REPORTS

2. CONSIDERATION OF APPROVAL, REJECTION, AMENDMENT AND/OR POSTPONEMENT OF FINANCIAL REPORTS

Anthony Francisco gave the report. The combined Sales and Use Tax were about 2% above the fiscal year projections and about 3.5% below the original projections. "The consensus opinion about what our Sales Taxes have to do with the economy is that we don't know. Where we are "flat," we're "flat" at a high level. As this relates to our ability to do things with Norman Forward or with the City as a whole, we're ok," Francisco stated.

Francisco pointed out expenditures related to the Traffic and Road Improvements project. "We have actually spent more than what has been appropriated so far this fiscal year," Francisco said. "That project has an allocation of \$2.7 million but we had only appropriated \$500,000 so far; so, we will have to ask Council to appropriate some more of that allocated money." At this time, it is not anticipated that this project will cost more than \$2.7 million.

Member Price asked if there was on-going discussion with the State of Oklahoma regarding the lease and purchase of Griffin Park. Francisco replied, "At this point we will continue to do the lease. We have made offers to buy Griffin Park and Sutton Wilderness, but we have not gotten a response from the Department of Mental Health about our offer. There are differing opinions about the appraised value. Our appraised value is based on its continued use as a park and wilderness park. Their appraised value is based on fully developed residential properties and that sort of thing. Obviously that's a pretty wide gap on the appraised value. If we can come to an agreement about the appraised value as a park, we are ready to pay them."

Member Rogers pointed out, "It's zoned in the master plan as a park, so the City kind of holds the key there."

Member Simpson asked, "Their evaluation is contingent on us changing the zoning, right?" Member Rogers, Member, Price, Anthony Francisco and others responded, "Right." Member Price continued, "And we don't have to change the zoning."

Member Sherrer advised the Board that he believed that the Griffin land lease payments should come from the City's General fund rather than the Norman Forward Fund to "not erode Norman Forward funds" and wondered if the Board should make this recommendation to Council. Francisco said, "Remember there was originally \$10 million in Norman Forward to buy the land. We were unable to negotiate the purchase; so, we have this lease agreement and that's what we've been paying on. The difference between the \$2.4 million for lease payments and the \$10 million originally, that \$7.6 million went into this (Adult Wellness and Education Center) facility."

Francisco confirmed that the Griffin land lease payments and the cost of any improvements to Griffin Park or Sutton Wilderness will be deducted from the purchase price of these properties. According to Francisco, this agreement is written into the City of Norman's contract with the State of Oklahoma. Member Sheerer stated, "That's good to know. That makes me feel a little better."

Francisco stated, "This Board has already made a recommendation to Council that where there are over-runs in projects, they'd be made up from the General Fund or Capital Fund. You've already made that recommendation."

There was not a recommendation for Council to appropriate the Griffin land lease payments out of the General Fund rather than the Norman Forward Fund at this time. The Committee would like to have further discussion over this topic at their next meeting.

Member Brockus made a motion to approve the Financial Reports, which was duly seconded by Member Sherrer. The motion passed unanimously.

3. CONSIDERATION OF APPROVAL, REJECTION, AMENDMENT AND/OR POSTPONEMENT OF PREVIOUSLY APPROVED COUNCIL ACTIONS

Member Sherrer made a motion to approve the previously approved Council actions, which was duly seconded by Member Price. The motion passed unanimously.

4. AD HOC COMMITTEE LIAISON REPORTS

Member Brockus stated that she was at the Ad Hoc Committee meeting for the Young Family Athletic Center. "The Committee met and I don't recall any huge controversy. I know there is a ribbon cutting for Trae Young Boulevard Sunday." The grand opening for the facility could possibly be on February 19.

The Ad Hoc Committee for the Adult Wellness and Education Center had their last meeting. The Ribbon Cutting ceremony for the Adult Wellness and Education Center will be Monday, November 13 at 11:00 AM.

5. PROJECT MANAGER REPORTS

Jason Olsen gave the report. He stated that the Trae Young Drive street dedication will occur Sunday, November 5th at 3:00 PM with a 30 minute open-house to follow.

The Young Family Athletic Center is progressing. Construction of the facility has taken longer than expected so the facility is now projected to open in January 2024.

The City is in the process of building a new neighborhood park in the Sonoma and Prairie Creek neighborhoods in southeast Norman. The park is expected to be completed in early 2024. The City is currently taking bids for other playground systems that will be installed across the city.

