CITY OF NOVI
Beautification Commission
Wednesday, February 18, 2026 6:30 pm
Manager's Conference Room
Novi Civic Center | 45175 Ten Mile Road

Call to Order – 6:31 pm

Roll Call – Gareth Crawford, Yogesh Kumar, Nicole Rumao, Dinesh Seksaria, Tracy Wick, Mary Angela Winter, Torry Yu

Present – Gareth Crawford, Yogesh Kumar, Dinesh Seksaria, Tracy Wick, Mary Angela Winter, Torry Yu

Absent – Nicole Rumao

Approval of Agenda:

Motion: Crawford; Seconded: Winter; Approved: 6:0

Approval of Minutes – January 21, 2026

Motion: Yu; Seconded: Crawford; Approved: 6:0

Purpose of the Meeting

1. Review 2026 Project Plan

The Commission reviewed the current project plan and affirmed it in its current format. Commissioner Wick suggested that the Commission use Canva to craft social media posts and said she would draft and send some examples following the meeting.

2. Signage Options for Native Plants/Pollinator Spaces Update

The Commission looked at some different ideas and examples for Community Pollinator/Native Plant/Pesticide free awareness signs. The Ann Arbor “Pollinator Aware Yard Care” yard sign and program sign up, alongside a similar natural landscape registration in Ferndale were noted as standouts that Novi could emulate. The Commission suggested that Staff Liaison Oppermann engage the Community Relations department to assist in designing a similar sign template.

3. Community Impact Day (Wednesday, May 13, 1pm – 4pm)

Staff Liaison Oppermann shared that the Novi Chamber of Commerce was planning a Community Impact Day this coming May and that organizations like the City and its Boards/Commissions would have the opportunity to propose a project that would then be promoted through the Chamber for potential volunteers. The deadline for projects to be submitted is March 31st, 2026 per the Chamber's event listing. The Parks and Recreation Department already plans to submit a park clean-up event for Villa Barr and suggested that the Pollinator Gardens at Fuerst Park, originally installed by the Beautification Commission, could use some care and weeding. It was also suggested that we could consider also using the day to add new plantings. The Commissioners agreed that this would be a good project to submit. Commissioner Wick said that it would be helpful for the existing garden plan to be shared, if available, and that she had some concern that it could be too early to add more plantings on May 13th (this is very dependent on the weather patterns leading to the date). She suggested focusing on cleanup, weeding, and potentially edging as a better focus alongside any other upkeep activities that might be needed in the park. Commissioner Kumar suggested that if it was not yet a good time to add new plantings, or if cleaning and weeding alone would fill the time, the Commission might have their own follow-up volunteer event for planting at a later date. Staff Liaison Oppermann thanked the Commissioners for their input and said she would draft the project proposal for them to review at their next meeting, ahead of submitting it.

4. Arbor Day (Saturday, April 25, 9am - 12pm)

Chairperson Crawford and Commissioner Kumar both stated their intent to be present for the Arbor Day Celebration for a Beautification Commission table, Commissioner Yu will also be present but will primarily be helping to run the event from the PRCS department perspective. Other Commissioners plan to confirm if they will be available for the event at a later date. The commissioners agreed that a similar table setup as the previous year would work well and suggested that, if we are able to have pollinator signs designed and ordered ahead of time it would be great to have those at the table as well. It was also suggested that the option for having a sponsoring business for such signs could be looked into.

Roundtable Discussion

1. City of Novi Beautification Awards

The idea of the City of Novi establishing their own Beautification Awards was briefly discussed, Commissioner Winter noted a few examples in nearby

Communities and that a similar program in Novi would be a worthwhile endeavor.

2. City of Romulus Business Grant

Commissioner Seksaria spoke about a business grant program present in the City of Romulus that assists businesses façade/plantings/etc. He thinks that Novi could consider having a similar grant but that a budget would need to be established for it. He plans to gather more information to share with the Commission at a future meeting.

Public Comment – City of Northville Student Moritz Wildemann introduced himself and spoke briefly about his student-led group Northville4Bees. He was interested to learn more about the Bee City USA designation and what the City of Novi was doing since it became an affiliate.

Adjournment – 7:12 pm

Motion: Winter; Seconded: Wick; Approved: 6:0

Neighborhood Entryway Enhancement Matching Grant Program - 2026

0 = project does not meet this criterion

1 = project partially meets the criterion

2 = project fully meets the criterion

Criteria	Subdivision					
	Beckenham	Bradford of Novi	Carlton Forest	Churchill Crossing	Liberty Park	Willowbrook Farms
1. Subdivision is more than 10 years old						
2. Improves safety						
3. Reduces environmental impact						
4. Improvement from the existing conditions						
5. Positive impact along visible areas of the city						
6. Permanent physical improvement and is not on-going or routine maintenance						
7. Proposed costs appear reasonable						
8. Use of sustainable materials						
Total Points						

2026 Entryway Grant Program Applicants									Staff Recommendation (Ranked, 1 = best)
Subdivision	Proposal	Total Project Cost	Requested Grant Contribution	Previously Awarded Grant?	Age of Subdivision	Engineering Permit Needed?	Sign Permit Needed?	Notes/Concerns	
Beckenham	Addition/replacement of trees and shrubs. Removal of multiple dead/storm damaged trees.	\$10,900	\$5,000	Yes, 2022 (for signs)	28 years	yes	No	Photos and site visit don't demonstrate a need for the replacements, appears to be more a maintenance project	6
Bradford of Novi	New Plantings on island	\$10,443.00	\$5,000.00	no	35 years	yes	No	1 of 5 species proposed are native to Michigan (serviceberry)	3
Carlton Forest	New plantings Removal of invasives (burning bush, buckthorn)	\$9,639.09	\$4,819.54	no	27 years	potentially (needs aerial plan to determine)	No	2 of 5 species proposed are native to Michigan	2
Churchill Crossing	New Plantings Removal of old shrubs	\$8,875.00	\$4,437.50	no	21 years	yes	No	Yews being replaced don't look to be in poor condition. No natives are used – one hybrid of native x non-native (purple leaf sand cherry)	5
Liberty Park	New Sign Face (to be installed on Brick Wall - different from existing island sign location, to be removed)	\$6,750.00	\$3,375.00	no	20 years	potentially (needs aerial plan to determine)	Yes	DM - suggests that they NOT do letters in gold leaf, as a southfacing sign sunlight may cause glare and impact traveling motorists.	4
Willowbrook Farms	Landscaping Renewal at 4 subdivision entrances	\$40,000.00	\$5,000.00	no	27 years	yes	No	No natives being used, Some poor plant choices are proposed (ie Techny arborvitaes in front of Clermont entry walls – too large, will block wall)	1

Total Requested:	\$27,632.04	**This is beyond the \$25,000 set for the annual Grant by \$2,632.04
Total Recommended:		
Total Approved:		

Staff Review

Comments from Landscape Architect:

Beckenham

- Photos don't demonstrate a need for the replacements, nor did my site visit
- Green Giant arborvitaes aren't a bad choice, but they're not native to Michigan
- Seems more like a maintenance project than a "new" project creating a new look.

Bradford of Novi

- Provided plan is not super clear of how the plant counts are accounted for
- Despite their claim that they took great care to select plant materials native to Michigan, only one of the 5 species they're using, Serviceberry, is native to Michigan.
- Project does represent an enhancement to the look of the island (only island plantings are proposed).

