### 1. 2021 Bond

Mulfinger talked about a potential CDBG project with Plaza Park. The idea would be to tear down the plaza and expand the Park. The plaza buildings days are numbered with the creek construction happening in the next three years. Council had no reserves about applying for the grant.

Mulfinger informed council of the next steps in the 2022 bond. Mulfinger reminded the council of their priorities. Mulfinger said the next step would be working with bond council. Department Heads would bring projects to the Administration, then projects would be looked over and brought to council. Mulfinger wants to have the bond ready for bid by January 2022.
