### 14. MISCELLANEOUS

- a. Meeting Minutes

  - iii. Planning
  - iv. Park
- b. Discussion of Items not on the Agenda
  - Fire Chief Steve Rynda shared he will be recommending the hiring of two firefighters at the April 1, 2024, City Council meeting.
  - Public Works Director Rynda provided hiring updates and advised it's been challenging filling open positions. Rynda also recognized Wastewater Superintendent Scott Warner for working 30 days in a row at the waste treatment plant due to staffing issues, as well as all the dedication he gives to the waste treatment plant and the City.
  - Planning/Community Development Director Ken Ondich shared there are 15 trees left for the City's Tree Giveaway.
  - Police Chief Tim Applen advised that one establishment's existing liquor license has not been renewed yet, and the license will expire on March 31, 2024, until such a time the establishment can provide the required documents and payment. The City has been in ongoing communication with them. Chief Applen also shared that his department continues to have struggles with hiring as well.
  - City Administrator Tetzlaff reminded Council of the special closed session after the regular meeting to discuss two parcels of land.
  - Councilmember Shawn Ryan requested a copy of the letter provided by the members of the public who spoke at the meeting. Ryan inquired about diversity training for the police department. Chief Applen advised that his department completes an abundance of diversity training; it's required by the State, and his department completes more training than is required.

- Mayor Jirik shared that he and City Administrator Tetzlaff had a conference call with the Post Office last week. USPS relayed the next step is to either find an existing building for the Post Office to move into, or for an individual or entity to build a building for them and they then enter into a long-term lease.

- Councilmember Wolf inquired about cooperating with other providers to assist with the shortage of Wastewater Treatment Plant Operators and emergency situations. Public Works Director Rynda advised that he has had conversations with Bolton & Menk, and they would be the City's substitute if it was needed. Councilmember Wolf also inquired about when other law enforcement agencies make a stop in New Prague and if that's part of the New Prague Police Department's records. Chief Applen shared that incidents go through a CAD system, and New Prague's CAD system is through Scott County. The New Prague Police Department is part of and has access to the Scott County CAD system and can have that data if they seek it out. The police department does not have access to other CAD systems and their agencies' data who are outside of Scott County (i.e. Le Sueur County Sheriff's Department, Minnesota State Patrol). Lastly Councilmember Wolf inquired about officers conducting traffic stops when they aren't on duty or are on their way to work. Chief Applen shared that typically the directive is to call someone who is working and have them make the traffic stop.

**15. ADJOURNMENT**

Motion made by Councilmember Bass, Seconded by Councilmember Seiler to adjourn the meeting at 8:01 p.m.

Voting Yea: Mayor Jirik, Councilmember Ryan, Councilmember Bass, Councilmember Seiler, Councilmember Wolf

# New Prague Fire Department

March 18<sup>th</sup>, 2024

Members of City Council,

Due to the resignations of Mike Barth and Tim Finely we need to hire 2 new members.

During our application period we had 6 people apply for the open positions. We interviewed all 6 people. With that we recommend the hiring of Nathan Simon and Sam Pederson, with a conditional start date of April 16<sup>th</sup> pending the outcome of their preemployment screenings.

Nathan, works for Bolton and Menk as a transportation designer. Nathan works from home part of the time which makes him available for daytime calls. Nathan is a New Prague graduate with strong community ties and desire to give back to the community, which we believe will make him a great fit.

Sam, works for MVEC in Jordan in their warehouse. Sam was a member of the U.S. Navy and brings with the knowledge that he learned will in the service.

I recommend the hiring of both Nathan Simon and Sam Peterson.

Sincerely,

Steve Rynda

# MEMORANDUM

TO: Mayor and City Council  
Joshua Tetzlaff, City Administrator

FROM: Chris Knutson, PE (Lic. MN)

DATE: March 28, 2024

RE: Project Updates

See below for updates on current SEH Projects for the City of New Prague.

### 2023 STREET AND UTILITY IMPROVEMENTS

The project has reached substantial completion and is on hold until the spring. A preliminary punch list review has been completed.

### 2024 STREET AND UTILITY IMPROVEMENTS PROJECT

The third neighborhood meeting was held on March 21<sup>st</sup> with attendance by Public Works, SEH, and the Contractor. Attendance was good though less than last year.

The preconstruction meeting was also held on March 21<sup>st</sup>. Work by the contractor is expected to start on April 15<sup>th</sup>, though there will still be work occurring the first two weeks of the month by private utilities relocating ahead of construction. The contractor will have two pipe crews on Lyndale Avenue with one starting at 4<sup>th</sup> Street NE and the other starting at Main Street, both working there way toward 2<sup>nd</sup> Street NE installing sanitary sewer.

### HSIP 10<sup>TH</sup> AVENUE SE-1<sup>ST</sup> STREET SE RRFB

The project is substantially complete with the RRFB functional. Project closeout will come next.

### MAIN STREET (TH19) RECONSTRUCTION PROJECT

The final change order for the project has been approved and is included as a separate item. Closeout of the project was held back by a required 2-year warranty on landscape plantings. As a concession to allow earlier closeout of the project, a change order was prepared reducing the warranty length in-lieu of a small deduction in payment to the contractor and waving of potential warranty incentives to the Contractor. With approval of this change order, we should be able to get full closeout within the next month.

# CHANGE ORDER NO. 31 LEVEL 2

CONTRACTOR: S.M. Hentges & Sons, Inc. (SMH)		FEDERAL PROJECT NO. STPF 4020 (011)	STATE PROJECT NOS. SP 4003-24 / SP 237-010-006
ADDRESS: 650 Quaker Avenue Jordan, MN 55352		LOCATION OF WORK City of New Prague - TH 19 / Main Street	
This Contract uses MnDOT Standard Specifications for Construction 2018 Edition			
This Contract is between the City of New Prague and Contractor as follows:			

**Summary Purpose:**

The purpose of this Change Order No. 31 is to accept landscaping items, adjust the Plant Establishment Period on landscaping items, and proceed toward closeout and final payment for the project.

**Issue:**

The Minnesota 2020 Standard Specifications include a Plant Establishment Period (PEP) of 2 years after the date that initial plantings are completed and continues until acceptances of the Project. As work on the Project is otherwise complete, this would limit the City of New Prague and MnDOT's ability to closeout the project and prepare final payment until August 2024. It is in the City's and Contractor's best interest to close the Project sooner than that date.

**Resolution and Authorization:**

1. The contractor and landscaping subcontractor completed necessary replacements of plantings in the spring of 2023 as part of the warranty on the initial plantings.
2. The contractor will be paid the remaining 30% retainage on the landscaping items currently being held.
3. The following contract items will be accepted in their current condition by the City of New Prague:
  - 2571.524 ORNAMENTAL TREE 1.5" CAL B&B
  - 2571.525 DECIDUOUS SHRUB NO 5 CONT
  - 2571.527 PERENNIAL NO 1 CONT
4. No additional maintenance, plant replacements, or Landscape Scouting Reports will be required by the Contractor.
5. The Contractor proposed a deduction of \$1,448.17 for acceptance of the landscaping items in their current condition. The unit quantities as shown are shown as deductions to the applicable pay items to reach a total cost deduction reasonably close to the overall deduction amount (\$1,446.00). No direct measurement will be made for these items.
6. MnDOT applicable incentive payments as noted in 2571.5F of the Minnesota 2018 Standard Specifications will not be applicable nor considered for landscaping items.
7. The Contract will proceed toward final payment and closeout.
8. The Contract time will be modified as follows
  - a. Plant Establishment Period will be reduced to 1-year with acceptance on August 19, 2023.

**MEMORANDUM**

**TO:** HONORABLE MAYOR AND CITY COUNCIL

**CC:** JOSHUA M. TETZLAFF, CITY ADMINISTRATOR

**FROM:** KEN ONDICH, PLANNING/COMMUNITY DEVELOPMENT DIRECTOR

**SUBJECT:** INTRODUCTION OF POSSIBLE 54-UNIT APARTMENT BUILDING, MINNESOTA HOUSING FINANCE AGENCY APPLICATION FOR WORKFORCE HOUSING DEVELOPMENT PROGRAM, AND POSSIBLE TAX ABATEMENT

**DATE:** MARCH 22, 2024

This memo is being written to introduce a possible apartment development that could occur on PID 23.501.0010 (Lot 1, Block 1, Deutschland First Addition) which is the vacant lot immediately south of Walgreens.

The current owner of the property is GTT Properties, LLC (Marv Deutsch) who platted the property, installed a stub of 1st Street NE, rezoned the property, obtained setback variances, and amended the zoning ordinance to allow a 43-unit apartment building on the property back in the year 2020. A new developer, in partnership with Mr. Deutsch, is seeking to construct a 54-unit building with essentially the same footprint as the previously approved 43-unit apartment building (the reason the 54-units fit within the same footprint is because

the units would be smaller than what was previously proposed.) Some additional variances would be for the additional units, which are being introduced at the April 3, 2024, Planning Commission Meeting.

As part of the developer’s due diligence on the project, they asked the City about any incentives that might be available to make the project financially feasible. Earlier this year, the City learned of the Minnesota Housing Finance Agency opening its application period for its Workforce Housing Development Program with applications due on April 30, 2024. The next time the program would be available would not be until the fall 2025.

The Workforce Housing Development Program assists eligible recipients (the City is an eligible recipient as a city in “greater Minnesota”) to finance qualified expenditures to develop market-rate residential rental properties to address the lack of workforce housing in Greater Minnesota. Funds are awarded as deferred forgivable loans to eligible recipients that use the funds to make loans or grants to developers to create new market-rate residential rental properties. As an applicant, the City would be required to secure funds that match one dollar for every two dollars in funding offered through this program.

Staff has worked with our financial consultant, Baker Tilly, to look at if a housing tax abatement could be used as a local match for the workforce housing development program. Mikaela Huot, with Baker Tilly, will be present at the meeting to provide an overview of housing tax abatement and specifically what could be provided for a tax abatement for the proposed 54-unit apartment project, with or without the workforce housing development program funds.

Attached to this memo is also a draft of a resolution that would be necessary for the City Council to pass to allow the application to be submitted for the workforce housing development program. This resolution would commit the city to local match. In this case, the idea is to use funds from a tax abatement, the actual approval of a tax abatement would not occur until its known if the City were awarded program funds.

Monday’s meeting is intended only to be an introduction to the project, an introduction to housing tax abatement, and an introduction to the workforce housing development program. If there is Council concurrence, staff would intend to bring back a final version of the resolution included in the packet and more details on a possible tax abatement at the April 15th City Council meeting.

**Staff Recommendation**

Staff recommends directing staff to move forward with the application for the Minnesota Housing Finance Agency Workforce Housing Development Program, and using a housing tax abatement as the required local match.

Subject: Tax Abatement Revenue Projections for Proposed New 54-Unit Apartment Complex Project and Public Assistance

---

**Background**

The City of New Prague (the “City”) has been approached by Ebert Construction (the “developer”) regarding the proposed construction of a 54-unit multifamily apartment housing complex. The developer has estimated the total development cost to be approximately \$12.7 million and has requested the City apply for funding through the MHFA Workforce Housing Development Program to assist with closing a financial gap that is anticipated to exist with development of the project site and new project. The developer has also requested the City consider the establishment of a tax abatement area that would provide additional gap financing and be the required local funding match as required for the grant funding. The purpose of this memo is to provide a summary of the preliminary projected tax abatement revenues generated by the City.

**Tax Abatement Analysis**

The following assumptions were used to estimate the amount of projected tax abatement revenues:

- Total project area
  - Parcel ID: 23.501.0010
- Total estimated base value of \$93,000
  - Assumed existing land value would be calculated as ‘base’
  - Non-abated net tax capacity of \$1,163
- Estimated total taxable value upon completion
  - \$6,193,000 (\$112,963 per unit)
  - \$77,413 total net tax capacity
  - Residential rental classification
- Maximum term of tax abatement
  - Up to 20 years with one or two participating taxing entities
  - Up to 15 years with all three taxing entities
- Anticipated term of tax abatement based on initial review
  - Scenario 1: Up to 20 years with 100% City share pledged
  - Scenario 2: Up to 15 years with 100% City share pledged
- Construction commences in 2025 and completes in 2026
  - 100% assessed in January of 2027 for taxes payable in 2028
- Tax rates, class rates and future market values remain constant
  - Tax rates
    - City share: 42.427%
  - Class rates
    - 1.25% for Residential Rental
  - 0% annual market value inflator

**Tax Abatement Revenue Estimates**

<b>Tax Abatement Revenue Projections-City Share Only</b>		
	Scenario 1-20 Years	Scenario 2-15 Years
Total Estimated Taxable Value	\$6,193,000	\$6,193,000
Total estimated annual abatement City share (year 1)	\$32,351	\$32,351
Estimated total net revenues assuming 100% City participation	\$647,012	\$485,259

There is a statutory limit on the total amount of property taxes that may be abated by a political subdivision. The City’s annual property tax abatement may not exceed (1) ten percent of the net tax capacity of the political subdivision for the taxes payable year to which the abatement applies, or (2) \$200,000, whichever is greater. We estimate the total City share of tax abatement from this project to be approximately \$32,351 (assuming 100%) for a taxable value of \$6,193,000. We recommend consideration for both existing abatements and potential future abatements as it relates to the City’s maximum participation level on an ongoing basis. The City’s 2023 adjusted taxable net tax capacity is \$4,492,252 allowing for the City’s total tax abatement capacity of approximately \$449,225. It does not appear that the City has any outstanding abatements.

**Project Financing**

There are generally two ways in which assistance can be provided for most projects, either upfront or on a pay-as-you-go basis. With upfront financing, the City would finance a portion of the applicant’s initial project costs through the issuance of bonds or as an internal loan. Future tax abatements would be levied for collection by the City and used to pay debt service on the bonds or repayment of the internal loan. With pay-as-you-go financing, the developer would finance all project costs upfront and would be reimbursed over time for a portion of those costs as revenues are available.

Pay-as-you-go-financing is generally more acceptable than upfront financing for the City because it shifts the risk for repayment to the developer. If revenues are less than originally projected, the developer receives less and therefore bears the risk of not being reimbursed the full amount of their financing. However, in some cases pay as you go financing may not be financially feasible. With bonds, the City would still need to make debt service payments and would have to use other sources to fill any shortfall of revenues. With internal financing, the City reimburses the loan with future revenue collections and may risk not repaying itself in full if revenues are not sufficient. The City has historically financed projects as pay-as-you-go for reimbursement to the developer of eligible costs.

Thank you for the opportunity to be of assistance to the City of New Prague. Please contact me at 651-223-3036 or [mikaela.huot@bakertilly.com](mailto:mikaela.huot@bakertilly.com) with any questions or to discuss.

**Definition of Tax Abatement**

Any political subdivision, including statutory cities, home rule charter cities, towns, counties, and school districts, is authorized to abate property taxes on selected parcels or defer the payments of the taxes and abate the interest and penalty that otherwise would apply, if:

- The benefits gained equal or exceed the cost to the political subdivision or the abatement phases in a property tax increase, and
- The abatement is in the public interest because it will:
  - increases or preserves the tax base;
  - provides employment opportunities;
  - provides or helps acquire or construct public facilities;
  - helps redevelop or renew blighted areas;
  - helps provide access to services;
  - finances or provides for public infrastructure;
  - phase in a property tax increase on the parcel resulting from an increase of 50% or more in one year on the estimated market value of the parcel, other than an increase due to improvement of the parcel; or
  - stabilize the tax base through equalization of property tax revenues for a specified time period with respect to a taxpayer whose real and personal property is subject to valuation under Minnesota Rules, chapter 8100.

Cities, counties, and school districts as combined jurisdictions may grant an abatement for no longer than 15 years (8 year maximum if no initial duration is specified), or for no longer than 20 years if two or fewer jurisdictions participate.

No back-to-back abatements. Eight years must pass before a new abatement can be applied on the same properties.

In any given year, the total amount of property taxes abated by a political subdivision for all parcels may not exceed the greater of (1) 10% of the net tax capacity of the political subdivision for the taxes payable year to which the abatement applies, or (2) \$200,000.

Property in a tax increment financing district is not eligible for abatement; however, a tax abatement can be established following a tax increment district.

The Bonds will be dated as of the date of delivery and will bear interest payable on February 1 and August 1 of each year, commencing February 1, 2025. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

The Bonds will mature February 1 in the years and amounts\* as follows:

2026	\$315,000	2029	\$325,000	2032	\$290,000	2035	\$315,000	2038	\$325,000
2027	\$310,000	2030	\$330,000	2033	\$300,000	2036	\$320,000	2039	\$340,000
2028	\$315,000	2031	\$290,000	2034	\$305,000	2037	\$320,000	2040	\$345,000

\*The City reserves the right, after proposals are opened and prior to award, to increase or reduce the principal amount of the Bonds or the amount of any maturity or maturities in multiples of \$5,000. In the event the amount of any maturity is modified, the aggregate purchase price will be adjusted to result in the same gross spread per \$1,000 of Bonds as that of the original proposal. Gross spread for this purpose is the differential between the price paid to the City for the new issue and the prices at which the proposal indicates the securities will be initially offered to the investing public.

BOOK ENTRY SYSTEM

The Bonds will be issued by means of a book entry system with no physical distribution of Bonds made to the public. The Bonds will be issued in fully registered form and one Bond, representing the aggregate principal amount of the Bonds maturing in each year, will be registered in the name of Cede & Co. as nominee of The Depository Trust Company ("DTC"), New York, New York, which will act as securities depository for the Bonds. Individual purchases of the Bonds may be made in the principal amount of \$5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the registrar to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The lowest bidder (the "Purchaser"), as a condition of delivery of the Bonds, will be required to deposit the Bonds with DTC.

REGISTRAR/PAYING AGENT

Zions Bancorporation, National Association, Chicago, Illinois will serve as Registrar/Paying Agent (the "Registrar") for the Bonds, and shall be subject to applicable regulations of the Securities and Exchange Commission. The City will pay for the services of the Registrar.

OPTIONAL REDEMPTION

The City may elect on February 1, 2033, and on any day thereafter, to redeem Bonds due on or after February 1, 2034. Redemption may be in whole or in part and if in part at the option of the City and in such manner as the City shall determine. If less than all Bonds of a maturity are called for redemption, the City will notify DTC of the particular amount of such maturity to be redeemed. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. All redemptions shall be at a price of par plus accrued interest.

SECURITY AND PURPOSE

The Bonds will be general obligations of the City for which the City will pledge its full faith and credit and power to levy direct general ad valorem taxes. In addition, the City will pledge special assessments filed against benefited properties for repayment of a portion of the Bonds. The proceeds of the Bonds will be used to (i) finance Street and related utility improvements within the City, (ii) purchase and acquire various items of capital equipment, including golf carts, and (iii) pay costs of issuance.

BANK QUALIFIED TAX-EXEMPT OBLIGATIONS

The City will designate the Bonds as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

BIDDING PARAMETERS

Proposals shall be for not less than \$4,688,060 plus accrued interest, if any, on the total principal amount of the Bonds. Rates shall be in integral multiples of 1/100 or 1/8 of 1%. The initial price to the public for each maturity as stated on the proposal must be 98.0% or greater.

Proposals for the Bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds. All term bonds shall be subject to mandatory sinking fund redemption at a price of par plus accrued interest to the date of redemption scheduled to conform to the maturity schedule set forth herein. In order to designate term bonds, the proposal must specify "Years of Term Maturities" in the spaces provided on the proposal form.

No proposal can be withdrawn or amended after the time set for receiving proposals on the Sale Date unless the meeting of the City scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made. Bonds of the same maturity shall bear a single rate from the date of the Bonds to the date of maturity. No conditional proposals will be accepted.

ESTABLISHMENT OF ISSUE PRICE

In order to provide the City with information necessary for compliance with Section 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder (collectively, the "Code"), the Purchaser will be required to assist the City in establishing the issue price of the Bonds and shall complete, execute, and deliver to the City prior to the closing date, a written certification in a form acceptable to the Purchaser, the City, and Bond Counsel (the "Issue Price Certificate") containing the following for each maturity of the Bonds (and, if different interest rates apply within a maturity, to each separate CUSIP number within that maturity): (i) the interest rate; (ii) the reasonably expected initial offering price to the "public" (as said term is defined in Treasury Regulation Section 1.148-1(f) (the "Regulation")) or the sale price; and (iii) pricing wires or equivalent communications supporting such offering or sale price. Any action to be taken or documentation to be received by the City pursuant hereto may be taken or received on behalf of the City by Baker Tilly MA.

The City intends that the sale of the Bonds pursuant to this Terms of Proposal shall constitute a "competitive sale" as defined in the Regulation based on the following:

- (i) the City shall cause this Terms of Proposal to be disseminated to potential bidders in a manner that is reasonably designed to reach potential bidders;
- (ii) all bidders shall have an equal opportunity to submit a bid;
- (iii) the City reasonably expects that it will receive bids from at least three bidders that have established industry reputations for underwriting municipal bonds such as the Bonds; and
- (iv) the City anticipates awarding the sale of the Bonds to the bidder who provides a proposal with the lowest true interest cost, as set forth in this Terms of Proposal (See "AWARD" herein).

Any bid submitted pursuant to this Terms of Proposal shall be considered a firm offer for the purchase of the Bonds, as specified in the proposal. The Purchaser shall constitute an "underwriter" as said term is defined in the Regulation. By submitting its proposal, the Purchaser confirms that it shall require any agreement among underwriters, a selling group agreement, or other agreement to which it is a party relating to the initial sale of the Bonds, to include provisions requiring compliance with the provisions of the Code and the Regulation regarding the initial sale of the Bonds.

If all of the requirements of a "competitive sale" are not satisfied, the City shall advise the Purchaser of such fact prior to the time of award of the sale of the Bonds to the Purchaser. **In such event, any proposal submitted will not be subject to cancellation or withdrawal.** Within twenty-four (24) hours of the notice

of award of the sale of the Bonds, the Purchaser shall advise the City and Baker Tilly MA if 10% of any maturity of the Bonds (and, if different interest rates apply within a maturity, to each separate CUSIP number within that maturity) has been sold to the public and the price at which it was sold. The City will treat such sale price as the "issue price" for such maturity, applied on a maturity-by-maturity basis. The City will not require the Purchaser to comply with that portion of the Regulation commonly described as the "hold-the-offering-price" requirement for the remaining maturities, but the Purchaser may elect such option. If the Purchaser exercises such option, the City will apply the initial offering price to the public provided in the proposal as the issue price for such maturities. If the Purchaser does not exercise that option, it shall thereafter promptly provide the City and Baker Tilly MA the prices at which 10% of such maturities are sold to the public; provided such determination shall be made and the City and Baker Tilly MA notified of such prices whether or not the closing date has occurred, until the 10% test has been satisfied as to each maturity of the Bonds or until all of the Bonds of a maturity have been sold.

#### GOOD FAITH DEPOSIT

To have its proposal considered for award, the Purchaser is required to submit a good faith deposit via wire transfer to the City in the amount of \$47,450 (the "Deposit") no later than 1:30 P.M., Central Time on the Sale Date. The Purchaser shall be solely responsible for the timely delivery of its Deposit, and neither the City nor Baker Tilly MA have any liability for delays in the receipt of the Deposit. If the Deposit is not received by the specified time, the City may, at its sole discretion, reject the proposal of the lowest bidder, direct the second lowest bidder to submit a Deposit, and thereafter award the sale to such bidder.

A Deposit will be considered timely delivered to the City upon submission of a federal wire reference number by the specified time. Wire transfer instructions will be available from Baker Tilly MA following the receipt and tabulation of proposals. The successful bidder must send an e-mail including the following information: (i) the federal reference number and time released; (ii) the amount of the wire transfer; and (iii) the issue to which it applies.

Once an award has been made, the Deposit received from the Purchaser will be retained by the City and no interest will accrue to the Purchaser. The amount of the Deposit will be deducted at settlement from the purchase price. In the event the Purchaser fails to comply with the accepted proposal, said amount will be retained by the City.

#### AWARD

The Bonds will be awarded on the basis of the lowest interest rate to be determined on a true interest cost (TIC) basis calculated on the proposal prior to any adjustment made by the City. The City's computation of the interest rate of each proposal, in accordance with customary practice, will be controlling.

The City will reserve the right to: (i) waive non-substantive informalities of any proposal or of matters relating to the receipt of proposals and award of the Bonds, (ii) reject all proposals without cause, and (iii) reject any proposal that the City determines to have failed to comply with the terms herein.

#### BOND INSURANCE AT PURCHASER'S OPTION

The City has **not** applied for or pre-approved a commitment for any policy of municipal bond insurance with respect to the Bonds. If the Bonds qualify for municipal bond insurance and a bidder desires to purchase a policy, such indication, the maturities to be insured, and the name of the desired insurer must be set forth on the bidder's proposal. The City specifically reserves the right to reject any bid specifying municipal bond insurance, even though such bid may result in the lowest TIC to the City. All costs associated with the issuance and administration of such policy and associated ratings and expenses (other than any independent rating requested by the City) shall be paid by the successful bidder. Failure of the municipal bond insurer to issue the policy after the award of the Bonds shall not constitute cause for failure or refusal by the successful bidder to accept delivery of the Bonds.

CUSIP NUMBERS

If the Bonds qualify for the assignment of CUSIP numbers such numbers will be printed on the Bonds; however, neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for failure or refusal by the Purchaser to accept delivery of the Bonds. Baker Tilly MA will apply for CUSIP numbers pursuant to Rule G-34 implemented by the Municipal Securities Rulemaking Board. The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the Purchaser.

SETTLEMENT

On or about June 6, 2024, the Bonds will be delivered without cost to the Purchaser through DTC in New York, New York. Delivery will be subject to receipt by the Purchaser of an approving legal opinion of Kennedy & Graven, Chartered of Minneapolis, Minnesota, and of customary closing papers, including a no-litigation certificate. On the date of settlement, payment for the Bonds shall be made in federal, or equivalent, funds that shall be received at the offices of the City or its designee not later than 12:00 Noon, Central Time. Unless compliance with the terms of payment for the Bonds has been made impossible by action of the City, or its agents, the Purchaser shall be liable to the City for any loss suffered by the City by reason of the Purchaser's non-compliance with said terms for payment.

CONTINUING DISCLOSURE

In accordance with SEC Rule 15c2-12(b)(5), the City will undertake, pursuant to the resolution awarding sale of the Bonds, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Official Statement. The Purchaser's obligation to purchase the Bonds will be conditioned upon receiving evidence of this undertaking at or prior to delivery of the Bonds.

OFFICIAL STATEMENT

The City has authorized the preparation of a Preliminary Official Statement containing pertinent information relative to the Bonds, and said Preliminary Official Statement has been deemed final by the City as of the date thereof within the meaning of Rule 15c2-12 of the Securities and Exchange Commission. For an electronic copy of the Preliminary Official Statement or for any additional information prior to sale, any prospective purchaser is referred to the Municipal Advisor to the City, Baker Tilly Municipal Advisors, LLC, by telephone (651) 223-3000, or by email [bids@bakertilly.com](mailto:bids@bakertilly.com).

A Final Official Statement (as that term is defined in Rule 15c2-12) will be prepared, specifying the maturity dates, principal amounts, and interest rates of the Bonds, together with any other information required by law. By awarding the Bonds to the Purchaser, the City agrees that, no more than seven business days after the date of such award, it shall provide to the Purchaser an electronic copy of the Final Official Statement. The City designates the Purchaser as its agent for purposes of distributing the Final Official Statement to each syndicate member, if applicable. The Purchaser agrees that if its proposal is accepted by the City, (i) it shall accept designation and (ii) it shall enter into a contractual relationship with its syndicate members for purposes of assuring the receipt of the Final Official Statement by each such syndicate member.

**CHIEF'S PREFACE**

These policies, procedures, and rules and regulations are published for guidance and direction of employees of the New Prague Police Department. You must become thoroughly familiar with the directives so you can more effectively serve the public through consistent and uniform procedures.

These directives are for internal use only, and do not enlarge an employee's civil or criminal liability in any way. They should not be interpreted as the creation of a higher standard of safety or care. Violations of these directives, if proven, can only form the basis of a complaint by the New Prague Police Department, and then only in a non judicial administrative setting.

Law enforcement is an "inexact science" which is quite diverse. In performing everyday duties, a police officer must use discretion in an ever changing environment. These directives have been designed to meet the high standards of our profession. You must base your actions in accordance with the guidelines, unless there is justifiable cause for deviation. You must always use good judgment, common sense, and discretion in delivering public services. No set of directives can address every phase of your duties and responsibilities, nor every situation you will encounter.

**LAW ENFORCEMENT CODE OF ETHICS**

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or abuse and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

**MISSION STATEMENT**

*The Mission of the New Prague  
Police Department is to serve  
everyone with Respect and Dignity  
and to do so with Honor, Integrity  
and Pride.*

## Chapter 1 - Law Enforcement Role and Authority

# Law Enforcement Authority

## 100.1 PURPOSE AND SCOPE

The purpose of this policy manual is to affirm the authority of the members of the New Prague Police Department to perform their functions based on established legal authority. The manual is a statement of the current policies, rules and guidelines of the New Prague Police Department. All members are to conform to the provisions of this manual.

All prior and existing manuals, orders and regulations that are in conflict with this manual are rescinded, except to the extent that portions of existing manuals, procedures, orders and other regulations that have not been included herein shall remain in effect, provided that they do not conflict with the provisions of this manual.

## 100.2 POLICY

It is the policy of the New Prague Police Department to limit its members to only exercise the authority granted to them by law.

While this department recognizes the power of peace officers to make arrests and take other enforcement action, officers are encouraged to use sound discretion in the enforcement of the law. This department does not tolerate abuse of law enforcement authority.

## 100.3 PEACE OFFICER POWERS

Licensed officers of this department are peace officers pursuant to Minn. Stat. § 626.84 Subd. 1.

### 100.3.1 ARREST AUTHORITY WITHIN THE JURISDICTION OF THE NEW PRAGUE POLICE DEPARTMENT

agency to meet agency-established active duty standards for qualification in firearms training to carry a firearm of the same type as the concealed firearm.

2. A certification, issued by either the state in which the person resides or by a certified firearms instructor who is qualified to conduct a firearms qualification test for active duty law enforcement officers within that state, indicating that the person has, within the past year, been tested or otherwise found to meet the standards established by the state or, if not applicable, the standards of any agency in that state.
  - (b) Not under the influence of alcohol or another intoxicating or hallucinatory drug or substance.
  - (c) Not prohibited by federal law from receiving a firearm.
  - (d) Not in a location prohibited by Minnesota law or by a private person or entity on his/her property if such prohibition is permitted by Minnesota law.

### 206.4 FORMER OFFICER RESPONSIBILITIES

A former officer with a card issued under this policy shall immediately notify the Shift Sergeant of his/her arrest or conviction in any jurisdiction, or that he/she is the subject of a court order, in accordance with the Reporting of Employee Convictions and Court Orders Policy.

#### 206.4.1 RESPONSIBILITIES UNDER LEOSA

In order to obtain or retain a LEOSA identification card, the former officer shall:

- (a) Sign a waiver of liability of the Department for all acts taken related to carrying a concealed firearm, acknowledging both his/her personal responsibility as a private person for all acts taken when carrying a concealed firearm as permitted by LEOSA and also that these acts were not taken as an employee or former employee of the Department.
- (b) Remain subject to all applicable department policies and federal, state and local laws.
- (c) Demonstrate good judgment and character commensurate with carrying a loaded and concealed firearm.
- (d) Successfully pass an annual criminal history background check indicating that he/she is not prohibited by law from receiving or possessing a firearm.

### 206.5 DENIAL, SUSPENSION OR REVOCATION

A LEOSA identification card may be denied or revoked upon a showing of good cause as determined by the Department. In the event that an identification card is denied, suspended or revoked, the former officer may request a review by the Chief of Police. The decision of the Chief of Police is final.

### 206.6 FIREARM QUALIFICATIONS

The Firearms Instructor may provide former officers from this department an opportunity to qualify. Written evidence of the qualification and the weapons used will be provided and will contain the

date of the qualification. The Firearms Instructor will maintain a record of the qualifications and weapons used.

# Handgun Purchase and Transfer Permit

## 207.1 PURPOSE AND SCOPE

The Chief of Police is given the statutory authority to issue a permit to purchase or transfer a pistol to persons within the community. This policy provides a written process for the application and issuance of such permits.

## 207.2 APPLICATION PROCESS

To apply for a permit to purchase or transfer a pistol, the applicant must complete and submit a signed and dated Minnesota Uniform Firearm Application/Receipt to the Department (Minn. Stat. § 624.7131, Subd. 1). These forms shall be freely available to members of the community at locations determined by the Chief of Police. Applications are also available on the internet (Minn. Stat. § 624.7131, Subd. 3).

Incomplete applications are not suitable for processing and may not be accepted.

The Department shall provide the applicant a dated receipt upon the presentation of the application (Minn. Stat. § 624.7131, Subd. 1).

## 207.3 INVESTIGATION

The Department shall conduct an investigation of the applicant to determine if he/she is eligible for a permit (Minn. Stat. § 624.7131, Subd. 2). The investigation shall include no less than:

- (a) A check of criminal histories, records, and warrants regarding the applicant through Minnesota crime information systems, the national criminal record repository, and the National Instant Criminal Background Check System.
- (b) A reasonable effort to check other available state and local record-keeping systems.
- (c) A check for any commitment history through the Minnesota Department of Human Services of the applicant.

## 207.4 GROUNDS FOR DISQUALIFICATION

The Chief of Police shall deny a permit to an applicant when the applicant is prohibited by state or federal law from possessing a pistol or semiautomatic military-style assault weapon, determined to be a danger to themselves or the public when in possession of a firearm, or listed in the criminal gang investigative data system (Minn. Stat. § 624.7131, Subd. 4).

## 207.5 GRANTING OR DENIAL OF PERMIT

The Chief of Police shall issue a transferee permit or deny the application within 30 days of application for the permit. The permits and their renewal shall be granted free of charge (Minn. Stat. § 624.7131, Subd. 5).

The Chief of Police shall provide an applicant with written notification of a denial and the specific reason for the denial (Minn. Stat. § 624.7131, Subd. 5).

## *Handgun Purchase and Transfer Permit*

---

When the refusal to grant a permit is due to a substantial likelihood that the applicant is a danger to themselves or the public when in possession of a firearm, the written notification shall provide the specific factual basis justifying the denial, including the source, and inform the applicant that they may submit additional documentation within 20 business days (Minn. Stat. § 624.7131, Subd. 4).

Upon receipt of additional documentation, the Chief of Police shall reconsider the denial and inform the applicant within 15 business days of the result of the reconsideration. A notice of denial after reconsideration must be in the same form and substance as the original denial, specifically address any continued deficiencies, and inform the applicant of the right to judicial review of the denial (Minn. Stat. § 624.7131, Subd. 4).

A permit holder whose permit was denied may seek a judicial review by filing a petition in the district court for the county in which the application was submitted (Minn. Stat. § 624.7131, Subd. 8).

### **207.6 VOIDING OR REVOKING PERMIT**

The permit becomes void at the time that the holder becomes prohibited from possessing or receiving a pistol under Minn. Stat. § 624.713, in which event the holder is required to return the permit within five days to the Department.

The Chief of Police shall revoke a permit once they become aware the permit holder is ineligible to possess firearms and shall provide the holder with written notice (Minn. Stat. § 624.7131, Subd. 7).

## Chapter 3 - General Operations

## Use of Force

### 300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Minn. Stat. § 626.8452).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Conducted Energy Device policies.

#### 300.1.1 DEFINITIONS

Definitions related to this policy include:

**Bodily harm** - Physical pain or injury.

**Deadly force** - Force reasonably anticipated and intended to create a substantial likelihood of causing death or great bodily harm.

**Feasible** - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

**Force** - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

**Great bodily harm** - Bodily injury which creates a high probability of death, or which causes serious, permanent disfigurement, or which causes a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily harm.

**Imminent** - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

**Totality of the circumstances** - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the use of force.

### 300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

## *Use of Force*

---

The New Prague Police Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

### 300.2.1 DUTY TO INTERCEDE AND REPORT

Any officer present and observing another law enforcement officer or a member using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force (Minn. Stat. § 626.8452; Minn. Stat. § 626.8475).

Any officer who observes another law enforcement officer or a member use force that is potentially beyond that which is objectively reasonable under the circumstances shall report these observations to a supervisor as soon as feasible (Minn. Stat. § 626.8452; Minn. Stat. § 626.8475).

### 300.2.2 ADDITIONAL REQUIREMENTS

An officer reporting a use of force by another law enforcement officer or member pursuant to this policy shall also make the report in writing to the Chief of Police within 24 hours (Minn. Stat. § 626.8475).

### 300.2.3 PERSPECTIVE

When observing or reporting force used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

## **300.3 USE OF FORCE**

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

## Use of Force

---

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

### 300.3.1 USE OF FORCE TO EFFECT AN ARREST

An officer may use reasonable force (Minn. Stat. § 609.06 and Minn. Stat. § 629.33):

- (a) In effecting a lawful arrest.
- (b) In the execution of a legal process.
- (c) In enforcing an order of the court.
- (d) In executing any other duty imposed by law.
- (e) In preventing the escape, or to retake following the escape, of a person lawfully held on a charge or conviction of a crime.
- (f) In restraining a person with a mental illness or a person with a developmental disability from self-injury or injury to another.
- (g) In self-defense or defense of another.

An officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance of the person being arrested; nor shall such officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest or to prevent escape or to overcome resistance.

### 300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness (Minn. Stat. § 626.8452).
- (j) Seriousness of the suspected offense or reason for contact with the individual.

## Use of Force

---

- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects, and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

### 300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

### 300.3.4 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the New Prague Police Department for this specific purpose.

### 300.3.5 ALTERNATIVE TACTICS - DE-ESCALATION

When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for force, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

## Use of Force

---

### 300.3.6 STATE RESTRICTIONS ON THE USE OF OTHER RESTRAINTS

Officers may not use any of the following restraints unless the use of deadly force is authorized (Minn. Stat. § 609.06; Minn. Stat. § 609.066):

- (a) A chokehold. For purposes of this policy, a chokehold only refers to the method of applying sufficient pressure to an individual to make breathing difficult or impossible, and includes but is not limited to any pressure to the neck, throat, or windpipe that may prevent or hinder breathing, or reduce intake of air.
  1. If applied, a chokehold is subject to the same guidelines and requirements as a carotid control hold.
- (b) Tying all of an individual's limbs together behind the person's back to render the person immobile.
- (c) Securing an individual in any way that results in transporting the person face down in a vehicle.

### 300.4 DEADLY FORCE APPLICATIONS

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

Use of deadly force is justified only if an objectively reasonable officer would believe, based on the totality of the circumstances known to the officer at the time and without the benefit of hindsight, that such force is necessary (Minn. Stat. § 609.066):

- (a) To protect the officer or another from death or great bodily harm.
- (b) To effect the arrest or capture, or prevent the escape, of an individual whom the officer knows or has reasonable grounds to believe has committed or attempted to commit a felony and the officer reasonably believes that the person will cause death or great bodily harm to another person unless immediately apprehended.

In both scenarios, the use of deadly force is only authorized provided that the threat (Minn. Stat. § 609.066):

- Can be articulated with specificity.
- Is reasonably likely to occur absent action by the officer.
- Must be addressed through the use of deadly force without unreasonable delay.

An officer shall not use deadly force against an individual based on the danger the individual poses to self unless the use of deadly force is justified (Minn. Stat. § 609.066).

Additionally, an officer should not use deadly force against a person whose actions are a threat solely to property.

#### 300.4.1 MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force.

## Use of Force

---

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants.

An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

### 300.5 REPORTING THE USE OF FORCE

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances.

To collect data for purposes of training, resource allocation, analysis, and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

#### 300.5.1 NOTIFICATIONS TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

### 300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe.

## Use of Force

---

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

### 300.7 TRAINING

Officers shall receive training on this policy, including the learning objectives as provided by the Board of Peace Officer Standards and Training (POST), and demonstrate their knowledge and understanding at least annually (Minn. Stat. § 626.8452, Subd. 3).

Subject to available resources, officers should receive periodic training on guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.

#### 300.7.1 STATE-SPECIFIC TRAINING REQUIREMENTS

Warrior-style training, as defined in Minn. Stat. § 626.8434, whether provided directly by the Department or through a third party, is prohibited (Minn. Stat. § 626.8434).

#### 300.7.2 TRAINING REQUIREMENTS

Required annual training shall include:

- (a) Legal updates.
- (b) De-escalation tactics, including alternatives to force.
- (c) The duty to intercede.
- (d) The duty to request and/or render medical aid.
- (e) Warning shots (see the Firearms Policy).

## *Use of Force*

---

- (f) All other subjects covered in this policy (e.g., use of deadly force, chokeholds and carotid holds, discharge of a firearm at or from a moving vehicle, verbal warnings).

### **300.8 NECK RESTRAINTS / CHOKE HOLDS**

An officer will not use choke holds to subdue or control individuals unless deadly force is authorized and the technique appears reasonably necessary to carry out lawful objectives.

### **300.9 POLICY REVIEW**

The Chief of Police or the authorized designee should annually review and update this policy to reflect developing practices and procedures.

# Handcuffing and Restraints

## 301.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

## 301.2 POLICY

The New Prague Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

## 301.3 USE OF RESTRAINTS

Only members who have successfully completed New Prague Police Department approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

### 301.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

### 301.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

## *Handcuffing and Restraints*

---

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when an officer makes an individualized determination that such restraints are necessary for the safety of the arrestee, officers, or others.

### **301.3.3 RESTRAINT OF JUVENILES**

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

### **301.3.4 NOTIFICATIONS**

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during transportation to the jail. An officer who transports a person to jail without handcuffs or restraints will notify the jail prior to arrival and provide the circumstances for which restraints were not used.

### **301.4 HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

### **301.5 SPIT HOODS**

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

## Handcuffing and Restraints

---

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Officers should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

### 301.6 LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

#### 301.6.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device..
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.

## Handcuffing and Restraints

---

- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by ambulance/paramedic unit, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

### 301.7 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Officers should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

### 301.8 TRAINING

Subject to available resources, the Chief of Police should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

## Control Devices

### 302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

### 302.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the New Prague Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

### 302.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

### 302.4 RESPONSIBILITIES

#### 302.4.1 SHIFT SERGEANT RESPONSIBILITIES

The Shift Sergeant may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

#### 302.4.2 USE OF FORCE INSTRUCTOR RESPONSIBILITIES

The Control Device Instructor shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Control Device Instructor or the designated instructor for a particular control device. The inspection shall be documented.

#### 302.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

## Control Devices

---

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Control Device

Instructor for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

### **302.5 BATON GUIDELINES**

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys, and groin should not be intentionally targeted except when the officer reasonably believes the use of deadly force is appropriate. See the Use of Force Policy for additional guidance.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt or vest. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

Any person struck with a police baton must be taken to a medical facility for attention, and a report must be submitted to a supervisor prior to going off shift.

### **302.6 OLEORESIN CAPSICUM (OC) GUIDELINES**

As with other control devices, oleoresin capsicum (OC) spray may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. OC spray should not be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

#### **302.6.1 OC SPRAY**

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

#### **302.6.2 TREATMENT FOR OC SPRAY EXPOSURE**

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with the appropriate medical treatment. An ambulance should be called for anyone sprayed with OC to ensure that proper medical treatment is received.

### **302.7 POST-APPLICATION NOTICE**

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle, or other enclosed area, officers should provide the owners or available occupants with notice of

## Control Devices

---

the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that cleanup will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

### **302.8 TRAINING FOR CONTROL DEVICES**

The Chief of Police shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary. Officers will receive training on the use of issued control devices and this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

### **302.9 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES**

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

# Conducted Energy Device

## 303.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

## 303.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

## 303.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Firearms Instructor should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon.

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

### 303.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Firearms Instructor for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

## Conducted Energy Device

---

### 303.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

### 303.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

#### 303.5.1 APPLICATION OF THE CED

The CED may be used when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

#### 303.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject, or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.

## Conducted Energy Device

---

- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

### 303.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

### 303.5.4 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

### 303.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should

## Conducted Energy Device

---

be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

### 303.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

### 303.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

## 303.6 DOCUMENTATION

Officers shall document all CED discharges in the related arrest/crime reports and the Use of Force report forms. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the Use of Force report form. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

### 303.6.1 CED REPORTING INFORMATION

As applicable based on the device type, items that shall be included in the Use of Force report form are:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine.
- (b) Date, time, and location of the incident.
- (c) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (d) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (e) The range at which the CED was used.
- (f) The type of mode used (e.g., probe deployment, drive-stun).
- (g) Location of any probe impact.
- (h) Location of contact in drive-stun mode.
- (i) Description of where missed probes went.
- (j) Whether medical care was provided to the subject.
- (k) Whether the subject sustained any injuries.
- (l) Whether any officers sustained any injuries.

## Conducted Energy Device

---

The Chief of Police should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Chief of Police should also conduct audits of CED device data downloaded to an approved location and reconcile Use of Force report forms with recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

### 303.6.2 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing CEDs
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication, or other medical problems

### 303.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes, who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

## Conducted Energy Device

---

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

### 303.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Firearms Instructor and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

### 303.9 TRAINING

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Personnel who have been issued CEDs will receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Chief of Police. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Chief of Police is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Chief of Police should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.

## *Conducted Energy Device*

---

- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

## Officer-Involved Shootings and Deaths

### 304.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

### 304.2 POLICY

The policy of the New Prague Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

### 304.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

### 304.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

#### 304.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the New Prague Police Department would control the investigation if the suspect's crime occurred in New Prague.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

## *Officer-Involved Shootings and Deaths*

---

### 304.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

### 304.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

### 304.4.4 POST ADMINISTRATIVE INVESTIGATIONS

The Minnesota POST Board may require an administrative investigation based on a complaint alleging a violation of a statute or rule that the board is empowered to enforce. An officer-involved shooting may result in such an allegation. Any such complaint assigned to this department shall be completed and a written summary submitted to the POST executive director within 30 days of the order for inquiry (Minn. Stat. § 214.10, Subd. 10).

## **304.5 INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

### 304.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved NPPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

### 304.5.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved NPPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
  1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.

## Officer-Involved Shootings and Deaths

---

- (b) If necessary, the supervisor may administratively order any NPPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
  1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
  2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Sergeant and Scott County Sheriff's Office. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional NPPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
  1. Each involved NPPD officer should be given an administrative order not to discuss the incident with other involved officers or NPPD members pending further direction from a supervisor.
  2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

### 304.5.3 SHIFT SERGEANT RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the senior officer shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or BCA

All outside inquiries about the incident shall be directed to the Shift Sergeant.

### 304.5.4 NOTIFICATIONS

The following persons shall be notified as soon as practicable:

- Chief of Police
- Sergeant
- BCA
- Outside agency investigators (if appropriate)
- Psychological/peer support personnel
- Medical Examiner (if necessary)
- Involved officer's agency representative (if requested)

### 304.5.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

## Officer-Involved Shootings and Deaths

---

- (a) Any request for legal or union representation will be accommodated.
  - 1. Involved NPPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
  - 2. Requests from involved non-NPPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist shall be provided by the Department to each involved NPPD officer. A licensed psychotherapist may also be provided to any other affected NPPD members, upon request.
  - (a) Interviews with a licensed psychotherapist will be considered privileged.
  - (b) An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, the involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
  - (c) A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved officer and a peer support member, peer support counselors, and critical incident stress management team members are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved NPPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

### 304.6 CRIMINAL INVESTIGATION

The County Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting involving injury or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

## *Officer-Involved Shootings and Deaths*

---

- (a) NPPD supervisors and the Chief of Police should not participate directly in any voluntary interview of NPPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of the officer's choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally, or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

### 304.6.1 REPORTS BY INVOLVED NPPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved NPPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved NPPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved NPPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

### 304.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.

## *Officer-Involved Shootings and Deaths*

---

1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

### 304.6.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigation Unit supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from outside agencies should the investigation be assumed by an outside agency, and may be assigned to separately handle the investigation of any related crimes not being investigated by the outside agency.

All related reports, except administrative and/or privileged reports, will be forwarded to the designated supervisor for approval. Confidential or Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the Chief of Police or designated supervisor.

### 304.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved NPPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Chief of Police and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies and applicable laws (Personnel Complaints Policy; Minn. Stat. § 626.89).

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening in accordance with the drug and alcohol testing guidelines in the Drug- and Alcohol-Free Workplace Policy adopted under the authority of Minn. Stat. § 181.950 to Minn. Stat. § 181.957. Absent

## Officer-Involved Shootings and Deaths

---

consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
  - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information (Minn. Stat. § 626.89).
  - (a) Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
  - (b) The interview must be taken at the NPPD or at a place agreed to by the interviewer and the involved officer.
  - (c) The interview must be of reasonable duration and provide the involved officer reasonable periods for rest and personal necessities. When practicable, the interview must be held during the involved officer's regularly scheduled work shift. If not, the involved officer must be compensated at his/her current pay rate.
  - (d) If requested, the officer shall have the opportunity to select an uninvolved representative or an attorney, or both, to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed.
  - (e) Administrative interviews shall be recorded electronically or otherwise by the investigator. The officer may also record the interview. A complete copy or transcript of the interview must be provided to the involved officer upon written request without charge or undue delay.
  - (f) The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her *Garrity* rights and ordered to provide full and truthful answers to all questions. The officer shall be informed in writing or on the record that the interview will be for administrative purposes only and that the statement cannot be used criminally.
  - (g) The Chief of Police or designee shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
  - (h) Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.

## Officer-Involved Shootings and Deaths

---

- (i) Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

### 304.8 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

### 304.9 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with the approval of assigned investigators or a supervisor.

Any MAV, body-worn video, and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office, as appropriate.

#### 304.9.1 AUDIO AND VIDEO RECORDINGS OF USE OF FORCE INCIDENTS INVOLVING DEATHS OF INDIVIDUALS

When a person dies as a result of the use of force by an officer, the Department shall (Minn. Stat. § 13.825, Subd. 2; Minn. Stat. § 626.8473, Subd. 3):

- (a) Allow certain individuals as identified in Minn. Stat. § 13.825, upon request, to inspect all portable recording system data that documents the incident within five days of the request pursuant to the provisions of Minn. Stat. § 13.825.
- (b) Release all portable recording system data that documents the incident within 14 days of the incident pursuant to the provisions of Minn. Stat. § 13.825.

The Chief of Police should work with the Custodian of Records when redactions or denials are necessary (Minn. Stat. § 13.825, Subd. 2; Minn. Stat. § 626.8473, Subd. 3).

### 304.10 DEBRIEFING

Following an officer-involved shooting or death, the New Prague Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

## *Officer-Involved Shootings and Deaths*

---

The debriefing is not part of any investigative process. Care should be taken not to release or repeat any communication made during a debriefing unless otherwise authorized by policy, law or valid court order.

Attendance at the debriefing shall only include those members of the New Prague Police Department directly involved in the incident.

The debriefing shall be closed to the public and should be closed to all other members of the New Prague Police Department, including supervisory personnel and personnel acting as Internal Affairs Investigators.

### **304.10.1 TACTICAL DEBRIEFING**

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

### **304.11 MEDIA RELATIONS**

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Shift Sergeant, Investigation Chief of Police and Chief of Police in the event of inquiries from the media.

It is the policy of the New Prague Police Department to release the identities of involved Officers when the release does not hinder a law enforcement purpose, does not reveal the identity of an undercover law enforcement officer and as otherwise required by law (Minn. Stat. § 13.82).

No involved NPPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or designee.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

### **304.12 REPORTING**

If an officer discharges a firearm in the course of duty, the Chief of Police shall notify the Commissioner of Public Safety within 30 days of the reason for and the circumstances surrounding the discharge of the firearm (Minn. Stat. § 626.553).

## Firearms

### 305.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

#### 305.1.1 AUTHORIZATION TO CARRY FIREARMS

All licensed personnel shall successfully complete department training regarding the use of force, deadly force, and the use of firearms before being issued a firearm or being authorized to carry a firearm in the course of their duties (Minn. Stat. § 626.8452, Subd. 3; Minn. Stat. § 626.8463).

### 305.2 POLICY

The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

### 305.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Firearms Instructor. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the Department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Chief of Police. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

The authorized department-issued patrol rifle is the Sons of Liberty M-4 .223.

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

- (a) Situations where the member reasonably anticipates an armed encounter.
- (b) When a member is faced with a situation that may require accurate and effective fire at long range.
- (c) Situations where a member reasonably expects the need to meet or exceed a suspect's firepower.
- (d) When a member reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage.
- (e) When a member reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.
- (g) When needed to euthanize an animal.

When not deployed, the patrol rifle shall be properly secured consistent with department training in a locking weapons rack in the patrol vehicle.

- (c) The purchase of the handgun and ammunition shall be the responsibility of the member unless the handgun and ammunition are provided by the Department.
- (d) The handgun shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge or loss of physical control.
- (e) The handgun shall be inspected by the Firearms Instructor prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.

### 305.3.5 AUTHORIZED OFF-DUTY FIREARMS

The carrying of firearms by members while off-duty is permitted by the Chief of Police but may be rescinded should circumstances dictate (e.g., administrative leave). Members who choose to carry a firearm while off-duty, based on their authority as peace officers, will be required to meet the following guidelines:

- (a) A personally owned firearm shall be used, carried and inspected in accordance with the Personally Owned Firearms requirements in this policy.
  - 1. The purchase of the personally owned firearm and ammunition shall be the responsibility of the member.
- (b) The firearm shall be carried concealed at all times and in such a manner as to prevent unintentional cocking, discharge or loss of physical control.
- (c) It will be the responsibility of the member to submit the firearm to the Firearms Instructor for inspection prior to being personally carried. Thereafter the firearm shall be subject to periodic inspection by the Firearms Instructor.

- (i) When armed, officers shall carry their badges and New Prague Police Department identification cards under circumstances requiring possession of such identification.

### 305.3.6 AMMUNITION

Members shall carry only department-authorized ammunition. Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Firearms Instructor when needed, in accordance with established policy.

Members carrying personally owned authorized firearms of a caliber differing from department-issued firearms shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense. Replacements for unserviceable or depleted ammunition issued by

the Department shall be dispensed by the Firearms Instructor when needed, in accordance with established policy.

### 305.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

#### 305.4.1 REPAIRS OR MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Firearms Instructor.

Chief of Police or designee shall approve any modification, alteration or installation of any part (this includes night sights and pistol grips) in any authorized firearm prior to that firearm being utilized for service.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Chief of Police or Firearms Instructor.

Any repairs or modifications to the member's personally owned firearm shall be done at his/her expense and must be approved by the Firearms Instructor.

#### 305.4.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

#### 305.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Firearms Instructor. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

#### 305.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Firearms Instructor. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

### 305.5 SAFE HANDLING, INSPECTION AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Firearms Instructor. Members shall not dry fire or practice quick draws except as instructed by the Firearms Instructor or other firearms training staff.
- (c) Members shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into the jail section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.
- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Firearms Instructor approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Firearms Instructor will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

#### 305.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

## Firearms

---

### 305.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Minn. Stat. § 609.666; Minn. Stat. § 609.378).

### 305.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

## 305.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training with their duty firearms. All members will qualify at least annually with their duty firearms (Minn. Stat. § 626.8452). Officers will also receive training on this policy, including the learning objectives as provided by POST, at least annually (Minn. Stat. § 626.8452, Subd. 3).

Members will qualify with off-duty and secondary firearms at least annually.

Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including adverse conditions and low-light shooting.

### 305.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
  1. Unauthorized range make-up
  2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

## Firearms

---

### 305.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Chief of Police or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

#### 305.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

#### 305.7.2 INJURED ANIMALS

A member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

#### 305.7.3 WARNING AND OTHER SHOTS

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

Warning shots should not be used.

#### 305.7.4 REPORTING FIREARMS DISCHARGE

The Chief of Police shall notify the Commissioner of Public Safety within 30 days of an on-duty firearm discharge, except when the discharge is in the course of training or destruction of animals (described in this policy). The notification shall contain information concerning the reason for and circumstances surrounding the discharge (Minn. Stat. § 626.553).

## Firearms

### 305.8 FIREARMS INSTRUCTOR DUTIES

The range will be under the exclusive control of the Firearms Instructor. All members attending will follow the directions of the Firearms Instructor. The Firearms Instructor will maintain a roster of all members attending the range and will submit the roster to the Chief of Police after each range date. Failure of any member to sign in and out with the Firearms Instructor may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Firearms Instructor has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Firearms Instructor has the authority to deem any department-issued or privately owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm; it will not be returned to service until inspected and approved by the Firearms Instructor.

The Firearms Instructor has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Firearms Instructor shall complete and submit to the Chief of Police documentation of the courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Firearms Instructor should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Chief of Police.