Carlton Forest

- Plan is provided with post-planting images
- Significant change to entry
- 2 of 5 species proposed are native to Michigan
- Financials are provided – plenty in reserves to cover expense until reimbursement – most landscape maintenance for mowing, irrigation maintenance and snow removal
- It would be good for them to show on a plan view what plants will be removed to be sure all of the invasive shrubs will be removed from the landscaped area.

Churchill Crossing

- Enhances appearance of sign – additional color, plants
- Yews being replaced don't look to be in poor condition
- No natives are used – one hybrid of native x non-native (purple leaf sand cherry)
- It's not clear if shrubs on east end of east wall are being removed – larger shrubs are being removed from west wall – Ask for clarification
- Financials are provided – they will have enough money to cover the project costs until reimbursement

Liberty Park

- Project involves moving sign to improve visibility – remove existing sign and add letters to wall behind fountain
- Financials are provided – there is sufficient balance to cover cost of project
- Cost of project is \$6750 and they're asking for \$5000. Max award would be \$3,375.00 (50%), as noted.
- No plantings are proposed.
- Not sure removing the sign and putting the text on the wall will help with wayfinding.

Willowbrook Farms

- All four entrances will be enhanced
- Plan is updated planting beds for all four entrances
- No native species are used
- Plans are provided for all four entrances
- No existing conditions photos are provided
- Some poor plant choices are proposed (Techny arborvitaes in front of Clermont entry walls – too large, will block wall)
- Entire project cost is \$40,000, grant request \$5000 – budget shows \$35,000 cost for landscaping in 2026 plus \$75,000 for monument signs. Appears to have sufficient funds but together the projects will mostly clear out their fund balance.

Comments from Engineering:

Beckenham – Needs ROW permit

Bradford of Novi – Needs ROW permit

Carlton Forest – Need to submit an aerial plan to determine if a permit is needed

Churchill Crossing – Needs ROW permit

Liberty Park - Need to submit an aerial plan to determine if a permit is needed

Willowbrook Farms - Needs ROW permit

Comments from Code Compliance:

Of the submittals, only Liberty Park proposing entryway signage.

The only suggestion I have is that they NOT do the letters in gold leaf. The reason being is that the sign faces south, and for the greater part of the day the sun will be shining upon the sign whereas there may be some glare created by the reflection from the gold letters of the sign to traveling motorists.

Neighborhood Entryway Enhancement Matching Grant Program

Neighborhood Entryway Enhancement Matching Grant Program

A. Purpose

The Neighborhood Entryway Enhancement Matching Grant Program was established by City Council to provide funding assistance to City of Novi's Homeowner Associations to support their efforts to enhance their neighborhoods through high-quality, sustainable neighborhood entranceway beautification projects. These projects are intended to enhance a subdivision entrance through significant and permanent physical improvements, such as adding or modifying entrance signs, constructing flower beds, planting trees and shrubs, upgrading lighting, and making other entryway-related improvements. A neighborhood is not eligible to be awarded a grant in consecutive years.

B. Application and Selection Process

1. Grant applications (Attachment 1) will be accepted once per calendar year.
2. Final grant applications must be submitted to the City Manager's office by January 31, 2026. The application may be submitted electronically to EntrywayGrant@cityofnovi.org.
3. The City Manager may request additional information or clarification. It is recommended that applications be submitted as early as possible to allow time for revisions to be submitted. Applications will be reviewed to verify the grant application is complete and accurate and complies with the requirements set forth in this document.
4. Recommendation for approval of qualifying projects will be provided by the Beautification Committee using a points system (Attachment 2).
5. Final grant awards are approved by the Novi City Council. Priority will be given to projects that are expected to have the greatest positive effect for the City of Novi.
6. All grant applicants will be notified regarding City Council's final decision after decisions are announced.

The following information will be required as an attachment along with the application:

- The association/property owner's current budget in order to demonstrate its ability to pay for the entire project before reimbursement and to maintain the project in the future. Both an income statement and balance sheet for the previous two years, the current year, and the budget for the upcoming year should be provided.
- Complete bank statements are not required; however, should the association/property owner choose to provide these documents, please be sure all account numbers are removed before submitting the application.
- If in-kind donations (such as donated professional services or materials but excluding volunteer labor) will be used to assist in the fund matching, the association/property owner must submit formal documentation from the donating entity on company letterhead confirming their specific donation for the project.

- Documentation reflecting the association/property owner's current and previous spending on landscape and landscape maintenance.

C. Project Policies and Qualification Criteria

1. To qualify, projects must be located at the entrance of to a neighborhood, clearly visible from the public right-of-way. Eligible projects may be either new construction or installation of physical improvements or a rehabilitation of existing improvements. Examples include entryway signage, updated landscape beds, benches, and streetscape amenities. Work involving routine maintenance, installation or removal of annual plants, or other recurring tasks is not eligible.
2. The project must comply with City of Novi ordinances and regulations, Novi Residential Entryway Signage requirements, and state and local laws.
3. If there is an impact on property owners or other non-city agencies (e.g., road commission) written permission and approval of the project from the appropriate entity must be obtained and provided.
4. Projects are encouraged to be environmentally sensitive and be of a sustainable nature. The project may not include the use of invasive species. Please refer to the City's prohibited species list in section 9c of the City's [Landscape Design Manual](#). A list of commonly used invasive species is included as Attachment 3.
5. The neighborhood or Homeowner's Association has not been awarded a grant in the previous two years.

D. Project Cost Reimbursement Process

1. Neighborhoods are eligible for a 50% match up to a maximum of \$5,000, at the City's sole discretion.
2. Grant project funding requires at least an equal (1:1) match from the Homeowner's Association and may not exceed 50% of the total cost of the project or a maximum amount of \$5,000. If the funding from the City and the portion provided for by the receiving organization is not sufficient to complete the project, then the receiving organization is responsible for raising the difference. **The intent of this grant is not to completely fund projects, but to assist with as many projects as possible throughout the community.**
3. If in-kind donations (such as donated professional services or materials but excluding volunteer labor) will be used to assist in the fund matching, the association/property owner must submit formal documentation from the donating entity on company letterhead confirming their specific donation for the project.
4. The amount awarded will be reimbursed upon successful completion of the project, verification of conformance with all standards of the program, and proof that all necessary permits were obtained.

5. The City of Novi will disburse the awarded amount directly to the applicant (not the contractor) upon proof of payment of the applicant's cost and proof of completion of the entire project. The request for reimbursement and proof of project completion must be made by October 31, 2026.
6. An applicant is limited to no more than one award every two years. *Example: If an organization/homeowner association is awarded in 2023, it is eligible to reapply in 2026.* To add further clarification, the HOA would have to sit out the grant cycles for 2024 and 2025. This allows the City to provide assistance to as many interested neighborhoods as possible.
7. Grants are made with the understanding that the City is in no way obligated to provide further financial or management assistance to ensure that a project is completed. Property is and will continue to be maintained by the Homeowner's Association into the future.
8. Project work must not begin, and permits shall not be obtained until grant approval from City Council.
9. Projects are encouraged to be environmentally sensitive and be of a sustainable nature.
10. All selected projects must comply with City of Novi Ordinances, as well as state and local laws, and all appropriate permits must be obtained after grant approval. (If you have any questions concerning ordinance compliance, you may view the City of Novi Code of Ordinances at: or contact Code Compliance at (248 735-5678). The City has the right to decline project reimbursement after project approval if the appropriate permits are not obtained to ensure project completion by October 31, 2026.
11. Priority will be given to projects that abide by the regulations listed in the City's Residential Entryway Signage document. These regulations can also be found on the City of Novi's [website](#). It is encouraged that applicants meet with Community Development personnel to ensure that their project abides by these regulations, prior to grant application submittal.
12. Grant applications will be accepted once per calendar year. Recommendation for approval of qualifying projects will be provided by the Beautification Committee for final grant approval by Novi City Council. All grant applicants will be notified regarding City Council's final decision immediately after decisions are announced.