A) THE PROMOTION OF NORMAN FORWARD PROJECTS -VISIT NORMAN'S DAN SCHEMM & TRENT BROWN

With the passing of the May 9th increase of the Norman hotel/motel guest tax, City of Norman's tourism and promotion ability was impacted in that the Norman Sports Commission was formed.

Dan Schemm, President and CEO of Visit Norman and President of the Norman Sports Commission, updated the Board on Visit Norman's efforts to promote sporting activities within Norman. Schemm stated that Visit Norman will work with Norman sport facility venue operators to learn what dates are available for club or tournament activities to be hosted at their facilities. Their goal is to bring outside revenues to Norman through attracting various sporting events to Norman.

Visit Norman's budget is up for approval by Norman City Council each year.

24. CONSIDERATION OF APPROVAL, ACCEPTANCE, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF CONTRACT K-2324-74: AN AGREEMENT BETWEEN THE CITY OF NORMAN AND THE CENTER FOR CHILDREN AND FAMILIES TO OPERATE AND PROVIDE BOYS AND GIRLS CLUB PROGRAMMING AT THE REAVES PARK CENTER.

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 11/14/23

REQUESTER: Veronica Tracy, Recreation Manager

PRESENTER: Jason Olsen, Director of Parks and Recreation

ITEM TITLE:CONSIDERATIONOFAPPROVAL,ACCEPTANCE,REJECTION,AMENDMENT, AND/OR POSTPONEMENT OF CONTRACTK-2324-74:AN AGREEMENT BETWEEN THE CITY OF NORMAN AND THE CENTERFOR CHILDREN AND FAMILIES TO OPERATE AND PROVIDE BOYSAND GIRLS CLUB PROGRAMMING AT THE REAVES PARK CENTER.

BACKGROUND: In July 2023, the Parks and Recreation Department released Request for Proposal #2324-8 to solicit proposals for community programming within the Reaves Park Center located at 121 East Constitution Street. The Reaves Park Center most recently served as a construction office for the construction company working on the Reaves Park Norman Forward Renovation. When the construction company vacated the facility in Spring of 2023, the Parks and Recreation Department desired to solicit an operator to activate the area and bridge programming gaps in the Norman community.

DISCUSSION: The City received one proposal for operations at the Reaves Park Center from the Center for Children and Families, Inc. (CCFI). CCFI has served families in Norman since 1969 and currently operates youth programming at numerous locations in Norman.

CCFI's proposal included operations of a Boys and Girls Club site for teens at the Reaves Park Center. Within the Reaves Park Center, CCFI intends to create a teaching kitchen, while also providing high school students with recreational and quiet spaces that will allow them to have a separate space from school age children to have a meal, complete their homework, and socialize with friends.

The City Attorney's Office has worked with the Parks and Recreation Department as well as CCFI to draft a contract with an initial term of one year. Per the contract, the term may be automatically renewed up to four additional years. CCFI will pay for electricity for the facility, except during April and July due to the City's use of the area. The City will pay for water usage. Any alterations to the facility desired by CCFI will be funded by CCFI after approval by the City.

RECOMMENDATION: Staff recommends approval of Contract K-2324-74, an agreement between The City of Norman and The Center for Children and Families to operate and provide Boys and Girls Club programming at the Reaves Park Center.

AGREEMENT

CITY OF NORMAN, OK STAFF REPORT

REQUESTER: Jason Olsen, Director of Parks & Recreation

PRESENTER: Elisabeth Muckala, Assistant City Attorney

ITEM TITLE: CONSIDERATION OF ADOPTION, REJECTION, AMENDMENT AND/OR <u>POSTPONEMENT OF RESOLUTION R-2324-80</u>: A RESOLUTION OF THE COUNCIL OF THE CITY OF NORMAN, OKLAHOMA, AND THE NORMAN MUNICIPAL AUTHORITY TRANSFERRING \$37,609.76 FROM THE REIMBURSEMENTS-REFUNDS-MISCELLANEOUS GENERAL ACCOUNT TO BE USED FOR THE SENIOR WELLNESS CENTER PROJECT.

BACKGROUND:

In October 2015, Norman citizens passed the NORMAN FORWARD initiative, funding various quality-of-life projects through a one-half percent (½%) sales tax increase over fifteen (15) years. The NORMAN FORWARD initiative included authorization for a project to construct a new Senior Citizen's Recreation Center. After ongoing community input, the project's scope was expanded into a Senior Wellness Center, later named the Adult Wellness and Education Center (AWE).