### 305.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to personnel who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their New Prague Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature, and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The New Prague Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the New Prague Police Department an NLETS message

containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.

- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail the itinerary, and include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification can be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of the officer's assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on the officer's person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative, or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

### 305.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry the officer's New Prague Police Department identification card whenever carrying such weapon.
- (b) The officer is not the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base, or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

## Vehicle Pursuits

### 306.1 PURPOSE AND SCOPE

Vehicle pursuits expose innocent citizens, law enforcement officers and fleeing violators to the risk of serious injury or death. The primary purpose of this policy is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this policy is to minimize the potential for pursuit-related collisions. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a suspect is generally not more important than the safety of the public and pursuing officers (Minn. Stat. § 626.8458 Subd. 1).

#### 306.1.1 PHILOSOPHY

Deciding whether to pursue a motor vehicle is a critical decision that must be made quickly and under difficult and unpredictable circumstances. In recognizing the risk to public safety created by vehicle pursuits, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a vehicle pursuit due to the risk involved. This includes circumstances where Department policy would permit the initiation or continuation of the pursuit. It is recognized that vehicle pursuits are not always predictable and decisions made pursuant to this policy will be evaluated according to the totality of the circumstances reasonably available at the time of the pursuit (Minn. Stat. § 626.8458 Subd. 1).

Officers must remember that the most important factors to the successful conclusion of a pursuit are proper self-discipline and sound professional judgment. Officers conduct during the course of a pursuit must be objectively reasonable; that is, what a reasonable officer would do under the circumstances. An individual's unreasonable desire to apprehend a fleeing suspect at all costs has no place in professional law enforcement pursuit (Minn. Stat. § 626.8458 Subd. 2 (2)).

### 306.2 DEFINITIONS

Definitions related to this policy include:

**Blocking or vehicle intercept** - A slow-speed coordinated maneuver where two or more law enforcement vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop, with the goal of containment and preventing a pursuit. Blocking is not a moving or stationary road block.

**Boxing-in** - A tactic designed to stop a violator's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Pursuit Intervention Technique (PIT)** - A low-speed maneuver intended to terminate the pursuit by causing the violator's vehicle to spin out and come to a stop.

**Ramming** - The deliberate act of impacting a violator's vehicle with another vehicle to functionally damage or otherwise force the violator's vehicle to stop.

## Vehicle Pursuits

---

**Roadblocks** - A tactic designed to stop a violator's vehicle by intentionally placing a vehicle or other immovable object in the path of the violator's vehicle.

**Spikes or tack strips** - A device that extends across the roadway and is designed to puncture the tires of the pursued vehicle.

**Vehicle pursuit** - An event in which a peace officer attempts to apprehend a driver who ignores the signal to stop by increasing speed, extinguishing headlights or taillights, refusing to stop the vehicle, or using other means with intent to attempt to elude a peace officer (Minn. Stat. § 609.487).

### 306.3 OFFICER RESPONSIBILITIES

It is the policy of this department that a vehicle pursuit shall be conducted with at least one flashing red warning lamp visible from the front and a siren that is sounded when necessary to warn pedestrians or other drivers (Minn. Stat. § 169.17; Minn. Stat. § 169.68).

Operating an emergency vehicle in a pursuit with emergency lights and siren does not relieve the operator of an authorized emergency vehicle of the duty to drive with due regard for the safety of all persons, and does not protect the driver from the consequences of a reckless disregard for the safety of others (Minn. Stat. § 169.17).

#### 306.3.1 WHEN TO INITIATE A PURSUIT

Officers are authorized to initiate a pursuit when it is reasonable to believe that a suspect is attempting to evade arrest or detention by fleeing in a vehicle that has been given a signal to stop by a peace officer.

The following factors individually and collectively shall be considered in deciding whether to initiate or continue a pursuit (Minn. Stat. § 626.8458 Subd. 2(2)):

- (a) Seriousness of the known or reasonably suspected crime and its relationship to community safety
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists, and others
- (c) Apparent nature of the fleeing suspect (e.g., whether the suspect represents a serious threat to public safety)
- (d) The identity of the suspect has been verified and there is comparatively minimal risk in allowing the suspect to be apprehended at a later time
- (e) Safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones), and the speed of the pursuit relative to these factors
- (f) The pursuing officer's familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher/supervisor, and the driving capabilities of the pursuing officers under the conditions of the pursuit

## Vehicle Pursuits

---

- (g) Weather, traffic, and road conditions that unreasonably increase the danger of the pursuit when weighed against the risks resulting from the suspect's escape
- (h) Performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit
- (i) Vehicle speeds
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders, hostages)
- (k) Age of the suspect and occupants
- (l) Availability of other resources, such as aircraft assistance
- (m) The police unit is carrying passengers other than on-duty police officers. Pursuits should not be undertaken with a prisoner in the pursuit vehicle unless exigent circumstances exist, and then only after the need to apprehend the suspect is weighed against the safety of the prisoner in transport. A unit containing more than a single prisoner should not participate in a pursuit.
- (n) Divided highways and one-way roads (Minn. Stat. § 169.03 Subd. 3)

### 306.3.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

The above factors on when to initiate a pursuit are expressly included herein and will apply equally to the decision to terminate a pursuit as to the decision to initiate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves, and the public when electing to continue a pursuit. In the context of this policy, the term "terminate" shall be construed to mean discontinue or to stop chasing the fleeing vehicle.

In addition to the factors listed above, the following factors should be considered when deciding whether to terminate a pursuit (Minn. Stat. § 626.8458 Subd. 2 (2)):

- (a) The distance between the pursuing officers and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The officer's pursuit vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuit vehicle suffers an emergency equipment failure that causes the vehicle to no longer qualify for emergency operation use.
- (e) Extended pursuits of violators for misdemeanors not involving abuse or risk of serious harm (independent of the pursuit) are discouraged.
- (f) Hazards to uninvolved bystanders or motorists.

## Vehicle Pursuits

---

- (g) If the identity of the offender is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit, officers should strongly consider terminating the pursuit and apprehending the offender at a later time.
- (h) When directed to terminate the pursuit by a supervisor.
- (i) When radio communications are broken or inadequate.
- (j) When the danger that the continued pursuit poses to the public, the officers, or the suspect is too great, balanced against the risk of allowing the suspect to remain at large.

### 306.3.3 SPEED LIMITS

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the officer and supervisor. Evaluation of vehicle speeds shall take into consideration public safety, officer safety and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, officers and supervisors shall also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the officer.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

### 306.4 PURSUIT UNITS

Pursuit units should be limited to three vehicles (two units and a supervisor). However, the number of units involved will vary with the circumstances.

An officer or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the suspects. All other officers shall stay out of the pursuit but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

Distinctively marked patrol vehicles should replace unmarked vehicles involved in a pursuit whenever practicable.

#### 306.4.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT

Vehicles not equipped with red light and siren are prohibited from initiating or joining in any pursuit. Officers in such vehicles may provide support to pursuing units as long as their vehicle is operated in compliance with all traffic laws.

#### 306.4.2 PRIMARY UNIT RESPONSIBILITIES

The initial pursuing officer will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless it is unable to remain reasonably close enough to the violator's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the

## Vehicle Pursuits

---

suspects without unreasonable danger to the officer or other persons (Minn. Stat. § 626.8458 Subd. 2 (4)).

The primary unit should notify Scott County Sheriff's Office, commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including but not limited to:

- (a) Reason for the pursuit.
- (b) Location and direction of travel.
- (c) Speed of the fleeing vehicle.
- (d) Description of the fleeing vehicle and license number, if known.
- (e) Number of occupants.
- (f) The identity or description of the known occupants.
- (g) Weather, road, and traffic conditions.
- (h) Identity of other agencies involved in the pursuit.
- (i) Information concerning the use of firearms, threat of force, injuries, hostages, or other unusual hazards.
- (j) Request for medical assistance for any person injured in the course of the pursuit (Minn. Stat. § 626.8458 Subd. 2 (6)).

Unless relieved by a supervisor or secondary unit, the officer in the primary unit shall be responsible for broadcasting the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary unit should relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or aircraft joining the pursuit to minimize distractions and allow the primary unit to concentrate foremost on safe pursuit tactics.

### 306.4.3 SECONDARY UNIT RESPONSIBILITIES

The second officer in the pursuit is responsible for the following:

- (a) Immediately notifying the dispatcher of entry into the pursuit
- (b) Remaining at a safe distance behind the primary unit unless directed to assume the role of primary officer, or if the primary unit is unable to continue the pursuit
- (c) Broadcasting the progress of the pursuit unless the situation indicates otherwise
- (d) Serve as backup to the primary unit once the subject has been stopped

### 306.4.4 PURSUIT DRIVING TACTICS

The decision to use or not use specific driving tactics requires the same assessment of considerations outlined in the factors to be considered concerning pursuit initiation and termination. The following are tactics for units involved in the pursuit (Minn. Stat. § 626.8458 Subd. 2 (3)):

## Vehicle Pursuits

---

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Officers may proceed past a red, or stop signal, or stop sign but only after slowing down and utilizing a flashing red lamp or siren as may be necessary for safe operation (Minn. Stat. § 169.03, Subd. 2).
- (c) As a general rule, officers should not pursue a vehicle driving the wrong way on a roadway, highway, or freeway (Minn. Stat. § 169.03). In the event the pursued vehicle does so, the following tactics should be considered:
  - 1. Request assistance from an available air unit.
  - 2. Maintain visual contact with the pursued vehicle by paralleling on the correct side of the roadway.
  - 3. Request other units to observe exits available to the suspects.
- (d) Notify the Minnesota State Patrol or other law enforcement agency if it appears the pursuit may enter their jurisdiction.
- (e) Officers involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit, and a clear understanding of the maneuver process exists between the involved officers.

### 306.4.5 TACTICS/PROCEDURES FOR UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Officers should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

Non-pursuing personnel needed at the termination of the pursuit should respond in a non-emergency manner, observing the rules of the road.

The primary unit, secondary unit and supervisor should be the only units operating under emergency conditions (emergency lights and siren) unless other units are assigned to the pursuit.

### 306.4.6 PURSUIT TRAILING

In the event the initiating unit from this agency relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide necessary information and assistance for the arrest of the suspects.

The term "trail" means to follow the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing unit will maintain sufficient distance from the pursuit units so as to clearly indicate an absence of participation in the pursuit.

## Vehicle Pursuits

---

### 306.4.7 AIRCRAFT ASSISTANCE

When available, aircraft assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, it should assume control over the pursuit. The primary and secondary ground units should consider whether the participation of an aircraft warrants their continued involvement in the pursuit (Minn. Stat. § 626.8458 Subd. 2 (4)).

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide officers and supervisors with details of upcoming traffic congestion, road hazards or other pertinent information to evaluate whether to continue the pursuit. If ground units are not within visual contact and the air unit determines that it is unsafe to continue the pursuit, the air unit should recommend terminating the pursuit.

### 306.5 SUPERVISORY CONTROL AND RESPONSIBILITIES

It is the policy of this department that available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department (Minn. Stat. § 626.8458 Subd. 2 (4)).

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for the following:

- (a) Upon becoming aware of a pursuit, immediately notify involved officers and Scott County Sheriff's Office of supervisory presence and ascertain all reasonably available information to continuously assess the situation and risk factors associated with the pursuit in order to ensure that the pursuit is conducted within established department guidelines.
- (b) Engage in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercise management and control of the pursuit even if not engaged in it.
- (d) Ensure that no more than the number of required law enforcement units needed are involved in the pursuit under the guidelines set forth in this policy.
- (e) Direct that the pursuit be terminated if, in the field supervisor's judgment, it is not justified to continue the pursuit under the guidelines of this policy.
- (f) Ensure that aircraft assistance is requested if available.
- (g) Ensure that the proper radio channel is being used.
- (h) Ensure the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this agency.
- (i) Control and manage NPPD units when a pursuit enters another jurisdiction.
- (j) Prepare a post-pursuit critique and analysis of the pursuit for training purposes.

#### 306.5.1 SHIFT SERGEANT RESPONSIBILITIES

Upon becoming aware that a pursuit has been initiated, the Shift Sergeant should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Sergeant has the final responsibility for the coordination,

## Vehicle Pursuits

---

control, and termination of a vehicle pursuit and shall be in overall command (Minn. Stat. § 626.8458 Subd. 2 (4)).

The Shift Sergeant shall review all pertinent reports for content and forward them to the Chief of Police.

### 306.6 COMMUNICATIONS

If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or communications dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to an emergency channel most accessible by participating agencies and units.

#### 306.6.1 SCOTT COUNTY SHERIFF'S OFFICE RESPONSIBILITIES

Upon notification that a pursuit has been initiated, Scott County Sheriff's Office will be responsible for the following (Minn. Stat. § 626.8458 Subd. 2 (4)):

- (a) Coordinate pursuit communications of the involved units and personnel.
- (b) Notify and coordinate with other involved or affected agencies as practicable.
- (c) Ensure that a field supervisor is notified of the pursuit.
- (d) Assign an incident number and log all pursuit activities.
- (e) Broadcast pursuit updates as well as other pertinent information as necessary.
- (f) Notify the Shift Sergeant as soon as practicable.

#### 306.6.2 LOSS OF PURSUED VEHICLE

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating the vehicle. The primary unit will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

### 306.7 INTER-JURISDICTIONAL CONSIDERATIONS

When a pursuit enters another agency's jurisdiction, the primary officer or supervisor, taking into consideration distance traveled, unfamiliarity with the area, and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary officer or supervisor ensure that notification is provided to the dispatcher and to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist (Minn. Stat. § 626.8458 Subd. 2 (5)).

If a pursuit from another agency enters the department's jurisdiction, Scott County Sheriff's Office should update the on-duty supervisor.

#### 306.7.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

New Prague Police Department officers will discontinue the pursuit when another agency has assumed the pursuit unless continued assistance of the New Prague Police Department is

## Vehicle Pursuits

---

requested by the agency assuming the pursuit. Upon discontinuing the pursuit, the primary unit may proceed upon request, with or at the direction of a supervisor, to the termination point to assist in the investigation.

The role and responsibilities of officers at the termination of a pursuit initiated by this department shall be coordinated with appropriate consideration of the units from the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local agencies, a request for another agency's assistance will mean that its personnel will assume responsibilities for the pursuit. For the same reasons, when a pursuit leaves another jurisdiction and a request for assistance is made to this department, the other agency should relinquish control.

### 306.7.2 PURSUITS EXTENDING INTO THIS JURISDICTION

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Units from this department should not join a pursuit unless specifically requested to do so by the agency whose peace officers are in pursuit. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a unit from this department may join the pursuit until sufficient units from the initiating agency join the pursuit.

When a request is made for this department to assist or take over a pursuit from another agency that has entered this jurisdiction, the supervisor should consider these additional following factors:

- (a) Ability to maintain the pursuit.
- (b) Circumstances serious enough to continue the pursuit.
- (c) Adequate staffing to continue the pursuit.
- (d) The public's safety within this jurisdiction.
- (e) Safety of the pursuing officers.

As soon as practicable, a supervisor or the Shift Sergeant should review a request for assistance from another agency. The Shift Sergeant or supervisor, after consideration of the above factors, may decline to assist in or assume the other agency's pursuit.

Assistance to a pursuing outside agency by officers of this department will terminate at the City limits provided that the pursuing peace officers have sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, officers shall provide appropriate assistance to peace officers from the outside agency including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

### 306.8 PURSUIT INTERVENTION

Pursuit intervention is an attempt to terminate the ability of a suspect to continue to flee in a motor vehicle through tactical application of technology, road spikes, blocking, boxing, PIT (Pursuit Intervention Technique), ramming or roadblock procedures.

#### 306.8.1 WHEN USE AUTHORIZED

Use of pursuit intervention tactics should be employed only after approval of a supervisor. In deciding whether to use intervention tactics, officers/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers, and persons in or on the pursued vehicle. With these risks in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances apparent to the officer at the time of the decision (Minn. Stat. § 626.8458 Subd. 2).

It is imperative that officers act within legal bounds using good judgment and accepted practices.

#### 306.8.2 USE OF FIREARMS

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Officers should not utilize firearms during an ongoing pursuit unless the conditions and circumstances meet the requirements authorizing the use of deadly force. Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

#### 306.8.3 INTERVENTION STANDARDS

Any pursuit intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and are subject to Department policies guiding such use. Officers who have not received Department-approved training in the application and use of any intervention tactic or equipment shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

- (a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to public safety when officers reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this technique should only be employed by officers who have received training in such tactics and after giving consideration to the following:
  1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risks of injury or death to occupants of the suspect vehicle, officers or other members of the public.
  2. All other reasonable intervention techniques have failed or reasonably appear ineffective.
  3. Employing the blocking maneuver does not unreasonably increase the risk to officer safety.

## Vehicle Pursuits

---

4. The target vehicle is stopped or traveling at a low speed.
  5. At no time should civilian vehicles be used to deploy this technique.
- (b) Only those officers trained in the use of the PIT will be authorized to use this procedure and only then with approval of a supervisor upon consideration of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle.
- (c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the officer's disposal have been exhausted. This tactic should be reserved for situations where there does not appear to be another reasonable alternative method. This policy is an administrative guide to direct officers in their decision-making process before ramming another vehicle. When ramming is used as a means to stop a fleeing vehicle, the following factors should be present:
1. The suspect is an actual or suspected felon, who reasonably appears to represent a serious threat to the public if not apprehended.
  2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner.
  3. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized.
- (d) As with all intervention techniques, pursuing officers should obtain supervisor approval before attempting to box a suspect vehicle during a pursuit. The use of such a technique must be carefully coordinated with all involved units, taking into consideration the circumstances and conditions apparent at the time, as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle.
- (e) Spike strips should be deployed only when it is reasonably apparent that only the pursued vehicle will be affected by their use. Prior to the deployment of spike strips, the officer shall notify pursuing units and the supervisor of the intent and location. Officers should carefully consider the limitations of such devices as well as the potential risks to officers, the public and occupants of the pursued vehicle. If the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials or a school bus transporting children officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.
- (f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor, and only then under extraordinary conditions when all other reasonable intervention techniques have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or other members of the public.

## Vehicle Pursuits

---

### 306.8.4 CAPTURE OF SUSPECTS

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force that reasonably appears necessary under the circumstances to properly perform their lawful duties.

Unless relieved by a supervisor, the primary officer should coordinate efforts to apprehend the suspect(s) following the pursuit. Officers should consider safety of the public and the involved officers when formulating plans to contain and capture the suspect.

### 306.9 REPORTING AND REVIEW REQUIREMENTS

All appropriate reports shall be completed to comply with appropriate local and state regulations. The Police Records Technician shall ensure the appropriate forms are filed with the Department of Public Safety within 30 days (Minn. Stat. § 626.5532):

- (a) The primary officer shall complete appropriate crime/arrest reports.
- (b) The primary officer or supervisor shall complete the appropriate pursuit report.
- (c) After first obtaining available information, the on-duty field supervisor shall promptly complete a Supervisor's Log or interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or designee. This memo should minimally contain the following information (Minn. Stat. § 626.5532):
  1. Date and time of pursuit.
  2. Length of pursuit in distance and time.
  3. Involved units and officers.
  4. Initial reason and circumstances surrounding the pursuit.
  5. Starting and termination points.
  6. Alleged offense, charges filed or disposition: arrest, citation or other release.
  7. Arrestee information should be provided if applicable.
  8. Injuries and/or property damage.
  9. Medical treatment.
  10. The outcome of the pursuit.
  11. Name of supervisor handling or at the scene.
  12. A preliminary determination that the pursuit appears to be in compliance with this policy or additional review and/or follow-up is warranted.
- (d) After receiving copies of reports, logs and other pertinent information, the Chief of Police or designee shall conduct or assign the completion of a post-pursuit review as appropriate to the circumstances.

## Vehicle Pursuits

---

- (e) Annually, the Chief of Police should direct a documented review and analysis of Department vehicle pursuits to minimally include policy suitability, policy compliance and training needs.

### 306.9.1 REGULAR AND PERIODIC PURSUIT TRAINING

In addition to initial and supplementary training on pursuits, all licensed non-exempt employees will participate, no less than annually, in regular and periodic training on this policy and the importance of vehicle safety and protecting the public at all times. Training will include a recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.

The Chief of Police shall ensure the frequency and content of emergency vehicle operations and vehicle pursuit training meets or exceeds that required by law (Minn. Stat. § 626.8458 Subd. 5).

### 306.9.2 POLICY REVIEW

Each licensed member of this department shall certify in writing that they have received, read and understand this policy initially and upon any amendments.

### 306.9.3 YEARLY CERTIFICATION

This policy shall be reviewed and certified to the state annually that it complies with requirements of any new or revised model policy adopted by the state (Minn. Stat. § 626.8458 Subd. 3).

### 306.9.4 PUBLIC DISCLOSURE

Copies of the current pursuit policy shall be made available to the public on request.

## Officer Response to Calls

### 307.1 PURPOSE AND SCOPE

The State of Minnesota finds that emergency vehicle operations are an integral part of law enforcement's commitment to public safety. This policy provides for the safe and appropriate response to all emergency and non-emergency situations (Minn. Stat. § 626.8458, Subd. 1).

### 307.2 POLICY

It is the policy of this department to appropriately respond to emergency and nonemergency calls for service or requests for assistance, whether these are dispatched or self-initiated.

### 307.3 RESPONSE TO CALLS

#### 307.3.1 RESPONSE TO EMERGENCY CALLS

Officers responding to an emergency call shall proceed immediately as appropriate. Officers responding to an emergency call shall sound the siren or display at least one lighted red light to the front of the vehicle. Whenever practicable, during an emergency call response the officer should continuously operate emergency lighting equipment and sound the siren (Minn. Stat. § 169.03 et seq.; Minn. Stat. § 169.17).

Responding with a red light, emergency lighting and/or siren does not relieve the operator of an authorized emergency vehicle or a law enforcement vehicle of the duty to drive with due regard for the safety of all persons and does not protect the driver from the consequences of his/her reckless disregard for the safety of others. The use of any other warning equipment without emergency lights and siren does not provide an exemption under Minnesota law (Minn. Stat. § 169.17).

Officers should only respond with a red light, emergency lights and/or siren when so dispatched or when circumstances reasonably indicate an emergency response is appropriate. Officers not responding with a red light, emergency lights and/or siren shall observe all traffic laws.

#### 307.3.2 LIGHTING EXEMPTION OF LAW ENFORCEMENT VEHICLES

An officer may operate a vehicle without lights as otherwise required while performing law enforcement duties when the officer reasonably believes that operating the vehicle without lights is necessary to investigate a criminal violation or suspected criminal violation of state laws, rules or orders, or local laws, ordinances or regulations. The operation of a vehicle without lights must be consistent with the standards adopted by Minnesota Peace officer Standards and Training Board (POST) (Minn. Stat. § 169.541).

### 307.4 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an imminent threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen. Where a situation has stabilized and

## Officer Response to Calls

---

emergency response is not required, the requesting officer shall promptly notify Scott County Sheriff's Office.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

### 307.4.1 NUMBER OF UNITS PARTICIPATING

Normally, only those units reasonably necessary should respond to an emergency as an emergency call response. The Shift Sergeant or the senior officer should monitor all emergency responses and reduce or enhance the response as warranted.

### 307.5 INITIATING EMERGENCY CALL RESPONSE

If an officer believes an emergency call response to any call is appropriate, the officer shall immediately notify Scott County Sheriff's Office. Emergency responses of more than one unit should include, if circumstances reasonably permit, coordination of the response of the second responding unit by Scott County Sheriff's Office to avoid unanticipated intersecting of response routes.

An emergency call response of more than one unit should initiate notification by Scott County Sheriff's Office to the Shift Sergeant or senior officer of the response. The Shift Sergeant or senior officer will make a determination regarding the appropriateness of the response and reduce or enhance the response as warranted.

### 307.6 RESPONSIBILITIES OF RESPONDING OFFICERS

Officers shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. During a response to an emergency call officers may (Minn. Stat. § 169.03; Minn. Stat. § 169.17):

- (a) Proceed cautiously past a red or stop signal or stop sign but only after slowing down and utilizing a red light or siren as may be necessary for safe operation.
- (b) Exceed any speed limits, provided this does not endanger life or property.
- (c) Disregard regulations governing direction of movement or turning in specified directions as authorized by law.
- (d) Disregard regulations governing parking or standing when using a warning lamp.

The decision to continue an emergency call response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response

## Officer Response to Calls

---

without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify Scott County Sheriff's Office. An officer shall also discontinue an emergency call response when directed by a supervisor or as otherwise appropriate.

When emergency vehicles are on the scene of an emergency and pose any hazard, or when the vehicle operators seek exemption to park, stop or stand contrary to any law or ordinance pursuant to Minn. Stat. § 169.541, adequate warning lights shall be operated whenever practicable.

### 307.7 SUPERVISORY RESPONSIBILITIES

Upon being notified that an emergency response has been initiated, the Shift Sergeant or the senior officer shall verify the following:

- (a) The proper response has been initiated.
- (b) No more than those units reasonably necessary under the circumstances are involved in the response.
- (c) Affected outside jurisdictions are being notified as practicable.

The field supervisor shall, whenever practicable, monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned an emergency response, the supervisor may do so.

It is the supervisor's responsibility to terminate an emergency response that, in his/her judgment, is inappropriate due to the circumstances.

When making the decision to authorize an emergency call response, the Shift Sergeant or the field supervisor should consider the following:

- The type of call or crime involved.
- The necessity of a timely response.
- Traffic and roadway conditions.
- The location of the responding units.

### 307.8 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the emergency call response and respond accordingly. The officer shall notify the Shift Sergeant, field

## *Officer Response to Calls*

---

supervisor or Scott County Sheriff's Office of the equipment failure so that another unit may be assigned to the emergency response.

### **307.9 TRAINING**

The Chief of Police shall ensure the frequency and content of emergency vehicle operations training meets or exceeds that required by law (Minn. Stat. § 626.8458).

## Domestic Abuse

### 308.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent, and reduce domestic abuse through vigorous enforcement and to address domestic abuse as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic abuse.

#### 308.1.1 DEFINITIONS

Definitions related to this policy include:

- a. **Court order** - All forms of orders related to domestic abuse, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.
- b. **Domestic abuse** - Commission of any of the following if committed against a family or household member by another family or household member (Minn. Stat. § 518B.01, Subd. 2):
  - (a) Actual or fear of imminent physical harm, bodily injury, or assault
  - (b) Threats of violence with intent to terrorize as specified by Minn. Stat. § 609.713, Subd.1.
  - (c) Criminal sexual conduct (Minn. Stat. § 609.342 to Minn. Stat. § 609.3451)
  - (d) Interference with an emergency call as specified by Minn. Stat. § 609.78, Subd.2.
- c. Domestic Abuse Program means a public or private intervention project or advocacy program which provides support and assistance to the victims of domestic abuse.
- d. Child means a person under the age of 18.
- e. Family or Household Member has the meaning given it in Minn. Stat. 518B.01, subd.2(b)(1)-(7): spouses, former spouses, parents and children, persons related by blood, and persons who are presently residing together or who have resided together in the past, persons who have a child in common regardless of whether they have been married or have lived together at any time, and persons involved in a significant romantic or sexual relationship. It also includes a man and a woman if the woman is pregnant and the man is alleged to be the father, regardless of whether they have been married or have lived together at any time.
- f. Qualified domestic violence-related offense (QDVRO) has the meaning given it in Minn.Stat. 609.02, subd. 16 and includes a violation of or an attempt to violate a domestic abuse order for protection; first or second degree murder; first through fifth degree assault; domestic assault; female genital mutilation; domestic assault by strangulation; first through fourth degree criminal sexual conduct; malicious punishment of a child; terroristic threats; violation of harassment restraining order; stalking; interference with an emergency call; nonconsensual dissemination of private sexual images; and violation of domestic abuse no contact order; and similar laws of other states, the United States, the District of Columbia, tribal lands, and United States territories. If a

## Domestic Abuse

person arrested for a domestic crime has a prior QDVRO, the new offense may be chargeable as a higher-level crime.

g. Order for Protection (OFP) is an order issued under Minn. Stat. 518B.01 by a judge in civil court upon the request of the petitioner. Any family or household member of the abuser (called a respondent) may ask the court for an OFP. The relief granted to the petitioner may include an order for the respondent to stop domestic abuse, no direct or indirect contact with petitioner, temporary custody of minor children, temporary financial support, and/or counseling for the respondent. Other forms or relief are also available. Violating an OFP is a crime.

h. Domestic Abuse No Contact Order (DANCO) is an order issued under Minn. Stat. 629.75 by a judge in criminal court limiting contact between a defendant and a victim of domestic abuse. DANCOs may be issued as pretrial condition of release and/or as a probationary condition of sentence.

i. Stalking has the meaning given to it in Minn. Stat. 609.749, subd. 1: engaging in conduct which the actor knows or has reason to know would cause the victim under the circumstances to feel frightened, threatened, oppressed, persecuted, or intimidated, and causes this reaction on the part of the victim regardless of the relationship between the actor and victim.

### 308.2 POLICY

The New Prague Police Department's response to incidents of domestic abuse and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic abuse is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

### 308.3 OFFICER SAFETY

The investigation of domestic abuse cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

### 308.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic abuse cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic abuse and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other

children who may not have been in the house at that particular time should also be obtained for follow-up.

- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigation Unit in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Whether the suspect lives on the premises with the victim.
  - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
  - 3. The potential financial or child custody consequences of arrest.
  - 4. The physical or emotional state of either party.
  - 5. Use of drugs or alcohol by either party.
  - 6. Denial that the abuse occurred where evidence indicates otherwise.
  - 7. A request by the victim not to arrest the suspect.
  - 8. Location of the incident (public/private).
  - 9. Speculation that the complainant may not follow through with the prosecution.
  - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
  - 11. The social status, community status, or professional position of the victim or suspect.

## Domestic Abuse

---

- (k) **Predominant Aggressor and Dual Arrests:** The agency shall discourage dual arrest. Where there are allegations that each party assaulted the other, the peace officer shall determine whether there is sufficient evidence to conclude that one of the parties is the predominant aggressor based on the following criteria and the officer's judgment:
1. the existence or previous existence of an order for protection.
  2. the history of domestic abuse perpetrated by one party against the other, or
  3. actions taken in self-defense or to protect oneself,
  4. fear of physical injury because of past or present threats,
  5. comparative extent of any injuries inflicted

### 308.4.1 IF AN ARREST IS MADE

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail (Minn. Stat. § 629.72 Subd. 6).
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

### 308.4.2 IF NO ARREST IS MADE

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
  1. Voluntary separation of the parties.
  2. Appropriate resource referrals (e.g. counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

## 308.5 VICTIM ASSISTANCE

Because victims may be traumatized or confused, officers should be aware that a victim's behavior and actions may be affected.

- (a) Victims should be provided with the department's domestic abuse information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should be alerted to any available victim advocates, shelters, and community resources.
- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, officers should stand by for a reasonable amount of time.
- (d) If the victim has sustained injury or complains of pain, officers should seek medical assistance as soon as practicable.

## Domestic Abuse

---

- (e) Officers should ask the victim whether he/she has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (f) Officers should make reasonable efforts to ensure that any children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, officers should seek or assist the victim in obtaining an emergency order.
- (h) An officer shall complete a lethality assessment that will be forwarded to Southern Valley Alliance via email. If email is unavailable the officer will forward the information via facsimile.

### 308.6 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic abuse cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

#### 308.6.1 CANADIAN ORDERS FOR PROTECTION

An order for protection issued by Canada or a Canadian province shall be enforced as if it were the order of a court in this state and afforded the same consideration as foreign court orders with respect to proper issuance and registration (Minn. Stat. § 518F.03).

### 308.7 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

### 308.8 LEGAL MANDATES AND RELEVANT LAWS

Minnesota law provides for the following:

#### 308.8.1 STANDARDS FOR ARRESTS

Officers investigating a domestic abuse report should consider the following:

- (a) An officer has the authority to arrest a person without a warrant, including at the person's residence, if the peace officer has probable cause to believe that the person has, within the preceding 72 hours, exclusive of the day probable cause was established, assaulted, threatened with a dangerous weapon, or placed in fear of immediate bodily harm any person covered by the "family or household member" definition, even if the assault did not rise to the level of a felony or did not take place in the presence of the peace officer (Minn. Stat. § 629.34; Minn. Stat. § 629.341).
- (b) Officers should generally not make dual arrests but may make an arrest of a primary aggressor. Where there are allegations that each party assaulted the other, the officer shall determine whether there is sufficient evidence to conclude that one of the parties was the primary aggressor based on the following criteria and the officer's judgment (Minn. Stat. § 629.342, Subd. 2):
  1. Comparative extent of any injuries inflicted
  2. Fear of physical injury because of past or present threats
  3. Actions taken in self-defense or to protect oneself
  4. History of domestic abuse perpetrated by one party against the other
  5. Existence or previous existence of an order for protection
- (c) An officer shall not issue a citation in lieu of arrest and detention to an individual charged with any of the following offenses (Minn. Stat. § 629.72):
  1. Stalking
  2. Domestic abuse
  3. Violation of an order for protection
  4. Violation of a domestic abuse no contact order
- (d) The Shift Sergeant will determine whether a person arrested on a charge of stalking any person, domestic abuse, violation of an order for protection, violation of a domestic abuse no contact order, or violation of a court-ordered transfer of firearms will be held in custody or be issued a citation in lieu of continued detention and released after booking. The person shall be held in custody whenever the Shift Sergeant determines that it reasonably appears the release of the person (Minn. Stat. § 629.72):
  1. Poses a threat to the alleged victim or another family or household member.
  2. Poses a threat to public safety.
  3. Involves a substantial likelihood that the arrested person will fail to appear at subsequent proceedings.

## Domestic Abuse

---

- (e) Officers shall arrest and take into custody, without a warrant, a person whom the peace officer has probable cause to believe has violated a court order issued pursuant to Minn. Stat. § 518B.01 or Minn. Stat. § 629.75. Such an arrest shall be made even if the violation of the order did not take place in the presence of the peace officer, if the officer can verify the existence of the order. If the person is not released on citation in lieu of continuing detention, the person shall be held in custody for these violations for at least 36 hours unless released by a court (Minn. Stat. § 518B.01; Minn. Stat. § 629.75).
- (f) An arrest for a violation of an order of protection may be made regardless of whether the excluded party was invited back to the residence (Minn. Stat. § 518B.01, Subd. 18).
- (g) Following an arrest, an officer should contact the local domestic abuse program by phone as soon as possible and provide the name and address of the victim and a brief factual account of events associated with the action.
- (h) An officer shall arrest and take into custody a person whom the officer has probable cause to believe has violated a harassment restraining order, pursuant to Minn. Stat. § 609.748, if the officer can verify the existence of the order.
- (i) Officers are authorized to make an arrest without a warrant when there is probable cause to believe the person has violated the provisions of any other no contact or restraining order issued by a court, even if the offense did not rise to the level of a felony (Minn. Stat. § 629.34). While conducting a domestic abuse investigation officers shall attempt to verify whether there has been a court order issued.
- (j) Officers should consider whether other offenses have been committed that may not qualify as a domestic abuse including, but not limited to, burglary, felony assault, other threats of violence, kidnapping, false imprisonment, witness tampering, trespassing, criminal damage to property, disorderly conduct, or assault.

### 308.8.2 REPORTS AND RECORDS

- (a) Officers should include information related to the following in a report, as applicable (Minn. Stat. § 629.341):
  1. Names, addresses, and telephone numbers of all involved persons
  2. Condition of clothing
  3. Description of the scene, including any property damage
  4. Evidence of physical injury, including strangulation
  5. Presence of elderly victims or persons with disabilities
  6. Facts related to any person who may have been a primary aggressor
  7. Excited utterances of the victim and the suspect
  8. Demeanor of the victim and the suspect
  9. Medical records, including the victim's statements to paramedics, nurses, and doctors

## Domestic Abuse

---

10. Detailed statements of interviews of witnesses, including children, who may have been present, noting any language barriers
  11. A detailed explanation of the reasons for the officer's decision not to arrest or seek an arrest warrant
  12. Evidence of any prior domestic abuse or related convictions, including dates
  13. Any existing orders for protection, harassment restraining order, or no contact orders
  14. Identifying information of a specific court order violated, including county of origin, the file number, and the provision allegedly violated
- (b) Domestic abuse reports should be forwarded to the appropriate prosecutor for review and consideration of criminal charges, even when no arrest is made or warrant requested.
- (c) If a child was present at the scene of a domestic abuse incident or was the victim of domestic abuse, the officer should determine whether the child has been subjected to physical abuse, sexual abuse, or neglect, and comply with the mandatory reporting requirements of Minn. Stat. § 260E.06 et seq.
1. The officer shall also attempt to verify whether there has been an order for protection issued under Minn. Stat. § 260C.201 and take appropriate action.
- (d) Fees will not be charged for the release of reports related to domestic abuse, as directed in Minn. Stat. § 13.82.

### 308.8.3 SERVICE OF COURT ORDERS

Officers, when reasonably safe and in a position to do so, shall serve copies or short forms of court orders as directed in Minn. Stat. § 518B.01 and Minn. Stat. § 609.748.

### 308.8.4 COURT-ORDERED FIREARM SURRENDERS

Although not required, this department generally will accept firearms surrendered by a court order from an abusing party or defendant. A decision to refuse a surrendered firearm should be approved by a supervisor.

Firearms will normally be surrendered at the New Prague Police Department; however, when encountering someone in the field who wishes to surrender a firearm, officers should make reasonable efforts to accommodate the request.

Surrendered firearms should be collected and submitted to the Evidence Room in accordance with the Evidence Room Policy.

## Search and Seizure

### 309.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for New Prague Police Department personnel to consider when dealing with search and seizure issues.

### 309.2 POLICY

It is the policy of the New Prague Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

### 309.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

## Search and Seizure

---

### 309.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances reasonably permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
  1. Another officer or a supervisor should witness the search.
  2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

### 309.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

## Temporary Custody of Juveniles

### 310.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the New Prague Police Department (34 USC § 11133; Minn. Stat. § 260B.176; Minn. Stat. § 260C.176).

This policy does not apply to secure detention facilities, shelter care facilities, or the juvenile portion of an adult facility authorized to hold juveniles, but rather applies to the temporary custody of a juvenile before a juvenile is released, delivered to a court, or delivered to any of these other facilities (Minn. Stat. § 260B.176, Subd. 3; Minn. Stat. § 260C.176, Subd. 3).

#### 310.1.1 DEFINITIONS

Definitions related to this policy include:

**Custodian or Guardian** - A person who is under a legal obligation or who is in fact providing care and support for a minor (Minn. Stat. § 260B.007, Subd. 13; Minn. Stat. § 260C.007, Subd. 10).

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for his/her own safety or welfare. This includes those held as runaways (Minn. Stat. § 260C.175), truancy violators (Minn. Stat. § 260C.143), and juveniles 15 years old or younger in custody related to their engaging in prostitution or related activities (Minn. Stat. § 260B.007 Subd. 6(c)). This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

**Juvenile offender** - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense). It also includes possession of a handgun in violation of Minn. Stat. § 624.713 (28 CFR 31.303). This does not include a juvenile petty offender under Minn. Stat. § 260B.007.

**Non-secure custody** - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring, and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

## Temporary Custody of Juveniles

---

- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

**Sight and sound separation** - Located or arranged to prevent physical, visual, or auditory contact.

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include underage possession of tobacco or curfew violation. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. Juvenile petty offenders taken into custody should be considered a status offender for purposes of this policy (Minn. Stat. § 260B.007; Minn. Stat. § 260B.143).

### 310.2 POLICY

The New Prague Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the New Prague Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

### 310.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit any of the following conditions should not be held at the New Prague Police Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated
- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the New Prague Police Department unless they have been evaluated by a qualified medical and/or mental health professional.

## Temporary Custody of Juveniles

---

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed.

### 310.3.1 SUICIDE PREVENTION OF JUVENILES IN CUSTODY

The arresting officer should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill him/herself, or any unusual behavior that may indicate the juvenile may harm him/herself while in custody.

### 310.4 CUSTODY OF JUVENILES

Officers should take custody of a juvenile and temporarily hold the juvenile at the New Prague Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the New Prague Police Department without authorization of the arresting officer's supervisor or the Shift Sergeant.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult, or transferred to a juvenile custody facility or to other authority as soon as practicable, and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the New Prague Police Department (34 USC § 11133).

#### 310.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the New Prague Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible (Minn. Stat. § 260B.175; Minn. Stat. § 260C.143; Minn. Stat. § 260C.176). Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

Juveniles detained for truancy violations may be (Minn. Stat. § 260C.143):

- (a) Transported to the juvenile's home and released to a parent or guardian.
- (b) Transported to the juvenile's school of enrollment and delivered to the school superintendent or a teacher.
- (c) Transported to a child truancy center under Minn. Stat. § 260A.04, Subd. 3.

#### 310.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

## Temporary Custody of Juveniles

---

### 310.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the New Prague Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally juvenile offenders may be taken into custody under the authority of Minn. Stat. § 260B.175 when a court order authorizes the custody, when the juvenile has committed an offense that would warrant the arrest of an adult, or when it is reasonably believed that the child has violated the terms of probation, parole, or other field supervision.

An officer who takes a juvenile offender of any age or gender into custody or could take the juvenile into custody under Minn. Stat. § 260B.175 is authorized to perform a protective pat-down search of the juvenile offender in order to protect the officer's safety (Minn. Stat. § 260B.175, Subd. 4).

The parent, guardian, or custodian of the juvenile shall be notified as soon as possible when a juvenile offender is taken into custody. Juvenile offenders shall be released to the custody of a parent, guardian, custodian, or other suitable person unless there is reason to believe that the juvenile would (Minn. Stat. § 260B.176):

- (a) Endanger themselves or others.
- (b) Not return for a court hearing.
- (c) Run away from or otherwise not remain in the care or control of their parent, guardian, or custodian.
- (d) Face immediate endangerment to the juvenile's health or welfare.

If a juvenile offender is not released to a parent, guardian, custodian, or other suitable person, the officer taking the juvenile offender into custody shall communicate with or deliver the juvenile to a secure detention facility to determine whether the juvenile should be released or detained. The officer shall also notify the court as soon as possible of the detention of the juvenile and the reasons for detention (Minn. Stat. § 260B.176).

### 310.4.4 SCHOOL NOTIFICATION

Minnesota law requires that the Chief of Police or the authorized designee notify the superintendent or chief administrative officer of a juvenile's school of an incident occurring within our jurisdiction if (Minn. Stat. § 260B.171, Subd. 5):

- (a) There is probable cause to believe a juvenile has committed an offense that would be a crime if committed as an adult, where the victim is a student or staff member and the notice is reasonably necessary for the protection of the victim.
- (b) There is probable cause to believe a juvenile has committed certain serious crimes regardless of whether the victim is a student or staff member.
- (c) The juvenile is taken into protective custody and methamphetamine manufacture or storage is involved (see the Child Abuse Policy for guidelines) (see also, Minn. Stat. § 260C.171)

## Temporary Custody of Juveniles

---

However, the department is not required to notify the school if it is determined that notice would jeopardize an ongoing investigation.

### 310.5 ADVISEMENTS

When a juvenile is taken into custody on a warrant, the juvenile and his/her parent, guardian, or custodian, if present, shall immediately be informed of the existence of the warrant for immediate custody and, as soon as practicable, of the reasons why the juvenile is being taken into custody (Minnesota Rules of Juvenile Delinquency Procedure 4.03, Subd. 10).

If it is determined that a juvenile taken into custody is going to be placed into a secure detention facility or a shelter care facility, the officer shall advise both the juvenile and the juvenile's parent, guardian, or custodian as soon as possible (Minn. Stat. § 260B.176, Subd. 3; Minn. Stat. § 260C.176, Subd. 3):

- (a) Of the reasons for custody and the reasons for placement.
- (b) Of the location of the facility unless there is reason to believe that disclosure would place the juvenile's health and welfare in immediate endangerment. If so, the disclosure shall not be made (Minn. Stat. § 260B.176, Subd. 5).
- (c) That the juvenile's parent, guardian, or custodian and attorney or guardian ad litem may make an initial visit to the facility at any time. Subsequent visits may also be made on a reasonable basis.
- (d) That the juvenile may telephone parents and an attorney or guardian ad litem immediately after being admitted to the facility and thereafter on a reasonable basis.
- (e) That the juvenile may not be detained for acts under Minn. Stat. § 260B.007, Subd. 6 for longer than 36 hours excluding weekends and holidays unless a petition has been filed pursuant to Minn. Stat. § 260B.178.

## Temporary Custody of Juveniles

---

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the New Prague Police Department shall maintain a constant, immediate presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

### 310.7 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the New Prague Police Department shall ensure the following:

- (c) Personal visual checks and significant incidents/activities shall be noted on the log.
- (d) There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware. - (o) No discipline may be administered to any juvenile nor may juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse.

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the New Prague Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Restraints shall only be used after less restrictive measures have failed and with the approval of the Shift Sergeant. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

### 310.9 PERSONAL PROPERTY

The officer taking custody of a juvenile offender or status offender at the New Prague Police Department shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils, and belts.

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the New Prague Police Department.

### 310.10 SECURE CUSTODY

Only juvenile offenders 14 years of age or older may be placed in secure custody (Minn. Stat. § 260B.181). Shift Sergeant approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is or later becomes a reasonable option.

#### 310.10.1 LOCKED ENCLOSURES

A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

  - 3. Requests or concerns of the juvenile should be logged / documented.
- (e) Males and females shall not be placed in the same locked room.
- (f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).

### **310.11 SUICIDE ATTEMPT, DEATH, OR SERIOUS INJURY OF A JUVENILE**

- (a) Immediate notification of the on-duty supervisor, Chief of Police and Investigation Division Supervisor.
- (b) Notification of the parent, guardian, or person standing in loco parentis of the juvenile.
- (c) Notification of the appropriate prosecutor.
- (d) Notification of the City attorney.
- (e) Evidence preservation.

### **310.12 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS**

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent and does consent to an interview or interrogation.

### **310.13 RESTRICTION ON PHOTOGRAPHING**

Photographing of juveniles taken into custody will only occur with the consent of the juvenile court, except when the photograph is taken related to a violation of driving while impaired or is taken pursuant to the laws of arrest (Minn. Stat. § 260B.171, Subd. 5; Minn. Stat. § 260B.175; Minn. Stat. § 169A.20).

## Adult Abuse

### 311.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for New Prague Police Department members as required by law (Minn. Stat. § 626.557).

#### 311.1.1 DEFINITIONS

Definitions related to this policy include (Minn. Stat. § 626.5572):

**Adult abuse** - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

**Care or services** - Care or services provided for the health, safety, welfare or maintenance of a vulnerable adult.

**Caregiver** - An individual or facility responsible for the care of a vulnerable adult as a result of a family relationship, or who has assumed responsibility for all or a portion of the care of a vulnerable adult voluntarily, by contract or by agreement.

**Financial exploitation** - May include, but is not limited to, misuse of funds, breach of a fiduciary duty or withholding a vulnerable adult's funds or property. The acts or omissions need not constitute a crime to qualify as financial exploitation.

**Neglect** - The failure or omission by a caregiver, that is not the result of an accident or therapeutic conduct, to supply a vulnerable adult with care or services including, but not limited to, food, clothing, shelter, health care or supervision that is necessary to obtain or maintain the vulnerable adult's health, safety or comfort, considering the physical and mental capacity or dysfunction of the vulnerable adult.

**Vulnerable adult** - A person 18 years of age or older who:

- (a) Is a resident or patient of a facility.
- (b) Receives services at or from a specific and licensed facility that is required to be licensed to serve adults under Sections 245A.01 to 245A.15.
- (c) Receives services from a licensed home care provider or a particular medical assistance program.
- (d) Who possesses a physical or mental infirmity or other physical, mental or emotional dysfunction:
  - (a) That impairs the individual's ability to provide adequately for his/her own care without assistance, including the provision of food, shelter, clothing, health care or supervision.

## Adult Abuse

---

- (b) Because of the dysfunction or infirmity and the need for care or services, the individual has an impaired ability to protect him/herself from abuse, neglect or financial exploitation.

### 311.2 POLICY

The New Prague Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

### 311.3 MANDATORY NOTIFICATION

Members of the New Prague Police Department shall notify the entity responsible for receiving such reports when they have reason to believe that a vulnerable adult is being or has been maltreated, or has sustained a physical injury which is not reasonably explained. Members shall also report suspected negligent care by a service or health care provider that resulted in injury or harm requiring the care of a physician (Minn. Stat. § 626.557).

For purposes of notification, a vulnerable adult is a person age 18 or older who has physical, mental or emotional disabilities that make it difficult for the person to care for or to protect him/herself from maltreatment. It also refers to adults who reside at a facility, or receive care at a facility or through home care (Minn. Stat. § 626.5572).

Maltreatment includes abuse, neglect and financial exploitation. Abuse can be physical, emotional or sexual. Financial exploitation may include any instance where vulnerable adults' money, assets or property are not used for their benefit or are stolen or kept from them (see Minn. Stat. § 626.5572 for full definitions).

#### 311.3.1 NOTIFICATION PROCEDURE

Notification should be made as soon as possible, but in all cases within 24 hours (Minn. Stat. § 626.557; Minn. Stat. § 626.5572). To the extent possible, the following should be included in the notification:

- (a) The identity of the vulnerable adult and any caregiver
- (b) The nature and extent of the suspected maltreatment
- (c) Any evidence of previous maltreatment
- (d) The name and addresses of the person initiating the report or other witnesses
- (e) The time, date, and location of the incident
- (f) Any other information that might be helpful in investigating the suspected maltreatment

If notification of maltreatment is first made to the New Prague Police Department, the member receiving the notification shall complete and forward the intake form to the entity responsible for receiving such reports.

## Adult Abuse

---

### 311.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.
- (c) Present all cases of alleged adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Minn. Stat. § 626.5571).

### 311.5 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated. Investigations should be initiated as soon as possible, but in all cases within 24 hours (Minn. Stat. § 626.557).

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

## Adult Abuse

---

Assigned members shall initiate an investigation of vulnerable adult abuse as soon as possible, but in all cases within 24 hours when there is reason to believe a crime has been committed (Minn. Stat. § 626.557).

### 311.6 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact an appropriate protective services agency. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to an appropriate protective services agency or medical facility.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

### 311.7 INTERVIEWS

#### 311.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

#### 311.7.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:

## Adult Abuse

---

1. A reasonable belief that medical issues of the adult need to be addressed immediately.
  2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
  3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

### 311.8 MEDICAL EXAMINATIONS

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

### 311.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

#### 311.9.1 SUPERVISOR RESPONSIBILITIES

The Investigation Unit supervisor should:

- (a) Work with professionals from the appropriate agencies, including the applicable adult protective services agency, other law enforcement agencies, medical service providers and local prosecutors, to develop community-specific procedures for responding to situations where there are adult abuse victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Investigation Unit supervisor that he/she has responded to a drug lab or other narcotics crime scene where an adult abuse victim is present or where evidence indicates that an adult abuse victim lives.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the adult.

## Adult Abuse

---

### 311.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

- (a) Document the environmental, medical, social and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigation Unit supervisor so an interagency response can begin.

### 311.10 STATE MANDATES AND OTHER RELEVANT LAWS

Minnesota requires or permits the following:

#### 311.10.1 RECORDS SECTION RESPONSIBILITIES

The Records Section is responsible for:

- (a) Providing a copy of the adult abuse report to the applicable entity in the county responsible for receiving such reports as required by law.
- (b) Retaining the original adult abuse report with the initial case file.

#### 311.10.2 RELEASE OF REPORTS

Information related to incidents of adult abuse or suspected adult abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Minn. Stat. § 626.557).

### 311.11 TRAINING

The Department should provide training on best practices in adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to adult abuse investigations.
- (f) Availability of victim advocates or other support.

### 312.3 DEFINITIONS

#### 312.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

### 312.3.2 RETALIATION

Retaliation will not be tolerated.

### 312.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

### 312.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the Minnesota Department of Human Rights.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with City or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

## **312.4 RESPONSIBILITIES**

This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. ### 312.4.3 QUESTIONS OR CLARIFICATION

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Director of Human Services, or the City Administrator for further information, direction, or clarification.

complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

### 312.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

### 312.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Director of Human Services or the City Administrator.

### 312.5.3 ALTERNATIVE COMPLAINT PROCESS

Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

## **312.6 DOCUMENTATION OF COMPLAINTS**

All complaints or allegations shall be thoroughly documented on the appropriate forms and in a manner designated by the Chief of Police. The outcome of all reports shall be:

Stat. § 260E.03, subd. 15; Minn. Stat. § 260E.31).

Notification is mandatory for any acts of neglect, physical abuse, and sexual abuse that constitute a crime, whether or not the suspect had any relationship to or responsibility for the child (Minn. Stat. § 260E.12).

For purposes of notification, physical abuse includes injuries, mental injuries, or injuries that cannot be reasonably explained (e.g., punching, kicking, burning). Sexual abuse includes criminal

sexual conduct and prostitution offenses. Neglect includes failure to supply a child with necessary clothing, shelter, or medical care. See Minn. Stat. § 260E.03 for full definitions of physical abuse, sexual abuse, and neglect.

### 313.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (Minn. Stat. § 260E.09):

- (a) The member tasked with the investigation shall call the county social services agency and report the alleged abuse as soon as possible but always within 24 hours. The time of the call and the name of the person should be documented.
- (b) Notification, when possible, should include:
  - 1. The child's current location and whether the child is in immediate danger.
  - 2. A description of when and where the incident occurred and what happened to the child.
  - 3. A description of the injuries or present condition of the child.
  - 4. The names and addresses of the child, parents, or caregivers.
  - 5. Whether there were any witnesses to the incident and their names.
  - 6. Any additional information about the child, family, or caregivers that may be helpful.
  - 7. Whether the incident occurred in a licensed facility or a school and what actions the facility employees may have taken.
  - 8. Whether there are immediate family, relative, or community resources that would offer protection or support to the child.
- (c) Forms that may be required by the county social services agency or other written notification shall be completed and faxed or delivered to the county social services agency as soon as possible but always within 72 hours, exclusive of weekends and holidays.
- (d) Approved investigation reports should be forwarded to the county social services agency as soon as practical.
- (e) When the child abuse occurred at a facility or by a person from a facility that requires a state license or a profession that requires a state license (e.g., foster homes, group homes, day care, educator), notification shall also be made to the agency responsible for licensing the facility or person (Minn. Stat. § 260E.11).

### 313.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available for child abuse investigations. These investigators should:

- (a) Conduct interviews in child-appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to child abuse investigations.
- (c) Present all cases of alleged child abuse to the prosecutor for review.

## Child Abuse

---

- (d) Coordinate with other enforcement agencies, social service agencies, and school administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians, and support for the child and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

### 313.5 INVESTIGATIONS AND REPORTING

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.
- (g) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other children who may reside in the residence.
- (h) Identification of any prior related reports or allegations of child abuse, including other jurisdictions, as reasonably known.
- (i) Previous addresses of the victim and suspect.
- (j) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

### 313.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact the county social services agency. Generally, removal of a child from his/her family,

## Child Abuse

---

guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to the county social services agency.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations (Minn. Stat. § 260C.175):

- (a) When a court has issued an order for removal.
- (b) When a child is found in surroundings or conditions that pose an imminent threat to the child's health or welfare or that a peace officer reasonably believes pose an imminent threat to the child's health or welfare.
- (c) If an Indian child is a resident of a reservation or is domiciled on a reservation but temporarily located off the reservation, taking the child into custody under this clause shall be consistent with the Indian Child Welfare Act (25 USC § 1922).

### 313.6.1 NOTICE TO PARENT OR CUSTODIAN AND CHILD

Whenever an officer takes a child into protective custody, the officer shall notify the parent or custodian, and the child (age 10 years or older) that they may request that the child be placed with a relative instead of in a shelter care facility. The officer also shall give the parent or custodian a list, published by the Minnesota Department of Human Services, of names, addresses, and telephone numbers of social services agencies that offer child welfare services. When placement with a relative is requested, the [officer/deputy] will coordinate with the responsible social services agency to ensure the child's safety and well-being in compliance with Minn. Stat. § 260C.181 (Minn. Stat. § 260C.175).

If the parent or custodian was not present when the child was removed from the residence, the list shall be left with an adult who is on the premises or left in a conspicuous place on the premises if no adult is present. If the officer has reason to believe the parent or custodian is not able to read and understand English, the officer must provide a list that is written in the language of the parent or custodian (Minn. Stat. § 260C.175; Minn. Stat. § 260C.181).