Attachment 1. Neighborhood Entryway Enhancement Matching Grant Application

Due Date: January 31, 2026, by 5:00pm

Please answer the questions below in a separate document. Questions must be presented in the same order they are presented below. Applications will not be considered if any requested documentation is not included.

I. Applicant Information

- a. Homeowner's Association or Property Name
- b. Age of the subdivision or neighborhood where the work will be done
- c. First-time Applicant? If not, please list the date of last application submission.
- d. Project Leader
 - Office Held/Position within organization
 - Address
 - Telephone
 - E-Mail

II. Project Information

- a. Provide a clear detailed description of the project's purpose, plan and design, including the existing conditions, specific need, and public benefit.
- b. Attach project planning documents such as landscaping drawings, plans, maps, and photos of the project area.
- c. Provide the proposed project area's location. Please provide a written description of the specific location of the project along with an attached map with the location clearly marked. City maps can be found on the City of Novi website's [map gallery](#).
- d. Explain how the project meets the review criteria listed in the Grant Selection Criteria & Evaluation Process section.
- e. Describe how the project has taken into consideration any elements that would positively and/or negatively affect the surrounding environment. If there is an impact on property owners or other non-City agencies (e.g., Road Commission for Oakland County), please explain and attach written permission or approval from the necessary entity.
- f. Provide a detailed list of all proposed plants, if any, intended to be used in the project. Include the plant's common name and Latin name. Please refer to the City's prohibited species list in section 9c of the City's [Landscape Design Manual](#).

III. Funding Information

- a. Estimated Total Project Costs
- b. Who provided this cost estimate?
 - Name, title, company
 - Phone number
- c. Total amount of funds requested (*50% project costs up to \$5,000 maximum*)
- d. If the project cost is projected to exceed the 1:1 match from the City (e.g., if the project cost projection is \$12,000, the City's maximum contribution is \$5,000, matched by \$5,000 from the organization with an additional \$2,000 from the organization), please provide the amount of the additional cost.
- e. Total amount to be donated through in-kind donations and/or cash assistance.
 - Please provide a summary of in-kind donations such as professional services or donated materials (excluding volunteer labor).
 - Please include formal documentation from the donating entity/company on company letterhead confirming their specific donation for the project
- f. Itemized unit and total cost estimates

EXAMPLE:

ITEM	#UNITS	COST/UNIT	TOTAL
Soil	10 cubic yards	\$40	\$400
Contracted Service	8 hours labor	\$50	\$400
One-gallon shrubs	14	\$10	\$140
Total			\$940

IV. Attachments

Please include:

- The association/property's current budget, in order to demonstrate its ability to pay for the entire project before reimbursement and to maintain the project in the future (*Please remove all account numbers from any bank statements that are submitted as part of the grant application*)
- Documentation reflecting the association/property's current and previous spending on landscape and landscape maintenance
- Well-defined, scaled plans of the proposed project with complete plant lists and specifications of any lighting
- Map with project location identified
- Formal documentation from the donating entity/company on company letterhead confirming their specific donation for the project (if applicable)
- Written permission/approval from the necessary entity if there is an impact on property owners or other non-city agencies (if applicable)

Attachment 2. Beautification Commission Project Grading System

Projects are evaluated using a 0-, 1-, and 2-point system.

0 = project does not meet this criterion

1 = project partially meets the criterion

2 = project fully meets the criterion

Criteria	Points
1. Subdivision is more than 10 years old	
2. Improves safety	
3. Reduces environmental impact	
4. Improvement from the existing conditions	
5. Positive impact along visible areas of the city	
6. Permanent physical improvement and is not on-going or routine maintenance	
7. Proposed costs appear reasonable	
8. Use of sustainable materials	
Total	

Project is a permanent, physical improvement located at the entrance of the neighborhood, and is not on-going or routine maintenance.

Checklist

- ☐ Your Association did not receive City of Novi Neighborhood Entryway Enhancement grant funding in 2024 or 2025.
- ☐ You included in the grant application a current budget demonstrating the ability to fully fund the project prior to receipt of the reimbursement award.
- ☐ If in-kind donations are being used, formal documentation from the donating entity is included.
- ☐ Documentation reflecting the current spending on landscape and landscape maintenance is included.
- ☐ If project consists of entryway signage, project abides by all Residential Entranceway Signage Guide regulations.
- ☐ Project complies with all City ordinances.
- ☐ Project does not have a direct impact on an adjacent property owner or non-city agency. If project has an impact on an adjacent property owner or non-city agency, written permission or approval of project from the necessary entity is provided.

- ☐ Project does not include use of identified invasive species.
- ☐ All project documents are included in application (see Required Application Materials on Grant Application and Program Description).
- ☐ Map with project location identified is provided.
- ☐ Project budget, including all itemized cost estimates, is completed on application.
- ☐ Photos of the project area.

Attachment 3. Invasive Plant List

The list below contains the invasive plant species which are unsuitable for this project. For a more comprehensive look, please refer to the [Michigan Invasive Plant Species List](#). Please be advised that this is not a comprehensive list, and other plant species are subject to approval by the City.

Trees

Norway Maple - *Acer platanoides*

Tree of Heaven - *Ailanthus altissima*

Black Alder - *Alnus glutinosa*

Russian Olive - *Elaeagnus angustifolia*

Black Locust - *Robinia pseudoacacia*

Shrubs

Japanese Barberry – *Berberis thunbergii*

Autumn Olive – *Elaeagnus umbellata*

Burning Bush – *Euonymus alatus*

Glossy Buckthorn - *Frangula alnus/Rhamnus frangula*

Privet- *Ligustrum vulgare*

Amur Honeysuckle – *Lonicera maackii*

Morrow's Honeysuckle – *Lonicera morrowii*

Tartarian Honeysuckle – *Lonicera tatarica*

Bell's Honeysuckle – *Lonicera xbella*

Common Buckthorn – *Rhamnus cathartica*

Black Jetbead – *Rhodotypos scandens*

Multiflora Rose - *Rosa multiflora*

Woody Vines

Oriental Bittersweet – *Celastrus orbiculatus*

Japanese honeysuckle – *Lonicera japonica*

Kudzu - *Pueraria lobata*

Herbaceous Plants

Garlic Mustard – *Alliaria petiolata*

Narrow-leaved Bitter-cress – *Cardamine impatiens*

Spotted Knapweed – *Centaurea stoebe* / *Centaurea maculosa*

Canada Thistle – *Cirsium arvense*

European Swamp Thistle- *Cirsium palustre*

Black Swallow – wort - *Cynanchum louiseae* / *Vincetoxicum nigrum*

Pale Swallow-wort - *Cynanchum rossicum* / *Vincetoxicum rossicum*

Leafy Spurge – *Euphorbia esula*

Baby's Breath – *Gypsophila paniculata*

Giant Hogweed- *Heracleum mantegazzianum*

Dame's Rocket – *Hesperis matronalis*

Lyme-grass – *Leymus arenarius*

Purple Loosestrife – *Lythrum salicaria*

White Sweet Clover – *Melilotus alba*

Yellow Sweet Clover – *Melilotus officinalis*

Japanese Stilt Grass – *Microstegium viminium*

Wild Parsnip – *Pastinaca sativa*

Reed Canarygrass – *Phalaris arundinacea*

Phragmites – *Phragmites australis*

Japanese Knotweed – *Polygonum cuspidatum*

Giant Knotweed – *Polygonum sachalinense*

Mile – a minute Weed – *Polygonum perfoliatum*

Narrow – leaved Cat-tail - *Typha angustifolia*

Aquatic Plants

Flowering Rush – *Butomus umbellatus*

Water-hyacinth – *Eichornia crassipes*

Hydrilla – *Hydrilla verticillata*

European Frog-bit – *Hydrocharis morsus-ranae*

Eurasian Water Milfoil – *Myriophyllum spicatum*

Curly Pondweed - *Potamogeton crispus*

BECKENHAM SUBDIVISION

LOCATION: BECKENHAM BLVD AND KENSINGTON DR
(NEAR INTERSECTION OF BECK RD & NINE MILE RD)