The AWE will be located on City-owned land on the southeast corner of Norman Regional Health System's (NRHS) Porter Wellness Village, off North Findlay Avenue. The new AWE will include an indoor, heated saltwater pool with lap swimming, water walking, and hydrotherapy seating; an indoor walking track and training space; a fitness classroom area; lounge and game rooms; both wet and dry craft areas; a small prep and demonstration kitchen; and multipurpose rooms that can be used for eating, events, classes, theatrical plays, games, and much more.

The property on which the AWE project is located is directly adjacent, to the east, of property owned by the Norman Regional Hospital Authority d/b/a Norman Regional Health System (NRHS) and subject to a long-term lease by NRHS to NEP Norman, LP ("NEP Parcel"). As a long-term ground lessee, NEP has constructed a structure on the NEP Parcel and coordinated with the City of Norman regarding construction of a fire circulation drive for the joint use and benefit of the City Parcel and NEP Parcel.

On October 10, 2023, the City Council approved Contract K-2324-84 Compensation Agreement with NEP Norman, LP for AWE Center Fire Circulation Drive Construction. The Agreement provided that NEP is responsible to pay fifty percent (50%) of the construction cost associated with the portion of the Fire Circulation Drive that sits on the City Parcel. NEP's share of the

construction cost under the Agreement was \$37,609.76. The City deposited these funds in the General Fund revenue account Reimbursements-Refunds-Miscellaneous General (Account 109-365251). An appropriation is needed to move the funds into the AWE project budget.

RECOMMENDATION:

City Staff recommends approval of R-2324-80 to transfer the funds of \$37,609.76 from revenue account Reimbursements-Refunds-Miscellaneous General (Account 109-365251) to the Norman Forward Fund, Senior Wellness Center Project, Construction account (51793365-46101; Project NFP111) for use in the AWE project budget.

12. CONSIDERATION OF APPROVAL, ACCEPTANCE, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF CONTRACT K-2324-72: BY AND BETWEEN THE CITY OF NORMAN AND ESKIMO SNO INC., D/B/A BEANSTALK COFFEE AND SNO, FOR BEANSTALK COFFEE AND SNO TO BE THE CONCESSIONAIRE PARTNER AND OPERATOR OF THE CONCESSION SPACE INSIDE THE YOUNG FAMILY ATHLETIC CENTER, 2201 TRAE YOUNG DRIVE, NORMAN, OKLAHOMA.

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 12/12/2023

REQUESTER: Jason Olsen, Director of Parks and Recreation

PRESENTER: AshLynn Wilkerson, Assistant City Attorney

ITEM TITLE: CONSIDERATION OF APPROVAL, ACCEPTANCE, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF CONTRACT K-2324-72: BY AND BETWEEN THE CITY OF NORMAN AND ESKIMO SNO INC., D/B/A BEANSTALK COFFEE AND SNO, FOR BEANSTALK COFFEE AND SNO TO BE THE CONCESSIONAIRE PARTNER AND OPERATOR OF THE CONCESSION SPACE INSIDE THE YOUNG FAMILY ATHLETIC CENTER, 2201 TRAE YOUNG DRIVE, NORMAN, OKLAHOMA.

BACKGROUND:

In October 2015, Norman voters approved the \$150 million, 15-year Norman Forward Sales Tax initiative. The Norman Forward Initiative outlined various citywide projects to improve the quality of life for the citizens of Norman. This initiative included projects to construct a new Multi-Sport Complex and Indoor Aquatic Facility.

The Multi-Sport Complex and Indoor Aquatic Facility were initially proposed as separate projects. After extensive public input and consideration by the City Council, acting as Trustees of the Norman Municipal Authority (NMA), these projects were combined in 2018 into one more extensive project, to be located at the southeast corner of 24th Avenue NW and Rock Creek Road in the University North Park development. This new sports and aquatic complex will include eight full-sized basketball or 12 volleyball courts; a 25-meter, eight-lane lap pool; a 25-yard, four-lane warm-up pool; concession stands; retail space; administration offices; and, through a partnership with Norman Regional Health System (NRHS), a health and wellness clinic to be placed between the multi-sports and aquatic complexes.