## Child Abuse

---

### 313.6.2 SAFE PLACE FOR NEWBORNS

A person may leave an unharmed newborn less than seven days old with the staff of a hospital, urgent care facility or ambulance service without being subject to prosecution (Minn. Stat. § 609.3785). The responsible social service agency is charged with addressing these matters but may contact law enforcement if child abuse is suspected (Minn. Stat. § 145.902; Minn. Stat. § 609.3785).

## 313.7 INTERVIEWS

### 313.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

### 313.7.2 DETAINING ABUSE VICTIMS FOR INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
  - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

### 313.7.3 NOTIFICATION TO PARENTS

Generally, officers should cooperate with parents and guardians and seek consent prior to conducting interviews of children. However, when reasonably necessary, state law grants officers the authority to interview a child who is the alleged victim of abuse or neglect, and any other children who currently reside or have resided with the alleged victim, without parental consent (Minn. Stat. § 260E.22, Subd. 1).

The interview may take place at school or at any facility or other place where the alleged victim or other children might be found, or the child may be transported to, and the interview conducted at, a place that is appropriate for the interview and has been designated by the local welfare agency or law enforcement agency. When it is possible and substantial child endangerment or sexual

## Child Abuse

---

abuse is alleged, the interview may take place outside the presence of the alleged offender and prior to any interviews of the alleged offender (Minn. Stat. § 260E.22).

The officer shall notify the parent, legal custodian, or guardian that the interview occurred as soon as reasonably practicable after the interview, unless the juvenile court has determined that reasonable cause exists to withhold the information (Minn. Stat. § 260E.22).

### 313.7.4 INTERVIEWS AT SCHOOL

If officers assigned to investigate a report of maltreatment determine that an interview should take place on school property, written notification of the intent to interview the child on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct an interview on school property (Minn. Stat. § 260E.22, Subd. 7).

The investigating officer shall determine who may attend the interview, although school officials may set reasonable conditions as to the time, place, and manner of the interview (Minn. Stat. § 260E.22, Subd. 7).

### 313.7.5 DOCUMENTING AND RECORDING INTERVIEWS

Any statement made by an alleged child abuse victim during the course of a criminal investigation shall be documented. The documentation of the interview must contain, at a minimum (Minn. Stat. § 260E.23):

- (a) The date, time, place, and duration of the interview.
- (b) The identity of the persons present at the interview.
- (c) A summary of the information obtained during the interview if it was not audio recorded.

Members should follow the written guidelines of the county attorney's office regarding recording interviews of a child abuse victim.

### 313.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

## Child Abuse

### 313.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

#### 313.9.1 SUPERVISOR RESPONSIBILITIES

The Investigation Unit supervisor should:

- (a) Work with professionals from the appropriate agencies, including the county social services agency, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Investigation Unit supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the child.

#### 313.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

- (a) Document the environmental, medical, social and other conditions of the child using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigation Unit supervisor so an interagency response can begin.

#### 313.9.3 SCHOOL NOTIFICATION

If a juvenile is taken into protective custody after being found in an area where methamphetamine was being manufactured or attempted to be manufactured, or where any chemical substances, paraphernalia or waste products related to methamphetamine are stored, the officer who took the juvenile into custody shall notify the chief administrative officer of the juvenile's school (Minn. Stat. § 260C.171, Subd. 6).

### 313.10 STATE MANDATES AND OTHER RELEVANT LAWS

Minnesota requires or permits the following:

#### 313.10.1 RELEASE OF REPORTS

Information related to incidents of child abuse or suspected child abuse shall be confidential and may only be disclosed pursuant to state law and the Records Maintenance and Release Policy (Minn. Stat. § 260E.35).

## Child Abuse

---

### 313.10.2 CHILD MORTALITY REVIEW PANELS

Child mortality review panels are entitled to access all investigative information of law enforcement agencies regarding the death of a child. This department shall cooperate fully with any such team and investigation (Minn. Stat. § 256.01, Subd. 12).

### 313.10.3 COORDINATION WITH SOCIAL SERVICES

In every case of child abuse that would require notification to a local county social services agency, the investigating officer shall coordinate the planning and execution of the investigation and assessment efforts to avoid a duplication of fact-finding efforts and multiple interviews. The investigating officer shall prepare a report separate from the social services agency (Minn. Stat. § 260E.12; Minn. Stat. § 260E.14, Subd. 5).

Members may disclose the status of an individual as a predatory offender to a child protection worker who is conducting an assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs under Chapter 260E (Minn. Stat. § 243.166).

### 313.10.4 NOTIFICATION PROCESS

The Patrol Supervisor is responsible for ensuring the mandatory notifications to the county social service agency are carried out. This should be achieved, in part, by establishing and reviewing related procedures and through ongoing training (Minn. Stat. § 260E.01 et seq.).

### 313.10.5 COURT-ORDERED FIREARM SURRENDERS

Although not required, this department generally will accept firearms surrendered by a court order from an abusing party or defendant. A decision to refuse a surrendered firearm should be approved by a supervisor.

Firearms will normally be surrendered at the New Prague Police Department; however, when encountering someone in the field who wishes to surrender a firearm, officers should make reasonable efforts to accommodate the request.

Surrendered firearms should be collected and submitted to the Evidence Room in accordance with the Evidence Room Policy.

## 313.11 TRAINING

The Training Section should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting forensic interviews.
- (c) Availability of therapy services for children and families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to child abuse investigations.

*Child Abuse*

Services (MNJIS), the Minnesota Missing and Unidentified Persons Clearinghouse and the Minnesota Crime Alert Network.

### 314.2 POLICY

The New Prague Police Department does not consider any report of a missing person to be routine and assumes that the missing person is in need of immediate assistance until an investigation reveals otherwise. Priority shall be given to missing person cases over property-related cases. Members will initiate an investigation into all reports of missing persons, regardless of the length of time the person has been missing.

### 314.3 ACCEPTANCE OF REPORTS

Any member encountering a person who wishes to report a missing person or runaway shall render assistance without delay. This can be accomplished by accepting the report via telephone or in person and initiating the investigation. Those members who do not take such reports or who are unable to give immediate assistance shall promptly dispatch or alert a member who can take the report.

A report shall be accepted in all cases and regardless of where the person was last seen, where the person resides or any question of jurisdiction (Minn. Stat. § 299C.53, Subd.1(a)).

### 314.4 INITIAL INVESTIGATION

Officers or other members conducting the initial investigation of a missing person should take the following investigative actions as applicable:

- (a) Respond to a dispatched call as soon as practicable. Obtain a detailed description of the missing person, as well as a description of any related vehicle and/or abductor.
- (b) Interview the reporting party and any witnesses to determine whether the person qualifies as a missing person and, if so, whether the person may be endangered (Minn. Stat. § 299C.53, Subd. 1(b)). Interviews should be conducted separately, if practicable.
- (c) Consult with the Bureau of Criminal Apprehension (BCA) if the person is determined to be an endangered missing person (Minn. Stat. § 299C.53, Subd. 1(b)).
- (d) Canvass the last known area where the missing person was seen, if known. A search of the location where the incident took place, if known, should also be conducted and a search warrant obtained if necessary.
- (e) Determine when, where and by whom the missing person was last seen. Interview the person who last had contact with the missing person.
- (f) Notify a supervisor immediately if there is evidence that a missing person is either endangered or may qualify for a public alert, or both (see the Public Alerts Policy).
- (g) Broadcast an "Attempt to Locate" (ATL) or similar alert if the person is under 18 years of age or there is evidence that the missing person is endangered. The alert should be broadcast as soon as practicable but in no event more than one hour after determining the missing person is under 18 years of age or may be endangered.

## Missing Persons

---

- (h) Relay known details to all on-duty personnel as well as other local or surrounding law enforcement agencies using local and state databases.
- (i) Ensure that entries are made into the appropriate missing person networks:
  - 1. Immediately, when the missing person is endangered (Minn. Stat. § 299C.53, Subd. 1(b)).
  - 2. In all other cases, as soon as practicable, but not later than two hours from the time of the initial report.
- (j) Complete the appropriate report forms accurately and completely and initiate a search as applicable under the facts.
- (k) Collect and/or review:
  - 1. A photograph and fingerprint card of the missing person, if available (Minn. Stat. § 299C.54, Subd. 2).
    - (a) A voluntarily provided biological sample of the missing person, if available (e.g., toothbrush, hairbrush).
  - 2. Any documents that may assist in the investigation, such as court orders regarding custody.
  - 3. Any other evidence that may assist in the investigation, including personal electronic devices (e.g., cell phones, computers).
- (l) When circumstances permit and if appropriate, attempt to determine the missing person's location through his/her telecommunications carrier.
- (m) Contact the appropriate agency if the report relates to a missing person report previously made to another agency and that agency is actively investigating the report. When this is not practicable, the information should be documented in an appropriate report for transmission to the appropriate agency. If the information relates to an endangered missing person, the member should notify a supervisor and proceed with reasonable steps to locate the missing person.
- (n) Implement multi-jurisdictional coordination/mutual aid plan as appropriate such as when:
  - 1. The primary agency has limited resources.
  - 2. The investigation crosses jurisdictional lines.
  - 3. Jurisdictions have pre-established task forces or investigative teams.

### 314.4.1 CRIME SCENE INVESTIGATION AND MANAGEMENT

If a crime scene is identified, it should be secured and a command post or operation base located at a reasonable distance from the crime scene. Staff and assign the responsibilities for command post supervisor, media specialist, search coordinator, investigative coordinator, communication officer and support unit coordinator. Provide two liaison officers (one at the command post and one at the crime scene). The role of the liaison at the home will include facilitating support and advocacy for the family.

## Missing Persons

- (g) Creating a missing person profile with detailed information obtained from records and interviews with family and friends, describing the missing person’s health, relationships, personality, problems, life experiences, plans, equipment, etc.
- (h) Interviewing delivery personnel, employees of gas, water, electric and cable companies, taxi drivers, post office personnel, sanitation workers, etc.
- (i) Determining if outside help is needed and the merits of utilizing local, state and federal resources related to specialized investigative needs, including:
  - 1. Investigative resources (e.g., search and rescue).
  - 2. Interpretive resources.
  - 3. Telephone services, such as traps, traces and triangulation.
  - 4. Media assistance from local and national sources.
- (j) Using secure electronic communication information, such as the missing person’s cellular telephone number, e-mail address and information from social networking sites.
- (k) Appointing an officer to communicate with the family/reporting party or their designee. The officer will be the primary point of contact for the family/reporting party or their designee, and should provide contact information and the family information packet (if available) to the family/reporting party or their designee.
- (l) Providing general information to the family/reporting party or their designee about the handling of the missing person case or about any intended efforts, only to the extent that disclosure would not adversely affect the department’s ability to locate or protect

### 315.4.1 CRITERIA

Any non-familial case in which an individual is abducted and the public can assist will trigger the activation of either the AMBER Alert and/or the Minnesota Crime Alert Network (MCAN) to inform the public and request its assistance in locating the individual.

The criteria for issuance of an Amber Alert are as follows:

- (a) A child 17 years of age or younger was abducted and there is reason to believe the victim is in imminent danger of serious bodily injury or death.

An AMBER Alert should not be requested if there is no information to distribute.

### 315.4.2 PROCEDURE

As soon as possible, Records Section personnel shall enter the child's name and other critical data into the National Crime Information Center (NCIC), with appropriate flags.

If the AMBER Alert criteria is met, the supervisor, Shift Sergeant or Investigation Unit supervisor will notify the Operations Center at the BCA. The BCA will determine whether an AMBER Alert will be issued and, if so, will activate the Minnesota Emergency Alert System (EAS) through the Minnesota Department of Public Safety (DPS) Division of Homeland Security and Emergency Management (HSEM).

BCA will manage press notifications through the EAS.

As additional information becomes available, the BCA shall be apprised and they will disseminate the information, as appropriate.

### 323.3 RECRUITMENT AND SELECTION

The New Prague Police Department shall endeavor to recruit and appoint only those applicants who meet the high ethical, moral and professional standards set forth by this department.

All applicants shall be required to meet and pass the same pre-employment procedures as regular full-time police officers before appointment.

#### 323.3.1 APPOINTMENT

Applicants who are selected for appointment as part-time officers shall, on the recommendation of the Chief of Police, be sworn in and take the Oath of Office in accordance with the Oath of Office Policy and as required for the position.

Part-time officers are considered at-will employees and may be dismissed at the discretion of the Chief of Police, with or without cause. Part-time officers shall have no property interest in continued appointment. However, if a part-time officer is removed for alleged misconduct, the part-time officer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing, which shall be limited to a single appearance before the Chief of Police or the authorized designee.

### 323.4 IDENTIFICATION AND UNIFORMS

Part-time officers will be issued New Prague Police Department uniforms, badges and identification cards. The uniforms and badges shall be the same as those worn by regular full-time police officers. ### 323.7 PERSONNEL WORKING AS PART-TIME OFFICERS

Qualified regular department personnel, when authorized, may also serve as part-time officers. However, this department shall not utilize the services of part-time officers in such a way that it would violate employment laws or labor agreements (e.g., a detention officer working as a part-time officer for reduced pay or no pay). Therefore, the part-time officer coordinator should consult with the Department of Human Resources prior to allowing regular department personnel to serve in a part-time officer capacity (29 CFR 553.30).

### 323.8 COMPLIANCE

Part-time officers shall be required to adhere to all department policies and procedures. A copy of the policies and procedures will be made available to each part-time officer upon appointment. The officers shall become thoroughly familiar with these policies.

Whenever a rule, regulation or guideline in this Policy Manual refers to a regular full-time police officer, it shall also apply to a part-time officer, unless by its nature it is inapplicable.

Part-time officers are required by this department to meet department-approved training requirements.

All part-time officers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the part-time officer coordinator.

### 323.9 FIREARMS

Part-time officers shall successfully complete department-authorized training in the use of firearms. Their appointments must be approved by the City prior to being issued firearms by this department or otherwise acting as part-time officers on behalf of the New Prague Police Department (Minn. Stat. § 626.8452, Subd. 2).

## Part-Time Officers

---

Part-time officers will be issued duty firearms as specified in the Firearms Policy. Any part-time officer who is permitted to carry a firearm other than the assigned duty weapon or any optional firearm may do so only in compliance with the Firearms Policy.

An instance may arise where a part-time officer is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the part-time officer may be permitted to carry a weapon more suited to the assignment, but only with the knowledge and approval of the supervisor in charge of the detail.

Any part-time officer who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to department standards. The weapon shall comply with all the requirements set forth in the Firearms Policy.

Before being allowed to carry any optional firearm during an assigned tour of duty, the part-time officer shall demonstrate his/her proficiency with the weapon.

#### 323.12.2 INVESTIGATIONS AND COMPLAINTS

## Outside Agency Assistance

### 324.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

### 324.2 POLICY

It is the policy of the New Prague Police Department to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this department.

It is the policy of this department to provide assistance whenever reasonably possible, in accordance with the applicable laws of arrest and detention policies of this department, when another law enforcement agency requests assistance with an arrest or detention of any person. This department may also request an outside agency to provide assistance.

The New Prague Police Department may, at the discretion of the Chief of Police, establish an agreement with another agency to (Minn. Stat. § 626.76 Subd. 1):

- (a) Assist other peace officers in the line of their duty and within the course of their employment.
- (b) Exchange peace officers with peace officers of another agency on a temporary basis.

### 324.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Shift Sergeant's for approval. Any such response to assist an outside agency may be considered for authorization regardless of whether an agreement for reciprocal aid under Minn. Stat. § 626.76, Subd. 1 exists. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this department, the Shift Sergeant or when no supervisor is on duty the senior officer may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this department.

Officers may respond to a request for emergency assistance; however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this department will not ordinarily be booked at this department. Only in exceptional circumstances, and subject to supervisor approval, will this department provide transportation of arrestees to other facilities on behalf of another agency.

## Outside Agency Assistance

---

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

### 324.3.1 AGREEMENTS

The Department may, at the discretion of the Chief of Police, establish an agreement with another law enforcement agency to (Minn. Stat. § 626.76, Subd.1):

- (a) Assist other peace officers in the line of their duty and within the course of their employment.
- (b) Exchange department peace officers with peace officers of another agency on a temporary basis.

### 324.3.2 INITIATED ACTIVITY

Any on-duty officer who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the New Prague Police Department shall notify his/her supervisor or the Shift Sergeant and Scott County Sheriff's Office as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

### 324.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting member should arrange for appropriate radio communication capabilities, if necessary and available, so that communication can be coordinated between assisting personnel.

### 324.5 REPORTING REQUIREMENTS

Incidents of outside assistance or law enforcement activities shall be documented in a written incident report or as directed by the Shift Sergeant.

### 324.6 MANDATORY SHARING

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administration Chief of Police or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
  - 1. The use of the supplies and equipment.
  - 2. The members trained in the use of the supplies and equipment.
- (c) Any other requirements for use of the equipment and supplies.

## *Outside Agency Assistance*

---

Copies of the documentation should be provided to Scott County Sheriff's Office and the Shift Sergeant to ensure use of the equipment and supplies is in compliance with the applicable sharing agreements.

The Chief of Police should maintain documentation that the appropriate members have received the required training.

## Registered Predatory Offender

### 325.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the New Prague Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered offenders.

### 325.2 POLICY

It is the policy of the New Prague Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

### 325.3 REGISTRATION

The Investigation Unit shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the Bureau of Criminal Apprehension (BCA) in accordance with Minn. Stat. § 243.166 within three days of the registration. Registration and updated information from a person who lacks a primary residence shall be forwarded within two business days. Updated primary address information from any registered predatory offender shall also be forwarded within two business days (Minn. Stat. § 243.166).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

#### 325.3.1 NOTIFICATION TO REGISTRANTS

The registration process established by the Investigation Unit should include procedures for determining whether an individual requires notification of his/her requirement to register because the individual was not otherwise notified of the requirement by the sentencing court or assigned a corrections agent (Minn. Stat. § 243.166).

#### 325.3.2 REGISTRATION PROCESS

When an offender arrives to register with this department, the assigned investigator should:

- (a) Determine in what state the offense was committed.
- (b) Confirm the individual is required to register by reviewing the list of Minnesota offenses on the BCA's Predatory Offender Registration website or in the BCA Predatory Offender Registration (POR) Manual that is available on the BCA's secure website.

## Registered Predatory Offender

---

- (c) If a person is required to register, search the BCA's secure website to verify whether the offender is already registered and a DNA sample has been submitted.
- (d) If the offender is already registered, complete a Change of Information Form (available on the BCA's secure website).
- (e) If the offender is not registered, complete a POR Form (available at BCA's secure website).
- (f) If the offender is from another state, contact the state (information for each state is listed on the BCA's website) and request a copy of the offender's original registration form, criminal complaint and sentencing documents.
  - 1. Documents obtained should be submitted to the BCA with a registration form.
  - 2. The BCA will determine if registration is required and inform the department and the offender.

Additional information regarding offender registration is available in the POR Manual or by contacting the Predatory Offender Unit by phone or through the BCA secure website.

### 325.3.3 GUIDELINES AND FORMS

The registration process shall be in accordance with Minn. Stat. § 243.166 and follow the guidelines implemented by the BCA. Forms used in the registration process are available from the secure website operated by the BCA.

### 325.4 MONITORING OF REGISTERED OFFENDERS

The Investigation Unit supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
- (b) Review of information on the BCA secure website or the Department of Corrections Offender Information (DOC) website.
- (c) Contact with a registrant's parole or probation officer, if any.

Any discrepancies should be reported to BCA in writing.

The Investigation Unit supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to New Prague Police Department personnel who have a need to know, including timely updates regarding new or relocated registrants.

### 325.5 DISSEMINATION OF PUBLIC INFORMATION

Members will not make a public notification advising the community of a particular registrant's presence in the community without permission from the Chief of Police. Members who believe notification is appropriate should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Chief of Police if warranted. A determination will be

## Registered Predatory Offender

made by the Chief of Police based on statutory requirements, with the assistance of legal counsel as necessary, whether such a public alert should be made.

The New Prague Police Department shall release local registered offender information to residents in accordance with state law (Minn. Stat. § 244.052; Minn. Stat. § 243.166, Subd. 7; Minn. Stat. § 13.01 et seq.) and in compliance with a Minnesota Government Data Practices Act request.

The Department shall provide and release predatory offender data, or updated data, obtained from the DOC based upon the offender's status of a Level 1, 2, or 3.

The Department shall continue to disclose data on an offender as required by law for as long as the offender is required to register under Minn. Stat. § 243.166.

The Department shall provide an offender's change of status to the entities and individuals who were initially notified if the Department becomes aware that the area where notification was made is no longer where the offender resides, is employed, or is regularly found (Minn. Stat. § 244.052, Subd. 4).

### 325.5.1 LEVEL 1 DISCLOSURE

Data maintained by law enforcement may be subject to limited disclosure (Minn. Stat. § 244.052, Subd. 4) (refer to the DOC document "Confidential Fact Sheet - For Law Enforcement Agency Use Only" or other DOC guidance):

Stat. § 244.052, Subd. 4) (refer to DOC document "Law Enforcement Agency Fact Sheet - Notification of Release in Minnesota - Risk Level 2" or other DOC guidance):

- (a) In addition to Level 1 disclosure, the Department may disclose data to:

## Registered Predatory Offender

---

2. Individuals likely to be victimized by the offender.
  - (b) Discretionary notification must be based on the offender's pattern of offending or victim preference as documented by the DOC or the Minnesota Department of Human Services (DHS).

### 325.5.3 LEVEL 3 DISCLOSURE

Data is subject to disclosure not only to safeguard facilities and protect the individuals they serve but also to protect the community as a whole (Minn. Stat. § 244.052, Subd. 4) (refer to the DOC document "Law Enforcement Agency Fact Sheet - Notification of Release in Minnesota" or other DOC guidance):

- (a) The Department shall disclose information to the persons and entities provided for Level 1 and 2 disclosures.
- (b) The Department shall disclose data to other members of the community that the offender is likely to encounter unless public safety would be compromised by the disclosure or a more limited disclosure is necessary to protect the identity of the victim.
- (c) A good faith effort must be made to complete the disclosure within 14 days of receiving a confirmed address from the DOC.
- (d) The process of notification is determined by this department. The DOC has recommended that the community be invited to a public meeting and disclose the necessary data. Assistance is available from the DOC Risk Assessment/Community Notification (RA/CN) Unit.

Data disclosed to the public of a Level 3 predatory offender shall be forwarded to the DOC within two days of the department's determination to disclose (Minn. Stat. § 244.052, Subd. 4(g)).

### 325.5.4 HEALTH CARE FACILITY NOTIFICATION

Upon notice that a registered predatory offender is planning to be in this jurisdiction or has been admitted to a health care facility, home care provider, or hospice provider in this jurisdiction, this department shall provide a fact sheet to the facility administrator with the following data (Minn. Stat. § 243.166, Subd. 4b) (refer to the DOC documents, "Law Enforcement Agency Fact Sheet Health Care Facility Notification Data on a Registered Offender Not For Distribution to Facility Residents" and "Law Enforcement Agency Fact Sheet Health Care Facility Notification Data on a Registered Offender For Distribution to Facility Residents" or other DOC guidance):

## Registered Predatory Offender

---

- (a) If this department learns that a person under its jurisdiction is subject to registration and desires consultation on whether the person is eligible for notification, the Department must contact the DOC. The DOC will review the governing law of the other state and, if comparable to Minnesota requirements, inform this department whether to proceed with community notification in accordance with the level assigned by the other state.
- (b) If the DOC determines that the governing law in the other state is not comparable, community notification by this department may be made consistent with that authorized for risk Level 2.
- (c) If this department believes that a risk level assessment is needed, the Department may request an end-of-confinement review. The Department shall provide to the DOC the necessary documents required to assess a person for a risk level.

### 325.5.6 VICTIM NOTIFICATION

If a predatory offender resides, expects to reside, is employed or is regularly found in this jurisdiction, the Department shall provide victims who have requested notification with data that is relevant and necessary to protect the victim. Information disclosed should be obtained from the risk assessment report provided by DOC (Minn. § Stat. 244.052, Subd. 3).

The DOC will provide victim contact data to this department when there is a victim who has requested notification (refer to the DOC document "Victim Data Confidential for Law Enforcement Agency Use Only").

It may be appropriate for members of the Department to directly contact the victim. Community victim advocacy or prosecutor resources may also be available to assist with locating and notifying a victim. Assistance is also available from the DOC victim services staff.

Members of the Department may contact other victims, witnesses and other individuals who are likely to be victimized by the offender.

### 325.5.7 HOMELESS NOTIFICATION PROCESS

If public notice (Level 2 or 3) is required on a registered homeless offender, that notice should be as specific as possible. These offenders are required to check in weekly with local law enforcement, unless an alternative reporting procedure is approved by the Investigation Unit supervisor (Minn. Stat. § 243.166, Subd. 3a).

### 325.5.8 LIMITATIONS OF RELEASE OF DATA

Disclosures permitted or required for Level 2 or 3 offenders shall not be made if the offender is placed or resides in a DOC-licensed residential facility. ## Major Incident Notification

### 326.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of this department in determining when, how and to whom notification of major incidents should be made.

### 326.2 POLICY

The New Prague Police Department recognizes that certain incidents should be brought to the attention of supervisors or other specified personnel of this department to facilitate the coordination of activities and ensure that inquiries from the media and the public may be properly addressed.

### 326.3 MINIMUM CRITERIA FOR NOTIFICATION

Most situations where the media show a strong interest are also of interest to the Chief of Police. The following list of incident types is provided as a guide for notification and is not intended to be all inclusive:

- Homicides.
- Traffic collisions with fatalities.
- Officer-involved shooting, whether on- or off-duty (See Officer-Involved Shootings and Deaths Policy for special notifications).
- Significant injury or death to an employee, whether on- or off-duty.
- Death of a prominent New Prague official.
- Arrest of Department employee or prominent New Prague official.

### 326.4.2 DETECTIVE NOTIFICATION

If the incident requires that an officer or investigator respond from home, the immediate supervisor of the appropriate detail shall be contacted.

## Death Investigation

### 327.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers initially respond to and investigate the circumstances of a deceased person.

Death investigations shall be conducted pursuant to Minn. Stat. § 390.005 through 390.252 if the county has an elected or appointed Coroner (Minn. Stat. § 390.34).

Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations and the use of appropriate resources and evidence gathering techniques is critical.

### 327.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Emergency Medical Services shall be called in all suspected death cases unless the death is obvious (e.g., decapitated or decomposed). Peace officers are not authorized to pronounce death unless they are also Coroners or deputy coroners. A supervisor shall be notified in all death investigations under suspicious, or unusual circumstances.

### 327.2.2 SEARCHING DEAD BODIES

The Medical Examiner or his/her assistants and authorized investigators are generally the only persons permitted to move, handle or search a dead body (Minn. Stat. § 390.221).

An officer shall make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for information identifying the individual as an organ donor or as an individual who made a refusal. If a donor document is located, the Medical Examiner shall be promptly notified (Minn. Stat. § 525A.12).

Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the Medical Examiner, the investigating officer shall first obtain verbal consent from the Medical Examiner.

The Medical Examiner is required to release property or articles to law enforcement that are necessary for conducting an investigation unless reasonable basis exists pursuant to Minn. Stat. § 390.225 Subd. 2 to not release the property or articles (Minn. Stat. § 390.221).

Whenever reasonably possible, a witness, preferably a relative of the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer, pending the arrival of the Medical Examiner.

## *Death Investigation*

---

The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Medical Examiner, a receipt shall be obtained. This receipt shall be attached to the death report.

### 327.2.3 DEATH NOTIFICATION

When practicable, and if not handled by the Medical Examiner, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Medical Examiner may be requested to make the notification. The Medical Examiner needs to know if notification has been made. Assigned investigators may need to talk to the next-of-kin.

If a deceased person has been identified as a missing person, this department shall attempt to locate family members and inform them of the death and the location of the deceased missing person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports and properly retained (Minn. Stat. § 390.25 Subd. 2 (b)).

Notation in the MnCIS, NCIC, and Missing Children/Missing Persons Information Clearinghouse files shall be made indicating location of the missing person's remains and Office contact information. Notification shall be made to the agency entering the person as missing.

This department shall immediately notify the state fire marshal or New Prague's chief officer (if that position exists) when a human death results from a fire, (Minn. Stat. § 299F.04 Subd. 5 (b)).

### 327.2.4 UNIDENTIFIED DEAD BODIES

If the identity of a dead body cannot be established after the Medical Examiner arrives, the Medical Examiner will issue a "John Doe" or "Jane Doe" number for the report.

### 327.2.5 UNIDENTIFIED BODIES DATA ENTRY

As soon as reasonably possible, but no later than 30 working days after the date a death is reported to the Department, any information or items pertaining to identifying features of the unidentified body, dental records, fingerprints, any unusual physical characteristics, description of clothing or personal belongings found on or with the body, that are in the possession of NPPD shall be forwarded to the Medical Examiner for transmission to the BCA for eventual entry into systems designed to assist in the identification process, such as the Missing Children and Missing Persons Information Clearinghouse and the National Crime Information Center (NCIC) files (Minn. Stat. § 390.25 Subd. 2 (a)).

### 327.2.6 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented by completing a report and completing necessary forms.

### 327.2.7 SUSPICIOUS DEATH

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene and the Division shall be notified

## *Death Investigation*

---

to determine the possible need for an investigator to respond to the scene for further immediate investigation.

If the on-scene officers, through consultation with the Sergeant or Investigation Unit supervisor, is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

The investigator of a homicide or suspicious-circumstances death may, with the approval of his/her supervisor, request the Medical Examiner to conduct physical examinations and tests and provide a report with the costs borne by the Department (Minn. Stat. § 390.251).

### 327.2.8 EMPLOYMENT RELATED DEATHS OR INJURIES

Any member of this agency who responds to and determines that a death, serious illness or serious injury has occurred as a result of an accident at or in connection with the victim's employment, should ensure that the nearest office of the Minnesota Department of Labor and Industry is notified with all pertinent information.

# Identity Theft

## 328.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

## 328.2 REPORTING

- (a) A report shall be taken any time a person living within the jurisdiction of the New Prague Police Department reports that he/she has been a victim of identity theft (Minn. Stat. § 609.527, Subd. 5). This includes:
  - 1. Taking a report even if the location of the crime is outside the jurisdiction of this department or has not been determined.
  - 2. Providing the victim with department information, as set forth in the Victim and Witness Assistance Policy. Officers should encourage the individual to review the material, and assist with any questions.
- (b) A report should also be taken if a person living outside the department jurisdiction reports an identity theft that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in New Prague to facilitate the crime).
- (c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and the Department of Public Safety's Driver and Vehicle Services Division) with all known report numbers.
- (e) Following supervisory review and Department processing, the initial report should be forwarded to the appropriate investigator for follow-up investigation, coordination with other agencies and prosecution as circumstances dictate.

## 328.3 PREVENTATIVE MEASURES

The victim should be advised to place a security freeze on his/her consumer report as allowed by law (Minn. Stat. § 13C.016 Subd. 2). A victim may also access the Minnesota Attorney General's office for additional detailed information.

## 328.4 VICTIM DATA

The victim may be provided the Consent to Create an FBI Identity Theft File Form and a Notice About Providing Your Social Security Number. These completed forms should be submitted to the Records Section for appropriate filing and entry into the NCIC Identity Theft File. Forms and details are available on the Bureau of Criminal Apprehension identity theft website.

## *Identity Theft*

---

### **328.5 INFORMATION**

The victim should also be encouraged to contact the Federal Trade Commission (FTC), which is responsible for receiving and processing complaints under the Identity Theft and Assumption Deterrence Act. The victim can contact the FTC online or by telephone. Additional information may be found at the U.S. Department of Justice (USDOJ) website.

## Private Persons Arrests

### 329.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Minn. Stat. § 629.30 Subd. 2 (4).

### 329.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

All officers shall advise civilians of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all situations, officers should use sound discretion in determining whether to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest, as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest. Absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.
- (c) Private individuals shall be informed of the requirement to take the arrested person before a judge or to a peace officer without unnecessary delay (Minn. Stat. § 629.39).

### 329.3 ARRESTS BY PRIVATE PERSONS

A private person may arrest another under the following circumstances (Minn. Stat. § 629.37):

- (a) For a public offense committed or attempted in his/her presence.
- (b) When the person arrested has committed a felony, although not in his/her presence.
- (c) When a felony has been committed and he/she has reasonable cause for believing the person to be arrested committed the felony.
- (d) When directed by a judge or a peace officer to arrest another person (Minn. Stat. § 629.403).

### 329.4 OFFICER RESPONSIBILITIES

Any officer presented with a private person wishing to make an arrest must determine whether there is reasonable cause to believe that such an arrest would be lawful.

- (a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.

### *Private Persons Arrests*

---

1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual. The officer must include the basis of such a determination in a related report.
  2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:
1. Take the individual into physical custody for booking.
  2. Release the individual upon a misdemeanor citation or pending formal charges.

#### **329.5 REPORTING REQUIREMENTS**

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a Department Private Person's Arrest Form. If the person fails or refuses to do so the arrest subject shall be released unless the officer has an independent reason to take the person into custody.

In addition to the Private Person's Arrest Form (and any other related documents, such as citations and booking forms), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

## Limited English Proficiency Services

### 330.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

#### 330.1.1 DEFINITIONS

Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficient (LEP)** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations. This includes individuals who, because of difficulty in speaking or comprehending the English language, cannot fully understand any charges made against them, the seizure of their property, or they are incapable of presenting or assisting in the presentation of a defense (Minn. Stat. § 611.31).

**Qualified bilingual member** - A member of the New Prague Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

### 330.2 POLICY

It is the policy of the New Prague Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

*Limited English Proficiency Services*

---

**330.3 LEP COORDINATOR**

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Patrol Chief of Police or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

- (a) Coordinating and implementing all aspects of the New Prague Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Sergeant and Dispatch Supervisor. The list should include information regarding the following:
  1. Languages spoken
  2. Contact information
  3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

## Limited English Proficiency Services

---

### 330.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

### 330.5 TYPES OF LEP ASSISTANCE AVAILABLE

New Prague Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

### 330.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

### 330.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

## Limited English Proficiency Services

---

### 330.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

### 330.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

#### 330.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.

## Limited English Proficiency Services

---

- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

### 330.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

### 330.10 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

### 330.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The New Prague Police Department will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

#### 330.11.1 EMERGENCY CALLS TO 9-1-1

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP

### *Limited English Proficiency Services*

---

individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in Scott County Sheriff's Office, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

#### **330.12 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

#### **330.13 INVESTIGATIVE FIELD INTERVIEWS**

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter

## Limited English Proficiency Services

---

- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

### 330.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### 330.14.1 OTHER TIMING AND NOTIFICATION MANDATES

The investigating or arresting officer shall immediately make necessary contacts to get an authorized interpreter for an in-custody LEP person at the earliest possible time in order to assist the person throughout the interrogation or taking of a statement. This applies even when the interrogation will be conducted by a bilingual member (Minn. Stat. § 611.32).

The following shall be explained to the LEP person with the assistance of the authorized interpreter (Minn. Stat. § 611.32):

- (a) All charges filed against the person
- (b) All procedures relating to the person's detention and release
- (c) In the case of any seizure under the provisions of the Asset Forfeiture Policy:
  1. The possible consequences of the seizure
  2. The person's right to judicial review

#### 330.14.2 OATH

Every authorized interpreter shall be administered and take the following oath prior to assisting in taking a statement related to a criminal matter from an in-custody LEP person (Minn. Stat. § 611.33):

"I will make, to the best of my skill and judgment, a true interpretation to the disabled person being examined of all the proceedings, in a language which said person understands, and to repeat the statements, in the English language, of said person to the officials before whom the proceeding is taking place."

## Limited English Proficiency Services

---

### 330.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

### 330.16 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

### 330.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

### 330.18 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Chief of Police shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Chief of Police shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

#### 330.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and

## *Limited English Proficiency Services*

---

understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Chief of Police shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

# Communications with Persons with Disabilities

## 331.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

### 331.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102). This includes those who, because of a hearing, speech or other communication disorder, cannot fully understand any charges made against them, the seizure of their property or they are incapable of presenting or assisting in the presentation of a defense (Minn. Stat. § 611.31).

**Qualified Interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters.

## 331.2 POLICY

It is the policy of the New Prague Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

## 331.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by and directly responsible to the Patrol Chief of Police or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

### *Communications with Persons with Disabilities*

---

- (a) Working with the City ADA coordinator regarding the New Prague Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.
- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Sergeant and Dispatch Supervisor. The list should include information regarding the following:
  - 1. Contact information
  - 2. Availability
  - 3. Type of services provided
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **331.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).

## *Communications with Persons with Disabilities*

---

- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However in an emergency availability may factor into the type of aid used.

### **331.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation when a member knows or suspects an individual requires assistance to effectively communicate the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include for example exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the New Prague Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

### **331.6 TYPES OF ASSISTANCE AVAILABLE**

New Prague Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

## *Communications with Persons with Disabilities*

---

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

### **331.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

### **331.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available by some means, even remotely, within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

### **331.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time as needed for effective communication due to the slower nature of TTY and TDD communications.

## *Communications with Persons with Disabilities*

---

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

### **331.10 COMMUNITY VOLUNTEERS**

Interpreter services may be available from community volunteers who have demonstrated competence in communication services such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist approved community volunteers who have demonstrated competence may be called upon when appropriate. However department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

### **331.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

### **331.12 REPORTING**

Whenever any member of this department is required to complete a report or other documentation and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

## *Communications with Persons with Disabilities*

---

### **331.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

#### **331.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

### **331.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist. The use of a video

## Communications with Persons with Disabilities

---

remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

To ensure that communications during custodial investigations are accurately documented and are admissible as evidence, as with all custodial interviews, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

### 331.14.1 OTHER TIMING AND NOTIFICATION MANDATES

The investigating or arresting officer shall immediately make necessary contacts to get a qualified interpreter for a person in custody at the earliest possible time (Minn. Stat. § 611.32).

The following shall be explained with the assistance of the qualified interpreter (Minn. Stat. § 611.32):

- (a) All charges filed against the person
- (b) All procedures relating to the person's detainment and release
- (c) In the case of any seizure under the Asset Forfeiture Policy:
  - 1. The possible consequences of the seizure
  - 2. The person's right to judicial review

### 331.14.2 OATH

Every qualified interpreter shall be administered and take the following oath prior to assisting in taking a statement related to a criminal matter from an in-custody deaf or hard of hearing person (Minn. Stat. § 611.33):

"I will make, to the best of my skill and judgment, a true interpretation to the disabled person being examined of all the proceedings, in a language which said person understands, and to repeat the statements, in the English language, of said person to the officials before whom the proceeding is taking place."

## 331.15 ARRESTS AND BOOKINGS

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If

## *Communications with Persons with Disabilities*

---

necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

### **331.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

### **331.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

### **331.18 TRAINING**

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.
- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Chief of Police shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Chief of Police shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

#### **331.18.1 CALL-TAKER TRAINING**

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

## *Communications with Persons with Disabilities*

---

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

## Pupil Arrest Reporting

### 332.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the procedures to follow when a pupil is arrested on school grounds and during school hours.

### 332.2 PUPIL ARREST REPORTING

In the event a school pupil is arrested, the arresting officer shall include the necessary information in the report to ensure that the School Resource Officer notifies the chief administrative officer of the school, or an appropriate designee, of the pupil's arrest.

If there is probable cause to believe an incident involved alcohol or a controlled substance, the arresting officer shall complete the appropriate form and submit the form with the report to the Records Section. The Records Section shall ensure the form is distributed to the chemical abuse pre-assessment team of the school within two weeks of the occurrence (Minn. Stat. § 121A.28).

#### 332.2.1 PUPIL ARREST AFTER NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to notify the school prior to the arrest. Prior notification and assistance from the school, may reduce disruption to school operations and other students.

#### 332.2.2 PUPIL ARREST BEFORE NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to arrest the pupil before notifying the school. This may be appropriate if the pupil is a flight risk, if prior notification will impede the investigation or if notification creates additional risks to students, faculty, the officer or the public.

Proper notification to the school after the pupil's arrest should then be made when circumstances reasonably allow.

#### 332.2.3 PARENTAL NOTIFICATION

Upon arrest, it is the arresting officer's responsibility to ensure the parents of the arrested pupil are properly notified. Notification shall be made by the officer, regardless of subsequent notifications by the juvenile detention facility. Notifications should be documented and include the charges against the pupil and where the pupil will be taken.

## Biological Samples

### 333.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples collected from those required to register, for example, as sex offenders.

### 333.2 POLICY

The New Prague Police Department will assist in the expeditious collection of required biological samples from offenders in accordance with the laws of this state and with as little reliance on force as practicable.

### 333.3 PERSONS SUBJECT TO BIOLOGICAL SAMPLE COLLECTION

The following persons must submit a biological sample:

- (a) Adults who are subject to a court order requiring a biological sample after sentencing (Minn. Stat. § 609.117).
- (b) Juveniles who are subject to a court order requiring a biological sample after being adjudicated delinquent (Minn. Stat. § 609.117).

### 333.4 PROCEDURE

When an individual is required to provide a biological sample, a trained employee shall obtain the sample in accordance with this policy.

#### 333.4.1 COLLECTION

The following steps should be taken to collect a sample:

- (a) Verify that the individual is required to provide a sample pursuant to Minn. Stat. § 609.117.
- (b) Verify that a biological sample has not been previously collected from the offender by querying the person's criminal history. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use the designated collection kit provided by the Minnesota Bureau of Criminal Apprehension to perform the collection and take steps to avoid cross contamination.

### 333.5 USE OF FORCE TO OBTAIN SAMPLES

If a person refuses to cooperate with the sample collection process, officers should attempt to identify the reason for refusal and seek voluntary compliance without resorting to using force. Force will not be used in the collection of samples except as authorized by court order or approval

## *Biological Samples*

---

of legal counsel and only with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

- (a) The person's parole or probation officer when applicable.
- (b) The prosecuting attorney to seek additional charges against the person for failure to comply or to otherwise bring the refusal before a judge.
- (c) The judge at the person's next court appearance.
- (d) The person's attorney.
- (e) A chaplain.
- (f) Another custody facility with additional resources, where an arrestee can be transferred to better facilitate sample collection.
- (g) A supervisor who may be able to authorize custodial disciplinary actions to compel compliance, if any are available.

The supervisor shall review and approve any plan to use force and be present to document the process.

### 333.5.1 VIDEO RECORDING

A video recording should be made any time force is used to obtain a biological sample. The recording should document all staff participating in the process, in addition to the methods and all force used during the collection. The recording should be part of the investigation file, if any, or otherwise retained in accordance with the department's records retention schedule.

# Public Safety Video Surveillance System

## 334.1 PURPOSE AND SCOPE

This policy provides guidance for the placement and monitoring of department public safety video surveillance, as well as the storage and release of the captured images.

This policy only applies to overt, marked public safety video surveillance systems operated by the Department. It does not apply to mobile audio/video systems, covert audio/video systems or any other image capturing devices used by the Department.

## 334.2 POLICY

The New Prague Police Department operates a public safety video surveillance system to complement its anti-crime strategy, to effectively allocate and deploy personnel, and to enhance public safety and security in public areas. Cameras may be placed in strategic locations throughout the City to detect and deter crime, to help safeguard against potential threats to the public, to help manage emergency response situations during natural and man-made disasters and to assist City officials in providing services to the community.

Video surveillance in public areas will be conducted in a legal and ethical manner while recognizing and protecting constitutional standards of privacy.

## 334.3 STORAGE AND RETENTION OF MEDIA

All downloaded media shall be stored in a secure area with access restricted to authorized persons. A recording needed as evidence shall be copied to a suitable medium and booked into evidence in accordance with established evidence procedures. All actions taken with respect to retention of media shall be appropriately documented.

The type of video surveillance technology employed and the manner in which recordings are used and stored will affect retention periods. The recordings should be stored and retained in accordance with the established records retention schedule.

### 334.3.1 EVIDENTIARY INTEGRITY

All downloaded and retained media shall be treated in the same manner as other evidence. Media shall be accessed, maintained, stored and retrieved in a manner that ensures its integrity as evidence, including strict adherence to chain of custody requirements. Electronic trails, including encryption, digital masking of innocent or uninvolved individuals to preserve anonymity, authenticity certificates and date and time stamping shall be used as appropriate to preserve individual rights and to ensure the authenticity and maintenance of a secure evidentiary chain of custody.

## 334.3 VIDEO SURVEILLANCE AUDIT

The Chief of Police or the authorized designee will conduct an annual review of the public safety video surveillance system. The review should include an analysis of the cost, benefit and effectiveness of the system, including any public safety issues that were effectively addressed or

## Public Safety Video Surveillance System

---

any significant prosecutions that resulted, and any systemic operational or administrative issues that were identified, including those related to training, discipline or policy.

The results of each review shall be appropriately documented and maintained by the Chief of Police or the authorized designee and other applicable advisory bodies. Any recommendations for training or policy should be promptly addressed.

### 334.3 OPERATIONAL GUIDELINES

Only department-approved video surveillance equipment shall be utilized. Members authorized to monitor video surveillance equipment should only monitor public areas and public activities where no reasonable expectation of privacy exists. The Chief of Police or the authorized designee shall approve all proposed locations for the use of video surveillance technology and should consult with and be guided by legal counsel as necessary in making such determinations.

#### 334.3.1 PLACEMENT AND MONITORING

Camera placement will be guided by the underlying purpose or strategy associated with the overall video surveillance plan. As appropriate, the Chief of Police should confer with other affected City divisions and designated community groups when evaluating camera placement. Environmental factors, including lighting, location of buildings, presence of vegetation or other obstructions, should also be evaluated when determining placement.

Cameras shall only record video images and not sound. Recorded images may be used for a variety of purposes, including criminal investigations and monitoring of activity around high-value or high-threat areas. The public safety video surveillance system may be useful for the following purposes:

- (a) To prevent, deter and identify criminal activity.
- (b) To target identified areas of gang and narcotics complaints or activity.
- (c) To respond to critical incidents.
- (d) To assist in identifying, apprehending and prosecuting offenders.
- (e) To document officer and offender conduct during interactions to safeguard the rights of the public and officers.
- (f) To augment resources in a cost-effective manner.
- (g) To monitor pedestrian and vehicle traffic activity.

Images from each camera should be recorded in a manner consistent with the underlying purpose of the particular camera. Images should be transmitted to monitors installed in the Shift Sergeant's office and Scott County Sheriff's Office. When activity warranting further investigation is reported or detected at any camera location, the available information should be provided to responding officers in a timely manner. The Shift Sergeant or trained Scott County Sheriff's Office personnel are authorized to adjust the cameras to more effectively view a particular area for any legitimate public safety purpose.

## *Public Safety Video Surveillance System*

---

The Chief of Police may authorize video feeds from the public safety video surveillance system to be forwarded to a specified location for monitoring by other than police personnel, such as allied government agencies, road or traffic crews, or fire or emergency operations personnel.

Unauthorized recording, viewing, reproduction, dissemination or retention is prohibited.

### 334.3.2 CAMERA MARKINGS

All public areas monitored by public safety surveillance equipment shall be marked in a conspicuous manner with appropriate signs to inform the public that the area is under police surveillance. Signs should be well lit, placed appropriately and without obstruction to ensure visibility.

### 334.3.3 INTEGRATION WITH OTHER TECHNOLOGY

The Department may elect to integrate its public safety video surveillance system with other technology to enhance available information. Systems such as gunshot detection, incident mapping, crime analysis, license plate recognition, facial recognition and other video-based analytical systems may be considered based upon availability and the nature of department strategy.

The Department should evaluate the availability and propriety of networking or otherwise collaborating with appropriate private sector entities and should evaluate whether the use of certain camera systems, such as pan-tilt-zoom systems and video enhancement or other analytical technology, requires additional safeguards.

## **334.3 RELEASE OF VIDEO IMAGES**

All recorded video images gathered by the public safety video surveillance equipment are for the official use of the New Prague Police Department and are classified as law enforcement data under Minn. Stat. § 13.82.

Requests for recorded video images from the public or the media shall be processed in the same manner as requests for department public records under the Minnesota Government Data Practices Act. Except as required by a statute, court order or other lawful process consistent with the provisions of Minn. Stat. § 13.82, video images requested under the Minnesota Government Data Practices Act will generally not be disclosed to the public when such video images are evidence in an ongoing criminal investigation in which a disposition has not been reached.

Requests for recorded images from other law enforcement agencies shall be referred to the Shift Sergeant for release in accordance with a specific and legitimate law enforcement purpose.

Recorded video images that are the subject of a court order or subpoena shall be processed in accordance with the established department subpoena process.

## Public Safety Video Surveillance System

---

### 334.3 VIDEO SUPERVISION

Supervisors should monitor video surveillance access and usage to ensure members are within department policy and applicable laws. Supervisors should ensure such use and access is appropriately documented.

#### 334.3.1 VIDEO LOG

A log should be maintained at all locations where video surveillance monitors are located. The log should be used to document all persons not assigned to the monitoring locations who have been given access to view or monitor images provided by the video surveillance cameras. The logs should, at a minimum, record the:

- (a) Date and time access was given.
- (b) Name and agency of the person being given access to the images.
- (c) Name of person authorizing access.
- (d) Identifiable portion of images viewed.

#### 334.3.2 PROHIBITED ACTIVITY

Public safety video surveillance systems will not intentionally be used to invade the privacy of individuals or observe areas where a reasonable expectation of privacy exists.

Public safety video surveillance equipment shall not be used in an unequal or discriminatory manner and shall not target individuals or groups based solely on actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability.

Video surveillance equipment shall not be used to harass, intimidate, or discriminate against any individual or group.

### 334.4 TRAINING

All department members authorized to operate or access public video surveillance systems shall receive appropriate training. Training should include guidance on the use of cameras, interaction with dispatch and patrol operations and a review regarding relevant policies and procedures, including this policy. Training should also address state and federal law related to the use of video surveillance equipment and privacy.

## Child and Dependent Adult Safety

### 335.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or vulnerable adult investigation. These are covered in the Child Abuse and Adult Abuse.

### 335.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when a parent or caregiver is arrested. The New Prague Police Department will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

### 335.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be nonproductive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

## *Child and Dependent Adult Safety*

---

### 335.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the county social services agency, if appropriate.
- (e) Notify the field supervisor or Shift Sergeant of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

### 335.3.2 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting employee will document the following information:
  1. Name
  2. Sex
  3. Age

### *Child and Dependent Adult Safety*

---

4. Special needs (e.g., medical, mental health)
  5. How, where and with whom or which agency the child was placed
  6. Identities and contact information for other potential caregivers
  7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting employee should document the following information about the dependent adult:
1. Name
  2. Sex
  3. Age
  4. Whether he/she reasonably appears able to care for him/herself
  5. Disposition or placement information if he/she is unable to care for him/herself

#### **335.3.3 SUPPORT AND COUNSELING REFERRAL**

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

#### **335.4 DEPENDENT WELFARE SERVICES**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service entity to determine whether protective custody is appropriate (Minn. Stat. § 260C.007; Minn. Stat. § 260C.175 ).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked patrol car or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

## Service Animals

### 336.1 PURPOSE AND SCOPE

Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The New Prague Police Department recognizes this need and is committed to making reasonable modifications to its policies, practices and procedures in accordance with Title II of the Americans with Disabilities Act (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

#### 336.1.1 DEFINITIONS

Definitions related to this policy include:

**Service animal** - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

### 336.2 POLICY

It is the policy of the New Prague Police Department to provide services and access to persons with service animals in the same manner as those without service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law.

### 336.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist people with disabilities.

Examples of the ways service animals may be used to provide assistance include:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.

## Service Animals

---

- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

### 336.3 MEMBER RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the New Prague Police Department affords to all members of the public (see generally Minn. Stat. § 256C.02; Minn. Stat. § 363A.19).

#### 336.3.1 REMOVAL

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations, an officer may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually. Past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with the disability.

#### 336.3.2 INQUIRY

If it is apparent or if an officer is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the officer should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal, and no further question as to the animal's status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

#### 336.3.3 CONTACT

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

### 336.3.4 COMPLAINTS

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice or the Minnesota Department of Human Rights.

# Native American Graves Protection and Repatriation

## 338.1 PURPOSE AND SCOPE

This policy is intended to ensure the protection and security of ancient or historic grave sites, including notification of personnel responsible for cultural items, in compliance with the Native American Graves Protection and Repatriation Act (NAGPRA) (25 USC § 3001 et seq.).

### 338.1.1 DEFINITIONS

Definitions related to this policy include (43 CFR 10.2):

Funerary objects are either associated funerary objects or unassociated funerary objects.

Associated funerary objects are any funerary objects related to removed human remains, where the location of the human remains is known. This includes objects that were made exclusively for burial purposes or to contain human remains, regardless of the physical location or existence of any related human remains.

Unassociated funerary objects are any other funerary objects that are identified by a preponderance of the evidence such as:

- Related to human remains but the remains were not removed, or the location of the remains is unknown.
- Related to specific individuals or families.
- Removed from specific burial sites with Native American cultural affiliation.
- Removed from an area where such burial sites are known to have existed, but the site no longer exists.

**Sacred objects** - Specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions.

### **338.3 COMPLIANCE WITH THE NATIVE AMERICAN GRAVES PROTECTION AND REPATRIATION ACT**

Upon discovery or arrival upon a scene where it reasonably appears that a Native American grave, human remains, funerary objects, associated funerary objects, unassociated funerary objects, sacred objects, or objects of cultural patrimony are exposed or otherwise unsecured, members shall secure the site in the same manner as a crime scene. All activity at the scene other than scene preservation activity must cease (43 CFR 10.5).

No photography or video recording may be permitted by the media or any group or individual who may wish to exhibit the remains.

Without delay, the appropriate agency or group shall be notified to respond and take control of the scene. These include the following (43 CFR 10.5):

- Federal land - Appropriate agency at the U.S. Department of the Interior or U.S. Department of Agriculture
- State land - State archaeologist (Minn. Stat. § 307.08, Subd. 7)
- Tribal land - Responsible Indian tribal official

### **338.4 EVIDENCE AND PROPERTY**

If the location has been investigated as a possible homicide scene prior to identification as a NAGPRA site, investigators shall work with other appropriate agencies and individuals to ensure the proper transfer and repatriation of any material collected. Members shall ensure that any remains or artifacts located at the site are expediently processed (43 CFR 10.7).

### **338.5 BURIAL GROUNDS**

All human burials, human remains and human burial grounds shall be afforded equal treatment and respect for human dignity, regardless of ethnic origins, cultural backgrounds or religious affiliations (Minn. Stat. § 307.08, Subd. 1).

This department shall cooperate with other government agencies, the Minnesota Office of the State Archaeologist and the Minnesota Indian Affairs Council to carry out any provisions of state law (Minn. Stat. § 307.08, Subd. 9).

## Off-Duty Law Enforcement Actions

### 339.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the New Prague Police Department with respect taking law enforcement action while off-duty.

### 339.2 POLICY

Officers generally should not initiate law enforcement action while off-duty. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

When the safety of the public or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

Officers are not expected to place themselves in unreasonable peril. However, any licensed member of this department who becomes aware of an incident or circumstance that the member reasonably believes would justify the use of deadly force or result in significant property damage may take reasonable action to minimize or eliminate the threat. See the Use of Force Policy for additional guidance.

### 339.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations, state law and department policy. All firearms and ammunition must meet guidelines as described in the Firearms Policy. When carrying firearms while off-duty, officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the officer's senses or judgment.

### 339.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable and should take into consideration:

- (a) The tactical disadvantage of being alone and the fact there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.

## *Off-Duty Law Enforcement Actions*

---

- (c) The lack of equipment, such as handcuffs, Oleoresin Capsicum (OC) spray or a baton.
- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive and gather as much accurate intelligence as possible instead of immediately intervening.

### 339.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if reasonably possible.

Whenever reasonably practicable, the officer should loudly and repeatedly identify him/herself as an New Prague Police Department officer until acknowledged. Official identification should also be displayed.

### 339.4.2 INCIDENTS OF PERSONAL INTEREST

Officers should refrain from handling incidents of personal interest (e.g., family or neighbor disputes) and should remain neutral. In such circumstances, officers should call the responsible agency to handle the matter.

### 339.4.3 NON-SWORN RESPONSIBILITIES

Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and reasonably practicable.

### 339.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

## **339.5 REPORTING**

Any officer, prior to taking any off-duty law enforcement action, shall notify and receive approval of an New Prague Police Department supervisor (or other applicable enforcement authority if acting outside the jurisdiction of the New Prague Police Department). The Shift Sergeant shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

In instances of active incidents where speed, accuracy and frequent updates are paramount (e.g., crime alerts, public safety information, traffic issues), the Chief of Police or the authorized designee will be responsible for the compilation of information to be released, subject to the approval of the Incident Commander.

### 340.5 PROHIBITED CONTENT

Content that is prohibited from posting includes, but is not limited to:

- (g) Any content that has not been properly authorized by this policy or a supervisor.

