## Discussions

1. Dispatch Discussion.

Public Safety Chief Jeremy Logan discussed with council options for the city.

Mulfinger advised requests from the county have still gone unanswered.

DeVore expressed frustration how most meetings had little follow-up from the Supervisors, and they found one system they liked and only pursued that solution.

Logan went into the issues that are still occurring and the discrepancies in the calls for service numbers.

Mulfinger advised the current contract goes until June of 2023.

Council discussed how they would vote on the issue at the regular meeting.
