Discussions

1. Discussion on 42 Well

Council discussed the amount of money to hold back from Portzen Construction due to overages.

Fisk felt that \$25,000 was fair.

Weber arrived at 5:33

DeVore felt that should Portzen bid again on a city project the city should take a harder look.

Stewart wanted to know how much was owed to Fox Engineering. Mulfinger was waiting on the number from Fox.

Mulfinger said he would bring the item to council to close out the project and reduce the payout by \$25,000.