Any member who becomes aware of content on this Department's social media site that he/she believes is unauthorized or inappropriate should promptly report such content to a supervisor. The supervisor will ensure its removal from public view and investigate the cause of the entry.

### 340.5.1 PUBLIC POSTING PROHIBITED

Department social media sites shall be designed and maintained to prevent posting of content by the public.

## *Department Use of Social Media*

---

The Department may provide a method for members of the public to contact department members directly.

### **340.6 MONITORING CONTENT**

The Chief of Police will appoint a supervisor to review, at least annually, the use of department social media and report back on, at a minimum, the resources being used, the effectiveness of the content, any unauthorized or inappropriate content and the resolution of any issues.

### **340.7 RETENTION OF RECORDS**

### **340.8 TRAINING**

The Chief of Police should arrange for initial and ongoing training for committee members on topics relevant to their responsibilities.

The Chief of Police may include the committee in the evaluation and development of department policies and procedures and may ask them to review certain personnel complaints for the purpose of providing recommendations regarding supervisory, training or other issues as appropriate.

#### 341.10.1 LEGAL CONSIDERATIONS

The Chief of Police and the community relations coordinator should work with the City Attorney as appropriate to ensure the committee complies with any legal requirements such as public notices, records maintenance and any other associated obligations or procedures.

## Community Relations

---

### 341.11 TRANSPARENCY

The Department should periodically publish statistical data and analysis regarding the department's operations. The reports should not contain the names of officers, suspects or case numbers. The community relations coordinator should work with the community advisory committee to identify information that may increase transparency regarding department operations.

#### 341.12.1 STATE-MANDATED TRAINING

The Chief of Police is responsible for ensuring that members receive community policing as required by Minn. Stat. § 626.8455.

#### 400.1.1 FUNCTION

Officers will generally patrol in clearly marked vehicles, patrol assigned jurisdictional areas of New Prague, respond to calls for assistance, act as a deterrent to crime, enforce state, local and, when authorized or empowered by agreement or statute, federal laws and respond to emergencies 24 hours per day, seven days per week.

Patrol will generally provide the following services within the limits of available resources:

- (a) Patrol that is directed at the prevention of criminal acts, traffic violations and collisions, the maintenance of public order and the discovery of hazardous situations or conditions.
- (b) Crime prevention activities, such as residential inspections, business inspections and community presentations.
- (c) Calls for service, both routine and emergency.
- (d) Investigation of both criminal and non-criminal acts.
- (e) The apprehension of criminal offenders.
- (f) Community Oriented Policing and problem-solving activities, such as citizen assists and individual citizen contacts of a positive nature.

#### 400.1.2 TERRORISM

It is the goal of the New Prague Police Department to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. Officers should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a written report or Field Interview (FI). The supervisor should ensure that all terrorism-related reports and FIs are forwarded to the Investigation Unit Supervisor in a timely fashion.

*Patrol Function*

---

**400.2 PATROL INFORMATION SHARING PROCEDURES**

The following guidelines are intended to develop and maintain intra-organization cooperation and information flow between the various divisions of the New Prague Police Department.

**400.3 CROWDS, EVENTS AND GATHERINGS**

Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws, when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

## Bias-Based Policing

### 401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the New Prague Police Department's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

The New Prague Police Department adopts the Minnesota Board of Peace Officers Standards and Training model Policy, Avoiding Racial Profiling

Model Policy Link:

<https://dps.mn.gov/entity/post/model-policies-learning-objectives/Documents/Avoiding%20Racial%20Profiling%20POST%20Model%20Policy-7-22.doc>

#### 401.1.1 DEFINITIONS

Definitions related to this policy include:

**Bias-based policing or improper profiling** - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin (including limited English proficiency), religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement. This includes explicit and implicit biases (i.e., conscious and unconscious beliefs or attitudes towards certain groups).

This also includes use of racial or ethnic stereotypes as factors in selecting whom to stop and search. It does not include law enforcement's use of race or ethnicity to determine whether a person matches a specific description of a particular subject (Minn. Stat. § 626.8471).

### 401.2 POLICY

The New Prague Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group (Minn. Stat. § 626.8471, Subd. 3).

### 401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

## *Bias-Based Policing*

---

### **401.4 MEMBER RESPONSIBILITIES**

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of bias-based policing to a supervisor. Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.

#### **401.4.1 REASON FOR CONTACT**

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

To the extent that written documentation would otherwise be completed (e.g., arrest report, Field Interview (FI) card), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

#### **401.4.2 INFORMATION TO BE PROVIDED**

Officers shall (Minn. Stat. § 626.8471, Subd. 3):

- (a) Introduce or identify themselves and state the reason for a contact as soon as practicable unless providing the information could compromise officer or public safety.
- (b) Attempt to answer questions the person may have regarding the contact, including relevant referrals to other agencies when appropriate.
- (c) Explain the reason for the contact if it is determined the reasonable suspicion was unfounded.
- (d) When requested, provide their name and badge number and identify this department during routine stops.
- (e) When requested, officers should inform a member of the public of the process to file a misconduct complaint for bias-based policing against a member of the Department, and that bias-based policing complaints may be made by calling the Attorney General's office (Minn. Stat. § 626.9514).

### **401.5 SUPERVISOR RESPONSIBILITIES**

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy.

- (a) Supervisors should discuss any issues with the involved officer and his/her supervisor in a timely manner.
  1. Supervisors should document these discussions, in the prescribed manner.
- (b) Supervisors should periodically review MAV recordings, portable audio/video recordings, Mobile Data Terminal (MDT) data and any other available resource used

## *Bias-Based Policing*

---

to document contact between officers and the public to ensure compliance with this policy.

1. Supervisors should document these periodic reviews.
  2. Recordings that capture a potential instance of bias-based policing should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based policing.

### **401.6 ADMINISTRATION**

Each year, the Records Sections should review the efforts of the Department to provide fair and objective policing and submit an annual report, including public concerns and complaints, to the Chief of Police. The annual report should not contain any identifying information about any specific complaint, citizen or officers. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service.

Supervisors should review the annual report and discuss the results with those they are assigned to supervise.

### **401.7 TRAINING**

Training on fair and objective policing and review of this policy shall be conducted annually and include:

- (a) Explicit and implicit biases.
- (b) Avoiding improper profiling.

#### **401.7.1 ADDITIONAL TRAINING REQUIREMENTS**

The Chief of Police should ensure that Board of Peace Officer Standards and Training (POST) approved in-service training is provided to officers on recognizing and valuing community diversity and cultural differences, including implicit bias, as required by Minn. Stat. § 626.8469, Subd. 1.

The Chief of Police and supervisors should receive and review training materials prepared by POST on how to detect and respond to racial profiling (Minn. Stat. § 626.8471, Subd. 7).

## Briefing Training

### 402.1 PURPOSE AND SCOPE

Briefing training is generally conducted at the beginning of the officer's assigned shift. Briefing provides an opportunity for important exchange between employees and supervisors. A supervisor generally will conduct Briefing. However, officers may conduct Briefing for training purposes with supervisor approval.

Briefing should accomplish, at a minimum, the following basic tasks:

- (a) Briefing officers with information regarding daily patrol activity, with particular attention given to unusual situations and changes in the status of wanted persons, stolen vehicles and major investigations.
- (b) Notifying officers of changes in schedules and assignments.
- (c) Notifying officers of new Departmental Directives or changes in Departmental Directives.
- (d) Reviewing recent incidents for training purposes.
- (e) Providing training on a variety of subjects.

### 402.2 PREPARATION OF MATERIALS

The supervisor conducting Briefing, or the officer if the supervisor is unable to participate in a group briefing session, is responsible for collection and preparation of the materials necessary for a constructive briefing. Supervisors may delegate this responsibility to a subordinate officer in his/her absence or for training purposes.

### 402.3 RETENTION OF BRIEFING TRAINING RECORDS

Briefing training materials and a curriculum or summary shall be forwarded to the Chief of Police for inclusion in training records as appropriate.

## Crime and Disaster Scene Integrity

### 403.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

### 403.2 POLICY

It is the policy of the New Prague Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

### 403.3 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

### 403.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

*Crime and Disaster Scene Integrity*

---

**403.5 SEARCHES**

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

**403.5.1 CONSENT**

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

**403.6 EXECUTION OF HEALTH ORDERS**

Any licensed member of this department may assist in the enforcement of all directives of the local health officer issued for the purpose of preventing the spread of any contagious, infectious, or communicable disease (Minn. Stat. § 144.4195, Subd. 2(c)).

### 404.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK

All ride-along applicants are subject to a criminal history check. ## 404.3 OFFICER'S RESPONSIBILITIES

Officers shall consider the safety of the ride-along at all times.

Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the situation and as soon as practicable have another police unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride or is otherwise inappropriate should be immediately reported to the Shift Sergeant.

The Sergeant is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, a copy of the ride-along waiver form shall be returned to the Sergeant with any comments that may be offered by the officer.

- (g) Under no circumstance shall a civilian ride-along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person.

# Hazardous Material Response

## 405.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees as a result of their exposure. To comply with Minnesota law, the following represents the policy of this department.

### 405.1.1 HAZARDOUS MATERIAL DEFINED

**Hazardous material** - Any refuse, sludge or other waste material or combinations of refuse, sludge or other waste materials in solid, semisolid, liquid or contained gaseous form, which, because of its quantity, concentration, or chemical, physical or infectious characteristics may (Minn. Stat. § 116.06 Subd. 11):

- (a) Cause or significantly contribute to an increase in mortality or an increase in serious irreversible or incapacitating reversible illness.
- (b) Pose a substantial present or potential hazard to human health or the environment when improperly treated, stored, transported, disposed of or otherwise managed.

## 405.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill or fire. When employees come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond and mitigate most hazardous materials and biohazards.

Responders should not perform tasks or use equipment absent proper training. A responder entering the area may require decontamination before he/she is allowed to depart the scene and should be evaluated by appropriate technicians and medical professionals for signs of exposure.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify the type of hazardous material. Identification can be determined by placard, driver's manifest or statements from the person transporting the material
- (b) Notify the appropriate fire department.
- (c) Provide first aid to injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate and surrounding areas dependent on the material. Voluntary evacuation should be considered. Depending on the material, mandatory evacuation may be necessary. This decision should be made after consulting with Incident Command
- (e) Contact the Minnesota Duty Officer (800-422-0798).
- (f) Responders should remain uphill and upwind of the hazard until a zone of entry and a decontamination area are established.
- (g) Contact Scott County Emergency Management.

## *Hazardous Material Response*

---

### **405.3 REPORTING EXPOSURE(S)**

Department personnel who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum that shall be forwarded via chain of command to their Chief of Police. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report.

#### **405.3.1 SUPERVISOR RESPONSIBILITIES**

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the appropriate fire department or County Emergency Management.

## Hostage and Barricade Incidents

### 406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

#### 406.1.1 DEFINITIONS

Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

### 406.2 POLICY

It is the policy of the New Prague Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

### 406.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

#### 406.3.1 EMERGENCY COMMUNICATION

A supervisor with probable cause to believe that a person is being unlawfully confined may order a telephone company to cut, reroute, or divert telephone lines for the purpose of establishing and controlling communications with a suspect (Minn. Stat. § 609.774).

## Hostage and Barricade Incidents

---

### 406.4 FIRST RESPONDER CONSIDERATION

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

#### 406.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Chief of Police.

## Hostage and Barricade Incidents

---

- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

### 406.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

- Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- Provide responding emergency personnel with a safe arrival route to the location.
- Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- Coordinate pursuit or surveillance vehicles and control of travel routes.
- Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Chief of Police.

## Hostage and Barricade Incidents

---

- If necessary and available, establish a tactical or exclusive radio frequency for the incident.

### 406.5 SUPERVISOR RESPONSIBILITY

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a ERT response if appropriate and apprising the ERT Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or Scott County Sheriff's Office.
- (i) Identify a media staging area outside the outer perimeter and have the department Chief of Police or a designated temporary media representative provide media access in accordance with the Media Relations Policy
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

### 406.6 CRISIS RESPONSE UNIT

It will be the Incident Commander's decision, with input from the ERT Commander, whether to deploy the ERT during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the ERT Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the ERT. The Incident Commander and the ERT Commander or the authorized designee shall maintain communications at all times.

## *Hostage and Barricade Incidents*

---

### **406.7 REPORTING**

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

## Response to Bomb Calls

### 407.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the New Prague Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

The New Prague Police Department does not perform explosive ordinance disposal. This agency has an access to the Bloomington Police Department - Explosive Ordinance Unit (Bomb Squad), which shall conduct emergency ordinance disposal missions for this agency. The Minneapolis Bomb Squad will be requested if the Bloomington unit is unavailable.

### 407.2 POLICY

It is the policy of the New Prague Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

### 407.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Sergeant is immediately advised and informed of the details. This will enable the Shift Sergeant to ensure that the appropriate personnel are dispatched and, as appropriate, the threatened location is given an advance warning.

### 407.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

#### 407.4.1 NEW PRAGUE POLICE DEPARTMENT FACILITY

If the bomb threat is against the New Prague Police Department facility, the Shift Sergeant or senior officer will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

#### 407.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the New Prague Police Department that is not the property of this department, the appropriate agency will

## *Response to Bomb Calls*

---

be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Sergeant deems appropriate.

### **407.4.3 FEDERAL BUILDING OR PROPERTY**

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

### **407.5 PRIVATE FACILITY OR PROPERTY**

When a member of this department receives notification of a bomb threat at a location in the City of New Prague, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied, and if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
  - (a) No evacuation of personnel and no search for a device.
  - (b) Search for a device without evacuation of personnel.
  - (c) Evacuation of personnel without a search for a device.
  - (d) Evacuation of personnel and a search for a device.
- (g) Identification of person receiving the call; name, date of birth, address, phone number, etc.
- (h) Time call was received.
- (i) Sex of caller.
- (j) Estimated age of caller.
- (k) Exact language used by caller.
- (l) If the call was taped, request the tape for evidence.
- (m) Any peculiar or identifiable accent of caller.
- (n) Background noises such as jukebox music, vehicular traffic, other conversations etc.

## Response to Bomb Calls

---

- (o) Did the caller sound like anyone known to them.

If a search has not been started upon your arrival, suggest that this be done immediately. Advise the person who notified the department that conducting the search of the premises is their responsibility and IT IS DEPARTMENTAL POLICY NOT TO ACTIVELY PARTICIPATE IN THE SEARCH OPERATION. If they have not been the victim of a bomb threat before, they may be completely disorganized and have no idea how to organize and conduct a search. If this is the case, be tactful and helpful. Make the following suggestions:

- A. Alert supervisory and custodial help to conduct the search.
- B. Deploy the searchers in a manner to cover the premises as quickly as possible.
- C. A central location or command post should be established; an office with a telephone is recommended. The search teams should be aware of this location and phone number. Officers should stand by at the command post.
- D. If the caller indicated the location of the bomb, advise that it be checked first.
- E. If no location was indicated, suggest the following priorities:
  - (a) Rest rooms accessible to the public;
  - (b) Stairwells;
  - (c) Engineering spaces, including janitor's closets and lockers;
  - (d) Any other areas easily reached by the public;
  - (e) Areas normally occupied by employees are the least likely and therefore should be the last areas to be searched.
- F. It is best if those most familiar with the premises conduct the search with agency members maintaining a supervisory role, unless circumstances dictate their more active participation is necessary to successfully complete the search.
- G. Any objects suspected of being a possible destructive device will result in the immediate notification of the Bloomington Police Department, Bomb Squad.
- H. The only explosives that agency members are authorized to handle/transport will be under the following conditions:
  - (a) Recovery of small arms ammunition.
  - (b) Recovery of small quantities of fireworks, firecrackers, bottle rockets and other minor pyrotechnics.
  - (c) Small containers of flammable liquids.
  - (d) Military ordinance; extreme caution must be exercised, all military ordinance will be handled by the Bloomington Police Department, Bomb Squad. Examples of military ordinance are grenades, mortars and mortar rounds, artillery rounds, rocket rounds, etc.
- I. Under no circumstances should officers or searchers attempt to handle or move a suspicious package or devices. The Bloomington Police Department, Bomb Squad, will be immediately notified of any incident involving possible explosives.

## Response to Bomb Calls

---

The member receiving the bomb threat information should ensure that the Shift Sergeant is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

### 407.5.1 ASSISTANCE

The Shift Sergeant should be notified when police assistance is requested. The Shift Sergeant will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Sergeant determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
  - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
  - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
  - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

### 407.6 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
  - 1. Two-way radios

## Response to Bomb Calls

---

2. Cell phones
3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Sergeant including:
  1. The time of discovery.
  2. The exact location of the device.
  3. A full description of the device (e.g., size, shape, markings, construction).
  4. The anticipated danger zone and perimeter.
  5. The areas to be evacuated or cleared.

### 407.7 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

#### 407.7.1 CONSIDERATIONS

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.

## Response to Bomb Calls

---

- (i) Identify witnesses.

### 407.7.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Shift Sergeant
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

### 407.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

### 407.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Sergeant should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

## Civil Commitments

### 408.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place an individual in protective custody and request a 72-hour hold under the Minnesota Commitment and Treatment Act (Minn. Stat. § 253B.051).

### 408.2 POLICY

It is the policy of the New Prague Police Department to protect the public and individuals through legal and appropriate use of the 72-hour hold process.

### 408.3 AUTHORITY

An officer, having probable cause to believe that any individual because of mental illness, chemical dependency, or public intoxication is in danger of injuring him/herself or others if not immediately detained, may take, or cause to be taken, the individual to an appropriate treatment facility for a 72-hour evaluation (Minn. Stat. § 253B.051, Subd. 1).

The officer shall make written application for admission of the individual to an appropriate treatment facility. The application shall contain the officer's reasons for and circumstances under which the individual was taken into custody. If danger to specific individuals is a basis for the requested emergency hold, the statement must include identifying information for those individuals to the extent reasonably practicable. The officer shall also provide the department contact information for purposes of receiving notice if the individual is released prior to the 72-hour admission or leaves the facility without consent. The facility shall make a copy of the statement available to the individual taken into custody (Minn. Stat. § 253B.051, Subd. 1).

#### 408.3.1 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for a 72-hour hold, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the officers should:

- (a) Arrange for the individual to be transported to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to the Minnesota Commitment and Treatment Act.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation, officers should proceed with the application for a 72-hour hold, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

### 408.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a 72-hour hold should consider, as time and circumstances reasonably permit:

## Civil Commitments

---

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

### 408.5 DOCUMENTATION

The officer should complete an application for emergency admission, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

### 408.6 CRIMINAL OFFENSES

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken into custody for purposes of a 72-hour hold should resolve the criminal matter by issuing a warning or a citation, as appropriate.

When an individual who may qualify for a 72-hour hold has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 72-hour hold.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 72-hour hold.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

### 408.7 FIREARMS AND OTHER WEAPONS

Whenever an individual is taken into custody for a 72-hour hold, the handling officers should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under

## *Civil Commitments*

---

the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search unless lawful warrantless entry has already been made (e.g., exigent circumstances, consent). A warrant may also be needed before searching for or seizing weapons.

The handling officers should further advise the individual of the procedure for the return of any firearm or other weapon that has been taken into custody.

### **408.8 TRAINING**

This department will endeavor to provide department-approved training on interaction with mentally disabled persons, 72-hour holds and crisis intervention.

## Citation Releases

### 409.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the New Prague Police Department with guidance on when to release adults who are suspected offenders on a citation for a criminal offense, rather than having the person held in custody for a court appearance or released on bail.

This policy also provides guidance on when a court orders that a person be released.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Domestic Abuse Policy.

### 409.2 POLICY

The New Prague Police Department will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a citation, when authorized to do so.

### 409.3 RELEASE

If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

## Rapid Response and Deployment

### 411.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

### 411.2 POLICY

The New Prague Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

### 411.3 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

### 411.4 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat. Officers must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

## Rapid Response and Deployment

---

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

### 411.5 PLANNING

The Patrol Chief of Police should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

## *Rapid Response and Deployment*

---

### **411.6 TRAINING**

The Chief of Police should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

# Immigration Violations

## 412.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the New Prague Police Department relating to immigration and interacting with federal immigration officials.

## 412.2 POLICY

It is the policy of the New Prague Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

## 412.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or Minnesota constitutions.

## 412.4 DETENTIONS

An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

An officer who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of federal immigration law may detain the person for a reasonable period of time in order to contact federal immigration officials to verify whether an immigration violation is a federal civil violation or a criminal violation. If the violation is a criminal violation, the officer may continue to detain the person for a reasonable period of time if requested by federal immigration officials (8 USC § 1357(g)(10)). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the officer has facts that establish probable cause to believe that a person already lawfully detained has committed a criminal immigration offense, he/she may continue the detention and may request a federal immigration official to respond to the location to take custody of the detained person (8 USC § 1357(g)(10)).

An officer is encouraged to forgo detentions made solely on the basis of a misdemeanor offense when time limitations, availability of personnel, issues of officer safety, communication capabilities, or the potential to obstruct a separate investigation outweigh the need for the detention.

## *Immigration Violations*

---

An officer should notify a supervisor as soon as practicable whenever an individual is being detained for a criminal immigration violation.

### 412.4.1 SUPERVISOR RESPONSIBILITIES

When notified that an officer has detained an individual and established reasonable suspicion or probable cause to believe the person has violated a criminal immigration offense, the supervisor should determine whether it is appropriate to:

- (a) Transfer the person to federal authorities.
- (b) Lawfully arrest the person for a criminal offense or pursuant to a judicial warrant (see the Law Enforcement Authority Policy).

### 412.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT

Generally, an officer should not notify federal immigration officials when booking arrestees at a county jail facility. Any required notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

### 412.6 FEDERAL REQUESTS FOR ASSISTANCE

Requests by federal immigration officials for assistance from this department should be directed to a supervisor. The Department may provide available support services, such as traffic control or peacekeeping efforts.

### 412.7 INFORMATION SHARING

No member of this department will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in department records
- (c) Exchanging such information with any other federal, state, or local government entity

#### 412.7.1 IMMIGRATION DETAINERS

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause, or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

### 412.8 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

## *Immigration Violations*

---

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Investigation Unit supervisor assigned to oversee the handling of any related case. The Investigation Unit supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
  - 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

### **412.9 TRAINING**

The Chief of Police should ensure officers receive training on this policy.

Training should include:

- (a) Identifying civil versus criminal immigration violations.
- (b) Factors that may be considered in determining whether a criminal immigration offense has been committed.

## Emergency Utility Service

### 413.1 PURPOSE AND SCOPE

The City Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

#### 413.1.1 BROKEN WATER LINES

The City's responsibility ends at the water meter. Any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the City side of the meter, emergency personnel should be called as soon as practicable.

#### 413.1.2 ELECTRICAL LINES

When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. Public Works should be promptly notified, as appropriate.

#### 413.1.3 RESERVOIRS, PUMPS AND WELLS

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

#### 413.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies will be maintained by Scott County Sheriff's Office. Additionally, emergency contact will be maintained in the City of New Prague Emergency Operations Plan.

### 413.2 TRAFFIC SIGNAL MAINTENANCE

Traffic signals are maintained by the Minnesota Department of Transportation (Mn/DOT).

#### 413.2.1 OFFICER'S RESPONSIBILITIES

Upon observing a damaged or malfunctioning signal, the officer will advise Scott County Sheriff's Office of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

# Aircraft Accidents

## 414.1 PURPOSE AND SCOPE

The purpose of this policy is to provide department members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Operations Plan and Hazardous Material Response policies.

### 414.1.1 DEFINITIONS

Definitions related to this policy include:

**Aircraft** - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

## 414.2 POLICY

It is the policy of the New Prague Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

## 414.3 ARRIVAL AT SCENE

Officers or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

- (a) Protect persons and property.
- (b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
- (c) Preserve ground scars and marks made by the aircraft.
- (d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
- (e) Maintain a record of persons who enter the accident site.
- (f) Consider implementation of an Incident Command System (ICS).

## 414.4 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

## Aircraft Accidents

---

### 414.5 NOTIFICATIONS

When an aircraft accident is reported to this department, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

### 414.6 CONTROLLING ACCESS AND SCENE AUTHORITY

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) Medical Examiner.
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

### 414.7 DANGEROUS MATERIALS

Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
- (b) Pressure vessels, compressed gas bottles, accumulators and tires.

## Aircraft Accidents

---

- (c) Fluids, batteries, flares and igniters.
- (d) Evacuation chutes, ballistic parachute systems and composite materials.

### 414.8 DOCUMENTATION

All aircraft accidents occurring within the City of New Prague shall be documented. At a minimum the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of NPPD members deployed to assist; other City resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

#### 414.8.1 WRECKAGE

When reasonably safe, members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.
- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
  1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
- (d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
- (e) Acquire copies of any recordings from security cameras that may have captured the incident.

#### 414.8.2 WITNESSES

Members tasked with contacting witnesses should obtain:

- (a) The location of the witness at the time of his/her observation relative to the accident site.
- (b) A detailed description of what was observed or heard.
- (c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

### 414.9 MEDIA RELATIONS

The Chief of Police (Chief of Police) should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should

## *Aircraft Accidents*

---

be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

Depending on the type of aircraft, the airline or the military may be responsible for family notifications and the release of victims' names. The Chief of Police should coordinate with other involved entities before the release of information.

## Field Training Officer Program

### 415.1 PURPOSE AND SCOPE

The Field Training Officer Program is intended to provide a standardized program to facilitate the officer's transition from the academic setting to the actual performance of general law enforcement duties of the New Prague Police Department.

It is the policy of this department to assign all new police officers to a structured Field Training Officer Program that is designed to prepare the new officer to perform in a patrol assignment and to acquire all of the skills needed to operate in a safe, productive and professional manner.

### 415.2 FIELD TRAINING OFFICER - SELECTION AND TRAINING

The Field Training Officer (FTO) is an experienced officer trained in the art of supervising, training and evaluating entry-level and lateral police officers in the application of their previously acquired knowledge and skills.

#### 415.2.1 SELECTION PROCESS

#### 415.2.2 CONTINUED TRAINING

All FTOs must complete a POST-approved FTO update course every three years while assigned to the position of FTO.

### 415.3 FIELD TRAINING OFFICER PROGRAM SUPERVISOR

The Field Training Officer Program Supervisor will be selected by the Patrol Chief of Police or designee.

The responsibilities of the FTO Program Supervisor include the following:

- (a) Assignment of trainees to FTOs.
- (b) Conduct FTO meetings.

## Field Training Officer Program

---

- (c) Maintain and ensure FTO/trainee performance evaluations are completed.
- (d) Maintain, update and issue the Field Training Manual to each trainee.
- (e) Monitor individual FTO performance.
- (f) Monitor overall FTO Program.
- (g) Maintain liaison with FTO coordinators of other agencies.
- (h) Maintain liaison with academy staff on recruit performance during the academy.
- (i) Develop ongoing training for FTOs.

The FTO Program supervisor will be required to obtain a Field Training Officer Supervisory certificate from a Minnesota POST Board-approved course within one year of appointment to this position.

### 415.4 TRAINEE DEFINED

**Trainee** - Any entry level or lateral police officer newly appointed to the New Prague Police Department who possesses a Minnesota POST license or is eligible to be licensed.

### 415.5 REQUIRED TRAINING

Entry level officers shall be required to successfully complete the Field Training Program. If performance is above and beyond expectations, an early release from field training can occur at the discretion of the Chief of Police.

The training period for lateral officers may be modified depending on the trainee's demonstrated performance and level of experience, but shall consist of a minimum of eight weeks. If performance is above and beyond expectations, an early release from field training can occur at the discretion of the Chief of Police.

The required training will take place on at least two different shifts and with at least two different FTOs if reasonably possible.

#### 415.5.1 FIELD TRAINING MANUAL

Each new officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and skills necessary to properly function as an officer with the New Prague Police Department. The officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules and regulations enacted by the New Prague Police Department.

### 415.6 EVALUATIONS

Evaluations are an important component of the training process and shall be completed as outlined below.

## Field Training Officer Program

---

### 415.6.1 FIELD TRAINING OFFICER

The FTO will be responsible for the following:

- (a) Completing and submitting a written evaluation on the performance of the assigned trainee to the trainee's immediate supervisor on a daily basis.
- (b) Reviewing the Daily Trainee Performance Evaluations with the trainee each day.
- (c) Completing a detailed end-of-phase performance evaluation on the assigned trainee at the end of each phase of training.
- (d) Signing off all completed topics contained in the Field Training Manual, noting the method of learning and evaluating the performance of the assigned trainee.

### 415.6.2 IMMEDIATE SUPERVISOR

The immediate supervisor shall review and approve the Daily Trainee Performance Evaluations and forward them to the Field Training Administrator.

### 415.6.3 FIELD TRAINING ADMINISTRATOR

The Field Training Administrator will review and approve the Daily Trainee Performance Evaluations submitted by the FTO through his/her immediate supervisor.

The Field Training Administrator will hold periodic meetings with all FTOs to ensure understanding and compliance with the requirements of the Field Training Program. At least annually, the Field Training Administrator will hold a process review meeting with all FTOs to discuss changes needed in the FTO Program. A summary of this meeting, with any recommendations or changes made, will be documented and forward to the Chief of Police for review and approval.

### 415.6.4 TRAINEE

At the completion of the Field Training Program, the trainee shall submit a performance evaluation of each of his/her FTOs and of the Field Training Program.

## 415.7 DOCUMENTATION

All documentation of the Field Training Program will be retained in the officer's training files and will consist of the following:

- (a) Daily Trainee Performance Evaluations.
- (b) End of phase evaluations.
- (c) A Certificate of Completion, certifying that the trainee has successfully completed the required number of hours of field training.

## Obtaining Air Support

### 416.1 PURPOSE AND SCOPE

The use of air support can be invaluable in certain situations. This policy specifies potential situations where the use of air support may be requested and the responsibilities for making a request.

### 416.2 REQUEST FOR AIR SUPPORT ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of air support would be beneficial, a request to obtain air support assistance may be made.

#### 416.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for air support, the Shift Sergeant or designee will call the closest agency having air support available. The Shift Sergeant will apprise that agency of the specific details of the incident prompting the request.

#### 416.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Law enforcement air support may be requested under any of the following conditions:

- (a) When the aircraft is activated under existing mutual aid agreements.
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the aircraft may reduce such hazard.
- (c) When the use of aircraft will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community.
- (d) When an aircraft is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard.
- (e) Vehicle pursuits (Minn. Stat. § 626.8458).
- (f) When the Shift Sergeant or equivalent authority determines a reasonable need exists.

While it is recognized that the availability of air support will generally provide valuable assistance to ground personnel, the presence of air support will rarely replace the need for officers on the ground.

## Contacts and Temporary Detentions

### 417.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

#### 417.1.1 DEFINITIONS

Definitions related to this policy include:

**Consensual encounter** - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

**Field interview (FI)** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

**Field photographs** - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Video Recorder (MVR) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-down search** - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the [officer\_deputy], the detainee, or others.

**Reasonable suspicion** - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Temporary detention** - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

### 417.2 POLICY

The New Prague Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

## Contacts and Temporary Detentions

---

### 417.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the New Prague Police Department to strengthen community involvement, community awareness, and problem identification.

#### 417.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

### 417.4 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

## Contacts and Temporary Detentions

---

- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

### 417.4 FIELD PHOTOGRAPHS

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

#### 417.4.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the officer should have the individual read and sign the appropriate form accompanying the photograph.

#### 417.4.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

#### 417.4.3 DISPOSITION OF PHOTOGRAPHS

All detainee photographs must be adequately labeled and submitted to the Shift Sergeant with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Sergeant should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Sergeant will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Section.

## Contacts and Temporary Detentions

---

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

### 417.4.4 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken. Field photographs shall be classified as law enforcement data under Minn. Stat. § 13.82, and shall be collected, maintained, and disseminated consistent with the Minnesota Government Data Practices Act. Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

### 417.5 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
  1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
  2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, officers should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
  1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if reasonably available, prior to transport.

# Criminal Organizations

## 418.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the New Prague Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

### 418.1.1 DEFINITIONS

Definitions related to this policy include:

**Criminal intelligence system** - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

## 418.2 POLICY

The New Prague Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

## 418.3 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

### 418.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, FI, photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Section. Any

## *Criminal Organizations*

---

supporting documentation for an entry shall be retained by the Records Section in accordance with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Section are appropriately marked as intelligence information. The Police Records Technician may not purge such documents without the approval of the designated supervisor.

### 418.3.2 ENTRIES INTO CRIMINAL GANG INVESTIGATIVE DATA SYSTEM

It is the designated supervisor's responsibility to approve the entry of any information into the criminal gang investigative data system maintained by the Minnesota Bureau of Criminal Apprehension and authorized by Minn. Stat. § 299C.091. Entries may be made if the individual is 14 years of age or older and the Department documents the following:

- (a) The Department has reasonable suspicion to believe that the individual has met at least three of the criteria or identifying characteristics of gang membership, developed by the Violent Crime Coordinating Council.
- (b) The individual has been convicted of a gross misdemeanor or felony, or has been adjudicated or has a stayed adjudication as a juvenile for an offense that would be a gross misdemeanor or felony if committed by an adult.

### 418.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved CIS only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of CIS entries.

#### 418.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Section or Evidence Room, but should be copies of, or references to, retained documents such as copies of reports, field interview (FI) forms, Scott County Sheriff's Office records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.

## *Criminal Organizations*

---

- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

### 418.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

### 418.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Chief of Police to train members to identify information that may be particularly relevant for inclusion.

### 418.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

### 418.7 CRIMINAL STREET GANGS

The Investigation Unit supervisor should ensure that there are an appropriate number of department members who can:

## *Criminal Organizations*

---

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with identification of criminal street gangs, criminal street gang members and patterns of criminal gang activity.
- (b) Coordinate with other agencies in the region regarding criminal street gang crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

### **418.8 TRAINING**

The Chief of Police should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multi-agency criminal intelligence system.
- (c) Submission of information into a multi-agency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

## Shift Sergeants

### 419.1 PURPOSE AND SCOPE

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with Department policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each watch.

### 419.2 DESIGNATION AS ACTING SHIFT SERGEANT

When a Sergeant is unavailable for duty as Shift Sergeant, in most instances the senior qualified senior officer shall be designated as acting Shift Sergeant. This policy does not preclude designating a less senior senior officer as an acting Shift Sergeant when operational needs require or training permits.

## Mobile Video Recorders

### 420.1 PURPOSE AND SCOPE

The New Prague Police Department has equipped marked patrol cars with Mobile Video Recording (MVR) systems to provide records of events and assist officers in the performance of their duties. This policy provides guidance on the use of these systems.

#### 420.1.1 DEFINITIONS

Definitions related to this policy include:

**Activate** - Any process that causes the MVR system to transmit or store video or audio data in an active mode.

**In-car camera system and Mobile Video Recorder (MVR)** - Synonymous terms - that refer to any system that captures audio and video signals that is capable of installation in a vehicle and that includes at minimum, a camera, microphone, recorder and monitor.

**Law Enforcement Operator (LEO)** - Primarily a licensed peace officer but on occasion may be a non-licensed representative of the Department who is authorized and assigned to operate MVR-equipped vehicles to the extent consistent with Minn. Stat. § 169.98.

**MGDPA** - The Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13.

**MVR technician** - Personnel certified or trained in the operational use and repair of MVRs, duplicating methods, storage and retrieval methods and procedures, and who possess a working knowledge of video forensics and evidentiary procedures.

**Recorded media** - Audio-video signals recorded or digitally stored on a storage device or portable media.

### 420.2 POLICY

It is the goal of the New Prague Police Department to use mobile video recorder (MVR) technology to more effectively fulfill the department's mission and to ensure these systems are used securely and efficiently.

### 420.3 OFFICER RESPONSIBILITIES

Prior to going into service each officer will properly equip him/herself to record audio and video in the field. At the end of the shift each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically additional recording media may be issued. Only New Prague Police Department identified and labeled media with tracking numbers is to be used.

At the start of each shift, officers should test the MVR system operation in accordance with manufacturer specifications and department operating procedures and training.

## Mobile Video Recorders

---

System documentation is accomplished by the officer recording his/her name, serial number, badge, or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the officer shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

### 420.4 ACTIVATION OF THE MVR

The MVR system is designed to turn on whenever the unit's emergency lights are activated, the assigned Officers CEW is armed, the CEW trigger is pulled, the gunlock is activated, or the unit travels above a predetermined speed. The system remains on until it is turned off manually. The audio portion is independently controlled and activates with the video recording on both front and rear MVR. Audio can be de-activated manually by the officer whenever appropriate. When audio is being recorded the video will also record.

Operators are encouraged to narrate events using the audio recording so as to provide the best documentation for pretrial and courtroom presentation.

Rear camera activation is done manually by the operator. The rear camera remains on until it is turned off manually.

#### 420.4.1 REQUIRED ACTIVATION OF THE MVR

This policy is not intended to describe every possible situation in which the MVR system may be used, although there are many situations where its use is appropriate. An officer may activate the system any time the officer believes its use would be appropriate and/or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However the audio portion can be valuable evidence and is subject to the same activation requirements as the MVR. The MVR system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
  1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
  2. Priority responses
  3. Vehicle pursuits
  4. Suspicious vehicles
  5. Arrests
  6. Vehicle searches
  7. Physical or verbal confrontations or use of force
  8. Prisoner transports
  9. Non-custody transports

## Mobile Video Recorders

---

10. Pedestrian checks
  11. DWI investigations including field sobriety tests
  12. Crimes in progress
  13. Responding to an in-progress call
  14. Medical incidents attended to by members of the Department
- (b) All self-initiated activity in which an officer would normally notify Scott County Sheriff's Office
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
1. Family violence calls
  2. Disturbance of peace calls
  3. Offenses involving violence or weapons
- (d) Any other contact that becomes adversarial after the initial contact, in a situation that would not otherwise require recording
- (e) Any other circumstance where the officer believes that a recording of an incident would be appropriate

### 420.4.2 CESSATION OF RECORDING

Once activated the MVR system should remain on until the incident has concluded. For purposes of this section conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if an officer is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

### 420.4.3 WHEN ACTIVATION IS NOT REQUIRED

Activation of the MVR system is not required when exchanging information with other officers or during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously use City equipment to record a conversation of any other member of this department except with a court order or when lawfully authorized by the Chief of Police or the authorized designee for the purpose of conducting a criminal or administrative investigation.

### 420.4.4 SUPERVISOR RESPONSIBILITIES

Supervisors should determine if vehicles with non-functioning MVR systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made..

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end-of-shift recording procedures are followed.
- (b) Logs reflect the proper chain of custody, including:

## Mobile Video Recorders

---

1. The tracking number of the MVR system media.
  2. The date it was issued.
  3. The law enforcement operator or the vehicle to which it was issued.
  4. The date it was submitted.
  5. Law enforcement operators submitting the media.
  6. Holds for evidence indication and tagging as required.
- (c) The operation of MVR systems by new employees is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, peace officer-involved shootings, department-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MVR technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media. Copies may be distributed to investigators as appropriate to the investigation.

Supervisors may activate the MVR system remotely to monitor a developing situation such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event.

### **420.5 REVIEW OF MVR RECORDINGS**

All recording media, recorded images and audio recordings are the property of the agency and subject to the provisions of the MGDPA. Dissemination outside of the agency is strictly prohibited except to the extent permitted or required under the MGDPA, Peace Officer Disciplinary Procedures Act or other applicable law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MVR technician or forensic media staff. When reasonably possible a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations.

- (a) For use when preparing reports or statements
- (b) By a supervisor investigating a specific act of officer conduct
- (c) By a supervisor to assess officer performance
- (d) To assess proper functioning of MVR systems
- (e) By department investigators, after approval of a supervisor, who are participating in an official investigation such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings

## Mobile Video Recorders

---

- (g) By an officer who is captured on or referenced in the video or audio data and reviews and uses the data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with permission of the Chief of Police or the authorized designee
- (i) By the media through proper process or with an MGDPA request (Minn. Stat. § 13.01 et seq.)
- (j) To assess possible training value
- (k) Recordings may be shown for staff or public safety training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the officer's objection

Employees desiring to view any previously uploaded or archived MVR recording should submit a request in writing to the Shift Sergeant. Approved requests should be forwarded to the MVR technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

### 420.6 DOCUMENTING MVR USE

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the officer's report. If a citation is issued, the officer shall make a notation on the records copy of the citation indicating that the incident was recorded.

### 420.7 RECORDING MEDIA STORAGE AND INTEGRITY

Once submitted for storage all recording media will be labeled and stored in a designated secure area. All recording media that is not booked in as evidence will be retained for a minimum of 180 days and disposed of in compliance with the established records retention schedule. Recorded media will be stored in evidence.com. Each Officer is provided with an evidence.com account to upload, label, and store recorded media.

#### 420.7.1 COPIES OF ORIGINAL RECORDING MEDIA

Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Chief of Police or the authorized designee. In the event an original recording is released to a court a copy shall be made and placed in storage until the original is returned.

#### 420.7.2 MVR RECORDINGS AS EVIDENCE

Officers who reasonably believe that an MVR recording is likely to contain evidence relevant to a criminal offense, potential claim against the officer or against the New Prague Police Department

## Mobile Video Recorders

---

should indicate this in an appropriate report. Officers should ensure relevant recordings are preserved.

### 420.8 SYSTEM OPERATIONAL STANDARDS

- (a) MVR system vehicle installations should be based on officer safety requirements and vehicle and device manufacturer recommendations.
- (b) The MVR system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MVR system may not be configured to record audio data occurring prior to activation.
- (d) To prevent bleed-over and/or noise from other MVRs in systems using low band transmitters (analog) only the primary LEO initiating the contact shall activate his/her audio recorder.
- (e) LEOs using digital transmitters that are individually synchronized to their individual MVR shall activate both audio and video recordings when responding in a support capacity in order to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment other electronic devices should not be used within the law enforcement vehicle in order to intentionally interfere with the capability of the MVR system to record audio data.
- (g) LEOs shall not erase, alter, reuse, modify or tamper with MVR recordings. Only a supervisor, MVR technician or other approved designee may erase and reissue previously recorded recordings and may only do so pursuant to the provisions of this policy.
- (h) To prevent damage original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MVR technician.

### 420.9 MVR TECHNICIAN RESPONSIBILITIES

The MVR technician is responsible for:

- (a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
- (b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected the MVR technician:
  - 1. Ensures it is stored in a secured location with authorized controlled access.
  - 2. Makes appropriate entries in the chain of custody log.
- (c) Erasing of media:
  - 1. Pursuant to a court order.
  - 2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.
- (d) Assigning all media an identification number prior to issuance to the field.
  - 1. Maintaining a record of issued media.

## *Mobile Video Recorders*

---

- (e) Ensuring that an adequate supply of recording media is available.
- (f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the records retention schedule.

### **420.10 TRAINING**

Users of the MVR systems and supervisors shall successfully complete an approved course of instruction prior to being deployed with MVR systems in operational settings.

## Mobile Data Terminal Use

### 421.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Data Terminal (MDT) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and Scott County Sheriff's Office.

### 421.2 POLICY

New Prague Police Department members using the MDT shall comply with all appropriate federal and state rules and regulations and shall use the MDT in a professional manner, in accordance with this policy.

### 421.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

### 421.4 RESTRICTED ACCESS AND USE

MDT use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDT system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDT by another member to their supervisors or Shift Sergeants.

Use of the MDT system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDT system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDT system unless directed to do so by a supervisor. Members are required to log off the MDT or secure the MDT when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

#### 421.4.1 USE WHILE DRIVING

Use of the MDT by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

## Mobile Data Terminal Use

---

In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

### 421.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Shift Sergeant or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the MDT unless security or confidentiality prevents such broadcasting.

MDT and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDT.

#### 421.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDT system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDT while the vehicle is not in motion.

#### 421.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Sergeant are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

### 421.6 EQUIPMENT CONSIDERATIONS

#### 421.6.1 MALFUNCTIONING MDT

Whenever possible, members will not use vehicles with malfunctioning MDTs. Whenever members must drive a vehicle in which the MDT is not working, they shall notify Scott County Sheriff's Office Dispatch. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the police radio.

## *Mobile Data Terminal Use*

---

### 421.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDTs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDT could cause some devices to detonate.

## Portable Audio/Video Recorders

### 422.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties (Minn. Stat. § 626.8473). Portable audio/video recording devices include all recording systems whether body-worn, hand-held, or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews, or interrogations conducted at any New Prague Police Department facility, undercover operations, wiretaps, or eavesdropping (concealed listening devices).

#### 422.1.1 DEFINITIONS

Definitions related to this policy include:

**Portable recording system** - A device worn by a member that is capable of both video and audio recording of the member's activities and interactions with others or collecting digital multimedia evidence as part of an investigation and as provided in Minn. Stat. § 13.825.

A law enforcement encounter with a person that becomes confrontational, during which at least one person expresses anger, resentment, or hostility toward the other, or at least one person directs toward the other verbal conduct consisting of arguing, threatening, challenging, swearing, yelling, shouting or body posturing. Encounters in which a citizen demands to be recorded or initiates recording on his or her own are deemed adversarial.

Information that may be useful as proof in a criminal prosecution, related civil or administrative proceeding, further investigation of an actual or suspected criminal act, or in considering an allegation against a law enforcement agency or officer.

An informal encounter with a citizen that is not and does not become law enforcement-related or adversarial, and a recording of the event would not yield information relevant to an ongoing investigation. Examples include, but are not limited to, assisting a motorist with directions, summoning a wrecker, or receiving generalized concerns from a citizen about crime trends in his or her neighborhood.

The Minnesota Government Data Practices Act, Minn. Stat. § 13.01, et seq.

For purposes of this policy, means that the officer is on duty and performing authorized law enforcement services on behalf of this Agency.

## Portable Audio/Video Recorders

---

The General Records Retention Schedule for Minnesota Cities.

A video recording that results from an officer's inadvertence in operating the officer's BWC, provided that no portion of the resulting recording has evidentiary value. Examples of unintentionally recorded footage include, but are not limited to, recordings made in station house locker rooms, restrooms, and recordings made while officers were engaged in conversations of a non-business, personal nature with the expectation that the conversation was not being recorded.

A police officer that has engaged in certain qualifying conduct established by the Scott or LeSueur County Attorney that may necessitate disclosure as part of the prosecution or defense of a criminal defendant. A police officer deemed to have a impairment shall have additional BWC use expectations as identified within this policy.

### 422.2 POLICY

The New Prague Police Department may provide members with access to portable recorders for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

### 422.3 COORDINATOR

The Chief of Police or the authorized designee should designate a coordinator responsible for (Minn. Stat. § 626.8473; Minn. Stat. § 13.825):

- (a) Establishing procedures for the security, storage, and maintenance of data and recordings.
  1. The coordinator should work with the Custodian of Records and the member assigned to coordinate the use, access, and release of protected information to ensure that procedures comply with requirements of the Minnesota Government Data Practices Act (MGDPA) and other applicable laws (Minn. Stat. § 13.01 et seq.) (see the Protected Information and the Records Maintenance and Release policies).
  2. The coordinator should work with the Custodian of Records to identify recordings that must be retained for a specific time frame under Minnesota law (e.g., firearm discharges, certain use of force incidents, formal complaints).
- (b) Establishing procedures for accessing data and recordings.
  1. These procedures should include the process to obtain written authorization for access to non-public data by NPPD members and members of other governmental entities and agencies.
- (c) Establishing procedures for logging or auditing access.
- (d) Establishing procedures for transferring, downloading, tagging, or marking events.
- (e) Establishing an inventory of portable recorders including:

### Portable Audio/Video Recorders

---

1. Total number of devices owned or maintained by the New Prague Police Department.
  2. Daily record of the total number deployed and used by members and, if applicable, the precinct or district in which the devices were used.
  3. Total amount of recorded audio and video data collected by the devices and maintained by the New Prague Police Department.
- (f) Preparing the biennial audit required by Minn. Stat. § 13.825, Subd. 9.
- (g) Notifying the Bureau of Criminal Apprehension (BCA) in a timely manner when new equipment is obtained by the New Prague Police Department that expands the type or scope of surveillance capabilities of the department's portable recorders.
- (h) Ensuring that this Portable Audio/Video Recorders Policy is posted on the Department website.

#### 422.4 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time or while acting in an official capacity of this department, regardless of ownership of the device, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

#### 422.5 MEMBER RESPONSIBILITIES

Prior to going into service, uniformed members will be responsible for making sure that they are equipped with a portable recorder issued by the Department, and that the recorder is in good working order (Minn. Stat. § 13.825). If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to their supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner at or above the mid-line of the waist and notify persons that they are being recorded, whenever reasonably practicable (Minn. Stat. § 626.8473).

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record their name, employee number, and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

## Portable Audio/Video Recorders

---

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording (Minn. Stat. § 626.8473). Members should include the reason for deactivation.

### 422.6 ACTIVATION OF THE AUDIO/VIDEO RECORDER

This policy is not intended to describe every possible situation in which the recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The recorder should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which a member would normally notify Scott County Sheriff's Office Dispatch.
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

If designated Brady-Giglio impaired, officers must activate BWC when responding to all calls for service and all general citizen contacts regardless of the circumstance.

#### 422.6.1 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

#### 422.6.2 SURREPTITIOUS RECORDINGS

Minnesota law permits an individual to surreptitiously record any conversation in which one party to the conversation has given his/her permission (Minn. Stat. § 626A.02).

## *Portable Audio/Video Recorders*

---

Members of the Department may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation.

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

### 422.6.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

### **422.7 PROHIBITED USE OF AUDIO/VIDEO RECORDERS**

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with department-issued or personally owned recorders. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Sergeant. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

### **422.8 RETENTION OF RECORDINGS**

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

If an individual captured in a recording submits a written request, the recording shall be retained for an additional time period. The coordinator should be responsible for notifying the individual prior to destruction of the recording (Minn. Stat. § 13.825).

Members shall not alter, erase, or destroy any recordings before the end of the applicable records retention period (Minn. Stat. § 626.8473).

#### 422.8.1 RELEASE OF AUDIO/VIDEO RECORDINGS

Requests for the release of audio/video recordings shall be processed in accordance with the Records Maintenance and Release Policy.

## Portable Audio/Video Recorders

---

### 422.8.2 ACCESS TO RECORDINGS

Except as provided by Minn. Stat. § 13.825, Subd. 2, audio/video recordings are considered private or nonpublic data.

Any person captured in a recording may have access to the recording. If the individual requests a copy of the recording and does not have the consent of other non-law enforcement individuals captured on the recording, the identity of those individuals must be blurred or obscured sufficiently to render the subject unidentifiable prior to release. The identity of on-duty peace officers may not be obscured unless their identity is protected under Minn. Stat. § 13.82, Subd. 17.

### 422.9 IDENTIFICATION AND PRESERVATION OF RECORDINGS

To assist with identifying and preserving data and recordings, members should download, tag or mark the recordings in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.
- (f) Disclosure may compromise an under-cover officer or confidential informant.
- (g) The recording or portions of the recording may be protected under the Minnesota Data Practices Act.
- (h) If the officer unintentionally creates a recording of no evidentiary value, the recording should be labeled as such and uploaded in compliance with this policy.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

### 422.10 REVIEW OF RECORDED MEDIA FILES

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

## Portable Audio/Video Recorders

---

Recorded files may also be reviewed:

- (a) By a supervisor as part of internal audits and reviews as required by Minn. Stat. § 626.8473.
- (b) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation, or criminal investigation.
- (c) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (d) By media personnel with permission of the Chief of Police or the authorized designee.
- (e) In compliance with the Minnesota Data Practices Act request, if permitted or required by the Act, including pursuant to Minn. Stat. § 13.82, Subd. 15, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that are clearly offensive to common sensibilities should not be publicly released unless disclosure is required by law or order of the court (Minn. Stat. § 13.82, Subd. 7; Minn. Stat. § 13.825, Subd. 2).

### **422.11 ACCOUNTABILITY**

Any member who accesses or releases recordings without authorization may be subject to discipline (see the Standards of Conduct and the Protected Information policies) (Minn. Stat. § 626.8473).

## Public Recording of Law Enforcement Activity

### 423.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

### 423.2 POLICY

The New Prague Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

### 423.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
  1. Tampering with a witness or suspect.
  2. Inciting others to violate the law.
  3. Being so close to the activity as to present a clear safety hazard to the officers.
  4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

### 423.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

## *Public Recording of Law Enforcement Activity*

---

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

### **423.5 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of department members, such as how and where to file a complaint.

### **423.6 SEIZING RECORDINGS AS EVIDENCE**

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
  1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
  1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
  2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Evidence Room Policy.

## Foot Pursuits

### 424.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

### 424.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, must continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

### 424.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity shall not serve as the sole justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits potentially place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as the following:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.

## Foot Pursuits

---

- (d) Thermal imaging or other sensing technology.
- (e) Air support.
- (f) Apprehension at another time, when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

### 424.4 GENERAL GUIDELINES

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officers renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with Scott County Sheriff's Office or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.

## Foot Pursuits

---

- (l) The officer or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to Department personnel or the public if the suspect is not immediately apprehended.
- (o) The officer's ability to safely continue the pursuit is impaired by inclement weather, darkness or other environmental conditions.

### 424.5 RESPONSIBILITIES IN FOOT PURSUITS

#### 424.5.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify Scott County Sheriff's Office of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

## Foot Pursuits

---

### 424.5.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize nonessential radio traffic to permit the involved officers maximum access to the radio frequency.

### 424.5.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever reasonably possible. The supervisor does not, however, need to be physically present to exercise control over the foot pursuit. The supervisor should continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor should promptly proceed to the termination point to direct the post-pursuit activity.

## 424.6 REPORTING

The initiating officer shall complete the appropriate crime/arrest reports documenting, at minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
  1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

## *Foot Pursuits*

---

In any case in which a suspect is not apprehended and there is insufficient information to warrant further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

## Homeless Persons

### 425.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The New Prague Police Department recognizes that members of the homeless community are often in need of special protection and services. The New Prague Police Department will address these needs in balance with the overall missions of this department. Therefore, officers will consider the following policy when serving the homeless community.

### 425.2 POLICY

It is the policy of the New Prague Police Department to provide law enforcement services to all members of the community while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

### 425.3

### 425.4 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest. Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

#### 425.4.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of our community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

## Homeless Persons

---

- (a) Documenting alternate contact information. This may include obtaining addresses and telephone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder and if so proceed in accordance with the Adult Abuse Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.

### **425.5 PERSONAL PROPERTY**

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the arrestee's personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the Department Homeless Liaison Officer. When practicable, requests by the public for clean-up operations of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the Department Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

*Homeless Persons*

---

**425.6 MENTAL ILLNESSES AND MENTAL IMPAIRMENTS**

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a 72-hour emergency medical hold unless facts and circumstances warrant such a detention.

**425.7 ECOLOGICAL ISSUES**

Sometimes homeless encampments can affect the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

## Criminal Conduct on School Buses

### 426.1 PURPOSE AND SCOPE

Criminal conduct on school buses has been identified by the legislature as a critical component for the safety and security of the community. The primary purpose of this policy is to provide officers guidance in responding to reports of alleged criminal conduct on school buses. This department, in cooperation with any other law enforcement agency that may have concurrent jurisdiction over the alleged offense, is responsible for responding to all reports of criminal misconduct on school buses in this jurisdiction.

This policy is not intended to interfere with or replace school disciplinary policies that relate to student misconduct on school buses (Minn. Stat. § 169.4581).

### 426.2 COMMUNITY COOPERATION

The New Prague Police Department shall work with and consult with school officials, transportation personnel, parents and students to respond to these incidents to protect student safety and deal appropriately with those who violate the law.

### 426.3 PROCEDURE

This department shall respond to all criminal misconduct on school buses within the jurisdiction of this department regardless of the source of the report. Officers should take reasonable actions to complete the following:

- (a) Provide for the safety of any person involved in the incident or present at the incident.
- (b) Coordinate any appropriate care.
- (c) Investigate reports of crimes committed on school buses using the same procedures as followed in other criminal investigations as appropriate for juveniles and/or adults.
- (d) Issue citations, release pending further investigation, or apprehend and transport individuals committing crimes on school buses to the extent authorized by law.
- (e) Submit reports regarding the incident for review, approval and consideration for prosecution.
- (f) Complete follow-up and additional investigation as reasonably necessary to prepare a case pertaining to criminal conduct on school buses as required for prosecution.
- (g) Provide information to the relevant school regarding the incident as required or authorized by law.