The building and the project were named the Young Family Athletic Center ("YFAC") in July of 2021 (K-2122-27) after the Trae Young Family Foundation (TYFF) agreed to donate \$4,000,000 to the construction of the building. NRHS has committed a minimum of \$6.7 million, through a contract approved by the City Council in June of 2023 (K-2122-99), towards constructing a human sports and performance clinic inside the YFAC called "N-Motion."

DISCUSSION:

On June 12, 2023, The Parks and Recreation Department solicited proposals (RFP-2324-10) for a local organization to be a Concessionaire Partner at the YFAC. This Concessionaire

Partner will operate and manage the concession space inside the YFAC and remit a monthly lease payment and some profit sharing in exchange for such operation. Beanstalk Coffee and Sno was the only entity to submit a proposal before RFP-2324-10 closed on July 21, 2023. The proposal selection panel interviewed Beanstalk and decided to move forward with negotiations for Beanstalk to be the Concessionaire Partner at the YFAC.

The agenda item is the recommended approval of a concession agreement with Beanstalk to operate and manage the concession space inside the YFAC. The contract is to begin on January 1, 2024, and extend for a one year term, to automatically renew annually for a maximum contract term of five years. Beanstalk will operate the concession space and act as one provider of catering services for events held at the YFAC. Beanstalk's hours of operation are designed around the NRHS clinic hours and the event calendar at the YFAC to maximize profits of the concession space. The City is to receive \$35 per square foot as a lease payment, with the annual lease total to be \$40,250, in addition to 2% of its gross receipts from the operation of the Concession Space and any Catering Event or other special event held at the YFAC, both of which are to be remitted to the City on a monthly basis. The City also retains all "pour rights" at the YFAC and thereby is the sole entity to collect revenues from such rights, for example, deals with Coca-Cola and Body Armor.

RECOMMENDATION:

Staff recommends the approval of Contract K-2324-72 between the City of Norman and Eskimo Sno Inc. d/b/a, Beanstalk Coffee and Sno, for Beanstalk to be the Concessionaire Partner and operator of the concession space inside the YFAC.

YFAC CONCESSION AGREEMENT

This Agreement is a contract, made and entered into this $\underline{\&}$ day of $\underline{\bigcirc}$ day of $\underline{\bigcirc}$, 2023, by and between the City of Norman, a municipal corporation, hereinafter called the "City," and the Concessionaire Partner, Eskimo Sno Inc., dba Beanstalk Coffee and Sno, a for profit corporation, hereinafter called "Beanstalk."

WITNESSETH:

WHEREAS, the City is the owner of property in Cleveland County, Oklahoma, known as The Young Family Athletic Center (YFAC), for the purpose of enriching the quality of life and health through competition and recreational leisure in a safe, fun, and family environment, and

WHEREAS, the City issued a Request for Proposal (RFP No. 2324-10) to solicit an operator to provide food and beverage services at the café located inside the YFAC, and

WHEREAS, Beanstalk responded to the City's RFP with a proposal that satisfied the qualifications of the RFP, and

WHEREAS, the City has chosen Beanstalk to be the Concessionaire Partner at the YFAC and now desires to enter into this Concession Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the parties hereto agree as follows:

1. CONCESSION OPERATIONS:

- A) The City grants to Beanstalk the right, privilege and obligation to occupy, equip, and maintain a café located in the YFAC, with a total square footage of 1,150 sq.ft., as depicted on the floor plan attached as Exhibit A (the "Concession Space"). Notwithstanding, the City shall retain all pouring rights at the YFAC and will be the sole entity to collect all contract revenues from the exercise of such rights. Beanstalk shall be entitled to collect any rebate amounts from the City's pouring rights. "Pouring rights" shall be defined as the right to make available, sell, dispense and serve food and beverage products during events held at the YFAC, which may or may not be to the exclusion of other food and beverage vendors at the YFAC. The City shall be responsible for furnishing the public lounge area, but Beanstalk shall be responsible for furnishing and equipping the Concession Space with needed equipment and materials for its operations in the Concession Space, with all improvements to the Concession Space to be approved by the City. Beanstalk accepts the Concession Space in "as is" condition and containing whatever appurtenances that may be contained therein or thereon. The City makes no warranty of any kind of fitness for intended use of said facility or appurtenances.
- B) Beanstalk's standard hours of operation shall reflect and comply with the operating hours of the YFAC and any special events held at the YFAC. Beanstalk must also

operate the Concession Space during the hours the Norman Regional Health System (NRHS) Clinic is in operation (8am to 5pm daily). The City shall post Beanstalk's standard hours of operation in a public location. Beanstalk must submit changes to its hours of operation to the Director of Parks and Recreation, such changes only to come into effect with approval of the Director. Beanstalk may operate the Concession Space outside its standard hours of operation for any special events or Catering Events that have been approved by the City.

