- Trees Forever planting locations: Johnson stated that he would like board members to find at least a dozen locations for tree plantings for this fall planting. Johnson stated that it's always best to have a few extra locations as sometimes there are utilities underneath that won't make the location suitable for planting. Johnson stated that they will plan on planting trees in the middle of October once again as that gives the employees two weeks of watering before they leave.
- Trees For Kids grant: Johnson asked the tree board if they were up for applying for this grant and another tree planting this fall. The board stated they would like Johnson to go ahead and apply for this grant. Johnson stated that if awarded, they would plant the trees at City Park.

- Board member updates: The board looked at the chestnut trees planted at the shop. Johnson also mentioned with RAGBRAI coming up that they could always use more volunteers for the event.
- Adjournment: 6:10PM
- Next meeting: August 2025