# Suspicious Activity Reporting

## 427.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

### 427.1.1 DEFINITIONS

Definitions related to this policy include:

**Involved party** - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

**Suspicious activity** - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

**Suspicious Activity Report (SAR)** - An incident report used to document suspicious activity.

## 427.2 POLICY

The New Prague Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

## 427.3 RESPONSIBILITIES

The Investigation Chief of Police and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Investigation Chief of Police include, but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

## Suspicious Activity Reporting

---

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

### 427.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any non-sworn member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

### 427.5 HANDLING INFORMATION

The Records Section will forward copies of SARs, in a timely manner, to the following:

- Investigation Unit supervisor
- Crime Analysis Unit
- Other authorized designees

## Medical Aid and Response

### 428.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

### 428.2 POLICY

It is the policy of the New Prague Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

### 428.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact Scott County Sheriff's Office and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Scott County Sheriff's Office with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
  1. Signs and symptoms as observed by the member.
  2. Changes in apparent condition.
  3. Number of patients, sex, and age, if known.
  4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
  5. Whether the person is showing signs of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

## *Medical Aid and Response*

---

### **428.4 TRANSPORTING ILL AND INJURED PERSONS**

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

### **428.5 PERSONS REFUSING EMS CARE**

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with a 72-hour hold in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

### **428.6 SICK OR INJURED ARRESTEE**

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

## Medical Aid and Response

---

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

### **428.7 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Conducted Energy Device policies.

### **428.8 AIR AMBULANCE**

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Patrol Chief of Police should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas, or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights, and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.

## Medical Aid and Response

---

- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

### 428.9 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE

#### 428.9.1 AED USER RESPONSIBILITY

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Chief of Police who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED should contact Scott County Sheriff's Office as soon as possible and request response by EMS.

#### 428.9.2 AED REPORTING

Any member using an AED will complete an incident report detailing its use.

#### 428.9.3 AED TRAINING AND MAINTENANCE

The Chief of Police should ensure appropriate training is provided to members authorized to use an AED.

The Chief of Police is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule.

### 428.10 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION

Only officers who receive training in the recognition of signs of opiate overdose and the use of opiate antagonists may administer opioid overdose medication (Minn. Stat. § 626.8443). Officers may administer opioid overdose medication in accordance with protocol specified by the physician who prescribed the overdose medication for use by the officer (Minn. Stat. § 151.37; Minn. Stat. § 604A.04).

#### 428.10.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES

Officers who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Officers should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Chief of Police.

## *Medical Aid and Response*

---

### 428.10.2 OPIOID OVERDOSE MEDICATION REPORTING

Any officer administering opioid overdose medication should detail its use in an appropriate report.

### 428.10.3 OPIOID OVERDOSE MEDICATION TRAINING

The Chief of Police should ensure training is provided to officers authorized to administer opioid overdose medication (Minn. Stat. § 151.37; Minn. Stat. § 626.8443).

### 428.10.4 OPIOID OVERDOSE MEDICATION SUPPLY

The Chief of Police or the authorized designee shall ensure there is a sufficient supply of opioid overdose medication available for use.

Trained officers shall carry at least two unexpired doses of opioid overdose medication while on-duty (Minn. Stat. § 626.8443).

## **428.11 ADMINISTRATION OF EPINEPHRINE**

The department may obtain epinephrine auto-injectors from licensed pharmacies to be administered by trained members in accordance with Minn. Stat. § 144.999.

### 428.11.1 EPINEPHRINE USER RESPONSIBILITIES

Members who are qualified to administer epinephrine should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Chief of Police.

Any member who administers epinephrine should contact Scott County Sheriff's Office as soon as possible and request response by EMS.

### 428.11.2 EPINEPHRINE REPORTING

Any member administering epinephrine should detail its use in an appropriate report.

### 428.11.3 EPINEPHRINE TRAINING

The Chief of Police should ensure that training is provided to members authorized to administer epinephrine.

Training shall be conducted by an authorized provider and be completed every two years (Minn. Stat. § 144.999).

## **428.12 FIRST AID TRAINING**

Subject to available resources, the Chief of Police should ensure officers receive periodic first aid training appropriate for their position.

## Crisis Intervention Incidents

### 429.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

#### 429.1.1 DEFINITIONS

Definitions related to this policy include:

**Person in crisis** - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

### 429.2 POLICY

The New Prague Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

### 429.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

## *Crisis Intervention Incidents*

---

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

### **429.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS**

The Chief of Police should designate an appropriate Chief of Police to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

#### **429.4.1 OBTAINING MENTAL HEALTH INFORMATION**

The Chief of Police should designate a member of the Department to develop access procedures, retention guidelines, data security safeguards, notification procedures, and any other applicable standards for obtained mental health information (Minn. Stat. § 626.8477).

Officers may seek information from a mental health professional during a crisis situation pursuant to department procedures. When information is requested, officers should provide an explanation why disclosure of mental health information is necessary to protect the health or safety of the individual in crisis or of another person (Minn. Stat. § 13.46; Minn. Stat. § 144.294).

Information obtained from mental health professionals in crisis incidents should generally be limited to that necessary to safely respond. Officers obtaining mental health information to address crisis incidents should document the following in the associated reports (Minn. Stat. § 13.46; Minn. Stat. § 144.294):

- (a) The name of the officer who requested the information
- (b) The name of the health professional who provided the information
- (c) The name of the individual experiencing the crisis

Mental health information obtained in these circumstances should not be used for any purpose beyond addressing the crisis. The subject of the information should be advised of the information obtained (Minn. Stat. § 13.46; Minn. Stat. § 144.294).

### **429.5 FIRST RESPONDERS**

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.

### *Crisis Intervention Incidents*

---

- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

#### **429.6 DE-ESCALATION**

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.

## *Crisis Intervention Incidents*

---

- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

### **429.7 INCIDENT ORIENTATION**

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

### **429.8 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Chief of Police.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

### **429.9 INCIDENT REPORTING**

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

## *Crisis Intervention Incidents*

---

### 429.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Civil Commitments Policy.

### **429.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS**

Non-sworn members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and in-person reports.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

### **429.11 EVALUATION**

The Chief of Police designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

### **429.12 TRAINING**

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

Additionally, the Chief of Police will provide officers, including part-time officers, with in-service training in crisis intervention and mental illness crisis as required by Minn. Stat. § 626.8469 and Minn. Stat. § 626.8474.

# First Amendment Assemblies

## 430.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

## 430.2 POLICY

The New Prague Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

## 430.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

## *First Amendment Assemblies*

---

### 430.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

### 430.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to Scott County Sheriff's Office, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

### 430.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

#### 430.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

### *First Amendment Assemblies*

---

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

#### 430.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for the following:

- (a) Command assignments, chain of command structure, roles, and responsibilities
- (b) Staffing and resource allocation
- (c) Management of criminal investigations
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields)
  1. Uniforms must display the Department name and a unique personal identifier.
  2. A protocol for keeping record of any officers on scene who are not in compliance with uniform requirements due to exigent circumstances.
- (e) Deployment of specialized resources
- (f) Event communications and interoperability in a multijurisdictional event
- (g) Liaison with demonstration leaders and external agencies
- (h) Liaison with City government and legal staff
- (i) Media relations
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief, and transportation
- (k) Traffic management plans
- (l) First aid and emergency medical service provider availability
- (m) Prisoner transport and detention
- (n) Review of policies regarding public assemblies and use of force in crowd control
- (o) Parameters for declaring an unlawful assembly (as defined by Minn. Stat. § 609.705)
- (p) Arrest protocol, including management of mass arrests
- (q) Protocol for recording information flow and decisions

### *First Amendment Assemblies*

---

- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force
- (s) Protocol for handling complaints during the event
- (t) Parameters for the use of body-worn cameras and other portable recording devices

#### 430.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

#### **430.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS**

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, the Incident Commander or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress (at least two routes when possible). A reasonable time to disperse should be allowed following a dispersal order.

Additionally, the dispersal order must include:

- (a) The name and rank of the person and the agency giving the order.
- (b) The reasons for the declaration.
- (c) How long the participants have to comply.

The dispersal announcements should be repeated after commencement of the initial dispersal order so that participants understand that they must leave the area.

If, after a crowd disperses pursuant to a declaration of unlawful assembly and subsequently participants assemble at a different geographic location where the participants are engaged in non-violent and lawful First Amendment activity, such an assembly cannot be dispersed unless it

## *First Amendment Assemblies*

---

has been determined that it is an unlawful assembly, and a new declaration of unlawful assembly has been made.

### 430.6.1 MINNESOTA POST GUIDELINES ON UNLAWFUL ASSEMBLY

The mere failure to obtain a permit, such as a parade permit or sound permit, is not a sufficient basis to declare an unlawful assembly.

The fact that some of the demonstrators or organizing groups have engaged in violent or unlawful acts on prior occasions or demonstrations is not grounds for declaring an assembly unlawful.

Whenever possible, the unlawful behavior of a few participants must not result in the majority of peaceful protestors being deprived of their First Amendment rights, unless other participants or officers are threatened with dangerous circumstances.

### **430.7 USE OF FORCE**

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

### **430.8 ARRESTS**

The New Prague Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

### *First Amendment Assemblies*

---

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Citation Releases Policy).

#### **430.9 MEDIA RELATIONS**

The Chief of Police should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

#### **430.10 DEMOBILIZATION**

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

#### **430.11 POST EVENT**

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment, and supply records
- (e) Incident, arrest, use of force, injury, and property damage reports
- (f) Photographs, audio/video recordings, Scott County Sheriff's Office records/tapes
- (g) Media accounts (print and broadcast media)
- (h) Record of any unlawful assembly declarations

##### **430.11.1 AFTER-ACTION REPORTING**

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

### *First Amendment Assemblies*

---

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

#### **430.12 TRAINING**

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

#### **430.13 ADDITIONAL INCIDENT COMMANDER RESPONSIBILITIES**

The Incident Commander is responsible for maintaining familiarity with the Minnesota model policy on Public Assembly and First Amendment Activity and incorporating additional protocols as appropriate for the department's preparedness in addressing:

- (a) Approved devices, tactics, and munitions.
- (b) Accessibility to the public assembly or demonstration by media representatives and other observers.
- (c) Additional documentation requirements, if any.

[See attachment: MN Public Assembly - First Amendment Rights Model Policy.pdf](#)

## Civil Disputes

### 431.1 PURPOSE AND SCOPE

This policy provides members of the New Prague Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Abuse Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Minnesota law.

### 431.2 POLICY

The New Prague Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

### 431.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

## Civil Disputes

---

### 431.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

#### 431.4.1 STANDBY REQUESTS

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

### 431.5 VEHICLES AND PERSONAL PROPERTY

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

### 431.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

### 432.1.1 DEFINITIONS

Definitions related to this policy include (Minn. Stat. § 152.22):

**Medical cannabis** - Any species of the genus cannabis plant, or any mixture or preparation of them, including whole plant extracts and resins in the form of a liquid, oil, pill, or dried raw cannabis that is properly packaged and labeled with:

- (a) The name and address of the authorized manufacturer.
- (b) The patient's registry identification number, name, date of birth, and address.
- (c) The chemical composition of medical cannabis.
- (d) Recommended dosage.
- (e) Directions for use.
- (f) Batch number.
- (g) Date of manufacture.

**Patient** - A Minnesota resident who has been diagnosed with a qualifying medical condition by a health care practitioner and who has met any other requirements for patients under Minn. Stat. § 152.22 et seq.

**Caregiver** - A person who has been approved by the Minnesota Commissioner of Health to assist a patient who is unable to self-administer medication or acquire medical cannabis from a distribution facility, and who is authorized to assist the patient with the use of medical cannabis.

## 432.2 POLICY

It is the policy of the New Prague Police Department to prioritize resources to avoid making arrests related to medical cannabis that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Minnesota medical cannabis laws are intended to provide protection from prosecution to those who use or possess medical cannabis for medical purposes. The New Prague Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Minnesota law and the resources of the Department.

## 432.3 INVESTIGATION

Investigations involving the possession or use of cannabis generally fall into one of two categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a person claims to be a patient or caregiver.

## Medical Cannabis

---

### 432.3.1 INVESTIGATIONS WITH NO MEDICAL CLAIM

In any investigation involving the possession, delivery, production, or use of a cannabis product or drug paraphernalia where no person claims that the cannabis is used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use under Minn. Stat. § 342.09. A medicinal claim may be raised at any time, so officers should document any statements and observations that may be relevant to whether the cannabis was possessed or produced for medicinal purposes.

### 432.3.2 INVESTIGATIONS INVOLVING A PATIENT OR CAREGIVER

Arrest shall not be made for the possession of medical cannabis by a patient, a caregiver or the parent or legal guardian of a patient (Minn. Stat. § 152.32).

Possession of medical cannabis properly packaged and labeled by an authorized manufacturer should suffice for verification of a person's status as a patient. The possession of medical cannabis registry verification from the Minnesota Department of Health should also suffice for verification a person's status as a patient or caregiver (Minn. Stat. § 152.22; Minn. Stat. § 152.27).

### 432.3.3 EXCEPTIONS

This policy does not apply to the following offenses. Officers may take enforcement action if the person (Minn. Stat. § 152.23):

- (a) Possesses or engages in the use of medical cannabis on a school bus or van, on the grounds of any preschool or primary or secondary school, in any correctional facility, or on the grounds of any child care facility or home daycare.
- (b) Vaporizes or smokes medical cannabis on any form of public transportation, where the vapor or smoke would be inhaled by a non-patient minor child, or in any public place or a place of employment.
- (c) Operates any motor vehicle, aircraft, train, or motorboat, or works on transportation property, equipment, or facilities while under the influence of medical cannabis.

### 432.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a medical cannabis investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

### 432.5 EVIDENCE ROOM SUPERVISOR RESPONSIBILITIES

The Evidence Room supervisor shall ensure that medical cannabis, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical cannabis is not destroyed. Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Evidence Room supervisor shall as soon as practicable return to the person from whom it was seized any medical cannabis, drug paraphernalia or other related property.

The Evidence Room supervisor may not destroy medical cannabis except upon receipt of a court order.

## *Medical Cannabis*

---

The Evidence Room supervisor may release medical cannabis to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigation Unit supervisor.

### **432.6 REPORTING**

Officers aware of a person experiencing a negative medical condition or a death related to a cannabis overdose, including as a result of an unauthorized access to medical cannabis, must contact the Minnesota Department of Health's Office of Medical Cannabis within five business days. If discovered as part of an ongoing investigation, the report must be made within 72 hours of the conclusion of the investigation (Minn. R. 4770.4002; Minn. R. 4770.4004).

Officers having reasonable suspicion of unauthorized possession of medical cannabis or of violations of cannabis laws by individuals authorized to possess medical cannabis, must report to the Office of Medical Cannabis using the designated online form. Reports related to unauthorized possession must be submitted within 72 hours, unless discovered as part of an ongoing investigation, in which case reporting must be made within 72 hours of the conclusion of the investigation. Reports of violations by persons authorized to possess medical cannabis must be submitted within 15 days (Minn. R. 4770.4010).

## Chapter 5 - Traffic Operations

## Traffic Function and Responsibility

### 500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventative patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on collision data, enforcement activity records, traffic volume and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in collision situations but also in terms of traffic-related needs.

### 500.2 TRAFFIC OFFICER DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the New Prague Police Department. Information provided by the Minnesota Office of Traffic Safety (OTS) is a valuable resource for traffic collision occurrences and therefore officer deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of collision-causing violations during periods of high-collision incidence and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate, against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high-collision incidence locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

### 500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of citations issued by any officer shall not be used when evaluating officer performance (Minn. Stat. § 169.985; Minn. Stat. § 299D.08). The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

#### 500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant.

## *Traffic Function and Responsibility*

---

### 500.3.2 TRAFFIC CITATIONS

Traffic citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge.
- (b) Court appearance procedure, including the optional or mandatory appearance by the motorist.
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.
- (d) The court contact information.

### 500.3.3 TRAFFIC CITATION COURT JURISDICTION

An officer who issues a traffic citation shall ensure that the citation is properly directed to the court having jurisdiction (Minn. Stat. § 169.91 Subd. 3).

### 500.3.4 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses. These physical arrest cases usually deal with, but are not limited to (Minn. Stat. § 169.91):

- (a) Negligent homicide.
- (b) Driving under the influence of alcohol/drugs.
- (c) Hit-and-run resulting in serious injury or death.
- (d) Hit-and-run resulting in damage to any vehicle or property.

Arrests should be made in accordance to the Scott County Attorney's Office Adult Court Charging Process. As this information can change, the arresting officer should be aware of the current list of arrestable offenses.

If an exception is to be considered, a supervisor shall be contacted.

## **500.4 HIGH-VISIBILITY VESTS**

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; Minn. R. 5205.0030).

Although intended primarily for use while performing traffic-related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

## *Traffic Function and Responsibility*

---

### 500.4.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, collision investigations, lane closures and while at disaster scenes, or any time high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plain clothes officer might benefit from being readily identified as an officer.

### 500.4.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS

High-visibility vests shall be maintained in the trunk of each patrol and investigation unit, in the side box of each police motorcycle and in the saddlebag or gear bag of each police bicycle. Each vest should be stored inside the resealable plastic bag provided to protect and maintain the vest in a serviceable condition. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Chief of Police should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

## Traffic Collisions

### 501.1 PURPOSE AND SCOPE

This policy provides guidelines for responding to and investigating traffic collisions.

### 501.2 POLICY

It is the policy of the New Prague Police Department to respond to traffic collisions and render or summon aid to injured victims as needed. The Department will investigate and prepare reports according to the established minimum reporting requirements with the goal of reducing the occurrence of collisions by attempting to identify the cause of the collision and through enforcing applicable laws. Unless restricted by law, traffic collision reports will be made available to the public upon request.

### 501.3 RESPONSE

Upon arriving at the scene, the responding member should assess the need for additional resources and summon assistance as appropriate. Generally, the member initially dispatched to the scene will be responsible for the investigation and report, if required, unless responsibility is reassigned by a supervisor.

A supervisor should be called to the scene when the incident:

- (a) Is within the jurisdiction of this department and there is:
  - 1. A life-threatening injury.
  - 2. A fatality.
  - 3. A City vehicle involved.
  - 4. A City official or employee involved.
  - 5. Involvement of an on- or off-duty member of this department.
- (b) Is within another jurisdiction and there is:
  - 1. A City of New Prague vehicle involved.
  - 2. A City of New Prague official involved.
  - 3. Involvement of an on-duty member of this department.

#### 501.3.1 MEMBER RESPONSIBILITIES

Upon arriving at the scene, the responding member should consider and appropriately address:

- (a) Traffic direction and control
- (b) Proper placement of emergency vehicles, cones, roadway flares or other devices if available to provide protection for members, the public and the scene.
- (c) First aid for any injured parties if it can be done safely.
- (d) The potential for involvement of hazardous materials.

## Traffic Collisions

---

- (e) The need for additional support as necessary (e.g., traffic control, emergency medical services, fire department, HAZMAT, tow vehicles).
- (f) Clearance and cleanup of the roadway.

### 501.4 NOTIFICATION

If a traffic collision involves a life-threatening injury or fatality, the responding officer shall notify a supervisor, or if unavailable, the Shift Sergeant. The Shift Sergeant or any supervisor may assign a traffic investigator or other appropriate personnel to investigate the incident. The Shift Sergeant will ensure notification is made to the Sergeant, department command staff and City Administrator in accordance with the Major Incident Notification Policy.

#### 501.4.1 NOTIFICATION OF FAMILY

In the event of a life-threatening injury or fatality, the supervisor responsible for the incident should ensure notification of the victim's immediate family or coordinate such notification with the Medical Examiner, department chaplain or another suitable person. Notification should be made as soon as practicable following positive identification of the victim.

The identity of any person seriously injured or deceased in a traffic collision should not be released until notification is made to the victim's immediate family.

### 501.5 MINIMUM REPORTING REQUIREMENTS

A collision report shall be taken when:

- (a) A fatality, any injury (including complaint of pain), impaired driving or hit and run is involved.
- (b) An on-duty member of the City of New Prague is involved.
- (c) The collision results in any damage to any City-owned or leased vehicle.
- (d) The collision involves any other public agency driver or vehicle.
- (e) There is damage to public property.
- (f) There is damage to any vehicle to the extent that towing is required.
- (g) Prosecution or follow-up investigation is contemplated.
- (h) Directed by a supervisor.

#### 501.5.1 PRIVATE PROPERTY

Generally, reports should not be taken when a traffic collision occurs on private property unless there is an injury or fatality, a hit-and-run violation or other traffic law violation involved. Members may provide assistance to motorists as a public service, such as exchanging information and arranging for the removal of the vehicles.

#### 501.5.2 CITY VEHICLE INVOLVED

A traffic collision report shall be taken when a City vehicle is involved in a traffic collision that results in property damage or injury.

## Traffic Collisions

---

A general information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the incident occurs entirely on private property or does not involve another vehicle.

Whenever there is damage to a City vehicle, a vehicle damage report shall be completed and forwarded to the appropriate Chief of Police. The traffic investigator or supervisor at the scene should determine what photographs should be taken of the scene and the vehicle damage.

### 501.5.3 INJURED ANIMALS

Department members should refer to the Animal Control Policy when a traffic collision involves the disposition of an injured animal.

## 501.6 INVESTIGATION

When a traffic collision meets minimum reporting requirements the investigation should include, at a minimum:

- (a) Identification and interview of all involved parties.
- (b) Identification and interview of any witnesses.
- (c) A determination of whether a violation of law has occurred and the appropriate enforcement action.
- (d) Identification and protection of items of apparent evidentiary value.
- (e) Documentation of the incident as necessary (e.g., statements, measurements, photographs, collection of evidence and reporting) on the appropriate forms.

### 501.6.1 INVESTIGATION BY OUTSIDE LAW ENFORCEMENT AGENCY

The Sergeant or on-duty Shift Sergeant should request that the Minnesota Department of Public Safety or other outside law enforcement agency investigate and complete a traffic collision investigation when a life-threatening injury or fatal traffic collision occurs within the jurisdiction of the New Prague Police Department and involves:

- (a) An on- or off-duty member of the Department.
  1. The involved member shall complete the department traffic collision form. If the member is unable to complete the form, the supervisor shall complete it.
- (b) An on-or off-duty official or employee of the City of New Prague.

Department members shall promptly notify a supervisor when any department vehicle is involved in a traffic collision. The collision investigation and report shall be completed by the agency having jurisdiction.

### 501.6.2 COMMERCIAL VEHICLE COLLISIONS

Commercial vehicle collisions additionally require notification to the Minnesota State Patrol if the collision results in (Minn. Stat. § 169.783):

- (a) A fatality.

## Traffic Collisions

---

- (b) Bodily injury to a person who, as a result of the injury, immediately receives medical treatment away from the scene of the collision.
- (c) One or more vehicles incurring disabling damage as a result of the collision, requiring the vehicle to be transported away from the scene by tow truck or other motor vehicle.

A waiver or inspection by a state trooper or other authorized person is required before a person may drive a commercial motor vehicle that was involved in such a collision (Minn. Stat. § 169.783).

### 501.7 ENFORCEMENT ACTION

After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of a traffic law contributed to the collision, authorized members should issue a citation or arrest the offending driver, as appropriate.

More serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter, or other felonies, shall be enforced. If a driver who is subject to enforcement action is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

### 501.8 REPORTS

Department members shall utilize forms approved by the Minnesota Department of Public Safety as required for the reporting of traffic collisions (Minn. Stat. § 169.09, Subd. 9). All such reports shall be forwarded to the Patrol for approval and filing.

#### 501.8.1 REPORT MODIFICATION

A change or modification of a written report that alters a material fact in the report may be made only by the member who prepared the report, and only prior to its approval and distribution. Once a report has been approved and distributed, corrections shall only be made by way of a written supplemental report. A written supplemental report may be made by any authorized member.

#### 501.8.2 SERGEANT RESPONSIBILITIES

The responsibilities of the Sergeant include but are not limited to:

- (a) Ensuring the monthly and quarterly reports on traffic collision information and statistics are forwarded to the Patrol Chief of Police or other persons as required.
- (b) Forwarding the traffic collision report to the Department of Public Safety within 10 days of the collision investigation (Minn. Stat. § 169.09, Subd. 8).
- (c) Ensuring the Department of Public Safety is notified within two business days of a collision that results in a fatality (Minn. Stat. § 169.09, Subd. 8).

## Vehicle Towing

### 502.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the New Prague Police Department and under the authority of Minn. Stat. § 168B.035.

### 502.2 STORAGE AND IMPOUNDS

Vehicles may be towed for violations of Minn. Stat. § 168B.035, including parking, registration and snow emergency violations.

Vehicles may be moved or removed from a highway when in violation of Minn. Stat. § 169.32(a) or when left unattended upon any street or highway or upon any bridge or causeway or in any tunnel where such vehicle constitutes an obstruction to traffic (Minn. Stat. § 169.33).

The responsibilities of those employees storing or impounding a vehicle are as follows:

#### 502.2.1 COMPLETION OF VEHICLE IMPOUND AND INVENTORY REPORT

Department members requesting towing of a vehicle shall complete a Vehicle Impound and Inventory Report, including a description of property within the vehicle. A copy is to be given to the tow truck operator and the original is to be submitted to the Records Section as soon as practicable after the vehicle is stored.

The Records Section shall promptly enter pertinent data from the completed Vehicle Impound and Inventory Report into the Minnesota Justice Information Services (MNJIS) and return the form to the Shift Sergeant for approval.

Approved Vehicle Impound and Inventory Report forms shall be promptly placed into the auto-file so that they are immediately available for release or for information, should inquiries be made.

Within 48 hours, excluding weekends and holidays, of the towing of any such vehicle, it shall be the responsibility of the Records Section to determine through MNJIS the names and addresses of any individuals having an interest in the vehicle. Notice to all such individuals shall be sent by certified mail within five business days of impound (Minn. Stat. § 168B.06 Subd. 1).

#### 502.2.2 REMOVAL OF VEHICLE DISABLED IN A TRAFFIC COLLISION

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if reasonably possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in Scott County Sheriff's Office.

If the owner is incapacitated or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call a company selected from the rotational list of towing companies. The officer will then conduct an inventory and store the vehicle using a Vehicle Impound and Inventory Report.

## Vehicle Towing

---

### 502.2.3 DRIVING A NON-CITY VEHICLE

Vehicles that have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

### 502.2.4 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the next firm is called.

### 502.2.5 RECORDS SECTION RESPONSIBILITIES

Records Section personnel shall promptly enter pertinent data from the completed Vehicle Impound and Inventory Report form into the stolen vehicle system. Approved forms shall be promptly filed so that they are immediately available for release or review should inquiries be made.

Within 48 hours of recovering a stolen vehicle or receiving notification that a vehicle reported stolen through this department has been recovered, the Records Section shall make a reasonable and good faith effort to notify the victim of the recovery. The notice must specify when the recovering law enforcement agency expects to release the vehicle to the owner and where the owner may pick up the vehicle. Upon recovery of a vehicle reported stolen to another agency, the Records Section is to promptly inform the agency that the vehicle is recovered, where it is located and when it can be released to the owner (Minn. Stat. § 169.042 Subd. 1).

## 502.3 TOWING SERVICES

The City of New Prague periodically selects one or more firms to act as official tow services and awards contracts to those firms. Those firms will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles and the removal of vehicles obstructing traffic in violation of state or local regulations.

If more than one firm has been awarded contracts, they shall be placed on a rotation list. Nothing in this policy shall require the Department to tow a vehicle.

## Vehicle Towing

---

### 502.4 TOWING AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by towing the arrestee's vehicle subject to the exceptions described below. However, a vehicle shall be towed whenever it is needed for the furtherance of an investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be towed. For example, the vehicle would present a traffic hazard if it were not removed, or the vehicle is located in a high-crime area and is susceptible to theft or damage if left at the scene.

When you make a custodial arrest and a motor vehicle remains unattended, impound and tow the motor vehicle under the following conditions:

- **Driver Custodial Arrested** - Arrestee was driving vehicle immediately before arrest;
- **Occupant Custodial Arrested** - Arrestee was in the vehicle, stopped or parked, immediately before arrest and the owner is not available or known;
- **Custodial Arrestee States Responsibility** - Arrestee was in immediate vicinity of vehicle just before arrest, and states responsibility for the vehicle.

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of towing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.
- **Vehicle at Residence** - When arrestee's vehicle is parked at or in immediate vicinity of owner's residence. However, remove the ignition key and lock the vehicle (if it can be locked).
- **Vehicle in Custody of Owner** - When arrestee does not own the vehicle, and the owner is present and able to take custody. Release the vehicle to custody of the owner.
- **Vehicle in Custody of Other Proper Person** - When arrestee is owner of the vehicle, and requests to leave vehicle in custody of another person. If that person is present and able to take custody, then release the vehicle to custody of the designated person.
- **No Valid license** - **Officers may not impound the vehicle if the driver is only cited for driving without a valid license. If there is another licensed driver at the scene who the owner will permit to drive the vehicle or shall provide the driver a reasonable opportunity to make their own arrangement for the vehicle.**
- **No Proof of Insurance** – There is no legal basis to tow a vehicle for a misdemeanor citation.
- **Reasonable Opportunity** – In the situations above, Officer shall make a reasonable effort to accommodate requests for private tows or allowing the driver to call to make other arrangements, which may include the Officer using a City issued cell phone, contacting dispatch, or transporting the driver to a nearby location where they have access to a phone.

## Vehicle Towing

---

- **DWI** – In a DWI arrest, the vehicle, if not subject to forfeiture, will be released to a valid licensed passenger, with the driver/owner permission, only if the passenger is not under the influence of an alcoholic beverage, (.000) indicated by a preliminary breath test or any other mood altering substance.
- Situations where the vehicle was not used to further the offense for which the occupant was arrested nor may be subject to forfeiture proceedings.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene.

In such cases, the handling employee shall note in the report that the owner was informed that the Department will not be responsible for theft or damages.

### 502.5 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if they are closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practicable in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while the owner is in police custody, to provide for the safety of officers and the public, and to protect the Department against fraudulent claims of lost, stolen or damaged property.

The vehicle may be inventory searched at the scene or another location. Substantial delay in conducting the inventory search is inconsistent with the purpose of the search and a warrant shall be obtained.

Requirements for inventory search:

The vehicle must be lawfully impounded.

- (a) vehicle was illegally stopped, parked or abandoned.
- (b) vehicle was disabled as the result of an accident.
- (c) recovered as stolen.
- (d) vehicle was being driven by a custodial arrestee at time of arrest and no other valid licensed driver is present that the owner will permit to drive.
- (e) vehicle was used as instrumentality of crime.

---

### 502.6 PRESERVATION OF EVIDENCE

An officer who removes a vehicle pursuant to Minn. Stat. § 168B.035 is required to take reasonable and necessary steps to preserve evidence. If there is probable cause to believe that a vehicle or its contents constitute any evidence which tends to show that a criminal offense has been committed,

## *Vehicle Towing*

---

or that a particular person has committed a criminal offense, officers shall ensure that all legally required and reasonably necessary efforts are taken to preserve the evidence. Such evidence is to be provided safe storage and preserved until released to the owner or otherwise disposed of according to law.

### **502.7 SECURITY OF VEHICLES AND PROPERTY**

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officer should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cellular telephone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

## Impaired Driving

### 503.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving while impaired (DWI).

### 503.2 POLICY

The New Prague Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Minnesota's impaired driving laws.

### 503.3 INVESTIGATIONS

Officers should not enforce DWI laws to the exclusion of their other duties unless specifically assigned to DWI enforcement. All officers are expected to enforce these laws with due diligence.

Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in Minnesota or another jurisdiction.

### 503.4 FIELD TESTS

The Sergeant should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DWI laws.

### 503.5 CHEMICAL TESTS

A person implies consent under Minnesota law to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Minn. Stat. § 169A.51, Subd. 1):

- (a) The arresting officer has probable cause to believe the person was driving, operating or in physical control of a vehicle while impaired as defined by Minn. Stat. § 169A.20.
- (b) The officer has probable cause to believe that the person is DWI and has been involved in a vehicle accident resulting in property damage, personal injury or death.
- (c) The officer has probable cause to believe that the person is DWI and the person has refused to take the preliminary screening test provided for by Minn. Stat. § 169A.41.

## Impaired Driving

---

- (d) The person was administered a preliminary screening test and the results indicated an alcohol concentration of 0.08 or more.
- (e) The officer has probable cause to believe the person was driving, operating or in physical control of a commercial motor vehicle with the presence of any alcohol in the person's body.

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

### 503.5.1 STATUTORY NOTIFICATIONS

At the time that the officer requests the person to submit to a breath test the officer must inform the person that (Minn. Stat. § 169A.51, Subd. 2):

- (a) Minnesota law requires that he/she take the test.
- (b) Refusal to take the test is a crime.
- (c) He/she has the right to consult with an attorney unless it would unreasonably delay administration of the test.

At the time that the officer directs a person to submit to a blood or urine test pursuant to a warrant, the person must be informed that a refusal to submit to a blood or urine test is a crime (Minn. Stat. § 171.177, Subd. 1 and Subd. 2).

### 503.5.2 BREATH SAMPLES

The Sergeant, or designee should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Sergeant.

### 503.5.3 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Minn. Stat. § 169A.51, Subd. 7). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood test because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability

## Impaired Driving

---

to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

### 503.5.4 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The officer shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by an officer or jail staff member of the same sex as the person giving the sample. The arrestee tested should be allowed sufficient privacy to maintain his/her dignity, to the extent possible, while still ensuring the accuracy of the sample.

The sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

### 503.6 REFUSALS

When an arrestee refuses to provide a chemical sample officers should:

- (a) Advise the arrestee of the requirement to provide a sample (Minn. Stat. § 169A.51; Minn. Stat. § 171.177, Subd. 1).
- (b) Audio- and/or video-record the admonishment and the response when it is legal and practicable.
- (c) Document the refusal in the appropriate report.

#### 503.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of intention to revoke upon the person and invalidate the person's license in such a way that no identifying information is destroyed and immediately return the license to the person (Minn. Stat. § 169A.52, Subd. 7; Minn. Stat. § 171.177, Subd. 8).

#### 503.6.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who does not consent to a chemical test when any of the following conditions exist (Minn. Stat. § 169A.51, Subd. 3):

- (a) A search warrant has been obtained.
- (b) The officer can articulate that exigent circumstances exist and the officer has probable cause to believe that the person has committed DWI, including vehicular homicide or injury (Minn. Stat. § 169A.52, Subd. 1; Minn. Stat. § 171.177, Subd. 13). Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy delay in obtaining a blood sample due to a collision investigation or medical treatment of the person.

## Impaired Driving

---

### 503.6.3 WARRANTS FOR CONTROLLED SUBSTANCES OR INCAPACITATION

A blood or urine test may be required pursuant to a warrant if the officer has probable cause to believe that (Minn. Stat. § 169A.51, Subd. 4):

- (a) The person's impairment is due to a controlled substance, an intoxicating substance, or cannabis or hemp-related product that is not subject to testing by a breath test.
- (b) A controlled substance listed in Schedule I or II or its metabolite (other than a cannabis or hemp-related product or tetrahydrocannabinols), is present in the person's body.
- (c) The person is unconscious or incapacitated to the point that the officer providing the breath test advisory, administering the breath test, or serving the search warrant has a good faith belief that the person is mentally or physically unable to comprehend the advisory or otherwise voluntarily submit to the chemical tests.

If a person objects to the blood or urine test as directed by the warrant or officer, the officer should offer the other type of test if the person is conscious. Action may be taken against a person refusing to submit to a blood or urine test only if an alternate test of blood or urine, as applicable, was offered (Minn. Stat. § 169A.51, Subd. 4; Minn. Stat. § 171.177, Subd. 2).

### 503.6.4 FORCED BLOOD SAMPLE

A forced sample may not be taken except in DWI cases involving vehicular homicide or injury (Minn. Stat. § 171.177, Subd. 13). In those cases, if a person indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes, a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer), and attempt to persuade the person to submit to such a sample without physical resistance.
  1. This dialogue should be recorded on audio and/or video when reasonably practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure that the forced blood draw is recorded on audio and/or video when reasonably practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
  1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
  2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.

## Impaired Driving

---

3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform the duties of a supervisor, as set forth above.

### 503.7 ARREST AND INVESTIGATION

#### 503.7.1 RIGHT TO ATTORNEY CONTACTS

A person has a limited right to consult with an attorney prior to submitting to a chemical test. This right is limited to the extent that it cannot unreasonably delay administration of the test (Minn. Stat. § 169A.51, Subd. 2).

#### 503.7.2 ARREST AUTHORITY

An officer may arrest a person without a warrant and without regard to whether the offense was committed in the officer's presence if there is probable cause to believe the person committed (Minn. Stat. § 169A.40):

- (a) A DWI offense (Minn. Stat. § 169A.20).
- (b) An alcohol- or cannabis-related driving offense involving a school bus or a Head Start bus (Minn. Stat. § 169A.31).
- (c) An underage drinking and driving offense (Minn. Stat. § 169A.33).

#### 503.7.3 OFFICER RESPONSIBILITIES

If an officer requests that a person submit to a chemical test and the person refuses such request, the officer shall report such refusal to the Commissioner of the Department of Public Safety (DPS) and the appropriate prosecuting attorney (Minn. Stat. § 169A.52, Subd. 1; Minn. Stat. § 171.177, Subd. 3).

If a person refuses to submit to a test or in the alternative submits to a test and the results indicate a prohibited alcohol concentration, the officer shall immediately give notice to the person that his/her driving privilege will be revoked and shall (Minn. Stat. § 169A.52, Subd. 7; Minn. Stat. § 171.177, Subd. 8):

- (a) Issue the person a temporary license effective for only seven days.
  1. Officers are not required to issue a person a temporary license if the person's driving privilege is under withdrawal by DPS or if the person is unlicensed.
- (b) Send the notification of this action to the Commissioner of the DPS along with the certification that there was probable cause to believe the person had been driving, operating or in physical control of a motor vehicle while impaired, and that the person either refused to submit to a test or submitted to a test and the results indicated a prohibited alcohol concentration or drug presence.

## *Impaired Driving*

---

Test results of a person that indicate a prohibited alcohol concentration or drug presence shall be forwarded to the Commissioner of the DPS and the appropriate prosecuting attorney (Minn. Stat. § 169A.52, Subd. 2).

### 503.7.4 PRELIMINARY SCREENING TEST

An officer who has reason to believe the person was driving, operating or in physical control of a motor vehicle while impaired, may require the person to provide a sample of the person's breath for a preliminary screening test using a device approved by the DPS Commissioner (Minn. Stat. § 169A.41, Subd. 1).

The officer must use the results of the preliminary screening test for the purpose of deciding whether to arrest the person and require further chemical testing pursuant to Minn. Stat. § 169A.51 (Minn. Stat. § 169A.41, Subd. 2).

### 503.7.5 ADDITIONAL TESTING

An officer shall permit a person required to submit to a chemical test to have a qualified person of his/her own choosing administer a separate chemical test (Minn. Stat. § 169A.51, Subd. 7(b)). The separate chemical test shall:

- (a) Be conducted at the place where the person is in custody.
- (b) Be conducted after the officer has administered the statutorily mandated test.
- (c) Impose no expense to the state.

### 503.7.6 ADDITIONAL REQUIREMENTS FOR BREATH SAMPLES

All breath samples requested in accordance with this policy shall be obtained in accordance with Minn. Stat. § 169A.51, Subd. 5.

## **503.8 RECORDS SECTION RESPONSIBILITIES**

The Police Records Technician will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

## **503.9 ADMINISTRATIVE HEARINGS**

The Police Records Technician will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to the Driver and Vehicle Services Division (DVS) of the DPS.

Any officer who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

An officer called to testify at an administrative hearing should document the hearing date and the DVS file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

## *Impaired Driving*

---

### **503.10 TRAINING**

The Chief of Police should ensure that officers participating in the enforcement of DWI laws receive regular training. Training should include at minimum current laws on impaired driving, investigative techniques and rules of evidence pertaining to DWI investigations. The Chief of Police should confer with the prosecuting attorney's office and update training topics as needed.

## Traffic Citations

### 504.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the collection of data, the procedure for dismissal, correction and voiding of traffic citations.

### 504.2 RESPONSIBILITIES

The Sergeant shall be responsible for the development and design of all Departmental Directive traffic citations in compliance with state law (Minn. Stat. § 169.99 and Minn. Stat. § 169.999 Subd. 3).

The Records Section shall be responsible for the supply and accounting of all traffic citations issued to employees of this department. Citations will be kept in a secure location and issued to officers by Records Section staff. Officers will sign for the citation books when issued.

#### 504.2.1 DATA COLLECTION

The Records Section should maintain information relating to traffic stops in which a citation is issued and to arrests resulting from those traffic stops, including information relating to:

- (a) The race or ethnicity of the individual detained.
- (b) Whether a search was conducted and, if so, whether the person detained consented to the search.

The Records Section should submit an annual report to the Chief of Police of the information collected to assist in the implementation and administration of the Department's Bias-Based Policing Policy required by state law (Minn. Stat. § 626.8471 Subd. 4).

### 504.3 DISMISSAL OF TRAFFIC CITATIONS

Employees of this department do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued. Any request from a recipient to dismiss a citation shall be referred to the Sergeant. Upon a review of the circumstances involving the issuance of the traffic citation, the Sergeant may request the Patrol Chief of Police to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal. All recipients of traffic citations whose request for dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the officer may request the prosecutor to dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Patrol Chief of Police for review.

## Traffic Citations

---

Members of the Department should provide a report or other verification to the owner of a stolen vehicle that may have received a citation during the time of the theft for the purpose of dismissing the citation (Minn. Stat. § 169.042 Subd. 2).

### 504.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed but not issued. Records staff should be notified when a citation needs to be voided and whether or not a new citation will be issued.

### 504.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the officer issuing the citation shall submit the citation and a ticket correction form (dynaform) requesting a specific correction to his/her immediate supervisor. The citation and letter shall then be forwarded to Records Staff. Records Staff shall prepare a letter of correction to the court having jurisdiction and to the recipient of the citation.

### 504.6 DISPOSITION OF TRAFFIC CITATIONS

The court and file copies of all traffic citations issued by members of this department shall be forwarded to the employee's immediate supervisor for review. The citation copies shall then be filed with the Records Section.

Upon separation from employment with this department, all employees issued traffic citation books shall return any unused citations to the Records Section.

### 504.7 NOTICE OF PARKING VIOLATION APPEAL PROCEDURE

Disposition of notice of parking violation appeals is conducted pursuant to Minnesota state law and local regulations (Minn. Stat. § 169.04 (a) (1)).

#### 504.7.1 APPEAL STAGES

Appeals may be pursued sequentially at three different levels:

- (a) Administrative reviews are conducted by the Patrol, which will review written/documentary data. Requests for administrative reviews are available at the front desk or Patrol of the New Prague Police Department. These requests are informal written statements outlining why the notice of parking violation should be dismissed. Copies of documentation relating to the notice of parking violation and the request for dismissal must be mailed to the current mailing address of the processing agency.
- (b) If the appellant wishes to pursue the matter beyond administrative review, an administrative hearing may be conducted in person or by written application, at the election of the appellant. Independent referees review the existent administrative file, amendments and/or testimonial material provided by the appellant and may conduct further investigation or follow-up on their own.

## Traffic Citations

---

- (c) If the appellant wishes to pursue the matter beyond an administrative hearing, an appellant may petition a municipal court for a hearing by filing with the clerk of the municipal court and posting fees as required.

### 504.7.2 TIME REQUIREMENTS

Administrative review or appearance before a hearing examiner will not be provided if the mandated time limits are not adhered to by the violator.

- (a) Requests for an administrative review must be postmarked within 21 days of issuance of the notice of parking violation, or within 10 days of mailing the Notice of Delinquent Parking Violation.
- (b) Requests for administrative hearings must be postmarked within 15 days of the notification mailing of the results of the administrative review.
- (c) Requests for appeal to the District Court must be made within 20 days of the mailing of the administrative hearing results.
- (d) Registered owners of leased or rented vehicles may transfer responsibility for the violation to the lessee or renter of the vehicle at the time of the violation if the name, address and driver's license number of the lessee/renter is provided to the processing agency within 30 days of the mail date of the delinquent notice.

### 504.7.3 COSTS

- (a) There is no cost for an administrative review.
- (b) Appellants must pay the full amount due for the citation or provide satisfactory proof of their inability to pay, before receiving an administrative hearing.
- (c) An appeal through District Court requires prior payment of filing costs including applicable court charges and fees. These costs will be reimbursed to the appellant in addition to any previously paid fines if appellant's liability is overruled by the District Court.

### 504.8 JUVENILE CITATIONS

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency and the type of offense should be considered before issuing the juvenile a citation.

- (a) When any juvenile is issued a citation for a drug or alcohol violation, or a juvenile 16 years of age or older is issued a citation for an adult court traffic offense, the officer shall follow the arrest procedures prescribed in Minn. Stat. § 169.91 and shall make reasonable effort to notify the child's parent or guardian of the violation and the nature of the charge. Notifications should be documented (Minn. Stat. § 260B.225 Subd. 3).
- (b) When any juvenile is issued a citation for a major traffic offense, the officer is required to file a signed copy of the citation, as provided in Minn. Stat. § 169.91, with the juvenile

## Traffic Citations

---

court of the county in which the violation occurred. The citation serves as a petition providing the juvenile court jurisdiction (Minn. Stat. § 260B.225 Subd. 5).

### 504.9 ADMINISTRATIVE VIOLATIONS

Administrative violations may be issued by officers to any person for violations of any City ordinance by using the same manner as issuing a citation.

Administrative citations should not be issued for crimes that may need to go through District Court for enhancement consideration purposes. The issuing officer or a supervisor should determine the appropriate citation type to use in each situation after considering the factors in each circumstance.

#### 504.9.1 ADMINISTRATIVE VIOLATION CONSIDERATIONS

When determining the appropriateness of issuing an administrative violation, an officer should consider the following:

- (a) Speed and license-related citations should be written on a District Court ticket.
- (b) A person receiving an administrative citation cannot be jailed solely based on the ordinance violation.
- (c) Officers who are aware that a violator has received prior administrative citations and failed to pay the related fine, should consider issuing a District Court Citation if the following conditions exist:
  1. The violator has an established record of non-payment with the City Clerk's Office.
  2. The violator is apparently unable to pay the fine.
  3. The violator owns no real property.

## Disabled Vehicles

### 505.1 PURPOSE AND SCOPE

Law enforcement and other public agencies may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

### 505.2 OFFICER RESPONSIBILITIES

When an on-duty officer observes a disabled vehicle on the roadway, the officer should make a reasonable effort to provide assistance. If that officer is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available officer to respond for assistance as soon as practicable.

### 505.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by Department personnel will be contingent on the time of day, the location, the availability of Department resources and the vulnerability of the disabled motorist.

#### 505.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

#### 505.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

## Abandoned Vehicle Violations

### 506.1 PURPOSE AND SCOPE

This policy provides procedures for the removal, recording and storage of vehicles abandoned in violation of abandoned vehicle laws, under the authority of Minn. Stat. § 168B.04.

#### 506.1.1 DEFINITION

Pursuant to Minnesota statutes, a vehicle is abandoned if:

- (a) The motor vehicle has remained illegally for more than 48 hours on any government-owned or -controlled property, or for more than four hours on that property when properly posted (Minn. Stat. § 168B.011 Subd. 2 (1)).
- (b) The motor vehicle has been properly tagged by an officer and abandoned for four hours on any highway (Minn. Stat. § 168B.04, Subd. 2 (b) (1)).

- (f) The motor vehicle remains at a service, repair or maintenance establishment of motor vehicles five days after notifying the vehicle owner by certified mail, return receipt requested, of the property owner's intention to have the vehicle removed from the property (Minn. Stat. § 168B.04 Subd. 2 (b) (2)).

### 506.2 MARKING VEHICLES

Vehicles on public roadways suspected of being abandoned in violation of Minnesota abandoned vehicle laws shall be marked and noted on the New Prague Police Department Marked Vehicle Card or documented via the computer aided dispatch (CAD) system. No case number is required at this time.

A visible chalk, crayon or paint mark should be placed on the rear window or left rear tire tread at the fender level unless the vehicle is missing tires or other vehicle conditions or weather prevent marking. Any deviation in markings shall be noted on the Marked Vehicle Card.

All Marked Vehicle Cards shall be submitted to the Patrol for computer data entry unless documented via the CAD system.

If a marked vehicle has been moved or the markings have been removed during a four or 24-hour investigation period, the vehicle shall be marked again for either the four or 24-hour abandonment

violation and a Marked Vehicle Card completed and forwarded to the Patrol or a CAD update completed.

### 506.2.1 MARKED VEHICLE FILE

The Patrol shall be responsible for maintaining a file for all Marked Vehicle Cards.

Parking control officers assigned to the Patrol shall be responsible for the follow-up investigation of all abandonment violations noted on the Marked Vehicle Cards or CAD system.

### 506.2.2 VEHICLE STORAGE

Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report shall be completed by the officer authorizing the storage of the vehicle.

The storage report form shall be submitted to the Records Section immediately following the storage of the vehicle. It shall be the responsibility of the Records Section to immediately notify the Minnesota Criminal Justice Information Services (MNJIS). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Records Section to immediately notify MNJIS. Notification may also be made to the NLETS.

## Chapter 6 - Investigation Operations

# Investigation and Prosecution

## 600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

## 600.2 POLICY

It is the policy of the New Prague Police Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

## 600.3 INITIAL INVESTIGATION

### 600.3.1 OFFICER RESPONSIBILITIES

An officer responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
  - 1. An initial statement from any witnesses or complainants.
  - 2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the officer shall:
  - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
  - 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
  - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Shift Sergeant.
  - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
  - 5. Collect any evidence.
  - 6. Take any appropriate law enforcement action.
  - 7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.
- (d) **Request immediate notification of the Chief of Police when the situation is a homicide or other serious felony, fatal traffic accident or one with potentially high community impact.**

*Investigation and Prosecution*

---

- (e) **When you do not process the scene of a homicide, rape, arson, robbery, or major assault, you will write a supplementary report stating why physical evidence was not initially collected and preserved.**
- 

**600.3.2 NON-SWORN MEMBER RESPONSIBILITIES**

A non-sworn member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

**600.4 CUSTODIAL INTERROGATION REQUIREMENTS**

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

**600.4.1 AUDIO/VIDEO RECORDINGS**

Any custodial interrogation of a person who is suspected of having committed a criminal offense should be electronically recorded (audio/video or both as available) in its entirety, including any information or discussion about the person's rights and any waiver of those rights. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a non-custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigation Unit supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

**600.5 DISCONTINUATION OF INVESTIGATIONS**

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.

## *Investigation and Prosecution*

---

1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
  2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Abuse, Child Abuse, Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

### **600.6 COMPUTERS AND DIGITAL EVIDENCE**

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

### **600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES**

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and Criminal Organizations policies).

## *Investigation and Prosecution*

---

### 600.7.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

### 600.7.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

### 600.8 ELECTRONIC BENEFIT TRANSFER (EBT) CARDS

Officers shall make a report any time they arrest a person who possesses more than one welfare Electronic Benefit Transfer (EBT) card. The investigating officers shall forward this report to the Minnesota Department of Human Services within 30 days of the arrest. The report shall include all of the following (Minn. Stat. § 626.5533):

- (a) The name, address and driver's license or state identification card number of the suspect
- (b) The number on each EBT card and name, if any
- (c) The date and location of any alleged offense
- (d) Any other information the Minnesota Department of Human Services may require on related state forms

### 600.9 MODIFICATION OF CHARGES FILED

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Chief

---

of Police or the Chief of Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

## Sexual Assault Investigations

### 601.1 PURPOSE AND SCOPE

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

### 603.4 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

### 603.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

Access to the informant files shall be restricted to the Chief of Police, Chief of Police, Investigation Unit supervisor or their authorized designees.

If the Investigation Unit supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

## Informants

---

- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity

## Informants

---

### 603.6.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

### 603.7 TRAINING

The Chief of Police shall provide in-service training to officers, including part-time officers, in the recruitment, control, and use of confidential informants as required by Minn. Stat. § 626.8476.

The process should include appropriate forms or reports that provide:

- (a) The date, time, and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.
- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of the POST model policy.

The process and related forms should be reviewed at least annually and modified when necessary.

#### **604.4.1 POST REQUIREMENTS**

The Investigation Unit supervisor should remain familiar with the requirements contained in the Eyewitness Identification Procedures model policy issued by POST and incorporate these, as necessary, into the eyewitness identification process for use by members when conducting photographic and live lineups.

### **604.5 EYEWITNESS IDENTIFICATION**

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified, or failed to identify, the individual as the suspect.

## *Eyewitness Identification*

---

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

### 604.5.1 PHOTOGRAPHIC AND LIVE LINEUP CONSIDERATIONS

When conducting a live lineup, the member presenting the lineup should not be involved in the investigation or know the identity of the suspect (Minn. Stat. § 626.8433).

When conducting a photographic lineup, if practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup.

The member presenting the lineup to a witness should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating officer should contact the appropriate prosecuting attorney before proceeding.

### 604.5.2 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identification. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain and document a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
  1. The length of time the witness observed the suspect.
  2. The distance between the witness and the suspect.
  3. Whether the witness could view the suspect's face.
  4. The quality of the lighting when the suspect was observed by the witness.
  5. Whether there were distracting noises or activity during the observation.

## *Eyewitness Identification*

---

6. Any other circumstances affecting the witness's opportunity to observe the suspect.
  7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
  - (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
  - (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
  - (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
  - (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect, or to perform other actions mimicking those of the suspect.
  - (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

### **604.6 DOCUMENTATION**

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

#### **604.6.1 DOCUMENTATION RELATED TO RECORDINGS**

The member conducting the lineup should document the reason that an audio and/or video recording was not obtained, if applicable.

## Brady Material Disclosure

### 605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

#### 605.1.1 DEFINITIONS

Definitions related to this policy include:

***Brady* information** - Information known or possessed by the New Prague Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

### 605.2 POLICY

The New Prague Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the New Prague Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information as provided in this policy.

### 605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

### 605.4 DISCLOSURE OF REQUESTED INFORMATION

If *Brady* information is located, the following procedure shall apply:

## *Brady Material Disclosure*

---

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) The prosecuting attorney or City Attorney should then be requested to file a motion in order to initiate an in-camera review by the court.
  - 1. If no motion is filed, the Custodian of Records should work with the appropriate counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The Custodian of Records shall accompany all relevant personnel files during any in-camera inspection to address any issues or questions raised by the court.
- (d) If the court determines that there is relevant *Brady* material contained in the files, only that data ordered released will be copied and released to the parties filing the motion.
  - 1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use and further dissemination of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

### **605.5 INVESTIGATING BRADY ISSUES**

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

### **605.6 TRAINING**

Department personnel should receive periodic training on the requirements of this policy.

### **605.7 BRADY PROCESS**

The Chief of Police shall select a member of the Department to coordinate requests for *Brady* information. This person shall be directly responsible to the Administration Chief of Police or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the appropriate prosecutors' offices and the City Attorney's office to establish systems and processes to determine what constitutes *Brady* information and the method for notification and disclosure.
- (b) Maintaining a current list of members who have *Brady* information in their files or backgrounds.

## *Brady Material Disclosure*

---

1. Updating this list whenever potential *Brady* information concerning any department member becomes known to the Department or is placed into a personnel or internal affairs file.

### **605.8 SUBPOENA PROCESSING**

The individual processing subpoenas (or the supervisor of the subpoenaed member) shall check the subpoenaed member's name against the current list of those who are known to have *Brady* information in their files or background, and shall alert the coordinator if a person on the list is subpoenaed.

## Warrant Service

### 606.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

### 606.2 POLICY

It is the policy of the New Prague Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

### 606.3 OPERATIONS DIRECTOR

The operations director (see the Operations Planning and Deconfliction Policy) shall review all risk assessment forms with the involved supervisor to determine the risk level of the warrant service.

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

### 606.4 SEARCH WARRANTS

Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete the risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

### 606.5 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete the risk assessment form and submit it to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by the operations director. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence

## Warrant Service

---

to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

### 606.6 WARRANT PREPARATION

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime or no-knock warrant execution.
  - 1. No-knock search warrant applications shall comply with the requirements, including the reporting requirements to the Commissioner of Public Safety, as provided by Minn. Stat. § 626.14.
- (b) A clear explanation of the affiant's training, experience, and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the *Brady* Material Disclosure Policy).

### 606.7 HIGH-RISK WARRANT SERVICE

The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.

## Warrant Service

---

- (b) The warrant service is audio- and video-recorded when practicable and reasonable to do so.
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.
- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

### 606.8 DETENTIONS DURING WARRANT SERVICE

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

### 606.9 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

### 606.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

## Warrant Service

---

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the New Prague Police Department are utilized appropriately. Any concerns regarding the requested use of New Prague Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Shift Sergeant should assume this role.

If officers intend to serve a warrant outside New Prague Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the New Prague Police Department when assisting outside agencies or serving a warrant outside New Prague Police Department jurisdiction.

### **606.11 MEDIA ACCESS**

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

### **606.12 TRAINING**

The Chief of Police should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

### **606.13 DOCUMENTATION**

Documentation related to the service of a warrant shall be maintained in accordance with the established records retention schedule.