- C) Beanstalk's Responsibilities for Operation:
 - i. Beanstalk shall have full and complete control over the operation of the Concession Space, subject only to the obligations of this Agreement and applicable law.

The prices charged by Beanstalk for the Concession Space and Catering Events shall at all times be reasonable and subject to approval of the City.
 - iii. Beanstalk may bring in food trucks for special events or Catering Events only with the approval of the City.
 - iv. Beanstalk may serve alcohol for special events or Catering Events only with the approval of the City.
 - v. Beanstalk shall be responsible for securing the premises of the Concession Space during operating hours.
 - vi.  - viii. Beanstalk shall be responsible for sending an authorized representative to monthly YFAC operators' meetings held by the City.
- D) The City's Responsibilities for Operation:

- v. The City shall provide building access cards to Beanstalk for its employees' entry into the YFAC, with Beanstalk to be responsible for any costs associated with lost and/or replacement access cards.
- E) Beanstalk agrees that its operation of the Concession Space shall at all times comply with: 1) the YFAC Facilities Policy Manual, and any revisions that may be made by the City from time to time, attached hereto as Exhibit B and incorporated herein; 2) all applicable federal, state, and local laws and regulations governing food service establishments and any associated licenses and permits necessary for the operation of a food service establishment; 3) the highest practicable standards of sanitation, complying with all laws of the State of Oklahoma, with all rules and regulations of the State Board of Public Health; and 4) regulations promulgated by ABLE for any events where alcohol is served.
- 2. In the event of rejection or a failure to accept within the ten (10) days, the party requesting catering is free to utilize another catering service for its event. Beanstalk agrees that the City is exempt from this right of first refusal as well as using Beanstalk as a catering provider for City events.
 - A) For Catering Events provided to third-parties, the City shall provide a monthly calendar of events to be held at the YFAC, providing prompt notice of any subsequent change of events for the month, if applicable, for Beanstalk to coordinate Catering Events with third-parties. Beanstalk shall have the sole responsibility for communicating and organizing any Catering Events with third-parties.
- 3. **TERM:** The term of this Agreement shall commence on January 1st, 2024 and continue until December 31st, 2024. - 4. The lease payments for the first term of this Agreement shall being on March 1, 2024, all subsequent renewal terms shall being on January 1 of each renewal year. Beanstalk understands and agrees that such lease payment is subject to change upon each annual contract renewal to reflect the amount determined to be the then current rate for leasing commercial space in the University North Park area of Norman, Oklahoma. Beanstalk also agrees to remit to the City 2% of its gross receipts from the operation of the Concession Space and any Catering Event or other special event held at the YFAC. The 2% gross receipts payments for the first term of this Agreement shall begin on January 1 of

each renewal year. Both payments are to be remitted to the City on a monthly basis and are to be supported by documentation showing all gross receipts received by Beanstalk from its operations at the YFAC for the corresponding month, with Beanstalk's Square report to suffice as a proper method of documentation.

- 5. **UTILITIES:** The City shall furnish all heat and cooling for the Concession Space and all water, electricity and gas necessary in the operation of the Concession Space. Public Wi-Fi will be available at the YFAC.
- 6. SIGNAGE AND MARKETING: The City shall provide appropriate indoor facility space for identifying and marketing signage provided by Beanstalk, such as signage space on the windows of the YFAC and/or digital signage, with such signage being subject to the approval of the City. 15. CONSIDERATION OF APPROVAL, ACCEPTANCE, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF CONTRACT K-2324-102; A CONTRACT BY AND BETWEEN THE CITY OF NORMAN, OKLAHOMA, AND SOURCE ONE FACILITY MAINTENANCE IN THE AMOUNT OF \$43,046 TO PROVIDE CUSTODIAL SERVICES FOR THE ADULT WELLNESS CENTER AND BUDGET APPROPRIATION FROM THE GENERAL FUND BALANCE AS OUTLINED IN THE STAFF REPORT.