PROJECT DESCRIPTION: TREE TRIMMING, REMOVAL AND REPLACEMENT

GRANT AMOUNT REQUESTED: \$5,000

TOTAL PROJECT COST: \$10,900

Neighborhood Entryway Enhancement Matching Grant Application

I. Applicant Information

- a. Homeowner's Association or Property Name - Beckenham
- b. Age of the subdivision or neighborhood where the work will be done – 28 years
- c. First-time Applicant? If not, please list the date of last application submission – Last Beckenham application was 1/27/2022
- d. Project Leader – Kristin Kamienecki
 - Office Held/Position within organization – HOA Board member
 - Address – 47533 Brittany CT, Novi
 - Telephone – 248-921-8101
 - E-Mail – kamienkr@yahoo.com

II. Project Information

Project purpose is to beautify and improve the appearance of the Beckenham subdivision entrances (Beck Rd and 9 mile) with addition of and replacement of trees and shrubs. This project involves the removal of multiple dead and storm damaged trees. Map below.

Project meets criteria as the subdivision is more than 10 years old, has environmental impact, improves existing conditions, is a positive impact as its in a very visible location, will be a permanent physical improvement, and costs are reasonable.

There are no negative impacts on the surrounding environment (area owners or non-City agencies).

New plants are Green Giants (*Thuja plicata x standishii* 'Green Giant'), no invasive species.

III. Funding information

Total project cost is \$10,900.

Estimate provided by: Doug Bruce, Apex Brick & Landscape Inc. 1066 Old Milford Farms, Milford, MI 48381, phone # 734-981-4223.

Funds requested is \$5,000. Additional cost is \$900.

I. Application

Bradford of Novi Subdivision – Application

Novi Neighborhood Entryway Enhancement Matching Grant Program

I. Applicant Information

a. Homeowner's Association or Property Name

Bradford of Novi Subdivision

b. Age of the subdivision or neighborhood where the work will be done]

Approximately 35 yrs old – founded circa 1990

c. First-time Applicant? If not, please list the date of last application submission.

1st time applicant

d. Project Leader • Office Held/Position within organization • Address • Telephone • E-Mail

Andrew J. Terhune, Landscape Coordinator

46373 Galway Dr, Novi, MI 48374

248-921-7950

ajterhune@noahwater.com

II. Project Information

- a. Provide a clear detailed description of the project's purpose, plan and design, including the existing conditions, specific need, and public benefit.

The project consists of the removal and replacement of plant materials on the center island of the 9-Mile entrance. We have already completed a prior “phase-1” of this renovation by installing small retaining walls for cosmetic effect. Plan and design are attached. Existing plant materials have not done

well over the years and the look has grown old and stale, and not befitting of the high standard that exists in the city of Novi.

- b. Attach project planning documents such as landscaping drawings, plans, maps, and photos of the project area.

See attached

- c. Provide the proposed project area's location. Please provide a written description of the specific location of the project along with an attached map with the location clearly marked. City maps can be found on the City of Novi website's map gallery.

Center island of the 9-Mile entrance – drawing attached

- d. Explain how the project meets the review criteria listed in the Grant Selection Criteria & Evaluation Process section. Describe how the project has taken into consideration any elements that would positively and/or negatively affect the surrounding environment. If there is an impact on property owners or other non-City agencies (e.g., Road Commission for Oakland County), please explain and attach written permission or approval from the necessary entity.

We feel the proposed project will greatly enhance the physical appearance greeted by both residents, visitors and potential future residents as they enter. It's the first look and first impression that many times influence us all. We want to put the best foot forward for not just our subdivision, but the city of Novi as a whole. There will be NO impact on adjacent homeowners and we expect the project to be completed in 2 work days or less. Great care has been taken to select plant materials native to Michigan, providing the best match for longevity, environmental impact and overall value

- e. e. Provide a detailed list all proposed plants, if any, intended to be used in the project. Include the plant's common name and Latin name. Please refer to the City's prohibited species list in section 9c of the City's Landscape Design Manual.

Japanese Forest Grass - Hakonechloa Macra

Karl Forester Reed - Calamagrostis x Acutiflora

Lil Quickfire Hydrangea #3 - Hydrangea Paniculata 'SMHPLQF'

Upright Hicks Yew #5 - *Taxus x media 'Hicksii'*

Serviceberry - Autumn Brilliance (Tree form) - *Amelanchier x Grandiflora*

III. Funding Information

- a. Estimated Total Project Costs
\$10,443 – see attached Proposal from Begonia Brothers
- b. Who provided this cost estimate? • Name, title, company 6 EXAMPLE: • Phone number
Begonia Brothers Landscape Services
21141 Brickscape Drive
Northville, MI 48167-2527
888-889-8282 phone
- c. Total amount of funds requested (50% project costs up to \$5,000 maximum)
\$5,000
- d. If the project cost is projected to exceed the 1:1 match from the City (e.g., if the project cost projection is \$12,000, the City's maximum contribution is \$5,000, matched by \$5,000 from the organization with an additional \$2,000 from the organization), please provide the amount of the additional cost.
\$5,000 match provided by Bradford of Novi
\$443 additional funds provided by Bradford of Novi
- e. Total amount to be donated through in-kind donations and/or cash assistance. • Please provide a summary of in-kind donations such as professional services or donated materials (excluding volunteer labor). • Please include formal documentation from the donating entity/company on company letterhead confirming their specific donation for the project
\$0 of In-kind donation
- f. Itemized unit and total cost estimates
ITEM #UNITS COST/UNIT TOTAL
Soil 10 cubic yards \$40 \$400
Contracted Service 8 hours labor \$50 \$400
One-gallon shrubs 14 \$10 \$140
Total \$940
IV. Attachments Please include: • The association/property's current budget, in order to demonstrate its ability to pay for the entire project before

reimbursement and to maintain the project in the future (Please remove all account numbers from any bank statements that are submitted as part of the grant application) • Documentation reflecting the association/property's current and previous spending on landscape and landscape maintenance • Formal documentation from the donating entity/company on company letterhead confirming their specific donation for the project (if applicable) • Written permission/approval from the necessary entity if there is an impact on property owners or other non-city agencies (if applicable) • Well-defined, scaled plans of the proposed project with complete plant lists and specifications of any lighting • Map with project location identified

Please see attached detailed proposal from Begonia Brothers

**Funding to be provided by cash reserves, currently \$28,375 as of 12/31/2025.

III. Contractor Proposal/Estimate

Review your proposal

Review each line item. Then just click the accept button to confirm and set up service.

Review the proposal below. Uncheck any services that you do not want.