### **606.14 NO-KNOCK ENTRIES**

No-knock entries are only authorized if a no-knock warrant has been obtained or if exigent circumstances arise at the scene such that knocking and announcing the officer's presence would create an imminent threat of physical violence to the officer or another person.

# Operations Planning and Deconfliction

## 607.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

### 607.1.1 DEFINITIONS

Definitions related to this policy include:

**High-risk operations** - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

## 607.2 POLICY

It is the policy of the New Prague Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

## 607.3 OPERATIONS DIRECTOR

The Chief of Police will designate a member of this department to be the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

## 607.4 RISK ASSESSMENT

### 607.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

The officer should gather available information that includes, but is not limited to:

## Operations Planning and Deconfliction

---

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

### 607.4.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

### 607.4.3 HIGH-RISK OPERATIONS

If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
  - 1. Tri-City Emergency Response Team (ERT)
  - 2. Additional personnel
  - 3. Outside agency assistance
  - 4. Special equipment
  - 5. Medical personnel
  - 6. Persons trained in negotiation
  - 7. Additional surveillance

## Operations Planning and Deconfliction

---

8. Canines
  9. Evidence Room or analytical personnel to assist with cataloguing seizures
  10. Forensic specialists
  11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
  - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
  - (d) Coordinate the actual operation.

### 607.5 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

### 607.6 OPERATIONS PLAN

The operations director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives and strategies.
- (b) Operation location and people:
  1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
  2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

## Operations Planning and Deconfliction

---

- availability of keys/door combinations), including aerial photos, if available, and maps of neighboring yards and obstacles, diagrams and other visual aids
3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service)
  4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
  2. How all participants will be identified as law enforcement.
- (e) Whether deconfliction submissions are current and all involved individuals, groups and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.
- (j) Contingencies for handling children, dependent adults, animals and other people who might be at the location in accordance with the Child Abuse, Adult Abuse, Child and Dependent Adult Safety and Animal Control policies.
- (k) Communications plan.
- (l) Responsibilities for writing, collecting, reviewing and approving reports.

### 607.6.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

### 607.7 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

## Operations Planning and Deconfliction

---

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The operations director shall ensure that all participants are visually identifiable as law enforcement officers.
  - 1. Exceptions may be made by the operations director for officers who are conducting surveillance or working under cover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
  - 1. It is the responsibility of the operations director to ensure that Scott County Sheriff's Office is notified of the time and location of the operation, and to provide a copy of the operation plan prior to officers arriving at the location.
  - 2. If the radio channel needs to be monitored by Scott County Sheriff's Office, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operation plan.
  - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

### 607.8 ERT PARTICIPATION

If the operations director determines that ERT participation is appropriate, the director and the ERT supervisor shall work together to develop a written plan. The ERT supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the ERT supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

### 607.9 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

### 607.10 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any ERT debriefing.

## *Operations Planning and Deconfliction*

---

### **607.11 TRAINING**

The Chief of Police should ensure officers and ERT team members who participate in operations subject to this policy should receive periodic training including, but not limited to, topics such as legal issues, deconfliction practices, operations planning concepts and reporting requirements.

# Scrap Metal Theft Investigation

## 608.1 PURPOSE AND SCOPE

This policy provides guidance regarding scrap metal theft investigations.

### 608.1.1 DEFINITIONS

Definitions related to this policy include:

**Scrap vehicle operator or operator** - A person described in Minn. Stat. § 168A.1501 who engages in a transaction involving the purchase or acquisition of a scrap vehicle.

**Scrap metal dealer or dealer** - A person engaged in the business of buying or selling scrap metal, or both, including a scrap metal processor, as defined in Minn. Stat. § 325E.21.

## 608.2 POLICY

The New Prague Police Department recognizes the difficulty in preventing scrap metal theft and may investigate, place holds on or confiscate items as provided in this policy.

## 608.3 INSPECTIONS AND AUDITS

An officer engaged in scrap metal theft investigations may (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21):

- (a) Conduct inspections and audits of any purchase and acquisition records maintained by scrap vehicle operators or scrap metal dealers.
- (b) Inspect scrap vehicle or scrap metal received by an operator or dealer at any reasonable time.
- (c) Inspect any video or still camera and any recordings or images required to be maintained by an operator or dealer.

Any refusal to allow such inspections or audits should be referred to the City attorney for criminal prosecution.

## 608.4 INVESTIGATIVE HOLDS

An officer who has probable cause to believe that a scrap vehicle or motor vehicle parts in the possession of a scrap vehicle operator, or that scrap metal in the possession of a scrap metal dealer, is stolen or is evidence of a crime may verbally order the operator or dealer not to process, sell, remove or allow the removal of the item for 30 days (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

The officer issuing the order is responsible for ensuring that the order to hold the item is confirmed in writing within 72 hours. If the item is identified as evidence in an active criminal case, the officer may extend the hold in writing. This extension must occur within 30 days of the original order and may remain in effect for as long as the investigation or prosecution is active.

## Scrap Metal Theft Investigation

---

### 608.5 SEIZING ITEMS

The investigating officer should confer with the prosecuting attorney to determine whether the item should be confiscated. If the item is evidence or otherwise needed for an investigation or prosecution, the officer may issue a written notice to confiscate any time during the investigative hold. The officer shall take custody of the item within 15 days of the notice to confiscate (Minn. Stat. § 168A.1501; Minn. Stat. § 325E.21).

When an item is confiscated, the officer shall:

- (a) Provide the operator or dealer a property receipt that includes at least the following:
  1. The name and telephone number of the Department.
  2. The name and telephone number of the officer.

### **700.3 USE OF PERSONAL PROPERTY**

The carrying of personal equipment on-duty or its use in the performance of duties requires prior written approval by the Chief of Police or appropriate Chief of Police. The employee should submit for approval the description of personal property the employee has requested to carry, the reason for its use and the term of its use. Personal property of the type routinely carried by persons not performing law enforcement duties nor comprising a weapon are excluded from this requirement. The Chief of Police or appropriate Chief of Police should review the request and approved or deny the request as appropriate.

#### **700.3.1 DEFINITIONS**

**Personal Property** - Items or equipment owned by, provided by or purchased totally at the expense of the employee. This definition includes optional equipment items identified in the Uniform Regulations Policy.

#### **700.3.2 FILING CLAIMS FOR PERSONAL PROPERTY**

The supervisor receiving such a report shall make an appropriate investigation and direct a memo to the appropriate Chief of Police that shall include the result of his/her investigation and whether reasonable care was taken to prevent the loss, damage or unserviceable condition.

Upon review by staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police, who will then forward the claim to the Finance Department.

The Department will not replace or repair costly items (e.g., jewelry, exotic equipment) that are not reasonably required as a part of work.

#### **700.3.3 REPORTING REQUIREMENT**

A verbal report shall be made to the employee's immediate supervisor as soon as circumstances permit.

A written report shall be submitted before the employee goes off-duty or within the time frame directed by the supervisor to whom the verbal report is made.

### **700.4 LOSS OR DAMAGE OF PROPERTY OF ANOTHER**

The employee shall submit a written report before going off-duty or as otherwise directed by the supervisor.

These written reports, accompanied by the supervisor's written report, shall promptly be forwarded to the appropriate Chief of Police.

## Personal Communication Devices

### 701.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

### 701.2 POLICY

The New Prague Police Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct, will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable data practices laws and rules of civil or criminal procedures.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

### 701.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for department-related business or when the use reasonably implicates work-related misconduct.

## Personal Communication Devices

---

### 701.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Chief of Police or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

### 701.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications) or as otherwise authorized by department procedures.
  - 1. Use of a personally owned PCD for work-related business constitutes consent for the Department to access the PCD to inspect and copy the work-related data (e.g., for litigation purposes, public records retention and release obligations, internal investigations).
  - 2. Use of and data within a personally owned PCD may be discoverable in cases when there is reason to believe it is associated with work-related misconduct.
  - 3. Searches of a personally owned PCD by the Department should be limited to those matters reasonably associated with the work-related business or work-related misconduct.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief of Police or the authorized designee.
- (f) If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.

## Personal Communication Devices

---

- (g) All work-related documents, emails, photographs, recordings, and other public records created or received on a member's personally owned PCD should be transferred to the New Prague Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from their supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate recordkeeping.

### 701.5.1 PUBLIC RECORDS

Work related information including data created, received, recorded or stored on a personally owned PCD in the course of department duties is considered government data subject to the requirements of the Minnesota Government Data Practices Act and discovery obligations (Minn. Stat. § 13.01 et seq.).

### 701.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means requires the express authorization of the Chief of Police or the authorized designee.

## Personal Communication Devices

---

- (f) Members will not access social networking sites for any purpose that is not official department business. This restriction does not apply to a personally owned PCD used during authorized break times.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

### 701.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
  1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
  2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

### 701.8 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions, and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters involving official duties and, where practicable, stop the vehicle at an appropriate location to use the PCD (Minn. Stat. § 169.475).

Except in an emergency, members who are operating non-emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (Minn. Stat. § 169.475). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

### 701.9 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

## Vehicle Use

### 703.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the City of New Prague to provide assigned take-home vehicles.

### 703.2 POLICY

The New Prague Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments and other considerations.

### 703.3 INDIVIDUAL MEMBER ASSIGNMENT TO VEHICLES

Department vehicles may be assigned to individual members at the discretion of the Chief of Police. Vehicles may be assigned for on-duty and/or take-home use. Assigned vehicles may be changed at any time. Permission to take home a vehicle may be withdrawn at any time.

The assignment of vehicles may be suspended when the member is unable to perform his/her regular assignment.

#### 703.3.1 ON-DUTY USE

Vehicle assignments shall be based on the nature of the member's duties, job description and essential functions, and employment or appointment status. Vehicles may be reassigned or utilized by other department members at the discretion of the Chief of Police or the authorized designee.

#### 703.3.2 UNSCHEDULED TAKE-HOME USE

Circumstances may arise where department vehicles must be used by members to commute to and from a work assignment. Members may take home department vehicles only with prior approval of a supervisor and shall meet the following criteria:

- (a) The circumstances are unplanned and were created by the needs of the Department.
- (b) Other reasonable transportation options are not available.

## Vehicle Use

---

### 703.3.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence; the nature of the member's duties, job description and essential functions; and the member's employment or appointment status. Residence in the City of New Prague is a prime consideration for assignment of a take-home vehicle. Members who reside outside the City of New Prague may be required to secure the vehicle at a designated location or the Department at the discretion of the Chief of Police.

Department members shall sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a City vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Chief of Police or a Shift Sergeant gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.
- (c) Vehicles will not be used when off-duty except:
  - 1. In circumstances when a member has been placed on call by the Chief of Police or Chief of Polices and there is a high probability that the member will be called back to duty.
  - 2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or traveling to or from a work-related activity or function.
  - 3. When the member has received permission from the Chief of Police or Chief of Polices.

- (f) Unattended vehicles are to be locked and secured at all times.

## Vehicle Use

---

1. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging).
  2. All weapons shall be secured while the vehicle is unattended.
  3. All department identification, portable radios and equipment should be secured.
- (g) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Chief of Police or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be removed and properly secured in the residence (see the Firearms Policy regarding safe storage of firearms at home).
- (h) Vehicles are to be secured at the member's residence or the appropriate department facility, at the discretion of the Department when a member will be away (e.g., on vacation) for periods exceeding one week.
1. If the vehicle remains at the residence of the member, the Department shall have access to the vehicle.
  2. If the member is unable to provide access to the vehicle, it shall be parked at the Department.
- (i) The member is responsible for the care and maintenance of the vehicle.

### 703.3.4 ENFORCEMENT ACTIONS

When driving a take-home vehicle to and from work outside of the jurisdiction of the New Prague Police Department or while off-duty, an officer shall not initiate enforcement actions except in those circumstances where a potential threat to life or serious property damage exists (see the Off-Duty Law Enforcement Actions and Law Enforcement Authority policies).

Officers may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

Officers driving take-home vehicles shall be armed, appropriately attired and carry their department-issued identification. Officers should also ensure that department radio communication capabilities are maintained to the extent feasible.

### 703.3.5 MAINTENANCE

Members are responsible for the cleanliness (exterior and interior) and overall maintenance of their assigned vehicles. Cleaning and maintenance supplies will be provided by the Department. Failure to adhere to these requirements may result in discipline and loss of vehicle assignment. The following should be performed as outlined below:

- (a) Members shall make daily inspections of their assigned vehicles for service/maintenance requirements and damage.
- (b) It is the member's responsibility to ensure that his/her assigned vehicle is maintained according to the established service and maintenance schedule.
- (c) All scheduled vehicle maintenance and car washes shall be performed as necessary at a facility approved by the department supervisor in charge of vehicle maintenance.

---

Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall also be recorded with the Shift Sergeant on the shift assignment roster.

### 703.5 DAMAGE, ABUSE AND MISUSE

When any department vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any collision report shall be filed with the agency having jurisdiction (see the Traffic Collisions Policy).

Damage to any department vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Shift Sergeant. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

### 703.6 ATTIRE AND APPEARANCE

When operating any department vehicle while off-duty, members may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public, attire and appearance, regardless of the activity, should be suitable to reflect positively upon the Department.

## Assigned Patrol Use Vehicle Policy

### 704.1 PURPOSE AND SCOPE

The Department may assign a patrol use vehicle to full-time officers. This policy shall not be construed to create or imply any contractual obligation by City to assign patrol use vehicles and such assignment is at the discretion of the Chief of Police. Assigned patrol use vehicles have demonstrated a long-term fiscal and service benefit to the City. Vehicles are provided better care during operation and storage and accumulate fewer service miles and hours of operation. This vehicle assignment results in an extended vehicle service life over pool patrol use vehicle assignment. Vehicles subsequently require less frequent replacement and reduced frequency of transfer and replacement of support equipment (radios, emergency, safety equipment). Ultimately per-mile operational costs are reduced.

### 704.2 LOGISTICS

The Department recognizes that the placement of all patrol vehicles in one location or a select few locations renders an increased risk of fleet damage due to act of nature or disaster (e.g., hail damage, tornado, floods, snowstorms) as well as planned or opportunity-based intentional damage and vandalism, domestic destruction and/or terrorism. These conditions could render the entire Department fleet unavailable for deployment.

### 704.3 DEFINITION

**Patrol Use Vehicle** - Includes, but is not limited to, any marked or unmarked squad car, transport, truck, plow, ATV, snowmobile, boat, hovercraft, rescue craft, jet-ski, dive vehicle, SERT vehicle, Mobile Crime Lab, undercover or unmarked vehicle or deployment trailers provided by the Department for the purpose of the job duties required by public safety or emergency response duties or essential job functions.

### 704.4 ASSIGNMENT OF PATROL USE VEHICLES

Assignment of Police patrol use vehicles shall be governed solely by the City and the Department under the discretion of the Chief of Police.

#### 704.4.1 ELIGIBILITY

Eligibility for assignment of a patrol use vehicle requires the officer to be in good standing with Department.

#### 704.4.2 ASSIGNMENT GUIDELINES AND USE CRITERIA

Guidelines for assignment determination and criteria for use of patrol use vehicles include the following:

- (a) The location of the officer's home, nature of the officer's duties, job description and essential functions and employment status. Residence in the City is a prime consideration.

If the officer is unable or unwilling to provide access the patrol use vehicle it shall be parked at the Department.
- (h) A patrol use vehicle despite assignment to an officer for specific duties may be re-assigned or utilized by other Department personnel at the discretion of the Department.
- (i) The assignment of patrol use vehicles may be suspended when the officer is unable to perform his/her regular assignment.

### **704.7 ATTIRE AND APPEARANCE**

When operating a patrol use vehicle off-duty officers may dress in a manner appropriate for their intended activity. Whenever in view of or in contact with the public attire and appearance regardless of the activity should be suitable to reflect positively upon the Department.

# Cash Handling, Security and Management

## 705.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure department members handle cash appropriately in the performance of their duties.

This policy does not address cash-handling issues specific to the Evidence Room and Informants policies.

## 705.2 POLICY

It is the policy of the New Prague Police Department to properly handle and document cash transactions and to maintain accurate records of cash transactions in order to protect the integrity of department operations and ensure the public trust.

## 705.3 PETTY CASH FUNDS

The Chief of Police shall designate a person as the fund manager responsible for maintaining and managing the petty cash fund.

Each petty cash fund requires the creation and maintenance of an accurate and current transaction ledger and the filing of invoices, receipts, cash transfer forms and expense reports by the fund manager.

## 705.4 PETTY CASH TRANSACTIONS

The fund manager shall document all transactions on the ledger and other appropriate forms. Each person participating in the transaction shall sign or otherwise validate the ledger, attesting to the accuracy of the entry. Transactions should include the filing of an appropriate receipt, invoice or cash transfer form. Transactions that are not documented by a receipt, invoice or cash transfer form require an expense report.

## 705.5 PETTY CASH AUDITS

The fund manager shall perform an audit no less than once every six months. This audit requires that the manager and at least one other command staff member, selected by the Chief of Police, review the ledger and verify the accuracy of the accounting. The fund manager and the participating member shall sign or otherwise validate the ledger attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and immediate reporting of the discrepancy to the Chief of Police.

Transference of fund management to another member shall require a separate petty cash audit and involve a command staff member.

A separate audit of each petty cash fund should be completed on a random date, approximately once each year by the Chief of Police or the City.

Cash in excess of \$1,000 requires immediate notification of a supervisor, special handling, verification and accounting by the supervisor. Each member involved in this process shall complete an appropriate report or record entry.

# Personal Protective Equipment

## 706.1 PURPOSE AND SCOPE

This policy identifies the different types of personal protective equipment (PPE) provided by the Department as well the requirements and guidelines for the use of PPE.

This policy does not address ballistic vests or protection from communicable disease, as those issues are addressed in the Body Armor and Communicable Diseases policies.

### 706.1.1 DEFINITIONS

Definitions related to this policy include:

**Personal protective equipment (PPE)** - Equipment that protects a person from serious workplace injuries or illnesses resulting from contact with chemical, radiological, physical, electrical, mechanical, or other workplace hazards.

**Respiratory PPE** - Any device that is worn by the user to protect from exposure to atmospheres where there is smoke, low levels of oxygen, high levels of carbon monoxide, or the presence of toxic gases or other respiratory hazards. For purposes of this policy, respiratory PPE does not include particulate-filtering masks such as N95 or N100 masks.

## 706.2 POLICY

The New Prague Police Department endeavors to protect members by supplying certain PPE to members as provided in this policy.

## 706.3 OFFICER RESPONSIBILITIES

Members are required to use PPE as provided in this policy and pursuant to their training.

Members are responsible for proper maintenance and storage of issued PPE. PPE should be stored in an appropriate location so that it is available when needed.

Any member who identifies hazards in the workplace is encouraged to utilize the procedures in the Workplace Accident and Injury Reduction Policy to recommend new or improved PPE or additional needs for PPE.

## 706.4 HEARING PROTECTION

Approved hearing protection shall be used by members during firearms training.

Hearing protection shall meet or exceed industry standards for use at firing ranges (29 CFR 1910.95; Minn. R. 5205.0010).

## 706.5 EYE PROTECTION

Approved eye protection, including side protection, shall be used by members during firearms training. Eye protection for members who wear prescription lenses shall incorporate the

prescription (e.g., eye protection that can be worn over prescription lenses). Members shall ensure their eye protection does not interfere with the fit of their hearing protection.

The Firearms Instructor shall ensure eye protection meets or exceeds consensus standards set by the American National Standards Institute (29 CFR 1910.133; Minn. R. 5205.0010).

### 706.6 HEAD AND BODY PROTECTION

Members who make arrests or control crowds should be provided ballistic head protection with an attachable face shield.

Padded body protection consisting of chest, arm, leg, and groin protection should be provided as required by any collective bargaining agreement.

### 706.7 RESPIRATORY PROTECTION

The Chief of Police is responsible for ensuring a respiratory protection plan is developed and maintained by a trained and qualified member. The plan shall include procedures for (29 CFR 1910.134; Minn. R. 5205.0010):

- (a) Selecting appropriate respiratory PPE based on hazards and risks associated with functions or positions.
- (b) Fit testing, including identification of members or contractors qualified to conduct fit testing.
- (c) Medical evaluations.
- (d) PPE inventory control.
- (e) PPE issuance and replacement.
- (f) Cleaning, disinfecting, storing, inspecting, repairing, discarding, and otherwise maintaining respiratory PPE, including schedules for these activities.
- (g) Regularly reviewing the PPE plan.
- (h) Remaining current with applicable National Institute for Occupational Safety and Health (NIOSH), American National Standards Institute (ANSI), Occupational Safety and Health Administration (OSHA), Environmental Protective Agency (EPA), and state PPE standards and guidelines.

#### 706.7.1 RESPIRATORY PROTECTION USE

Designated members may be issued respiratory PPE based on the member's assignment (e.g., a narcotics investigator who is involved in clandestine lab investigations).

Respiratory PPE may be worn when authorized by a scene commander who will determine the type and level of protection appropriate at a scene based upon an evaluation of the hazards present.

Scene commanders are responsible for monitoring members using respiratory PPE and their degree of exposure or stress. When there is a change in work area conditions or when a member's degree of exposure or stress may affect respirator effectiveness, the scene commander shall

## Personal Protective Equipment

---

reevaluate the continued effectiveness of the respirator and direct the member to leave the respirator use area when the scene commander reasonably believes (29 CFR 1910.134; Minn. R. 5205.0010):

- (a) It is necessary for the member to wash his/her face and the respirator facepiece to prevent eye or skin irritation associated with respirator use.
- (b) The member detects vapor or gas breakthrough, or there is a change in breathing resistance or leakage of the facepiece.
- (c) The member needs to replace the respirator, filter, cartridge, or canister.

### 706.7.2 MEMBER RESPONSIBILITIES FOR RESPIRATORY PROTECTION

Members shall not use self-contained breathing apparatus (SCBA), full-face respirators, or cartridge respirators unless they have completed training requirements for the equipment.

Members exposed to environments that are reasonably known to be harmful due to gases, smoke, or vapors shall use respiratory PPE.

Members using respiratory PPE shall (29 CFR 1910.134; Minn. R. 5205.0010):

- (a) Ensure that they have no facial hair between the sealing surface of the facepiece and the face that could interfere with the seal or the valve function. Members also shall ensure that they have no other condition that will interfere with the face-to-facepiece seal or the valve function.
- (b) Not wear corrective glasses, goggles, or other PPE that interferes with the seal of the facepiece to the face, or that has not been previously tested for use with that respiratory equipment.
- (c) Perform a user seal check per department-approved procedures recommended by the respirator manufacturer each time they put on a tight-fitting respirator.
- (d) Leave a respiratory use area whenever they detect vapor or gas breakthrough, changes in breathing resistance or leakage of their facepiece and ensure that the respirator is replaced or repaired before returning to the affected area.

### 706.7.3 GAS MASK

Full-face air-purifying respirators, commonly referred to as gas masks, may be fitted with mechanical pre-filters or combination cartridge/filter assemblies for use in areas where gases, vapors, dusts, fumes, or mists are present. Members must identify and use the correct cartridge based on the circumstances (29 CFR 1910.134; Minn. R. 5205.0010).

A scene commander may order the use of gas masks in situations where the use of an SCBA is not necessary. These incidents may include areas where tear gas has or will be used or where a vegetation fire is burning. Gas masks shall not be used if there is a potential for an oxygen-deficient atmosphere.

Members shall ensure their gas mask filters are replaced whenever:

- (a) They smell, taste, or are irritated by a contaminant.

## Personal Protective Equipment

---

- (b) They experience difficulty breathing due to filter loading.
- (c) The cartridges or filters become wet.
- (d) The expiration date on the cartridges or canisters has been reached.

### 706.7.4 SELF-CONTAINED BREATHING APPARATUS

Scene commanders may direct members to use SCBA when entering an atmosphere that may pose an immediate threat to life, would cause irreversible adverse health effects, or would impair an individual's ability to escape from a dangerous atmosphere. These situations may include but are not limited to:

- (a) Entering the hot zone of a hazardous materials incident.
- (b) Entering any area where contaminant levels may become unsafe without warning, or any situation where exposures cannot be identified or reasonably estimated.
- (c) Entering a smoke- or chemical-filled area.

The use of SCBA should not cease until approved by a scene commander.

### 706.7.5 RESPIRATOR FIT TESTING

No member shall be issued respiratory PPE until a proper fit testing has been completed by a designated member or contractor (29 CFR 1910.134; Minn. R. 5205.0010).

After initial testing, fit testing for respiratory PPE shall be repeated (29 CFR 1910.134; Minn. R. 5205.0010):

- (a) At least once every 12 months.
- (b) Whenever there are changes in the type of SCBA or facepiece used.
- (c) Whenever there are significant physical changes in the user (e.g., obvious change in body weight, scarring of the face seal area, dental changes, cosmetic surgery, or any other condition that may affect the fit of the facepiece seal).

All respirator fit testing shall be conducted in negative-pressure mode.

### 706.7.6 RESPIRATORY MEDICAL EVALUATION QUESTIONNAIRE

No member shall be issued respiratory protection that forms a complete seal around the face until (29 CFR 1910.134; Minn. R. 5205.0010):

- (a) The member has completed a medical evaluation that includes a medical evaluation questionnaire.
- (b) A physician or other licensed health care professional has reviewed the questionnaire.
- (c) The member has completed any physical examination recommended by the reviewing physician or health care professional.

## 706.8 RECORDS

The Chief of Police is responsible for maintaining records of all:

- (a) PPE training.

## *Personal Protective Equipment*

  - 1. These records shall be maintained in a separate confidential medical file.

The records shall be maintained in accordance with the department records retention schedule, 29 CFR 1910.1020, and Minn. R. 5205.0010.

### **706.9 TRAINING**

Members should be trained in the respiratory and other hazards to which they may be potentially exposed during routine and emergency situations.

All members shall be trained in the proper use and maintenance of PPE issued to them, including when the use is appropriate; how to put on, remove, and adjust PPE; how to care for the PPE; and the limitations (29 CFR 1910.132; Minn. R. 5205.0010).

Members issued respiratory PPE shall attend annual training on the proper use of respiratory protection devices (29 CFR 1910.134; Minn. R. 5205.0010).

## Chapter 8 - Support Services

## Crime Analysis

### 800.1 PURPOSE AND SCOPE

Crime analysis should provide currently useful information to aid operational personnel in meeting its tactical crime control and prevention objectives by identifying and analyzing methods of operation of individual criminals, providing crime pattern recognition and providing analysis of data from field interrogations and arrests. Crime analysis can be useful to the Department's long-range planning efforts by providing estimates of future crime trends and assisting in the identification of enforcement priorities.

### 800.2 DATA SOURCES

Crime analysis data is extracted from many sources including, but not limited to:

- Crime reports
- Field Interview cards
- Parole and probation records
- Computer Aided Dispatch data
- Department of Public Safety - Crime Records Service

### 800.3 CRIME ANALYSIS FACTORS

The following minimum criteria should be used in collecting data for crime analysis:

- Geographic factors
- Temporal factors
- Victim and target descriptors
- Suspect descriptors
- Suspect vehicle descriptors
- Modus operandi factors
- Physical evidence information

### 800.4 CRIME ANALYSIS DISSEMINATION

For a crime analysis system to function effectively, information should be disseminated to the appropriate units or persons on a timely basis. Information that is relevant to the operational and tactical plans of specific line units should be sent directly to them. Information relevant to the development of the Department's strategic plans should be provided to the appropriate staff units. When information pertains to tactical and strategic plans, it should be provided to all affected units.

## Evidence Room

### 801.1 PURPOSE AND SCOPE

This policy provides for the proper collection, storage and security of evidence and other property. Additionally, this policy provides for the protection of the chain of evidence and those persons authorized to remove and/or destroy property. Property belonging to persons in custody should be handled pursuant to policies guiding Juvenile Temporary Custody, Temporary Holding Facility, Jail Operations, and the operations procedures for each facility or operation.

#### 801.1.1 EVIDENCE ROOM SECURITY

The Evidence Room shall maintain secure storage and control of all property necessitating custody by the Department. A property tag shall be securely attached to the outside of all items or group of items packaged together.

#### 801.4.2 PACKAGING CONTROLLED SUBSTANCES

The officer seizing controlled substances shall retain such property in his/her possession until it is properly weighed, packaged, tagged and placed in the designated drug locker, accompanied by two copies of the property record. Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected controlled substances. If conducted, the results of this test shall be included in the officer's report.

Controlled substances shall be packaged in an envelope of appropriate size, available in the report room. The booking officer shall initial the sealed envelope and the initials covered with cellophane tape. Controlled substances shall not be packaged with other property.

A property logbook shall be maintained and a unique property number created for each piece of property received. The logbook shall record by property number, the date received, case number, tag number, item description, item location and date disposed. A unique property number shall be obtained for each item or group of items from the logbook. This number shall be recorded on the property tag and the property control card.

Any changes in the location of property held by the New Prague Police Department shall be noted in the property logbook.

### 801.6 PROPERTY CONTROL

Request for analysis for items other than controlled substances shall be completed on the appropriate forms and submitted to the property and evidence technician. This request may be filled out any time after booking of the property or evidence.

#### 801.6.2 TRANSFER OF EVIDENCE TO CRIME LABORATORY

The transporting employee will check the evidence out of property, indicating the date and time on the property control card and the request for laboratory analysis.

The property and evidence technician releasing the evidence must complete the required information on the property control card and the evidence. The lab forms will be transported with the property to the examining laboratory. Upon delivering the item involved, the officer will record the delivery time on both copies and indicate the locker in which the item was placed or the

employee to whom it was delivered. The original copy of the lab form will remain with the evidence and the copy will be returned to the Records Section for filing with the case.

### 801.6.3 STATUS OF PROPERTY

Each person receiving property will make the appropriate entry to document the chain of evidence. Temporary release of property to officers for investigative purposes, or for court, shall be noted on the property control card, stating the date, time and to whom it was released.

The property and evidence technician shall obtain the signature of the person to whom property was released, and the reason for release. Any employee receiving property shall be responsible for such property until it is properly returned to property or properly released to another authorized person or entity.

The return of the property should be recorded on the property control card, indicating date, time and the person who returned the property.

### 801.6.4 AUTHORITY TO RELEASE PROPERTY

The property and evidence technician shall not release any property without a signed authorization from an appropriate authorized member of the Department. The Investigation Unit shall authorize the disposition or release of all evidence and property coming into the care and custody of the Department.

Property held as evidence for a pending criminal investigation or proceeding shall be retained for a period of time no less than that required pursuant to Minn. Stat. § 628.26.

- (a) Provide a list describing the property unless such release would seriously impede an investigation.
- (b) Return the property expeditiously unless the property is required as evidence.

Upon the direction of a prosecuting attorney, property held as evidence of a crime may be photographed and released to the owner of the property. If the property is alleged to have been wrongfully taken, the property may be returned to the owner in accordance with the requirements of Minn. Stat. § 609.523.

### 801.6.5 RELEASE OF PROPERTY

All reasonable attempts shall be made to identify the rightful owner of found property or evidence not needed for an investigation.

Release of property shall be made upon receipt of an authorized release form, listing the name and address of the person to whom the property is to be released. The release authorization shall be signed by the authorizing supervisor or investigator and must conform to the items listed on the property form or must specify the specific item(s) to be released. Release of all property shall be properly documented.

## Evidence Room

---

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 90 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 90 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction, which may be conducted as an Internet-based auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed. Unless the auction is Internet based, property with an estimated value of \$500 or more will be advertised in the local print media before it is destroyed or auctioned. The final disposition of all such property shall be fully documented in related reports.

A property and evidence technician shall release the property upon proper identification being presented by the owner for which an authorized release has been received. The owner shall also pay any costs incurred by the agency, including costs for advertising or storage. A signature of the person receiving the property shall be recorded on the original property documentation. After release of all property entered on the property control card, the card shall be forwarded to the Records Section for filing with the case. If some items of property have not been released, the property card will remain with the Evidence Room.

Upon release or other form of disposal, the proper entry shall be recorded in all property documentation and logs.

### 801.6.6 STOLEN OR EMBEZZLED PROPERTY

Stolen or embezzled property or property believed to be stolen or embezzled that is in the custody of this department may be restored to the owner (Minn. Stat. § 609.523 Subd. 3). Such property may be released from law enforcement custody when the following are satisfied:

- (a) Photographs of the property are filed and retained by the Evidence Room.
- (b) Satisfactory proof of ownership of the property is shown by the owner.
- (c) A declaration of ownership is signed under penalty of perjury.
- (d) A receipt for the property is obtained from the owner upon delivery.

### 801.6.7 DISPUTED CLAIMS TO PROPERTY

Occasionally more than one party may claim an interest in property being held by the department, and the legal rights of the parties cannot be clearly established. Such property shall not be released until one party has obtained a court order or other proof of the undisputed right to the involved property.

All parties should be advised that their claims are civil. In extreme situations, legal counsel for the Department may be asked to file an interpleader in court to resolve the disputed claim.

### 801.6.8 RELEASE AND DISPOSAL OF FIREARMS

A firearm may not be released until it has been verified that the person receiving the weapon is not prohibited from receiving or possessing the weapon by 18 USC § 922.

## Evidence Room

---

The Department shall make best efforts for a period of 90 days after the seizure of an abandoned or stolen firearm to protect the firearm from harm and return it to the lawful owner (Minn. Stat. § 609.5315 Subd. 7). At the expiration of such period, the firearm or other deadly weapon may be processed for disposal consistent with this policy.

### 801.7 DISPOSITION OF PROPERTY

All property not held for evidence in a pending criminal investigation or proceeding, and held for six months or longer where the owner has not been located or fails to claim the property, may be disposed of in compliance with existing laws upon receipt of proper authorization for disposal. The property and evidence technician shall request a disposition or status on all property that has been held in excess of 120 days and for which no disposition has been received from a supervisor or investigator.

#### 801.7.1 EXCEPTIONAL DISPOSITIONS

The following types of property shall be destroyed or disposed of in the manner and at the time prescribed by law, unless a different disposition is ordered by a court of competent jurisdiction:

- Counterfeiting equipment.
- Gaming devices.
- Obscene matter ordered to be destroyed by the court.
- Altered vehicles or component parts.
- Controlled substances.
- Unclaimed, stolen or embezzled property.

Money found in gambling devices by any peace officer, other than a municipal police officer, shall be paid into the county treasury. Money found in gambling devices by a municipal police officer shall be paid into the treasury of the municipality (Minn. Stat. § 626.04 (b)).

#### 801.7.2 UNCLAIMED MONEY

If found or seized money is no longer required as evidence and remains unclaimed after three years, the money is presumed abandoned property and is reportable as specified in this policy (Minn. Stat. § 345.38 and Minn. Stat. § 345.75).

#### 801.7.3 SHERIFF SEIZURES AND SALES

A deputy may seize and retain any personal property abandoned upon any public way, sidewalk or other public place, or any property entered as evidence in a judicial proceeding following its release by the court (Minn. Stat. § 345.15). After holding the property for a period of at least 90

- (d) Any sexual assault victim
- (e) The Investigation Division Supervisor

Biological evidence shall be retained for a minimum period established by law, the Evidence Room Supervisor or the expiration of any sentence imposed related to the evidence (Minn. Stat. § 590.10), whichever time period is greater. Following the retention period, notifications should be made by certified mail and should inform the recipient that the evidence will be destroyed after a date specified in the notice unless a motion seeking an order to retain the sample is filed and served on the Department within 90 days of the date of the notification. A record of all certified mail receipts shall be retained in the appropriate file. Any objection to, or motion regarding, the destruction of the biological evidence should be retained in the appropriate file and a copy forwarded to the Investigation Division Supervisor.

Biological evidence related to a homicide shall be retained indefinitely and may only be destroyed with the written approval of the Chief of Police and the head of the applicable prosecutor's office.

Bulk evidence may be destroyed prior to these minimum retention periods only pursuant to a court order or if the Evidence Room Supervisor determines that such destruction is consistent with Minn. Stat. § 590.10 and the above notices have been made.

### 801.8 REPORT OF ABANDONED PROPERTY (MONEY)

The Investigation Unit supervisor shall complete an annual report of presumed abandoned property as described in law to the Commissioner of Commerce. The report is to cover the 12-month period ending June 30 each year and is to be filed before November 1 each year (Minn. Stat. § 345.41).

### 801.9 INSPECTIONS OF THE EVIDENCE ROOM

- (a) Unannounced inspections of evidence storage areas shall be conducted annually as directed by the Chief of Police.

This policy establishes the guidelines for the operational functions of the New Prague Police Department Records Section. The policy addresses department file access and internal requests for case reports.

### 802.2 FILE ACCESS AND SECURITY

The security of files in the Records Section must be a high priority and shall be maintained as mandated by state or federal law. All case reports including but not limited to initial, supplemental, follow-up, evidence, and any other reports related to a police department case, including field interview (FI) cards, criminal history records, and publicly accessible logs, shall be maintained in a secure area within the Records Section, accessible only by authorized members of the Records Section. All original case reports to be removed from the Records Section shall be photocopied and the photocopy retained in the file location of the original case report until the original is returned to the Records Section. The photocopied report shall be shredded upon return of the original report to the file.

  1. The Department may not charge or require the requesting person to pay a fee to inspect data. Inspection includes, but is not limited to, the visual inspection of paper and similar types of government data. Inspection does not include printing copies, unless printing a copy is the only method to provide for inspection of the data (Minn. Stat. § 13.03, Subd. 3(b)).
  2. For data stored and made available in electronic form via remote access, public inspection includes allowing remote access by the public to the data and the ability to print copies or download the data. The Custodian of Records or designee shall cite the specific statutory section, temporary classification or specific provision of state or federal law on which the determination is based. Upon the request of any person denied access to data, the denial shall be certified in writing (Minn. Stat. § 13.03, Subd. 3 (f)).

If the record is audio or video, a copy of the redacted audio/video release should be maintained in the department-approved media storage system and a notation should be made in the case file to document the release and the reasons for the redacted portions.

### 803.5 RELEASE RESTRICTIONS

Examples of release restrictions include:

- (a) Personal identifying information, including an individual's photograph; Social Security and driver identification numbers; name, address, and telephone number; and medical or disability information that is contained in any driver's license record, motor vehicle record, or any department record, including traffic collision reports, is restricted except as authorized by the Department, and only when such use or disclosure is permitted or required by law to carry out a legitimate law enforcement purpose (18 USC § 2721; 18 USC § 2722).

## Records Maintenance and Release

---

5. A person who placed a call to a 9-1-1 system or the identity of the person whose phone was used to place a call to the 9-1-1 system when revealing the identity may threaten the personal safety or property of any person or the purpose of the call was to receive help in a mental health emergency. A voice recording of a call placed to the 9-1-1 system is deemed to reveal the identity of the caller.
  6. A juvenile witness when the subject matter of the investigation justifies protecting the identity of the witness.
  7. A mandated reporter.
- (c) Audio recordings of calls placed to the 9-1-1 system requesting law enforcement, fire, or medical agency response, except that a written transcript of the call is public unless it reveals the identity of protected individuals (Minn. Stat. § 13.82, Subd. 4).

  2. Job title, bargaining unit, job description, education and training background, and previous work experience.
  3. Date of first and last employment.
  4. Existence and status of any complaints or charges against the employee, regardless of whether the complaint or charge resulted in a disciplinary action.
  5. Final disposition of any disciplinary action together with the specific reasons for the action, and data documenting the basis of the action, excluding data that would identify confidential sources who are employees of this department.
  6. Terms of any agreement settling any dispute arising out of an employment relationship.

## Records Maintenance and Release

---

7. Work location, work telephone number, badge number, and honors and awards received.
  8. Time sheets or other comparable data only used to account for an employee's work time for payroll purposes, excluding the use of sick or other medical leave or other nonpublic data.

- (m) Any data on individuals receiving peer counseling or critical incident stress management services (Minn. Stat. § 13.02, Subd. 12; Minn. Stat. § 181.9731; Minn. Stat. § 181.9732).

Any other record not addressed in this policy shall not be subject to release where such record is classified as other than public data. All public data shall be released as required by the MGDPA (Minn. Stat. § 13.03, Subd. 1).

### 803.6 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for data should promptly contact a supervisor and the Custodian of Records for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested data.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the County Attorney, City Attorney or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

### 803.7 RELEASED RECORDS TO BE MARKED

Each page of any written record released pursuant to this policy should be stamped in a colored ink or otherwise marked to indicate the department name and to whom the record was released.

A petition for expungement and expungement orders received by the Department shall be reviewed for appropriate action by the Custodian of Records.

#### **803.8.1 PETITION FOR EXPUNGEMENT**

When responding to a petition for expungement, the Custodian of Records shall inform the court and the individual seeking expungement that the response contains private or confidential data (Minn. Stat. § 609A.03, Subd. 3).

#### **803.8.2 ORDERS OF EXPUNGEMENT**

The Custodian of Records shall expunge such records as ordered by the court. Records may include, but are not limited to, a record of arrest, investigation, detention or conviction. Once a record is expunged, members shall respond to any inquiry as though the record did not exist.

Upon request by the individual whose records are to be expunged, the Custodian of Records must send a letter at an address provided by the individual confirming the receipt of the expungement order and that the record has been expunged (Minn. Stat. § 609A.03, Subd. 8).

Expunged records may be opened only by court order (Minn. Stat. § 609A.03, Subd. 7).

Expunged records of conviction may be opened for purposes of evaluating a prospective employee of the Department without a court order.

The Custodian of Records shall inform any law enforcement, prosecution or corrections authority, upon request, of the existence of a sealed record and of the right to obtain access to it.

### **803.9 MAINTENANCE OF CLOSED RECORDS**

Records such as offense reports, arrest reports, juvenile records or other sensitive records shall be secured in such a manner as to reasonably protect them from unauthorized disclosure. Closed records shall be kept separate from public records and shall remain confidential.

## Protected Information

### 804.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the New Prague Police Department. This policy addresses the protected information that is used in the day-to-day operation of the Department and not the government data information covered in the Records Maintenance and Release Policy.

#### 804.1.1 DEFINITIONS

Definitions related to this policy include:

**Protected information** - Any information or data that is collected, stored or accessed by members of the New Prague Police Department and is subject to any access or release restrictions imposed by law, regulation, order or use agreement. This includes all information contained in federal, state or local law enforcement databases that is not accessible to the public.

### 804.2 POLICY

Members of the New Prague Police Department will adhere to all applicable laws, orders, regulations, use agreements and training related to the access, use, dissemination and release of protected information.

### 804.3 RESPONSIBILITIES

The Chief of Police shall select a member of the Department to coordinate the use of protected information (Minn. Stat. § 13.05, Subd. 13).

The responsibilities of this position include, but are not limited to:

- (a) Ensuring member compliance with this policy and with requirements applicable to protected information, including requirements for the National Crime Information Center (NCIC) system, the National Law Enforcement Telecommunications System (NLETS), Minnesota Division of Driver and Vehicle Services (DVS) records, Minnesota Bureau of Criminal Apprehension (BCA) and the Minnesota Comprehensive Incident-Based Reporting System (CIBRS).
- (b) Developing, disseminating and maintaining procedures that adopt or comply with the U.S. Department of Justice's current Criminal Justice Information Services (CJIS) Security Policy.
- (c) Developing, disseminating and maintaining any other procedures necessary to comply with any other requirements for the access, use, dissemination, release and security of protected information.
- (d) Developing procedures to ensure training and certification requirements are met.

#### **804.4 ACCESS TO PROTECTED INFORMATION**

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, New Prague Police Department policy or training (Minn. Stat. § 13.09). Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access (Minn. Stat. § 13.05; Minn. Stat. § 299C.40).

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution.

#### **804.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION**

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Police Records Technician for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Records Section to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should generally not be transmitted by radio, cellular telephone or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of officers, other department members or the public is at risk.

Nothing in this policy is intended to prohibit broadcasting warrant information.

### 804.5.1 REVIEW OF CHRI

Members of this department shall refer individuals seeking access to CHRI to the Minnesota BCA (Minn. Stat. § 13.87, Subd. 1(b)).

### 804.5.2 REVIEW OF CIBRS DATA

If the request is to release the data to a third party, the individual who is the subject of private data must appear in person at the Department to give informed consent to the access or release.

Private data provided to the individual must also include the name of the law enforcement agency that submitted the data to CIBRS and the name, telephone number and address of the agency responsible for the data.

A person who is the subject of private data may challenge the data. # Animal Control

## 805.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for interacting with animals and responding to calls for service that involve animals.

## 805.2 POLICY

It is the policy of the New Prague Police Department to be responsive to the needs of the community regarding animal-related issues. This includes enforcing local, state and federal laws relating to animals and appropriately resolving or referring animal-related problems, as outlined in this policy.

## 805.3 ANIMAL CONTROL RESPONSIBILITIES

Animal control services are generally the primary responsibility of Animal Control and include the following:

- (a) Animal-related matters during periods when Animal Control is available.
- (b) Ongoing or persistent animal nuisance complaints. Such complaints may be scheduled, if reasonable, for handling during periods that Animal Control is available for investigation and resolution.
- (c) Follow-up on animal-related calls, such as locating owners of injured animals.

## 805.4 MEMBER RESPONSIBILITIES

Members who respond to or assist with animal-related calls for service should evaluate the situation and determine appropriate actions to control the situation.

Due to the hazards of handling animals without proper training and equipment, responding members generally should not attempt to capture and pick up any animal, but should keep the animal under observation until the arrival of appropriate assistance.

Members may consider acting before the arrival of such assistance when:

- (a) There is a threat to public safety.
- (b) An animal has bitten someone; members should take measures to confine the animal and prevent further injury.
- (c) An animal is creating a traffic hazard.
- (d) An animal is seriously injured.
- (e) The owner/handler has been arrested or is incapacitated. In such circumstances, the member should find appropriate placement for the animal.

## Animal Control

---

1. This is only necessary when the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animal.
2. With the owner's consent, locating appropriate placement may require contacting relatives or neighbors to care for the animal.
3. If no person can be found or the owner does not or cannot give consent, the animal should be taken to a designated animal care facility.

### 805.5 ANIMAL CRUELTY COMPLAINTS

Laws relating to the cruelty to animals should be enforced, including but not limited to (Minn. Stat. § 343.21 et seq.):

- (a) An investigation should be conducted on all reports of animal cruelty.
- (b) Legal steps should be taken to protect an animal that is in need of immediate care or protection from acts of cruelty (Minn. Stat. § 343.29).
  1. An officer may remove, shelter and care for any animal that is not properly sheltered from cold, heat or inclement weather, or any animal not properly fed and watered or provided with suitable food and drink, in circumstances that threaten the life of the animal.
  2. An animal taken into care during an animal cruelty investigation may be euthanized following a determination by a doctor of veterinary medicine that the animal is suffering and is beyond cure through reasonable care and treatment.

### 805.6 ANIMAL BITE REPORTS

Members investigating an animal bite should obtain as much information as possible for follow-up with the appropriate health or animal authorities. Efforts should be made to capture or otherwise have the animal placed under control. Members should attempt to identify and notify the owner of the final disposition of the animal.

#### 805.6.1 ANIMAL BITES TO HUMANS

Members should coordinate with appropriate animal authorities to ensure that animals who have bitten a human are quarantined for rabies observation as required by Minn. R. 1721.0580.

### 805.7 STRAY DOGS

If the dog has a license or can otherwise be identified, the owner should be contacted (Minn. Stat. § 343.29), if possible. If the owner is contacted, the dog should be released to the owner and a citation may be issued, if appropriate. If a dog is taken into custody, it shall be transported to the appropriate shelter/holding pen.

Members shall provide reasonable treatment to animals in their care (e.g., food, water, shelter).

## *Animal Control*

---

### **805.8 DANGEROUS ANIMALS**

In the event responding members cannot fulfill a request for service because an animal is difficult or dangerous to handle, the Shift Sergeant will be contacted to determine available resources, including requesting the assistance of animal control services from an allied agency.

### **805.9 PUBLIC NUISANCE CALLS RELATING TO ANIMALS**

Members should diligently address calls related to nuisance animals (e.g., barking dogs), as such calls may involve significant quality of life issues.

### **805.10 DECEASED ANIMALS**

When a member becomes aware of a deceased animal all reasonable attempts should be made to preliminarily determine if the death of the animal is related to criminal activity.

- (a) Deceased animals on public property should be removed, sealed in a plastic bag and properly disposed of by the responding member.
- (b) Members should not climb onto or under any privately owned structure for the purpose of removing a deceased animal.

### **805.11 INJURED ANIMALS**

When a member becomes aware of an injured domesticated animal, all reasonable attempts shall be made to contact the owner or responsible handler.

If an owner or responsible handler cannot be located, the animal should be taken to a designated animal care facility.

### **805.12 DESTRUCTION OF ANIMALS**

When it is necessary to use a firearm to euthanize a badly injured animal or stop an animal that poses an imminent threat to human safety, the Firearms Policy shall be followed. A badly injured animal shall only be euthanized with the approval of a supervisor.

# Custodial Searches

## 901.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the New Prague Police Department facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

### 901.1.1 DEFINITIONS

Definitions related to this policy include:

**Custody search** - An in-custody search of an individual and of his/her property, shoes and clothing, including pockets, cuffs and folds on the clothing, to remove all weapons, dangerous items and contraband.

**Physical body cavity search** - A search that includes a visual inspection and may include a physical intrusion into a body cavity. Body cavity means the stomach or rectal cavity of an individual, and the vagina of a female person.

**Strip search** - A search that requires an individual to remove or rearrange some or all of his/her clothing to permit a visual inspection of the underclothing, breasts, buttocks, anus or outer genitalia. This includes monitoring an individual who is changing clothes, where his/her underclothing, buttocks, genitalia or female breasts are visible.

## 901.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

## 901.3 FIELD AND TRANSPORTATION SEARCHES

An officer should conduct a custody search of an individual immediately after his/her arrest, when receiving an individual from the custody of another, and before transporting a person who is in custody in any department vehicle.

Whenever practicable, a custody search should be conducted by an officer of the same sex as the person being searched. If an officer of the same sex is not reasonably available, a witnessing officer should be present during the search.

## *Custodial Searches*

---

### **901.4 SEARCHES AT POLICE FACILITIES**

Custody searches shall be conducted on all individuals in custody, upon entry to the New Prague Police Department facilities. Except in exigent circumstances, the search should be conducted by a member of the same sex as the individual being searched. If a member of the same sex is not available, a witnessing member must be present during the search.

Custody searches should also be conducted any time an individual in custody enters or re-enters a secure area, or any time it is reasonably believed that a search is necessary to maintain the safety and security of the facility.

#### **901.4.1 PROPERTY**

Members shall take reasonable care in handling the property of an individual in custody to avoid discrepancies or losses. Property retained for safekeeping shall be kept in a secure location until the individual is released or transferred.

Some property may not be accepted by a facility or agency that is taking custody of an individual from this department, such as weapons or large items. These items should be retained for safekeeping in accordance with the Evidence Room Policy.

All property shall be inventoried by objective description (this does not include an estimated value). The individual from whom it was taken shall be required to sign the completed inventory. If the individual's signature cannot be obtained, the inventory shall be witnessed by another department member. The inventory should include the case number, date, time, member's New Prague Police Department identification number and information regarding how and when the property may be released.

#### **901.4.2 VERIFICATION OF MONEY**

All money shall be counted in front of the individual from whom it was received. When possible, the individual shall initial the dollar amount on the inventory. Additionally, all money should be placed in a separate envelope and sealed. Negotiable checks or other instruments and foreign currency should also be sealed in an envelope with the amount indicated but not added to the cash total. All envelopes should clearly indicate the contents on the front. The department member sealing it should place his/her initials across the sealed flap. Should any money be withdrawn or added, the member making such change shall enter the amount below the original entry and initial it. The amount of money in the envelope should always be totaled and written on the outside of the envelope.

### **901.5 STRIP SEARCHES**

No individual in temporary custody at any New Prague Police Department facility shall be subjected to a strip search unless there is reasonable suspicion based upon specific and articulable facts to believe the individual has a health condition requiring immediate medical attention or is concealing a weapon or contraband. Factors to be considered in determining reasonable suspicion include, but are not limited to:

## Custodial Searches

---

- (a) The detection of an object during a custody search that may be a weapon or contraband and cannot be safely retrieved without a strip search.
- (b) Circumstances of a current arrest that specifically indicate the individual may be concealing a weapon or contraband.
  - 1. A felony arrest charge or being under the influence of a controlled substance should not suffice as reasonable suspicion absent other facts.
- (c) Custody history (e.g., past possession of contraband while in custody, assaults on department members, escape attempts).
- (d) The individual's actions or demeanor.
- (e) Criminal history (i.e., level of experience in a custody setting).

  9. A list of the items, if any, that were recovered.
  10. The facts upon which the member based their belief that the individual was concealing a weapon or contraband.
- (g) No member should view an individual's private underclothing, buttocks, genitalia, or female breasts while that individual is showering, performing bodily functions, or changing clothes, unless the individual otherwise qualifies for a strip search. However, if serious hygiene or health issues make it reasonably necessary to assist the individual with a shower or a change of clothes, a supervisor should be contacted to ensure reasonable steps are taken to obtain the individual's consent and/or otherwise protect the individual's privacy and dignity.

### 901.5.2 SPECIAL CIRCUMSTANCE FIELD STRIP SEARCHES

A strip search may be conducted in the field only with Shift Sergeant authorization and only in exceptional circumstances, such as when:

- (a) There is probable cause to believe that the individual is concealing a weapon or other dangerous item that cannot be recovered by a more limited search.
- (b) There is probable cause to believe that the individual is concealing controlled substances or evidence that cannot be recovered by a more limited search, and there is no reasonable alternative to ensure the individual cannot destroy or ingest the substance during transportation.

These special-circumstance field strip searches shall only be authorized and conducted under the same restrictions as the strip search procedures in this policy, except that the Shift Sergeant authorization does not need to be in writing.

### 901.6 PHYSICAL BODY CAVITY SEARCH

Physical body cavity searches shall be subject to the following:

- (a) No individual shall be subjected to a physical body cavity search without written approval of the Shift Sergeant and only upon a search warrant or approval of legal counsel. A copy of any search warrant and the results of the physical body cavity search shall be included with the related reports and made available, upon request, to the individual or authorized representative (except for those portions of the warrant ordered sealed by a court).
- (b) Only a physician may conduct a physical body cavity search.
- (c) Except for the physician conducting the search, persons present must be of the same sex as the individual being searched. Only the necessary department members needed to maintain the safety and security of the medical personnel shall be present.

### 901.8 GENDER IDENTITY OR EXPRESSION CONSIDERATIONS

If an individual who is subject to a strip search or physical body cavity search has a gender identity or expression that differs from their sex assigned at birth, the search should be conducted by members of the same gender identity or expression as the individual, unless the individual requests otherwise.

### 901.9 JUVENILES

No juvenile should be subjected to a strip search or a physical body cavity search at the Department.

The Chief of Police or the authorized designee should establish procedures for the following:

- (a) Safely transporting a juvenile who is suspected of concealing a weapon or contraband, or who may be experiencing a medical issue related to such concealment, to a medical facility or juvenile detention facility as appropriate in the given circumstances.

## *Custodial Searches*

---

- (b) Providing officers with information identifying appropriate medical and juvenile detention facilities to which a juvenile should be transported for a strip or body cavity search.

Nothing in this section is intended to prevent an officer from rendering medical aid to a juvenile in emergency circumstances (see the Medical Aid and Response Policy for additional guidance).

The first officer to respond to a report of sexual abuse or sexual assault shall (28 CFR 115.164):

- (a) Separate the parties.
- (b) Establish a crime scene to preserve and protect any evidence. Identify and secure witnesses until steps can be taken to collect any evidence.

## *Prison Rape Elimination*

---

- (d) If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking or eating.

If the first responder is not an officer the responder shall request that the alleged victim not take any actions that could destroy physical evidence and should then notify a law enforcement staff member (28 CFR 115.164).

### 902.5.2 INVESTIGATOR RESPONSIBILITIES

Investigators shall (28 CFR 115.171):

- (d) Conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.

- (f) Document in written reports a description of physical, testimonial, documentary and other evidence, the reasoning behind any credibility assessments, and investigative facts and findings.
- (g) Refer allegations of conduct that may be criminal to the County Attorney for possible prosecution, including any time there is probable cause to believe a prisoner sexually abused another prisoner in the Temporary Holding Facility (28 CFR 115.178).
- (h) Cooperate with outside investigators and remain informed about the progress of any outside investigation.

### 902.5.3 ADMINISTRATIVE INVESTIGATIONS

Administrative investigations shall include an effort to determine whether staff actions or failures to act contributed to the abuse. ### 902.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

No prisoner who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

## *Prison Rape Elimination*

---

Prisoner victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

### **902.5.5 CONCLUSIONS AND FINDINGS**

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Administrator. The Chief of Police or City Administrator shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with prisoners and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with prisoners by a contractor or volunteer.

