## Discussions

1. Review of the Demolition Assistance Program.

Weber advised that the demolition permit should emphasize the funds are for people who have not made money on the property in any form. Seeders stated the owner of the property should not qualify even if they did not rent the property. Mulfinger advised he would update the policy and bring it back to the committee.

2. Review of the Hotel Motel program.

Mulfinger started the meeting by informing the committee the current hotel motel process needs updated. Mulfinger has had issues with organizations applying who do not have no profit status.

Weber requested a tiered system so smaller events could still happen for small nonprofits.

Mulfinger informed the committee the application process will get harder for some groups in town.

Payne stated if a large group wants to do something big, then they should know how to apply for the funds.

Mulfinger advised the hotel motel application should come back to the city council.