12/22/2025 - Estimate valid for 30 days
Bradford HOA
22314 Worcester Dr.
Novi, MI 48374

Hi Bob,

Please find the estimate for the work that you recently requested from Begonia Brothers Outdoor Services below. Please uncheck any services you do NOT want us to perform. The subtotal at the end of this document will reflect your changes.

Please scroll to the bottom of this document and click the blue box to sign your estimate and accept your proposal. This requires two steps.

- 1) Sign your name on the signature line with your computer mouse and click SAVE in the lower right corner.
- 2) You will be taken back to the proposal, Print your name above your signature, and click the red 'ACCEPT PROPOSAL' box at the bottom.

By doing this your document will be sent back to us with your changes and our system will send you a confirmation email. This gives us an automated "accepted date" and puts your job on the schedule.

If the confirmation email is not received a step was missed and the approval did not come through to us. We cannot start processing your order without a documented approval!

If you have any difficulty at all, please don't hesitate to contact our office for assistance.

Estimate Description	Quantity	Rate	Amount
☒ <u>Plants/Trees/Shrubs - Installation - 9 Mile Landscape Renovation</u>	1	0.00	0.00
Japanese Forest Grass - All Gold #1	24	26.00	624.00
Installation of Karl Forester Reed #2	13	29.00	377.00
Installation of Lil Quickfire Hydrangea #3	22	92.00	2024.00
Installation of Upright Hicks Yew #5	18	105.00	1890.00
Installation of Serviceberry, Autumn Brilliance - Tree form 2-2.5"	3	866.00	2598.00
☒ General Labor	1	740.00	740.00

Removal and disposal of existing material including disposal fee at waste facility.

PROJECT INFORMATION

DESCRIPTION: The Carlton Forest neighborhood entrance is a high-visibility, roadside location along West Twelve Mile Road that experiences high vehicular traffic and moderate pedestrian use. The entrance borders a large retention pond and transitions into an existing wild woodland area with wet, swamp-like conditions. Soils are predominantly clay-loam with poor drainage and high water retention, particularly toward the rear of the site near the river birches. The design responds directly to these conditions by preserving existing mature assets such as the engraved boulders, river birch trees and woodland edge while enhancing the entrance with plant material specifically selected for water tolerance, salt tolerance, animal predation and durability in a roadside environment. Full sun conditions dominate the front of the site, transitioning to shadier and wetter conditions toward the rear.

Plantings are arranged in layered zones to maintain safety, visibility, and long-term performance. Low-profile and salt-tolerant plant material is used closest to the roadway and boulders to ensure unobstructed sightlines when turning at the West Twelve Mile intersection. Questionable and invasive existing plant material, including burning bush and buckthorn, will be removed and replaced with resilient, native-forward alternatives. *Viburnum Dentatum* 'Blue Muffin' is used in the background near the river birches to provide upright structure, glossy foliage, blue berries and deer resistance without overpowering the site. These shrubs are also used in front of mature trees on the east side of the entrance to provide color and balance. *Clethra Alnifolia* 'Hummingbird' provides fragrant, pollinator-friendly summer blooms and will be intentionally maintained below boulder height to frame the sign while preserving legibility. Blue fescue is incorporated for texture and salt tolerance, intermingling around the boulders and landscape lighting, while *Rudbeckia Hirta* 'Goldsturm' adds vibrant, pollinator-friendly seasonal color at a height that complements the boulder rather than competing with it. *Geranium* 'Rozanne' enhances the walkway edge, reinforcing the woodland transition and providing early seasonal interest.

The overall design builds upon the strong existing structural layout of the entrance, enhancing it with color, texture, and ecological value rather than overhauling it. The proposed plant palette is native-forward, pollinator-friendly, and suited to Michigan winters, roadside salt exposure and saturated soils. Low-profile seasonal plantings will remain in the center island closest to the road to provide rotating interest throughout the year (bulbs in the spring, summer color, mums and ornamental kale and cabbage in the fall), while areas prone to flooding along the boulevard will be protected with mulch rather than new plantings to prevent failure from root rot. New plantings are intended to frame and complement the boulders and woodland backdrop, improve curb appeal of the HOA, and create a welcoming yet safe entrance and exit that reflects long-term sustainability and pride of ownership within the Carlton Forest Community.

Current view-East

PROJECT RELATION TO REVIEW CRITERIA: The Carlton Forest community was developed over 20 years ago and much of the front entrance landscape was established at that time. There have been some landscape additions over the years, but without the structure of an overall plan. The Novi grant process has provided some helpful guidelines in planning for this comprehensive project. While there are few specific safety goals, choices have been made to layer plantings for optimal visibility for drivers and pedestrians. We do have a healthy number of residents who walk the community sidewalks for exercise, pets and to enjoy the natural elements in the landscape. We hope that a cohesive, colorful front entrance will also assist visitors in locating the community safely off Twelve Mile Road.

Environmental impacts were considered in the project. Invasive species are being removed. Plantings were selected for drought tolerance to minimize irrigation necessity. Additionally, selection of plantings included pollinator and bird friendly options. Finally, plant selection included deer resistant varieties to avoid feeding and keep the deer safely away from Twelve Mile Road. This is a substantial, reasonable plan intended to start a permanent improvement to the entrance. Plantings were chosen with intentional sustainability for Michigan climate and the surrounding environment. Placement on the east side may experience movement depending on gas line locations but will remain in front entrance.

The front entrance project will provide welcome improvements to the community residents, visitors, and drivers along Twelve Mile Road. The improvements have long been under consideration but have typically been deferred due to other capital needs and difficulty with timing from vendors. We are happy to finally have plans in place.

PROPOSED PLANTINGS:

1. *Festuca glauca* 'Blue Fescue'
2. *Clethra alnifolia* 'Hummingbird Summersweet'
3. *Viburnum dentatum* 'Blue Muffin'
4. *Rudbeckia hirta* 'Goldsturm'
5. *Geranium* 'Rozanne'

Blue Fescue

Hummingbird Summersweet

Blue Muffin

Goldsturm

Rozanne

FUNDING INFORMATION

The estimated total project costs are \$9,639.09.

Estimated costs provided by Lina Mabie, Account Manager, Brightview Landscapes, LLC. Phone 734-612-9501

Funds Requested: \$4,819.54. There is no additional cost.

There are no in-kind donations or cash assistance in this project.

Itemized unit and total cost estimates and plan details are in the proposal from Brightview Landscape Services included in the Attachments. Please note that, other than sign power washing, there are no changes in existing signage or lighting.

II. Contractor Proposal/Estimate

Proposal for Extra Work at Carlton Forest Association

Property Name	Carlton Forest Association	Contact	Emily McHenry
Property Address	28067 Carlton Way Novi, MI 48375	To	Sentry Management Inc
		Billing Address	120 W Grand River Ave Ste 300 Howell, MI 48843
Project Name	Front Entrance Enhancements		
Project Description	Remove and replace front entrance landscaping		

Scope of Work

MISS DIG to be called 48 hours prior to start of work to identify public utilities like gas lines, sewer, electrical. Plant placement may be changed due to identification of lines if they inhibit conducting work in the area.

Reasonable efforts will be made to avoid damaging of irrigation system including heads and pipes, or for landscape lighting. Irrigation technician will be called out to track and mark lines prior to commencement of work. Contractor is not responsible for identifiable repairs, which will result in additional work order.

Limited one year plant warranty included with irrigation technician making monthly audits per landscape maintenance contract and if identifiable repairs throughout season are approved for work within five business days by Owner. Not included if material is subjected to abnormal conditions beyond normal care, including but not limited to: flooding, frost, soil compaction, mechanical damage, vandalism, pests or disease outbreaks, Acts of God.

