June 27, 2022 - 5:15 PM

## Pledge of Allegiance

## Discussions

1. Discussion on No Parking on North Frederick Avenue adjacent to Veterans Memorial Park.

Staff provided the following recommendation:

The no parking 2 a.m. to 6 a.m. would benefit snow removal and street cleaning, while easing the issue of one property having 6 to 8 cars parked on the road. Consideration of an additional restriction of two-hour parking to prevent daytime issues, was also discussed. It would be labor intensive to monitor, but would certainly resolve the issue.

Payne voted to send the radiance to council with the changes recommended by staff, Lenz seconded. All voted aye.