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 12/12/2023

REQUESTER: Lance Harper, Facilities and Construction Manager

PRESENTER: Jason Olsen, Director of Parks and Recreation

ITEM TITLE: CONSIDERATION OF APPROVAL, ACCEPTANCE, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF CONTRACT K-2324-102; A CONTRACT BY AND BETWEEN THE CITY OF NORMAN, OKLAHOMA, AND SOURCE ONE FACILITY MAINTENANCE IN THE AMOUNT OF \$43,046 TO PROVIDE CUSTODIAL SERVICES FOR THE ADULT WELLNESS CENTER AND BUDGET APPROPRIATION FROM THE GENERAL FUND BALANCE AS OUTLINED IN THE STAFF REPORT.

BACKGROUND:

The Facility Maintenance division's janitorial staff consists of two full-time employees who are assigned daily duties with supply chain deliveries, cleaning inspections, and daily cleaning of needed areas on the main campus. As we no longer employ staff members to perform custodial cleaning, the facilities maintenance division has entered into month-to-month cleaning agreements with a custodial contractor to perform cleaning services at the City's main complex buildings A, B, and C.

In Spring 2022, a contract was signed to build the new Adult Wellness and Education Center (AWE) at 602 North Findlay Avenue. The AWE opened to the public in November of 2023. The Wellness Center is a 50,000-square-foot building with a spacious gym, indoor exercise pool, craft and art rooms, exercise classrooms, meeting rooms, and physical therapy rooms.

DISCUSSION:

Four proposals to provide custodial services for the AWE were received in the Parks and Recreation office through RFP- 2324-28 on November 1, 2023, from Source One, Capitol Cleaning, Central Janitorial, and Reliance Cleaning.

Proposals were reviewed and evaluated by Facility Maintenance staff based on experience providing similar services, references, cost, and overall ability to deliver specified services. After assessing each proposal, staff recommended the proposal submitted by Source One Facilities Maintenance. Source One is a full-service commercial janitorial cleaning company located in Tulsa with an office in the Oklahoma City metro. Source One is currently cleaning a MAPS 3 Wellness Center in Oklahoma City, First Oklahoma Bank in Tulsa, and Mid-Del Tech Center in Midwest City. References were checked, and positive reviews were provided for Source One's

work. The proposal submitted by Source One includes a base fee of \$3,588 per month plus peroccurrence fees for deep cleaning of floors and windows. The FYE 2024 budget does not include funding for this facility's services. Staff will request a recurring budget increase to cover the total contract amount during the FYE 25 budget process.

RECOMMENDATION 1:

Staff recommends appropriating \$43,056 from the General Fund Balance (account 10-29000) to the Facility Administration Miscellaneous Services-Other account (10770430-44799).

RECOMMENDATION 2:

Staff recommends approval of Contract K-2324-102 in the amount of \$43,056 with Source One Facility Maintenance to provide custodial services for the Adult Wellness Center.

Microbiological Testing Additional Information.

Technology has been developed that will enable managers to measure the effectiveness of cleaning programs. APPA's custodial guidelines and levels of appearance were a quantum leap in an industry that up through the late 1980s demonstrated little interest in any form of industrial quality measurement in the field of custodial operations, especially as it related to appearance levels or levels of cleanliness. As we move to the future, new measurement technologies are available, such as the adenosine triphosphate (ATP) meter (see Figure 5). This meter identifies ATP on a surface. According to Robert W. Powitz, Ph.D, MPH, "ATP is the primary energy transfer molecule present in all living biological cells on earth-its measurement is a direct indication of biological activity. Simply stated: no biological contamination, no microbial growth." The advantage of the ATP meter over the traditional method of colony counts is that it provides data in real time (i.e., seconds instead of days) and at a low cost. This provides for immediate feedback and allows for quick corrective action as needed. Other measurement instruments are currently being used, such as handheld air-monitoring equipment, water quality monitoring meters, ultraviolet-revealing technology, and volatile organic compound measuring units.

manager will need to implement a systems approach to cleaning that uses best practices to clean facilities, and to measure the effectiveness of the cleaning program using a technologically sophisticated version of the old inspection process—the new process will measure the presence or absence of the unseen dirt. Such an approach uses scientific instrumentation to measure the effectiveness of the cleaning processes and requires the use of best practices, chemicals, and equipment to produce the final result: hygienically clean facilities, using processes and practices that address the philosophy of "cleaning for health."