Brightview agrees to continue care of plant material under landscape maintenance contract, including pruning and pest scouting.

QTY	UoM/Size	Material/Description	Unit Price	Total
Power-Washing				Subtotal
				\$831.49
1.00	LUMP SUM	Power-wash entrance boulders with special sodium-hypochlorite mix to remove stains	\$831.49	\$831.49
Irrigation Upgrades				Subtotal
				\$1,218.11
1.00	LUMP SUM	Update irrigation system with quick coupler and track irrigation lines prior to commencement of work to avoid damage	\$1,218.11	\$1,218.11
Removals				Subtotal
				\$598.03
1.00	LUMP SUM	Remove existing plant material and dispose of debris off-site (roses, lilacs, shrubs, and ground cover, burning bushes/buckthorn), keep river birches on left and middle entrance, and crabapples/boxwoods/hydrangeas in middle	\$598.03	\$598.03
Plant Installations				Subtotal
				\$2,220.76
10.00	UNIT	Plant Blue Fescue #1 mass low-profile planting in foreground of boulders for sign visibility	\$36.45	\$364.47

THIS IS NOT AN INVOICE

This proposal is valid for thirty (30) days unless otherwise approved by Contractor's Senior Vice President
5100 DeWitt Rd, Canton, MI 48188 ph. (734) 394-1430 fax (734) 394-1469

Proposal for Extra Work at Carlton Forest Association

8.00	UNIT	Plant Hummingbird Summersweet #3 on side of boulders as framing	\$89.85	\$718.83
4.00	UNIT	Plant Viburnum dentatum 'Blue Muffin' #5 flanking sides of boulders	\$109.40	\$437.61
12.00	UNIT	Plant Rudbeckia Hirta 'Goldsturm' #1 in front of left boulder	\$28.99	\$347.86
10.00	UNIT	Plant Geranium 'Rozanne' #1 along walkway towards Carlton Way Drive and near ledgerstone on right side of entrance	\$35.20	\$351.99
Rock to Mulch Bed			Subtotal	\$615.49
1.00	LUMP SUM	Switch rock and mulch bed - re-use current egg rock around exterior perimeter, mulch interior for low-profile annual plantings in spring, summer, and fall for seasonal interest (annuals not included in quote)	\$615.49	\$615.49
Mulch			Subtotal	\$1,644.72
12.00	YARD	Apply fresh double-shredded hardwood mulch 3" to entrance bed areas using purple map attached to quote	\$137.06	\$1,644.72
Plant Installs Right of Entrance			Subtotal	\$2,510.49
8.00	UNIT	Plant Viburnum dentatum 'Blue Muffin' 48" in place of current shrubs right of entrance to hide utility boxes	\$207.73	\$1,661.80
1.00	LUMP SUM	Remove turf, amend soil, and prep new beds around utility boxes -- MISS DIG to be called prior	\$848.69	\$848.69

For internal use only

Total Price \$9,639.09

THIS IS NOT AN INVOICE

This proposal is valid for thirty (30) days unless otherwise approved by Contractor's Senior Vice President
5100 DeWitt Rd, Canton, MI 48188 ph. (734) 394-1430 fax (734) 394-1469

TERMS & CONDITIONS

1. The Contractor shall recognize and perform in accordance with written terms, written specifications and drawings only contained or referred to herein. All materials shall conform to bid specifications.
2. Work Force: Contractor shall designate a qualified representative with experience in landscape maintenance/construction upgrades or when applicable in tree management. The workforce shall be competent and qualified, and shall be legally authorized to work in the U.S.
3. License and Permits: Contractor shall maintain a Landscape Contractor's license, if required by State or local law, and will comply with all other license requirements of the City, State and Federal Governments, as well as all other requirements of law. Unless otherwise agreed upon by the parties or prohibited by law, Customer shall be required to obtain all necessary and required permits to allow the commencement of the Services on the property.
4. Taxes: Contractor agrees to pay all applicable taxes, including sales or General Excise Tax (GET), where applicable.
5. Insurance: Contractor agrees to provide General Liability Insurance, Automotive Liability Insurance, Worker's Compensation Insurance, and any other insurance required by law or Customer, as specified in writing prior to commencement of work. If not specified, Contractor will furnish insurance with \$1,000,000 limit of liability.
6. Liability: Contractor shall not be liable for any damage that occurs from Acts of God defined as extreme weather conditions, fire, earthquake, etc. and rules, regulations or restrictions imposed by any government or governmental agency, national or regional emergency, epidemic, pandemic, health related outbreak or other medical events not caused by one or other delays or failure of performance beyond the commercially reasonable control of either party. Under these circumstances, Contractor shall have the right to renegotiate the terms and prices of this Contract within sixty (60) days.
7. Any illegal trespass, claims and/or damages resulting from work requested that is not on property owned by Customer or not under Customer management and control shall be the sole responsibility of the Customer.
8. Subcontractors: Contractor reserves the right to hire qualified subcontractors to perform specialized functions or work requiring specialized equipment.
9. Additional Services: Any additional work not shown in the above specifications involving extra costs will be executed only upon signed written orders, and will become an extra charge over and above the estimate.
10. Access to Jobsite: Customer shall provide all utilities to perform the work. Customer shall furnish access to all parts of jobsite where Contractor is to perform work as required by the Contract or other functions related thereto, during normal business hours and other reasonable periods of time. Contractor will perform the work as reasonably practical after the Customer makes the site available for performance of the work.
11. Payment Terms: Upon signing this Agreement, Customer shall pay Contractor 50% of the Proposed Price and the remaining balance shall be paid by Customer to Contractor upon completion of the project unless otherwise, agreed to in writing.
12. Termination: This Work Order may be terminated by the either party with or without cause, upon seven (7) workdays advance written notice. Customer will be required to pay for all materials purchased and work complete to the date of termination and reasonable charges incurred in demobilizing.
13. Assignment: The Customer and the Contractor respectively, bind themselves, their partners, successors, assignees and legal representative to the other party with respect to all covenants of this Agreement. Neither the Customer nor the Contractor shall assign or transfer any interest in this Agreement without the written consent of the other provided, however, that consent shall not be required to assign this Agreement to any company which controls, is controlled by, or is under common control with Contractor or in connection with assignment to an affiliate or pursuant to a merger, sale of all or substantially all of its assets or equity securities, consolidation, change of control or corporate reorganization.
14. Disclaimer: This proposal was estimated and priced based upon a site visit and visual inspection from ground level using ordinary means, at or about the time this proposal was prepared. The price quoted in this proposal for the work described, is the result of that ground level visual inspection and therefore our company will not be liable for any additional costs or damages for additional work not described herein, or liable for any incidents/accidents resulting from conditions, that were not ascertainable by said ground level visual inspection by ordinary means at the time said inspection was performed. Contractor cannot be held responsible for unknown or otherwise hidden defects. Any corrective work proposed herein cannot guarantee exact results. Professional engineering, architectural, and/or landscape design services ("Design Services") are not included in this Agreement and shall not be provided by the Contractor. Any design defects in the Contract Documents are the sole responsibility of the Customer. If the Customer must engage a licensed engineer, architect and/or landscape design professional, any costs concerning these Design Services are to be paid by the Customer directly to the designer involved.

15. Cancellation: Notice of Cancellation of work must be received in writing before the crew is dispatched to their location or Customer will be liable for a minimum travel charge of \$150.00 and billed to Customer.