### **902.6 RETALIATION PROHIBITED**

All prisoners and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Shift Sergeant or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for prisoner victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for prisoners or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Shift Sergeant or the authorized designee shall identify a staff member to monitor the conduct and treatment of prisoners or members who have reported sexual abuse and of prisoners who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of prisoners, such monitoring shall also include periodic status checks.

## *Prison Rape Elimination*

---

### 902.7.1 INCIDENT REVIEWS

An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

- (a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.
- (b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.
- (c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.
- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Chief of Police and the PREA Coordinator. The Chief of Police or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

### 902.7.2 DATA REVIEWS

The facility shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files and sexual abuse incident reviews (28 CFR 115.187).

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices and training. An annual report shall be prepared that includes (28 CFR 115.188):

- (a) Identification of any potential problem areas.
- (b) Identification of any corrective actions taken.
- (c) Recommendations for any additional corrective actions.
- (d) A comparison of the current year's data and corrective actions with those from prior years.
- (e) An assessment of the department's progress in addressing sexual abuse.

## *Prison Rape Elimination*

---

Material may be redacted from the reports when publication would present a clear and specific threat to the safety and security of the Temporary Holding Facility. However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from New Prague Police Department facilities and private facilities with which it contracts shall be made readily available to the public at least annually through the department website or, if it does not have one, through other means. Before making aggregated sexual abuse data publicly available, all personal identifiers shall be removed (28 CFR 115.189).

### **902.8 RECORDS**

The Department shall retain all written reports from administrative and criminal investigations pursuant to this policy for as long as the alleged abuser is held or employed by the Department, plus five years (28 CFR 115.171).

All other data collected pursuant to this policy shall be securely retained for at least 10 years after the date of the initial collection unless federal, state or local law requires otherwise (28 CFR 115.189).

### **902.9 TRAINING**

All employees, volunteers and contractors who may have contact with prisoners shall receive department-approved training on the prevention and detection of sexual abuse and sexual harassment within this facility. The Chief of Police shall be responsible for developing and administering this training as appropriate, covering at a minimum (28 CFR 115.131):

### 1000.4 BACKGROUND INVESTIGATION

Every candidate shall undergo a thorough background investigation to verify the candidate's personal integrity and high ethical standards, and to identify any past behavior that may be indicative of the candidate's unsuitability to perform duties relevant to the operation of the New Prague Police Department.

The background investigation must determine whether the candidate meets the standards established by the Minnesota Board of Peace Officer Standards and Training (POST) as well as the security standards established to access state and national computerized record and communication systems (Minn. Stat. § 626.87; Minn. R. 6700.0670; Minn. R. 6700.0700).

A background investigation is valid for six months after completion. If the candidate is not hired during the six months, the background investigation must be updated before a final offer of employment to the candidate is made (Minn. R. 6700.0670, Subp. 2).

#### 1000.4.1 NOTICES

### 1000.4.4 DOCUMENTING AND REPORTING

The background investigator shall summarize the results of the background investigation in a report that includes sufficient information to allow the reviewing authority to decide whether to extend a conditional offer of employment. The report shall not include any information that is prohibited from use, including that from social media sites, in making employment decisions. The report and all supporting documentation shall be included in the candidate's background investigation file.

### 1000.4.5 RECORDS RETENTION

Each standard should include performance indicators for candidate evaluation. The Department of Human Resources should maintain validated standards for all positions.

# Evaluation of Employees

## 1001.1 PURPOSE AND SCOPE

The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

## 1001.2 POLICY

The New Prague Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards.

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

## 1001.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and non-sworn supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

Evaluation of Employees

---

**1001.4 EVALUATION FREQUENCY**

Employees are evaluated based on the following chart:

Position	Evaluated Every 3 Months	Evaluated Yearly	Length of Probation
Probationary Licensed Employees	X		1 Year
Non-Probationary Licensed Employees		X	
Probationary Non-sworn Employees	X		1 Year
Non-Probationary, Non-sworn Employees		X	

**1001.5 FULL-TIME PROBATIONARY PERSONNEL**

Personnel must successfully complete the probationary period before being eligible for certification as regular employees. An evaluation will be completed monthly for all full-time non-sworn personnel during the probationary period. Probationary licensed personnel are evaluated daily, weekly and monthly during the probationary period.

**1001.6 FULL-TIME REGULAR STATUS PERSONNEL**

Regular employees are subject to three types of performance evaluations:

**Regular** - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor on or near the anniversary of the employee's date of hire except for employees who have been promoted in which case an Employee Performance Evaluation shall be completed on the anniversary of the employee's date of last promotion.

**Transfer** - If an employee is transferred from one assignment to another in the middle of an evaluation period and less than six months have transpired since the transfer an evaluation shall be completed by the current supervisor with input from the previous supervisor.

**Special** - A special evaluation may be completed any time the rater or the rater's supervisor determine one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (e.g., action plan, remedial training, retraining). The evaluation form and the attached documentation shall be submitted as one package.

## Evaluation of Employees

---

### 1001.6.1 RATINGS

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

**Excellent-** Actual performance that is well beyond that required for the position. It is exceptional performance, definitely superior or extraordinary.

**Good** - Represents performance that is better than expected of a fully competent employee. It is superior to what is expected but is not of such rare nature to warrant outstanding.

**Satisfactory** - Performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

**Fair** - A level of performance less than that expected of a fully competent employee and less than the standards required of the position. A needs-improvement rating must be thoroughly discussed with the employee.

**Unsatisfactory** - Performance is inferior to the standards required of the position. It is very inadequate or undesirable performance that cannot be tolerated.

Space for written comments is provided at the end of the evaluation in the rater comments section. This section allows the rater to document the employee's strengths, weaknesses and suggestions for improvement. Any rating under any job dimension marked unsatisfactory or outstanding shall be substantiated in the rater comments section.

### 1001.7 EVALUATION INTERVIEW

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the recently completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Employees may also write comments in the Employee Comments section of the performance evaluation report.

### 1001.8 EVALUATION REVIEW

After the supervisor finishes the discussion with the employee, the signed performance evaluation is forwarded to the Chief of Police. The Chief of Police shall review the evaluation for fairness, impartiality, uniformity and consistency. The Chief of Police shall evaluate the supervisor on the quality of ratings given.

## *Evaluation of Employees*

## 1004.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or collective bargaining agreement.

## 1004.2 POLICY

The New Prague Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

## 1004.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.

Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

## 1005.1 PURPOSE AND SCOPE

Convictions of certain offenses may restrict or prohibit an employee's ability to properly perform official duties. Therefore, all employees shall be required to promptly notify the New Prague Police Department of any past and current criminal convictions.

## 1005.2 DOMESTIC VIOLENCE CONVICTIONS AND RESTRAINING ORDERS

Minnesota and federal law prohibit individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing a firearm. Such convictions and court orders often involve allegations of the use or attempted use of force or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Minn. Stat. § 518B.01).

All members are responsible for ensuring that they have not been disqualified from possessing a firearm by any such conviction or court order and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

## 1005.3 CRIMINAL CONVICTIONS

Any person convicted of a felony is prohibited from being a peace officer in the State of Minnesota. Any license of a peace officer convicted of a felony is automatically revoked (Minn. Stat. § 626.8431).

Even when legal restrictions are not imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by a member of this New Prague Police Department may prohibit him/her from carrying out law enforcement duties.

Minn. Stat. § 624.713 prohibits ineligible persons from possessing a handgun or semi-automatic assault weapon.

### 1005.3.1 COURT ORDERS

All employees shall promptly notify the New Prague Police Department if they are a party to, or have been served with, any court order from any jurisdiction.

## 1005.4 REPORTING PROCEDURE

All members of this New Prague Police Department and all retired officers with an identification card issued by the New Prague Police Department shall promptly notify their immediate supervisor (or the Chief of Police in the case of retired officers) in writing of any past or current criminal arrest or conviction regardless of whether the matter is currently on appeal and regardless of the penalty or sentence, if any.

All members and all retired officers with an identification card issued by the New Prague Police Department shall further promptly notify their immediate supervisor (or the Chief of Police in the

case of retired officers) in writing if the member or retiree becomes the subject of a domestic violence restraining court order or similar court order.

Any member whose criminal conviction unduly restricts or prohibits that member from fully and properly performing his/her duties may be disciplined including, but not limited to, being placed on administrative leave, reassignment and/or termination.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline.

#### **1005.5 CHEMICAL DEPENDENCY TREATMENT**

If an officer is informally admitted to a treatment facility or program pursuant to Minn. Stat. § 253B.04 for chemical dependency he/she is not eligible to possess a pistol, unless the officer possesses a certificate from the head of the treatment facility discharging or provisionally discharging the officer from the treatment facility (Minn. Stat. § 624.713 Subd. 1(6)).

Officers in this situation shall promptly notify the New Prague Police Department.

## Drug- and Alcohol-Free Workplace

### 1006.1 PURPOSE AND SCOPE

The purpose of this policy is to establish clear and uniform guidelines regarding drugs and alcohol in the workplace (41 USC § 8103).

### 1006.2 POLICY

It is the policy of this department to provide a drug- and alcohol-free workplace for all members.

### 1006.3 GENERAL GUIDELINES

Alcohol and drug use in the workplace or on department time can endanger the health and safety of department members and the public.

Members who have consumed an amount of an alcoholic beverage or taken any medication, or combination thereof, that would tend to adversely affect their mental or physical abilities shall not report for duty. Affected members shall notify the Shift Sergeant or appropriate supervisor as soon as the member is aware that the member will not be able to report to work. If the member is unable to make the notification, every effort should be made to have a representative contact the supervisor in a timely manner. If the member is adversely affected while on-duty, the member shall be immediately removed and released from work (see the Work Restrictions section in this policy).

#### 1006.3.1 USE OF MEDICATIONS

Members should not use any medications that will impair their ability to safely and completely perform their duties. Any member who is medically required or has a need to take any such medication shall report that need to the member's immediate supervisor prior to commencing any on-duty status.

No member shall be permitted to work or drive a vehicle owned or leased by the Department while taking any medication that has the potential to impair the member's abilities, without a written release from the member's physician.

### 1006.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on department premises or on department time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

Members who are authorized to consume alcohol as part of a special assignment shall not do so to the extent of impairing on-duty performance.

Members shall notify a supervisor immediately if they observe behavior or other evidence that they believe demonstrates that a fellow member poses a risk to the health and safety of the member or others due to drug or alcohol use.

## *Drug- and Alcohol-Free Workplace*

---

Members are required to notify their immediate supervisors of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction (41 USC § 8103).

### **1006.5 EMPLOYEE ASSISTANCE PROGRAM**

There may be available a voluntary employee assistance program to assist those who wish to seek help for alcohol and drug problems (41 USC § 8103). Insurance coverage that provides treatment for drug and alcohol abuse also may be available. Employees should contact the Department of Human Resources, their insurance providers or the employee assistance program for additional information. It is the responsibility of each employee to seek assistance before alcohol or drug problems lead to performance problems.

### **1006.6 WORK RESTRICTIONS**

If a member informs a supervisor that he/she has consumed any alcohol, drug or medication that could interfere with a safe and efficient job performance, the member may be required to obtain clearance from his/her physician before continuing to work.

If the supervisor reasonably believes, based on objective facts, that a member is impaired by the consumption of alcohol or other drugs, the supervisor shall prevent the member from continuing work and shall ensure that he/she is safely transported away from the Department.

### **1006.7 SCREENING TESTS**

The Department may request or require drug or alcohol testing in the following circumstances (Minn. Stat. § 181.951; Minn. Stat. § 181.952):

- (a) **Reasonable suspicion** - The Shift Sergeant or Chief of Police may request or require an employee to undergo drug and alcohol testing if there is a reasonable suspicion of any of the following:
  1. The employee is under the influence of drugs or alcohol.
  2. The employee has violated department rules prohibiting the use, possession, sale, or transfer of drugs or alcohol while the employee is working, is on department property, or is operating a vehicle owned by the department.
  3. The employee has sustained an injury arising out of and in the course of employment, or has caused another employee to sustain an injury (full definition of personal injury in Minn. Stat. § 176.011, Subd. 16).
  4. The employee has caused a work-related accident, or the employee's use of a vehicle, firearm, or safety equipment involved a work-related accident.
- (b) Following a conditional job offer
- (c) As part of an employee's routine physical examination
- (d) Under a random testing program of employees

## *Drug- and Alcohol-Free Workplace*

---

- (e) When the employee has been referred for an evaluation or treatment, or is participating in a treatment program under an employee benefit plan
- (f) The employee discharges a firearm issued by the Department while off-duty, resulting in injury, death, or substantial property damage.

### 1006.7.1 DRUG- AND ALCOHOL-TESTING PROGRAM

The following applies to the department's drug and alcohol testing procedures (Minn. Stat. § 181.951; Minn. Stat. § 181.952; Minn. Stat. § 181.953):

- (a) An employee or applicant has the right to refuse a test but the consequences of a refusal may result in discipline, up to and including termination, or a decision not to hire the applicant.
- (b) Initial screening tests must be verified by a confirmatory test for the purpose of discipline.
- (c) Employees will have an opportunity to participate in an appropriate alcohol or drug program for their first confirmed positive test. The program may be in lieu of other discipline unless the employee fails the program or refuses to participate (Minn. Stat. § 181.953).
- (d) A confirmed positive test may result in discipline, up to and including termination.
- (e) An employee or job applicant will have the opportunity to explain a positive test result and may request and pay for a second confirmatory retest.
- (f) All disciplinary procedural safeguards in this manual apply, including the post-discipline appeal procedures (see the Personnel Complaints Policy).
- (g) Employees and job applicants shall receive required written notice, including posting, of the drug- and alcohol-testing policies and procedures as set forth in Minn. Stat. § 181.952.
- (h) The safeguards of Minn. Stat. § 181.953 will be followed for any testing and any related discipline process.

Notice of the adopted drug and alcohol testing policy shall be posted in an appropriate and conspicuous location and copies shall be available for inspection to all employees and job applicants (Minn. Stat. 181.952).

### 1006.7.2 SUPERVISOR RESPONSIBILITIES

The supervisor shall prepare a written record documenting the specific facts that led to the decision to require the test, and shall inform the employee in writing of the following:

- (a) The test will be given to detect either alcohol or drugs, or both.
- (b) The result of the test is not admissible in any criminal proceeding against the employee.

## *Drug- and Alcohol-Free Workplace*

---

- (c) The employee may refuse the test, but refusal may result in dismissal or other disciplinary action.

### **1006.8 COMPLIANCE WITH THE DRUG-FREE WORKPLACE ACT**

No later than 30 days following notice of any drug statute conviction for a violation occurring in the workplace involving a member, the Department will take appropriate disciplinary action, up to and including dismissal, and/or requiring the member to satisfactorily participate in a drug abuse assistance or rehabilitation program (41 USC § 8104).

### **1006.9 CONFIDENTIALITY**

The Department recognizes the confidentiality and privacy due to its members. Disclosure of any information relating to substance abuse treatment, except on a need-to-know basis, shall only be with the express written consent of the member involved or pursuant to lawful process.

The written results of any screening tests and all documents generated by the employee assistance program are considered confidential medical records and shall be maintained in the member's confidential medical file in accordance with the Personnel Records Policy.

## Sick Leave

### 1007.1 PURPOSE AND SCOPE

This policy provides general guidance regarding the use and processing of sick leave. The accrual and terms of use of sick leave for eligible employees are detailed in the City personnel manual or applicable collective bargaining agreement.

This policy is not intended to cover all types of sick or other leaves. For example, employees may be entitled to additional paid or unpaid leave for certain family and medical reasons as provided for in the Family and Medical Leave Act (FMLA) and the Minnesota Pregnancy and Parenting Leave Act (29 USC § 2601 et seq.; Minn. Stat. § 181.941).

### 1007.2 POLICY

It is the policy of the New Prague Police Department to provide eligible employees with a sick leave benefit.

### 1007.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see the Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

#### 1007.3.1 NOTIFICATION

All members should notify the Shift Sergeant or appropriate supervisor as soon as they are aware that they will not be able to report to work and no less than one hour before the start of their scheduled shifts. If, due to an emergency, a member is unable to contact the supervisor, every effort should be made to have a representative for the member contact the supervisor.

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Department with no less than 30 days' notice of the impending absence.

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

### 1007.4 EXTENDED ABSENCE

Members absent from duty for more than three consecutive days may be required to furnish a statement from a health care provider supporting the need to be absent and/or the ability to return

## Sick Leave

---

to work. Members on an extended absence shall, if possible, contact their supervisor at specified intervals to provide an update on their absence and expected date of return.

Nothing in this section precludes a supervisor from requiring, with cause, a health care provider's statement for an absence of three or fewer days.

### **1007.5 SUPERVISOR RESPONSIBILITIES**

The responsibilities of supervisors include, but are not limited to:

- (a) Monitoring and regularly reviewing the attendance of those under their command to ensure that the use of sick leave and absences is consistent with this policy.
- (b) Attempting to determine whether an absence of four or more days may qualify as family medical leave and consulting with legal counsel or the Department of Human Resources as appropriate.
- (c) Addressing absences and sick leave use in the member's performance evaluation when excessive or unusual use has:
  - 1. Negatively affected the member's performance or ability to complete assigned duties.
  - 2. Negatively affected department operations.
- (d) When appropriate, counseling members regarding excessive absences and/or inappropriate use of sick leave.
- (e) Referring eligible members to an available employee assistance program when appropriate.

# Communicable Diseases

## 1008.1 PURPOSE AND SCOPE

This policy provides general guidelines to assist in minimizing the risk of department members contracting and/or spreading communicable diseases.

### 1008.1.1 DEFINITIONS

Definitions related to this policy include:

**Communicable disease** - A human disease caused by microorganisms that are present in and transmissible through human blood, bodily fluid, tissue, or by breathing or coughing. These diseases commonly include, but are not limited to, hepatitis B virus (HBV), HIV and tuberculosis.

**Exposure** - When an eye, mouth, mucous membrane or non-intact skin comes into contact with blood or other potentially infectious materials, or when these substances are injected or infused under the skin; when an individual is exposed to a person who has a disease that can be passed through the air by talking, sneezing or coughing (e.g., tuberculosis), or the individual is in an area that was occupied by such a person. Exposure only includes those instances that occur due to a member's position at the New Prague Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

## 1008.2 POLICY

The New Prague Police Department is committed to providing a safe work environment for its members. Members should be aware that they are ultimately responsible for their own health and safety.

## 1008.3 EXPOSURE PREVENTION AND MITIGATION

### 1008.3.1 GENERAL PRECAUTIONS

All members are expected to use good judgment and follow training and procedures related to mitigating the risks associated with communicable disease. This includes, but is not limited to (29 CFR 1910.1030; Minn. R. 5206.0600):

- (a) Stocking disposable gloves, antiseptic hand cleanser, CPR masks or other specialized equipment in the work area or department vehicles, as applicable.
- (b) Wearing department-approved disposable gloves when contact with blood, other potentially infectious materials, mucous membranes and non-intact skin can be reasonably anticipated.
- (c) Washing hands immediately or as soon as feasible after removal of gloves or other PPE.
- (d) Treating all human blood and bodily fluids/tissue as if it is known to be infectious for a communicable disease.
- (e) Using an appropriate barrier device when providing CPR.

## Communicable Diseases

---

- (f) Using a face mask or shield if it is reasonable to anticipate an exposure to an airborne transmissible disease.
- (g) Decontaminating non-disposable equipment (e.g., flashlight, control devices, clothing and portable radio) as soon as possible if the equipment is a potential source of exposure.
  - 1. Clothing that has been contaminated by blood or other potentially infectious materials shall be removed immediately or as soon as feasible and stored/decontaminated appropriately.
- (h) Handling all sharps and items that cut or puncture (e.g., needles, broken glass, razors, knives) cautiously and using puncture-resistant containers for their storage and/or transportation.
- (i) Avoiding eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses where there is a reasonable likelihood of exposure.
- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

### 1008.3.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (29 CFR 1910.1030; Minn. R. 5206.0600).

## 1008.4 POST EXPOSURE

### 1008.4.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practicable.

### 1008.4.2 REPORTING REQUIREMENTS

The supervisor on-duty shall investigate every exposure or suspected exposure that occurs as soon as possible following the incident. The supervisor shall ensure the following information is documented (29 CFR 1910.1030; Minn. R. 5206.0600):

- (a) Name of the member exposed
- (b) Date and time of the incident
- (c) Location of the incident
- (d) Potentially infectious materials involved and the source of exposure (e.g., identification of the person who may have been the source)
- (e) Work being done during exposure
- (f) How the incident occurred or was caused

## Communicable Diseases

---

- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease, Personal Injury and Death Reporting Policy).

### 1008.4.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information (29 CFR 1910.1030; Minn. R. 5206.0600):

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

### 1008.4.4 COUNSELING

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure (29 CFR 1910.1030; Minn. R. 5206.0600).

### 1008.4.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Seeking testing through the procedures of Minn. Stat. § 144.7401 to Minn. Stat. § 144.7415 through a licensed hospital or other emergency medical care facility.

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

## *Communicable Diseases*

---

### **1008.5 CONFIDENTIALITY OF REPORTS**

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well (Minn. Stat. § 144.7411).

### **1008.6 TRAINING**

All members shall participate in training regarding communicable diseases commensurate with the requirements of their position. The training (29 CFR 1910.1030; Minn. R. 5206.0700):

- (a) Shall be provided at the time of initial assignment to tasks where an occupational exposure may take place and at least annually after the initial training.
- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

## Smoking and Tobacco Use

### 1009.1 PURPOSE AND SCOPE

This policy establishes limitations on smoking and the use of tobacco products by members and others while on-duty or while in New Prague Police Department facilities or vehicles.

For the purposes of this policy, smoking and tobacco use includes, but is not limited to, any tobacco product, such as cigarettes, cigars, pipe tobacco, snuff, tobacco pouches and chewing tobacco, as well as any device intended to simulate smoking, such as an electronic cigarette or personal vaporizer.

### 1009.2 POLICY

The New Prague Police Department recognizes that tobacco use is a health risk and can be offensive to others.

Smoking and tobacco use also presents an unprofessional image for the Department and its members. Therefore smoking and tobacco use is prohibited by members and visitors in all department facilities, buildings and vehicles, and as is further outlined in this policy (Minn. Stat. § 144.414).

### 1009.3 SMOKING AND TOBACCO USE

Smoking and tobacco use by members is prohibited anytime members are in public view representing the Department.

It shall be the responsibility of each member to ensure that no person under his/her supervision smokes or uses any tobacco product inside City facilities and vehicles.

### 1009.4 ADDITIONAL PROHIBITIONS

No employee shall smoke, even while out of view of the public or off-duty, in areas properly posted with "No Smoking" notices nor shall any employee use tobacco products on public school property (Minn. Stat. § 609.681; Minn. Stat. § 144.4165). The Chief of Police or the authorized designee should ensure that proper signage is in place for notice of areas where tobacco use is restricted (Minn. R. 4620.0500).

## Personnel Complaints

### 1010.1 PURPOSE AND SCOPE

This policy provides guidelines for the reporting, investigation and disposition of complaints regarding the conduct of members of the New Prague Police Department (Minn. R. 6700.2200). This policy shall not apply to any questioning, counseling, instruction, informal verbal admonishment or other routine or unplanned contact of a member in the normal course of duty, by a supervisor or any other member, nor shall this policy apply to a criminal investigation.

### 1010.2 POLICY

The New Prague Police Department takes seriously all complaints regarding the service provided by the Department and the conduct of its members.

The Department will accept and address all complaints of misconduct in accordance with this policy and applicable federal, state and local law, municipal and county rules and the requirements of any memorandum of understanding.

It is also the policy of this department to ensure that the community can report misconduct without concern for reprisal or retaliation.

### 1010.3 PERSONNEL COMPLAINTS

Personnel complaints include any allegation of misconduct or improper job performance that, if true, would constitute a violation of department policy or of federal, state or local law, policy or rule. Personnel complaints may be generated internally or by the public.

Inquiries about conduct or performance that, if true, would not violate department policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Department.

#### 1010.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Shift Sergeant is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

**Formal** - A matter in which a supervisor determines that further action is warranted. Such complaints may be investigated by a supervisor of rank greater than the accused member or referred to the Chief of Police, depending on the seriousness and complexity of the investigation.

**Incomplete** - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or the Chief of Police, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

## Personnel Complaints

---

### 1010.3.2 SOURCES OF COMPLAINTS

The following applies to the source of complaints:

- (a) Individuals from the public may make complaints in any form, including in writing, by email, in person or by telephone.
- (b) Any department member becoming aware of alleged misconduct shall immediately notify a supervisor.
- (c) Supervisors shall initiate a complaint based upon observed misconduct or receipt from any source alleging misconduct that, if true, could result in disciplinary action.
- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.
- (f) The Minnesota Board of Peace Officer Standards and Training (POST) may refer complaints alleging a violation of a statute or rule that the board is empowered to enforce (Minn. Stat. § 214.10, Subd. 10).
- (g) Any person making a complaint may be accompanied by an attorney or other representative, including at the time the complaint is made.
- (h) Any person wishing to file a complaint against the Chief of Police should be referred to the City Administrator for investigation by an outside agency.

### 1010.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

#### 1010.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the police facility and be accessible through the department website. Forms may also be available at other City facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

#### 1010.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

#### 1010.4.3 COMPLAINT COPIES

After a complaint is filed, the accepting member should sign the document, keep a copy for the department and provide a copy to the complainant.

## Personnel Complaints

---

### 1010.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

### 1010.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows (Minn. R. 6700.2200).

#### 1010.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
  - 1. The original complaint form will be directed to the Shift Sergeant of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
  - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Chief of Police or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complaints in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
  - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
  - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Shift Sergeant.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Shift Sergeant and Chief of Police are notified via the chain of command as soon as practicable.

## Personnel Complaints

---

- (e) Promptly contacting the Department of Human Resources and the Shift Sergeant for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.
- (f) Forwarding unresolved personnel complaints to the Shift Sergeant, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.
- (h) Investigating a complaint as follows:
  - 1. Making reasonable efforts to obtain names, addresses and telephone numbers of witnesses.
  - 2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (i) Ensuring that the procedural rights of the accused member are followed.
- (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

### 1010.6.2 EXTERNAL INVESTIGATIONS

The Chief of Police may request that an outside agency conduct an investigation anytime the Chief of Police determines an external investigation is appropriate.

This department should not conduct an investigation when the Chief of Police is the subject of the complaint. An external investigation should be requested through the City Administrator.

### 1010.6.3 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or an assigned member of the Chief of Police, the following shall apply to members covered by the Peace Officer Discipline Procedures Act (Minn. Stat. § 626.89):

- (a) Interviews of an accused member shall be conducted during reasonable hours and preferably when the member is on-duty (Minn. Stat. § 626.89, Subd. 7). If the member is off-duty, he/she shall be compensated.
- (b) Unless waived by the member, interviews of an accused member shall be at the New Prague Police Department or at a place agreed upon by the accused member (Minn. Stat. § 626.89, Subd. 4).
- (c) No more than two interviewers should ask questions of an accused member.
- (d) Prior to any interview, a member should be informed of the nature of the investigation.
  - 1. The member shall be given a copy of any written complaint signed by the complainant (Minn. Stat. § 626.89, Subd. 5).
- (e) All interviews should be for a reasonable period and the member's personal needs should be accommodated (Minn. Stat. § 626.89, Subd. 7).
- (f) No member should be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers.

## Personnel Complaints

---

- (g) Any member refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
  - 1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Garrity* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
  - 2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer shall record all interviews of members and witnesses. The member may also record the interview. A complete copy or transcript of the interview must be made available to the member upon written request without charge or undue delay. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview (Minn. Stat. § 626.89, Subd. 8).
- (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative or attorney present before or during the interview (Minn. Stat. § 626.89, Subd. 9). When a member requests a representative or attorney, no interview may be taken until a reasonable opportunity is provided for the member to obtain that person's presence. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
- (j) All members shall provide complete and truthful responses to questions posed during interviews.
- (k) No member may be compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation.
- (l) Before a formal statement is taken, the member shall be advised in writing or on the record that admissions made may be used as evidence of misconduct or a basis for discipline (Minn. Stat. § 626.89, Subd. 10).
- (m) A member may not be required to produce financial records (Minn. Stat. § 626.89, Subd. 11).
- (n) A member's photograph will not be released unless allowed by law (Minn. Stat. § 626.89, Subd. 12).

### 1010.6.4 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete and essentially follow this format:

## Personnel Complaints

---

**Introduction** - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

**Synopsis** - Provide a brief summary of the facts giving rise to the investigation.

**Summary** - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

**Evidence** - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

**Conclusion** - A recommendation regarding further action or disposition should be provided.

**Exhibits** - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

### 1010.6.5 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

**Unfounded** - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

**Exonerated** - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

**Not sustained** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

**Sustained** - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

The Chief of Police may authorize that any investigation be re-opened any time substantial new evidence is discovered concerning the complaint.

### 1010.6.6 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation.

## Personnel Complaints

---

### 1010.6.7 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation shall provide the complainant with periodic updates on the status of the investigation, as appropriate and consistent with the provisions of the Minnesota Government Data Practices Act (MGDP) (Minn. Stat. § 13.43, Subd. 2; Minn. R. 6700.2200).

### 1010.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

### 1010.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

### 1010.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be provided with all rights afforded to a civilian. The member should not be administratively ordered to provide any information in the criminal investigation.

The New Prague Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction. No disciplinary action should be taken until an independent administrative investigation is conducted.

## Personnel Complaints

---

The Chief of Police may postpone making a decision on an administrative investigation until any related criminal charges are resolved. The complainant and involved member should be informed of this decision.

### 1010.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review and include their comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

#### 1010.10.1 DISCIPLINE

Disciplinary action may include, but is not limited to (Minn. R. 6700.2200):

- (a) Oral reprimand.
- (b) Written reprimand.
- (c) Suspension.
- (d) Demotion.
- (e) Discharge.

#### 1010.10.2 CHIEF OF POLICE RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Chief of Police of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Chief of Police may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Chief of Police may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Chief of Police shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

#### 1010.10.3 CHIEF OF POLICE RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Chief of Police for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a written notice and the following:

## Personnel Complaints

---

- (a) Access to all of the materials considered by the Chief of Police in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief of Police within five days of receiving the notice.
  - 1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.
  - 2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

### 1010.10.4 MINNESOTA POST INVESTIGATIONS

The Minnesota POST Board may require an administrative investigation based upon a complaint alleging a violation of a statute or rule that the board is empowered to enforce.

Any such misconduct allegation or complaint assigned to this department shall be completed and a written summary submitted to the POST executive director within 30 days of the order for inquiry (Minn. Stat. § 214.10, Subd. 10).

The Department shall cooperate with POST's investigation and provide requested information unless (Minn. Stat. § 626.8457):

- (a) There is an active criminal investigation or active criminal proceeding regarding the same incident or misconduct that is being investigated by POST.
- (b) An active internal investigation exists regarding the same incident or misconduct that is being investigated by POST during 45 days from the time the request was made by POST. The Chief of Police or the authorized designee shall comply with the request upon completion of the internal investigation or once 45 days has passed, whichever occurs first.

### 1010.10.5 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief of Police or the authorized designee shall ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint. Notice must be consistent with the provisions of the MGDP (Minn. Stat. § 13.43, Subd. 2; Minn. R. 6700.2200).

### 1010.10.6 CIVILIAN OVERSIGHT COUNCIL

### 1010.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

### 1010.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

### 1010.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement and/or personnel rules (Minn. R. 6700.2200).

Employees covered by the Veterans Preference Act are entitled to written notice of the right to request a hearing within 30 days of receipt of the notice of intent to terminate, suspend or demote. Failure to request the hearing in the time specified waives the right to the hearing and all other legal remedies. Any hearing shall be held in compliance with law (Minn. Stat. § 197.46).

### 1010.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and members other than non-probationary employees may be disciplined and/or released from employment without adherence to any of the procedures set out in this policy, and without notice or cause at any time. These individuals are not entitled to any rights under this policy except for employees covered by the Veterans Preference Act (Minn. Stat. § 197.46). However, any of these individuals released for misconduct should be afforded an

opportunity solely to clear their names through a liberty interest hearing, which shall be limited to a single appearance before the Chief of Police or the authorized designee (Minn. R. 6700.2200).

Any probationary period may be extended at the discretion of the Chief of Police in cases where the individual has been absent for more than a week or when additional time to review the individual is considered to be appropriate.

### **1010.15 RETENTION OF PERSONNEL INVESTIGATION FILES**

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

#### **1010.15.1 CONFIDENTIALITY OF PERSONNEL FILES**

All active investigations of alleged misconduct and personnel complaints shall be considered confidential and maintained separately from peace officer personnel files. The contents of such files shall not be revealed to other than the involved member or authorized personnel, except pursuant to lawful process, such as Minn. R. 6700.2500. Data in closed files shall be treated as private or public data depending on whether discipline was imposed upon the member.

#### **1010.15.2 LETTERS OF DISCIPLINE AND REPRIMANDS**

Letters of discipline and reprimands may only be placed in a member's personnel file after they are received by the member (see generally Minn. Stat. § 626.89, Subd. 13).

### **1010.16 REQUIRED REPORTING TO POST**

The Chief of Police or the authorized designee shall notify POST of certain officer personnel events, including but not limited to:

- (a) A termination or resignation of an officer who is the subject of an internal or criminal investigation due to alleged misconduct regardless of whether the investigation has been initiated or completed, or whether the officer was criminally charged (Minn. Stat. § 626.8457, Subd. 4).
- (b) The violation of a required POST model policy identified in Minn. R. 6700.1615 (Minn. R. 6700.1615, Subd. 2).

## Seat Belts

### 1011.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles (Minn. Stat. § 169.686).

#### 1011.1.1 DEFINITIONS

Definitions related to this policy include:

**Child restraint system** - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213 (Minn. Stat. § 169.685).

### 1011.2 POLICY

It is the policy of the New Prague Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

### 1011.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained (Minn. Stat. § 169.686).

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

### 1011.4 TRANSPORTING CHILDREN

All children younger than 8 years of age and shorter than 4 feet 9 inches tall shall be restrained in a child passenger safety seat system (Minn. Stat. § 169.685, Subd. 5(b)).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

## Seat Belts

---

### **1011.5 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES**

Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

### **1011.6 INOPERABLE SEAT BELTS**

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

### **1011.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS**

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

### **1011.8 VEHICLE AIRBAGS**

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

## Body Armor

### 1012.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

### 1012.2 POLICY

It is the policy of the New Prague Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

### 1012.3 ISSUANCE OF BODY ARMOR

The Administration supervisor shall ensure that body armor is issued to all officers when the officer begins service at the New Prague Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administration supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

#### 1012.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Officers shall only wear agency-approved body armor.
- (b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.
- (e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

#### 1012.3.2 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness and signs of damage, abuse and wear.

## Body Armor

---

### 1012.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

### 1012.4 FIREARMS INSTRUCTOR RESPONSIBILITIES

The Firearms Instructor should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates officers about the safety benefits of wearing body armor.

- (g) Commendations and awards.

## Personnel Records

---

- (h) Any other information, the disclosure of which would constitute an unwarranted invasion of personal privacy.

### 1013.4 DIVISION FILE

The Division file may contain supervisor comments, notes, notices to correct and other materials that are intended to serve as a foundation for the completion of timely performance evaluations.

All requests for disclosure that result in access to a member's personnel data shall be logged in the corresponding file.

### 1013.8.2 RELEASE OF PRIVATE DATA

Except as provided by this policy, pursuant to lawful process, pursuant to state law or court order, no private data shall be disclosed without the written consent of the employee or written authorization of the Chief of Police designee (Minn. Stat. § 13.43; Minn. Stat. § 181.967, Subd. 4).

#### 1016.1.1 MEAL PERIODS

Each employee who works for eight or more consecutive hours is entitled to sufficient time to eat a meal (Minn. Stat. § 177.254). Licensed employees shall remain on-duty subject to call during meal periods. All other employees are not on call during meal periods unless directed otherwise by a supervisor.

Uniformed officers shall take their meal periods within the City limits unless on assignment outside of the City.

The time spent for the meal period shall not exceed thirty (30) minutes.

#### 1016.1.2 15 MINUTE BREAKS

Each employee is allowed adequate time from work within each four consecutive hours of work to utilize the nearest convenient restroom (Minn. Stat. § 177.253).

Coffee breaks shall be limited to two (2) fifteen (15) minute breaks per duty shift and/or other applicable collective bargaining agreement clauses. Breaks shall not be taken within the first hour of the scheduled shift and when required patrol activities are obvious.

## Lactation Break Policy

### 1017.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child.

### 1017.2 POLICY

It is the policy of this department to provide, in compliance with the Fair Labor Standards Act and Minnesota law, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk, pursuant to Minn. Stat. § 181.939 and 29 USC § 218d.

### 1017.3 LACTATION BREAK TIME

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 218d). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks may be taken at the same time as the employee's regularly scheduled rest or meal periods. Employees desiring to take a lactation break shall notify Scott County Sheriff's Office or a supervisor prior to taking such a break. (Minn. Stat. § 181.939).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

### 1017.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view and free from intrusion from co-workers and the public. The location must have access to an electrical outlet (29 USC § 218d; Minn. Stat. § 181.939).

The area assigned for this purpose should not be used for storage of any devices, supplies, or expressed milk and should be returned to its original state after each use.

Employees occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

### 1018.1 PURPOSE AND SCOPE

### 1018.2 POLICY

The New Prague Police Department maintains timely and accurate payroll records.

### 1018.3 RESPONSIBILITIES

Members are responsible for the accurate completion and timely submission of their payroll records for the payment of wages.

Supervisors are responsible for approving the payroll records for those under their commands.

### 1018.4 TIME REQUIREMENTS

Members who are eligible for the payment of wages are paid on a scheduled, periodic basis, generally on the same day or date each period, with certain exceptions, such as holidays. Payroll records shall be completed and submitted to Administration as established by the City payroll procedures.

### 1018.5 RECORDS

The Chief of Police shall ensure that accurate and timely payroll records are maintained as required by 29 CFR 516.2 for a minimum of three years (29 CFR 516.5).

## Overtime Compensation Requests

### 1019.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate nonexempt employees who work authorized overtime either by payment of wages as agreed and in effect through the collective bargaining agreement, or by the allowance of accrual of compensatory time off. In order to qualify for either the employee must complete and submit a Request for Overtime Payment as soon as practicable after overtime is worked.

#### 1019.1.1 DEPARTMENT POLICY

Because of the nature of law enforcement work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, approval shall be sought as soon as practicable during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment. The employee may not exceed the number of hours identified in the collective bargaining agreement.

### 1019.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

#### 1019.2.1 EMPLOYEES' RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Shift Sergeant. Employees submitting overtime forms for on-call pay when off-duty shall submit forms to the Shift Sergeant the first day after returning to work. The overtime request should be submitted using the mipay online system.

#### 1019.2.2 SUPERVISOR RESPONSIBILITIES

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's time card, the overtime payment request form will be forwarded to the employee's Chief of Police for final approval.

## Overtime Compensation Requests

---

### 1019.2.3 CHIEF OF POLICE RESPONSIBILITIES

Chief of Polices, after approving payment, will then forward the form to the Chief of Police for review.

### 1019.3 ACCOUNTING FOR OVERTIME WORKED

Employees are to record the actual time worked in an overtime status. In some cases, the collective bargaining agreement provides that a minimum number of hours will be paid, (e.g., two hours for court, four hours for outside overtime). The supervisor will enter the actual time worked.

#### 1019.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR

When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
Up to 15 minutes	.25 hour
16 to 30 minutes	.50 hour
31 to 45 minutes	.75 hour
46 to 60 minutes	1.0 hour

#### 1019.3.2 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case or court trial and the amount of time for which payment is requested varies from that reported by the other employee, the Shift Sergeant or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

# Outside Employment

## 1020.1 PURPOSE AND SCOPE

To avoid actual or perceived conflicts of interest for Department employees engaging in outside employment, all employees shall initially obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

### 1020.1.1 DEFINITIONS

**Outside Employment** - The employment of any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

**Outside Overtime** - Overtime involving any member of this department who performs duties or services on behalf of an outside organization, company or individual within this jurisdiction on behalf of the Department. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

## 1020.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy is grounds for disciplinary action.

To obtain approval for outside employment, the employee must complete an Outside Employment Application that shall be submitted to the employee's immediate supervisor. The application will then be forwarded through the appropriate chain of command to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which it is approved. Any employee seeking to continue outside employment shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment whose request has been denied shall be provided with a written reason for the denial of the application at the time of the denial and within 30 days of the application.

If an employee's Outside Employment Application is denied or rescinded by the Department, the employee may file a written notice of appeal to the Chief of Police within 10 days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current collective bargaining agreement.

### 1020.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

The outside employment may be revoked:

- (a) If an employee's performance declines to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of minimum acceptable competency and the outside employment may be related to the employee's performance. The Chief of Police may, at his/her discretion, notify the employee of the intent to revoke any previously approved outside employment permit(s). After the appeal process has concluded, the revocation will remain in force until the employee's performance directly related to the outside employment has been reestablished to the minimum level of acceptable competency.
- (b) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of Department policy, or any law.
- (c) The outside employment creates an actual or apparent conflict of interest with the Department or City.

### 1020.3 PROHIBITED OUTSIDE EMPLOYMENT

The Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity that:

- (a) Involves the employee's use of Department time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage.
- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act that the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.

### 1020.3.1 OUTSIDE SECURITY EMPLOYMENT

Due to the potential conflict of interest no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside overtime will be monitored by the patrol supervisor.

### 1021.1.1 DEFINITIONS

Definitions related to this policy include (Minn. Stat. § 176.011):

**Occupational disease** – A mental impairment or physical disease arising out of and in the course of employment peculiar to the occupation in which the member is engaged and due to causes in excess of the hazards ordinary of employment. The term includes diagnosis of post-traumatic stress disorder (PTSD) by a psychiatrist or psychologist; however, mental impairment is not considered a disease if it results from a disciplinary action, work evaluation, job transfer, layoff, demotion, promotion, termination, retirement or similar action taken in good faith by the Department.

**Personal injury** – Any mental impairment or physical injury arising out of and in the course of employment, including personal injury caused by occupational disease, while engaged in, on or about the premises where the member's services require the member's presence as part of that service at the time of the injury and during the hours of that service. Personal injury does not include an injury caused by the act of a third person or fellow department member who intended to injure the member because of personal reasons, and not directed against the member as a member of the New Prague Police Department, or because of the employment with the New Prague Police Department. Mental impairment is not considered a personal injury if it results from a disciplinary action, work evaluation, job transfer, layoff, demotion, promotion, termination, retirement or similar action taken in good faith by the Department.

## 1021.2 POLICY

A copy of the completed form shall be forwarded to the appropriate Chief of Police through the chain of command.

Unless the injury is extremely minor, this report shall be signed by the affected member, indicating that he/she desired no medical attention at the time of the report. By signing, the member does not preclude his/her ability to later seek medical attention.

## 1027.2 POLICY

Subject to operational considerations, the New Prague Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. No position in the New Prague Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle, engaging in outside employment, or being otherwise limited in employing their peace officer powers.

- (c) The nature and scope of limitations and/or work restrictions.
- (d) A statement regarding any required workplace accommodations, mobility aids or medical devices.
- (e) A statement that the employee can safely perform the duties of the temporary modified-duty assignment.

The Chief of Police will make a recommendation through the chain of command to the Chief of Police regarding temporary modified-duty assignments that may be available based on the needs of the Department and the limitations of the employee. The Chief of Police or the authorized designee shall confer with the Department of Human Resources or the City Attorney as appropriate.

Requests for a temporary modified-duty assignment of 20 hours or less per week may be approved and facilitated by the Shift Sergeant or Chief of Police, with notice to the Chief of Police.

The Department may require a fitness-for-duty examination prior to returning an employee to full-duty status, in accordance with the Fitness for Duty Policy.

### 1027.7 PREGNANCY

If an employee is temporarily unable to perform regular duties due to a pregnancy, childbirth or a related medical condition, the employee will be treated the same as any other temporarily disabled employee (42 USC § 2000e(k)). ## Performance History Audits

### 1028.1 PURPOSE AND SCOPE

This policy provides guidance for the use of performance history audits. Performance history audits can help identify commendable performance as well as provide early recognition of training needs and other potential issues (e.g., problematic conduct). This policy addresses the responsibilities, performance indicators, and components of the audit; handling of collected data; and conducting appropriate interventions, when necessary.

### 1028.2 RESPONSIBILITIES

Under the authority of the Administration Chief of Police, the Chief of Police is responsible for collecting performance indicators and other relevant data. The data will be compiled to generate quarterly performance history audit reports that will be provided to the appropriate Chief of Police. The Chief of Police will utilize confidential methods to compile and track information regarding performance indicators for each officer during each quarter in order to prepare the report. Though generated quarterly, each report should contain data from a one-year time period.

### 1028.3 COMPONENTS OF PERFORMANCE HISTORY AUDITS

Performance history audits should include the following components:

- Performance indicators
- Data analysis
- Employee review
- Follow-up monitoring

#### 1028.3.1 FOLLOW-UP MONITORING

Depending upon the results of each performance history audit, a determination should be made by the Administration Chief of Police, after discussion with the officer's immediate supervisor, about the need, types, and duration of any follow-up. Performance indicators and data analysis will generally provide the basis upon which such decisions should be made.

#### 1028.3.2 EMPLOYEE REVIEW

Upon receipt of a performance history audit report, the supervisor will carefully review the report with the officer to assess any potential trends or other issues that may warrant intervention to improve officer performance and avoid unnecessary uses of force. These interventions could include informal counseling, additional training, or a recommendation for other action, including discipline. The officer shall date and sign the report and should be provided with a copy of the report upon request.

## *Performance History Audits*

---

If a supervisor determines that an officer's performance warrants action beyond informal counseling, the supervisor shall advise the Chief of Police of such recommendation. If the Chief of Police concurs with the recommendation of the supervisor, the supervisor shall take steps to initiate the appropriate action.

If discipline or other adverse action is initiated against an officer as a result of a performance history audit, the officer shall be entitled to all rights and processes set forth in the Personnel Complaints Policy.

### 1028.3.3 DATA ANALYSIS

The Administration Chief of Police will review each performance history audit report and determine whether it should be provided to the officer's immediate supervisor for further consideration.

### 1028.3.4 PERFORMANCE INDICATORS

Performance indicators represent the categories of employee performance activity that the Chief of Police has determined may be relevant data for the generation and analysis of performance history audits. These indicators may include but are not limited to the frequency and/or number of:

- (a) Use of force incidents.
- (b) Involvement and conduct during vehicle pursuits.
- (c) Personnel complaints, including the findings.
- (d) Commendations, compliments, and awards from the Department and the public.
- (e) Claims and civil suits related to the employee's actions or alleged actions.
- (f) Canine bite incidents.
- (g) Personnel investigations.
- (h) County Attorney case rejections and the reasons.
- (i) Intentional or unintentional firearm discharges (regardless of injury).
- (j) Vehicle collisions.
- (k) Missed court appearances.
- (l) Documented counseling.

### 1028.4 CONFIDENTIALITY OF DATA

Information, data, and copies of material compiled to develop performance history audit reports shall be considered confidential as part of the employee's personnel file and will not be subject to discovery or release except as provided by law. Access to performance history audit reports will be governed under the same process as access to an officer's personnel file, as outlined in the Personnel Records Policy.

Access to the underlying data will be governed by the process for access to the original records (such as police reports).

## *Performance History Audits*

---

### **1028.5 RETENTION**

Performance history audit reports and associated records shall be retained in accordance with the established records retention schedule.

### **1028.6 POLICY**

The New Prague Police Department collects data to assist supervisors with evaluating the performance of their employees, including identifying problematic conduct and providing for appropriate interventions. While it is understood that the statistical compilation of data may be helpful to supervisors, the Department recognizes that it cannot account for, and must carefully balance such data with, the many variables in law enforcement, such as:

- Ability to detect crime.
- Work ethic.
- Assignment and shift.
- Physical abilities (ability to perform the job-related physical tasks).
- Randomness of events.

# Employee Speech, Expression and Social Networking

## 1029.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balance of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

### 1029.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, wikis, video and other file sharing sites.

## 1029.2 POLICY

Because public employees occupy a trusted position in the community their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public the New Prague Police Department will carefully balance the individual employee's rights against the organization's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

## 1029.3 SAFETY

Employees should carefully consider the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of New Prague Police Department employees such as posting personal information in a public forum can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be expected to compromise the safety of any employee, employee's family or associates or persons that this agency has had professional contact with such as crime victims or staff of

---

other organizations. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an employee.
- Disclosing the address, telephone number or email address of an employee.
- Otherwise disclosing where another employee can be located off-duty.

### **1029.4 PROHIBITED SPEECH, EXPRESSION AND CONDUCT**

To meet the organization's safety, performance and public-trust needs the following are prohibited unless the speech is otherwise protected (for example an employee speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the New Prague Police Department or its employees.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to or related to the New Prague Police Department and tends to compromise or damage the mission, function, reputation or professionalism of the New Prague Police Department or its employees. Examples may include:
  1. Statements that indicate disregard for the law or the state or U.S. Constitution.
  2. Expression that demonstrates support for criminal activity.
  3. Participating in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the employee as a witness. For example posting statements or expressions to a website that glorify or endorse dishonesty or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. For example a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen to jeopardize employees by informing criminals of details that could facilitate an escape or attempted escape.
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the New Prague Police Department.
- (f) Use or disclosure, through whatever means, of any not public data, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain or data classified as not public by state or federal law or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.

## *Employee Speech, Expression and Social Networking*

---

- (g) Posting, transmitting or disseminating any photographs, video or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment or other material that specifically identifies the New Prague Police Department on any personal or social networking or other website or web page without the express authorization of the Chief of Police.
- (h) Accessing websites for non-authorized purposes or use of any personal communication device, game device or media device, whether personally or department-owned, for personal purposes while on-duty except in the following circumstances:
  1. When brief personal communications may be warranted by the circumstances (e.g., inform family of extended hours).
  2. During authorized breaks; such usage should be limited as much as practicable to areas out of sight and sound of the public and shall not be disruptive to the work environment.

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

### 1029.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the New Prague Police Department or identify themselves in any way that could be reasonably perceived as representing the New Prague Police Department in order to do any of the following, unless specifically authorized by the Chief of Police:

- (a) Endorse, support, oppose or contradict any political campaign or initiative.
- (b) Endorse, support, oppose or contradict any social issue, cause or religion.
- (c) Endorse, support, or oppose any product, service, company or other commercial entity.
- (d) Appear in any commercial, social or nonprofit publication or any motion picture, film, video, public broadcast or any website.

Additionally, when it can reasonably be construed that an employee acting in his/her individual capacity or through an outside group or organization (e.g. bargaining group) is affiliated with this department, the employee shall give a specific disclaiming statement that any such speech or expression is not representative of the New Prague Police Department.

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty. However employees may not use their official authority or influence to interfere with or affect

the result of an election or a nomination for office. Employees are also prohibited from directly or indirectly using their official authority to coerce, command or advise another employee to pay, lend or contribute anything of value to a party, committee, organization, agency or person for political purposes (5 USC § 1502).

### **1029.5 PRIVACY EXPECTATION**

Members forfeit any expectation of privacy with regard to e-mails, texts, or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

### **1029.6 CONSIDERATIONS**

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

### **1029.7 TRAINING**

Subject to available resources the Department should provide training regarding employee speech and the use of social networking to all members of the Department.

## POST Licensing

### 1030.1 PURPOSE AND SCOPE

Maintaining a valid POST license is a critical element of an officer's ability to continue their employment and is their sole professional responsibility. Every officer and every part-time officer is required to complete the continuing education requirements to maintain a valid license every three years (Minn. R. § 6700.0900; Minn. R. 6700.1000).

### 1030.2 RENEWAL SCHEDULE

Any officer whose license expires is not authorized to work as a peace officer until the license status is valid. Officers renew their POST licenses according to a schedule established by Administrative Rule (Minn. R. 6700.1000).

#### 1030.2.1 LICENSE RENEWAL CREDITS

A peace officer license may be renewed only upon the licensee or the licensee's appointing authority providing the POST board proof the licensee has successfully completed board-approved continuing education and posting of fees on or before June 30 of the year a license is due for renewal. Licensee required hours of continuing credit are (Minn. R. 6700.1000, Subd. 3):

- 16 hours for a peace officer or a part-time peace officer who has been licensed for at least six months but less than 18 months.
- 32 hours for a peace officer or a part-time peace officer who has been licensed for at least 18 months but less than 30 months.
- 48 hours for a peace officer or a part-time peace officer who has been licensed for at least 30 months.

### 1030.3 LICENSE PROCESS

A general schedule for the license renewal process is:

- February - The Department or officer will receive employment verification.
- March - The Department or officers are sent a license renewal application.
- June - A final notice will be sent from POST for those who have not renewed.
- June 30 - The deadline date for license renewal after which officers whose license expires will no longer be authorized to practice law enforcement or carry a firearm.

### 1030.4 INACTIVE LICENSE

Officers who fail to complete the requirements will have their license placed in the "Inactive" status. The employee may then be placed in a temporary administrative assignment until their license is "Valid". Those employees may also face administrative discipline up to and including termination.

Supervisors should make reasonable efforts to correct unsafe or unhealthy work conditions in a timely manner, based on the severity of the hazard. These hazards should be corrected when observed or discovered, when it is reasonable to do so. When a hazard exists that cannot be immediately abated without endangering members or property, supervisors should protect or remove all exposed members from the area or item, except those necessary to correct the existing condition.

### 1032.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the New Prague Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

### 1032.2 POLICY

It is the policy of the New Prague Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

### 1032.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Sergeant and Scott County Sheriff's Office.
  1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Chief of Police section of this policy).
- (b) The Shift Sergeant should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Shift Sergeant or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

## Line-of-Duty Deaths

---

- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

### 1032.4 NOTIFYING SURVIVORS

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Shift Sergeant or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department Chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends, or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting childcare or other immediate needs.

## *Line-of-Duty Deaths*

---

- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes, and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivors' names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other New Prague Police Department members may be apprised that survivor notifications are complete.

### 1032.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

### 1032.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors should direct members not to disclose any information outside the Department regarding the deceased member or the incident.

## Line-of-Duty Deaths

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- If the survivors have no preference, the selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.

## Model Sexual Assault Investigation Policy 03-03-21.pdf

## I. PURPOSE

The purpose of this policy is to provide employees with guidelines for responding to reports of sexual assault. This agency will strive:

- a) To afford maximum protection and support to victims of sexual assault or abuse through a coordinated program of law enforcement and available victim services with an emphasis on a victim centered approach;
- b) To reaffirm peace officers' authority and responsibility to conducting thorough preliminary and follow up investigations and to make arrest decisions in accordance with established probable cause standards;
- c) To increase the opportunity for prosecution and victim services.

## II. POLICY

It is the policy of the \_\_\_\_\_ (law enforcement agency) to recognize sexual assault as a serious problem in society and to protect victims of sexual assault by ensuring its peace officers understand the laws governing this area. Sexual assault crimes are under-reported to law enforcement and the goal of this policy is in part to improve victim experience in reporting so that more people are encouraged to report.

All employees should take a professional, victim-centered approach to sexual assaults, protectively investigate these crimes, and coordinate with prosecution in a manner that helps restore the victim's dignity and autonomy. While doing so, it shall be this agency's goal to decrease the victim's distress, increase the victim's understanding of the criminal justice system and process, and promote public safety.

Peace officers will utilize this policy in response to sexual assault reported to this agency. This agency will aggressively enforce the laws without bias and prejudice based on race, marital status, sexual orientation, economic status, age, disability, gender, religion, creed, or national origin.

#### IV. PROCEDURES

##### A. Communications Personnel Response/Additional Actions by Responding Officers

Communications personnel and/or law enforcement officers should inform the victim of ways to ensure critical evidence is not lost, to include the following:

- 1) Suggest that the victim not bathe, or clean him or herself if the assault took place recently.
- 2) Recommend that if a victim needs to relieve themselves, they should collect urine in a clean jar for testing, and should avoid wiping after urination.
- 3) Asking the victim to collect any clothing worn during or after the assault and if possible, place in a paper bag, instructing the victim not to wash the clothing (per department policy).
- 4) Reassure the victim that other evidence may still be identified and recovered even if they have bathed or made other physical changes.

##### B. Initial Officer Response

When responding to a scene involving a sexual assault, officers shall follow standard incident response procedures. In addition, when interacting with victims, officers shall do the following:

- 1) Recognize that the victim experienced a traumatic incident and may not be willing or able to immediately assist with the criminal investigation.

