve shared FYE 2023 projects that were already completed such as the horizontal saw cutting and their location. He identified 1002 Trip hazards fixed and 64 areas that need to be replaced. This was at a cost of \$34,160.00 a savings of \$465,839.25 to the City of Norman by not having to replace the total sidewalk.

He also presented the Flood sidewalk improvements that took place from Dakota Street south to Gray Street and back on both sides of the road. He shared that this included 3,732 feet of sidewalk at a cost of \$204,495.05

Steve also shared an overview of where the sidewalk program began this past year, and where it is now. With a graphic of numbers. With the hopes of completing these projects prior to FYE 2023 ending.

Steve then moved to significant projects that are set to be completed in the coming years that included the

- Downtown Transit Center
- 80 new bus stops
- James Garner Phase II
- Porter Avenue Streetscape
- 12th Ave and High Meadows
- East Alameda Street Bond Project
- Constitution Multi-Modal Path which is currently underway.

Steve concluded his presentation with projects that will be funded for FYE 2024 by the sidewalk programs.

- Sidewalks for schools and arterials \$80,000.00
- Accessibility \$30,000.00
- City Wide 50/50 \$100,000.00
- Downtown Area Sidewalks \$50,000.00
- Sidewalks and Trails \$120,000.00
- Horizontal Saw Cut program \$40,000.00

During the Miscellaneous comments section Jesse advised the Committee that he would be stepping down as the City of Normans ADA Technician effective March 17, 2023. He thanked the committee and expressed his appreciation of working side by side with them these past two and a half years. The committee asked if the City had hired a Diversity and Equity Officer who would also be the ADA Coordinator. Jesse advised he did not know at this time. They also asked if the ADA technician position had been posted, Jesse responded not at this time.

A Motion to Adjourn was made by Tom Burke, seconded by Chris Nanny, and all approve was unanimous.

Meeting was adjourned at 2:07 PM

A quorum was present.

MINUTES

Upon confirmation of a quorum, Miranda turned meeting over to the new Chief Diversity, Equity, and Inclusion Officer Maylon Wesley. This is Maylon first meeting with the ADA Advisory Committee. Maylon introduced himself and shared some personal information about himself.

Maylon proceeded to provide an update on the current ADA Transition projects that were currently underway.

Lions Park: Park is about 10% completed.

Andrews Park: Master Plan to be designed for this park.

Westwood Park: Evaluated in 2018. This is a Master Plan being developed.

12th Ave Recreation Center: Evaluated in 2020 by McIntosh, allocated \$64,850.00 in 2022 for remediation of this facility.

Main Street 24th Ave to Berry Street: Evaluated in 2018. \$224,210.00 allocated for this project. Completed

24th Ave NW Main to Robinson: Evaluated in 2018, this project started in 2022 and completed in July 2023. Cost of project \$324,522.00.

24th Ave SW Main to Lindsay: Evaluated in 2018, allocated \$300,000.00 with Bid at \$252,000.00 project to start next week. Completed in June 2023.

City Engineer Scott Sturtz provided update on ACOG Grant Lindsay Street 12th to 24th informing the committee funding through ACOG Grant awarded and they have given us \$500,000. The project estimate right now could be about \$700,000. Working on bid, so project could begin by January 2024. Assured committee all projects are reviewed for ADA compliance. They will not approve any project that are not ADA compliant.

Nelson Dent and Victor Long asked Scott questions. Scott explained the remediation of the poles on 24th Street and updated Victor on the Porter Street project. The 2019 Transportation Bond Project (Streetscape) goes from Alameda to Robinson. Fixed the sidewalks and making ADA complaint crosswalks and curb ramps. The project is ongoing. A Gray Street project is under development and will start soon. Will add accessible ADA parking.

Maylon continued to update on the 4-Railroad crossings. Committee member asked what the reason for taking so long is. Scott explained it takes funding and the collaboration with the railroad.

Miranda is now leading the discussion on possible sites for FYE24 remediation. Chris Nanny said we should start on the east side. Biloxi would be a good start.

Joseph asked about the cobblestone on Campus Corner. Scott informed him the ADA route is on the pavement and will review campus to make sure compliance is met.

Chris asked about the bridges and crosswalks on I35. Lindsey Street, Main St, and Robinson Street should all be ADA compliant per Scott. Tecumseh is not ADA complaint.

Chris asked about accessibility at Ruby Grant Park and Scott said they will be working to improve the trails at the park. Ruby Grant is a newer park in the City of Norman and was ADA complaint when constructed.

Committee member that stays out by Lake Thunderbird asked city officials not forget about her area of the city when making improvements.

Miranda inform the committee she will be moving to Austin and the committee will need to select a new chair. Wanda made a motion to approved Nelson as chair, it was seconded by Joseph and Victor added his vote. Nelson Dent has been selected new chair.

Taylor Johnson had a miscellaneous comment and updated the committee on the Micro Transit Program. There will be a fleet of about four minivans; two of them are wheelchair accessible. Hours of operation 7:00 PM to 1:00 AM Monday through Saturday and then Sundays from 10:00 AM to 6:00 PM.

Meeting was adjourned.