The following sections shall apply where Contractor provides Customer with tree care services:

16. Tree & Stump Removal: Trees removed will be cut as close to the ground as possible based on conditions to or next to the bottom of the tree trunk. Additional charges will be levied for unseen hazards such as, but not limited to concrete brick filled trunks, metal rods, etc. If requested mechanical grinding of visible tree stump will be done to a defined width and depth below ground level at an additional charge to the Customer. Defined backfill and landscape material may be specified. Customer shall be responsible for contacting the appropriate underground utility locator company to locate and mark underground utility lines prior to start of work. Contractor is not responsible damage done to underground utilities such as but not limited to, cables, wires, pipes, and irrigation parts. Contractor will repair damaged irrigation lines at the Customer's expense.
17. Waiver of Liability: Requests for crown thinning in excess of twenty-five percent (25%) or work not in accordance with ISA (International Society of Arboricultural) standards will require a signed waiver of liability.

Acceptance of this Contract

By executing this document, Customer agrees to the formation of a binding contract and to the terms and conditions set forth herein. Customer represents that Contractor is authorized to perform the work stated on the face of this Contract. If payment has not been received by Contractor per payment terms hereunder, Contractor shall be entitled to all costs of collection, including reasonable attorneys' fees and it shall be relieved of any obligation to continue performance under this or any other Contract with Customer. Interest at a per annum rate of 1.5% per month (18% per year), or the highest rate permitted by law, may be charged on unpaid balance 15 days after billing.

NOTICE: FAILURE TO MAKE PAYMENT WHEN DUE FOR COMPLETED WORK ON CONSTRUCTION JOBS, MAY RESULT IN A MECHANIC'S LIEN ON THE TITLE TO YOUR PROPERTY

I. Application

Neighborhood Entryway Enhancement Matching Grant Application

I. Applicant Information

- a. Homeowner's Association or Property Name: CHURCHILL CROSSING
- b. Age of the subdivision or neighborhood where the work will be done: 21 Years
- c. First-time Applicant? Yes.
- d. Project Leader: Sai Gadam
 - Office Held/Position within organization: President Homeowners' Association
 - Address :24692 Thatcher Dr Novi Michigan-48375
 - Telephone :248-912-5092
 - E-Mail: sugadam@gmail.com

Project Information

- a. Provide a clear detailed description of the project's purpose, plan and design, including the existing conditions, specific need, and public benefit.

Churchill Crossing HOA Entrance Sign Landscape Renovation

Overview:

This project focuses on improving the landscaping around the Churchill Crossing entrance monument signs (East and West sign areas). The goal is to replace aging and overgrown shrubs with a cleaner, more modern, and low-maintenance design that enhances curb appeal and provides a uniform, welcoming entrance appearance.

Plan / Scope of Work

The work will be performed in two areas:

1) East Entrance Sign Area

- Remove 26 existing yew bushes that have become overgrown/outdated.
- Install a new hedge line of Green Mountain boxwoods (15–18") under the sign for a clean, structured look.

- Extend the front edge of the planting bed to accommodate the new layout and improve bed shape.
- Add layered plantings for color and texture:
 - Variegated hostas (2-gallon) in front and to the side bed areas.
 - Purple leaf Sand Cherry shrubs (5-gallon) placed on both sides of the sign near the pillars to provide accent color.
 - Feather Reed ornamental grasses (2-gallon) to add vertical height and movement.

2) West Entrance Sign Area

- Remove 24 existing yew bushes.
- Remove large shrubs and tree growth from the west side bed to open the area and reduce clutter.
- Install a matching hedge of Green Mountain boxwoods (15–18”) under the sign.
- Extend the front edge of the planting bed for better design balance and symmetry.

- Add similar layered plantings to match the East side:
 - Variegated hostas (2-gallon) in front and west bed areas.
 - Purpleleaf Sand Cherry shrubs (5-gallon) on both sides near the pillars.
 - Feather Reed ornamental grasses (2-gallon) to provide height and contrast.

Design Concept / Landscaping Layout

The design follows a layered landscape approach:

Front Layer (low height)

- Variegated hostas
- Provides a neat border, softens the bed edge, and adds light-colored foliage contrast.

Middle Layer (structured foundation)

- Green Mountain boxwood hedge
- Creates a consistent evergreen hedge line beneath the monument sign, providing a formal, clean foundation year-round.

Accent Layer (color focal points)

- Purple leaf Sand Cherry
- Adds deep purple foliage to frame the sign and highlight the monument pillars.

Vertical/Texture Layer

- Feather Reed ornamental grasses
- Adds height and texture to break up the hedge line and create a more premium landscaped appearance.

Expected Outcome / Benefits

- Improved curb appeal at both entrances
- Uniform and symmetrical appearance (East and West sides coordinated)
- Cleaner and more modern design
- Reduced overgrowth and better visibility around signage
- Low-maintenance plant selections suitable for HOA landscaping

Project Cost

Total proposed cost: \$8,875.00

b. Attach project planning documents such as landscaping drawings, plans, maps, and photos of the project area.

c. Provide the proposed project area's location. Please provide a written description of the specific location of the project along with an attached map with the location clearly marked. City maps can be found on the City of Novi website's map gallery.

This project focuses on improving the landscaping around the Churchill Crossing entrance monument signs (East and West sign areas). The goal is to replace aging and overgrown shrubs with a cleaner, more modern, and low-maintenance design that enhances curb appeal and provides a uniform, welcoming entrance appearance.

d. Explain how the project meets the review criteria listed in the Grant Selection Criteria & Evaluation Process section.

Project is based on criteria specified as the entrance is focused with plants approved by the city.

e. Describe how the project has taken into consideration any elements that would positively and/or negatively affect the surrounding environment. If there is an impact on property owners or other non-City agencies (e.g., Road Commission for Oakland County), please explain and attach written permission or approval from the necessary entity.

- Enhancing curb appeal and overall neighborhood appearance along city streets
- Creating a better first impression for visitors, homebuyers, and service providers

- Supporting property values and strengthening the local tax base
- Improving entrance visibility and safety by removing overgrown shrubs
- Contributing to a cleaner, more professional city streetscape and reducing blight concerns
- Improving the landscape health and long-term maintainability of the entrance areas

f. Provide a detailed list of all proposed plants, if any, intended to be used in the project. Include the plant's common name and Latin name. Please refer to the City's prohibited species list in section 9c of the City's Landscape Design Manual.:

Detailed list of proposed plants listed in below attachment

III. Funding Information

a. Estimated Total Project Costs : \$8,875.00

b. Who provided this cost estimate?