- 2) The officer shall attempt to determine the location/jurisdiction where the assault took place.
- 3) Explain the reporting process including the roles of the first responder, investigator, and anyone else with whom the victim will likely interact during the course of the investigation.
- 4) Officers are encouraged to connect the victim with local victim advocates as soon as possible. Inform the victim that there are confidential victim advocates available to address any needs they might have and to support them through the criminal justice system process. Provide the victim with contact information for the local victim advocate. Upon victim request the officer can offer to contact local victim advocate on behalf of the victim.
- 5) Ask about and document signs and symptoms of injury, to include strangulation. Officers shall attempt to obtain a signed medical release from the victim.
- 6) Ensure that the victim knows they can go to a designated facility for a forensic medical exam. Offer to arrange for transportation for the victim.
- 7) Identify and attempt to interview potential witnesses to the sexual assault and/or anyone the victim told about the sexual assault.
- 8) Request preferred contact information for the victim for follow-up.

### C. Victim Interviews

This agency recognizes that victims of sexual assault due to their age or physical, mental or emotional distress, are better served by utilizing trauma informed interviewing techniques and strategies. Such interview techniques and strategies eliminate the duplication of interviews and use a question and answer interviewing format with questioning nondirective as possible to elicit spontaneous responses.

In recognizing the need for non-traditional interviewing techniques for sexual assault victims, officers should consider the following:

- Offer to have a confidential victim advocate present (if possible) if the victim would benefit from additional support during the process
- Whenever possible, conduct victim interviews in person
- Make an effort to conduct the interview in a welcoming environment
- Let the victim share the details at their own pace
- Recognize victims of trauma may have difficulty remembering incidents in a linear fashion and may remember details in days and weeks following the assault
- After the initial interview, consider reaching out to the victim within a few days, after at least one sleep cycle to ask if they remember any additional details.

- Depending on the victim, additional interviews might be needed to gather additional information. Offer support from a victim advocate to the victim to help facilitate engagement with the investigative process and healing.
- Some victims do remember details vividly and might want to be interviewed immediately.
- During initial and subsequent victim interviews, officers should note the following information as victims share it, recognizing that a victim may not be able to recall all the details of the assault during a particular interview.
  - 1) Whether the suspect was known to the victim
  - 2) How long the victim knew the suspect
  - 3) The circumstances of their meeting and if there is any indication of the use of drugs or alcohol to facilitate the sexual assault
  - 4) The extent of their previous or current relationship
  - 5) Any behavioral changes that led the situation from one based on consent to one of submission, coercion, fear, or force
  - 6) Specific actions, statements, and/or thoughts of both victim and suspect immediately prior, during, and after assault
  - 7) Relevant communication through social media, email, text messages, or any other forms of communication

#### **D. Special Considerations—Minors and Vulnerable Adults/Domestic Abuse Victims**

##### **1. Minors and Vulnerable Adults**

This agency recognizes that certain victims, due to their age or a physical, mental, or emotional distress, are better served by utilizing interview techniques and strategies that eliminate the duplication of interviews and use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. Members of this agency will be alert for victims who would be best served by the use of these specialized interview techniques. Officers, in making this determination, should consider the victim's age, level of maturity, communication skills, intellectual capacity, emotional state, and any other observable factors that would indicate specialized interview techniques would be appropriate for a particular victim. When an officer determines that a victim requires the use of these specialized interview techniques, the officer should follow the guidance below.

- a. Officers responding to reports of sexual assaults involving these sensitive population groups shall limit their actions to the following:
  - (1) Ensuring the safety of the victim;
  - (2) Ensuring the scene is safe;
  - (3) Safeguarding evidence where appropriate;
  - (4) Collecting any information necessary to identify the suspect; and
  - (5) Addressing the immediate medical needs of individuals at the scene

- b. Initial responding officers should not attempt to interview the victim in these situations, but should instead attempt to obtain basic information and facts about the situation, including the jurisdiction where the incident occurred and that a crime most likely occurred. Officers should seek to obtain this information from parents, caregivers, the reporting party, or other adult witnesses, unless those individuals are believed to be the perpetrators.
- c. Officers responding to victims with special considerations must comply with the mandated reporting requirements of Minnesota Statute Section 260E.06 and 626.557, as applicable. Officers investigating cases involving victims with special considerations should coordinate these investigations with the appropriate local human services agency where required. Any victim or witness interviews conducted with individuals having special considerations must be audio and video recorded whenever possible. All other interviews must be audio recorded whenever possible.

Not all sexual assaults of minor victims require a mandatory report to social services. This policy recognizes that in certain cases, notifying and/or the involvement of a parent/guardian pursuant to 260E.22 can cause harm to the minor and/or impede the investigation. Officers responding to the sexual assault of a minor victim that does not trigger a mandated report under Minnesota Statute Section 260E.06 should assess for the impact on the victim and the investigation if parents/guardians were notified before making a decision to involve them.

- d. Officers should obtain necessary contact information for the victim's caregiver, guardian or parents and where the victim may be located at a later time. Officers should advise the victim and/or any accompanying adult(s), guardians or caregivers that an investigating officer will follow up with information on a forensic interview.
  - e. The officer should advise the victim's caregiver, guardian or parent that if the victim starts to talk about the incident they should listen to them but not question them as this may influence any future statements.
2. Victims of Domestic Abuse
- Officers responding to a report of sexual assault committed against a family and household member must also follow the requirements and guidelines in this agency's domestic abuse policy and protocol, in addition to the guidelines in this policy.

**E. Protecting Victim Rights**

- 1) Confidentiality: Officers should explain to victims the limitations of confidentiality in a criminal investigation and that the victim's identifying information is not accessible to the public, as specified in Minn. Stat. section 13.82, subd. 17(b)
- 2) Crime Victim Rights: Officers must provide the following information to the victim:
  - a. Crime victim rights and resource information required to be provided to all victims as specified by Minn. Stat. section 611A.02, subd. 2(b)
  - b. If the suspect is a family or household member to the victim, crime victim rights and resource information required to be provided to domestic abuse victims, as specified by Minn. Stat. section 629.341, subd. 3.
  - c. The victim's right to be informed of the status of a sexual assault examination kit upon request as provided for under Minn. Stat. section 611A.27, subd. 1.
  - d. Pursuant to Minn. Stat. 611A.26, subd. 1, no law enforcement agency or prosecutor shall require that a complainant of a criminal sexual conduct or sex trafficking offense submit to a polygraph examination as part of or a condition to proceeding with the investigation, charging or prosecution of such offense.
- 3) Other information: Officers should provide to the victim the agency's crime report/ICR number, and contact information for the reporting officer and/or investigator or person handling the follow up.
- 4) Language access: All officers shall follow agency policy regarding limited English proficiency.

**F. Evidence Collection**

- 1) Considerations for Evidence Collection  
Officers shall follow this agency's policy on crime scene response. In addition, officers may do the following:
  - a. Collect evidence regarding the environment in which the assault took place, including indications of isolation and soundproofing. The agency should consider utilizing their agency or county crime lab in obtaining or processing the scene where the assault took place. This should be in accordance to any/all other policies and procedures relating to evidence collections.
  - b. Document any evidence of threats or any communications made by the suspect, or made on behalf of the suspect, to include those made to individuals other than the victim.

- c. In situations where it is suspected that drugs or alcohol may have facilitated the assault, officers should assess the scene for evidence such as drinking glasses, alcohol bottles or cans, or other related items.
- d. If the victim has declined or a medical forensic exam will not be conducted, the officer should obtain victim consent and attempt to take photographs of visible physical injuries, including any healing or old injuries. Victim should be given directions about how to document any bruising or injury that becomes evidence later after these photographs are taken.

#### **G. Sexual Assault Medical Forensic Examinations**

- 1) Prior to the sexual assault medical forensic examination the investigating officer should do the following:
  - a. Ensure the victim understands the purpose of the sexual assault medical forensic exam and its importance to both their general health and wellness and to the investigation. Offer assurance to the victim that they will not incur any out-of-pocket expenses for forensic medical exams and provide information about evidence collection, storage and preservation in sexual assault cases.
  - b. Provide the victim with general information about the procedure, and encourage them to seek further detail and guidance from the forensic examiner, health care professional, or a victim advocate. Officers and investigators cannot deny a victim the opportunity to have an exam.
  - c. Officers should be aware and if necessary, relay to victims who do not want to undergo an exam that there might be additional treatments or medications they are entitled to even if they do not want to have an exam done or have evidence collected. Victims can seek that information from a health care provider or a victim advocate. If possible, transport or arrange transportation for the victim to the designated medical facility.
  - d. Ask the victim for a signed release for access to medical records from the exam.
- 2) Officers should not be present during any part of the exam, including during the medical history.
- 3) Following the exam, evidence collected during the exam shall be handled according to the requirements of agency policy and Minnesota Statute 299C.106.

#### **H. Contacting and Interviewing Suspects**

Prior to contacting the suspect, officers should consider the following:

- 1) Conduct a background and criminal history check specifically looking for accusations, criminal charges, and convictions for interconnected crimes, especially crimes involving violence.
- 2) Consider conducting a pretext or confrontational call or messaging depending on jurisdictional statutes. Involvement of a victim should be based on strong

- consideration of the victim's emotional and physical state. A victim advocate should be present whenever possible to offer support.
- 3) When possible, an attempt would be made to interview the suspect in person.
  - 4) In situations where suspects do not deny that a sexual act occurred, but rather assert that it was with the consent of the victim, officers should do the following:
    - a. Collect evidence of past communication, including but not limited to all relevant interaction (including social media) between the suspect and victim.
    - b. Identify events that transpired prior to, during, and after the assault in an effort to locate additional witnesses and physical locations that might lead to additional evidence.
  - 5) For sexual assaults involving strangers, officers should focus investigative efforts on the collection of video, DNA, and other trace evidence used for analysis to identify the perpetrator (handle evidence collection per agency policy).

#### **I. Forensic Examination and/or the Collection of Evidence from the Suspect**

Note: A suspect's forensic examination and/or the collection of evidence from a suspect may be done by either an investigating officer/investigator, Forensic Medical Examiner, or the agency/county crime lab personnel.

- 1) Prior to or immediately after the preliminary suspect interview, photograph any injuries.
- 2) Determine whether a sexual assault medical forensic examination should be conducted.
- 3) Ask for the suspect's consent to collect evidence from their body and clothing. However, officers/investigators should consider obtaining a search warrant, with specific details about what evidence will be collected, and should be prepared in advance to eliminate the opportunity for the suspect to destroy or alter evidence if consent is denied.
- 4) During the suspect's sexual assault medical forensic examination, the investigator, evidence technician, or forensic examiner should do the following:
  - a. Strongly consider penile swabbing, pubic hair combings, and collection of other potential DNA evidence;
  - b. Collect biological and trace evidence from the suspect's body;
  - c. Document information about the suspect's clothing, appearance, scars, tattoos, piercings, and other identifiable marks;
  - d. Seize all clothing worn by the suspect during the assault, particularly any clothing touching the genital area;
  - e. Document the suspect's relevant medical condition and injuries.

**J. Role of the Supervisor**

Supervisors may do the following:

- 1) Assist officers investigating incidents of sexual assault when possible or if requested by an officer.
- 2) Provide guidance and direction as needed.
- 3) Review sexual assault reports to ensure that necessary steps were taken during initial response and investigations.

**K. Case Review/Case Summary**

A supervisor should ensure cases are reviewed on an on-going basis. The review process should include an analysis of:

- 1) Case dispositions
- 2) Decisions to collect evidence
- 3) Submissions of evidence for lab testing
- 4) Interviewing decisions

**III. PROCEDURES**

**A. Initial Suitability Determination**

An initial suitability determination must be conducted on any individual being considered for a role as a CI. The initial suitability determination includes the following:

1. An officer requesting use of an individual as a CI must complete an Initial Suitability Report. The report must be submitted to the appropriate individual or entity, as determined by the agency chief executive, to review for potential selection as a CI. The report must include sufficient detail regarding the risks and benefits of using the individual so that a sound determination can be made. The following information must be addressed in the report, where applicable:
  - a. Age, sex, and residence
  - b. Employment status or occupation
  - c. Affiliation with legitimate businesses and illegal or suspicious enterprises
  - d. Extent to which potential information, associations, or other assistance could benefit a present or future investigation
  - e. Relationship with the target of an investigation
  - f. Motivation in providing information or assistance
  - g. Risk of adversely affecting an existing or future investigation
  - h. Extent to which provided information can be corroborated
  - i. Prior record as a witness
  - j. Criminal history, to include whether he or she is the subject of a pending investigation, is under arrest, or has been charged with a crime
  - k. Risk to the public or as a flight risk
  - l. Consultation with the individual's probation, parole, or supervised release agent, if any
  - m. Consideration and documentation of the individual's diagnosis of mental illness, substance use disorder, traumatic brain injury, or disability; and consideration and documentation of the individual's history of mental illness, substance use disorder, traumatic brain injury or disability
  - n. Relationship to anyone in law enforcement
  - o. Risk of physical harm to the potential CI or their immediate family or relatives for cooperating with law enforcement
  - p. Prior or current service as a CI with this or another law enforcement organization
2. Prior to an individual's use as a CI, a supervisor or other designated authority must review the Initial Suitability Report and determine if the individual is authorized to serve as a CI.
3. Any prospective or current CI must be excluded from engaging in a controlled buy or sale of a controlled substance if the prospective or current CI:
  - a. is receiving in-patient treatment or partial-hospitalization treatment administered by a licensed service provider for a substance use disorder or mental illness; or
  - b. is participating in a treatment-based drug court program or treatment court; except that
  - c. the prospective or current CI may provide confidential information while receiving treatment, participating in a treatment-based drug court program or treatment court.

4. Documentation and special consideration must be made of the risks involved in engaging a prospective or current CI in the controlled buy or sale of a controlled substance if the individual is known, or has reported, to have experienced a drug overdose in the previous 12 months.
5. Any prospective or current CI who is known to abuse substances, or is at risk for abusing substances, should be provided referral to prevention or treatment services.
6. Any prospective or current CI that has a physical or mental illness that impairs the ability of the individual to understand instructions and make informed decisions should be referred to a mental health professional or other appropriate medical professional, or a case manager/social worker from the county social services agency, or other substance abuse and mental health services.
7. Each CI's suitability must be reviewed every 6 months, at a minimum, during which time the CI's overseeing agent must submit a Continuing Suitability Report addressing the foregoing issues in III.A.1.a-p, and III.A.3-6, where applicable. An initial suitability determination must be conducted on a reactivated CI regardless of the length of inactivity.
8. Any information that may negatively affect a CI's suitability during the course of their use must be documented in the CI's file and forwarded to the appropriate authorized personnel as soon as possible.
9. Supervisors must review informant files regularly with the overseeing agent and must attend debriefings of CIs periodically as part of the informant management process. If a CI is active for more than 12 months, a supervisory meeting with the CI must be conducted without the overseeing agent.
10. CI contracts must be terminated, and the CI file placed in inactive status when the CI has not been utilized for 6 months or more.

**B. Exigent Confidential Informants**

1. Certain circumstance arise when an individual who has been arrested is willing to immediately cooperate and perform investigative activities under the direction of an overseeing agent. In these circumstances, the initial suitability determination can be deferred and an individual may be utilized as a CI for a period not to exceed 12 hours from the time of arrest if:
  - a. The individual is not excluded from utilization as a CI under III.A(3)(a-c) of this policy; and
  - b. There is compelling public interest or exigent circumstances exist that demand immediate utilization of the individual as a CI and any delay would significantly and negatively affect any investigation; and
  - c. A supervisor has reviewed and approved the individual for utilization as a CI under these circumstances.
2. Upon the conclusion of the 12-hour window, or at any time before, an initial suitability determination must be conducted before the individual engages in any further CI activities.

**C. Special CI Approval Requirements**

Certain individuals who are being considered for use as a CI require special review and approval. In all instances, the agency's chief executive or their designee and the office of the prosecutor or county attorney should be consulted prior to the use of these individuals as CIs. These individuals include the following:

1. Juveniles
  - a. Use of a juvenile under the age of 18 for participating in a controlled buy or sale of a controlled substance or contraband may be undertaken only with the written authorization of the individual's parent(s) or guardian(s), except that the juvenile informant may provide confidential information.

- b. Authorization for such use should be granted only when a compelling public interest can be demonstrated, *except that*
  - c. Juveniles under the guardianship of the State may not be used as a CI.
2. Individuals obligated by legal privilege of confidentiality.
  3. Government officials.

**D. General Guidelines for Overseeing CIs**

General guidelines for overseeing CIs are as follows:

1. CIs must be treated as assets of the agency, not the individual overseeing agent.
2. No promises or guarantees of preferential treatment within the criminal justice system will be made to any informant without prior approval from the prosecuting authority.
3. CIs must not be used without authorization of the agency through procedures identified in this policy.
4. CIs must not be used to gather information purely of a political nature or for other information-gathering efforts that are not connected with a criminal investigation.
5. Under no circumstances must an informant be allowed access to restricted areas or investigators' work areas within a law enforcement agency.
6. All CIs must sign and abide by the provisions of the agency's CI agreement.
7. Any physical or mental illness that impairs the CI's ability to knowingly contract or otherwise protect the informant's self-interest must be taken into consideration before the CI signs the agreement.
8. The CI's overseeing agent must discuss each of the provisions of the agreement with the CI, with particular emphasis on the following:
  - a. CIs may voluntarily initiate deactivation, whereupon the protocols outlined in section E of this policy must be followed.
  - b. CIs are not law enforcement officers. They have no arrest powers, are not permitted to conduct searches and seizures, and may not carry a weapon while performing activities as a CI.
  - c. CIs found engaging in any illegal activity beyond what is authorized by the agency and conducted while under the supervision of an overseeing agent, will be subject to prosecution.
  - d. CIs are prohibited from engaging in actions or activities that could be deemed entrapment. The meaning of the term and implications of such actions must be explained to each CI.
  - e. CIs are prohibited from engaging in self-initiated information or intelligence gathering without agency direction and approval. The CI must not take any actions in furtherance of an investigation without receiving specific instruction(s) from the overseeing agent or agency.
  - f. Every reasonable effort will be taken to ensure the confidentiality of the CI but, upon judicial order, he or she may be required to testify in open court.
  - g. CIs may be directed to wear a listening and recording device.
  - h. CIs must be required to submit to a search before and after a controlled purchase.

- i. CIs who participate in unplanned or unanticipated activities or meet with a subject(s) under investigation in a location outside of the jurisdictional boundary of the handling agency must promptly report that activity or meeting to their overseeing agents.
9. CI activity outside jurisdictional boundaries:
- a. Investigators handling CIs who engage in operational activity in locations outside the jurisdictional boundaries of the agency must coordinate with counterparts in law enforcement agencies that have jurisdiction in that location where the CI will operate before any activity occurs, or in a timely manner after unanticipated activity occurs and is brought to the attention of the overseeing agent.
  - b. Any decision to defer or delay notice to or coordinate with an outside agency having jurisdiction in the area where a CI has or may operate must be documented, reviewed, and approved by the agency's chief executive or their designee.
10. Officers must take the utmost care to avoid conveying any confidential investigative information to a CI, such as the identity of other CIs, surveillance activities, or search warrants, other than what is necessary and appropriate for operational purposes.
11. No member of this agency must knowingly maintain a social relationship with a CI, or otherwise become personally involved with a CI beyond actions required in the performance of duty.
12. Members of this agency must not solicit, accept gratuities from, or engage in any private business transaction with a CI.
13. Meetings with a CI must be conducted in private with another officer or agent present and with at least one officer or agent of the same sex, except when not practical. The meeting location should minimize the potential for discovery of the informant's cooperation and provide sufficient space to complete necessary administrative duties. The meetings must be documented and subsequently entered into the individual's CI file.
14. Overseeing agents must develop and follow a communications strategy and plan with the CI that minimizes, to the greatest extent possible, the risk of discovery or compromise of the relationship between the agency and the CI. This plan should also aim to prevent the detection, compromise, or interception of communications between the overseeing agent and the CI.
15. Procedures must be instituted to assist CIs with concealing their identity and maintaining their safety. Care should be given not to expose CIs to unnecessary safety risks.
16. Preceding or following every buy or sale of controlled substances, overseeing agents must screen the CI for any personal safety or mental health concerns, risk of substance abuse, and/or potential relapse in any substance abuse recovery.
- a. At the request of the CI, or if the overseeing agent deems it necessary, reasonable efforts should be taken to provide the CI with referral to substance abuse and/or mental health services.
  - b. Overseeing agents must document:
    - i. the screening,
    - ii. any referral to services provided to, or requested by, the CI, and
    - iii. any refusal by the CI to participate in the screening and/or any refusal by the CI to accept referral to services. Reasons for the CI's refusal must be documented, where applicable.
  - c. No part of this subsection supersedes MN Stat. 253B.05, sub.2.

17. Reasonable protective measures must be provided for a CI when any member of this agency knows or should have known of a risk or threat of harm to a person serving as a CI and the risk or threat of harm is a result of the informant's service to this agency.
18. Overseeing agents must:
  - a. evaluate and document the criminal history and propensity for violence of target offenders; and
  - b. to the extent allowed, provide this information to the CI if there is a reasonable risk or threat of harm to the CI as a result of the CI's interaction with the target offender.
19. Reasonable efforts and precautions must be made to help protect the identity of a CI during the time the person is acting as an informant.
20. Whenever possible, officers must corroborate information provided by a CI and document efforts to do so.
21. The name of a CI must not be included in an affidavit for a warrant unless judicial authority is obtained to seal the document from the public record or the CI is a subject of the investigation upon which the affidavit is based.
22. Overseeing agents are responsible for ensuring that information of potential value to other elements of the agency is provided promptly to authorized supervisory personnel and/or other law enforcement agencies as appropriate.
23. Individuals leaving employment with the agency have a continuing obligation to maintain as confidential the identity of any CI and the information he or she provided unless obligated to reveal such identity or information by law or court order.

  - 7. CI File Review
    - a. Sworn personnel may review an individual's CI file only upon the approval of the agency's chief executive or their designee.

2. All CI payments must be approved in advance by the officer in charge of confidential funds.
3. Officers must provide accounting of monies received and documentation for confidential funds expended. Any documentation of monies paid or received should not contain the true identity of the informant but should use the CI's control number.

## MN POST Professional Conduct of Peace Officers Model Policy.pdf

**PROFESSIONAL CONDUCT OF PEACE OFFICERS MODEL POLICY**  
MN STAT 626.8457

**I. POLICY**

It is the policy of the \_\_\_\_\_ (law enforcement agency) to investigate circumstances that suggest an officer has engaged in unbecoming conduct, and impose disciplinary action when appropriate.

**II. PROCEDURE**

This policy applies to all officers of this agency engaged in official duties whether within or outside of the territorial jurisdiction of this agency. Unless otherwise noted this policy also applies to off duty conduct. Conduct not mentioned under a specific rule but that violates a general principle is prohibited.

**A. PRINCIPLE ONE**

Peace officers shall conduct themselves, whether on or off duty, in accordance with the Constitution of the United States, the Minnesota Constitution, and all applicable laws, ordinances and rules enacted or established pursuant to legal authority.

**1. Rationale:** Peace officers conduct their duties pursuant to a grant of limited authority from the community. Therefore, officers must understand the laws defining the scope of their enforcement powers. Peace officers may only act in accordance with the powers granted to them.

**2. Rules**

- a) Peace officers shall not knowingly exceed their authority in the enforcement of the law.
- b) Peace officers shall not knowingly disobey the law or rules of criminal procedure in such areas as interrogation, arrest, detention, searches, seizures, use of informants, and preservation of evidence, except where permitted in the performance of duty under proper authority.
- c) Peace officers shall not knowingly restrict the freedom of individuals, whether by arrest or detention, in violation of the Constitutions and laws of the United States and the State of Minnesota.
- d) Peace officers, whether on or off duty, shall not knowingly commit any criminal offense under any laws of the United States or any state or local jurisdiction.
- e) Peace officers will not, according to MN STAT 626.863, knowingly allow a person who is not a peace officer to make a representation of being a peace officer or perform any act, duty or responsibility reserved by law for a peace officer.

**B. PRINCIPLE TWO**

Peace officers shall refrain from any conduct in an official capacity that detracts from the public's faith in the integrity of the criminal justice system.

**1. Rationale:** Community cooperation with the police is a product of its trust that officers will act honestly and with impartiality. The peace officer, as the public's initial contact with the criminal justice system, must act in a manner that instills such trust.

**2. Rules**

- a) Peace officers shall carry out their duties with integrity, fairness and impartiality.

- b) Peace officers shall not knowingly make false accusations of any criminal, ordinance, traffic or other law violation. This provision shall not prohibit the use of deception during criminal investigations or interrogations as permitted under law.
- c) Peace officers shall truthfully, completely, and impartially report, testify and present evidence, including exculpatory evidence, in all matters of an official nature.
- d) Peace officers shall take no action knowing it will violate the constitutional rights of any person.
- e) Peace officers must obey lawful orders but a peace officer must refuse to obey any order the officer knows would require the officer to commit an illegal act. If in doubt as to the clarity of an order the officer shall, if feasible, request the issuing officer to clarify the order. An officer refusing to obey an order shall be required to justify his or her actions.
- f) Peace officers learning of conduct or observing conduct that is in violation of any law or policy of this agency shall take necessary action and report the incident to the officer's immediate supervisor who shall forward the information to the CLEO. If the officer's immediate supervisor commits the misconduct the officer shall report the incident to the immediate supervisor's supervisor.

**C. PRINCIPLE THREE**

Peace officers shall perform their duties and apply the law impartially and without prejudice or discrimination.

- 1. **Rationale:** Law enforcement effectiveness requires public trust and confidence. Diverse communities must have faith in the fairness and impartiality of their police. Peace officers must refrain from fostering disharmony in their communities based upon diversity and perform their duties without regard to race, color, creed, religion, national origin, gender, marital status, or status with regard to public assistance, disability, sexual orientation or age.
- 2. **Rules**
  - a) Peace officers shall provide every person in our society with professional, effective and efficient law enforcement services.
  - b) Peace officers shall not allow their law enforcement decisions to be influenced by race, color, creed, religion, national origin, gender, marital status, or status with regard to public assistance, disability, sexual orientation or age.

**D. PRINCIPLE FOUR**

Peace officers shall not, whether on or off duty, exhibit any conduct which discredits themselves or their agency or otherwise impairs their ability or that of other officers or the agency to provide law enforcement services to the community.

- 1. **Rationale:** A peace officer's ability to perform his or her duties is dependent upon the respect and confidence communities have for the officer and law enforcement officers in general. Peace officers must conduct themselves in a manner consistent with the integrity and trustworthiness expected of them by the public.
- 2. **Rules**

- a) Peace officers shall not consume alcoholic beverages or chemical substances while on duty except as permitted in the performance of official duties, and under no circumstances while in uniform, except as provided for in **c**).
- b) Peace officers shall not consume alcoholic beverages to the extent the officer would be rendered unfit for the officer's next scheduled shift. A peace officer shall not report for work with the odor of an alcoholic beverage on the officer's breath.
- c) Peace officers shall not use narcotics, hallucinogens, or other controlled substances except when legally prescribed. When medications are prescribed, the officer shall inquire of the prescribing physician whether the medication will impair the officer in the performance of the officer's duties. The officer shall immediately notify the officer's supervisor if a prescribed medication is likely to impair the officer's performance during the officer's next scheduled shift.
- d) Peace officers, whether on or off duty, shall not engage in any conduct which the officer knows, or should reasonably know, constitutes sexual harassment as defined under Minnesota law, including but not limited to; making unwelcome sexual advances, requesting sexual favors, engaging in sexually motivated physical contact or other verbal or physical conduct or communication of a sexual nature.
- e) Peace officers shall not commit any acts which constitute sexual assault or indecent exposure as defined under Minnesota law. Sexual assault does not include a frisk or other search done in accordance with proper police procedures.
- f) Peace officers shall not commit any acts which, as defined under Minnesota law, constitute (1) domestic abuse, or (2) the violation of a court order restraining the officer from committing an act of domestic abuse or harassment, having contact with the petitioner, or excluding the peace officer from the petitioner's home or workplace.
- g) Peace officers, in the course of performing their duties, shall not engage in any sexual contact or conduct constituting lewd behavior including but not limited to, showering or receiving a massage in the nude, exposing themselves, or making physical contact with the nude or partially nude body of any person, except as pursuant to a written policy of the agency.
- h) Peace officers shall avoid regular personal associations with persons who are known to engage in criminal activity where such associations will undermine the public trust and confidence in the officer or agency. This rule does not prohibit those associations that are necessary to the performance of official duties or where such associations are unavoidable because of the officer's personal or family relationships.

**E. PRINCIPLE FIVE**

Peace officers shall treat all members of the public courteously and with respect.

- 1. **Rationale:** Peace officers are the most visible form of local government. Therefore, peace officers must make a positive impression when interacting with the public and each other.
- 2. **Rules**
  - a) Peace officers shall exercise reasonable courtesy in their dealings with the public, other officers, superiors and subordinates.

- b) No peace officer shall ridicule, mock, deride, taunt, belittle, willfully embarrass, humiliate, or shame any person to do anything reasonably calculated to incite a person to violence.
- c) Peace officers shall promptly advise any inquiring citizen of the agency's complaint procedure and shall follow the established agency policy for processing complaints.

**F. PRINCIPLE SIX**

Peace officers shall not compromise their integrity nor that of their agency or profession by accepting, giving or soliciting any gratuity which could be reasonably interpreted as capable of influencing their official acts or judgments or by using their status as a peace officer for personal, commercial or political gain.

**1. Rationale:** For a community to have faith in its peace officers, officers must avoid conduct that does or could cast doubt upon the impartiality of the individual officer or the agency.

**2. Rules**

- a) Peace officers shall not use their official position, identification cards or badges for: (1) personal or financial gain for themselves or another person; (2) obtaining privileges not otherwise available to them except in the performance of duty; and (3) avoiding consequences of unlawful or prohibited actions.
- b) Peace officers shall not lend to another person their identification cards or badges or permit these items to be photographed or reproduced without approval of the chief law enforcement officer.
- c) Peace officers shall refuse favors or gratuities which could reasonably be interpreted as capable of influencing official acts or judgments.
- d) Unless required for the performance of official duties, peace officers shall not, while on duty, be present at establishments that have the primary purpose of providing sexually oriented adult entertainment. This rule does not prohibit officers from conducting walk-throughs of such establishments as part of their regularly assigned duties.
- e) Peace officers shall:
  - not authorize the use of their names, photographs or titles in a manner that identifies the officer as an employee of this agency in connection with advertisements for any product, commodity or commercial enterprise;
  - maintain a neutral position with regard to the merits of any labor dispute, political protest, or other public demonstration while acting in an official capacity;
  - not make endorsements of political candidates while on duty or while wearing the agency's official uniform.

This section does not prohibit officers from expressing their views on existing, proposed or pending criminal justice legislation in their official capacity.

**G. PRINCIPLE SEVEN**

Peace officers shall not compromise their integrity, nor that of their agency or profession, by taking or attempting to influence actions when a conflict of interest exists.

**1. Rationale:** For the public to maintain its faith in the integrity and impartiality of peace officers and their agencies officers must avoid taking or influencing official actions

where those actions would or could conflict with the officer's appropriate responsibilities.

**2. Rules**

- a) Unless required by law or policy a peace officer shall refrain from becoming involved in official matters or influencing actions of other peace officers in official matters impacting the officer's immediate family, relatives, or persons with whom the officer has or has had a significant personal relationship.
- b) Unless required by law or policy a peace officer shall refrain from acting or influencing official actions of other peace officers in official matters impacting persons with whom the officer has or has had a business or employment relationship.
- c) A peace officer shall not use the authority of their position as a peace officer or information available to them due to their status as a peace officer for any purpose of personal gain including but not limited to initiating or furthering personal and/or intimate interactions of any kind with persons with whom the officer has had contact while on duty.
- d) A peace officer shall not engage in any off-duty employment if the position compromises or would reasonably tend to compromise the officer's ability to impartially perform the officer's official duties.

**H. PRINCIPLE EIGHT**

Peace officers shall observe the confidentiality of information available to them due to their status as peace officers.

- 1. **Rationale:** Peace officers are entrusted with vast amounts of private and personal information or access thereto. Peace officers must maintain the confidentiality of such information to protect the privacy of the subjects of that information and to maintain public faith in the officer's and agency's commitment to preserving such confidences.

**2. Rules**

- a) Peace officers shall not knowingly violate any legal restriction for the release or dissemination of information.
- b) Peace officers shall not, except in the course of official duties or as required by law, publicly disclose information likely to endanger or embarrass victims, witnesses or complainants.
- c) Peace officers shall not divulge the identity of persons giving confidential information except as required by law or agency policy.

**I. APPLICATION**

Any disciplinary actions arising from violations of this policy shall be investigated in accordance with MN STAT 626.89, Peace Officer Discipline Procedures Act and the law enforcement agency's policy on Allegations of Misconduct as required by *MN RULES* 6700.2000 to 6700.2600.

## Eyewitness Identification Procedures Model Policy.pdf

## EYEWITNESS IDENTIFICATION PROCEDURES MODEL POLICY

Minn. Stat. 626.8433

### **POLICY:**

Officers shall adhere to the procedures for conducting eyewitness identifications set forth in this policy, in order to maximize the reliability of identifications, minimize erroneous identifications, and gather evidence that conforms to contemporary eyewitness identification protocols. Photo arrays and line-ups will be conducted by displaying the suspect and fillers sequentially using a blind or blinded administration.

### **Purpose:**

It is the purpose of this policy to establish guidelines for eyewitness identification procedures involving show-ups, photo arrays, and line-ups. Erroneous eyewitness identifications have been cited as the factor most frequently associated with wrongful convictions. Therefore, in addition to eyewitness identification, all appropriate investigative steps and methods should be employed to uncover evidence that either supports or eliminates the suspect identification.

### **Definitions:**

**Show-up:** The presentation of a suspect to an eyewitness within a short time frame following the commission of a crime to either confirm or eliminate him or her as a possible perpetrator. Show-ups, sometimes referred to as field identifications, are conducted in a contemporaneous time frame and proximity to the crime.

**Line-up:** The process of presenting live individuals to an eyewitness for the purpose of identifying or eliminating suspects.

**Photo Array:** A means of presenting photographs to an eyewitness for the purpose of identifying or eliminating suspects.

**Administrator:** The law enforcement official conducting the identification procedure.

**Blinded Presentation:** The administrator may know the identity of the suspect, but does not know which photo array member is being viewed by the eyewitness at any given time.

**Confidence Statement:** A statement in the witness's own words taken immediately after an identification is made stating his or her level of certainty in the identification.

**Filler:** A live person, or a photograph of a person, included in an identification procedure who is not considered a suspect.

**Sequential:** Presentation of a series of photographs or individuals to a witness one at a time.

**Simultaneous:** Presentation of a series of photographs or individuals to a witness all at once.

**Procedure:**

**1. Show-ups**

The use of show-ups should be avoided whenever possible in preference to the use of a lineup or photo array procedure. However, when circumstances require the prompt presentation of a suspect to a witness, the following guidelines shall be followed to minimize potential suggestiveness and increase reliability.

- a. Document the witness’s description of the perpetrator prior to conducting the show up.
- b. Conduct a show-up only when the suspect is detained within a reasonably time frame after the commission of the offense and within a close physical proximity to the location of the crime.
- c. Do not use a show-up procedure if probable cause to arrest the suspect has already been established.
- d. If possible, avoid conducting a show-up when the suspect is in a patrol car, handcuffed, or physically restrained by officers, unless safety concerns make this impractical.
- e. Caution the witness that the person he or she is about to see may or may not be the perpetrator—and it is equally important to clear an innocent person. The witness should also be advised that the investigation will continue regardless of the outcome of the show-up.
- f. Do not conduct the show-up with more than one witness present at a time.
- g. Separate witnesses and do not allow communication between them before or after conducting a show-up.
- h. If one witness identifies the suspect, use a line-up or photo array for remaining witnesses.
- i. Do not present the same suspect to the same witness more than once.

- j. Do not require show-up suspects to put on clothing worn by, speak words uttered by, or perform other actions of the perpetrator.
- k. Officers should scrupulously avoid words or conduct of any type that may suggest to the witness that the individual is or may be the perpetrator.
- l. Ask the witness to provide a confidence statement.
- m. Remind the witness not to talk about the show-up to other witnesses until police or prosecutors deem it permissible.
- n. Videotape the identification process using an in-car camera or other recording device when feasible.
- o. Document the time and location of the show-up, the officers present, the result of the procedure, and any other relevant information.

## **Line-up and Photo Array Procedures**

### **2. Basic Procedures for Conducting a Line-up or Photo Array**

- a. Line-ups will not typically be utilized for investigations, unless conducting a photo array is not possible.
- b. Whenever possible, a blind presentation shall be utilized. In cases where a blind presentation is not feasible for a photo array, a blinded presentation should be used. Live line-ups must be conducted using a blind presentation.
- c. The line-up or photo array should consist of a minimum of six individuals or photographs. Use a minimum of five fillers and only one suspect.
- d. Fillers should be reasonably similar in age, height, weight, and general appearance and be of the same sex and race, in accordance with the witness's description of the offender.
- e. Avoid the use of fillers who so closely resemble the suspect that a person familiar with the suspect might find it difficult to distinguish the suspect from the fillers.
- f. Create a consistent appearance between the suspect and the fillers with respect to any unique or unusual feature (e.g., scars, tattoos, facial hair) used to describe the perpetrator by artificially adding or concealing that feature on the fillers.
- g. If there is more than one suspect, include only one in each line-up or photo array.

- h. During a blind presentation, no one who is aware of the suspect's identity should be present during the administration of the photo array. However, during a line-up, the suspect's attorney should be present.
- i. Place suspects in different positions in each line-up or photo array, both across cases and with multiple witnesses in the same case.
- j. Witnesses should not be permitted to see or be shown any photos of the suspect prior to the line-up or photo array.
- k. The witness shall be given a copy of the following instructions prior to viewing the line-up or photo array and the administrator shall read the instructions aloud before the identification procedure.

*You will be asked to look at a series of individuals.*

*The perpetrator may or may not be present in the identification procedure.*

*It is just as important to clear innocent persons from suspicion as it is to identify guilty parties.*

*I don't know whether the person being investigated is included in this series.*

*Sometimes a person may look different in a photograph than in real life because of different hair styles, facial hair, glasses, a hat or other changes in appearance. Keep in mind that how a photograph was taken or developed may make a person's complexion look lighter or darker than in real life.*

*You should not feel that you have to make an identification. If you do identify someone, I will ask you to describe in your own words how certain you are.*

*The individuals are not configured in any particular order.*

*If you make an identification, I will continue to show you the remaining individuals or photos in the series.*

*Regardless of whether you make an identification, we will continue to investigate the incident.*

*Since this is an ongoing investigation, you should not discuss the identification procedures or results*

- l. The line-up or photo array should be shown to only one witness at a time; officers should separate witnesses so they will not be aware of the responses of other witnesses.
- m. Multiple identification procedures should not be conducted in which the same witness views the same suspect more than once.
- n. Officers should scrupulously avoid the use of statements, cues, casual comments, or providing unnecessary or irrelevant information that in any manner may influence the witnesses' decision-making process or perception.
- o. Following an identification, the administrator shall ask the witness to provide a confidence statement and document the witness's response.
- p. The administrator shall ask the witness to complete and sign an Eyewitness Identification Procedure Form.
- q. Line-up and photo array procedures should be video or audio recorded whenever possible. If a procedure is not recorded, a written record shall be created and the reason for not recording shall be documented. In the case of line-ups that are not recorded, agents shall take and preserve a still photograph of each individual in the line-up.

### 3. Photographic Arrays

- a. Creating a Photo Array
  1. Use contemporary photos.
  2. Do not mix color and black and white photos.
  3. Use photos of the same size and basic composition.
  4. Never mix mug shots with other photos and ensure consistent appearance of photograph backgrounds and sizing.
  5. Do not include more than one photo of the same suspect.
  6. Cover any portions of mug shots or other photos that provide identifying information on the subject – and similarly cover other photos used in the array.
  7. Where the suspect has a unique feature, such as a scar, tattoo, or mole or distinctive clothing that would make him or her stand out in the photo array, filler photographs should include that unique feature either by selecting fillers who have the same features themselves or by altering the photographs of fillers to the extent necessary to achieve a consistent appearance.
  8. Fillers should not be reused in arrays for different suspects shown to the same witness.
- b. Conducting the Photo Array
  1. The photo array should be preserved, together with full information about the identification process as part of the case file and documented in a report.

2. If a blind administrator is not available, the administrator shall ensure that a blinded presentation is conducted using the following procedures.
  - a. Place the suspect and at least five filler photos in separate folders for a total of six (or more depending on the number of fillers used).
  - b. The administrator will take one folder containing a known filler and place it to the side. This will be the first photo in the series. The administrator should then shuffle the remaining folders (containing one suspect and the remainder of fillers) such that he or she cannot see how the line-up members are ordered. These shuffled folders will follow the first filler photo. The stack of photos is now ready to be shown to the witness.
  - c. The administrator should position himself or herself so that he or she cannot see inside the folders as they are viewed by the witness.
3. The witness should be asked if he or she recognizes the person in the photo before moving onto the next photo. If an identification is made before all of the photos are shown, the administrator should tell the witness that he or she must show the witness all of the photos and finish showing the sequence to the witness, still asking after each photo if the witness recognizes the person in the photo.
4. If possible, the array should be shown to the witness only once. If, upon viewing the entire array the witness asks to see a particular photo or the entire array again, the witness should be instructed that he or she may view the entire array only one additional time. If a second viewing is permitted, it must be documented.

#### 4. Line-ups

- a. Conducting the Line-up
  1. Live line-ups shall be conducted using a blind administrator.
  2. Ensure that all persons in the line-up are numbered consecutively and are referred to only by number.
- b. The primary investigating officer is responsible for the following:
  1. Scheduling the line-up on a date and at a time that is convenient for all concerned parties, to include the prosecuting attorney, defense counsel, and any witnesses.
  2. Ensuring compliance with any legal requirements for transfer of the subject to the line-up location if he or she is incarcerated at a detention center.
  3. Making arrangements to have persons act as fillers.
  4. Ensuring that the suspect's right to counsel is scrupulously honored and that he or she is provided with counsel if requested. Obtaining proper documentation of any waiver of the suspect's right to counsel.
  5. Allowing counsel representing the suspect sufficient time to confer with his or her client prior to the line-up and to observe the manner in which the line-up is conducted.

The following may be indicia of a legal observer: Wearing a green National Lawyers' Guild issued or authorized Legal Observer hat and/or vest (a green NLG hat and/or black vest with green labels) or wearing a blue ACLU issued or authorized legal observer vest.
- J. Less-lethal Impact Munitions. Impact munitions which can be fired, launched, or

otherwise propelled for the purpose of encouraging compliance, overcoming resistance or preventing serious injury without posing significant potential of causing death.

- K. **Media:** Media means any person who is an employee, agent, or independent contractor of any newspaper, magazine or other periodical, book publisher, news agency, wire service, radio or television station or network, cable or satellite station or network, or audio or audiovisual production company, or any entity that is in the regular business of news gathering and disseminating news or information to the public by any means, including, but not limited to, print, broadcast, photographic, mechanical, internet, or electronic distribution. For purposes of this policy, the following are indicia of being a member of the media: visual identification as a member of the press, such as by displaying a professional or authorized press pass or wearing a professional or authorized press badge or some distinctive clothing that identifies the wearer as a member of the press.

#### 4) Law Enforcement Procedures

- A. **Uniform:** All officers responding to public assemblies must at all times, including when wearing protective gear, display their agency name and a unique personal identifier in compliance with this department's uniform policy. The chief law enforcement officer must maintain a record of any officer(s) at the scene who is not in compliance with this requirement due to exigent circumstances.
- B. **Officer conduct:**
  1. Officers shall avoid negative verbal engagement with members of the crowd. Verbal abuse against officers does not constitute a reason for an arrest or for any use of force against such individuals.
  2. Officers must maintain professional demeanor and remain neutral in word and deed despite unlawful or anti-social behavior on the part of crowd members.
  3. Officers must not take action or fail to take action based on the opinions being expressed.
  4. Officers must not interfere with the rights of members of the public to observe and document police conduct via video, photographs, or other methods unless doing so interferes with on-going police activity.
  5. Officers must not use a weapon or munition unless the officer has been trained in the use and qualified in deployment of the weapon/munition.
  6. This policy does not preclude officers from taking appropriate action to direct crowd and vehicular movement; enforce ordinances and statutes; and to maintain the safety of the crowd, the general public, law enforcement personnel, and emergency personnel.

#### 5. Responses to Crowd Situations

- A. **Lawful assembly.** Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest, or otherwise express their views and opinions through varying forms of communication including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills, leafleting and

loitering.

**B. Unlawful assembly**

1. The definition of an unlawful assembly has been set forth in Minnesota Statute [§609.705](#).
2. The mere failure to obtain a permit, such as a parade permit or sound permit, is not a sufficient basis to declare an unlawful assembly
3. The fact that some of the demonstrators or organizing groups have engaged in violent or unlawful acts on prior occasions or demonstrations is not grounds for declaring an assembly unlawful.
4. Whenever possible, the unlawful behavior of a few participants must not result in the majority of peaceful protestors being deprived of their First Amendment rights, unless other participants or officers are threatened with dangerous circumstances.
5. Unless emergency or dangerous circumstances prevent negotiation, crowd dispersal techniques must not be initiated until after attempts have been made through contacts with the police liaisons and demonstration or crowd event leaders to negotiate a resolution of the situation so that the unlawful activity will cease, and the First Amendment activity can continue.

**C. Declaration of Unlawful Assembly**

1. If the on-scene supervisor/incident commander has declared an unlawful assembly, the reasons for the declaration and the names of the decision maker(s) must be recorded. The declaration and dispersal order must be announced to the assembly. The name(s) of the officers announcing the declaration should be recorded, with the time(s) and date(s) documented.
2. The dispersal order must include:
  - a) Name, rank of person, and agency giving the order
  - b) Declaration of Unlawful Assembly and reason(s) for declaration
  - c) Egress or escape routes that may be used
  - d) Specific consequences of failure to comply with dispersal order
  - e) How long the group has to comply
3. Whenever possible, dispersal orders should also be given in other languages that are appropriate for the audience. Officers must recognize that not all crowd members may be fluent in the language(s) used in the dispersal order.
4. Dispersal announcements must be made in a manner that will ensure that they are audible over a sufficient area. Dispersal announcements-must be made from different locations when the demonstration is large and noisy. The dispersal announcements should be repeated after commencement of the dispersal operation so that persons not present at the original broadcast will understand that they must leave the area. The announcements must also specify adequate egress or escape routes. Whenever possible, a minimum of two escape/egress routes shall be identified and announced.

**D. Crowd Dispersal**

1. Crowd dispersal techniques should not be initiated until officers have made repeated announcements to the crowd, or are aware that repeated announcements

- have been made, asking members of the crowd to voluntarily disperse, and informing them that, if they do not disperse, they will be subject to arrest.
2. Unless an immediate risk to public safety exists or significant property damage is occurring, sufficient time will be allowed for a crowd to comply with officer commands before action is taken.
  3. If negotiations and verbal announcements to disperse do not result in voluntary movement of the crowd, officers may employ additional crowd dispersal tactics, but only after orders from the on-scene supervisor/incident commander. The use of these crowd dispersal tactics shall be consistent with the department policy of using the minimal officer intervention needed to address a crowd management or control issue.
  4. If, after a crowd disperses pursuant to a declaration of unlawful assembly and subsequently participants assemble at a different geographic location where the participants are engaged in non-violent and lawful First Amendment activity, such an assembly cannot be dispersed unless it has been determined that it is an unlawful assembly, and a new declaration of unlawful assembly has been made.

## **6. Tactics and Weapons to Disperse or Control a Non-Compliant Crowd**

Nothing in this policy prohibits officers' abilities to use appropriate force options to defend themselves or others as defined in the (law enforcement agency's) Use of Force policy.

### **A. Use of Batons**

1. Batons must not be used for crowd control, crowd containment, or crowd dispersal except as specified below.
2. Batons may be visibly displayed and held in a ready position during squad or platoon formations.
3. When reasonably necessary for protection of the officers or to disperse individuals in the crowd pursuant to the procedures of this policy, batons may be used in a pushing, pulling, or jabbing motion. Baton jabs must not be used indiscriminately against a crowd or group of persons but only against individuals who are physically aggressive or actively resisting arrest. Baton jabs should not be used in a crowd control situation against an individual who is attempting to comply but is physically unable to disperse or move because of the press of the crowd or some other fixed obstacle.
4. Officers must not strike a person with any baton to the head, neck, throat, kidneys, spine, or groin, or jab with force to the armpit unless the person has created an imminent threat of great bodily harm to another.
5. Batons shall not be used against a person who is handcuffed except when permissible under this department's Use of Force policy and state law.

### **B. Restrictions on Crowd Control and Crowd Dispersal**

1. Canines. Canines must not be used for crowd control, crowd containment, or crowd dispersal.
2. Fire Hoses. Fire hoses must not be used for crowd control, crowd containment, or crowd dispersal.
3. Electronic Control Weapons (ECWs) must not be used for crowd control, crowd

- containment, or crowd dispersal.
4. Motorcycles and police vehicles must not be used for crowd dispersal, but may be used for purposes of observation, visible deterrence, traffic control, transportation, and area control during a crowd event.
  5. Skip Fired Specialty Impact Less-Lethal Munitions (Wooden Dowels and Stinger Grenades) may be used as a last resort if other crowd dispersal techniques have failed or have been deemed ineffective.
  6. Direct Fired munitions may never be used indiscriminately against a crowd or group of persons even if some members of the crowd or group are violent or disruptive.
    - a) Except for exigent circumstances, the on-scene supervisor/incident commander must authorize the deployment of Direct Fired munitions. Direct Fired munitions must be used only against a specific individual who is engaging in conduct that poses an immediate threat of loss of life or serious bodily injury to them self, officers, or the general public; or is creating an imminent risk to the lives or safety of other persons through the substantial destruction of property.
    - b) Officers shall not discharge a Direct Fired munitions at a person's head, neck, throat, face, left armpit, spine, kidneys, or groin unless deadly force would be justified.
    - c) When circumstances permit, the on-scene supervisor/incident commander must make an attempt to accomplish the policing goal without the use of Direct Fired munitions as described above, and, if practical, an audible warning shall be given to the subject before deployment of the weapon.
  7. Aerosol Hand-held Chemical Agents must not be used in a demonstration or crowd situation or other civil disorders without the approval of the on-scene supervisor/incident commander.
    - a) Aerosol, hand-held, pressurized, containerized chemical agents that emit a stream shall not be used for crowd management, crowd control, or crowd dispersal during demonstrations or crowd events. Aerosol hand-held chemical agents may not be used indiscriminately against a crowd or group of persons, but only against specific individuals who are engaged in specific acts of serious unlawful conduct or who are actively resisting arrest.
    - b) Officers shall use the minimum amount of the chemical agent necessary to overcome the subject's resistance.
    - c) When possible, persons should be removed quickly from any area where hand held chemical agents have been used. Officers must monitor the subject and pay particular attention to the subject's ability to breathe following the application of a chemical agent.
    - d) A subject who has been sprayed with a hand-held chemical agent shall not be left lying on their stomach once handcuffed or restrained with any device.
  9. Chemical munitions use in a crowd situation is subject to the following:
    - a) Chemical munitions must be used only when:
      - 1) a threat of imminent harm or serious property damage is present, or

other crowd dispersal techniques have failed or did not accomplish the policing goal as determined by the incident commander,

- 2) sufficient egress to safely allow the crowd to disperse exists, and
- 3) The use of chemical munitions is approved by the on-scene supervisor/incident commander, and
- b) When feasible, additional announcements should be made prior to the use of chemical munitions in a crowd situation warning of the imminent use of chemical munitions.
- c) Deployment of chemical munitions into a crowd must be avoided to prevent unnecessary injuries.
- d) CN chemical munitions are prohibited.
- e) The use of each chemical munition must be recorded (time, location), and the following information must be made available by the department on request :
  - 1) the name of each chemical munition used in an incident,
  - 2) the location and time of use for each munition deployment,
  - 3) access to the safety data sheet (SDS) for chemical munition
- f) Where extensive use of chemical munitions would reasonably be anticipated to impact nearby residents or businesses, agencies should consider proactively notifying impacted individuals of safety information related to the munitions use as soon as possible, even if after the event.
- g) When chemical munitions are used, an emergency responder will be on standby at a safe distance near the target area when feasible.
- h) Chemical munitions are subject to the same procedural requirements as outlined in the (law enforcement department)'s UOF policy.

### C. Arrests

- 1. If the crowd has failed to disperse after the required announcements and sufficient time to disperse, officers may encircle the crowd or a portion of the crowd for purposes of making multiple simultaneous arrests.
- 2. Persons who make it clear (e.g., by non-violent civil disobedience) that they seek to be arrested may be arrested and must not be subjected to other dispersal techniques, such as the use of batons or chemical agents. Persons refusing to comply with arrest procedures may be subject to the reasonable use of force.
- 3. Arrests of non-violent persons shall be accomplished by verbal commands and persuasion, handcuffing, lifting, carrying, the use of dollies and/or stretchers, and/or the use of soft empty hand control holds.
- 4. Officers must document any injuries reported by an arrestee, and as soon as practical, officers must obtain professional medical treatment for the arrestee.
- 5. Juveniles arrested in demonstrations shall be handled consistent with department policy on arrest, transportation, and detention of juveniles.
- 6. Officers arresting a person with a disability affecting mobility or communication must follow the department policy on arrest, transportation, and detention of persons with disabilities.

**6. Handcuffs**

- A. All persons subject to arrest during a demonstration or crowd event shall be handcuffed in accordance with department policy, orders, and training bulletins.
- B. Officers should be cognizant that flex-cuffs may tighten when arrestees hands swell or move, sometimes simply in response to pain from the cuffs themselves. When arrestees complain of pain from overly tight flex cuffs, officers must examine the cuffs and ensure proper fit.
- C. Arrestees in flex-cuffs must be monitored to prevent injury.
- D. Each unit involved in detention and/or transportation of arrestees with flex-cuffs should have a flex-cuff cutter and adequate supplies of extra flex-cuffs readily available.

**7. Media.**

- A. The media have a First Amendment right to cover public activity, including the right to record video or film, livestream, photograph, or use other mediums.
- B. The media must not be restricted to an identified area, and must be permitted to observe and must be permitted close enough access to view the crowd event and any arrests. An onsite supervisor/incident commander may identify an area where media may choose to assemble.
- C. Officers will not arrest members of the media unless they are physically obstructing lawful efforts to disperse the crowd, or efforts to arrest participants, or engaged in criminal activity.
- D. The media must not be targeted for dispersal or enforcement action because of their media status.
- E. Even after a dispersal order has been given, clearly identified media must be permitted to carry out their professional duties unless their presence would unduly interfere with the enforcement action.

**8. Legal Observers**

- A. Legal observers, including unaffiliated self-identified legal observers and crowd monitors, do not have the same legal status as the media, and are subject to laws and orders similar to any other person or citizen.
- B. Legal observers and monitors must comply with all dispersal orders unless the on-site supervisor/incident commander chooses to allow such an individual legal observers and monitors to remain in an area after a dispersal order.
- C. Legal observers and crowd monitors must not be targeted for dispersal or enforcement action because of their status.

**9. Documentation of Public Assembly and First Amendment Activity**

- A. The purpose of any visual documentation by (law enforcement agency) of a public assembly or first amendment activity must be related only to:
  - 1) Documentation of the event for the purposes of debriefing,
  - 2) Documentation to establish a visual record for the purposes of responding to citizen complaints or legal challenges, or
  - 3) Creating visual records for training purposes.

- B. If it is the policy of (law enforcement agency) to videotape and photograph, it must be done in a manner that minimizes interference with people lawfully participating in First Amendment activities. Videotaping and photographing of First Amendment activities must take place only when authorized by the on-site supervisor/incident commander.
  - C. Individuals should not be singled out for photographing or recording simply because they appear to be leaders, organizers, or speakers.
  - D. Unless evidence of criminal activity is provided, videos or photographs of demonstrations shall not be disseminated to other government agencies, including federal, state, and local law enforcement agencies. If videos or photographs are disseminated or shared with another law enforcement agency, a record should be created and maintained noting the date and recipient of the information.
  - E. If there are no pending criminal prosecutions arising from the demonstration or if the video recording or photographing is not relevant to an Internal Affairs or citizen complaint investigation or proceedings or to civil litigation arising from police conduct at the demonstration, the video recording and/or photographs shall be destroyed in accordance with department policies.
  - F. This directive shall not prohibit department members from using these videos or footage from such videos as part of training materials for officers in crowd control and crowd dispersal techniques and procedures.
