City Council Work Session

Oelwein Community Plaza, 25 West Charles, Oelwein,
Iowa

February 08, 2021 - 6:30 PM

Present: DeVore, Stewart, Seeders, Payne, Fisk, Cantrell (electronically), Weber

Discussions

1. Discussion on Street Projects

Vic Kane, Utilities Superintendent, presented several projects.

The following items were being requested for consideration

- 12th Avenue SE reconstruction
- New snow plow to replace the tandem
- New loader to replace the current loader
- Bobcat to replace the current bobcat and move the current one to parks
- Spray Patch Machine
- Seal Coat in Spring 2022

Council had several questions about the spray patch machine and wanted to make sure that staff had time and people to use the machine. Kane assured council that the spray patch machine would be used and be out in the public.

Fisk was concerned that more funding should go toward the chip seal avenues.

Seeders was on board with the spray patch machine.

Mulfinger said that all items not in the budget would come to city council to be purchased. The spray patch machine would come in Summer of 2021.

Adjournment

The meeting adjourned at 8:00 P.M.

Dylan Mulfinger, City Administrator