CITY OF NORMAN, OK STAFF REPORT

MEETING DATE: 12/12/2023

REQUESTER: AshLynn Wilkerson, Assistant City Attorney I

PRESENTER: Kathryn Walker, City Attorney

ITEM TITLE: CONSIDERATION OF APPROVAL, ACCEPTANCE, REJECTION, AMENDMENT, AND/OR POSTPONEMENT OF CONTRACT K-2324-108: BY AND BETWEEN THE CITY OF NORMAN AND PAUL BAGLEY D/B/A DESIGN SILO LLC, IN THE AMOUNT OF \$175,000 FOR PUBLIC ART TO BE PLACED IN THE ROUNDABOUT AT JAMES GARNER AVENUE AND FLOOD AVENUE, NORMAN, OKLAHOMA.

BACKGROUND:

On October 13, 2015, Norman Voters approved the \$150 million, 15-year, Norman Forward Sales Tax initiative. The program outlined various citywide projects to improve the quality of life for the residents of and visitors to Norman. One of these projects is the James Garner Avenue – Acres Street to Flood Avenue project. This project was to be allotted a budget from Norman Forward funds of \$6,000,000.

On November 8, 2016, the Norman City Council approved programming Resolution R-1617-49 requesting federal funds to extend James Garner Avenue from Acres Street to Flood Avenue. This Resolution states the City's commitment to adhere to the terms and conditions of a federally funded project. Through the Association of Central Oklahoma Governments (ACOG), the Oklahoma Department of Transportation (ODOT) agrees to provide 80% of the cost of construction with a 20% matching share from the City of Norman. In order to receive the federal funding, the City of Norman is required to enter into an agreement with ODOT to complete the design, acquire all rights-of-way and relocate existing utilities/encroachments at City's cost.

This Norman Forward street improvement project will create a new entry into downtown and will help alleviate traffic on both Flood Avenue and Porter Avenue. The scope of this project includes:

- Construction of a new two-lane extension of James Garner Avenue from Acres Street to Flood Avenue;
- New roadway bridge over Robinson Street;
- New two-lane modern roundabout intersection at Flood Avenue;
- Landscaping and Low Impact Development measures in roadway medians;
- Reconstruction and extension of a portion of the Legacy Trail to accommodate the new roadway;

- New lighting along the street and Legacy Trail;
- Reconstruction of local residential streets as necessary.

In March of 2017, the Norman City Council approved a design contract (K-1617-105) with Cabbiness Engineering, in the amount of \$427,000, for the James Garner Avenue project from Acres Street to Flood Avenue, and Cabbiness began preliminary design for the project.

On August 27, 2019, the Norman City Council approved Contract Amendment One for contract K-1617-105, between the City of Norman and Cabbiness Engineering, in the amount of \$2,275, for the design of the James Garner Avenue project from Acres Street to Flood Avenue.

On March 23, 2021, the Norman City Council approved Contract Amendment Two for contract K-1617-105, between the City of Norman and Garver, LLC (as successor to Cabbiness Engineering), in the amount of \$5,675, for the design of the James Garner Avenue project from Acres Street to Flood Avenue.

On January 26, 2022, the City of Norman purchased property north of Robinson Street from the Judith E. Drabek Foundation Trust, in the amount of \$81,936, for the construction of the James Garner Avenue Phase II-Acres Street to Flood Avenue Norman Forward Project.

On February 28, 2022, the City of Norman obtained property north of Robinson Street, from the University of Oklahoma, for the construction of the James Garner Avenue Phase II-Acres Street to Flood Avenue Norman Forward Project.

On April 12, 2022, the Norman City Council approved Contract Amendment Three for contract K-1617-105, between the City of Norman and Garver, LLC, in the amount of \$34,400, for the design of the James Garner Avenue Project from Acres Street to Flood Avenue.

On May 24, 2022, the Norman City Council accepted easement E-2122-65, establishing a roadway, sidewalk, and utility easement across the lands purchased for construction of the James Garner Phase II-Acres Street to Flood Avenue Norman Forward project.

On June 14, 2022, the City of Norman entered into a funding agreement with ODOT (Contract K-2122-135 & Resolution R-2122-129) for the James Garner Avenue-Acres Street to Flood Avenue Norman Forward project. The agreement split the project construction costs between City of Norman funds and federal funds administered by ODOT. The federal share was capped at \$4,825,733, leaving the City to pay \$1,664,597 based on the engineer's estimate at the time of the agreement.