- Name, title, company :E&B Maintenance Services Inc. Owner-Mark Katulski
- Phone number :734-645-7720

c. Total amount of funds requested (50% project costs up to \$5,000 maximum) \$4437.50

d. If the project cost is projected to exceed the 1:1 match from the City (e.g., if the project cost projection is \$12,000, the City's maximum contribution is \$5,000, matched by \$5,000 from the organization with an additional \$2,000 from the organization), please provide the amount of the additional cost. e. Total amount to be donated through in-kind donations and/or cash assistance. • Please provide a summary of in-kind donations such as professional services or donated materials (excluding volunteer labor). • Please include formal documentation from the donating entity/company on company letterhead confirming their specific donation for the project f. Itemized unit and total cost estimates

ITEM	#UNITS	COST/UNIT	TOTAL
Soil	10 cubic yards	\$40	\$400
Contracted Service	8 hours		
labor	\$50	\$400	
One-gallon shrubs	14	\$10	\$140
Total			\$940

IV. Attachments Please include:

- 1)HOA Annual Budget
- 2)2025 Landscape spending statement
- 3)Proposed Entrance Improvement Plan
- 4)HOA Bank statement-Funds availability

- The association/property's current budget, in order to demonstrate its ability to pay for the entire project before reimbursement and to maintain the project in the future (Please remove all account numbers from any bank statements that are submitted as part of the grant application)
- Documentation reflecting the association/property's current and previous spending on landscape and landscape maintenance
- Well-defined, scaled plans of the proposed project with complete plant lists and specifications of any lighting
- Map with project location identified
- Formal documentation from the donating entity/company on company letterhead confirming their specific donation for the project (if applicable)
- Written permission/approval from the necessary entity if there is an impact on property owners or other non-city agencies (if applicable)

- V. Photos (taken by City staff)

I. Application

Neighborhood Entryway Enhancement Matching Grant Application

I. Applicant

- a) Liberty Park Condominium Association
- b) +/- 20 years old
- c) No, applied 2020
- d) Samir Kumar, Association President
c/o Matt Lenart
Herriman & Assoc., Property Mgrs.
41486 Wilcox Rd.
Plymouth, MI 48170
734-459-5440
Mlenart@herriman.net

II. Project Information

- a) The project involves a relocation of the signage to the brick wall behind the existing fountain at the 12 Mile entrance to the property and removal of the existing sign. This is deemed an improvement of visibility to exiting vehicles from Declaration Dr.
- b) See attached photos of existing area and map of location. There are no landscape modifications or other infrastructure changes required.
- c) See attached map of site location.
- d) The project meets the grading criteria in that the property age exceeds ten years. The primary focus is safety enhancement for exiting the site, especially when 12 Mile is widened. The maintenance free application provides for years of no degradation in appearance. The proposed costs are provided by a professional sign company.
- e) There is no impact on surrounding properties, only enhancement of existing fixtures. No permits are required except maybe a new sign permit from Novi.
- f) N/A

III. Funding

- a) Estimated costs are \$6,750.
- b) Proposal attached from Vital Signs.
248-496-4990
- c) Total requested is \$5000. 
- d) The Association is prepared to cover the matching portion and any extra costs.

Willowbrook Farm Homeowners Association

A home of Novi community

Neighborhood Entryway Enhancement Matching Grant Application Novi,

January 22, 2026

Applicant:

a. Willowbrook Farm Homeowners Association

b. 1998 (27 years).

c. First-time Applicant.

d. Project Leader:

- Shyam Valloornatt
41139 Scarborough Lane
Novi, MI 48375-2890
- Phone: (248) 946-2139
- Email: bm2@wfha1.com

II. Project Information

a. Project purpose, plan and design:

The project objective is to enhance the appearance and appeal of the subdivision on all four entrances. This will provide a cleaner and more beautiful appearance than that is currently visually given.

The upgraded entrances will better reflect the appearance to the subdivision better reflecting Novi's class.

b. Appended to this document, as a pdf file, is a copy of the quotation provided by Bailey's Lawn Care Inc. that describes the landscaping work, cost, and layout of the entrances and plants to be used.

c. Proposed project area's location: Location of the enhanced entrances are located as follows:

- 1) Amanda Lane off 10 Mile Road
- 2) Bethany Lane off 10 Mile Road
- 3) Scarborough Lane off Meadowbrook Road
- 4) Clermont Ave. off Meadowbrook Road

Attached map with the locations:

d. Qualification Criteria

The proposed improvements will provide updated landscape beds to greatly improve the appearance and quality of the 4 entrances to the subdivision. These are not routine maintenance of existing plants but a renewal of the complete landscaping areas.

2. Because the physical locations and sizes of the entrance areas addressed by this project are not affected, the project complies with City of Novi ordinances and regulations, Novi Residential Entryway Signage requirements, and state and local laws.
3. If there no impact on property owners or other non-city agencies.
4. Projects is environmentally sensitive and will be of a sustainable nature.
5. The neighborhood or Homeowner's Association has not been awarded a grant in the

previous two years

e. The project will not affect the surrounding environment. Further, there is no impact on property owners or other non-City agencies.

f. List of all proposed plants

- Thuja Hedge
- Yew hedge
- Tall Grass
- Coral Bells
- Annabelle Hydrangea
- Spirea
- Weigela
- Phlox (creeping)
- Salvia

Please note that the exact location of each plant is provided on the attached copy of the quotation, appended

6

EXAMPLE:

III. Funding Information

a. Estimated Total Project Cost: \$40000.

b. Who provided this cost estimate?

- Bailey's Lawn Care Inc.
- Phone: 248.755.1977

c. Total amount of funds requested \$5,000 maximum

d. If the project cost is projected to exceed the 1:1 match from the City (e.g., if the project cost projection is \$12,000, the City's maximum contribution is \$5,000, matched by \$5,000 from the organization with an additional \$2,000 from the organization), please provide the amount of the additional cost.

e. Total amount to be donated through in-kind donations and/or cash assistance: \$0

- Summary of in-kind donations: None

f. Itemized unit and total cost estimates

ITEM #	UNITS	COST/UNIT	TOTAL
Soil	10 cubic yards	\$40	\$400
Contracted Service	8 hours labor	\$50	\$400
One-gallon shrubs	14	\$10	\$140
Total			\$940

IV. Attachments

Please include:

- The association/property's current budget, in order to demonstrate its ability to pay for the entire project before reimbursement and to maintain the project in the future (Please remove all account numbers from any bank statements that are submitted as part of the grant application)
- Documentation reflecting the association/property's current and previous spending on landscape and landscape maintenance
- Well-defined, scaled plans of the proposed project with complete plant lists and specifications of any lighting

Bring in Speaker to Civic Center or Library (Topic, Source?)
Dark Skies, Moths/Bats

Etc.
Badges/T-shirts - Badges completed 3/10, T-Shirt Design still pending
Novi: Where You Want To "Bee"

Community Impact Day – Project Submission

On **May 13, 2026**, from 1pm - 4pm, the Novi Chamber of Commerce will join Chambers across Michigan for **Community Impact Day!** A powerful day of service where businesses and community members roll up their sleeves to support local nonprofits, schools, and organizations. This inaugural effort in Novi is being facilitated by the **Leadership Novi Class of 2026** as their community project, giving our future leaders the opportunity to rally volunteers, build connections, and make a lasting difference in our city.

By completing this form, you can submit a project that volunteers will bring to life. Think park or school clean-ups, food pantry improvements, organizing supplies, gardening, painting, admin support, or even helping with a special event.

Don't wait to submit your project. The deadline is **February 20, 5:00 pm**. Your submission ensures we can match eager volunteers with meaningful work that creates a lasting impact in Novi.

1. Organization Name*

City of Novi Beautification Commission

2. Contact Name (First & Last)*

Katherine Oppermann

3. Phone Number*

248-347-0478

4. Contact E-mail*

koppermann@cityofnovi.org

5. Type of Organization*

Local Government Commission Body

6. How many people does your organization serve yearly?

66,000+

Marketing Materials

1. (Please upload your organization's logo)*

2. Please include a short description (about 100 words) of the work your organization does. This will be shared when promoting your organization as a volunteer location.

The City of Novi Beautification Commission works to guide Novi towards being a beautiful community for its residents, workers, and visitors. Its pillars include Community Education and Engagement, Environmental Responsibility, Support and Protection of Natural Wildlife, and the Improvement of the Physical Appearance of Novi.

3. Please upload some promo pictures you would be comfortable with us sharing on our socials to promote the event to volunteers. (up to 5 files)

Volunteer Project Information