On August 17, 2022, the City was invoiced by ODOT for its portion of the construction cost based on new estimates. The City's portion of construction at that time was estimated to be \$1,662,153. The City paid that amount, as invoiced, to ODOT per the project funding agreement from the Norman Forward project account.

On October 20, 2022, ODOT opened bids for the James Garner Avenue-Acres Street to Flood Avenue Norman Forward project. There were three bids. The low bid was from Redlands Contracting, LLC for a total of \$7,820,546.33. This low bid was approximately 15% over the final engineer's estimate.

On November 22, 2022 City Council approved an appropriation of funds in the amount of \$2,281,034 from the Norman Forward Fund balance (accrued primarily from savings on the Norman Public Library, Central project) to cover the funds necessary to cover the additional construction costs.

DISCUSSION:

On February 8, 2022 the Norman City Council, directed the Norman Public Works Department, in conjunction with Norman Arts Council, to use project funds from the Norman Forward Public Art project, for the purpose of designing, constructing and installing a public art piece for the center of the new roundabout currently under construction at the intersection of James Garner Avenue and Flood Avenue. The cost of the public art piece was estimated at \$200,000.

In August of 2022, a selection committee was appointed by the Norman Arts Council (NAC) to review artist submissions and select the art piece for the roundabout. On April 19, 2023 the committee met to establish criteria for selection and prepare the Request for Qualifications (RFQ) for the art project. In May of 2023, the RFQ was sent out to request submissions from artists nationwide. The NAC received 116 responses to the RFQ.

The selection committee then evaluated the submissions and decided upon three finalists. These three finalists were brought to Norman to review the site and ask questions of the committee regarding any requirements for the art installation. On September 28, 2023, the three finalists gave presentations of their concepts for the art piece and the committee made the final selection and recommendation to the Norman Arts Council and City Council. The selected art installation was unanimously recommended for approval by the NAC Board of Directors.

The selected artist is Paul Bagley of Oklahoma City. This agenda item is for the proposed approval of the contract with Mr. Bagley for the production and installation of the public art piece selected. The contract price for the artwork is \$175,000. The project is to be completed by April 30, 2024, for installation by June 30, 2024.

Funding for this contract is available in Norman Forward Public Arts, Construction (Account 51795500-46101; Project NFP100).

RECOMMENDATION:

Staff recommends the approval of Contract K-2324-108 between the City of Norman and Paul Bagley, doing business as Design Silo LLC in the amount of \$175,000, for a work of art to be placed in the roundabout at James Garner Avenue and Flood Avenue.

PATH CONTINUED FROM A1

Road to 24th Avenue NW.

"Trails are always the top – or almost the top – request when we ask about recreation needs in the community," Briggs said. "We have wanted to add this airport loop for years to give people a safe route along the busy Flood Avenue that could connect shopping and dining along 24th Avenue and residential areas along Robinson and east of Flood."

He said the two-mile new construction will prompt an increase in recreational activity along Flood Avenue, including biking, jogging and walkers of all skill levels, especially since it will meet up with the YMCA.

"Inside the ring of this path, you've got the Young Family Athletic Center and the YMCA. There's a lot of reasons why people want to congregate in this area of Norman, and this gives them additional options to be able to get to those facilities who don't have automobiles," Riesland said.

The University of Oklahoma released a statement to The Transcript on the easement that said: "With increasing traffic at Max Westheimer Airport, the new path will allow for other ways to enter the airport if needed and is not connected to any other projects with the City of Norman. The university is happy to partner with the City of Norman on projects that enhance the city and allow for alternate modes of transportation."

The university did not offer resources to the project, other than the easement.

The project is funded by the Norman Forward initiative, passed by voters in 2019. Riesland said he started planning the path in 2017, and that it has nothing to do with a proposed \$1 billion entertainment district with a new OU basketball and gymnastics arena.

"This is something that was vetted through the Parks [and Recreation] master plan. That's where people identified a need for multimodal transportation facilities," Reisland said.

Stephen T. Holman, Ward 7 councilor, chairs the council on the city's Transportation Committee, and said he has supported the multimodal path for years.

"I voted to fund this for connectivity reasons, including connecting the airport and the YMCA," he said. "Increasing connectivity around the city and allowing our residents to have multiple options for getting around is definitely something I am excited about and plan to keep pushing for as a matter of policy in the city of Norman."

Reisland said he estimates the project will be completed by the early months of 2025.
